

You like middle-aged men's foreskin dicks better than strawberries, don't you?

Stuffy

We decided to mingle in the sauna with the fans who gathered there after seeing her on social media!

It's not very convincing when you say it while posing for submission.

There's no way an elementary school idol would like a foreskin dick ...♥

Everyone was there for Arisu, who likes foreskin dicks!

Thank you very much!

Make sure you clean up all the middle-aged men's sweaty, steaming dicks in the sauna.
