### Chorus: (Finger-style)

Well you only need the light when it's burning low  
 Only miss the sun when it starts to snow  
 Only know you love her when you let her go  
 Only know you've been high when you're feeling low  
 Only hate the road when you're missing home  
 Only know you love her when you've let her go  
**G** *Let Ring...* **Am // F // | G // Em // | Am // F // | G // Gsus4 / G // |**  
 And you let her go

### Chorus 2:

Well you only need the light when it's burning low  
Only miss the sun when it starts to snow  
Only know you love her when you let her go  
Only know you've been high when you're feeling low  
Only hate the road when you're missing home  
Only know you love her when you've let her go

### Verse 2:

Staring at the ceiling in the dark  
Same old empty feeling in your heart  
Love comes slow and it goes so fast  
Well you see her when you fall asleep  
But to never to touch and never to keep  
Because you loved her too much and you dive too deep

### Chorus 3: (Embellish vocals)

Well you only need the light when it's burning low  
Only miss the sun when it starts to snow  
Only know you love her when you let her go  
Only know you've been high when you're feeling low  
Only hate the road when you're missing home  
Only know you love her when you've let her go
