

Newcomer Cody Mason has already caught the eye of the school's wrestling coach, Cal Parker.

# SUPERSTAR! IN Freshmen Suck

College Freshman Cody Mason has trouble in the wrestling team locker room!

Cal... no...

Nobody says no to me, freshman!

Nice cock, Cody... if you were still in high school! Hahaha!

Cal's so hot.. I can't stop from cumming!

**AUGH!**

If he fights back, Cody risks exposing himself as Superstar!

Haha, Coach! I thought you said we were getting a real stud on the team!

Cody groans as they hang him by the shower head and take pictures of his slender cock.

First time I pin you in practice, you're gonna get the shit fucked out of you...

Here's what a real man's cock looks like, Cody!

Throughout the brutal hazing ritual, Cody manages not to cry out.

Later that night, Cody investigates as Superstar!

Coach Cal is already under investigation by the university, but none of the guys will speak up. Maybe his locker has more info.

Jesse's eyes... so dark and handsome... super hot stud... need him....can't... resist...

Superstar turns at a noise behind him!

It's Jesse. one of his freshman teammates. The masked superteen tries to pull away as Jesse reaches to grope him, but... he **can't**.

That's right,  
Superstar... just be  
calm. Let me feel that  
superteen cock in your  
costume. Hah, you're already  
hard as a rock.

Hush, pretty boy, it'll be  
over, soon....

Superstar heard Jesse's crooning voice, and it sent thrills through his body even as he relaxed further and further, almost falling asleep. He trusted Jesse. Trusted him. Trusted him....

Jesse's slow kisses suddenly turned painful as Jesse drove his fangs deep into Superstar's neck. He felt the teen hero tense, then heard him cry out in pleasure as he drank.

Jesse laughed as he unmasked Superstar, and recognized his teammate. He wiped out Superstar's will and resistance, then pushed him to his knees. "Clean my cock, boy," he laughed.

Jesse bit Superstar again, drinking more of his hot blood, then pushed him down. "You're my bitch now, Superstar. Cody. My little bitch, forever."

Hours later, Superstar is finally allowed to cum!

Huh. I know I came here investigating something weird with the team but now... it's all a blank.
