

First scene - Devours first prey

Kase

(Confident, casual)

We have to... clear a bunch of useless land? Why are we doing this again?

Claire

(Midly irritated)

Did you read the contract? It's not just land. There's a monster here. Just one. Take it out, and we'll be set for years.

Kase

(Skeptical)

One? For that kind of reward? This is going to be the best contract we ever-(hushed, serious)
WAIT! Did you hear that?!?

(Silence)

Claire

(Hesitant, Interrupted at the end)

Hear... What...?

(Long pause. Voice faltering slightly)

Kase... there's nothing out he- (Interrupted - Sound of a hit)

(In one quick motion, Aurora uncloaks from her invisibility. She grabs Claire, huge tail move and her tail schlorps Claire's face, and it starts to swallow her down)

Kase

(Kase resists. Tiny effort sounds)

Hhhgghh...! Mmmmhhhggghh...! (And such... 5 s)

Claire

(Talks slow due to having received a huge hit, and not knowing what is going on. tinnitus effect. Groggy, dazed)

Ooooogghh... My head...! What...? Happe-...? (Interrupted)

(As Aurora talks, Kase is moving down her tail with squishes and gurgles, until she finally reaches her belly)

Aurora

(Teasy, smug)

(Licks lips) (Big burp) Aaaahhhhh~ Not bad, seven out of ten~ A bit bland though. (Smug chuckle) Maybe you will score higher~

Claire

(Shocked, fearful but defiant)

K-k-k-kase...!?!? Y-you filthy...! M-Manticore...! Let her go!

Aurora

(Mocking, sultry with an undercurrent of menace) (She forcefully puts Claire's face in front of her maw)

Of course~! Here, have some of her back~ (Burp) (Licks lips) Mmmmhhh~ Doesn't she smell delicious~?

Claire

(She coughs a bit) (Determined, voice trembling slightly as she escapes her grasp. False courage)

(Draws her sword) LET! HER! GO!

Aurora

(Interrupts her) (Melodic, teasy laugh) Hm hm hmmm~

(Sadistic, slightly higher voice pitch)

I don't mind going for seconds~!

Claire

(Hysterical, ready for battle, but with a bit of fear too) (Magic pulse sound or something)

I don't detect any mana from you! I'll rip you apart!!!

Aurora

(Smirking smugly, tail ready to strike)

Try your luck then~

Claire

(Charges at her)

Haaaaa...!

(Aurora takes out her sword and gets her hanging from her feet, using her tail. Claire's sword clatters to the floor)

Aurora

(Playful, dripping with confidence)

(Malevolent yet playful Laugh) What did you think you were going to do, cutie~? (Loud licking lips purposefully) mmmhhh~ Lets get all that metal out of the way~

Kase

(desperate) Claire!!! Are you okay?!?

Claire

(Blushy, but trying to sound brave)

Y... Yeah...! I will save you in no ti-...!

Aurora

(Interrupts them with a burp) (Big Burp) (Slow, post burp pleased sigh)

(Teasy, dripping confidence)

Oh sweetie... It's not her who you should be worried about~ (Dominant, short teasy laugh)
(Short pause) Tell me, who put such a high price on little ol' me?

Claire

(Defiant) Go to hell!

(Aurora swallows her until her knees)

Aurora

(Dominant, confident)

(Clicking her tongue, mocking)Tsk-tsk-tsk-tsk... Wrong answer. Last... (Very small pause to emphasize) (Burp) Chance (Tiny laugh)

Claire

(More decisive) FUCK! YO...!

(Aurora fully swallows her body before she can finish her sentence. She talks as Claires body travels down her tail)

Aurora

(Lustful, drawn out moan->) Mmmmmmmmmhhhhmmm- oooooohhhh~~ Nine out of ten, darling! Those muscles really enhance the flavor~~ (Finally reaches her stomach) (Big burp) Ahhhhhh~~ (Bellypats. As she sits down on the floor. her tail moves lazily) Your party is reunited again~ Isn't that sweet?

Claire

(Very angry) LARDASS!! FATASS!!! (Effort sounds as she struggles - 5 s) (Include extra gurgling and compression from auroras belly)

Aurora

(Amused, condescending about their efforts)
(Soft Laugh, burping mid laugh) Aaaahhh~ Someone's got some fight in her~. (Her tail swings lazily) Tell me what I want to know, and maybe I'll let you out. Maybe~

Kase

(Pleading, resigned)
The reward...? Fine! Let Claire out first and I'll tell you!

Aurora

(Burst laughing, a cruel mocking that turns to a loud burp) Bfff- Bwahahahahaha-(Burp) aaaahhhahaha!!! (In between laughs)

(Smug and giddy)
Oh darling, you are hilarious! (Pause as she inhales deeply) Lucky me, I smell... More guests~ , Wait... How many...? (Magic pulse) (Small laugh) More than two hundred morsels just waiting to join the party~

Claire

(Desperated, still angry. Muffled)
Okay! Okay!! It's the noble from the blue house in the southwest part of the kingdom...!

Kase

(Angry, muffled)
DON'T TELL HER, IDIOT!

Aurora

(Teasy, sing-songy tone with malevolent tone in her laugh. The burp punctuates her mockery)
Awwww, you really are the brains, aren't you~? (Teasy Burp) (Malevolent laugh)

Claire

(Muffled. Panicked, almost pleading with a quiver in her voice)
B-b-but you are going to let us out now, right...!?

Aurora

(Mocking, dripping with condescension. Her voice slows for emphasis as she savors each word)
Out? Darling, I get mana from my meals. You are exactly where you are meant to be~
(Bellypats)

Claire and kase

(Intense effort sounds as they struggle. Grunts, yells, and panicked breathing)

Aurora

(Softer, sultry, luxuriating in the moment. Moans start light and controlled, building as the line continues)
Aaaaahhhnnn~ Mmmmmmmhhhh~ (Moany) Yeah~! Continue~~! You are about to~...! (Big burp) (Sigh->) Aaaaaaahhhhhh~

Claire and and kase

(They stop their effort. Exhausted panting 10 s. Heavy breaths and gasps)

Aurora

(Playfully mocking their exhaustion. ironic disappointment)
(Final moany sigh ->) Oooooohhh...

(Teasy. Ironic)
You aaalmost made it...

Claire

(Brief hope) (Between pants) R... Really?

Aurora

(Immediate, casual tone of voice. Shift to a malicious tone after "Nope")
Nope~ (Long, genuine, malevolent laugh in pure amusement) (Final laugh sigh) Don't worry though. You'll have plenty of company soon enough~

(Claire and Kase continue panting as the audio fades out)

Second Scene - Mass vore madness

(Teletransportation sound. No clue how I am going to animate that, but I will)
(Estasis sounds. All adventurers are trapped, flying in the air. Voices echo in this scene because of the cave)

Aurora

(Teasing, mock-polite with echo from the cavern)
Welcome to my lair, sweethearts~!

(Venomous cheer)
My special thanks to you, (Extreme sarcasm) “dear noble~” I see you spared no expense sending this lovely buffet my way (Short pause) (Licks lips loudly)

(Nearly whispering, sultry and close to the mic to create intimacy. Be wary of mic pops)
It's only fair you stay and watch as I savor every~... single~... bite~...

(Her belly growls deeply and loudly, manifesting her desire. She begins rubbing it in slow circles)
(Sultry, eager)
Oooohhh~ Hear that~? My belly's practically begging for all of you already. (As she opens and closes the tails mouth)

(Playful tone)
These two look delicious~ (Pulse sound. Short afterwards, they lower their altitudes making them reachable) Maybe they'll at least make my belly stop complaining for a moment.

(One loud, fast tail movement schlorps one prey and quickly swallows it down. Before it reaches her stomach, the tail starts devouring the next. Prey start stacking in her gut)

(Satisfaction, her voice deepens with contentment. She draws out moans to enhance her sadistic personality)
Mmmmmhhhhmm~ Aaaahhhhhh~ They feel so good when they slide down my tail~

(Her voice is filled with cruel amusement)
(Last prey reach her stomach) (Buuuurp) (Loud bellypat) Loyal little adventurers, weren't they~? (Tiny chuckle) I'd say they are serving me much better now~

(Unimpressed. Changes to playful energy as the line progresses)
Although... Now that I think about it... Cheap. Feeble. Barely worth the effort. Six out of ten at best.

(Eager, teasy, dripping condescension)

Go on, darling~ Pick the next ones for me~. Make sure you choose wisely though, I'd hate for you to bore me~

(Short pause) Those two? (As she gets them down).

(Amused, with a small hint of approval)

I like your taste this time~ Watch this. both at once. (Tail schlorp) (Moaning with pleasure and satisfaction, she lets out a rich moan that grows her satisfaction) Mmmhhhhhaaaa~

(Slow, sultry. Her voice deepens into luxurious pleasure)

Perfect~ I never get tired of that feeling... And neither should you~ (Tiny, malevolent chuckle) For your own sanity, I'd start getting comfortabl- (Interrupts herself->) (Big burp)

(Playful, but still menacing) (Mock teasing tone as she pats her belly)

(Malevolent laugh) (Short pause) We've still got a *long* way to go, darling~. Oh, and those two? Much better. Solid eight out of ten. See~? You're learning (As she bellypats).

(her tone rises in excitement as she realizes something special)

(Sniffs the Air) Is that!?! (Long sniff) (Excited, quivering with anticipation) Where is it!?!?

(Magic pulse. She finds what she is looking for. Sing song tone of voice) Oooooohhh~ You even added elves to the menu~! (With magic she slowly lifts them down) You know how to spoil a girl, don't you~? (playful, tiny burp) (soft Giggle)

(Her tone shifts to sweetness, almost maternal. But with a mocking edge)

Don't worry little ones~ I don't bite~!

(Voice hardens, menacing)

I SWALLOW! (Tiny malevolent chuckle)~ (Tail schlorp)

(Moans with delight, trembling in ecstasy) Aaaaahhhnn FUCK! I LOVE how elves taste~

(Short pause) (rubbing her belly) (Her voice becomes softer, almost affectionate) Hhmmm... I'm gonna make sure those two take their sweet time down my tail...

(teasing and sultry, mock affection as she talks towards her prey) You are so lucky, little morsel~ You get the VIP entrance~ (Open mouth - more like an air exhale. She starts devouring slow, but the moment elf flavor reaches her brain she swallows it very quickly)

(Swallowing scene. Start with slow gulps. Separate one from another. Add tiny nose breaths here and there, and maybe tiny effort sounds. Final, bigger gulp signaling satisfactiion)

(Big burp) (Pure ecstasy) (Euphoric sigh->) Aaaaaahhhhh~ That was... DIVINE! (Tiny burp) (satisfied sigh)

(Her tone becomes more relaxed. Smug satisfaction) Ten out of ten. I could eat elves all day. They wouldn't get very far if the race depended on me~ (Malevolent, deep chuckle)

(Aurora's tone grows progressively more insatiable, her tone shifting from teasing and playful to frenzied and ecstatic) (Dominant, eager, deep and sultry. Dripping with anticipation)

Mooore~ you two, little ones~ (She lifts them down) Your turn~(She eats them surprisingly quickly) (Burp) (Starts like a mhhh (Like, its tasty) but finishes in a close mouth laugh) Mmmhhhh-mh-mh-mh-mh-mhhhh~ That barely even tickled~

(Smug) Oooooohh~ Those three look big enough to be fun~ Come on, little ones, fight me. (As she lowers them) Entertain me before I devour you~

(First prey just pants in fear, desperation written in its face. Cruel but amused deep voice) Aaaaaww~ So adorable~ So eager to meet your end~ (In one quick move, the soldier disappears inside Aurora's tail) (Tiny burp) (Licks her lips) (bellypat) Who is the next brave morsel~?

(Another charges her from her back) (Futile, in one quick motion he finds his face in Aurora's grasp) (Sarcastic, condescending) Surprise attack~? On me~? Now that is even more adorable (Chuckle) (Aurora forces the prey's face against her gut) (More menacing, dark but still smug, talking with a dark smile in her face) Even my gut thinks you're a joke. (Burp) Say hello to your friend. (Short pause) (Sarcastically high pitched voice, as talking to a child) Nono, don't blink now. (teasy) You'll miss the best part~

(Open mouth. ike an air exhale ->) Aaahh~ (Gulping sequence) (Gulps separate by a second or so. Add tiny effort sounds, some nose breaths, and tiny moans here and there)

(Another prey runs at her as it sees her busy)

(Aurora catches it with her tail. Tons of squishes and schlorps as the three preys enter her stomach)

Aurora

(Satisfied. Ecstatic, drawn out moan) Aaaaaahhhh~! (Between laughs) (As she pats her belly) (Sadistic, insatiable but smug) I didn't know you wanted to be my food that badly~! (Massive burp) (Chuckle) (Bellypats)

(Her belly gurgles, still unsatisfied. Smug, ravenous) You'd think I'd be full by now, don't you~? You don't understand. (Tiny malevolent chuckle) I have room for EVERY~ SINGLE~ ONE~ of you in here~ (Small chuckle) (Bellypats) Take one last look at this figure of mine... Because I'm about to improve it in the best way~ (Short pause) (She casts a spell where everyone comes down)

(Anticipation. Filled with dark humour) (Everyone slowly moves down towards her) Bon~ Appetit~

(Her tail swallows two after two even faster than her head. Eating at the same time. Her belly grows constantly throughout the whole scene)

(Frenzy feeling scene. Mouth gulps are intense, but quick. Only use between 3-5 fast, big gulps for every prey. Last gulp in every sequence must be a very big one, the biggest one. Make different, short open mouth sounds. Remember open mouth sounds should be like tiny

hot air exhales. Take into account gulps turn faster mid-scene. Towards the end, only use ONE big gulps. Should be something like swimming, get a breath of air with the open mouth, and then big gulp)

(Aurora gets progressively more horny as she gets more full. I'm not going to add every single detail, but just add something related to the stage randomly between gulps and the next "open mouth" every so often)

Stage 1: Light panting

Stage 2: Panting frequently. Moans escape every so often from your mouth

Stage 3: Heavy panting. Heavy moaning. Complete ecstasy)

Stage 1 –

(Grabs someone by the feet)

(Open mouth) (Gulps) (Final gulps) (Grabs another)

(Open mouth) (Gulps)

(Open mouth) (Gulps) (Big burp)

Stage 2–

Aaaahhh~ (Pant) (Pant) Enjoying the show, darling~? (Playful laugh) I definitely am~

(Open mouth) (Gulps)

(Open mouth) (Gulps)

(Open mouth) (Gulps) (Insquisitive, dark, unhinged) MORE!

(Open mouth) (Gulps) (Moan)

(Open mouth) (Gulps) (Small pants) (Massive burp) (Gentle exhale, teasing the prey)

Aaaahhhh~ (Short pause) (Slow, sexy panting) Time's ticking (Tiny burp)- noble (Small laugh) (Take small breath in. Almost as when you are swimming)

Stage 3–

(From now on, she eats prey in one single big gulp)
(Open mouth) (Big Gulp) (Moan)

(Open mouth) (Big Gulp)
(Open mouth) (Big Gulp) (Big moan)
(Open mouth) (Big Gulp) (Burp) OOooohhh what a feast~ But... It will be over soon~ For you, that is. For me? I'm going to savor every. Single. Second~
(Open mouth) (Big Gulp)
(Open mouth) (Big Gulp) (Moan)
(Open mouth) (Big Gulp)
(Open mouth) (Big Gulp) (Big moan)

(Final one. I wanted to give it a sense of "end")

(Open mouth) (Normal Gulp) (Short pause) (Big Gulp) (Short pause) (Air exhale) (Gurgles and bubbles come from inside her) (Hurk -> when a burp comes, but you stop it in your mouth) (Most massive burp) (Slow, satisfied sigh) Aaaaaahhhhh~

(Smug and victorious. Slow, confident and playful) Would you look~ at~ thaaat~ Every single one of you, gone. Your entire army, more than two hundred people crammed right here~ (Bellypats)

(Dripping with mocking superiority. Slow and teasy)
How does it feel to watch your noble cause end here as my (Tiny burp) figure, hmmm~?

(Smug and satisfied. Enjoying the power she has over them)
I've eaten bigger hordes and feasts. But there is something special about knowing I've swallowed every single one of you~

(Lower tone, full of arrogance. Last line is triumphant, strong and commanding)
(Short pause) A whole army against one girl... And the army LOSES! (Massive burp)
(release of pleasure ->) Aaaaaahhhhh~

(Mockingly sympathetic. Almost playfully cruel) Oh, poor thing~you flinched~ Don't worry, I'll give you plenty more of that to listen to while you're here. (Bellypats) (Cold and taunting)
Every little sound will be a reminder of your failure."

(Sarcastic, amused by their delusion) You thought you were safe, didn't you? (Mocking, teasing, smug) Watching me from afar while your pawns fell one by (burp) one.

(Darker tone. like she is savoring the inevitable end)
But now there's nowhere left to run. You're finally mine. (She eats the noble using her tail)

(Smug and lazy, stretch "challenging" as a hint of superiority)
(Burp) (Deep, slow and pleased sigh) Aaaaahhh~ I've had more challenging snacks in my sleep~ (Bellypats)

(Playful and malicious)
(Short pause) You know what? Let me try making you all more of a challenging appetizer. Let's turn your pitiful struggling into something... worth savoring, shall we~? (Malevolent laugh) (She casts a spell, and suddenly they become way more active, as well as her gut)

(Moany, aroused by the new intensity. Moaning works as a way to tease all their combined effort) Haaaaahh~ That's more like it! Oooohhh I can feel you all- (Big burp) growing bigger and stronger~!

(Heavy, lustful Panting) (Teasing, smug, aroused) (Morsels is drawn out sensually) Such eager little morsels~! You'll be thrashing in there for a whiiile~! (Dark and playful chuckle, but resumes into panting) (Heavy sensual panting)

(Ecstatic moan with mixed panting in the whole line. Blissful exhaustion)
(Drawn out moan) Mmmmmh~ That's it! Fight! ~Mmhhaa~! Struggle~! TRY to escape from me~! Aaaaahhnn-mmmh~ (Long, heavy panting) (As she pants, excited) Not that it'll help~! (Panting) You are nothing but...! (Big burp) Oooohh~ food now!

(Blissful satisfaction, luxuriating in the sensation)
(Heavy panting) (As she rubs her belly) OOOooohh~ You feel so good in there~ Every kick, every punch...! Like a massage from the inside~! (Big burp) (Heavy moan) (Panting) Aaaahh~ It's just making digestion sweeter~! (Panting)

(Pleased, "adorable" is mocking but soft, facing futile resistance)
Haaaaahn~ Your struggling~! Thrashing~! Hitting~! So...! ADORABLE! (Moan) Nothing but lame (Burp) desperation~! Aaaahh~ That just makes it better~! (Panting) (Burp) (Panting)

(As she pants, the activity inside her fades out: she ran out of all mana she got back)

(She inhales and exhales deeply and slowly through mouth. Should come out as lazy and satisfied. Her voice sounds a little exhausted) Aaaaaaaaahhh~

("Meal" is stretched out, as if its slipping her lips with a dreamy, sluggish satisfaction .
Sounds sated and lazy, but not feeling like slowing down on eating)
What a meal~ Not even close to satisfying without my help, but... I suppose you'll do for now~

(Sleepy. Yawn should be exaggerated and blissful. Pathetic should sound as if tired to really care about her defeated foes anymore.)
You and your army were soo- (Long yawn) pathetic.

(Softer voice)

You should be thankful I gave you a purpose (Small sarcastic chuckle)

(Getting extremely sluggish and drowsy. Talking slowly, as if daydreaming)

Maybe they'll send a rescue team... That would be thoughtful~ More (tiny burp) food for me.

(Drifting off completely, close to a faint or whisper) And Elves...! don't... forget... the elves~...

(Final, satisfied sigh) (Light sleeping 10s Soft and slow breathing)
