Hey, look at that doll,
I kinda fell in love.

It's truly amazing to look.
I love it too!

Yes it is!
Gorgeous!
Shiny!
Lovely!

Beautiful, isn't it?

Okay, let's go to find your perfect heels.

A person wearing a black latex bodysuit is sitting on a white exercise ball. The person is looking towards the right. A speech bubble is positioned to the right of the person, containing text. The background shows a room with a patterned rug, blue storage bins, and a window with blinds.

I can't describe why I like this, but everything inside me is screaming that it's so cool... I want to dress up and wear more latex in the future! This is such a great feeling!

It's great to see and hear from you that you loved it. I would hate to make you wear such a piece. Although there are many items different from Latex in here.

However, I am very glad and excited that my bestie joined me and that our fetishes coincided. You can go crazy wearing this... What kind of life awaits us ahead...?
