A close-up, high-angle shot of a woman's face. She is wearing round, thin-framed glasses and a red blazer. Her expression is neutral, looking slightly downwards. The lighting is soft and directional, coming from the side, highlighting the contours of her face and the texture of her skin. A speech bubble is overlaid on the left side of the image.

Aren't they just
the cutest?

I could just
eat them
right up!

You rang,
ladies?

I-It's my plague doctor costu--

B-But...

What the heck is that?!

Take that thing off!

*We already have
your costume, remember?
Get in line!*

fidget

They're adorable!

sigh

Hmm...

This is humiliating...

Uhh...
Candice, honey? Girls?

Are these costumes
really necessary?

Necessary?!
OF COURSE they're necessary!
Shut your mouth right now!!

Wha-What's wrong??
What's going on?

I think he's referring to the
"treat" we were promised if we let
the girls choose our costumes.

Bullseye.
Now, just get comfortable,
alright bud?!
Think of the reward!

You WILL keep
your end of the bargain,
Right?!

Mhm...

Definitely!

Of course we will.
Right, girls?

Bottoms up!
