

## Handy Dandy

A young couple suddenly ducks into an alleyway behind a dumpster, hidden away from potential prying eyes. A cream colored bunny girl hurriedly leads a confused, caramel colored cat girl by the hand.

"Hey Eliza, what gives?" Carmen spouts.

The bunny girl turns around blushing heavily, futilely pulling her yellow dress over her humongous, thick cock. Carmen's face quickly changes to that of surprise.

"Oh! Oh holy moly, you're really big and har-"

"Ah, I know, I know! Don't say it so loudly!" Eliza hushes back.

"Sorry! Uhhh, are you okay? Do... you want to go back home? Should I get something to cover -"

"No! I mean, yes, I'm okay. But I don't know! We just made it to the pier, I... I mean I don't want to waste any more time traveling back and forth, plus how am I supposed to -

"It's okay! You know you don't have to worry about that! Um... let's see here."

Carmen looks around the mildly dirty alleyway and finds no clear answer to the problem at hand.

"Okay okay, how about... uh... let's try this..."

Carmen puts a hand on the base of Eliza's meaty rod.

Eliza muffles out a weak protest, "Hmfff! A-are... we really going to do it here?"

Carmen leans closer to her lover. "I dunno, you're the one who pulled us here." She begins lightly stroking the engorged member. "Do you want to go anywhere else?"

The bunny silently shakes her head. Her breathing becomes heavy as the stroking intensifies. Eliza softly moans as her balls are fondled by Carmen's hand.

The bunny locks her lips with the cat, her tongue exploring the surface of her lover's. The sound of people walking by the alleyway, unaware of what's happening right behind the dumpster heightened the lovers' spontaneous eroticism.

“Oh God, I’m cumming!” Eliza hoarsely whispers. Embarrassed, she buries her head in her hands as the moment arrives. And just like that a thick white rope of cum as thick as an arm spouts from her massive dick. The sound of thick liquid slapping the walls and pavement was unmitigated. Luckily for the two, no passersby were nearby to investigate the suspicious noises.

Carmen smiles wryly, remarking “You’ve still got this much, even after this morning, huh?”

Breathing and blushing heavily, Eliza stares at her still-hard cock, now with a light coating of precum and jizz.

“I... I’ve still got more.” Eliza manages to moan out, “Jack me off again.”

You've still  
got this much,  
even after this  
morning, huh?
