

A 3D rendered man with blonde hair, a light blue button-down shirt, and black pants stands in a room. He is looking towards the left with a slight smile. A speech bubble is positioned to his left, containing the text "Hey you two. How's playing with the app going?". To his right is a large green plant in a wooden crate. To his left is a wooden cabinet with a white TV mounted on top. The background is a white textured wall.

Hey you two.  
How's playing with  
the app going?

Well, Sam,  
you're about to  
find out.

A 3D rendered man with a light blue button-down shirt and a black undershirt. He has a confused expression. Two speech bubbles are present: one on the left and one pointing to him from the right. The background is a textured grey wall with a black board and a plant visible in the lower corners.

I hope you  
don't mind being  
Samantha.

What? How  
do you mean?

A 3D rendered male character with short blonde hair, wearing a light blue long-sleeved button-down shirt and dark brown trousers. He has a concerned expression. A speech bubble is positioned to his left, containing the text "Hang on. What's happening?". The background is a plain, light-colored wall with a dark rectangular object on a shelf to the left and a green plant leaf on the right.

Hang on.  
What's  
happening?

Terry?

This shouldn't  
be possible.

What did you do?

I did nothing. The app you told us about is on the fritz.

It changed Terrence into that preggo, and me into this. And now it's going haywire.

Shut up.  
That app actually can  
change reality?

Dolly has baby.

Let me see.

Knock yourself out.
