(calm demeanor) Oh good, you're up. I was starting to worry that I knocked you out too hard. How's your head, by the way? I did the best I could to stop the bleeding. I really didn't mean to hit you as hard as I did. You...you were just pissing me off a bit, so I needed to relieve my stress, so to speak. *[chains]* Don't mind the chains, it's just a precaution, in case you tried to run.

You look confused. Understandable, I guess, considering we've never properly met before. To you, I'm just a stranger. You don't know me...but I know you.

You live just up the road from the park...apartment 4. You used to have a roommate, but they moved out a couple months ago. You keep a pretty strict schedule, going to the same places every day of the week. Your work has been stressing you out and you've been considering quitting. Your best friend just got a cat and it made you want to get one too. Does all of this...sound correct?

...

That's a rhetorical question, by the way. I know I'm right. Plus, it might be a bit hard for you to talk with that tape over your mouth.

I know a lot about you. Even the more...intimate...parts. Like, how your last partner wasn't good enough for you, so you had to finish the job after they left. I know the way you like to be touched...the videos that get you off the fastest...which sex toys you prefer to use over others...I know it all. I know that I can please you better than anyone else could. I probably know you better than yourself.

That being said...I'm at my breaking point. I can no longer just *watch*. I blame you for that, by the way. There's just...something about you that's different from the others. No one grabbed my attention quite like you did.

So, why am I telling you all of this? It's simple, really. I've reached a time in my life where I've grown...tired...of sitting and waiting for things to happen. You've been the center of my gaze for...quite some time. Yet...your gaze would never find *me*.

I went against everything...I never show my face...but with you...I thought I'd try. I did everything to cross paths with you, but you never saw me. So I began to think...am I not good enough for you? Do I not meet your standards? *(angry)* Is there someone else? *[sigh]* *(calm again)*

Then today, you presented me with a perfect opportunity. You see, as I was contemplating what I was doing wrong...you found me. Somehow, while thinking about you, I found myself in front of your apartment building. You asked if I was going in. I said yes and followed you. Right to your door.

And here we are. Recognize it yet? This is your place. It's pretty dark in here, so I don't blame you for not realizing sooner. *[chains]* You're panicking...I don't like that. I can calm you down, don't worry. Everything is ok.

(Every time it says [wet/licking sfx] you won't be talking)

(crazier) [pants sfx] Wow...seeing you up close like this...it's mesmerizing. Your cock...it's so beautiful. I feel like I might start drooling. I can't wait to taste it. *[wet/licking sfx]* You like getting your balls played with when you get blowjobs...you also do it when you're all alone. I see the way it makes you feel.

[wet/licking sfx] Am I making you feel good? You're so hard right now...are you enjoying this? You might be more fucked up than me. *[wet/licking sfx]* Fuck...I can't believe this is happening. The cock I've been dreaming about is right in front of me. See how delicious you look? How could anyone blame me for wanting to try it?

[wet/licking sfx] You're squirming...is the pleasure too much? But I want to see you cum. I want to taste it...give it to me. *[wet/licking sfx] (crazier)* Fuck yes...I made you cum...and I swallowed every last drop. I feel like...you're a part of me now. I need more...more of you.

[pants sfx] Don't worry...while you were passed out...I prepared myself. I'm gonna make you feel amazing. *[laughs]* I finally get to know how all your partners felt. I could only imagine before...my fingers were never enough to replicate the feeling of your cock inside of me. But now...now your beautiful prick is gonna enter me.

Don't try to move. I'll get on top. You don't have to do a thing...I'll please you just the way you like it.

[wet sfx] (crazier) Ahh...oh fuck...you're stretching me so good...oh my god. Is this real? I feel like I'm dreaming. Your dick is so hot inside of me. I want to take all of it. I'll show you how deep I can make it go.

Nngh...shit...can you feel it? Can you feel how deep you are inside of me? It's right here...practically in my stomach. See how good I am at pleasing you? My ass is better than any other you've stuck your dick in...right?

I can feel every inch of you...every time it enters me...I feel like I'm being electrocuted. Out of every cock I've ever seen, yours is my favorite. It's big, it's pretty, and it goes so deep...I didn't know I could feel something this deep.

Will you do this with me again and again? I don't think I could ever get sick of this...of you. You mean everything to me. You...are...everything. Open your eyes. Look at me. *[laughs]* You finally see me. After all this time...you're looking at me. I feel like I could die. Ngh...faster...I need to go faster.

Are you gonna stay with me after this is over? Don't leave me...you can't leave me. I won't allow it. I want to be the only person in your life. Just you and me...together. Doesn't that sound wonderful?

Fuck...your cock keeps hitting this spot inside of me...I don't know how much longer I'll last. It feels...so fucking good. I can't think straight. Are you close too? Will you cum inside of me? I want your cum...so badly.

Ahh...I'm gonna cum. Give it to me...give me everything you have. Cum with me. Ngh...oh shit! *[loud moan] [heavy breathing]*

You came again. I made you cum again. I can feel it inside of me. I wish it would never leave. You're gonna have to fill me up over and over. I don't want you to go...I can't...live without you anymore. I'm addicted to you. Won't you stay with me?
