

## Lamia Duelist Vol 3

Jaden is a lamia and lives in a world of monsters. He's sad because his sisters all have their mates but he's all alone. Using a shadow charm he's able to take human form and go to the human world to find mates. He's not going alone as his sisters give him a duel monster deck infused with their power as a parting gift.

## Chap 11

Jaden and Syrus' win over the Paradox Brothers was a big upset...for Crowler. All his planning, all his hard work, thrown out the window. The Slifer students couldn't be happier. Despite their win, this was still a punishment duel, and the boys had to fill out two essays about what they learned from all this.

It sucked...but at least they weren't expelled. The boys were so happy, they were getting to stay together. 'Not bad,' Zane thinks. 'Grr, what's it gonna take to get rid of these losers!' Chazz thinks. 'My my, Jaden truly is impressive.' Bastion blushed at the thought.

Bastion watched as Jaden hugged a crying Syrus. Their embrace looked quite intimate, he couldn't help a strange feeling bubbling in his chest. He hasn't forgotten anything he's seen of Jaden. The boy had been on his mind a lot lately.

While Ra and Slifer students were impressed with Jaden's victory while Obelisk students were still mocking his victory. He wasn't blind he could see the issues with the system, but it was normal for the most skilled duelists to succeed right?

Duel Academy was a well-rounded school, offering sports classes, such as Baseball and Tennis. Miss Fontaine was acting gym teacher, she believed not only did sports help keep the students healthy, as well as teach them about being competitive and the fun of a game. Playing these sports helped teach strategy, thinking on your feet, and to deal with pressure.

It was Slifer vs Ra students, and the Slifers were up to bat. Jaden was new to sports, but he was getting the hang of it. The Slifer students were cheering for Jaden. With the bases loaded he was planning to get a home run to give his team the lead. Bastion showed up. "Sorry, I'm late I was deep into some deck construction and lost track of time." They had a pitcher change. "So you finally showed up Bastion. I was hoping to face you." Jaden says with a smile.

Bastion blushed. "Likewise, I hope you can handle my pitches." he gets on the pitcher's mound.

"Bring it on Bastion," Jaden says. "I always bring it on, get ready for some heat Jaden!" he gives a pitch and he manages to get two strikes on Jaden. 'He's good!' the brunette smirks.

"You can do it Jaden!" Syrus cheers, the other red students joined in and cheered. "Jaden! Jaden!"

"I'm on it!" he says and keeps his eyes on Bastion. The Ra duelist shivers, feeling Jaden's pressure, but he doesn't back down. 'Let's see how he handles this pitch.' Bastion throws a fastball, but Jaden was ready. His pupils become slits and despite the heat Bastion put on the ball, it might as well have been going in slow motion. Jaden hits it and sent it flying. That got them the lead, but it wasn't over yet. Bastion's team got a few more points, then it was Jaden's turn to pitch. He walked the first few batters so he could pitch against Bastion.

"You walked 3 batters just so you could challenge Bastion?" Syrus could see that Jaden was itching to face him. "I want to face him, that last match was close." Jaden thought it was pretty slick, so they kept going. "I hope your ready Bastion."

"Give me your best Jaden, I don't want to hear any excuses when I wallop it out of the ballpark!"

"Game on!" Jaden says. "Game over soon!" Bastion counters. Jaden was able to get two strikes on Bastion. 'He's good!' Bastion thinks. 'But my calculations will win.' He was right, as Jaden's ball came soaring over the plate Bastion managed to hit it and sent it flying.

-x-

Crowler was fuming. 'Chazz couldn't beat Jaden, the Paradox Brothers couldn't beat Jaden, I need someone who can beat...'

Wham! The baseball came flying and hit Crowler right in the face. The force sent him flying into sports equipment.

“Hey, sorry about that!” Jaden and Syrus rushed over to see what happened, only to see Crowler in a mess of sports equipment. “Uh, heads up?”

“You!” Crowler screamed. “Of course it’s you! Who else could cause me such pain.”

"Now that's keeping your eye on the ball," Syrus says, and Crowler glares at him. "You two!" Crowler was about to scream at them. "Are you alright?" Jaden asked.

“It was my fault!” Bastion came running. “Bastion?” Crowler clasped his hands together. ‘Of course, I was looking for a way to get rid of Jaden, and it hits me right in the face. He is known as the top academic student, he got the best scores in both the written and the duel exam.’ he chuckles. ‘He could certainly replace Chazz.’

“Dr. Crowler my apologies," he says, giving a polite bow.

"No no no, it's alright. The academy is tolerant towards its high achievers. I've been meaning to talk to you, and it seems fate works in mysterious ways. I think I've found my perfect protege." Bastion wasn't sure how to take that, he remembered Alexis telling him how Jaden and Syrus were at the abandoned dorm to help her.

Jaden didn't like this either, Crowler saw them. "Why are you still here, haven't you caused enough trouble, shoo shoo!" he shouted. Jaden and Syrus ran off. "Nice hit Bastion, looks like it's a draw," he says as he dashed off with Syrus.

"Forget about those two, Slifer slackers," he smirks. "It's time you started associating with people more your class, don't you think?" he gets in close. 'My class?' Bastion thinks. "It's time you start consorting with me!"

-X-

Chazz sat down in his seat. "Hey drink and message now!" Chazz was certainly in high spirits today, flaunting his arrogance. "What's with him?" a bunch of blue students starts muttering about Chazz. "Who does he think he is?"

“Get it yourself!”

“What?!” Chazz snaps.

“Guess he doesn’t know.”

“What’s going on?” Chazz snaps. “Know what?”

“Chazz where are you sitting?” another blue student steps up.

“My seat.” he counters. “This isn’t your seat anymore. Now move!”

“What are you talking about?” he points to where his name was supposed to be, only for a sign to be over his name saying empty seat. “But...this is my seat, this has to be a mistake.”

“You were moved over there,” he says pointing to the area where most of the Ra and Slifer students were placed at. “Over there with those losers and slackers?” Crowler entered the room. “Dr. Crowler, tell them, tell everyone this is a mistake.” he stands up. “I belong up here!”

“But you don’t, you lost to a Slifer Red student!” he yelled. “So tomorrow you will duel Ra’s Bastion Misawa, you win you keep your place, lose and the two of you will switch dorms!”

“You mean...I’d become...a Ra Yellow duelist?”

“Yes, now if only you can duel as well as you listen.” the class began to laugh. Just the thought of a demotion gripped Chazz with such terror, he ran from the room. The laughter seemed to echo around Chazz, and he ran faster and faster. “I won’t be a Ra!”

-x-Back with Jaden, Syrus, and Bastion-x-

The boys got changed, and once again Jaden was showing off his twin dicks. Bastion felt his manhood twitch at the sight. He knew it was possible, but the sight of the two perfectly

symmetrical dicks in person was arousing. Much to his shock, Syrus was also letting it all hang out. 'What's gotten into him, he was so shy before?'

“That was a good game, though it ended in a draw!” Jaden says drying off from his shower. “Yeah, but you and Bastion were amazing!” Syrus says, the boy notices Bastion's reaction to their nakedness. Bastion quickly stuffs his semi-hard cock into his underwear and goes to pull up his pants.

Syrus leans close to Jaden and whispers. “Hey Jaden, I think Bastion likes you?”

“You think?” Jaden whispers back. Bastion keeps stealing glances at the two as he gets dressed. “I’ll admit, he has my interest. Would it be okay to court him if the chance comes?”

"Sure, he seems like a nice guy." the two smile, before getting dressed. Bastion brought them to his dorm.

“Say Bastion, how’d you get so good at Baseball?” Jaden asked.

"I play like I duel with formulas." he showed his bat had equations written on it. "Even the pitches I threw were all varied throws I figured out through calculations," he says. "I feel that science, statistics, geometry, they play a role in everything we do in life.”

“Wow,” Jaden smirks. “Well I know one thing that formulas can’t solve, love.” Bastion blushes as Jaden grins.

He coughs. “Ahem quite.” he shakes off the blush. “I will admit your skills were quite impressive.” Syrus looks between the two and chuckled.

“So Bastion, do you have a formula for everything?” It was Bastion’s turn to chuckle. He takes them to his room and the two gasp. The room was certainly nicer than the ones Slifer students got, Bastion had his own private bathroom, closet, bed, dresser, even a tea set. That wasn’t what shocked them though, the room was wall to wall formulas, even the ceiling had formulas on it.

“This is my lab, my workshop, my dorm room.” he pointed to each wall explaining what each formula was for, traps, magic, etc. “You get the idea.” he sets his stuff down. “Most of these I’ve memorized, and as you can see I’ve run out of room, so...”

“So what?” they say together.

“So, mind helping?” he shows them paint and brushes. “Sure!” the boys are working hard clearing the formulas off the wall. Though one dropped paintbrush turned into a paint war. Jaden dropped the paintbrush, and Syrus tried to get him back, which Jaden dodged and Bastion got a face full of paint.

To which he got Jaden with a splat. The boys laughed and began playing around, fencing each other with paint brushes.

Bastion treated them a meal, a fancy meal at that. "So what did Crowler want with you?" they start eating.

"Ah, right it was about a dorm change test."

"So you'll be going to Obelisk Blue," Jaden says. "So that's why you were cleaning up your dorm." Bastion scratched the back of his head. "Well, you could say that. It's not official or anything..." he says, the boys smile at him. "That's awesome!" Syrus says with a big grin. "You deserve it Bastion," Jaden adds.

"Again you flatter me," he says.

"It's true, I saw your duel at the entrance exam. You were amazing. You'll totally pass the test and become an Obelisk." Jaden was truly honest, he knew Bastion's skills. While he didn't approve of the system he knew being in Obelisk was considered a high honor.

"And we can say we knew you when," they say together and dig in. Bastion stares at Jaden. "Well, Thank you." he felt his heart flutter a bit.

After a good meal, they finished cleaning and moving Bastion's stuff so it wouldn't get damaged by the paint. It was

late and they were dirty. "Why don't you come to our dorm and crash?" Jaden offers.

"Yeah, you can try our hot springs," Syrus added.

"I heard about that, why not!" Bastion agrees, he left his deck in the dresser outside his dorm room.

Meanwhile...

Chazz was getting chewed out by his brothers. They had this plan of becoming the tops of politics, finance, and duel monsters; by doing this they believed they could rule the world. To be fair it wasn't that insane, Kaiba had two of those things and he got pretty far. "Don't fail us Chazz, we've both held up our ends. You have to be the best!" They were putting a lot of pressure on Chazz's shoulders. They ended the call and Chazz sighed. 'How can I tell them I'm on the verge of being demoted?'

"Be the best...How can I be the best with lucky punks like Jaden around." he goes to the window and sees Bastion heading with Jaden and Syrus. "He's slumming it with the Slifers tonight? Then his dorm is gonna be empty." a dark, cowardly thought filled his head.

The boys deposit their clothes in the wash to be cleaned off and they hit the hot springs. "Hey Bastion let me wash your back." the boy blushes. "Oh, um sure..." he sees Syrus get

behind Jaden and do the same, and Chumley joined them and was washing Syrus' back. "There's no better bonding then washing another person's back," he says.

Bastion had to admit it was nice. Then they switched and he was allowed to touch Jaden. He was hesitant but began to wash his back too. 'He has such broad shoulders.' he could feel Jaden's muscles.

The boys rinsed off and soaked in the hot water. "Ohh this is nice." Bastion moaned.

"Yeah, it's great," Chumley says, the boy was confused as to why Bastion was with them, but Jaden vouched for him.

"Can you believe Jaden got it for us?" Bastion looked at Jaden in shock. The brunette nodded. "I wanted to help my dorm out."

"That's impressive," he says.

"Yeah, I don't like how bad this dorm is treated. I see how this system works, but I think all three dorms should get respect. It shouldn't matter what dorm you are, we all came to learn how to duel and get stronger." Bastion had to admit he had a point.

"Jaden's been helping a lot of the students with their decks. It's been great." Bastion was surprised. He had tried to help

his fellow Ra yellow students but most seemed insulted, even if they respected Bastion.

So after a nice long, relaxing bath, the boys returned to the dorm. “So are our clothes done?”

“Umm well,” Bastion looked at them. “Our washer kinda sucks.”

“Ehh?” he had a towel around his waist. “Pajamas?” he saw the boys dropping their towels. “We are all guys here, it shouldn’t be a problem, right?” Bastion blushed.

His blood rushed south. "I don't think that would be..." he tries to hold down his cock from tenting his towel. A moan draws his attention, and if his cock wasn't hard before, he was painfully hard now.

Jaden was sucking Chumley off, bobbing his head back and forth on his thick piece. One hand playing with his balls, the other playing with his ass. Bastion gulped, he looked to Syrus who was looking like this was completely normal.

He turns back to the hot show. Chumley was panting and moaning, hips rocking as Jaden no doubt touches his sweet spot. "Jaden!" he moaned his climax hits and his semen fires into Jaden's mouth. The brunette keeps sucking, milking Chumley of a few more spurts before pulling off.

“Mmmhmm,” he licked his lips.

Syrus was next, and his harem head starts teasing his head with his tongue. His foreskin was pushed back, and the tongue swirled around the tip. Syrus moans, and Jaden starts playing with his ass.

Bastion watched as Jaden sucked his cock like a sucker while teasing his ass. "Do you always do this?" he gulped. 'I thought he and Syrus were together, but he's also with Chumley...' His brain wasn't working, but to be fair a lot of blood flow was heading south.

“Jaden likes to help us out before bed.” Bastion gulped.

Syrus cried out as Jaden swallowed his dick while playing with his ass. Two fingers worked his hole while sucking him down to the root. Fingers curled and tongue flicked and Syrus let out another moan. "Jaden, aaahhnn!" his body shivered as he rocked in orgasm. The boy's tongue caressed Sy's twitching flesh helping milk a few more spurts from him.

He tucked Syrus in and Chumley got in his bunk. “What do you say Bastion?” The raven blushed from ear to ear, but he dropped his towel and his hard 8 incher sprang up. Jaden whistled. “That’s quite the piece you got their Bastion.”

Jaden had a feeling Bastion was packing, the boy was very fit. Much to his surprise Bastion was clean shaven, from his pits,

arms, legs, crotch, he was smooth as silk. “Are you really okay with this?” Bastion asks.

“Sure why wouldn’t I be?” he responds smiling. He cups Bastion’s plump balls and fondles them. “Ohhh,” The boy’s hips buck and his cock bobs, pre forming at the tip. “So big you must have saved up a lot.”

"Well I don't...you see...I..." his whole face was red. "Ohhh," Jaden realized what he was getting towards. "No worries, I'll take care of you." he licks along Bastion's shaft. Up and down, up and down, at the up, he flicks the tip and laps up the pre. On the down, he licks Bastion's balls, taking one of the big nuts into his mouth and sucks on it.

“Ah ahh Jaden, mmmm!” Jaden held his hips, Bastion was still new to this so teasing his ass might be a step too far. Jaden’s focus was on his cock and his balls, and when his lips wrapped around the head... “Ohhhh!” Bastion bucked his hips.

‘His mouth is so warm, scratch that hot hot hot!’ he thought as Jaden sucked him into his mouth. With no gag reflex, Jaden swallowed him down to the root. ‘This feels so good!’ his body shudders. With a few more sucks Bastion couldn't hold back. "Jaden I'm cumming!" he cried out.

His balls lurched, and his dick swelled as he pumped his cum into Jaden's mouth. His knees buckled, but Jaden supported him. He kept sucking as Bastion's thick baby batter filled his mouth. The action helped milk Bastion of five more spurts.

Even after his orgasm, Jaden kept sucking, holding the tip in his mouth, tongue swirling round and round the head. "Wait Jaden I just came...I can't..." Jaden started stroking his cock, increasing his suction on the head. Bastion saw stars, as another orgasm rocked him.

Jaden helped lay Bastion out. "Wow!" he lays there panting. "That was fun Bastion, I hope we can do this again. You are quite delicious." The raven blushed, and could only nod his head.

After a long day, and two mind-blowing orgasms, Bastion was clocked out. Jaden laid beside him, sensing his warmth Bastion turned and cuddled into him. The Slifer duelist wrapped his arms around the Ra duelist and joined him in dreamland.

Syrus and Bastion stared at them. "They look so cute sleeping together like that," Syrus says. "So he's gonna be joining the harem?"

"Maybe, I think Bastion really likes Jaden."

"But he's a Ra, they hate us almost as much as Obelisks."

“I don’t think that matters to Jaden.”

"I guess I'm cool with it, so long as he doesn't mess with us." The two talked as the two began to snore softly, Chumley and Syrus turned in soon after. "I don't think he will, Bastion's a good guy," Syrus says, but Chumley yawns in response.

Bastion was surrounded by warmth and Jaden's manly musk. It was like he was floating, he felt so relaxed. It was the best sleep he had in a long time. When he wakes the next day, he finds himself cuddled into Jaden, his morning wood slid between Jaden's twin dicks. They were naked and hard, but Bastion wasn't as embarrassed. ‘So last night was real.’ his dick twitches at the memory. ‘Jaden said we could do it again too.’ he liked the thought of that.

A pounding at the door made him snap out of his musings. "Jaden! Jaden wake up!" Jaden woke up and pulled on a pair of pants so he could answer the door. "Miss Dorothy?"

“Jaden it’s terrible, I picking up a delivery and I saw them, cards tossed everywhere!”

“What?!” he gasped.

To be continued

## Chap 12 Bastion's Decks

The news of tossed cards surprised the group. Jaden, Syrus, and Bastion got dressed and raced to the docks, and sure enough, there were cards tossed, and not just any cards...

"Ring of Destruction? Vorse Raider? Bastion these are your cards!" Jaden gasps. They were able to fish a few out, but the tide had washed away most of them. "Oh man, this is horrible." Most of Bastion's spell and trap cards were completely gone.

"It's my fault, I left my deck in the desk we moved outside when we were painting," he says, he stares at his card. Many of his cards had formulas written on them there was no denying there were his. "But who could have done this?" Syrus asked looking sad. It was horrible to toss someone's deck, it was destroying all the work and time a duelist put into it.

"Someone who doesn't want you to advance to Obelisk Blue, that's who," Jaden growled. "This was your deck and now it's ruined." Syrus knew why he was upset, if the pressure of the dorm system made duelists act like this then there was something more wrong with it. "What are you gonna do now, Bastion?"

“Your promotion exam is in less than an hour!” Syrus exclaims.

“No use worrying about the who, it could have been anyone.” Bastion is quiet, he seemed to be pondering what to do next. Jaden didn’t know what to do, or what to say. They eventually headed to the Obelisk Blue arena where his promotion exam was taking place.

“Ah Bastion, so good to see you,” he saw Jaden and Syrus with him. “I see you brought...friends?”

“I hope you duel better than the company you keep.” Chazz stood with Crowler. “Though I’m shocked you showed up at all, figured you’d run off with your tail between your legs.”

“Wait a minute Chazz is your duel opponent. Then he must have been the one to toss your cards.” Jaden accuses.

“Pardon?” Crowler gasps in shock, even for a jerk like him, as a duelist tossing someone’s cards was seen as the lowest of the low.

"I don't know what he's talking about, I didn't do a thing," Chazz says. "Perhaps Bastion lost his cards, and is making excuses because he’s scared to fight me." It was true they had no real proof to pin it on Chazz. “Why would I do anything to his cards? I’m an Obelisk Blue I’m not scared of some Ra Yellow.”

‘Such arrogance,’ Bastion thinks.

“Oh is that so?” they turned to see Alexis and Zane. “I saw you, Chazz.” Alexis had seen the whole thing that morning. “You dumped the cards and ran off.” Everyone gasped. Eyewitness proof. “I was curious so I came to find out why. Now I see!”

“This is low, even for you Chazz.” Jaden snaps.

“Aw come on...Who’s to say I wasn’t throwing away my own cards?” he smirks. “Or did you find a name or something written on those cards?” Normally there would be no way to tell decks apart, without the right proof there was no way to know. “I guess Bastion and I have similar decks.” Bastion however already knew the truth.

Jaden’s eyes flashed gold. “Liar!”

“No one calls me a liar, and no one calls me a thief!” he glares.

“Fine, then you’re not.” Jaden calmed down and looked at Bastion. “But Bastion,” the boy gave him a smile. “Let’s just have our duel, shall we?” This shocked some people. “But how?”

"I thought you deck was gone," Syrus added.

“A good duelist always has a spare deck, or in my case a few of them.” He starts to undo his jacket. “After all, you saw all my different formulas. They were for all my different dueling decks!” he opened his jacket revealing 6 deck holders.

“Behold the 6 dueling decks that I put my blood and soul into!”

“Whoa!” Jaden and Syrus gasp.

“Each one is as powerful as the last. Kaze- As swift as the wind! Mizu as quiet as the water! Hi as aggressive as the fire! Chi- As wise as the earth! Yami through the evil darkness, Hikari the light that will always shine.” he looked to Jaden. “I’m sorry I made you worry.” Jaden just breathed a sigh of relief.

“Impressive,” Zane says.

“Six decks...is it?!” Chazz felt a wave of nervousness wash over him. “You can go ahead and have as many decks as you want, I only need one!” he showed his deck. “I’ll crush you and your decks and char them to cinders!”

“Very well, I’ll use this one.” He took one of his decks and after a quick shuffle the two loaded their duel disks and the duel was on. “You’re just a problem to be solved Chazz, you’re finished!”

“Bring it on, loser!”

Chazz: 4000

Bastion: 4000

“Duel!”

Chazz got to go first so he drew. “Hope you’re ready cause here comes the hurt!” He summoned a monster. "I summon Chthonian Soldier!" he summoned his signature monster. With its 1200 ATK and 1400 DEF. Setting a card he ended his turn. "That'll do for now."

“Oh, will it now?” Bastion drew, "I summon Hydrogeddon." The massive dinosaur made of water appeared. 1600 ATK 1000 DEF. "Rise my monster!"

“That's a strong monster, he works fast," Alexis says.

“Now attack his monster!” The beast blasts him, destroying the soldier in a Hydro Gust.

Chazz 3600

"Thank you just activated my Chthonian Soldier's special ability, meaning you take equal damage to your life points that I do," Chazz says, and the soldier's blade spins and cuts Bastion.

Bastion 3600

“Not a bad ability.” Zane comments.

"Oh man, Bastion walked right into that one," Syrus says.

"I activate an ability also since Hydrogeddon destroyed one of your monster's by battle, it's effect allows me to summon another Hydrogeddon from my deck. So rise!" A new Hydrogeddon was summoned in attack mode, and since it's still his battle phase. He was still able to attack! "Now go, attack Chazz directly!"

Chazz got blasted by the hydro gust, his life points dropping to 2000

"You'll pay for that." he gets back up after being blasted. "I activate Call of the Haunted, allowing me to bring back my soldier." His soldier was back. "Since my monster was special summoned I play this, Inferno Reckless Summon." Thanks to this card's effect he was able to summon two more Chthonian Soldiers from his hand, deck or graveyard. "Don't worry you get to special summon one of your monsters too."

Bastion special summons his last Hydrogeddon. Now they both had three monsters each but on the surface, it looked like Bastion had the edge in ATK points. "I don't get what Chazz is planning, none of those soldiers can beat Bastion's," Alexis says.

"Not by themselves they can't." Zane had a feeling he knew what Chazz was planning.

“Next I play Chthonian Alliance.” he equipped it to his soldier. “This card gains 800 ATK for each monster on the field of the same name,” he smirks. “That brings his ATK up to, well you're the math nerd you do the math.”

His ATK grew to 3600!

“Attack now!” the giant soldier charges and cuts Bastion's Hydrogeddon down.

Bastion 1600

“Oh no,” Syrus gasps. “Bastion’s Life points have dropped more than half, he’s gonna lose the duel.” he was worried. ‘Hmm, I don’t know, I got a feeling Bastion has a plan.’ Jaden thinks.

“Bravo, but it’s my turn now!” he draws. “You’re current victory will be short lived. I summon Oxygeddon!” he calls and a flying dinosaur made of oxygen appeared on the field. It had a fierce 1800 ATK and 800 DEF. “Now attack the 1200 ATK point Chthonian Soldier!” It obeyed blasting him with a stream of air.

Chazz: 1400

“Did you forget, my monster’s special ability.” The blade came swinging down and struck Bastion. “Some wiz kid you are!”

Bastion 1000

“It’s still my turn, and I attack with Hydrogeddon!” it blasted the last 1200 ATK soldier, destroying him.

Chazz 1000

“That damage is still going back to you loser!” Chazz shouts. The blade flew through the air and struck Bastion.

Bastion 600

“What’s Bastion doing he’s almost out of life points. Why does he keep attacking, he’s only hurting himself?” Jaden smiled and patted his shoulder. “Nah, he’s good.”

"Bastion's playing smart," Zane confirms. Sure enough, Chazz's giant Chthonian Soldier shrank down two sizes, its attack dropping to 2000. "Bastion would have needed to summon an incredibly strong monster to deal with it, by destroying the other two he cut the threat down."

"Bastion had to give up some points, in order to take the big guy down," Jaden says, and Bastion smirks.

“I’ll play a face down and end my turn.” Bastion ends his turn, and Chazz smirks.

“It’s your last turn, I’m crushing you here and now!” he discarded most of his hand. “I’m sacrificing Chthonian

Soldier and all the cards in my hand...” his soldier was consumed in a tornado of fire. “...in order to summon Infernal Incinerator!” The fire tornado exploded and Chazz’s boss monster appeared.

Everyone gasped. Jaden knew of this creature, a terrifying beast, to say the least, it turned its territory into a burning wasteland. "Infernal Incinerator?" Bastion gasped. Chazz laughed.

The creature was a giant insect-like beast at first, with some kind of demon like male rising out of its head, chained to the insect’s head. 2800 ATK “Better break out your calculator, ‘cause if you can’t find a way to beat this guy this turn, you’re toast!” Chazz laughed some more. “Face it Bastion, you don’t stand a chance, especially since my monster gains 200 attack points for each monster you control.”

It’s attack increased to 3400

“No matter which monster gets hit Bastion will lose!”

Chazz launched the attack. The insect roared and blasted a stream of flames. Chazz smirked thinking he had won. “I activate my trap, Amorphous Barrier!” Pillars of what appeared to be crystal sprang up and formed a barrier around his monsters. “When I have 3 or more monsters on my side of

the field, this trap negates my opponent's attack and ends the battle." the flames were stopped. "Nice try Chazz."

"Heh, so what? One turn that's all this buys you. Then you'll be all mine!"

"There is no next turn for you."

"What?!"

"You heard me," Bastion draws. "I activate the spell card Bonding H<sub>2</sub>O!" The spell combines two Hydrogeddon's and one Oxygeddon to create a new monster. "With this, I summon Water Dragon!" The trio swirled together and became a tornado of water, the water dragon towered over the field. It wielded a mighty 2800 ATK.

"So what, even if you reduced the number of monsters and lowered my monster's ATK a little, it's still more powerful than you!" Its ATK dropped to 3000.

"Better double check your work because I've already done all the math."

"All the math?" Crowler gasped.

"That means Bastion has had this duel planned from the start." Jaden gasped. He figured he had a plan, but this, this was truly impressive.

A giant wave swept the field and Chazz's monster's ATK dropped down to 0. "No, his attack points..."

"That's right when he's out on the field, the ATK of all Fire and Pyro type monsters automatically becomes 0!" His dragon roared. "Now Water Dragon Attack!" The dragon obeyed blasting Chazz's monster destroying him and washing Chazz off the field.

Chazz 0

The duel was done and Chazz had lost. "It was all luck, you drew a lucky card and stumbled into the win. That's all!" Jaden glared. 'Not this again.'

"Perhaps," Bastion approached him. "But luck favors the prepared, and I was prepared to defeat you with a half dozen other cards, as well"

"That's a lie!"

"Sorry, but you would have lost the duel one way or another." Jaden slipped behind the others. His eyes were glowing gold with rage. "But deny it if you want, just as you deny throwing my deck in the ocean."

"Prove it!" he snaps.

"Well, if you insist." Bastion pulls out one of the cards they managed to fish out of the ocean. Written on the front of the

card was a formula. “I suppose you could have written it, but the math would have been wrong which it’s not.” he glared at Chazz. “Chazz, you stole, you lied, you cheated, you lost. You deserve to be demoted!”

“This can’t be...” Jaden had enough of Chazz as well.

Drawing on the power of his shadow charm, he conjured a special lamia made poison and made it into a spirit snake.

‘Venom of Truth!’ It slithered and struck Chazz when no one was looking. “No, I can’t become a Ra, I can’t I have to be the best. If I’m not in Obelisk Blue I’m not the best. It’s the best dorm, I have the skills, the power, the status, I can’t give it up!” he pounds his fist on the ground. “I had no choice, I had to beat Bastion no matter what!” Tears were streaming down his cheeks.

Jaden could feel a heavy weight on Chazz's heart, there was something deeper troubling him, but this was enough for Jaden. He released Chazz from his technique. It was an eye-opening moment for Bastion as well. ‘All this because of the dorm he's in...’

“Bastion Misawa!” Crowler stepped forward.

“Congratulations and welcome to Obelisk Blue!”

“No,” he gives Crowler a stern look. “I must decline the invitation.”

“What?” Crowler gasps. “What for?”

‘I have a lot to think about for one,’ Bastion thinks. "When I first arrived at the Academy, I decided I would only enter Obelisk Blue when I became the number one student in the freshman class." he turned to Jaden. "Jaden, among all the freshmen I believe you are that student."

Jaden smiled. “Thanks, does that mean you’d like to duel me right here, right now?” he asked getting excited. He did wanna duel Bastion. “Seeing you guys duel, really got me going.” he wasn’t kidding, Jaden’s twin dicks were making quite the bulge. Syrus, Bastion, and even Zane blushed.

‘How vulgar,’ Crowler thinks.

“Sorry, but not now.” he coughed, clearing his throat. “I have a lot of work to do before I’m ready to face you. Many formulas to write, theories to test, you are a good duelist Jaden I intend to be prepared.”

“Alright, I’ll be ready!”

“He didn’t have to prepare for me, he won on a day’s notice!” Chazz growled.

“No worries Jaden, soon my dorm room will be filled with new formulas, and we will have our duel.”

"Now wait a minute," Crowler says. "Bastion Misawa I must warn you, if you lose to Jaden, regardless of your test scores you'll face being demoted yourself. You'll end up in Slifer Red." Bastion chuckles. 'Is he that confident?' Crowler thinks.

What Bastion was thinking was. 'Maybe becoming a red wouldn't be so bad. I'll have to think about more than just my dueling. Chazz broke under the pressure the academy placed, and the arrogance of some of the Obelisk's and Ra's, the terror of being demoted, maybe something does need to change.'

Their spirits were fire hot.

-X-

Chazz tried to slink off but Jaden had something to say.

"What do you want Slifer Slacker!?"

"You know Chazz, you might be a good duelist, you got some pretty good moves and some sweet cards, but there is something wrong with your attitude." Chazz huffed.

"As if I'm gonna take advice from the likes of you." Jaden pinned him against the wall. It was a full-on Katedon, and Chazz blushed at the closeness. "That's the attitude I'm talking about. You think I'm somehow beneath you, listen Chazz, you can't just blame your losses only on your opponent, if you

don't learn from your losses you'll never improve yourself." he knew this from experience, his sisters trained him hard, he lost lots of times, but he grew as he learned from his mistakes. "I don't know what's holding you back but I think you are carrying around something...heavy..." he pulls away. "I do think you can be a great duelist Chazz, but not if you keep going like this. Think about it."

Chazz was stunned, his heart racing, but after his pride caught up to him he was angry. His loss, his demotion, Jaden...his brothers...he was done. He packed up his stuff and ran away from Duel Academy.

Later that night...

Jaden was making his nightly rounds when he came across a strange facility. These people were experimenting on animals, one, in particular, a monkey named Wheeler. They taught him to duel, but poked, and prodded him, torturing the poor thing to force results. Jaden was having none of that. He put the fear of lamia into them, destroyed their weapons and returned Wheeler to his family.

The men were hypnotized and made to forget the incident and their experiments. He destroyed their research, their guns, and made sure they would never harm the innocent animals again.

By the time he was done with them, they were left naked and panting. He took their wicked minds and fill them with lust, setting them on the path of pleasure. They took the ship they used to get there and sailed off. Jaden was pleased, the men would have a much better life instead of hunting innocent animals and experimenting on them.

Wheeler was happy to be reunited with his family. It warmed Jaden's heart. They had a friendly duel, which Jaden won. The base had plenty of materials for him to work with. The place had its own power generator, equipment he could break apart and fix up stuff at the red dorm. The dorm was forced to have lights out, or use candlelight, having their own generator as Ra did would be great. They could fix the washing machine and dryer, the kitchen needed renovating, much of the equipment was either old or barely functioning. Miss Dorothy was good with equipment so hopefully, she can help.

## Chapter 13 Jinzo's Curse

Jaden was right about Miss Dorothy, with her help and some spare parts the red dorm was well fitted in time for winter break. Many of the students went home leaving Jaden, Chumley, Syrus, Bastion, and Banner chilling at the Slifer Dorm.

The male had been cooking up a storm, with a better kitchen they were able to store better ingredients and cook the food properly. In the kitchen, he was able to take lamia form and use his tail to cook double time. "I appreciate you inviting me to stay at your dorm, I hoped to get much-needed studying done, but since all the other Ra yellows were planning on leaving I didn't want to inconvenience the dorm head." Chumley was making the dessert, cooking marshmallows on a portable grill.

"No problem the more the merrier," Jaden calls from the kitchen. In truth Bastion's family liked to travel, and while working on formulas over the break was fun, spending time with Jaden and his new harem brothers was more fun. Plus he could still work on his formulas.

He was quite enjoying the new found freedom, in Jaden's dorm, he was allowed to strip down and bask in his nudity.

Jaden hadn't taken his virginity yet, he promised after they had their duel it would happen. For now, Bastion was enjoying getting fingered and rimmed, blow jobs, hand jobs, and so much petting.

Jaden reverted back to human form to bring the food in. He even made some for Banner. They dug into the food, giving a quick prayer of thanks. Jaden's meals were meat and egg heavy. He wanted his boys nice and strong.

Meanwhile...

An Obelisk Blue student was racing through the woods, running like the devil was on his heels. "Help me!" he shouted. "Someone, anyone help!" a dark chuckle seemed to follow him. "He took them...he took my friends...and I'm next!"

Those that remained at the Blue Dorm, were enjoying the fancy luxuries the dorm had to offer, not that anyone would believe him. The Ra Yellow dorm was closed down, so the boy raced towards the Red Dorm. The lights were on so someone had to be home.

He pounded on the door. "Please! Someone! Help me!" the door opened and the boy falls forward. "Whoa!" The boy had shoulder length brown hair, he wore glasses and was quite handsome. "Are you alright?" Jaden approached him.

The boy got up and clung to Jaden, eyes wet with tears, face pale in terror. "Please you have to help me!" he clings to the brunette. "It's Jinzo! He's after me!"

"I know you," Banner says. "You're Torrey Takadera, you are in my Para-Dueling Class."

"That's right, Professor Banner, and everything you said was right! All that stuff about Duel Spirits being real." Jaden's eyes widened in shock. 'How does he know about that?' Banner was quite the mystery. "It was all true!" Torrey cried.

They sat Torrey down and Jaden got him some water.

"Alright, talk to us, what's happened?" The boy takes a drink to calm his nerves.

"Please start from the beginning," Banner says, and Torrey nods.

"You see I told some of my friends about your class, and how with certain conditions you can communicate with duel spirits, and even bring them to life." Jaden couldn't believe what he was hearing. 'Don't they know how dangerous that is?' many of the duel spirits were actual monsters from his world, most could only appear in spirit form, but even then not all monsters were kind or friendly.

"We started trying to create those conditions. We used an Ouija board and started trying to communicate with Duel

Spirits. My friends, Isaka and Mukouda helped even though we knew the academy forbids it." Jaden could almost face palm. "We managed to communicate a few times, so we thought we'd try summoning the spirit. He told us the incantation to use."

After reciting the chant, "From Vapor To Flesh, From Wind To A Roar, Come Jinzo, From The Land Of Yore!" the candles were blown out and some of the books fell from the shelves in the library. The spirit board began moving on its own.

Jaden got chills, that was a dark spirit incantation. "Then the spirit board spelled out, Give me 3 and I'll be free." he trembled. "We thought he meant cards."

'No, for a dark spirit such as Jinzo he'd never be satisfied with mere cards, dark spirits demand a terrible sacrifice.' Jaden thinks.

"Oh dear me no, Jinzo's appetite would never be satiated with mere cards," Banner says, and Jaden raises a brow. 'How does he know this?'

"What did the 3 mean Torrey?" Syrus asked.

"It meant people!"

"People!?" Syrus gasped.

“Yes, and unfortunately we had agreed before we knew the truth.” he lowered his eyes in shame. “My friends are gone. I’ve looked everywhere and it’s like they vanished!”

“See here, maybe they just left for winter break,” Bastion says, trying to be the voice of reason. Jaden knew better, Jinzo took them as sacrifices. He plans to rip into the world by force.

"They didn't, I know they didn't. I called their parents to be sure, and...I even tried to leave the island, but couldn't." He had gone to the ferry, only to see and a mysterious figure wearing a trench coat. The same sinister chuckle followed him. "There's no escape!" he says crying, the boy was trembling in fear.

‘We'll be safe here but not for long if Jinzo's already gotten two sacrifices, it means his power is growing.’ his shadow charm reacted, and the lights went off in the dorm.

Everyone gasped. ‘He’s here!’ Jaden got on edge.

“What was that?” Syrus gasped.

"Easy, Syrus," Banner says hoping to calm the boy down. It wouldn't do anyone good if people started panicking.

“It was probably just a blown fuse.” Bastion says.

“Yeah, or maybe a blown bulb.” Chumley chuckled nervously.

"Or maybe..." A dark voice began, a terrifying voice that sent shivers down everyone's spines. "It was me!" Jinzo appeared in the doorway. Everyone screamed as Jinzo laughed evilly. "He's real!" Bastion gasped.

Torrey tried to hide, but Jinzo fired beams from his eyes and froze him in place. “Let him go Jinzo!” Jaden snaps, his eyes flashing gold.

“We have a deal!” he says. “Don’t interfere!” he releases a powerful Psycho Shock! Jaden was able to counter it with his shadow power, but the force did knock out Banner, Syrus, Chumley, Torrey, and Bastion. Jaden absorbed most of the hit changing into his lamia form.

Jinzo runs off, taking the unconscious boy Torrey with him. Jaden gave chase, following them to the island’s power station. The dark spirit leached off the energy, using it to take form. “A lamia? What is your kind doing here?”

“I’m here because my kind doesn’t go feasting on human souls.” Jinzo laughed.

“That is why you are weak!” Torrey came to and saw Jinzo and screamed. Jaden quickly snatched him up with his tail.

“Release him, he made a deal, not even a lamia can break a binding contract.”

Jaden paused. It was true, not many powers could break a contract. Torrey looked up to Jaden. “Please save me, save my friends. I’ll do anything!” Jaden tilted his chin up.

“Anything?” the boy blushed.

“Yes, anything!” he says.

“Then form a contract with me, for saving your life and your friends, you will become my servant.” Torrey doesn’t hesitate. He was shocked to see Jaden as a monster sure, but he wasn’t scared of him as he was Jinzo. “I’ll do it.”

“Sealed with a kiss,” he says and captures Torrey's lips. The boy moans in delight, the kiss making him weak in the knees and painfully hard in his pants.

“You vile snake!” Jinzo hissed. Jaden smirked.

“I will duel you for Torrey and his friends, you win you get me!”

“Why would a lamia care for a pathetic human. They are but trash to be ruled or turned to ash.” This murderous intent is what made Jinzo so dark, a shame if he used his power for good he could really help people. “A duel is fine with me, this energy will keep me around long enough.”

Jaden/Jinzo: 4000

Jaden readied his duel disk, and Jinzo conjured the cards before him. "I'll go first," he says. "I summon Malice Doll of Demise!" he summoned the creepy blonde doll monster.

1600 ATK/1700 DEF

The monster was summoned in attack mode. "Next I play Ectoplasmer! Now we both must tribute one monster we control during our end phase, then we inflict damage equal to half the monster's ATK points." he chuckles. With that, he ends his turn, and the continuous spell card sucks out the doll's soul and blasts Jaden.

Jaden: 3200

Jaden draws. "My move!" he draws Mirage of Nightmare, while his hand had Emergency Provisions, Lamia Sister # 3, Snake Venom, Snake Pit, and Venom Strike. "I'll activate a continuous spell card of my own, Snake Pit!" While this card remains face up on the field, all Lamia monsters gain 200 ATK points. Each time a Lamia is summoned draw 1 card. "I summon Lamia Sister # 3!"

The purple haired snake woman appeared her hair in a braid. Thanks to the effect of Snake Pit Jaden got to draw a new card. Also, the effect of the spell card boosted her ATK power.

ATK 1500 Boosted 1700.

"Now I activate her effect, and she hits you with 300 points of damage," he says. The sister spat purple venom at Jinzo.

Jinzo: 3700

"Now I'll play these cards face down, and activate Mirage of Nightmare!" Now during Jinzo's Standby phase, Jaden would get to draw until he has 4 cards in his hand. "Next I play Snake Venom to destroy your Ectoplasmer!" the spell card spat venom and destroyed the continuous spell card. Jaden had Lamia Sister attack, who whipped him with her tail. He ended his turn.

Jinzo 2000

It was Jinzo's turn and Jaden got to draw 3 new cards thanks to the effect, which he quickly used his spell card Emergency Provisions to destroy Mirage of Nightmare, and increase his life points.

Jaden 4200

"You lamias are pathetic, you could have used Ectoplasmer to deal more damage to me." Jinzo draws. "You'll regret that mistake!" He special summoned Malice Doll of Demise since he was sent to the graveyard by the effect of a continuous spell card.

“Hold on Jinzo, I got an effect to activate, since my monster was added to my hand I got to special summon it. Say hello to Lamia Bunyip!” the monster appeared on the field.

A dark gray skinned lamia girl, her underbelly is dark purple, her scales and arms covered in thick white fur, she has thicker claws and bunny-like ears.

4 Stars Water: Effect: If this card is added to your hand by the effect of a spell or monster effect, except the effect of Lamia Bunyip, you can special summon it to the field, you can choose the mode. If this monster is targeted by your opponent’s monster for an attack, you can negate the attack and return Lamia Bunyip to your hand.

ATK 2000 Boosted 2200 ATK Thanks to the effect of Snake Pit Jaden got to draw another card.

“So you added another Lamia to the field big deal when what I have is much more!” he laughed evilly. “I sacrifice, Malice, to summon Jinzo!” he laughed wickedly as he summoned himself.

His gaze pierced Jaden’s trap card, destroying it. “Oh man!”

“Now I get to destroy you personally!” he launched an attack at Bunyip.

“Wrong choice, when Bunyip is targeted by an opponent’s monster’s attack she can negate the attack, and escape back to my hand.” She ducked down and escaped Jinzo’s blast returning to Jaden’s hand.

"One turn that all it buys you," he says.

It was Jaden’s turn and he draws. “I summon Lamia Bunyip, and I’ll switch my Lamia Sister # 3 into Defense mode.” Bunyip returned to the field, and Sister # 3 got defensive.

Lamia Sister # 3 DEF: 1600

“Next I activate Lamia Sister # 3’s effect, and hit you with 300 points of damage.”

Jinzo 1700

“I end my turn!” he says. He had some traps in his hand but couldn’t use them with Jinzo on the field. He also had Shirohebi in his hand, but he was saving her.

Jinzo draws. “Fool I will teach you the terror of my power. I equip myself with Fairy Meteor Crush!”

“Uh oh, that’s not good!” Jaden says and braces himself. Jinzo blasted the Sister in Defense mode, and Jaden took 800 points of damage.

Jaden: 3400

“Next I activate the effect of a monster from my hand. Bone Channeler, when this card is sent from my hand to the graveyard, I can select one monster on my side of the field and inflict damage equal to half its attack points.”

“Oh crap!” A skull appeared in Jinzo’s hand it became infused with his energy and Jaden got blasted with it.

Jaden: 2200

“I’ll end my turn.” Jaden shivered as he felt his body fade.

It was Jaden's turn, he drew and got Lamia Little Sister # 3. "I summon, Lamia Little Sister # 3 in Defense mode." With that, he ended his turn. Little Sister # 3: DEF 2000

Jinzo drew, he attacked Little Sister and thanks to Fairy Meteor Crush, Jaden took damage.

Jaden: 1800

Jinzo used another Bone Channeler to blast Jaden with another round of 1200 points of damage.

Jaden: 600

“Jaden!” Torrey cried out.

“Your energy is delicious, I’m gonna enjoy devouring your soul.” Jaden glared at him. “I activate Amplifier and equip it to myself.” This effect allowed Jinzo to play traps. “I’ll play this face down, I bet you can guess what it is.”

Jaden drew, and he smiled. “It’s over Jinzo, I activate Lamia's Hunting Ground!" the field spell changed the landscape. Each Time a Lamia monster is summoned, you can choose to destroy one spell or trap card on the field. When a Lamia destroys a monster in battle increase life points equal to half the destroyed monster's ATK points. All monsters with Lamia in their name increase their ATK by 600 points.

Bunyip’s ATK boosted further 2200 to 2800

“I summon Lamia Shirohebi!" a long-haired white lamia girl with scales of pure white, she has red eyes and wears a white kimono, appeared on the field.

Shirohebi’s ATK Boosted from 1600 to 2400. Thanks to the effect of Lamia’s Hunting Ground, Jaden destroyed Jinzo’s trap card. “Next I activate Shirohebi’s effect to bring back Lamia Sister # 3!” the sister was summoned, and thanks to the effect of the field spell Jaden destroyed Amplifier.

“Noooooooooooo!” Jinzo howled as he was destroyed, and since he wasted his Bone Channelers for their effects he was no defenseless.

Jaden got to draw 2 cards thanks to Snake Pit, but it was over. "Go get him, girls!" The Lamia Sisters charged and crushed Jinzo.

Jinzo: 0

His body faded. “I won’t lose, I won’t give up!” he tried to possess Torrey but Jaden was ready.

His charm glowed and he bound Jinzo’s spirit with energy snakes. Jinzo exploded, his power dispersing and Torrey’s friends returning to the land of the living.

Jaden breathed a sigh of relief. Torrey and his friends were safe. Jaden returned to human form, and Torrey hugged him. “Oh thank you Jaden, I’m never gonna forget this!” he says happily.

"I know you won't. My loyal servant," he says and Torrey blushes. He felt his manhood spasm and he cums hotly into his pants. "Ah ahh!" the boy drooled. As Jaden's servant he can never betray him, so revealing his secret was impossible. "I'll train you well," he says petting him.

Jaden told everyone what happened later after returning the boys to the blue dorm.

## Chap 14 Courting...Pets and Servants

Lamia's were very loving beings, when they mate it forms a strong bond. However, there were times lamias collected humans not to mate but to serve the tribe. First were the servants, males or females who served the tribe, they received sex from lamias and received protection from them. They assisted in clean up, taking care of the master and the mates. Then there were the pets, males who served not only the master but the mates as well. Usually, the master fucked the mates, holding the reigns in the bedroom, but with pets, mates got to try out their topping skills.

Mates, Servants, and Pets made up the whole of a lamia harem. Jaden explained these beliefs, just leaving out the lamia part. He had gathered everyone together, calling Torrey over from the Blue Dorms, they were still on winter break so the campus was still empty. Torrey was surprised to see everyone was free and naked here. "Interesting." Bastion says. "So I'm a mate huh?" he was very proud of that.

"Yes, Torrey has become my servant." the boy stood next to him. "Hello," he gave a bow. "Please strip."

"Yes master," he obeys, he strips off his clothing. Torrey may have been a bookworm but he was fit, his cock was hard at 4

inches. He bowed once again. "I look forward to serving you."

"Is this really okay, Torrey?" Syrus asked.

"Oh yes, not only did Jaden save my life, I've always liked guys and Jaden is my type, I am happy to serve him and his harem," he says.

Jaden smirked. While his mates still haven't received his special snake oil, Torrey did receive the lamia special for servants. He had Jaden's venom pumping through his veins, his insides would remain nice and clean for his master to take him whenever he wished. Jaden had complete control of his body, if Jaden said stay hard he would go soft he would, this was the level of bond between master and servant.

"He needs lots of training, so I got him something special to train him," he revealed a very large dildo.

"He's gonna ride that?" Bastion gasped at the thickness of the toy. Jaden's cocks in lamia form were thicker.

"Thank you, master!" Torrey moans. The boys watch as Torrey takes the toy and begins to lick it. He got it nice and wet, making sure to lick every inch. Once it was wet enough he set it down and positioned himself over it. "How many rides master?"

“Ride it till you cum, make sure you play with your nips too.”

“Yes sir!” he sinks down onto the dildo, his ass opening up wide. “It feels good sir!” Torrey moans.

“My word!” Bastion blushes. His hard cock standing at attention. He sinks down, ass stretching wide and swallowing the toy all up. Once he was about halfway he started playing with his nips.

“Ohh!” the pleasure makes him slide down, his penis twitching in delight. Torrey moans and begins to ride the dildo, sliding back and forth along the toy, he teases his nips as he moves. His cock bounces and bobs as he rides, pre getting whipped this way and that.

Jaden comes over, scooping Syrus up and kissing him. The bluenette takes one of Jaden’s cocks into his ass, as the other slides along his cock and balls. Syrus takes the leading, seeing Torrey made him want to ride. “Mmm,” he moans. ‘So good, Jaden!’

The lamia in human form doesn’t leave out Bastion and Chumley, the two sit on either side of him, and Jaden pumps their hard cocks. The trio moan under Jaden’s actions, pre spilling from their hard cocks. He used this to pump them faster earning more moans. “Jaden!” Bastion moans.

“Oh man, oh man!” Chumley moans. Jaden rubs Chumley's piss slit and pumps Bastion faster, making his balls bounce from the force.

Syrus moans as Jaden's hips start to rock, matching his rides. The big dick grinds deep in his ass, as the second cock gives extra friction to his cock and balls. ‘So hot, so hot!’

Chumley is first to cum, his seed erupting all over Chumley and Jaden's stroking hand. The next to cum was Syrus, the friction inside and out pushing the boy over the edge. He cums hard, spraying his seed all over Jaden's cock. Bastion follows suit, toes curling as he lost control and came all over himself.

Bastion had to admit, getting some sexual relief helped him think and come up with new formulas for his deck. He still wasn't sure if he was able to submit to Jaden completely. ‘Well, we'll see who tops once we duel.’

Torrey was the last to cum, but he had the most control over his release, slowing down on the toy to drag out his release. Once he came he blew his load all over the floor. “Ahhhh.”

“Well done Torrey, please make sure to keep the toy inside, and carry out your duties.” Jaden rubs Syrus' back easing him down his sex high.

“Thank you master!” he stands up, his hole tightening up on the dildo to hold it inside. He shivers as he moves, the toy rubbing against his insides. He puts on a red thong looking garment, a gift from his master, it had a clothe cupping his balls and straps one riding along his crack, helping hold the toy inside two others helping cradle his balls.

His cock was left hanging out. Jaden fitted him with a cock ring. “Once you finish your list of chores you’ll get to cum.”

"Yes, master!" Torrey was such a good boy, he cleaned the floor first, then gathered the laundry for cleaning. The boy didn't hesitate to grab one of Jaden's underwear and bring it to his nose. ‘Master's scent!’ he shivers in delight.

Torrey was a hard worker and an excited one. Once he finished his chores Jaden offered to walk him home. "I'll be back," he says leading Torrey back to the blue dorm. In the safety of Torrey's room, Jaden reverted back to lamia form. "You did very well today."

"Thank you, master." Jaden removed the cock ring, and the dildo, and slipped his tail inside Torrey. "Master!" the scales rubbed against his soft insides, making the boy's toes curl.

It didn't take long to make Torrey cum, not with the thick tail stretching his hole, Jaden was very good with his tail. It

twisted, thrust, wiggle, and spin, driving his servant wild in pleasure. "Master!" he howled as he came.

Jaden pet Torrey's head. "I'm asking a lot from you, although our contract was rushed."

"Don't be master, I'm happy to serve someone as wonderful as you." he gets wrapped up in Jaden's coils. "I just hope the others get to know the real you soon." he rubs his cheek against Jaden's scaly tail. "It's wonderful!"

Jaden chuckles. He didn't know when he would reveal his secret to his mates, but having someone in the Blue Dorm would help progress his plans for the future. Torrey would be his eyes and ears in Blue.

The lamia left Torrey with various toys to train with, he needed a lot of training, despite being a natural.

-x-

Alas, Winter vacation couldn't last forever and classes started back up. Jaden was stuck in gym class playing Tennis.

"Alright class, get your game on, tennis game that is!" Miss Fontaine says. They were playing doubles, Syrus and Jaden on one side, Mindy and Jasmine on the other.

"Oh man, what does this have to do with dueling?" Syrus asks, groaning as he manages to hit the ball back.

"Everything, taking turns, thinking on your feet, and the harder you play the better you do!" she hit his ball back.

"Interesting!" Jaden says and tries to hit her ball, he does and the ball goes sailing, just not in the right direction. It was heading straight for Alexis! "Heads up!"

The ball didn't hit her as a young man rushes in and hits the ball away, right into Crowler's face. The boy was rocking a mullet, with light brown hair. "Are you okay?" he asks. Mindy and Jasmine fell for his good looks in an instant, Alexis wasn't as easy.

"That's okay, thanks," she says.

'That's Alexis Rhodes, she's so beautiful!' he blushes.

"Umm do you need me to carry you to the nurse?" he chuckles, mildly embarrassed.

"No, I'm good." he takes her hand. "I've seen you around the blue dorm, not that I've had the pleasure of talking to you." he blushes realizing he was touching her and pulls his hand back. "Anyway back to my match." he chuckles walking back to his court.

This guy was Harrington Rosewood, he had quite the reputation, a touch of a flirt with both girls and guys. As

Tennis captain, he used his position and dueling skills to dominate the others on the team.

Meanwhile...

Jaden was getting chewed out by Crowler like he was to blame for getting hit. So he was forced to do drills with the Tennis Club captain, despite the captain, being the one who hit Crowler in the first place.

When Syrus and the girls came onto the scene it was tense. "Service!" Harrington hit the ball hard sending it flying. Jaden, however, was ready. 'Snake service!' he hit the ball back sending it flying back.

Harrington was ticked, Jaden had returned every serve he had sent. 'What the hell is with this guy!?'

'You have to be really fast to get past a lamia.' Jaden thinks. Harrington kept trying to out-serve Jaden, but the boy was countering him at every shot.

"Come on hustle, hustle!" he sped up his serves, but Jaden wasn't backing down. Harrington may have had an athlete's body, but Jaden was deceptively strong and fast. "You gotta sweat to become a threat!"

Jaden continued to match his serve. “Alright, now you need to work on your forehand and backhand, a thousand strokes each.”

“You are joking right.”

“Well there is another way to end this.” he palmed his crotch.

“That’s about all you Slackers are good for.” Jaden glared.

‘Oh, this guy is asking for it.’ He was a show-off, wearing super short shorts, showing off his legs, ass, and crotch.

Jaden carried on with his insane training. Thankfully Alexis came in to put a stop to it. Harrington ran over to her. “Hey there, sorry I’m sweating so much.” he laughs. “I’ve been kicking this Slifer’s ass.”

Alexis didn’t believe it for a second but she had something to speak to Jaden about. “Listen Jaden, I ran into Professor Banner, he told me someone spotted Chazz.” they went back and forth, but as they talked Harrington was seeing red.

‘A Slifer Slacker like Jaden, talking to an Obelisk Blue like Alexis?’ he was burning up. ‘Slifers should only be allowed on the court to service the elites!’

Harrington went off on Jaden, but the lamia had enough of his nonsense. “That’s enough, you got a bad attitude, and I’m tired of listening to it!”

“Oh, you wanna settle this?” he chuckles.

“What in tennis?”

"No in dueling," he revealed his duel disk.

Alexis hung around to watch, as she heard that Harrington was as skilled as Zane. Syrus was now nervous.

“Should I win, first you will not talk to Alexis ever again, second you will run across duel academy naked saying Slifer’s are Perverts, and lastly you’ll have to join the Tennis club and do whatever I say.” he chuckles.

“Alright fine, but if I win you will become my pet!” Jaden says.

“A pet!?” Harrington gasps. Jaden’s eyes flash gold.

“You heard me, you lose you will surrender yourself to being my pet for the rest of your life.”

“Fine, I don't intend on losing," he says.

“Let’s throw down!” they ready their duel disks.

Alexis didn’t know what was going on fully, but she just wanted to see if he really was as good as Zane. ‘Please be careful Jaden.’

Harrington/Jaden: 4000

“I’ll start this serve off, with a spell card Service Ace!”

“A spell card already?”

"That's right, this card will really make you sweat," he says. "I pick a card, then you have to choose if it's a spell, trap, or monster." he grins. "If you guess right, you are fine. But if you guess wrong...you get served with 1500 points of damage."

One out of three chance. Jaden guessed a Spell Card, but it was a monster. Harrington laughed, and the spell card blasted Jaden. “Good luck returning this one pal!”

Jaden 2500

Harrington set a face down and ended his turn.

“My move,” he drew. “You aren’t the only one who can deal damage with spell cards. I activate Tears of the Lamia!” The spell card dealt 800 points of direct damage to the opponent.

Harrington 3200

“Next I’ll summon Lamia Sister #3” The purple scaled lamia sister appeared on the field, she has long hair purple kept in a braid, she has purple scales and wears a purple top.

ATK 1500 DEF 1600

“Now attack!” the lamia sister charged.

“I don’t think so!” his trap card triggered Receive Ace. It blocked Jaden’s attack and dealt him with 1500 points of damage!

“Oh man!” Jaden gasped as he was hit.

Jaden 1000

“That’s 30-Love!” He had to toss 3 cards for using the trap but it was a small price to pay.

“Well I’m not out yet, I’ll set a card face down and end my turn.” With his turn ended Lamia Sister #3’s effect activated, she spat poison, hitting Harrington and dropping his life points by 300 points.

Harrington: 2900

Harrington went with a spell card next, Smash Ace. He turns over the top card in his deck and if it is a monster Jaden gets hit with 1500 points of damage. He flipped the card to reveal Shine Ball. “Looks like I win, get ready Jaden I’m gonna ride you hard as the Tennis club president!”

“I don’t think so, I got a quick play spell!” his reverse card opened.

Jaden’s spell was known as Toxic Spell: When an opponent activates a spell card you can negate it and the card is stuck in your opponent’s zone unable to be used.

“Plus since I have Lamia monster on my side of the field, I get to add a spell card from my graveyard to my hand.” He added Lamia Tears back to his hand.

It was Jaden’s turn. “I’ll kick things off with a spell card!” He used Lamia Tears and blasted Harrington.

Harrington: 2100

“Next I’ll throw down two face downs and have my Lamia Sister attack!” she does spitting poison at Harrington. The male gasps and dances around as the poison burns holes through his clothes. “Ow ow ow!”

Harrington: 600

“With that I’ll end my turn.” which triggered Lamia Sister #3’s effect, blasting him with more poison.

Harrington: 300

“I’m not out of this game yet!” Harrington hissed. “First I activate the spell card Holy Serve, which refreshes my life points by 700 points.”

Harrington: 1000

“Now I can play this card, Deuce!” with this card Harrington was able to change the rules of the duel itself since they both had only 1000 points left. From now on they could only

attack with one monster during the battle phase and life points don't matter. "You win by being the first to damage the other twice in a row."

Jaden sweatdropped. 'I can see why this guy is so cocky, but he underestimated me and the power of lamias.' They were well versed in the mystic arts, which is why their spell cards could be just as lethal as they were.

Harrington summoned The Big Server! A three-star earth monster with 300 ATK. "The reason why his serve is so big is that he can attack your life points directly." And attack he did, hitting Jaden with a spiked ball.

Harrington 1 Hit Jaden 0 Hit

He activates Big Server's special ability he gets to add Service Ace to his hand and Jaden got a card to. "Not that it will matter, it won't be as good as this one." He was quick to activate it.

"I don't think so, because I have a Trap Card Magic Jammer, by sending 1 card from my hand to the grave I can negate your spell card and destroy it." He did and Harrington's card got destroyed. "Looks like I'm still in this."

"We'll see if you are still in this when I play this, the equip spell Giant Racket!" It was equipped to Big Server. "You still in it?"

"To win it, I activate my spell card!" he revealed his face down. "Snake Venom, this lets me destroy one of your cards, and I'll destroy your Giant Racket!" Poison shot out and melted the equip spell.

"Fine, you still can't win, even if you attack you'll only land one hit, and I'll be able to destroy you, next turn." he laughed. "You idiot you should have destroyed my Deuce spell card."

"Nah, I decided to beat you at your own game, remember that spell card you let me have?" Harrington gasped. "I picked the spell Double Strike, which allows my Lamia Sister to attack twice during a battle phase."

"What no way!"

Lamia Sister #3 attacked twice and Jaden got his two hits.

"No, I lost! I don't believe it!"

"Believe it!" Jaden's eyes flashed gold. "You lost so it's time to honor the bet." Harrington's eyes glazed over.

'What's happening?'

'Snake Eyes of Hypnotism!' Jaden's voice echoed into Harrington's mind. 'You shall forget about chasing skirts, and dominating guys.'

‘I will forget about chasing skirts and dominating guys.’ he repeated, and his mind accepted this as truth.

‘You are a pet, who serves his master and his mates.’

‘I am a pet, who serves his master and his mates.’ he repeated, he felt his heart flutter. His cock began to swell in the tight confines of his pants.

‘You crave cock, the taste of semen brings you joy.’

‘I crave cock, the taste of semen brings me joy!’ he licks his lips. It had been so long since he tasted cock, so many guys in the gym had such nice cocks too, they'd be delicious.

‘The act of being dominated fills you with pleasure, to feel your master’s cum gives you the greatest joy.’

‘The act of being dominated fills me with pleasure, to feel my master’s cum gives me the greatest joy.’ he was leaking so much pre.

‘You need to be free and naked, wearing any clothing besides your collar drives you mad.’

‘I need to be free and naked, wearing any clothing besides my collar drives me mad!’ his nipples were hard just from the fabric of the shirt rubbing against them. His cock and balls were itching to be free of the tight confines.

‘You live to serve your master and his mates.’

‘I live to serve my master and his mates.’ he was so hard it hurt.

‘Serving your master gives you pleasure.’

‘Serving my master gives me pleasure.’ his hole was twitching like crazy, he needed to be filled with dick.

‘Who is a good pet?’

‘Me!’ he was drooling a little.

‘Who is your master?’

‘Jaden Yuki!’ he was so close!

‘Good boy!’ that did it, to be praised by his master pushed Harrington over the edge and he came into his tiny shorts.

‘Now get going I will retrieve you later. Repeat the pet’s mantra until I get you.’

‘Yes master,’ Harrington walked off. ‘To submit is pleasure, the more pleasure you have the more you listen, the more you listen the more you obey. To obey is to serve, to serve is to be a good boy, and being a good boy is to submit.’ This was a vicious cycle, a never-ending loop and the more it repeated the hornier and needier he got. With each step, he felt like he was going crazy, by the time he made it to the locker rooms

he had cum running down his legs. His insides felt so hot, an itch needing to be scratched so deep.

The hypnosis would fix Harrington upright, his powerful hypnosis took him over in seconds. He had completely weaved Harrington's mind in seconds and none of the spectators was none the wiser.

## Chap 15 Dorm Pet

Jaden got to talk to Alexis, learning that Chazz had left the island. He could tell Chazz was lost and needed proper guidance. He sighed and thanked Alexis for the tip. "Honestly guys like Harrington and Chazz are giving Blue's a bad name, we aren't all like that."

"I believe it, this school system doesn't help matters," Jaden crossed his arms. "I'd like to change things if possible."

"I can look into it, to be honest, I don't like how many Obelisk's treated the other dorms either," Alexis says.

"Thanks, I'd appreciate it." they shake hands. The girls leave and Jaden goes to Syrus.

"I think we have our first pet," he says and leads Syrus to the men's locker room.

"Oh wow!" Syrus blushed at the sight of the Obelisk Blue. Harrington was bare ass naked, cock throbbing excitedly. He wasn't touching himself either; his cock completely ignored as he played with his ass, working two fingers into his twitching hole and his free hand played with a hardened nipple. His cock was a solid 7.5 inches long, his crotch was wet and shaven even his balls were smooth. Harrington was

under the impression that keeping your body clean shaven brought good luck, some sports superstition his family promotes. His body was glistening with sweat, his skin flushed, he panted in wild lust. "Master!" he moans.

The sight of Jaden had Harrington doubling his efforts, he fingered himself faster and switched nipples. He shuddered and moaned, a little drool running down his chin. Syrus was amazed, the arrogant Obelisk was now panting and moaning like he was in heat. 'It's amazing how Jaden effects so many people, and in different ways.'

"Syrus, why don't you remove your clothes, you can help me break in this new pet," he pats his back.

"Really?" he blushed, he had gotten hard at the sight of Harrington. Then he remembered what Jaden said about the harem placement, and his heart started to race. While he was happy to give his anal virginity to Jaden, he put the fact he might not lose his cock virginity away as it didn't really bother him. 'Oh man this is gonna happen, Jaden is so amazing!'

He started to strip and was in his own little world for a moment. Jaden smiled and used this time to give Harrington his medicine. Venom similar to what he had given Torrey was applied to Harrington's insides. The venom absorbed into his body, cleaning out his insides, and evolving his body. His

stomach acid evolved to break down all food and would convert it to energy. He would need it for his permanently erect dick, and his insides were now hypersensitive.

“Ahh please master, I need you inside me!” he howls. He spread his cheeks exposing his tight twitching entrance.

“I know you do, but you will help pleasure Syrus won't you?” Harrington looks to the now naked Syrus, who's 5-inch dick was standing tall. Normally Harrington would mock a guy for having a smaller dick than him, but now he was salivating at the sight of a cock.

“Yes master, it would be an honor!” he crawled forward and opened his mouth. “Please use my mouth Syrus-sama!” Syrus felt his penis twitch in delight, he offered his cock to Harrington, who began to sniff his crotch.

“Mmm,” he enjoyed the smell, Syrus’ musk made him more excited. He started licking, running his tongue over the boy’s twitching length, and going low to lap at his balls. Syrus moaned in delight. Harrington was stroking his pride as a man, fueling his lust and desire.

How Harrington licked his dick was so different than how Jaden did it, no less pleasurable but it made him feel different. He wanted more, Harrington did say to use his mouth. Syrus

pushed forward sliding his dick into the pet's mouth. "Ohh," Syrus moaned, as the warm wetness surrounded him.

Harrington moaned and quickly started sucking on it. He blushed as his body pulsed in delight, he lapped at the underside and drank the pre, Syrus offered. The heat of Syrus' dick filled him with want, lighting a fire in his belly. Every suck and lick made his own cock twitch.

His nose was buried deep in Sy's crotch, the mix of musk and arousal fueling his own flames of lust. He soon lost control and came! Syrus was shocked. "He came!?" he looked from Harrington; who continued sucking his dick, even as his body shook in orgasm, what made him a man pelting the floor beneath him, to Jaden who had taken off the tennis clothes he had been forced to wear.

Jaden smiled at him, lubing his cocks with his pre. Syrus looking back to Harrington, cupping the back of his head he started to move, fucking Rosewood's mouth. He moaned, his heavy balls smacking his chin, sending hot ripples of pleasure through his crotch.

The mullet brunette didn't miss a beat, sucking when Syrus pulled back and licking as the dick entered. Loving as his mouth and throat were used. His master got behind him, the twin dicks coming down to smack his ass. He moans around Syrus' penis. 'Master!'

The first cock tapped his taint and nudged his balls, the second cock slapped against his hole, making it twitch. With a smirk Jaden pushed forward, his first cock sliding between the tennis player's thighs, rubbing along his cock and balls, as the second cock plundered his ass and claimed his anal virginity.

As soon as the cock breached his hole he came, his hole spasming around Jaden's big dick. His moans sending pleasing vibrations through Syrus' manhood, making the bluenette moan in delight.

Inch after glorious inch of the cock, erupted pleasure in the pet. His orgasm lasted for several minutes, even as Jaden's second cock buried deep in his ass, the first cock was pelted by his seed. The venom worked like a charm, his insides were made for taking cock, the inner walls absorbing the venom and becoming strong. All the wonderful heat, the perfect tightness, but pliable like rubber, and all the softness. "Fits like a glove!" he playfully slapped Harrington's ass, his hole spasmed and he moaned more around Sy's dick.

'Whoa he came again?' Syrus was amazed, and even after two powerful orgasms Harrington was still hard. "Syrus," Jaden snapped him out of his daze, as soon as Syrus looked up he leaned over Harrington and captured his lips. The

bluenette melted on the spot, he moaned into the kiss and came into Harrington's mouth.

Harrington obediently drank his seed, gulping it down and sucking down every drop. His hungry sucks were rewarded with a few more spurts from Syrus. Jaden broke the kiss and marveled at the pleasurable look on his face. 'So cute!'

Jaden began to move, fucking Harrington's tight ass. The friction in his ass and the friction against his cock and balls were wonderful. Harrington pulled off Sy's semi-hard dick and began worshiping his balls, licking them, taking them into his mouth and sucking on them as the boy's dick laid across his face.

Syrus shivers in delight, if Harrington kept it up his semi would be back to full hardness in no time. Jaden was pounding the pet's ass, the sound of skin striking skin echoing in the locker room. 'A pet's ass is quite the prize.' Jaden thinks as he works faster and faster, pulverizing the tennis player's sweet spot.

Harrington was in heaven, his insides never felt so good. His master's cock was plundering him so perfectly, the friction made it feel like his insides were melting. Those sensations met with the friction between his thighs, cock, and balls. He came again pelting his master's first dick, and his abs with his cum.

Even as another orgasm rocked him he was still focused on his master and Syrus. Loving the taste as he sucked Syrus' balls, and loving as his insides were coated with his master's pre. Once Syrus was hard again he went back to sucking his dick.

Jaden pulls back and brings up his first cock, pressing it against Harrington's hole. Syrus gasped. 'He's gonna take both!?' he sure was, he pushed in and Harrington bucked.

"YES!" he howls, pulling off Syrus' cock to moan. His ass stretched to take both dicks. Jaden groans at the tight, hugging sensation as the inner walls squeezed his dicks together. Harrington cums again, as Jaden bottoms out, his seed pelts Syrus' feet.

"Look at what a mess you made, clean it up pet!" he nudges Harrington down, and the tennis player follows, face down ass up. Syrus blushes as Harrington licks the cum off his feet. Jaden began to move, thrusting two dicks into Harrington's tight hole.

Each thrust made Harrington cum again, it felt too good. Syrus gulped and licked his lips, he couldn't look away watching as the twin dicks appeared and disappeared. He didn't ignore the sensations from below, having Harrington lick his feet was exciting him. He raised his foot and the mullet head didn't even hesitate, and he licked at the sole. The

more he licked, the more into it he got. For Syrus the more he was licked the more into it he got. He always felt like a submissive, but something new was stirring.

When he looked at Jaden, he wanted to submit, but when he looked at Harrington he wanted to dominate. His cock twitched, and he offered his other foot for Harrington to worship.

Jaden continued to pound Harrington's ass, going hard and fast, making his toned butt jiggle with each thrust. His insides were stretched wide to accommodate both dicks it was a hot sight to see, the boy's anal ring stretched and stuffed with cocks.

The only thing that could hold his focus more was Syrus, Jaden could see the change in him, the confidence building, his latent desires awakening. 'He's gonna become a fine mate for me!' he couldn't wait to give Syrus the snake oil, to take things to the next level, but this was a wonderful start.

He felt his own release building, so he went harder.

Harrington panted, every thrust driving him wild, his hard cock bouncing and bobbing as he sprayed seed all over the ground and himself. He had finished cleaning Sy's feet but he kept licking, worshiping the boy's feet with his tongue. He just needed one thing, his master's cum.

The need burned through his whole body. His belly was empty of cum, even though he was loving the stretch from Jaden's big dicks. His slick inner walls were just the appetizer, he needed the main course.

He didn't have to wait long as Jaden's lust built up, with a howl he came, twin streams of cum pumping deep into Harrington's body. The pet saw stars, eyes rolling up, as he came again.

His stomach filled to the brim in seconds. Harrington drooled as the cum kept cumming. "Master's cum yes!" he shivered in delight, toes curling and hole tightening. His hole was squeezing Jaden so much it was like he was trying to milk Jaden of more cum.

Jaden pulled out, and the pet whined at the loss, his hole slowly puckering and working to close. "Your turn Syrus."

"Me!?" he gasped. "But how can I go, I won't make as much impact..." he hung his head down. Jaden wasn't hearing it, he tilted the boy's chin up and kissed him. "Your cock is lovely, he'll love it." Jaden pumped him pulling the foreskin back.

They switched places, but Jaden sat on the locker bench and Harrington got to work licking his dicks. Syrus got behind him and spread his cheeks. His hole was still parted but appeared to have recovered some from the double dicks. Cum

was leaking out of him. 'Okay, here we go!' he lined up his cock, the leaking cum adding even more lube for him.

Syrus thrust in, burying his dick in one go, losing his cock virginity. "Tight!" Syrus moaned, he gripped Harrington's hips. It was weird he was so tight, but Syrus couldn't think with the hot inner walls surrounding his penis.

Harrington moaned and came, blowing, even more, cum all over the floor. Syrus was shocked, but his top status was strengthened. With a smirk, he began to move fucking Harrington's tight cum filled ass. "This is amazing, Jaden, thank you so much, fuck!"

Jaden chuckles. "Are you enjoying yourself too, pet?" Harrington looked up from Jaden's crotch.

"Yes master!" he went back to licking, hearts in his eyes. "Syrus-sama's dick feels so good, and your dicks are amazing!" Jaden pets him, and the trio fall into a heated rhythm, ending with Harrington sucking on both of Jaden's cock heads, and Syrus cumming deep into Harrington.

The bluenette's pelting seed pushed Harrington over the edge and he came all over the floor. Syrus' spent cock slipped from Harrington's ass. Jaden was the last to cum, the figure 8 Harrington was doing over his cock heads, helping push him over the edge. His cum flooded the pet's mouth, it was so

much, he was forced off and got his face pelted in cum. The bukkake and cum shake had Harrington cumming again.

The pent was spent and slipped down into a puddle of his own cum. While Syrus recovered, Jaden used his charm to create a collar and put it around Harrington's neck. "You aren't done yet pet, you made a mess I expect you to clean it up." Harrington rose up, panting he obeyed the command and began licking his cum off the floor.

Jaden hugged Syrus. "What do you think of our pet?"

The boy grinned. "He's great!" it was amazing. As he watched Harrington lick his cum off the floor, a cocktail of cum leaking out of his ass, he found himself getting hard again. Jaden noticed, and soon kissed Syrus again.

-X-

After Harrington cleaned up his mess, he was brought to the Red Dorm to show Chumley. The male was shocked but soon warmed up to Harrington especially with their pet's taste. He loved sweat and cum, he cleaned their pits, cleaned their feet, finding pleasure in it.

Every morning since joining them he gave each of them a morning blow job, cleaning their cocks and balls. What sold Chumley was that Harrington would even rim him. He loved

the power over the arrogant Obelisk. He'd always wanted to tell one to kiss his ass, now he could and the boy would obey.

No one in the tennis club questioned the change in the captain, as he was a lot nicer to be around. Jaden also had him make amends to all the boys he bullied, using his mouth.

After every tennis practice, Harrington worked on his oral skills servicing the males on the tennis club, some boys were impatient so settled for a hand job and they got to cover him in cum. His ass belonged to him and his mates. Harrington spent his days plugged the cum of his master, Syrus, and Chumley staying inside him his body absorbing it. His cock was fitted with a special cock ring made by Jaden, it helped to make sure Harrington didn't have any accidents.

Pets were hypersensitive, so the ring helped them by adding an extra layer of control as to not totally break down. Jaden looked at his mates, and his pet, with a servant and a mate pending. His sisters would be so proud!
