

Everyone help,
BOZO has lost his nose!
This is BAD man, REALLY
REALLY BAD! We have
to find it NOW!

Now this is funny!
the clown has lost his
nose! HAHA! Looks like I
can join the circus now...
HAHA...Yeah right, and
be stuck with all these
WEIRDOS!

What! BOZO's nose
is gone...stop everything!
Did bozo already...you
know...Vanish? BOZO
has been with this circus
for 300 years! Its
Happening!

A woman with wavy grey hair is standing at a fair. She is wearing a light blue off-the-shoulder top with a white lace trim and a light blue skirt with a pattern of blue and yellow birds. She has a red nose on her face and is holding a red balloon. In the background, there is a large Ferris wheel, a roller coaster, and various fair stalls. The sky is a mix of blue and pink, suggesting dusk or dawn.

HaHa, Look at me, I am a CARNEY! I like funnel cake and am a freak! I smell like cabbage. This circus is stupid and these people are wierd. And CLOWNS, Uggh.

Its not over here, we gotta find it before a customer does...they won't understand...the power of the NOSE! God forbid they put it on!

It matters not! For BOZO will pick his heir through fate and fate alone. His magic has never let us down before! Every new BOZO brings a reimagined circus!

Dammit! Did I just fall for a practical joke, the damn thing is stuck to my nose. Maybe someone put superglue in it then threw it on the ground? This sucks! I am never coming back to a circus!

*I am going to find the sacred nose and I will lead the circus into a new era of fun and games. We will have a renaissance of **WONDER!***

BOZO would never trust a man like you with this cosmic power... he would a woman like me to carry on his legacy of attractions and tricks!

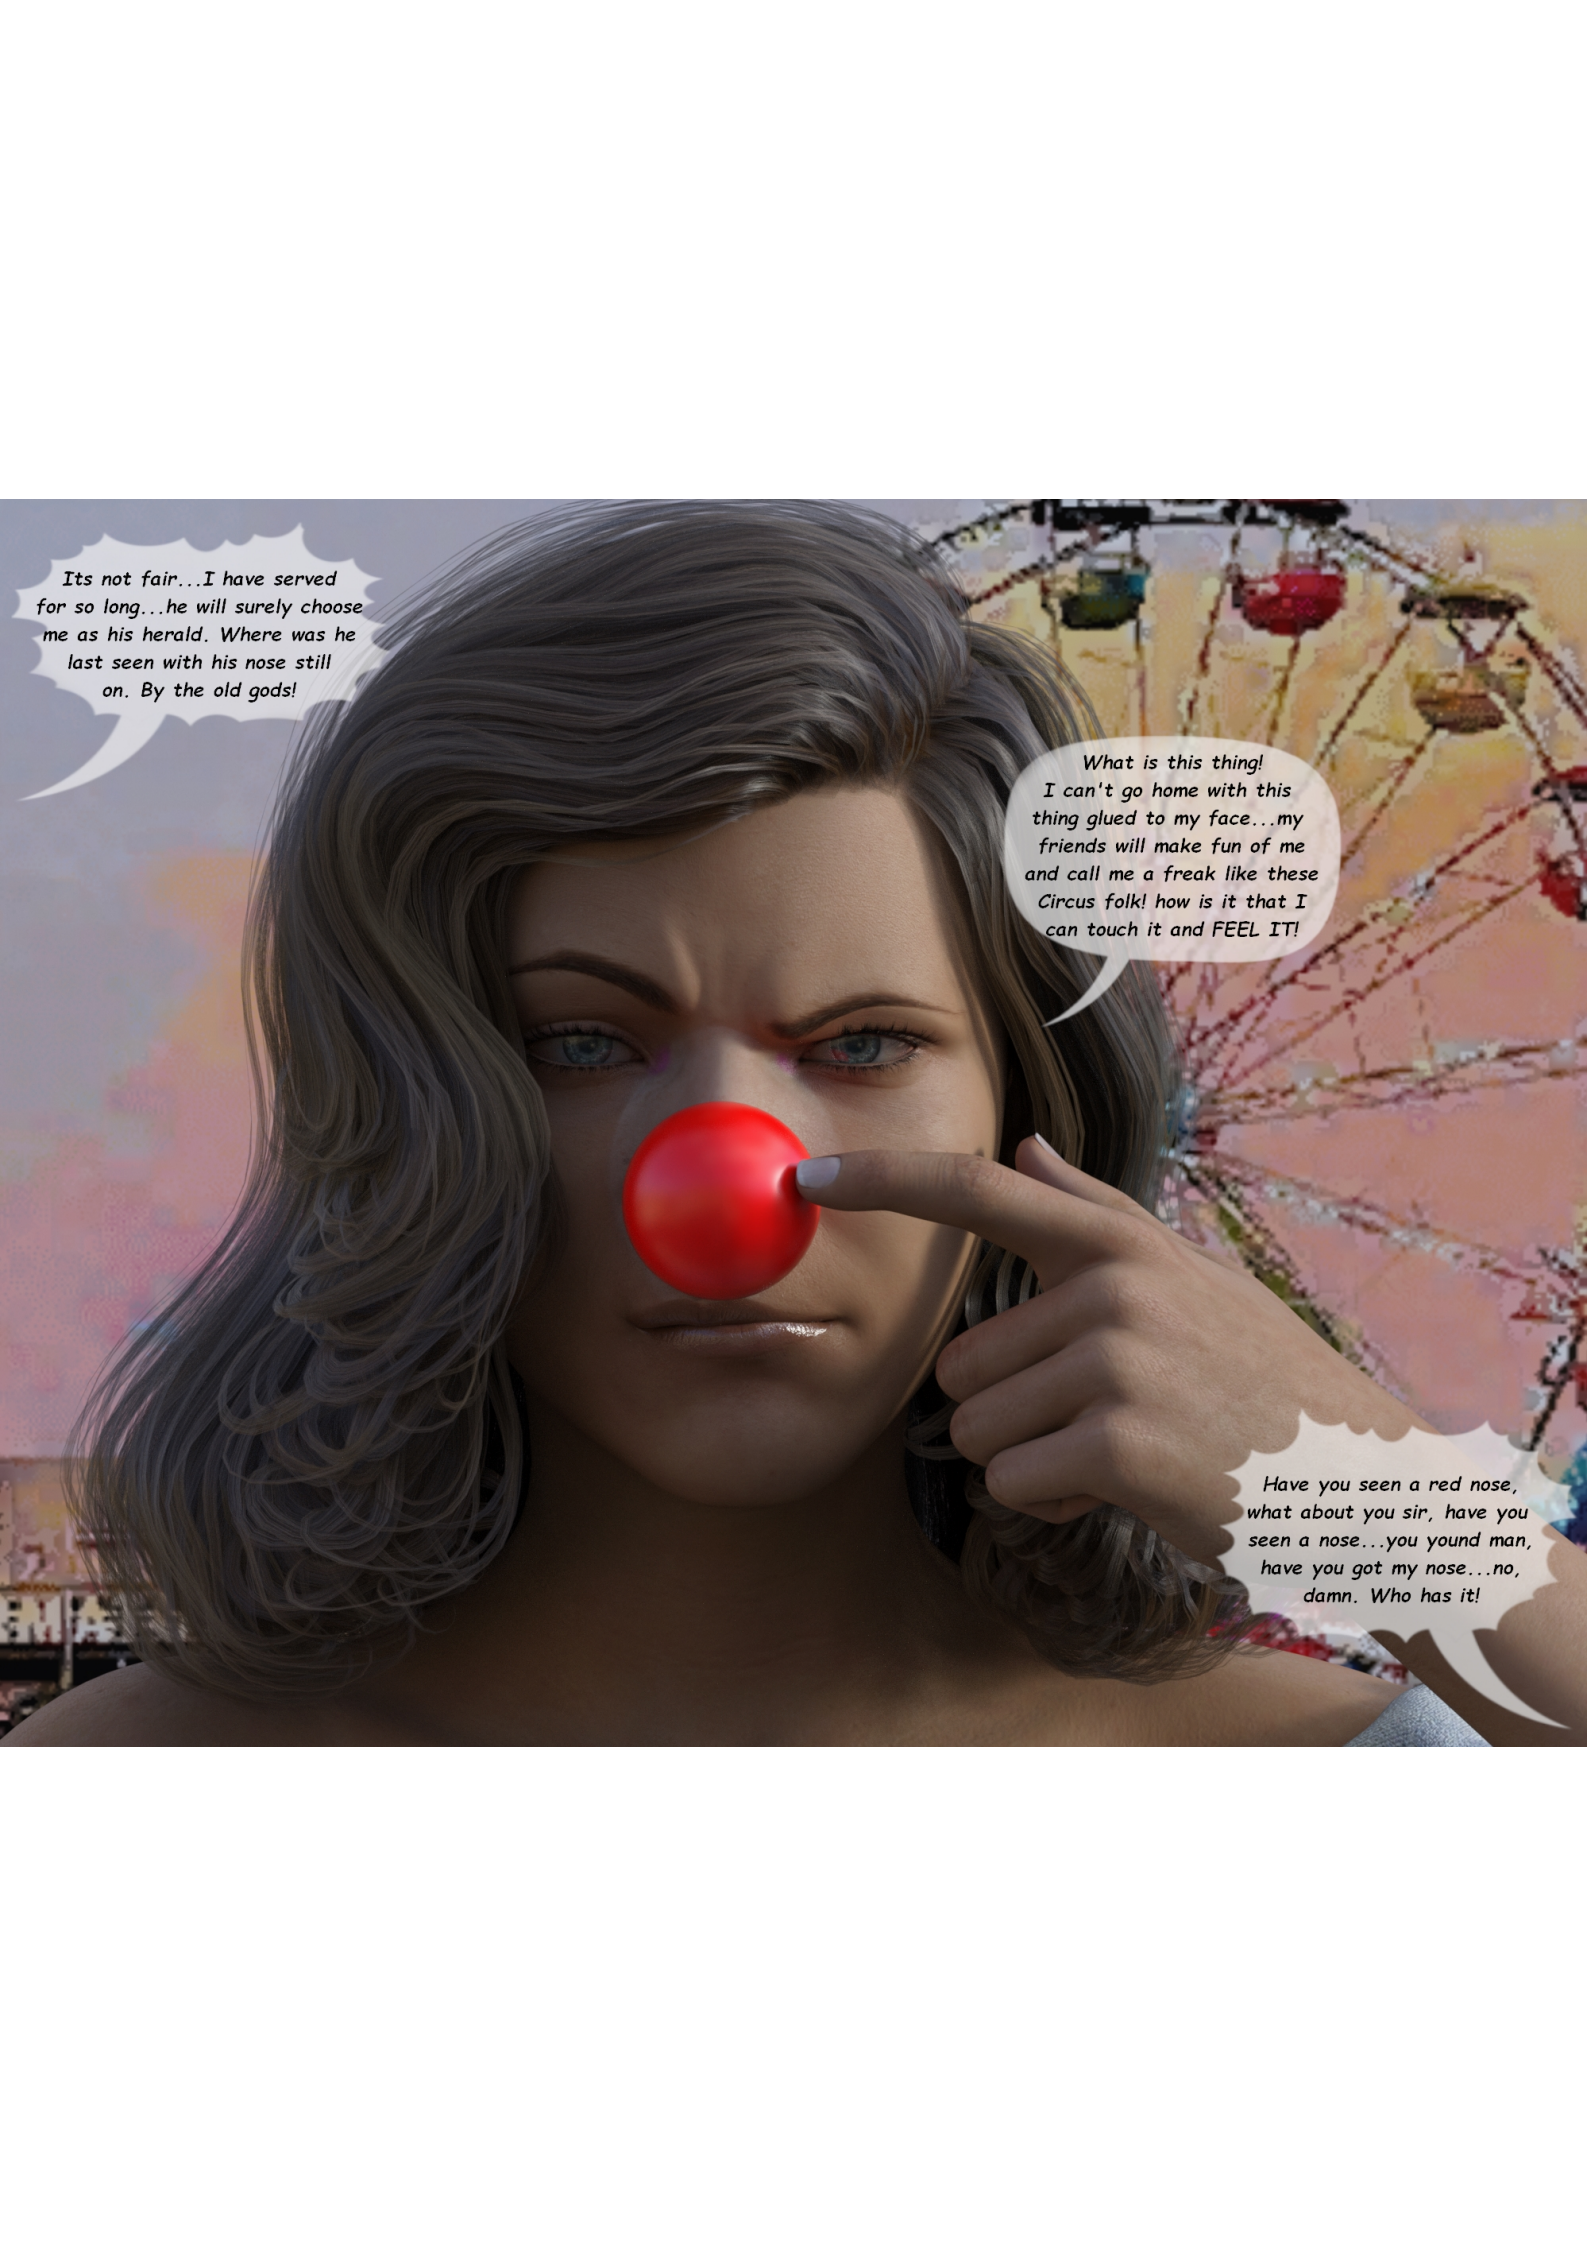

AHHH! It won't let go!
and its pulling on my skin! I
think the glue is running up my
nose I taste cottoncandy! What
kind of ASSHOLE would do
something like this. If I squeeze
to hard it honks...HAHA.
Kinda funny I guess!

I heard BOZO's
nose HONK. someone has
it! I am coming, please don't
put it on. I can take it off
your hands. It should be
mine!

'HONK!'

Don't you dare give it
to him. It should be my honor
to take on the responsibility
of Circus Clown. Where are
you! Please tell me!

A woman with long, wavy grey hair and blue eyes is shown from the chest up. She has a large, bright red, spherical object stuck to her nose. Her right hand is raised, with her index finger touching the red object. She has a frustrated or angry expression. The background is a blurred scene of a circus at dusk or dawn, with a Ferris wheel and other structures visible. Three speech bubbles contain text.

*Its not fair...I have served
for so long...he will surely choose
me as his herald. Where was he
last seen with his nose still
on. By the old gods!*

*What is this thing!
I can't go home with this
thing glued to my face...my
friends will make fun of me
and call me a freak like these
Circus folk! how is it that I
can touch it and FEEL IT!*

*Have you seen a red nose,
what about you sir, have you
seen a nose...you yound man,
have you got my nose...no,
damn. Who has it!*

Team, form a line, end to end and walk the whole circus the nose must be found at all costs. Bring it to me for a shiny new circus tent!

What are those carnival BARKERS yelling about! They need to shut up so I can figure out how to get this off...this would be funny if it wasn't happening to ME! Why am I Itching so much all of a sudden!

Step right up for a new game, find the nose get \$1000.00. its not a scam, its a game for all people yound and old, step right up! Bring the nose for your prize!

A woman with long, wavy green hair and a large red clown nose is the central figure. She has purple eye makeup and her mouth is wide open with her tongue sticking out. She is wearing a white top with colorful polka dots. The background is a vibrant, colorful fairground with a Ferris wheel and various stalls.

Get the elephants, they may be able to sniff it out. Get them BOZOs old comically large shoes and see if they can catch a trail!

Struggling with this thing really makes me hungry for a CORNDOG. I could just suck it right down. HAHA. Mmmm. Geez, whats wrong with me! I should just stay a little longer and try to figure it out

Go get me the fortune teller, she can use her powers to direct me to the nose. The crystal ball never lies!

*DAMN elephants never forget
and just went for the peanuts!
The nose must have been found
or lost. we must wait and see!*

*When did I start wearing
this super fun and sex blouse!
I bet I won it at one of these
stupid...fun games! Polk dots
obviously look awesome on me.
I always dress for the occasion,
especially the circus!*

*Madame Fate says that it
has chosen its host and is
creating our new master now!
The CLOWN IS DEAD, LONG LIVE
THE CLOWN!*

Something is expanding in my stomach and coming up my throat! It tastes so familiar, cheap silicone rubber. What ever happened to my gag reflex...a good showgirl never gags...its what they teach at clown school!

It must be happening! Watch of the signs! Spontaneous magic and circus acts, magnificent showmanship and they will look the part!

Do you smell that! Funnel cake everywhere and cotton candy, too. The magic is happening somewhere and to someone!

GLUK, GLUK, GLUK...its so long...why is all the FUN happening to me...it seems so normal but...am I pulling a balloon out of my throat? Wait, I forgot about the nose! Its making me LOVE the circus and I hate the circus! AND THIS...is better than sucking dick!

Um, do you see what I am seeing? No, not the ferris wheel, the clown girl deepthroating that balloon? You don't think that she.....

Holy crap, I think that might be the nose, what is she doing with that balloon? Is she one of us? Is she one of the guests? DID BOZO PICK HER!

AND VIOLA, a balloon animal! Or at least the most fun part of a horse! Why am I making balloon dicks? I don't even know how to make a balloon animal and this was done in a second! AND FOR MY NEXT TRICK, I WILL MAKE IT DISAPPEAR! I mean deflate it right....right... wait, what am I doing!

Holy shit she did that fast. She definitely has BOZO's hands, She is displaying showmanship of the gods but something seems off! What is she gonna change at the circus!

Thats definitely BOZO reincarnated! I am gonna just sit back and observe...we will see what type of style will propel us into the future!

Oh yeah! This is gonna vanish up my pussy, god there is so much room...LIKE CLOWNS IN A CAR. OH YEAH, gather round with your TIK TOK FEEDS. The first to a million views gets to honk my horns!

Well, he seems to want to take the circus in a more... adult direction! Its more avante garde but maybe its just what we need to stay current!

Quick, switch out all the signs for +18 years only. BOZO is a genius, this could save the circus and keep us going indefinitely!

'Squeak'
'Squeak'
'Squeak'

I just got that balloon up there and it comes sliding back... wait a second... that's no balloon! OH, it feels like its gonna explode! Quit clowning around, grab it and force it back under your skirt... I dont... do... want... need people to see me in public!

You go girl! BOZO THE CLOWN picked you for a reason... I am not sure what that is yet but WOW. He did a number on you!

It makes sense... a clown's gotta please both men and women. BOZO has the tools to please all... normally he likes FUNNY. FUNNY and SEXY works too!

UNNGH YEAH, my new cock! Its getting so hard. I want to be an attraction. Cum one Cum all, watch the amazing BIMBO the clown in action! Get your Viagra at the concessions and come ride this train!

Quick close the gates, empty the circus...change the name to BIMBO the CLOWNS EROTIC CARNAL-VAL and ask for 3x the average admissions!

I will build her an onlyfans and patreon, get her on tiktok. No wonder BOZO picked her. We are all gonna be rich...rich I tell you!

OH YEAH, MMHMM. Thats the spot. This is my destiny in show biz. I am gonna do this day in and day out and MY circus will be the biggest and most fun in all the world! This is my big fun trick and joke!

I mean, it is definitely sexy and we can definitely make money. But usually BOZO has a gag. A joke. Something to make you laugh. This is just hawt!

Strip naked and get to your finale! We wanna see the big show. I gotta agree. Sexy..but not a lot of CLOWN to go around!

UNNNGH YEESSSS! I am shooting my load! BAM! I feel so good...People are laughing at me, they are really laughing AT ME! And the applause, drives my libido insane. I am already ready for my second show!

BAM!

Haha, looks like we found our gag. I think that means she is shooting blanks! Classic clowning around! Classic BOZO!

Haha, Straight out of Looney Toons! Weird as shit but the guests are clapping and laughing. Bet they weren't expecting to see this today!

I am **BIMBO THE CLOWN**, rightful heir of **BOZO** the clown and holder of his nose. I am now your Matriarch and ruler of the **CIRCUS**. We will run it as an adult kink circus and have a heavy social media presence. I have spoken....Now, someone come squeeze my tits and make them **HONK!**

That was a surprisingly regal speech for a **FUTA CLOWN**. She is in control now. She is the leader of the circus. Now, I will squeeze them titties for you!

Ah, the **KING ARTHUR RULES** for authority. I hold the nose therefore I am **QUEEN**. Makes perfect sense to me. And you say you want your boobies squeezed...it would be my honor!
