Prologue (NTR Delusion Whispers)

(Right, whispering, teasing tone)

Good morning.

Please wake up quickly, it's already noon.

(Center, normal tone)

(In a somewhat indifferent and exasperated tone)

So, you finally woke up.

Honestly, you're still the same useless guy.

If I didn't have a spare key to this house, I would've been left waiting at the front door.

Well, as a substitute, I indulged in some erotic books.

As a lover, it's important to know your boyfriend's preferences for a smooth sexual life, or rather, to snoop around his private life.

Speaking of which, the books I found... were mostly about cuckoldry. What's up with that?

Are you such a pathetic and weak person that you're even a loser in fantasies? Seriously.

Honestly, if I weren't here, you would've been a virgin for life. Don't you think you should be grateful?

(Right, close)

By the way, do you want to do something like this with me?

(Right, whispering)

Like in this book, having your precious girlfriend, who has become a captive of another man, stroke your penis like this, up and down, up and down, giving you a losing hand job.

(Right, close)

Oh, I see. I checked inside your pants and your penis is seriously rock hard.

You're fully erect just after waking up, and I can even see precum.

You really are useless and weak, a pathetic little penis.

(Right, whispering)

See, I'm being seduced by a naughty, charming guy, just like the heroines in those naughty books.♥

He's incredibly handsome, much more manly than you, and he has no trouble finding sex partners.

He's hitting on me, coming on strong, even though I have the most important boyfriend in the world, and it makes my heart race.

Then, before I know it, I think it wouldn't hurt to have a little chat, and we end up going to a hotel together.

(Right, normal)

(The boyfriend is getting more excited than expected; becoming meaner from a sadistic mindset)

Oh dear, imagining me having sex with someone else is making your penis hot and bothered, isn't it?

Well then, let's continue the story.

I'll torment this cuckold masochist even more.

(Right, close)

Once I was taken to a hotel by a playboy, of course, we ended up doing lots of naughty things.

First, it felt like he was about to kiss me, and his attractive face approached, despite being a playboy, and I couldn't help but let him.

Even my lips, which were supposed to be exclusively yours, were mercilessly stolen, and his tongue even invaded my mouth. But instead of feeling disgusted, I felt my heart pounding.

I was stimulated by the sense of betrayal in betraying my important person and the wild masculinity of the handsome playboy, and my heart and body became soaking wet.

That's why, even though I initially just let things happen, in the end, my primal instinct as a female, seeking a superior male, overpowered the feeling that I shouldn't betray my boyfriend,

and I started intertwining our tongues on my own.

(Right, whispering)

Yes, a sensual and erotic deep kiss, like you and I have, or even more than that, with our tongues and fluids intertwining.♥

Being kissed like that by an adult, I became completely aroused, and instead of feeling disgust when I saw the bulge in his crotch, I found myself eagerly anticipating it... and that thing was inserted into my most intimate part, with a wet, slurping sound.

And it wasn't your weak and pathetic masochistic penis, but a large, hard, womanising cock that has captivated many girls.

I'm sure his techniques are amazing too.

He precisely stimulates the places that make a girl feel good and knows exactly when to be affectionate, even though he's the worst playboy. Every girl loses her reason and forgets about her important person, becoming an obedient female to the strong playboy.

Of course, I'm also in that state right now.♥

See, I'm making incredibly erotic sounds that you've never heard before, enjoying an intense sexual experience that your weak masochistic penis could never provide with the playboy.

"Ah, ah, I like this, I like it more than my boyfriend, I love it, I love the playboy."

(Right, close)

(The seed of sadism sprouts, curious about how my boyfriend would react if he were really cuckolded)

Hmm, are you trembling so much because you're about to climax?

If you're such a genuine cuckold masochist, maybe trying it for real once wouldn't be a bad idea.

Hmm, yes... then let's decide to engage in real cuckold play after you ejaculate.

It's fine, right? Because you're a perverted masochist.

Besides, I'm also very curious.

Even for someone as perverted as you, experiencing a pseudo-cuckold situation might be interesting.?

So, come on, let's climax.

Imagine me, sweetly moaning and begging for a creampie from the playboy.

(Right, whispering)

There you go, up and down, up and down, stroking the cuckold masochistic cock, stroke, stroke.♥

Oh dear, the weak little penis in your hands is trembling.

Do you really want me to be cuckolded that badly?

But please endure a little longer.

(Right, silent whisper)

While imagining me being creampie'd by another man, I want you to ejaculate.

Look, my pussy has been filled with the playboy's thick, cuckolded semen from his big, throbbing cock.♥

With a gushing sound, a tremendous amount of thick sperm is being discharged into my pussy.

And then, I'm sure you understand why all that sperm is heading towards the depths of my pussy, right?

Yes, to impregnate me.

See, the sperm of the playboy, which should have been exclusively yours, is now heading towards the foundation of my baby.

3, 2, 1, splash!?

The excellent genes of the playboy are being embedded into my eggs, and the cuckolding is complete.♥

Even my eggs have been thoroughly cuckolded, so please ejaculate miserably, you masochist.♥

(Right, close)

(In a cold and mean tone)

Oh, my, you ejaculated more than I expected.

I thought you would lose interest midway through such a cruel cuckolding fantasy, so I'm surprised that you actually came.

However, if that's the case, there's no need to hold back, right?

I will proceed with the cuckold play, as it has been decided.

(Right, whispering)

So, please look forward to it, you perverted boyfriend.

I'll make sure you experience abundant erectile dysfunction and depressed ejaculation.♥

Just Before Cuckolding

(Center, normal)

Do you remember what day it is today?

Don't worry, it's not some special anniversary or anything.

Well, starting from next year, it will be the anniversary of me having an intimate encounter with someone other than you, though.

Well, I'm sure you wouldn't forget, even if you tend to be forgetful.

Are you worried about whether I'll really be cuckolded or not?

Well, I may have teased you in various ways, but I probably won't live up to those expectations.

Even if the other person is a playboy who surrounds himself with several casual partners he found on the internet, it's highly unlikely.

To become infatuated with someone after just spending one night together.

Besides, even if a man has a large member, it doesn't necessarily guarantee pleasure.

This isn't some erotic manga world; I think we'll just have sex like normal and that will be it.

(Right, close)

Well, I think that alone would be enough of a thrill for someone like you, a weak masochistic boyfriend.♥

Alright then, I'm off. Please wait eagerly with your masochistic cock erect.

Oh, but no ejaculating allowed.

Later, I'll give you a detailed report on my cheating encounter while enjoying sex with you.

Even if you're an impatient pervert, you absolutely must resist.

(Right, whispering)

Well then, I'm off.

Cuckolding Report Handjob (While Watching the Recorded Video)

(Center, far)

(Pretending to recover from the lingering pleasure of an unknown sexual encounter)

Haah, haah... That... I didn't know about that... Ah, I'm back.

I've returned from the cuckolding session.

(Center, normal)

Honestly, why are you so restless and eager to hear about my sexual encounter?

Oh, but I apologise, um, I'm more tired than I thought, so no sex tonight, sorry.

Instead, while giving you a handjob, I'll thoroughly report and let you ejaculate.

(Right, normal)

Here, I'll grip it from behind.

(Right, whispering)

How does it feel to touch my body, which was intimately entwined with another man until just now?

As expected of a playboy, he thoroughly enjoyed every part of me.

Does it make you feel frustrated, pained, and miserable?

(Right, close)

Hehe, but your cock is still erect... Ah, well, it actually feels smaller than usual, doesn't it?

Oh, making you twitch like that just now, you really have a severe case of having a cuckold masochistic cock.

If I stroke it vigorously in this heightened state of excitement, it will feel incredibly pleasurable, won't it?

Come on, stroke, stroke, jerk off.

So, have you been fantasising about me being the one to facilitate the cuckolding... or should I say, about the other man?

Did you imagine me being adored by the other man's cruelly large cock while handling your masochistic cock?

As promised, you haven't ejaculated, right?

That's good. It seems you, as a perverted boyfriend, have some self-control. I'm impressed.

(Right, whispering)

Well then, as a reward for keeping your promise, I'll continue giving you a handjob while showing you the recorded video.

(Center, normal)

(Nonchalantly greeting like a submissive girl about to be exposed)

"Hello, today I'm here for cuckolding because I'm not satisfied with sex with my boyfriend. Nice to meet you.

Oh, but kissing on the lips and having unprotected sex is prohibited, so please keep that in mind.

Well, I've prepared myself, so let's get started right away. By the way, your penis... Um, it's quite big, isn't it? Definitely much bigger than my boyfriend's.

Well, size isn't everything, but it looks like we'll have some fun with this.

So, first of all, what would you like me to do?"

(Right, whispering)

That person's penis was really huge.

I'm maintaining my composure because it's unseemly to get too excited.

It was incomparably big compared to yours, a massive cock oozing with masculine pheromones.

I didn't expect to get so thrilled just because of a big penis like this. ♥

(Center, normal)

(Surprisingly aroused and nervous)

"I see, let's start by pleasuring you with my hand. Hmmm... Like this, right? It's so hot and throbbing... It's completely different from my boyfriend's.

Oh, really? When I move it, it becomes even more erect. How does it feel? Is it pleasurable? Ah, wow... With such a big penis, I wonder how much cum it can release.

I'm so excited, I can't wait to stroke it some more."

(Right, whispering)

(Cruelly teasing in a detached manner)

Look, can you tell that my gaze is fixated on the other man's penis?

Well, it can't be helped, right?

Even you, when you see a woman with large breasts, your eyes inevitably wander there. Did you think I hadn't noticed?

Well, this is no different, so please don't get angry.

Well, for you, it's probably an exciting material for your masochistic arousal.

(Center, normal)

(Feeling a bit more comfortable and relaxed)

"Haah, haah, it seems really good. You really enjoy having sex with married or taken women, don't you? Truly despicable.

But I can understand why you would be seduced and betrayed by someone so incredible."

(Right, whispering)

Now, just by pleasuring this huge one with my hand, I'm already excited at the thought of being pleased later.

I couldn't help but feel a tingling sensation just by servicing it with my hand.

Ah, it's about time for the other man's first ejaculation.

(Center, normal)

(Feeling surprised by the facial cumshot but also driven by primal instincts, imagining a tingling sensation in the body)

"It's about to come out, huh... Ah, mm, so much... It's a lot, and we haven't even had actual sex yet. Ah, eh, you're still so erect..."

It seems like you have more stamina than my boyfriend. No need to worry, it seems."

(Right, whispering)

The semen is so stinky, gooey, and it stimulates my primal instincts. It's naughty to have it splattered all over my face during sex.

And unlike you, even though he released so much, he's not satisfied at all. His penis is still rock hard.

It's terrible to have such a strong desire to impregnate another man's woman, but when someone desires you so much, anyone would get excited. Of course, I am too.

In the presence of a handsome big cock, or shall I say, an "Ikechin-sama," I completely went into heat.

My pussy is already dripping wet, and I couldn't wait to be penetrated.

(Right, close)

But this is just the beginning.

The real action starts now.

(Right, whispering)

From now on, Ikechin-sama will enter my pussy. Look.

(Center, normal)

(Feeling amazed by the stark difference from her boyfriend's sex, immediately succumbing to pleasure)

"Ah, nn... Huhh, this... Ah, ah, ah... What, what is this... Hyann ♥"

(Right, whispering)

(Recalling past experiences and tantalising while feeling a tingling sensation in her body)

Yes, Ikechin-sama, he finally entered.

It's too late ♥

In my pussy, a superior Ikechin-sama has taken over your place.

(Center, normal)

(Falling deeper, giving sweet sounds that are unimaginable from her usual coolness)

"Ah, nn, ah, ah, nn, ah, what, this, ah, so, good, ah, nn, ah, ahh ♥"

Th-there, like that, it's, it's not, st-stop... Ah, ah, ahh, nn... Ahh, ahn, ahh ♥

So, so good, ah, this, it's, it's my first time, goo-good, ah, ah, ahh ♥

If you tease me there, m-more than that, wh-what, ah, ah, nn, ah, ahh, nn, nn, nn ♥"

(Right, close)

See, it looks even more pleasurable than when we have sex.

Does it frustrate you? It makes your penis so hard, doesn't it?

You're such a pathetic, cuckold masochistic cock. How adorable.

(Right, whispering)

Listen more. Let's make you more and more of a weak loser.

(Center, normal)

(Yielding to Ikechin-sama naturally, seducing him with her voice)

"I, ahn, ahh, I've never felt this with my boyfriend... Ah, more, please, gooood ♥

Yes, I'll say it, my boyfriend has a small cock, this one feels so much, so much better ♥

Ah, he, his is a useless cock, small and inferior, your cock is much more powerful and amazing, yes ♥

S-so, please, make me feel even more pleasure ♥"

(Right, whispering)

I couldn't resist and ended up saying something like that because of the pleasure.

Oh well, I've completely become captivated by another man.

(Center, normal)

"Ah, ah, good, I like it, ahn, ahh, there, it feels so good ♥

Yes, more, right there, ah, ah, ahn, ahh ♥

Completely, I... I'm falling in love with you, so, it's... it's no good, but I can't resist it, so please, do it more ♥"

(Right, whispering)

Well, how is it? This is the difference in status between the other guy and you as a male.

The strong male sex that makes me happily cry while being cuckolded. It's something that your weak cock could never achieve ♥

Thanks to the other guy, you can hear my lewd moans that I would never make for you. It's a good thing, isn't it? ♥

(Center, normal)

"Hah, hah, hah, I can't... resist anymore... Fill me up, release it inside me, into my womb with your throbbing cock, please, I'm begging you, ah, ahh ♥"

(Right, whispering)

In reality, we were using protection, and I couldn't possibly have a creampie, but my primal instincts were tingling, and I ended up saying such stupid things.

Asking for a creampie during protected sex, what a foolish thing ♥

That's how incredible the sex was.

Look, I'm completely engrossed, desperately shaking my hips to seek his semen.

(Center, normal)

"Ah, nn, ah, ah, ah, good, I love your cock, I want it, ah, ah, ah, no, I... I can't, I'm coming, ah, ah, ahh, ah, ah, ahh, your cock,

I love it, come inside me and feel good, I want it, enjoying it more than my boyfriend's cock ♥"

(Right, whispering, voiceless)

I'm about to climax.

Me on the screen, and this pathetic masochistic little cock of yours too.

I'll stroke it for you so you can ejaculate at the same time as me.

(Center, normal)

"Ah, I'm... I'm cumming... with a cock that's not my boyfriend's, I'm... I'm coming, I'm... I'm cumming ♥ Ah, ahhh ♥"

(Right, whispering, voiceless)

There you go, along with the other guy's ejaculation, I came too.

And you... oh, how weak and pathetic your semen ejaculation is. Good job.

(Right, close)

Have you learned your lesson now?

Well, it certainly was a different kind of sex and felt refreshing, but don't worry, I haven't fallen head over heels for the other guy or reached a point where I can't live without his cock.

The pleasure was genuine, but it didn't betray my love for you.

(Right, center)

Now, after having sex consecutively with the other guy and then with you, I'm exhausted. Please accompany me for some cuddling.

Also, I've realised it's quite tiring, so let's put a stop to the cuckolding. It's fine, right? Even if I became addicted to being a cuckold and cumming, I won't do it again.

Well then, let's rest, you perverted masochist.

(Secretly, she had already fallen for the other guy in one night, couldn't resist between the third and fourth encounters, and had secretly contacted him to be fucked a lot.)

Whispering, intimate cuckold reversal Sex

(Center, normal)

(Seemingly cool as usual but also enjoying herself)

Phew, it was a fun date after a long time.

The sun is already setting, and it's evening.

I haven't been able to see you much lately because I've been busy.

Oh, I'm glad you didn't cry or feel lonely while I wasn't around.

Well, I did worry a bit about the messages not being read, though.

It seems that you can't stand being alone, your clingy self.

Well, um, I think I'll be busy for a while, so please understand.

Oh, what's wrong... well, there's only one reason you're so restless, right?

(Right, close)

(With a sense of exasperation but also anticipation for sex)

It's because you can see the love hotel, right?

Just seeing the sign is enough to make you unable to resist anymore, huh?

Honestly, you're such a helpless and impatient cock.

Come on, let's go already.

(Arriving at the hotel)

(Center, normal)

Phew, we've arrived in the room, and everything is ready for sex.

Well, let's get started right away. Come on, hurry up and undress.

I couldn't wait to thrust your cock, filled with desire, into my pussy. Even during our date, you had that eager look in your eyes, you insatiable sex demon.

If it weren't for me, you'd definitely be hated.

Come on, hurry up and come over here.

It's been a while, so let's have sex while tightly embracing each other.

It suits your lonely self perfectly.

(Right, whispering)

How about it?

Honestly, you're such a weak and helpless man, holding onto me so strongly like that.

You're pitiful, so I'll comfort you plenty.

Today is a safe day, so we can even enjoy it without any protection.

Instead, please entertain me with your weak and flaccid penis, okay?

Look, hurry up and cover me, and please have sex with me like a virgin who is always eager.

(Different from before, she is surprised that she no longer feels anything with her boyfriend's penis)

Mm, ah, huh... You're more restrained today compared to usual.

What's wrong? Have you forgotten how to have sex after such a long time?

Honestly, you're hopeless.

Come on, it's okay to be more honest with your desires.

With your penis, suck and slurp my pussy.

Huh? Are you doing it as usual with this?

That's strange. Even with your weak little penis, you've never had such shabby sex before.

(Right, Nearby)

(Realising that she's completely captivated by the other man's penis but doesn't want to admit she's fallen, she tries to make her boyfriend jealous and forcefully have sex)

By the way, this is our first time having sex after the cuckold play.

(Right, Whispering)

Hehe, could it be... My pussy has become desensitised after being stretched by the other man's impressive cock, is that it♥

(Right, Nearby)

Oh, you seem to have a bit more energy now, you pervert.♥

Well then, for a hopeless pervert like you who can only get excited by comparing yourself to the other man, shall I do it?

Come on, try harder.

Even though you're weak and perverted, you're my boyfriend, so do your best to please my pussy.

Hey, my weak spot is deep inside, where the other man made me feel so good.

Your penis doesn't reach me at all ♥

(Whispering, right)

Your pathetic little dick doesn't satisfy my female instincts at all ♥

Are you frustrated? If you are, try stealing me back, with your pathetic cock ♥

Ah, ah... but it's still not enough.

Well, I'll have to excite you by making naughty sounds.

(Nearby, right)

(In a clearly exaggerated manner)

Ah, ahn, ah, ah, ahn, ahn, aah.

Boyfriend's penis feels good, I still prefer this.

Ah, ahn, ah, ahn, aah, ahn, ah, ahn, aah.

(Whispering, right)

Come on, come on, try to steal me back.

If you don't, your lover who can't forget the taste of the other man's amazing penis will cheat on you ♥

Come on, come on ♥

Ah, ah... have you gotten a little motivated?

But it's still not enough.

Compared to sex with the other man, it's nothing. Come on, try harder.

Even a perverted masochist with a lousy dick, can't you try a little harder?

Look, sex where you just pitifully shake it is not pleasurable at all.

Come on, come on, flimsy, weak penis, lousy dick, do your best, do your best ♥

If you don't want me to cheat on you, please make me feel even more, come on, come on ♥

Make my pussy that has been plowed by the amazing penis feel it.

(Nearby, right)

Ah, ah... ah, are you already about to cum?

No, it's not allowed. I'm still unsatisfied.

(Right, whispering)

Now, if I were to climax... my instinct as a female would completely judge that the other man's penis feels worse.

So, you're still not allowed to climax yet, okay ♥

Even though it's a weak penis of a loser, you wouldn't want your girlfriend to be truly stolen, right?

So, come on, do your best.

Try your best to reclaim your lover, come on ♥

(Right, close by)

Ah, ah, ah, look, I'm starting to feel a little good.

But if you ejaculate now, everything will be ruined.

My female instinct would judge you as an inferior male and I would completely submit to Mr. Ikechin-sama's flirting.

So... huh, ah, could it be that you've reached a point where you can't hold back anymore?

(Right, whispering)

Could it be that you're fantasising about me completely submitting to Ikechin-sama and being stolen, and ejaculating as a masochist?

Well, it can't be helped, alright ♥

If you really want to ejaculate as a loser, I'll let you ♥

(Right, whispered silently)

Come on, go ahead, ejaculate like a loser, knowing that if you ejaculate, I will be stolen ♥

It would feel so good to have your precious girlfriend cuckolded for your own pleasure.

I'm also happier that way ♥

Because I prefer Ikechin-sama's excellent penis, you see ♥

So, come on, while imagining that you're handing over your girlfriend to the excellent Ikechin-sama, pitifully release your loser sperm and climax ♥

(Right, whispered aloud)

(After ejaculating, in a relaxed manner, whispering to the boyfriend who is lying down)

Phew, how is it? What do you think of this pitiful, cuckolded, intimate sex?

Honestly, you have such a pathetic look on your face.

It must have felt so good, you pervert.

(Thinking that I may have gone a bit too far)

W-Well, even though it's for the sake of my perverted boyfriend, I may have gone a bit too far. Are you okay?

(Center, close)

(Imagine the boyfriend sitting up and talking in front of the heroine)

Oh, well, I'm glad if you seem to be okay.

By the way, just to be sure, I haven't met that person except for when we did the cheating scene, so please rest assured.

Despite everything, I really love you.

(Center, normal)

Oh, is it already this late?

If nothing had happened, I wanted to spend the night like this... um, but I have something to do tomorrow, so let's leave the hotel soon and end our date.

Trash bag handjob while being shown lovey-dovey affair photos with the 'Master'

(Center, normal)

(Sorry for the inconvenience.)

Excuse me.

Um, I'm sorry for suddenly saying that I want to have a home date even though we haven't been able to meet recently.

For now, let's sit down and talk calmly.

Am I more modest than usual?

Well, um... today... um, can I hug you tightly all of a sudden?

(Right, whispering)

It's warm... It seems like my feelings of love for you are still there.

But I'm sorry.

I've decided to become a dedicated sex slave for 'master.'

I'm really... sorry, I apologise.

Yesterday, 'master' told me to break up with my boyfriend or, if I didn't want to, to allow him to have cheating sex with me and train you to become a masochist...

But even though you're a pervert, it's impossible for you to continue dating me while knowing that I'm completely infatuated with 'master's' cock, right?

So, there's no choice but to break up, really...

(Right, normal)

(Feeling a mixture of surprise and happiness)

Huh, even so... you still want to be together?

Really... even though we won't be able to have sex anymore, not just allowing cheating, you still want to?

(My boyfriend is a genuine cuckold masochist, and I'm extremely happy that he loves me even in this situation, feeling the most sadistic I've ever been)

Wow, really... I can't believe things turned out just as 'master' said ♥

(Right, whispering)

Thank you for being a boyfriend who suits my convenience. I love you ♥

As a reward, I'll take care of you with a handjob, just like before.

(Right, whispering)

Thank you for being a convenient boyfriend for me, I love you ♥

As a reward, I'll take care of you with a handjob, just like before.

(Center, close by)

However, directly touching my boyfriend's cuckolded and defeated penis would dirty my hands, so it's forbidden by master.

That's why I wear rubber gloves given to me by him

(Right, close by)

Well, treating the wasted shots of a cuckold masochist's sperm like trash is fine, right? ♥

Please enjoy without any reservations.

I will take care of disposing of the trash coming out of your inferior penis

while showing you the smartphone footage of how I'm always being cherished by my master. ♥

You must do your best because I have to report to your master how pitiful and disgraceful your cuckolded ejaculations as a male are. ♥

(The lines in the "" signs are spoken lines recorded for the master, so aim for a sweet and alluring tone with a gap from the cool attitude towards the cuckolded boyfriend.)

(Center, close by)

"Mmm, slurp... slurp, slurp, kissing... I love you so much... Mmm, I can feel my feelings for my boyfriend being increasingly stolen by my master, and it's making me excited... slurp, slurp, slurp ♥"

(Right, whispering)

First, it's a deep kiss while intertwining our tongues in a lovey-dovey manner, with my master♥

Since we're here, why not listen to it near your ear?

(Recording of kissing sounds on the left, while the person licks the ear on the right)

(Left, close)

Slurp, slurp, chu, mmm, ah... I love you, slurp, slurp, ah... mmm... slurp, slurp♥

(Right, ear licking)

Slurp, slurp, jubo, slurp, slurp, slurr, slurp, slurp, slurp, slurr♥

(Right, close)

To make it easier for cuckold-kun to understand, I let him know what kind of kisses I had while licking his ear.

Now, like I just licked cuckold-kun's ear, we were kissing each other, entwined in a slow, passionate manner, like this.

(Recording kissing on the left, while licking the ear on the right)

(Left, close)

Ah, I love you... slurp, slurp, slurp, slurp, slurr, ah, slurp, slurp, slurr, slurp♥

(Right, ear licking)

Slurp, slurp, jubo, slurr, slurp, slurp, slurr, slurp, slurp, slurp, slurp, slurr♥

(Right, whispering)

Do you understand? I've already been driven crazy by my master, you know?

Even though I've become like this, there's still affection remaining for a weak, cuckolded guy like yourself, so please be grateful.

Well then, watch the next scene and get even more erect as a pathetic cuckold.

(Starting with a kiss on the penis, not immediately taking it in the mouth, but first licking it all over)

"Now, let's clean up Ikechin-sama with my mouth... First, with a kiss for Ikechin-sama, mmm, chu ♥

And now, I'll lick it, slurp, slurp, slurp, slurp, slurrrip, slurp, slurp, jurrrp, jurrrp, jurrrp, jurrrp, slurp, slurp, slurp ♥"

(Whispering, right)

At first, I never thought I would be captivated by just the sex...

But I was naive to think that way based solely on our sexual experiences.

Look, now I've become such a depraved and worthless onahole slut, happily sucking other dicks while making a coy eye contact, like this ♥

After experiencing sex with him just once and realising the greatness of my master, I became captivated and secretly met him over and over again ♥

(Engaged in deep oral service)

(In the center, close)

"Juboo, juboo, jubobo, juboo, jurrr, suki, chinpoo, oi hii ♥

Juboo, jurrr, juboo, juboo, juboo, juboo, jurrr ♥"

(Whispering, right)

And so, every time we met, I became more and more captivated by my master, gradually turning into his exclusive sex friend and slave.

I experienced a pleasure I had never felt before in our sexual encounters and my female instincts completely surrendered to the overwhelming masculinity.

This video is the result of that.

You can't help but understand, can you? Everything I just said.

It surprises even myself that I'm servicing Ikechin-sama with such a lewd expression ♥

It feels like I'm enthusiastically serving, and in the end, I'm forcefully filled with thick, gooey semen.

(Center, close-up)

"Slurp, slurp, slurp, slurp. I love you, master. I love you. Slurp. Please use my mouth more ♥

Slurp, slurp. Ah, thick semen is coming out from Ikechin-sama. Mmm, mmm, mmm ♥"

(Right, close-up)

How is it?

This is me, succumbing to the playboy master who only thinks of me as a sex toy, using sweet words as if I were his lover.

(Right, whispering)

For a cuckold masochist like you, this is the ultimate material, isn't it? ♥

(Center, close-up)

"Phew... Huh? You want me to say that I love you more before you fuck my pussy. Yes, understood. I... love ♥"

(Right, close-up)

Look, I will whisper not only through the video but directly to him, words of love for the master.

(Whisper of love to the cuckold, left is a recording, right is actual whispering.)

(The left recording is sweet and submissive, the right whispering is a sadistic verbal abuse.)

(Left, close-up)

"I love you, master. I love you more than my boyfriend. I am completely captivated by you, love you, love you, love you ♥"

(Right, whispering)

"I love him, I love him. I love the man who took me away from you, the cuckold.

Now, I am not yours. I am a captive of the master. I love him, I love him, I love him ♥"

How is it? Having whispers of love poured into both ears for a different man.

I can tell even without your comments, these garbage disposal gloves are getting quite wet with your masochistic juice.

Now it's time to show you the real scene, the scene where I get fucked.

(Right, whispering)

Ah, with that, your cuckold small-dick reacted again, you pervert ♥

Well, don't hold back... Compared to the play of being cuckolded, this will be a shock and excitement like nothing else ♥

(Center, close)

"I-I, please... I want to be filled, Master ♥

It's more important for me to have your cock inside me than my boyfriend, so please, raw and without reservation, go ahead and squirt, squirt as much as you want ♥"

(Right, close)

How about it? Presenting my buttocks shamelessly to my Master ♥

(Right, whispering)

I have completely become my Master's exclusive masochistic slut ♥

Of course, I asked for it and he's penetrating me raw without a condom ♥

Look, from behind, my Master's raw and amazing cock is going straight into my pussy, just like that.

(Center, close)

"Ah, ah, ahhh, it's coming, it's coming, the amazing cock-sama has arrived ♥"

(Right, whispering)

See, slowly, a bigger meat rod than yours is entering my pussy, slurp, slurp.

It's incredible how something this big can fit into my small body, isn't it?

Because I had only been with small dicks before, I didn't know something this big could fit in me."

(Center, close)

"Oh, ah, e-everything, coming in, oh, oohh! Ahh, ohh!! It feels so good! P-penis, peniis, it feels aamaziing!

Ahhh, ohh! So good! Ah, ah, ah, mmm, aahh! Ooh, ah, oohh! Ahh! It's coming! Ahh, ohh! It's coooming!

Ahh, it's coming! Ah, gahh, it's coming! Ah, it's coming! Ahh, it's coomiiing! Ahh, it's coming! Ah, it's coming! Ah, guuhh, ♥"

(Right, whispering)

It's incredible, right? Being stimulated with such a strong female masochistic instinct, completely turning into a pussy slave.

Just by watching, it reminds me of Master's splendid penis, and my pussy becomes hot and excited.

Cuckold-kun's small and worthless penis is completely inferior as a man, and it's rock hard.

Remember well, the useless erection of a male. It suits you just fine.

Let yourself feel good and completely finish as a man ♥

(Center, close)

"Ahh, ah, so good! Here, Master's penis feels better ♥ It feels better this way! As I've been told, I won't have sex with anyone other than Master...

So please, make me feel even better... Ahh, come on! I-it's coming! Ahh, yes! Of course, I won't have sex with my boyfriend either. I refuse.

So, please... Ahh, cum inside my raw pussy... M-make lots and lots of semen flow inside my fuck buddy pussy...

Please mark my slave pussy as exclusively for Master with your cum ♥"

(Right, silent whisper)

Look, while watching your girlfriend pledging complete obedience to another man and surrendering her heart and body, let's feel good.

With this feeling, it seems like you'll soon release your trash from your pathetic dick.

I'm wearing rubber gloves for waste disposal, so don't hesitate and let it all out.

Look, while watching your lover getting impregnated, release plenty of garbage.

I'll report your cuckold ejaculation to Master and make fun of you together ♥

That way, the cuckold sex for Master will be even more exciting ♥

(Center, close)

"Ah, ah, I-it's coming! Y-yes, I love it, Master, I love you so much! P-please release it! Lots of it! Ah, inside my pussy, there's plenty of semen coming from your penis!

It's coming! Ahh, it's coming! I-it's coming! Hot, hot semen that doesn't belong to my boyfriend, is pouring into my pussy! It feels sooo good! It's amazing ♥"

(Right, Whispering)

Well, please enjoy yourself while watching me being creampie'd by my master. It feels so good, masochist ♥

(Center, Close)

"Ahh, it feels good, it's coming, it's squirting into the cum-filled pussy, ahh, it's coming, it feels so good, ahhhh ♥"

(Right, Whispering)

Yes, the sexual service is complete now.

Let's dispose of the rubber gloves in this garbage bag.

(Center, Normal)

Oh, what's wrong?

Why are you breathing so heavily?

I just threw away the rubber gloves covered in the trash from your tiny dick, that's all.

Could it be that you got excited just from that?

Hehe, you've completely awakened as a cuckold masochist.

Thank you, now we can be together forever.

My body and most of my heart belong to my master, so we won't have regular sex anymore.

But don't worry, I'll take care of your weak and cuckolded penis, fulfilling your sexual desires.

(right, close)

Slowly and cruelly declaring

I'll teach you more about how it feels to be treated as an inferior male and have your genes disposed of as garbage, like today.

(Right, Whispering)

Oh, it seems you got excited again just by imagining it, you pervert.

But I love you, the perverted and weak you. I love you so much.

Second to my master ♥
