

Just by
drinking this,
I can lose
weight...
Is that
really true?

Oh!
Amazing,
the fat on
my stomach is
disappearing!

!

?

Huh?
Something
feels off...

B-Breasts!?

**They keep
getting
bigger
and
bigger!**

No way!

Now there's even
breast milk?!

I can't believe it...
They're so big and soft...

I never thought I'd have a body like this... But I can't complain.
