You ever tired of  
an repeating life?

Wake up, go to work  
until late night, back  
home and repeat..

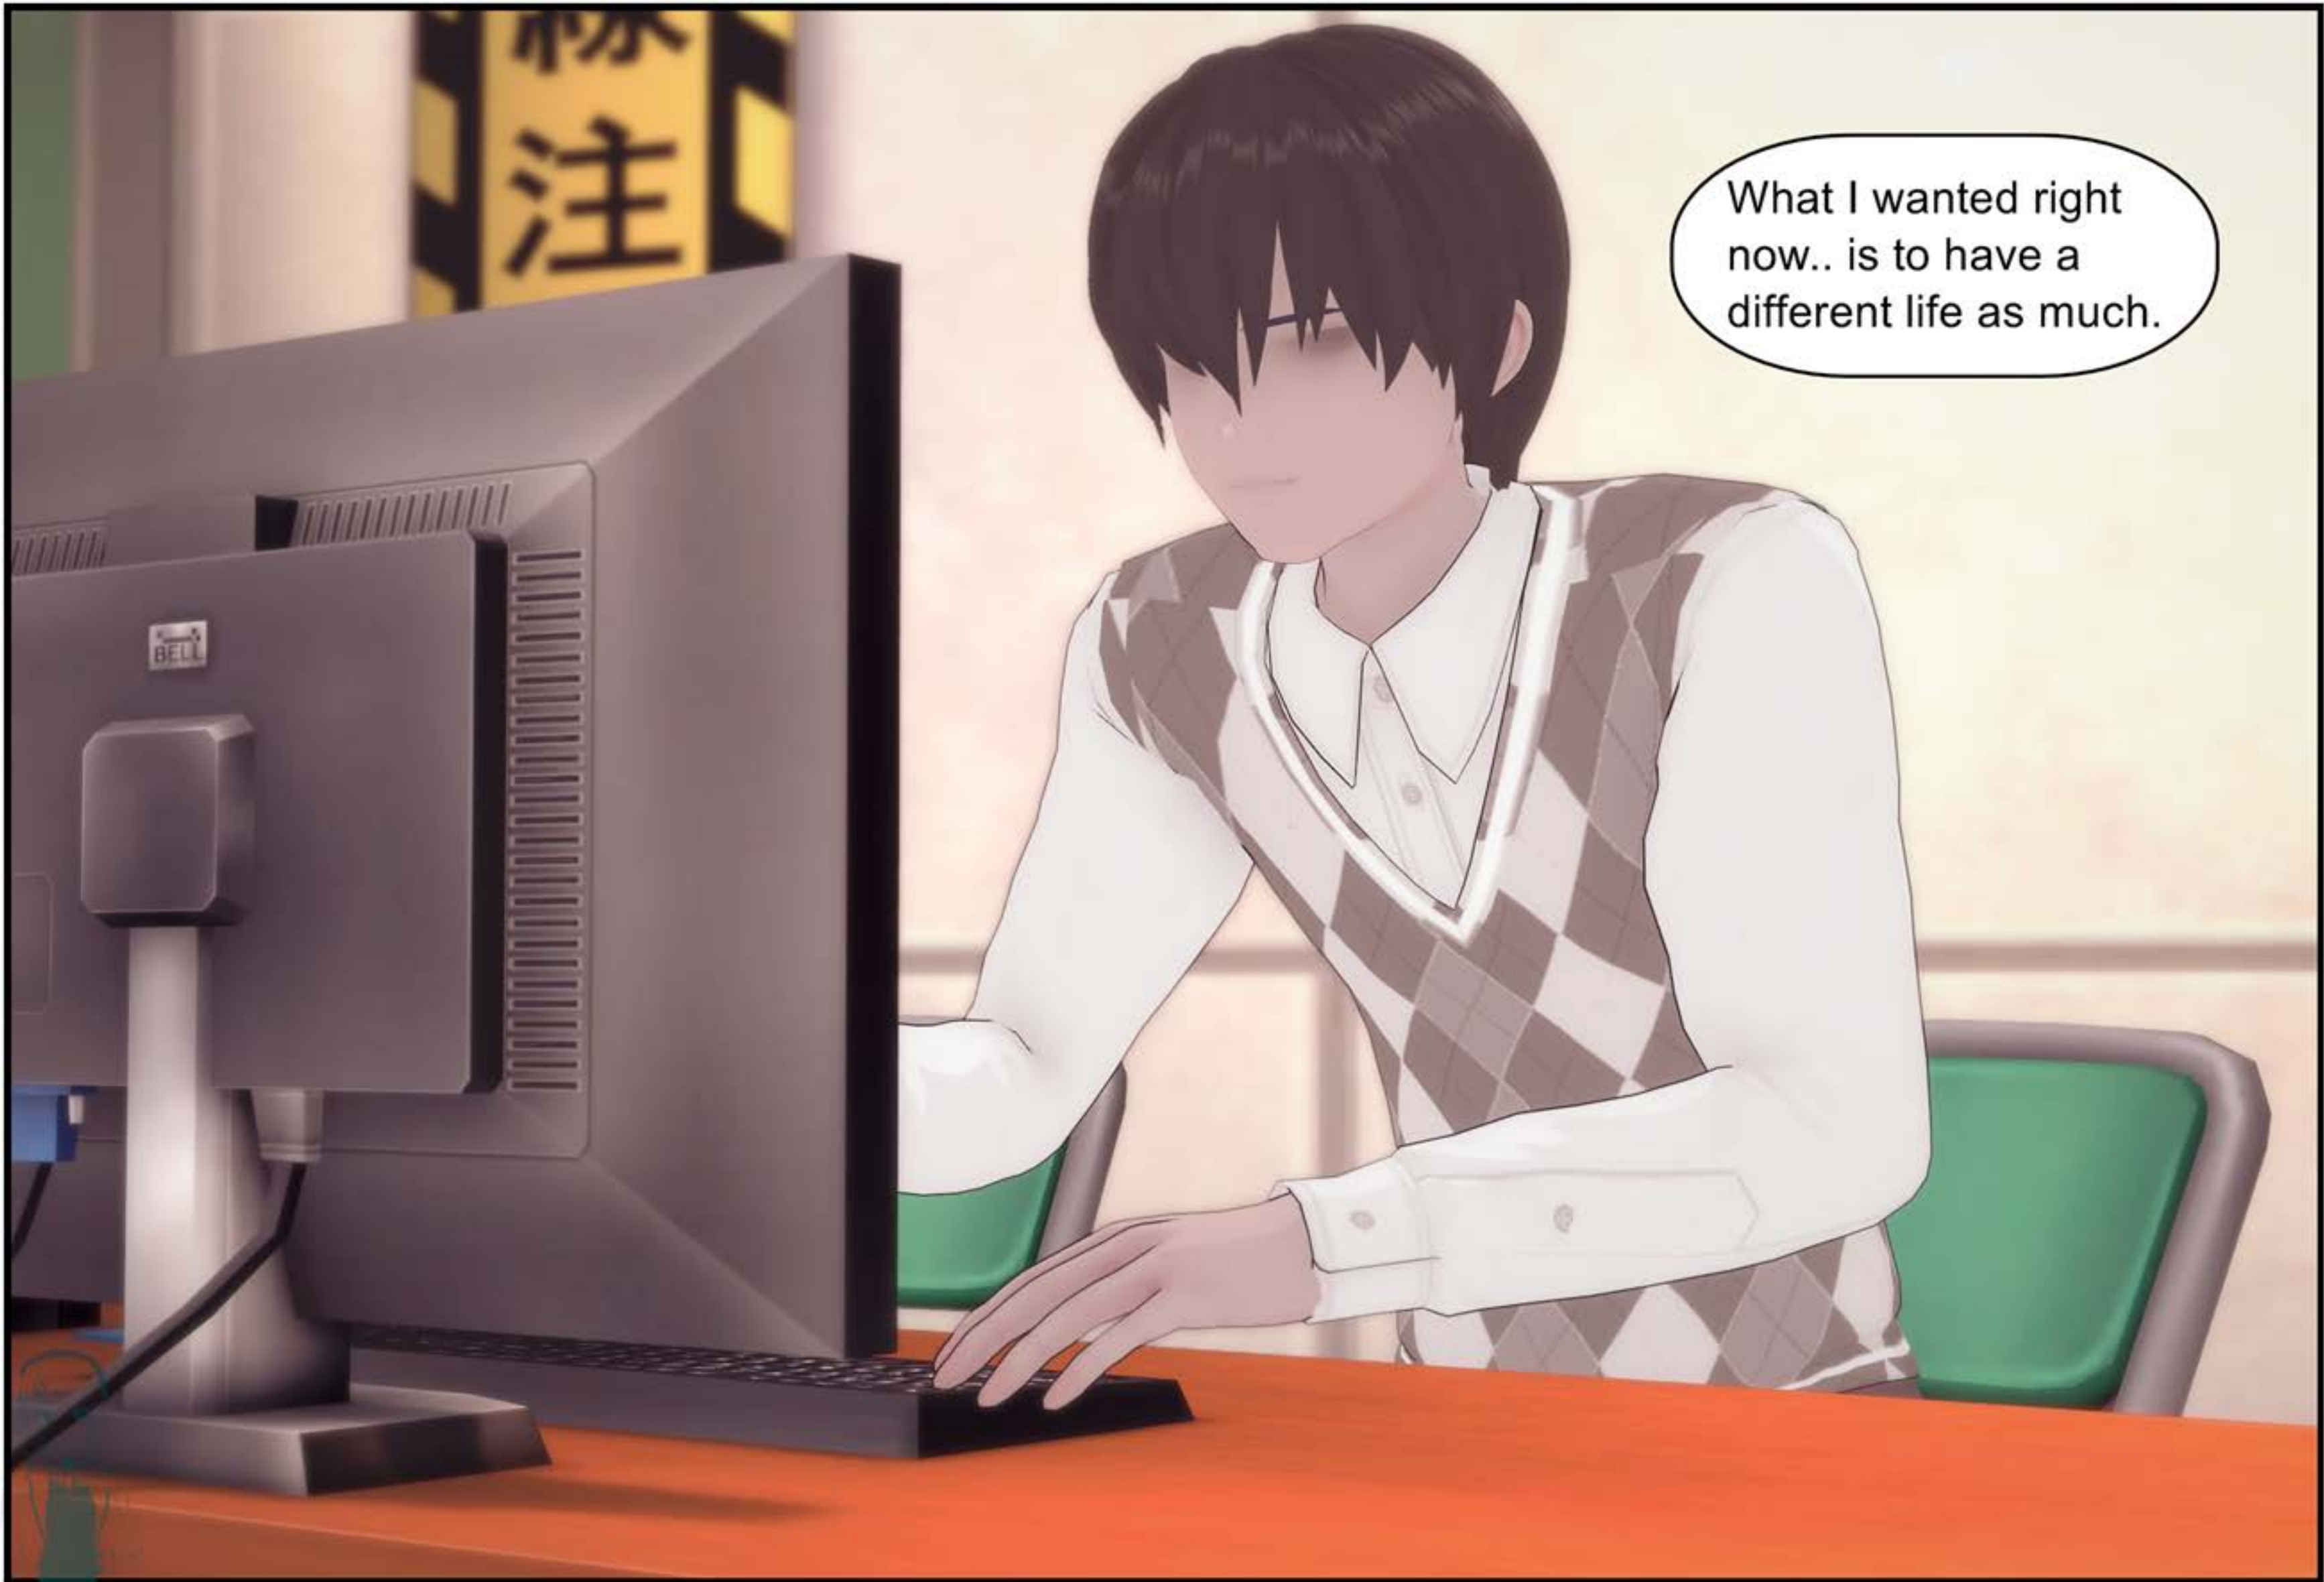

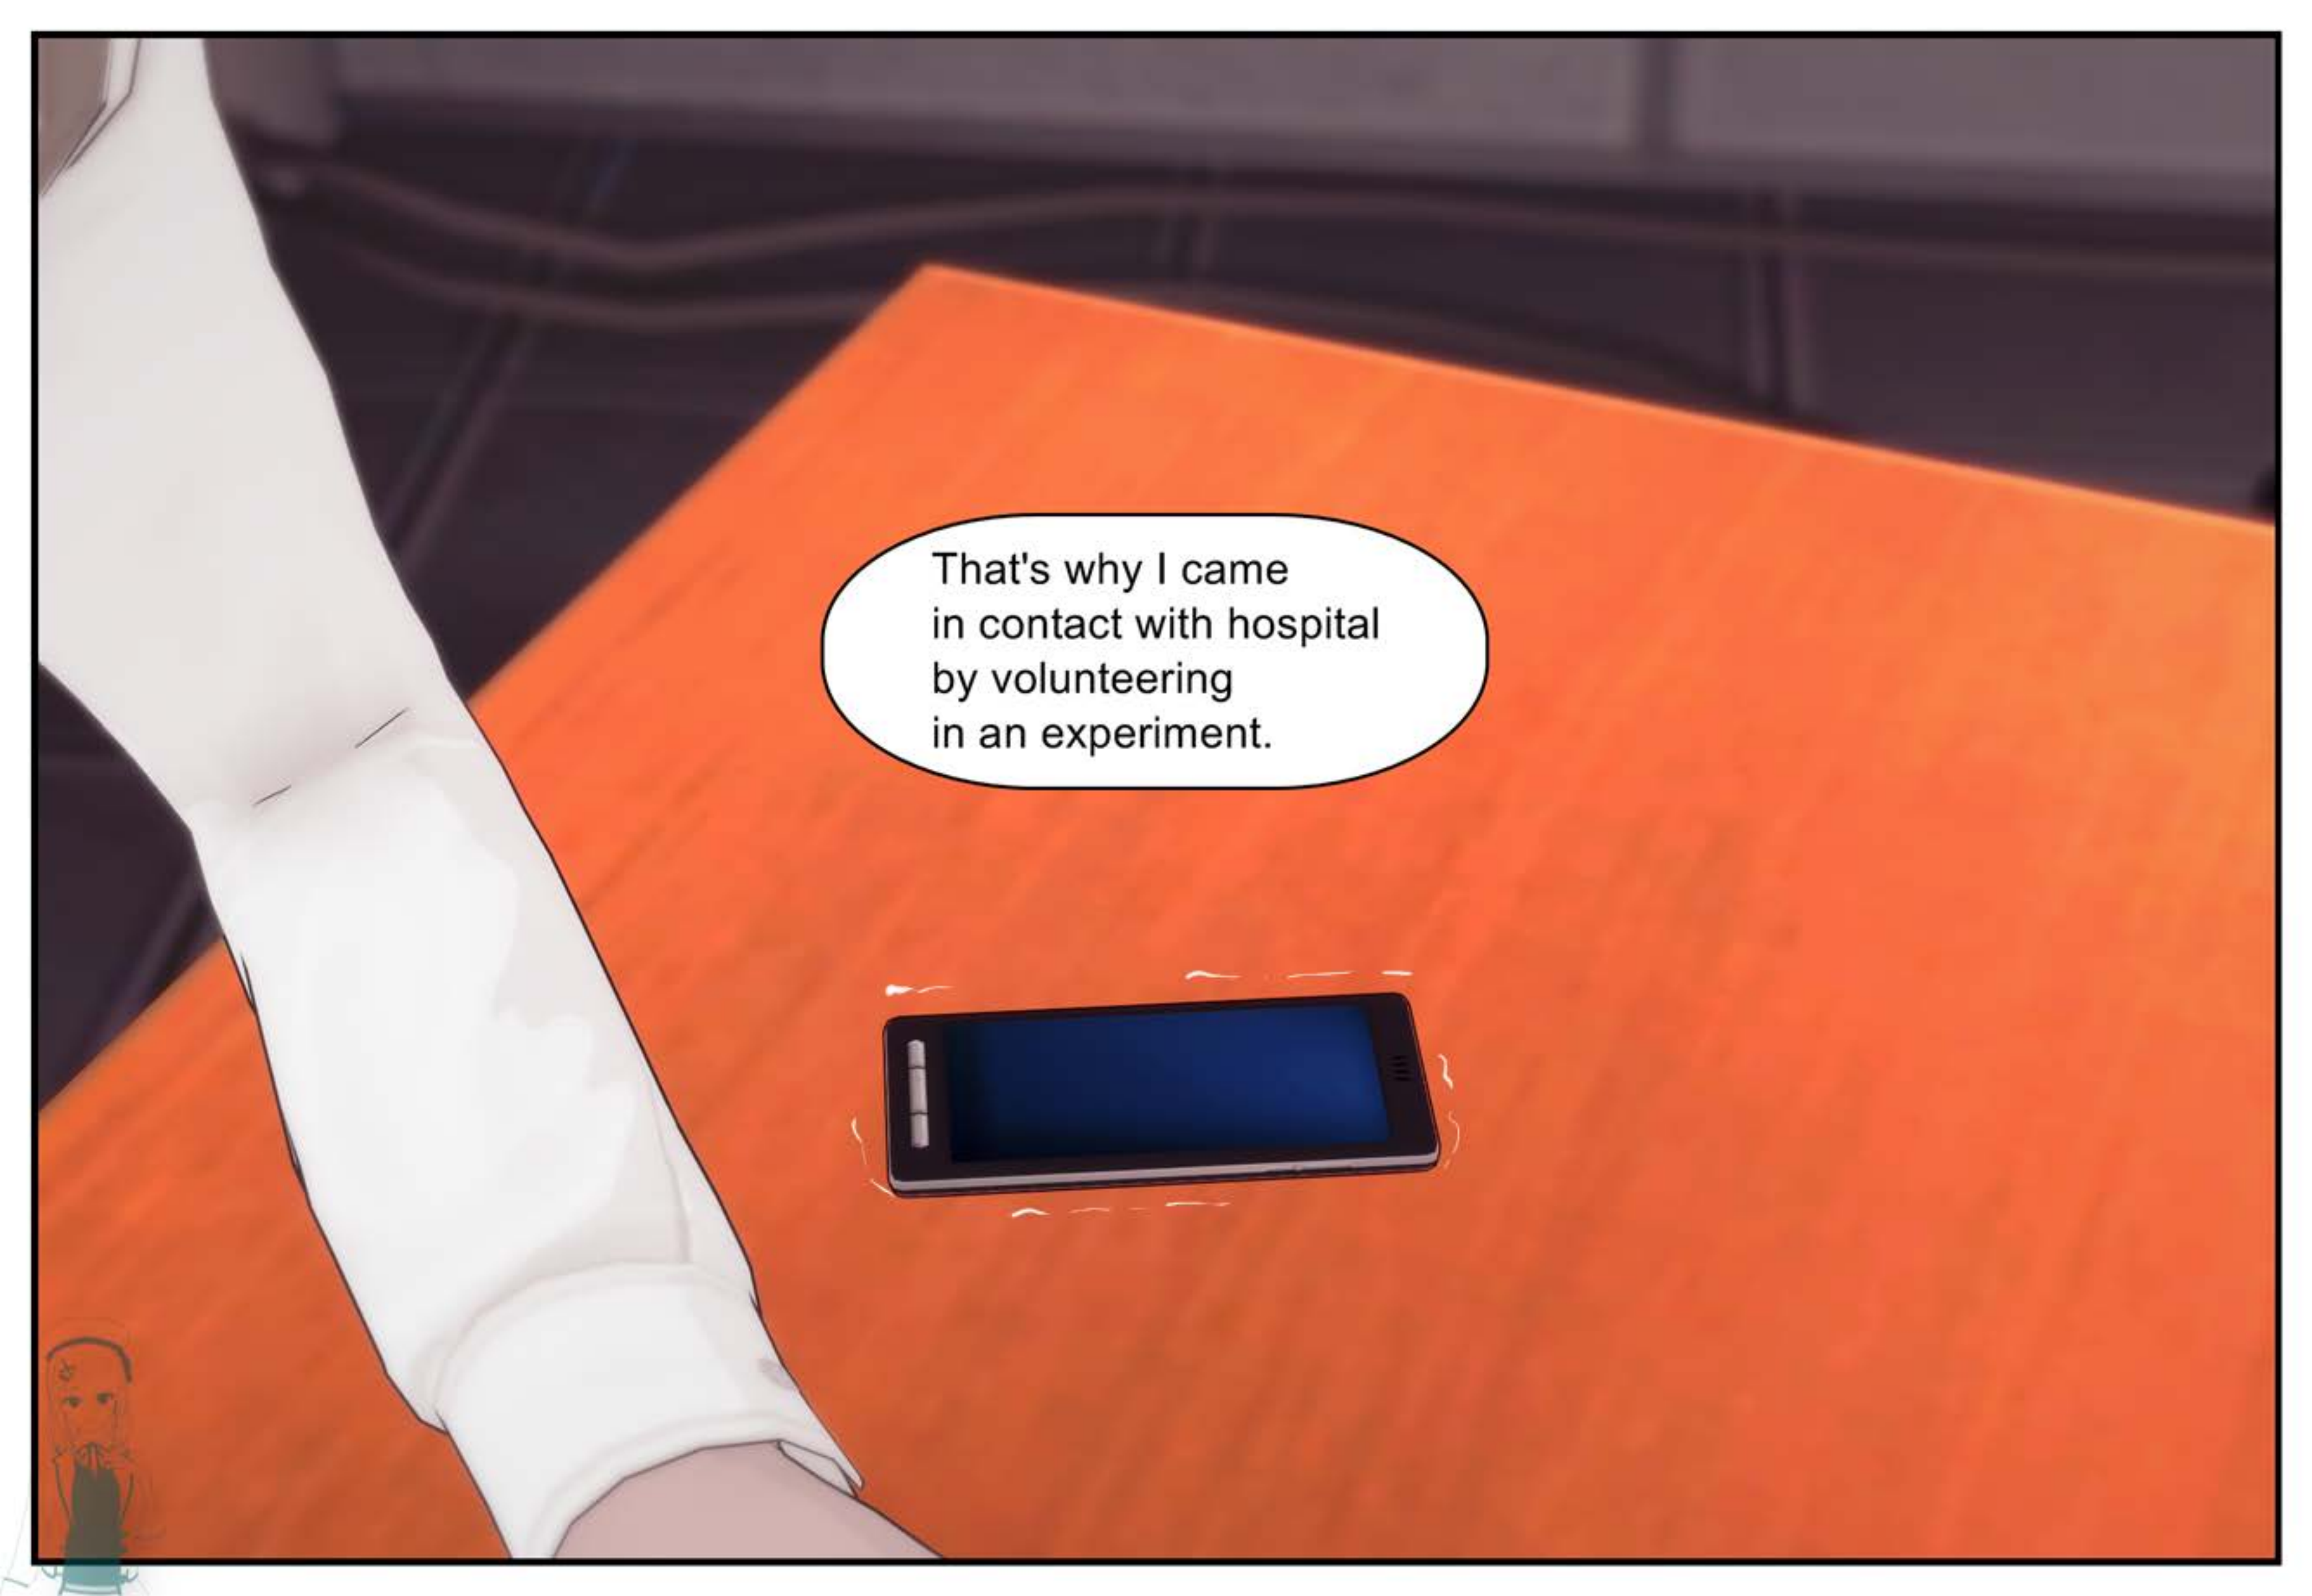

I'm an designer for  
whoever hired me.  
A boring job, that's all.

What I wanted right now.. is to have a different life as much.

A hand in a white lab coat sleeve is shown reaching towards a black smartphone lying on a bright orange surface. The hand is positioned on the left side of the frame, with the fingers slightly curled as if about to pick up the phone. The background is a dark, textured surface, possibly a wall or a piece of equipment. A speech bubble is positioned above the phone, containing text.

That's why I came  
in contact with hospital  
by volunteering  
in an experiment.

Good morning, Mr..  
Could you come  
over this evening, please?

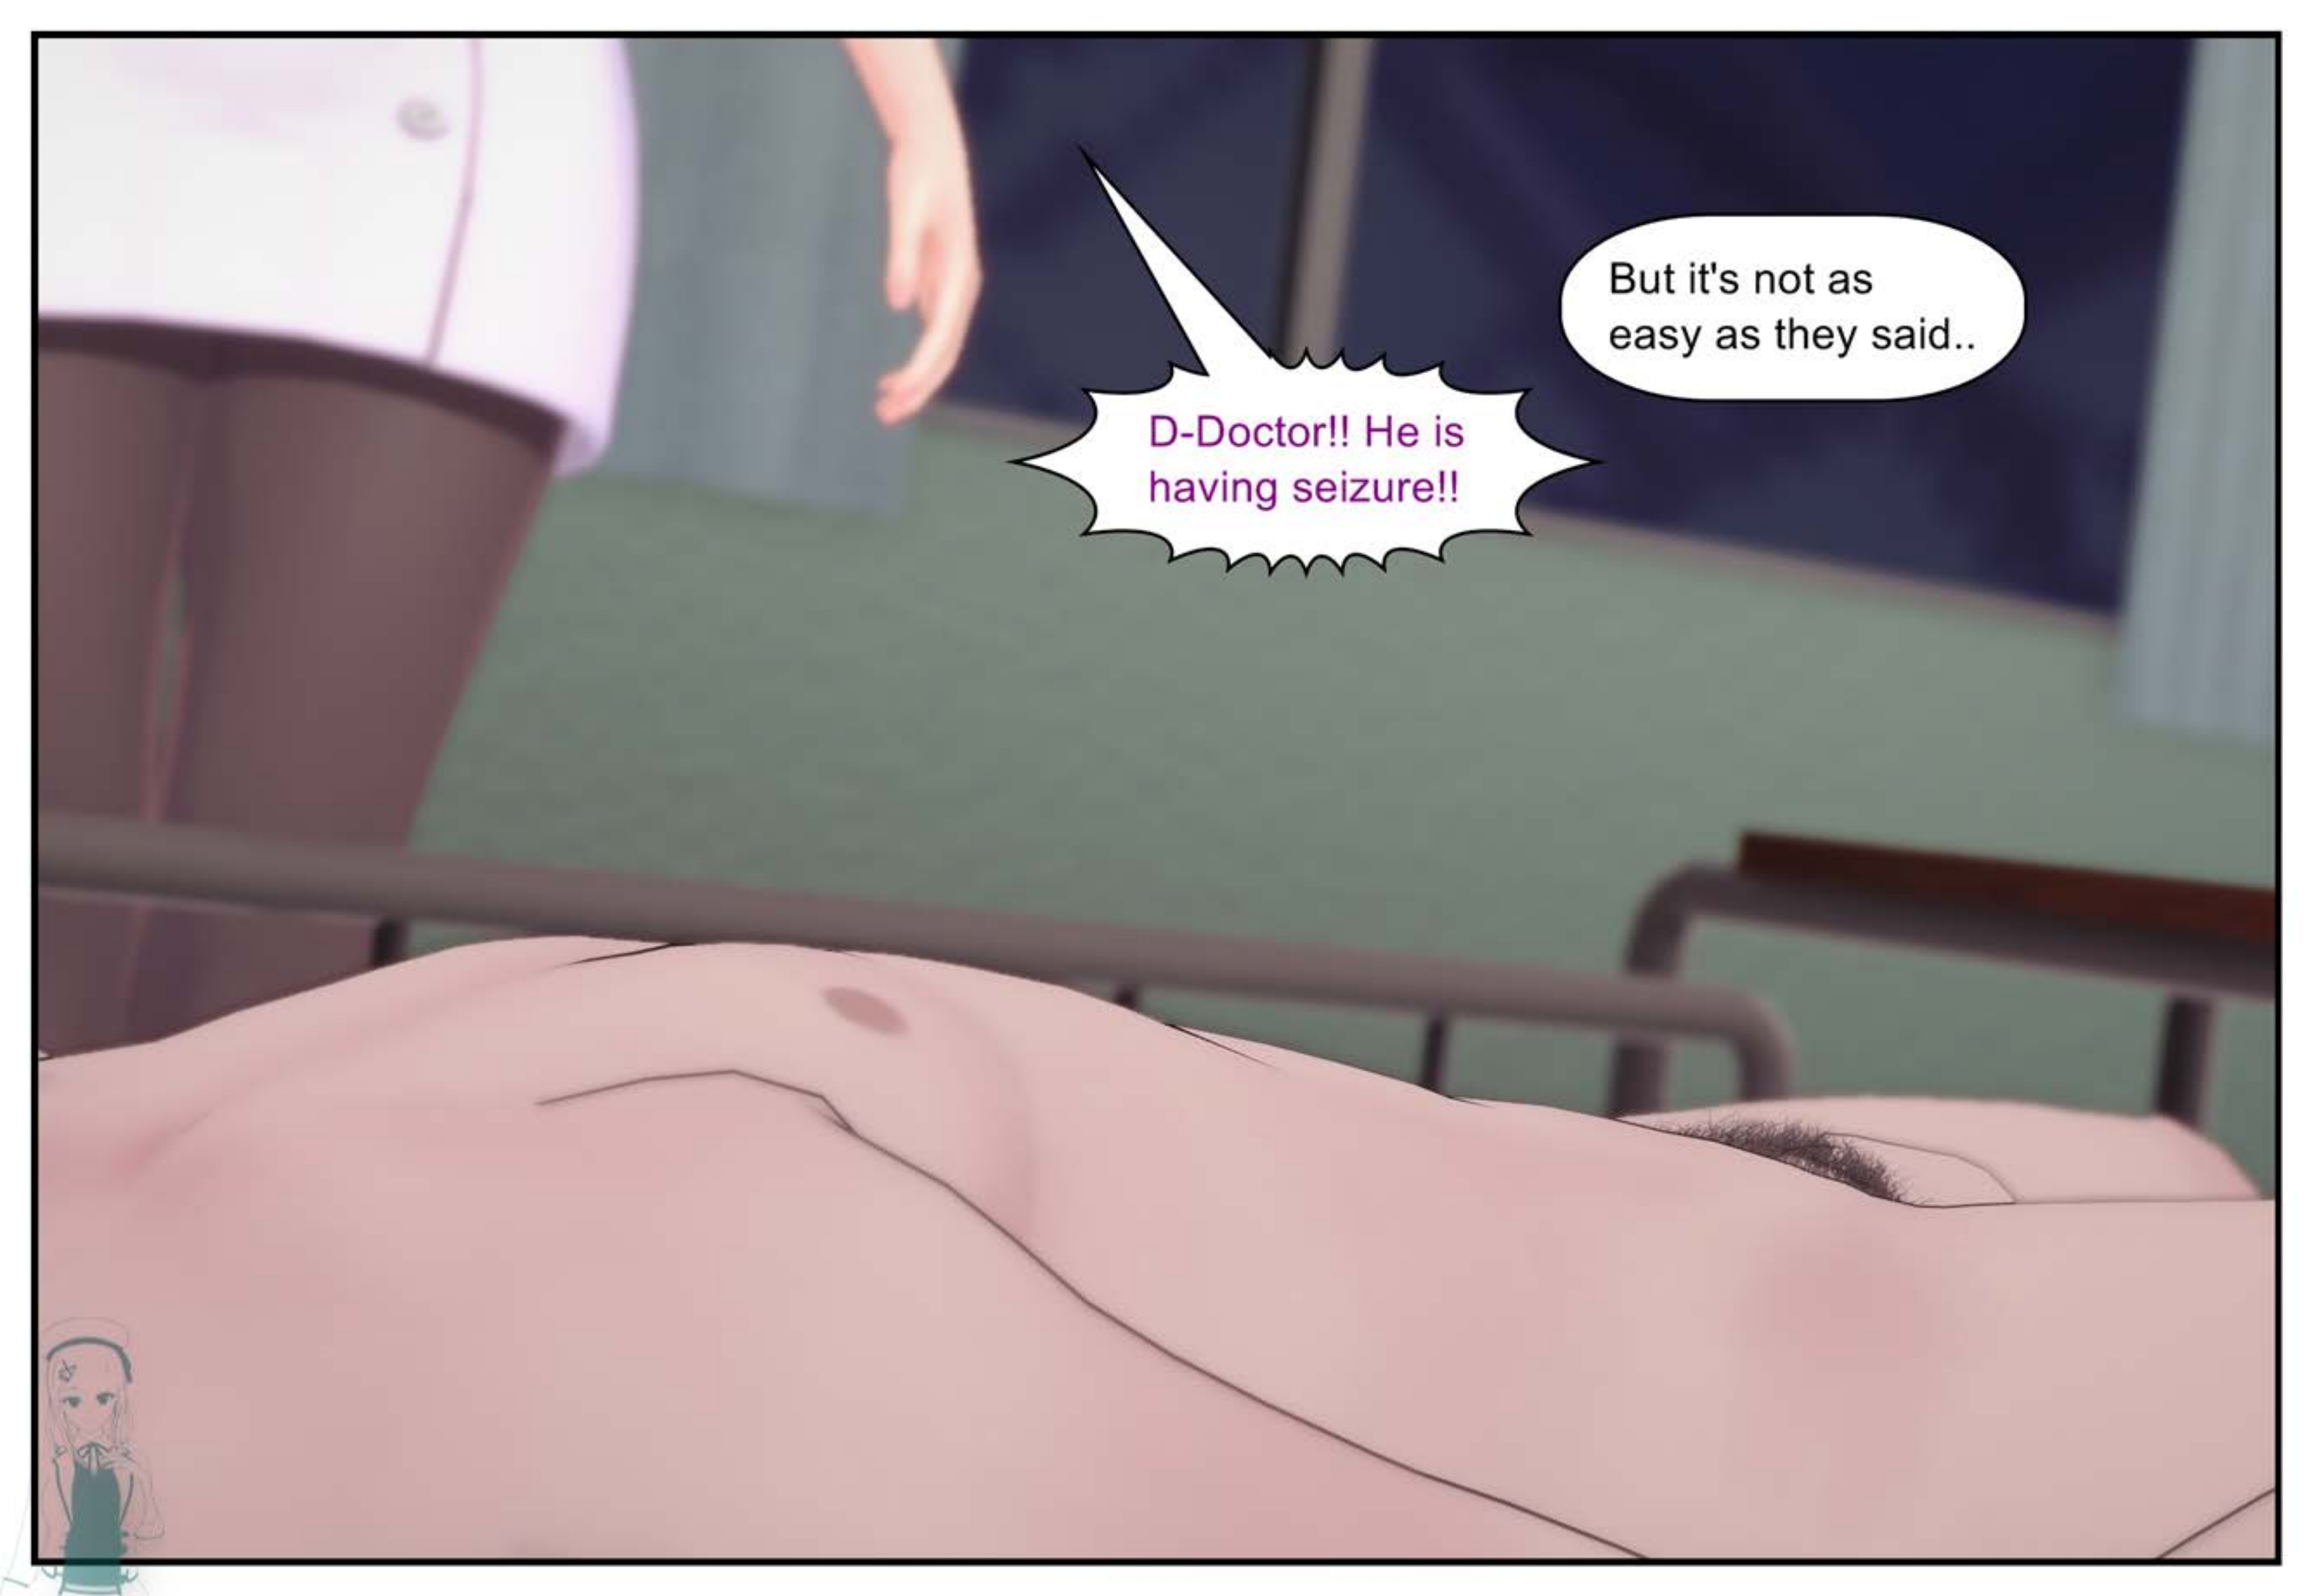

Something that could defeat cancer.. We will pay good, and you will have a better life.

I will gladly, what is it about again?

I thought they will change my boring life..

A person is lying on a hospital gurney, appearing to be unconscious or in a seizure. A doctor in a white coat stands by the side of the gurney, looking down at the patient. The scene is set in a hospital room with a green wall and a blue curtain in the background.

D-Doctor!! He is having seizure!!

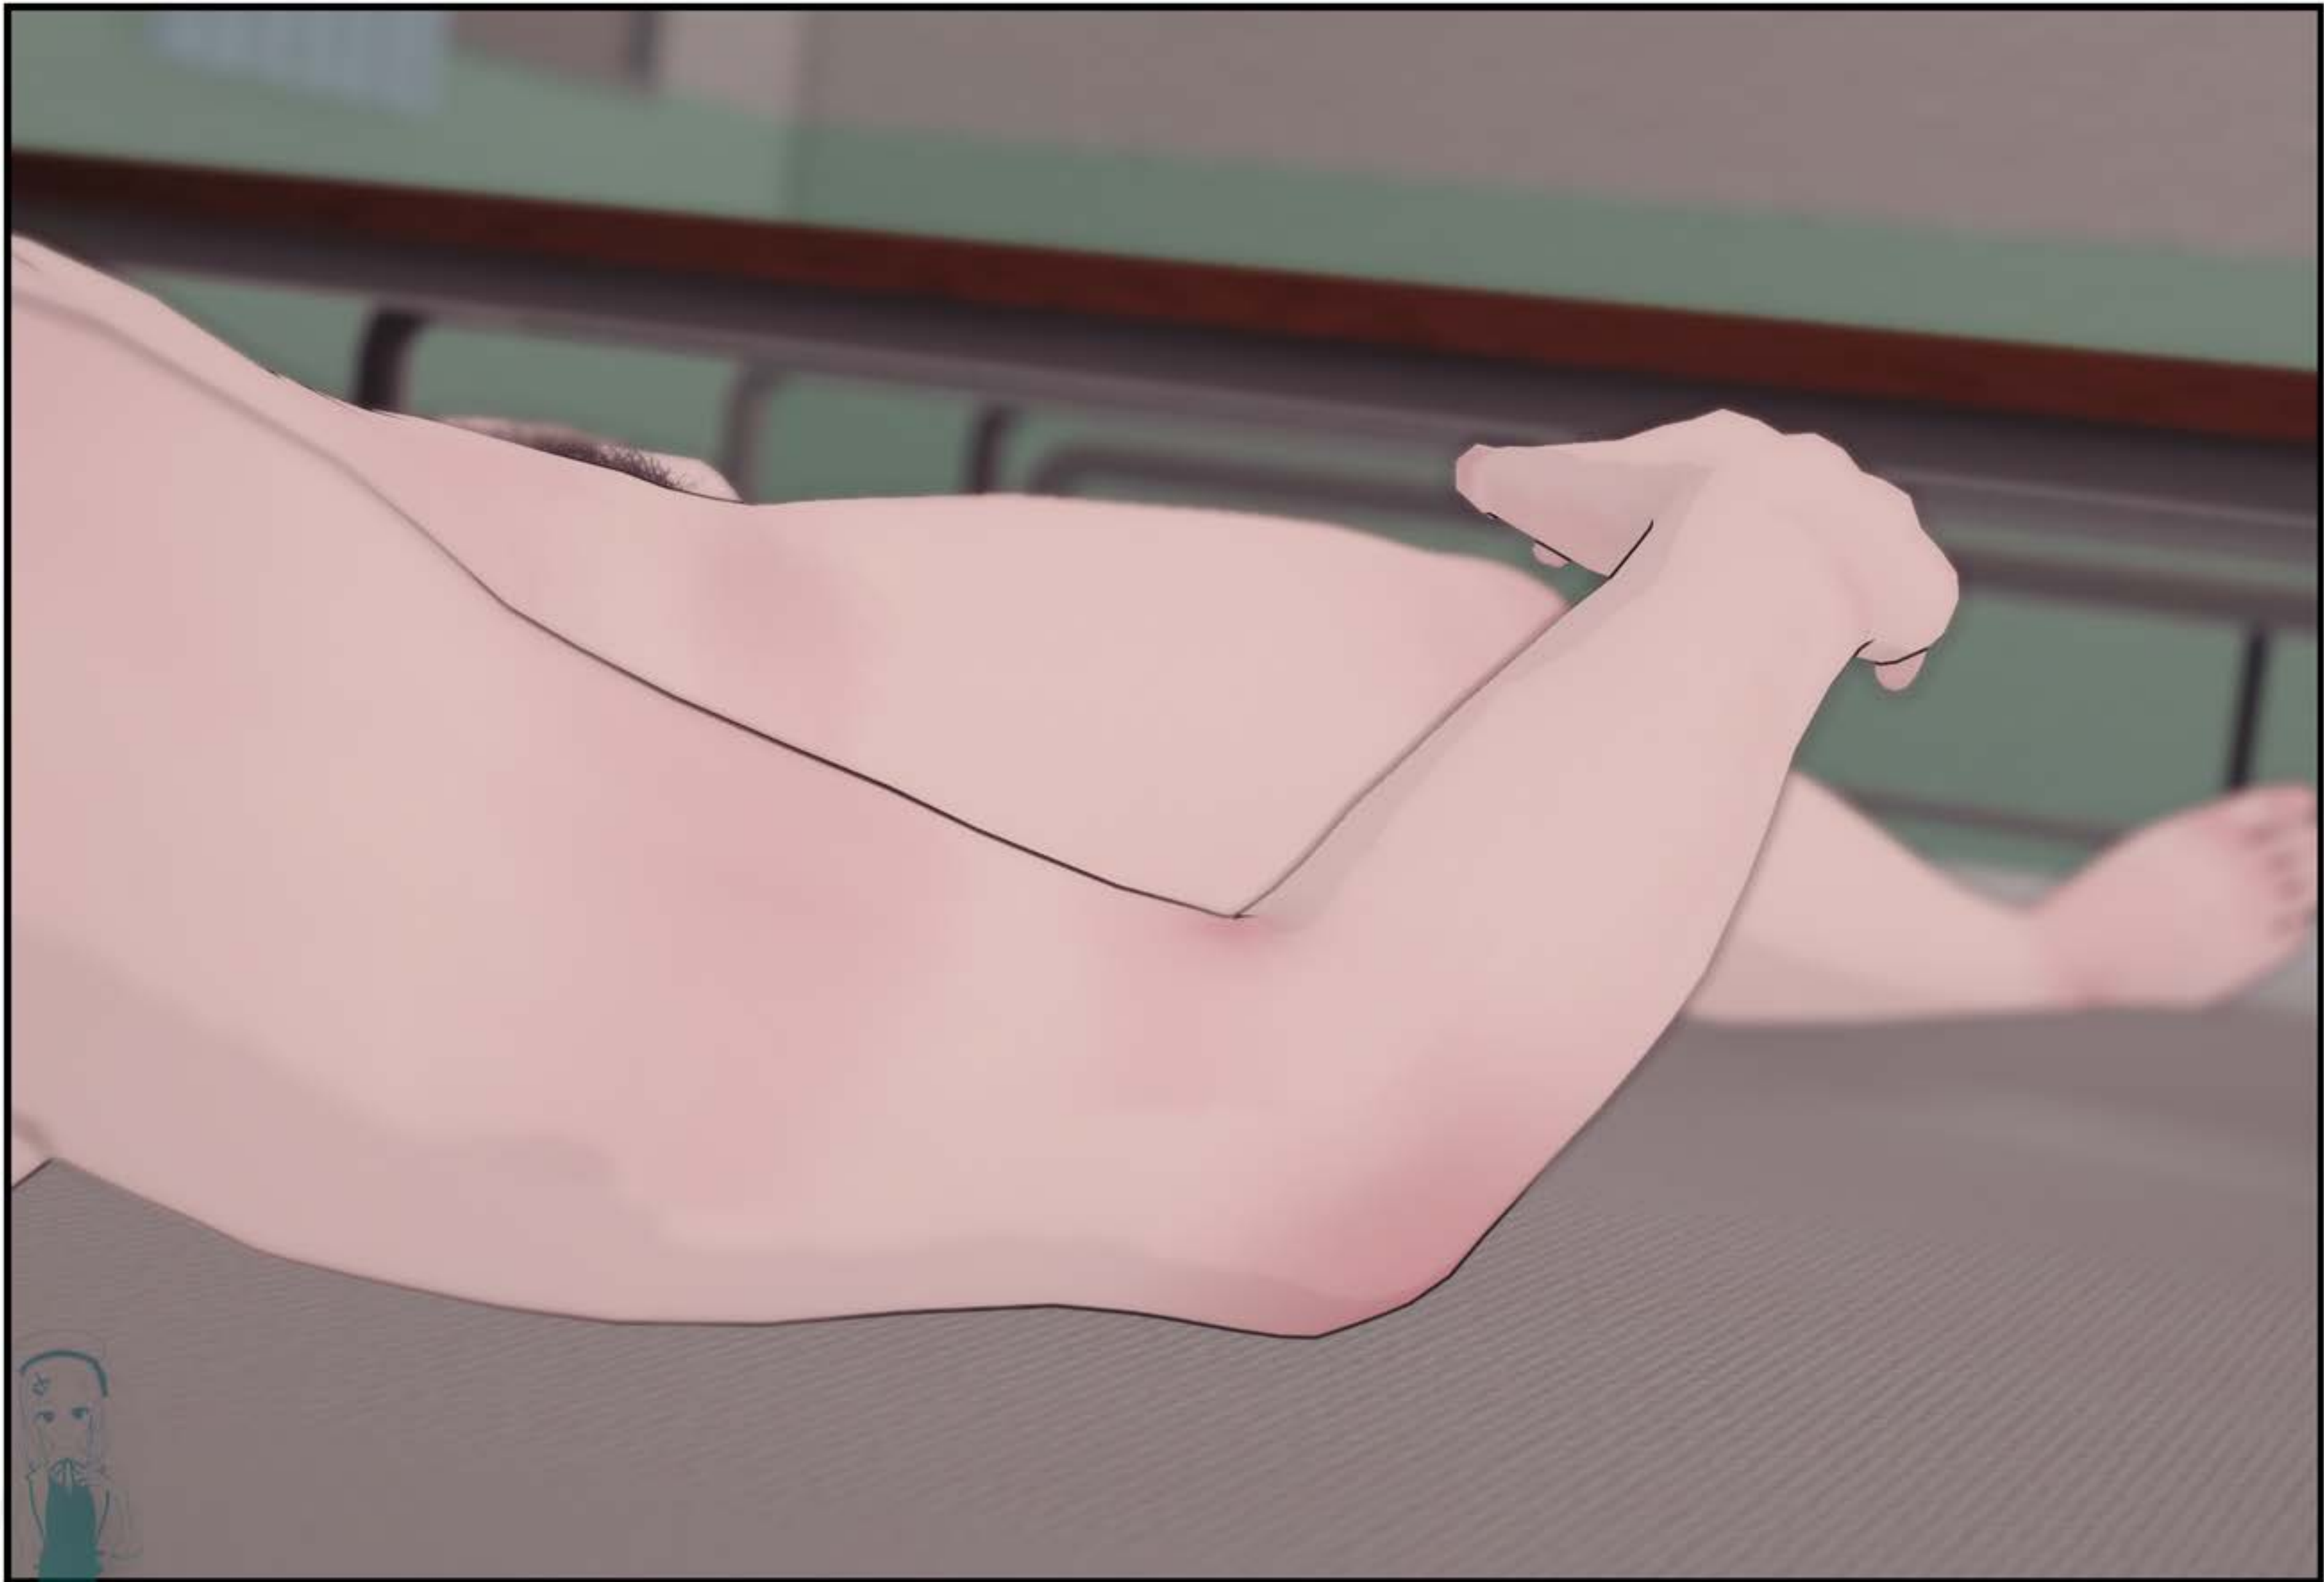

But it's not as easy as they said..

Hold him down!!  
Cover his mouth!

A medical professional in a white coat is shown from the chest down, holding the hand of a patient lying in a hospital bed. The patient's hand is resting on a grey textured surface. The background shows a hospital room with a metal bed frame and a window with blinds. Two speech bubbles are present: one at the top center and one to the right of the center.

The patient.. He's gone, Doctor.

We failed. Clean up this mess, don't leave a track.

A little while later..

Uwoahhhh!!!

"Hah.. I'm not dead yet.. Can still feel my body.. a bit weird."

"What did they do with me.. This was not something legal."

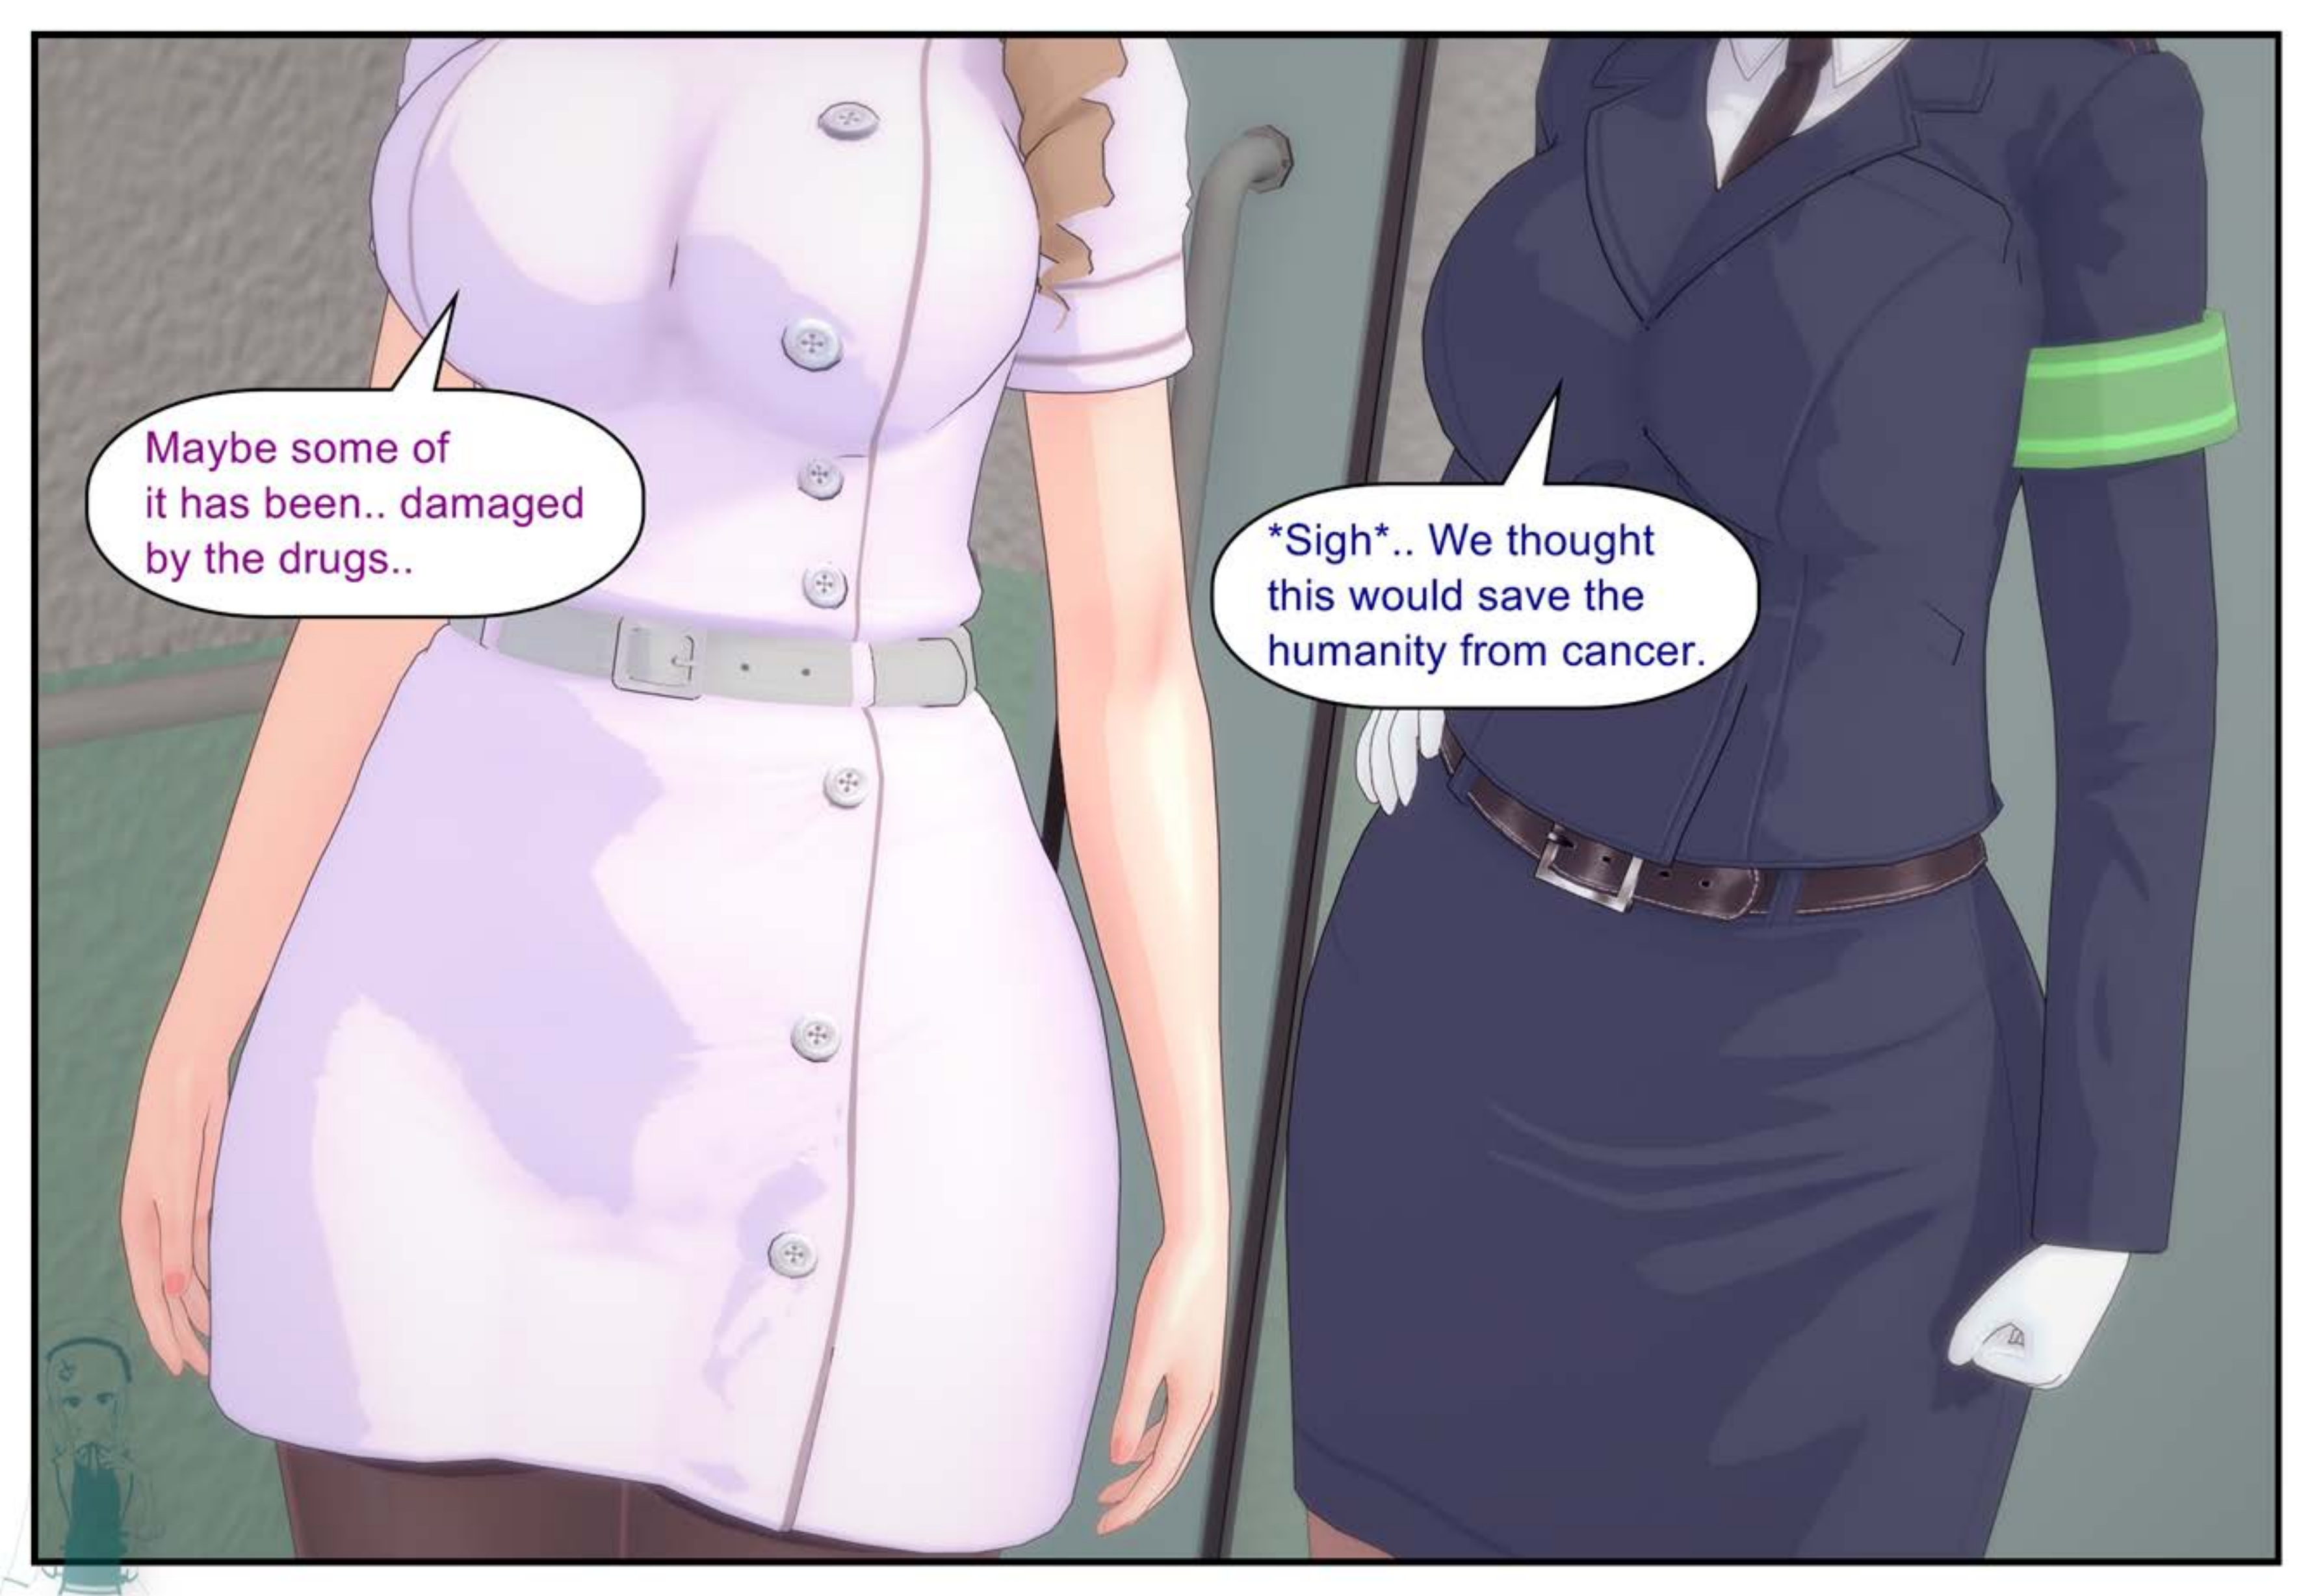

Are his viscera  
still in one piece?

Maybe some of  
it has been.. damaged  
by the drugs..

\*Sigh\*.. We thought  
this would save the  
humanity from cancer.

Just bring him to the morgue, Ryoko. We will cover the rest.

I'm sorry for having you into this, Mina. He screamed so hard..

Don't blame yourself.  
Meet me later at  
the morgue, okay?

Okay, I will.  
Thank you, Mina.

Poor him, just an ordinary guy..

Pray for his  
soul to rest..

Only the matter  
of luck when death  
call your name..

"This world just  
full of unfair.."

"Alright.. Here it comes.."

Urrgghh..

W-Wait..!?  
You still alive!?

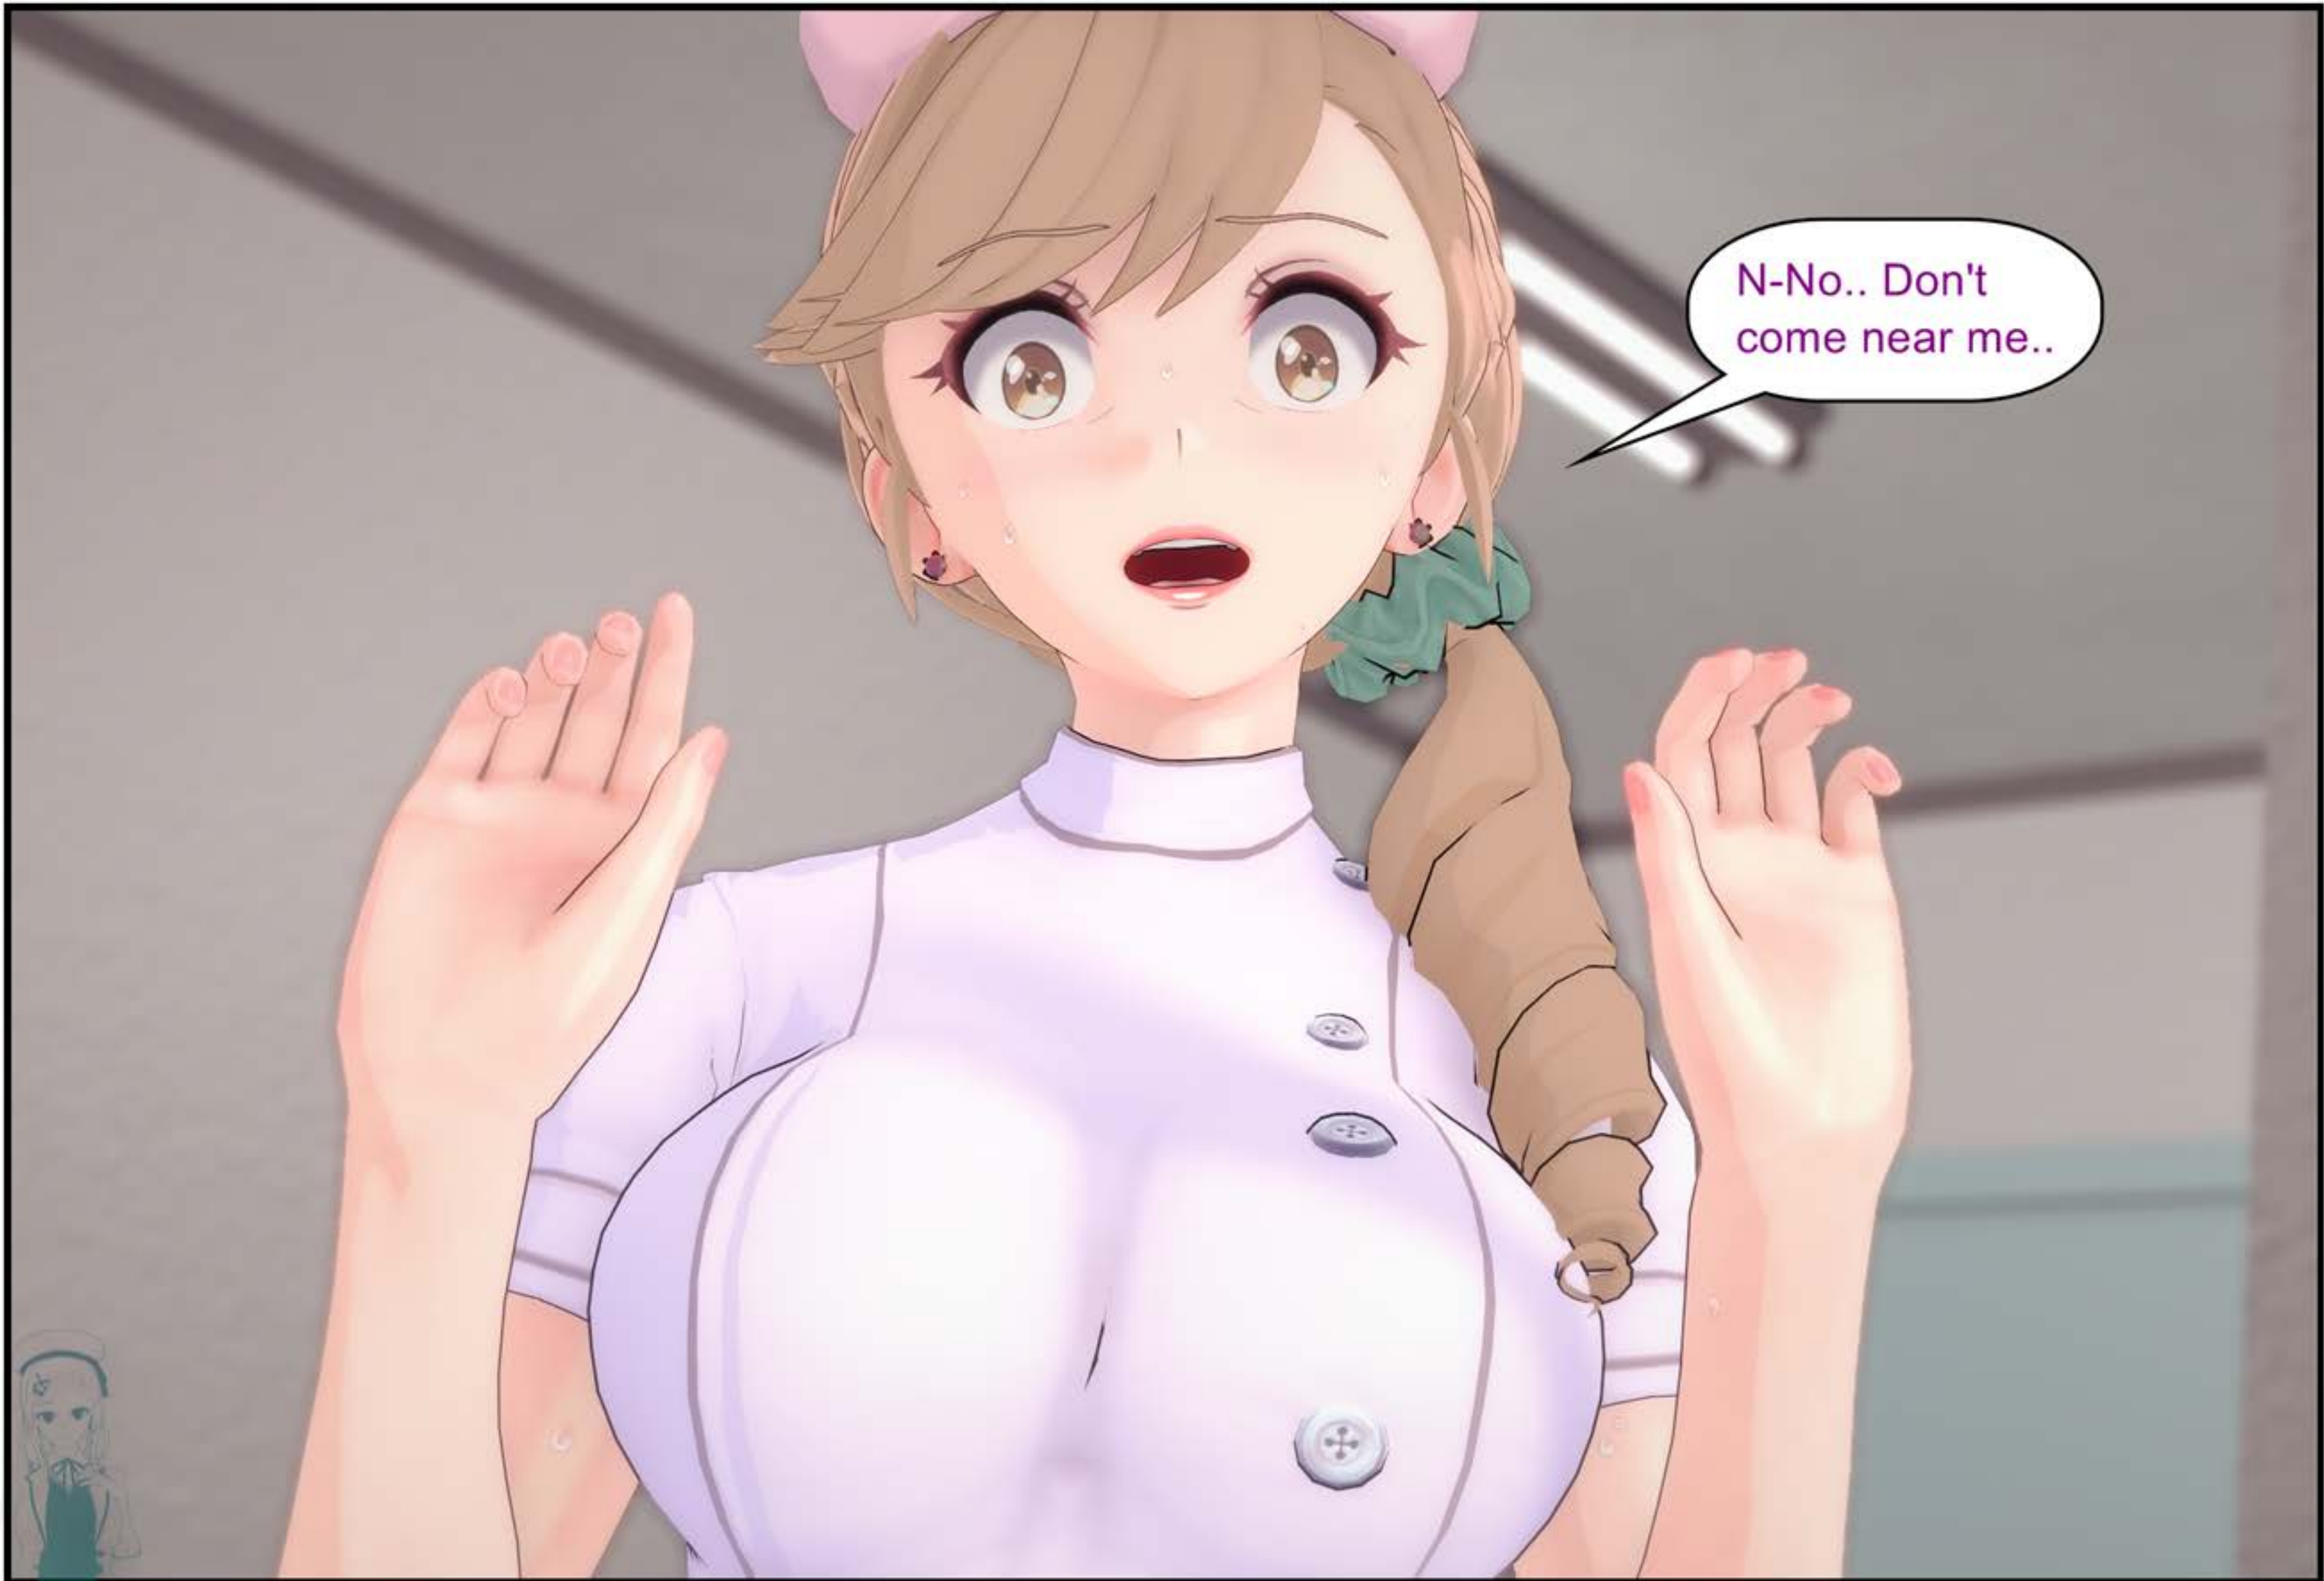

What did you do  
to me.. My body..  
don't feel.. so well..

Please.. H-Help me..  
It's burn inside.. Please..!!

N-No.. Don't  
come near me..

How.. could you..  
did this.. to me..?

Give me.. My  
life back!!

GIVE IT BACK!!!

Uhm..  
Gulp.. Gulp..

Mmm

Gulp.. Gulp..!

Gulp.. Uck..  
Gulp.. Gulp..

Gulp.. Gulp!!

A character with light brown hair tied in a ponytail with a green scrunchie. They are wearing a purple short-sleeved shirt. The background is a dark brown wall on the left and a greyish-blue wall on the right. A speech bubble is positioned to the left of the character's head.

\*Crack\*..

A hand-drawn scribble consisting of several wavy, horizontal lines, representing a sound effect.

~~~~~

Aaahh!? W-Where  
am I!? What just..!?

A hand is shown reaching out from a hospital bed. The hand is pale and appears to be floating or reaching towards the viewer. The background shows a hospital room with a bed, a wooden table, and a chair. The hand is the central focus of the image.

"T-These.. hand..  
It's not mine.."

W-Wait.. Does that mean.. I crawled myself inside this nurse!?

"What a huge  
mess and trouble.."

..But I like this..  
Exactly what I wanted.

Haha!! I can't believe that they gave me an ability!

"I can do anything  
on this body.."

Or take over  
and enjoy this  
nurse's life!

Oh yes.. This will be fun..

"It's so good.. Is
