So Deborah, as I said,
I'm very
disappointed.

As the human resource manager,
it's your job to retain good staff
performance and to encourage
them to give their best.

But these last months are really
disastrous. I feel a real lack of
motivation in the personnel.
Their wages are the best around,
so I think it's a problem of
environment.

Are you kidding?!

How am I supposed to
do that?

That's your problem. But if you ask me...
maybe you could be more gentle with the
personnel, it will help!

And as the only woman in the office,
if you change your wardrobe to something
a little less cons-

So here's the deal: if you want to keep
your job, you have to find a solution.
You have four weeks to reverse
this trend. It will be your only
task! I'll take care of the
rest. The productivity rate
will be the index of progress.

Not at all.

DAY 1

Director's Office

I don't want to hear anymore,
or it will turn against you!

I accept your deal,
but I will do it my way.

DAY 1

Director's Office

19 DAYS LATER

Oh my God,
Still no result!

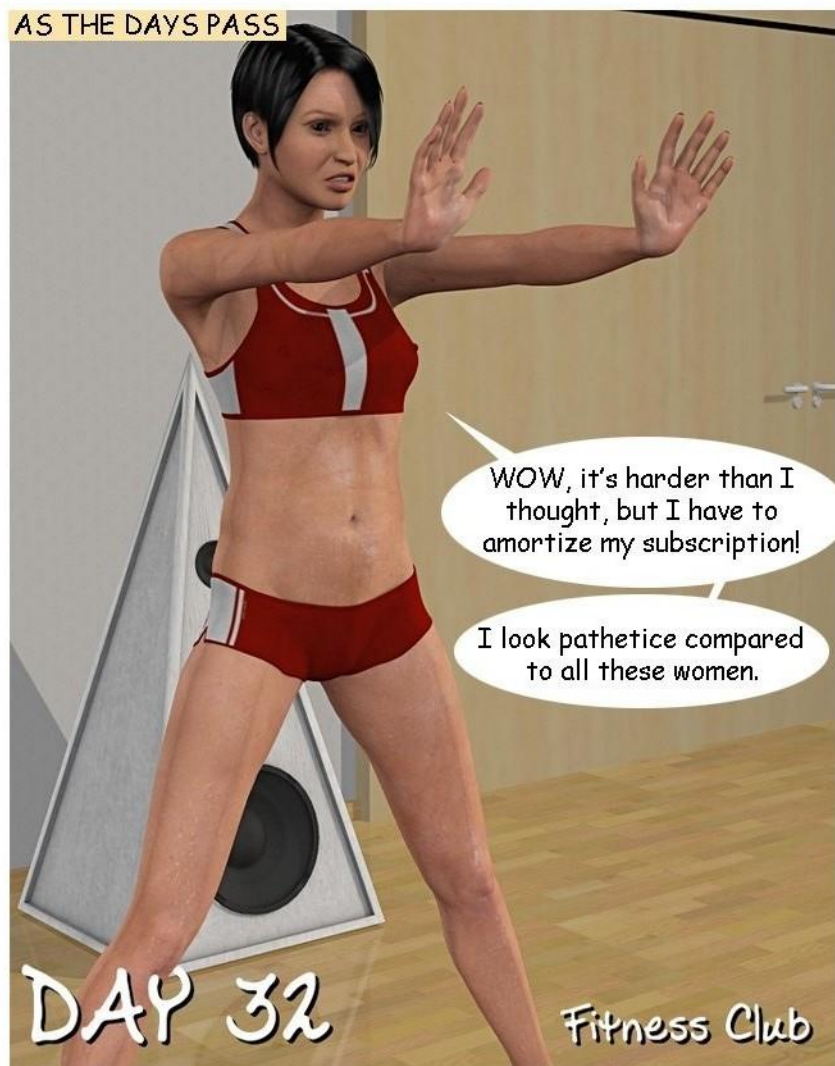

What am I going
to do?

I have to keep
this job.

DAY 20

Deborah's Office

THE NEXT DAY AT THE SALON

You look beautiful!
I knew I was right,
as always!

Er...yes, thank you.

And I was thinking about what
you said about my nails.

Oh yes, of course. We can offer you a
French manicure; it will be wonderful!

DAY 56

Beauty Parlor

WOW!
That girl was right;
these push-up bras
do wonders.

DAY 56

Deborah's Home

FIRST DAY BACK FROM VACATION

So here we go, get ready
boys. However, I hope I'm
not late...

It takes a little more time to get
ready with all this new stuff.

DAY 58

Deborah's Home

Hello Sir,
hey Paul.

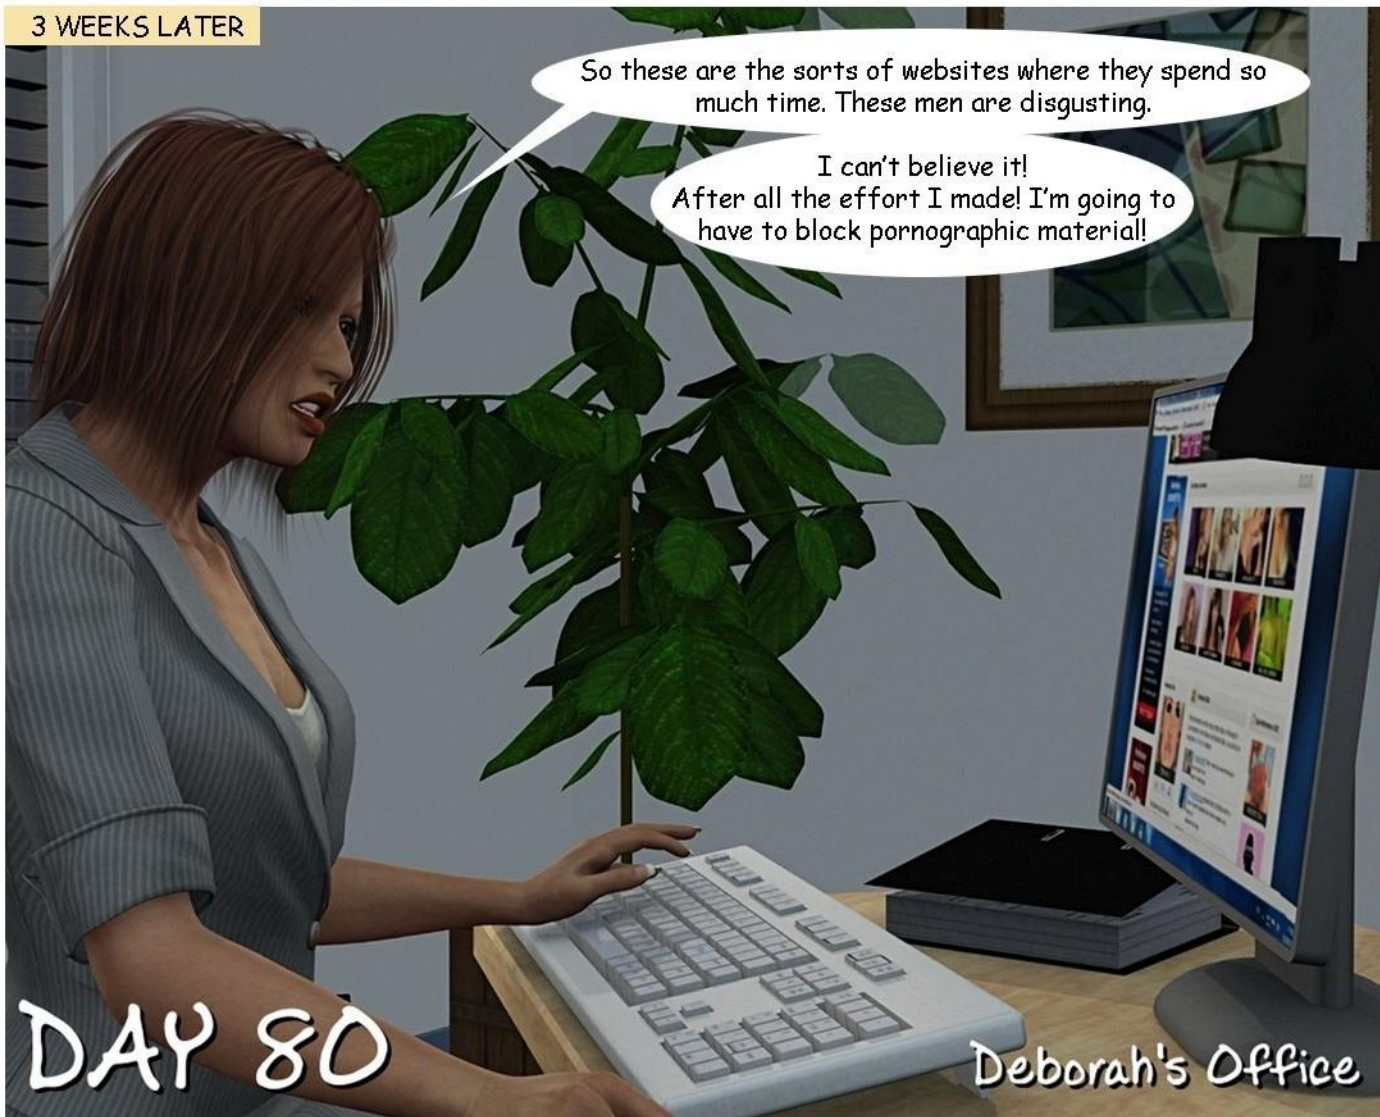

Did you see the
game last night?

DAY 58

Corporation's Corridor

3 WEEKS LATER

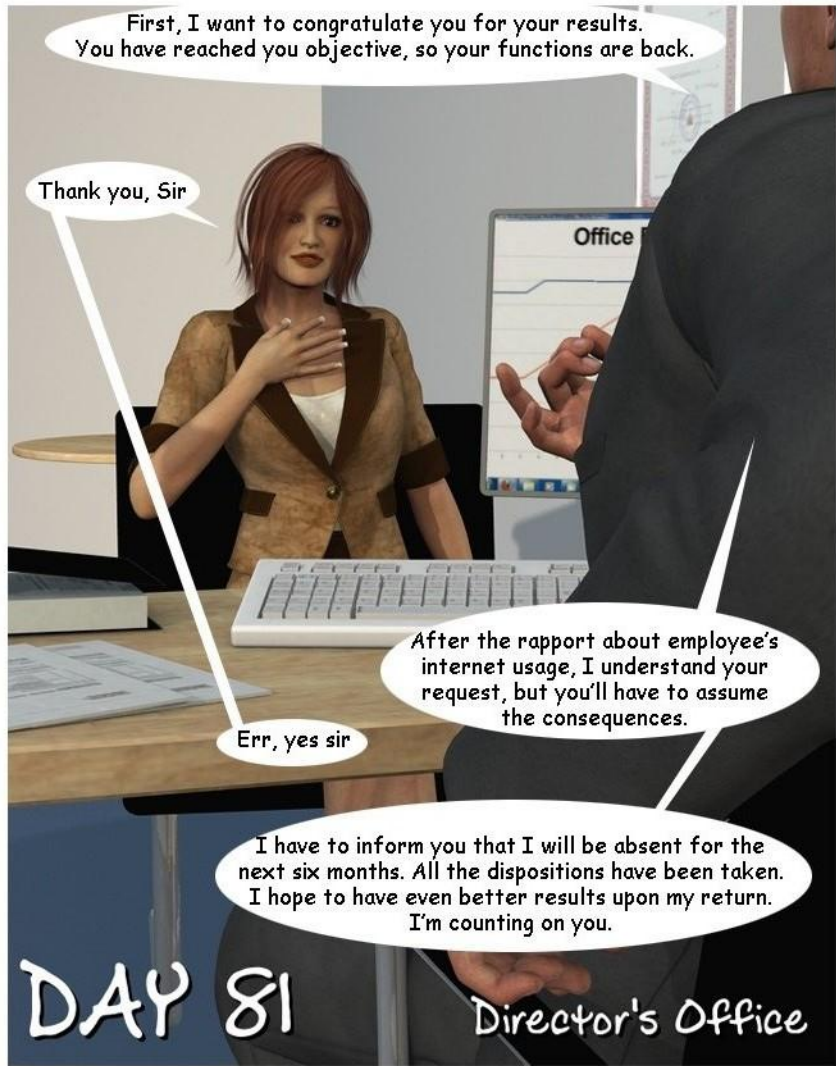

I would never have thought of looking at her ass this way...

I second that!

Me too...

<whispers> It'll soon be the only one you'll see here perverts!

DAY 81 Corporation's Corridor

First, I want to congratulate you for your results. You have reached your objective, so your functions are back.

Thank you, Sir

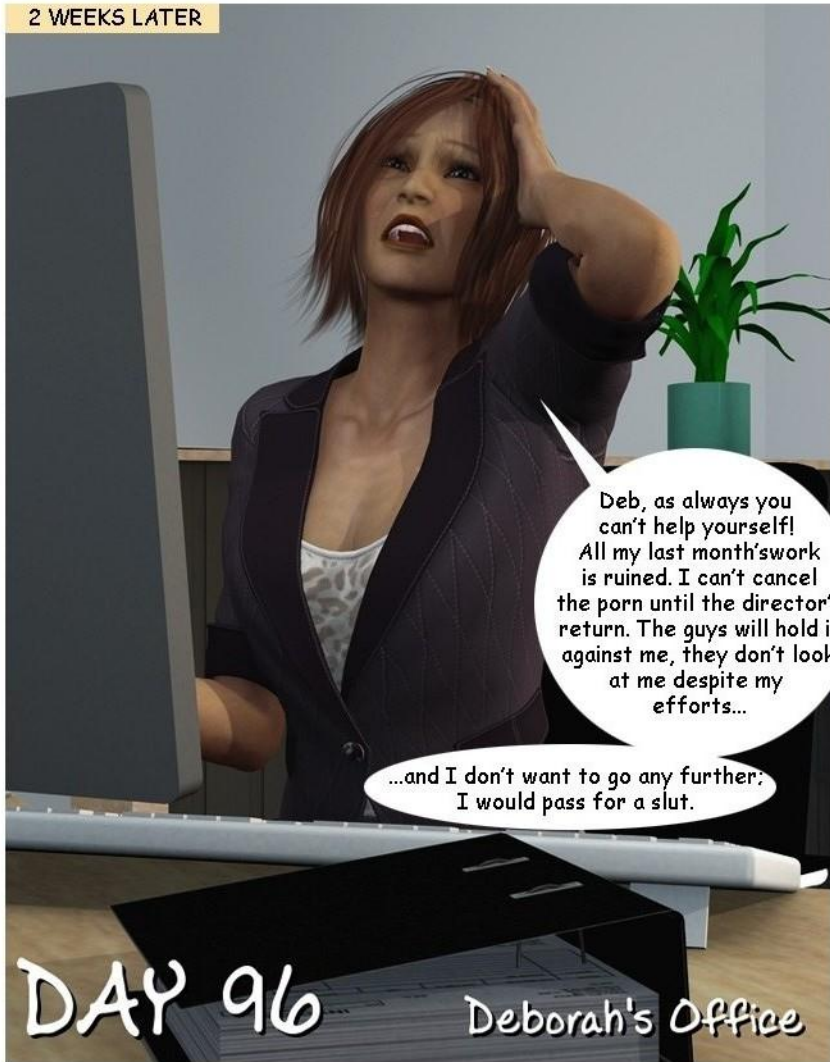

Err, yes sir

After the rapport about employee's internet usage, I understand your request, but you'll have to assume the consequences.

I have to inform you that I will be absent for the next six months. All the dispositions have been taken. I hope to have even better results upon my return. I'm counting on you.

DAY 81 Director's Office

2 WEEKS LATER

Deb, as always you can't help yourself! All my last month's work is ruined. I can't cancel the porn until the director's return. The guys will hold it against me, they don't look at me despite my efforts...

...and I don't want to go any further; I would pass for a slut.

DAY 96 Deborah's Office

Oh yes, that's it! It sounds completely crazy, but it's my only solution.

I'm going to give them what they want! For that, the director's office is gonna be very usefull!

DAY 96 Deborah's Office

I'm exhausted.
As expected, no one is here today!

DAY 100

Now let's take a look at this web...

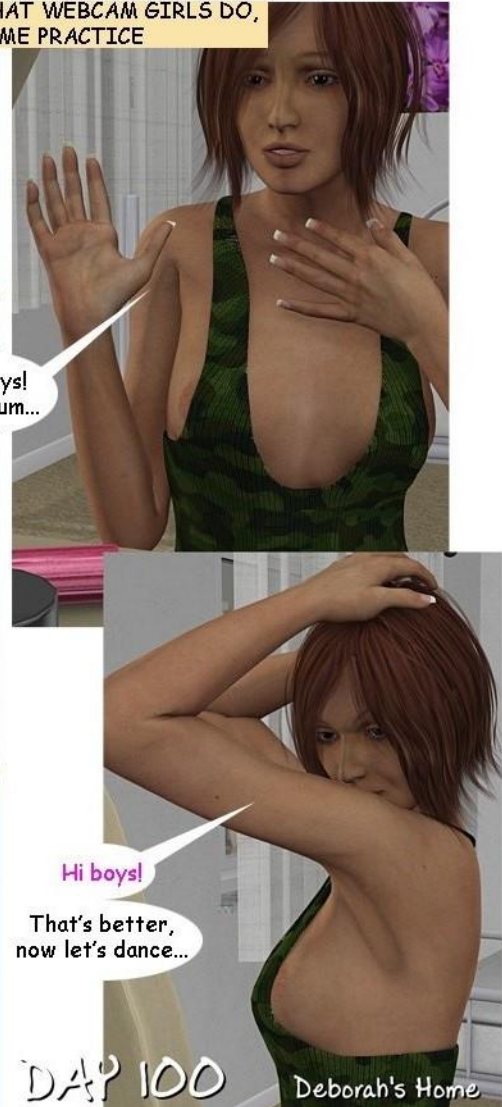

AFTER HAVING STUDIED WHAT WEBCAM GIRLS DO, IT'S TIME FOR SOME PRACTICE

...cam. Now I have to work on my "costume."

Errr, I'm beginning to think there's something wrong with me...

Director's Office

Hi boys!
Hum hum...

Hi boys!
That's better, now let's dance...

DAY 100

Deborah's Home

So my magic lipstick...

...and now the wig. That hairdresser was right, it looks just like real hair.

But there's still time to stop this...

DAY 101

Director's Office

Finally the glasses...

...I'm ready...

DAY 101

Director's

Let's do some tidying up; there's still time...

Oh, what's this?

DAY 101 Director's Office

Hm, the director has a little reserve, so thank you Sir.

This drink will help me...

DAY 101 Director's Office

A FEW MINUTES LATER

Now I feel better.

Sweet_Doll has her show to do!

DAY 101 Director's Office

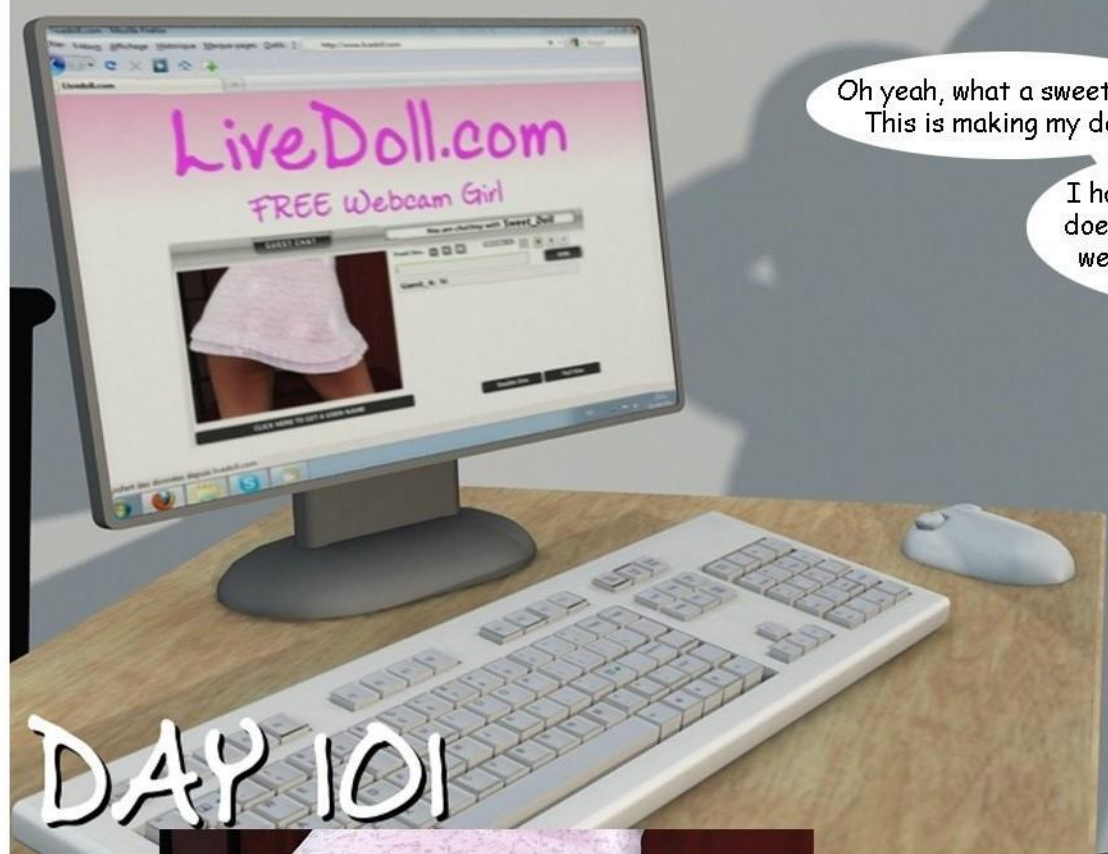

DING!

Let's have a look at the mail.

WOW! this looks appealing. I can't believe it, this thing bypassed the filter!

DAY 101 John's Office

Oh yeah, what a sweet ass!
This is making my day!

I hope that bitch Deborah
doesn't find out about this
weakness in the system...

DAY 101

John's Office

Oh Yeah!
Do you like that?

DAY 101

Director's Office

So let's play,

... SHOW YOUR TITS ...

DAY 101

John's Office

Hm, it's not so bad after all...

This is pretty easy...

DAY 101

Director's Office

Y 101

Dire

I feel fine.

Oh yes...

Oh my God... what have I done...

DAY 101

Director's Office

01

Director's

Have you seen that girl? It was very entertaining.

Yeah, it wasn't bad. She has a lot of potential, but she doesn't have any boobs.

Yep...but I could buy her some stuff if only she had a mailbox...

DAY 101

The Office's Corridor

But I have to admit she made my day!

Yep!

Mine too!

The Office's Corridor

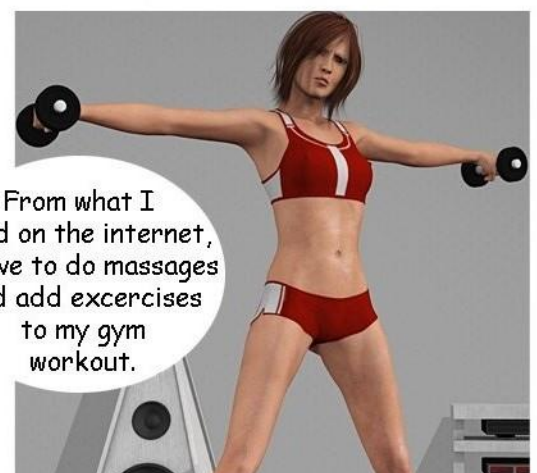

I have to update my website with those videos...

Maybe I should spend more time on my regular work...

They think my breasts are small, huh?

Maybe with this breast enhancement cream I can gain a few cup sizes.

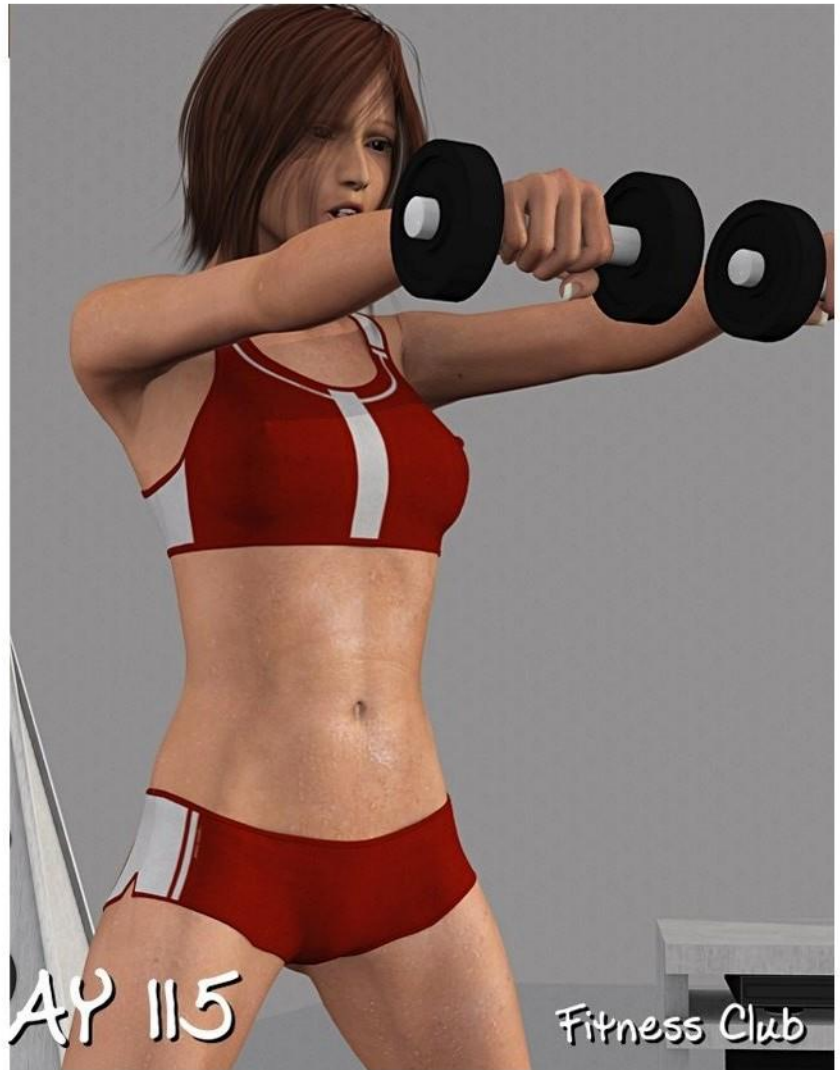

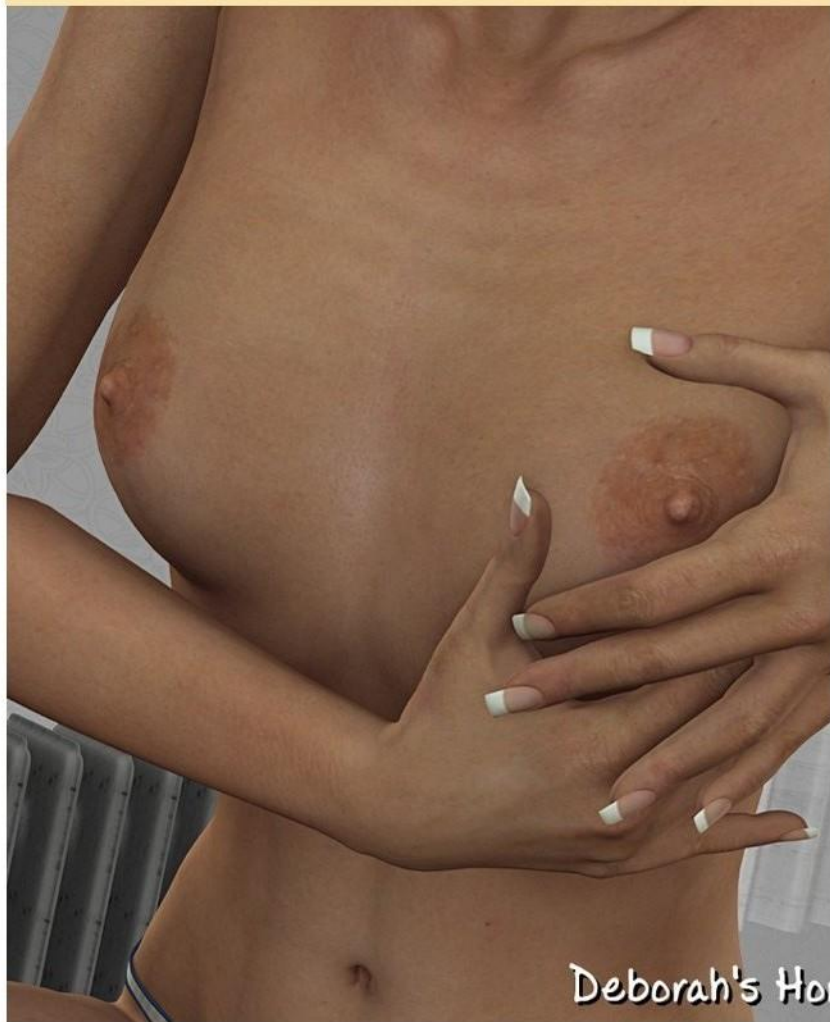

From what I read on the internet, I have to do massages and add exercises to my gym workout.

...THE SHOWS CONTINUE...WHICH BECOME EASIER EACH TIME...

...AND THE DAILY EXERCISES TOO...

No more push-up bras here or they may suspect something...

I have to hurry, I'm going to be late to the gym!

DAY 124

Fitness Club

Those stats aren't bad. I have to continue these shows until the director is ba...

Mmmmh, Oh My God! My nipples are so much more sensitive...

DAY 126

Deborah's Office

Look at my ass!

Hey Sweet_Doll, I just made a donation of \$400. I will give \$400 more if you pierce your lovely belly!

Wow, \$800 for a little sting. Well my dear GuyJ, prepare your money!

DAY 130

Director's Office

Oh yes!

DAY 130

Director's Office

It's almost done.

Ouch!

DAY 132

Beauty Parlor

So sweet! I'm going to give you a tip about piercing healing.

OK...

DAY 132

Beauty Parlor

Oh My God!!

"One must suffer for beauty," so say the French.

DAY 132

Beauty Parlor

As I said, you will not regret it; a lot of men love that. Feel it! Smooth as a baby's bottom!

Thank you again Sheila...

DAY 132

Beauty Parlor

Hi GuyJ,
I hope you
like it!

Oh yes! Its
exactly what I
wanted. Ill
prepare your
\$400!

DAY 134

Director's Office

I sent a little surprise
to your PO box. I hope
you will enjoy it and use
it in front of us.

Oh thank
you, sweetly!

DAY 134

Director's Office

2 NIGHTS LATER, BACK FROM THE POST OFFICE

Oh!
My God!

DAY 136 Deborah's Home

DAY 136 Deborah's Home

I'm not going to use this thing!

DAY 136 Deborah's Home

SEVERAL HOURS LATER

Oh, I drank way too much...

I shouldn't leave this thing in the middle of my living room...

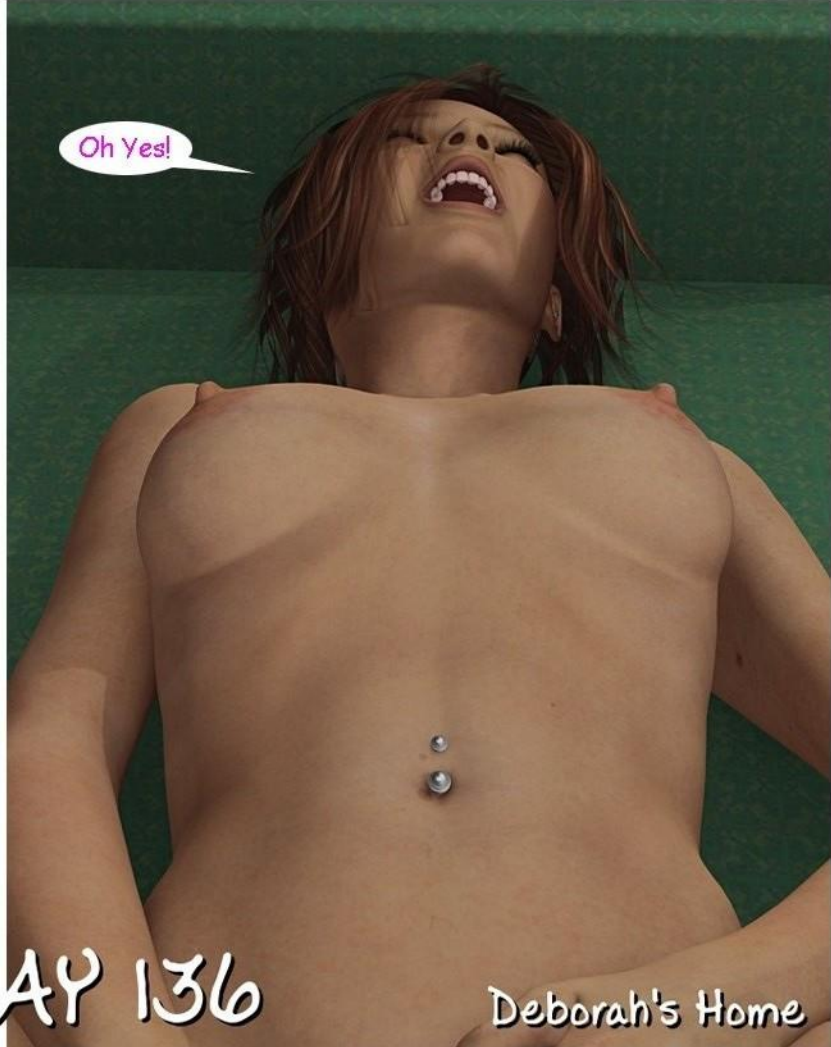

Buzz

giggle

DAY 136 Deborah's Home

SEVERAL MINUTES LATER

DAY 136

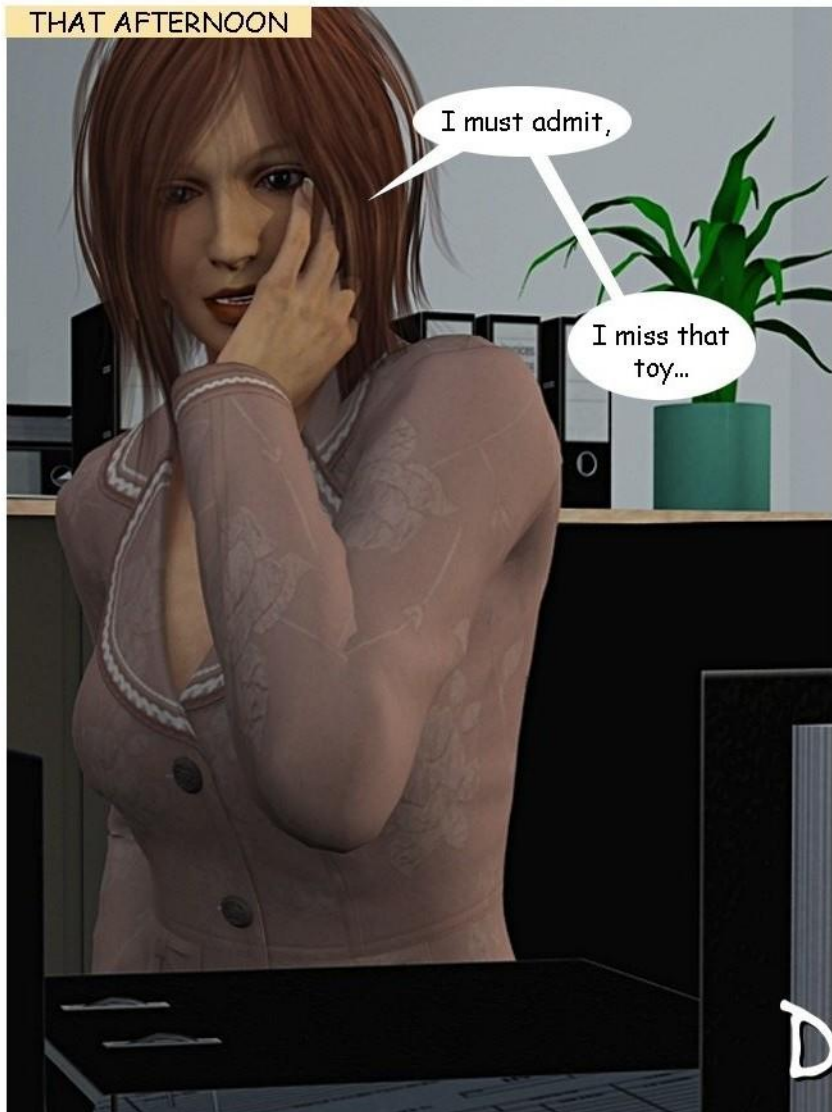

Deborah's Home

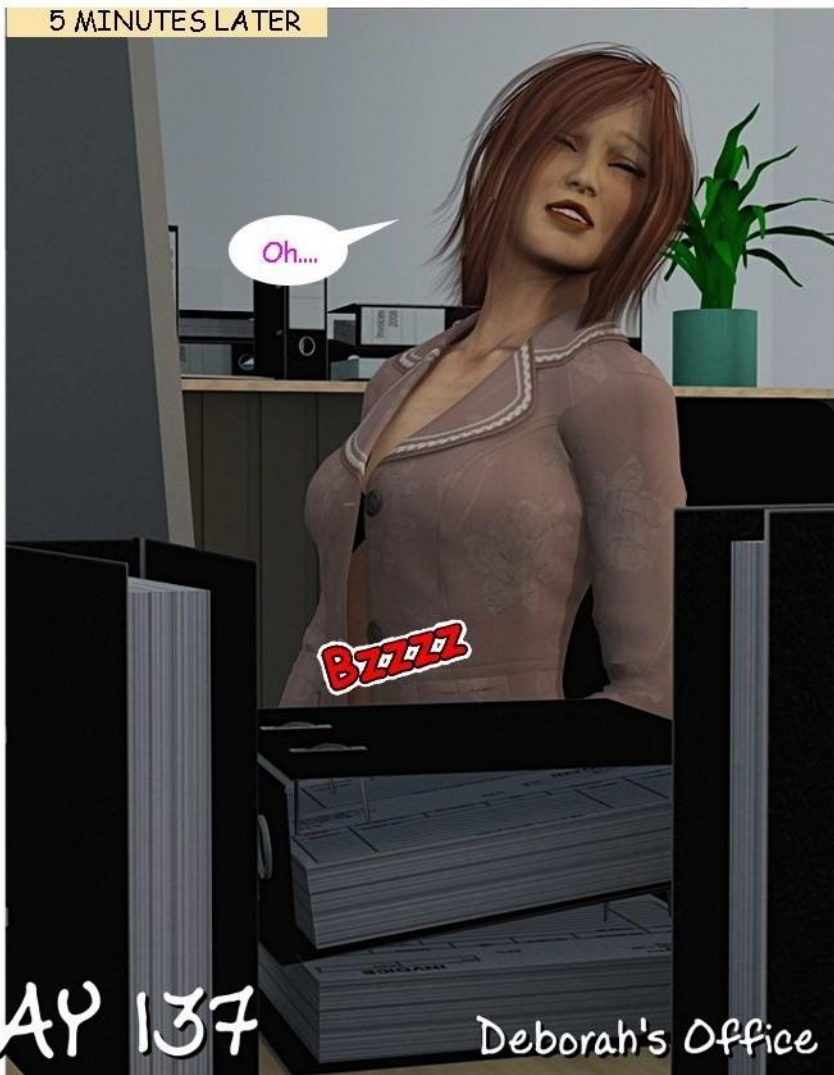

THE NEXT MORNING

THAT AFTERNOON

5 MINUTES LATER

2 DAYS LATER

Yes, kiss it!

I can see that
you enjoy my toy.

DAY 140

Director's Office

2 WEEKS LATER

So this doctor changed my life.

I'm finally myself with these new breasts.

You should consult him!

You're going to love your new color!

DAY 155

Beauty Parlor

I'm so good!

You are perfect!

Oh...thank you Sheila.

So don't forget your appointment!

I'll call him, he can see you tomorrow after you get off work!

But...

You've got nothing to lose!

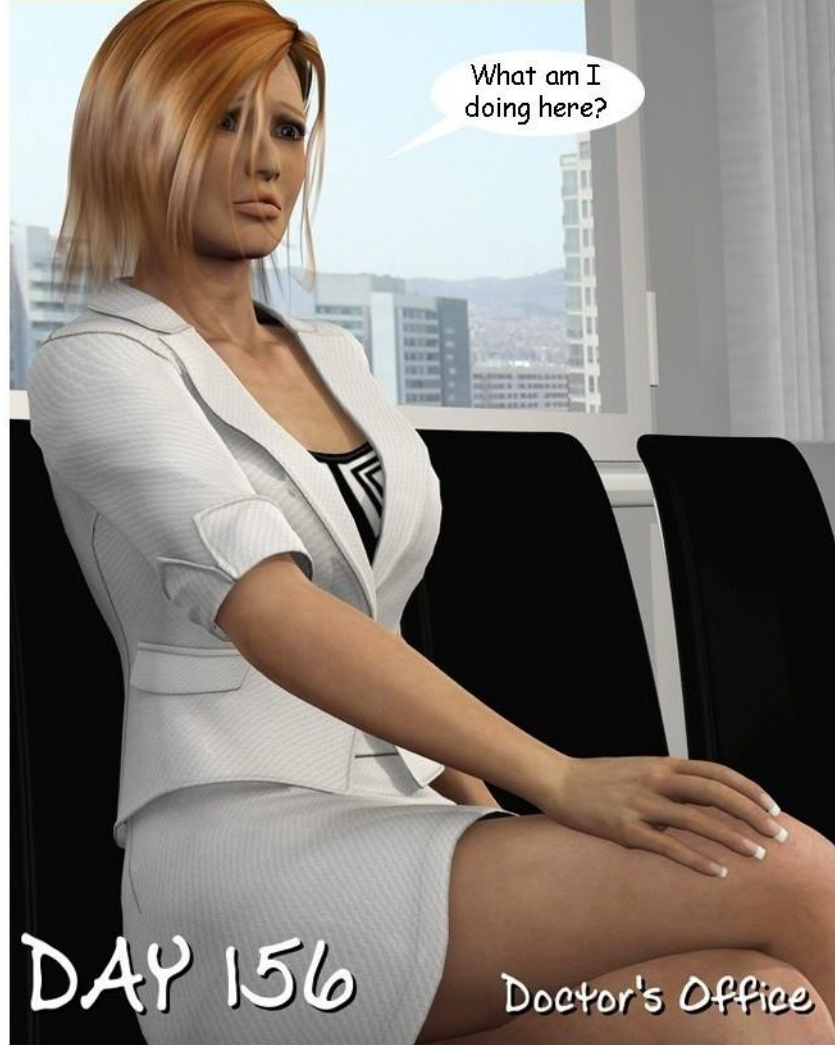

Yes, after all...

DAY 155

Beauty Parlor

THE NEXT DAY, AT THE DOCTOR'S OFFICE

What am I doing here?

DAY 156

Doctor's Office

Sheila told me about you.

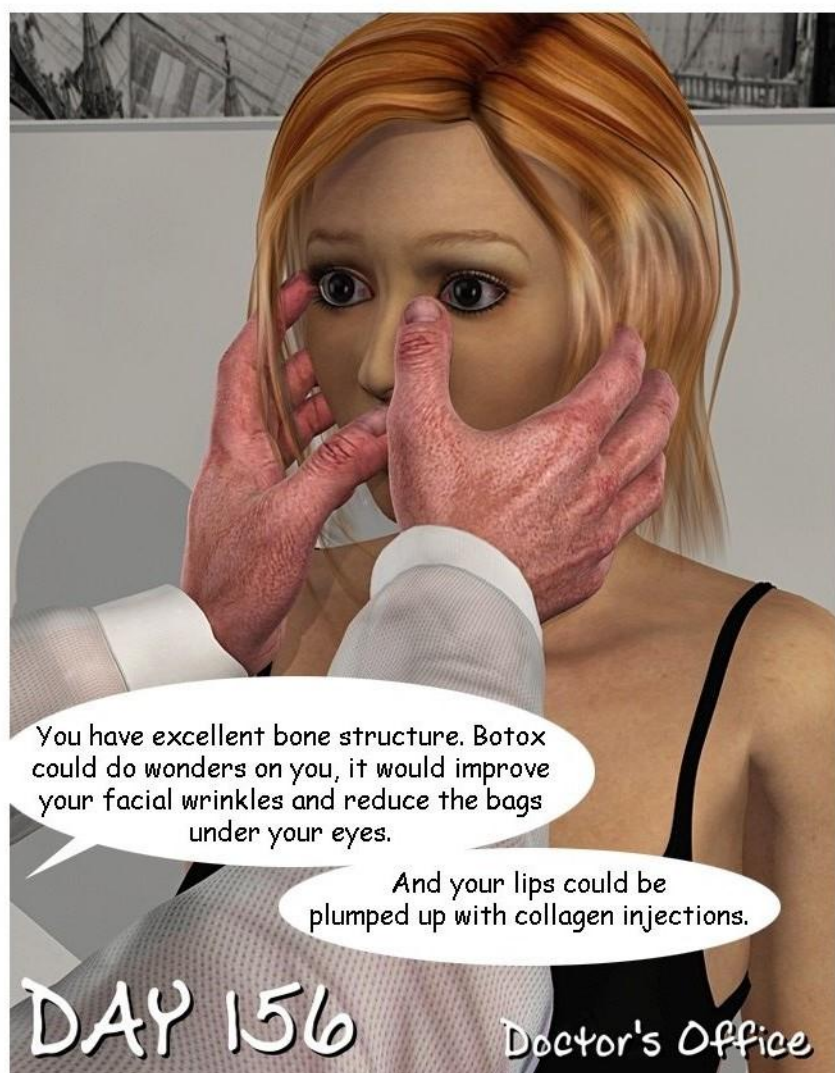

So if you agree, I can start the exam to see what I could do for you.

Hum, OK...

DAY 156

Doctor's Office

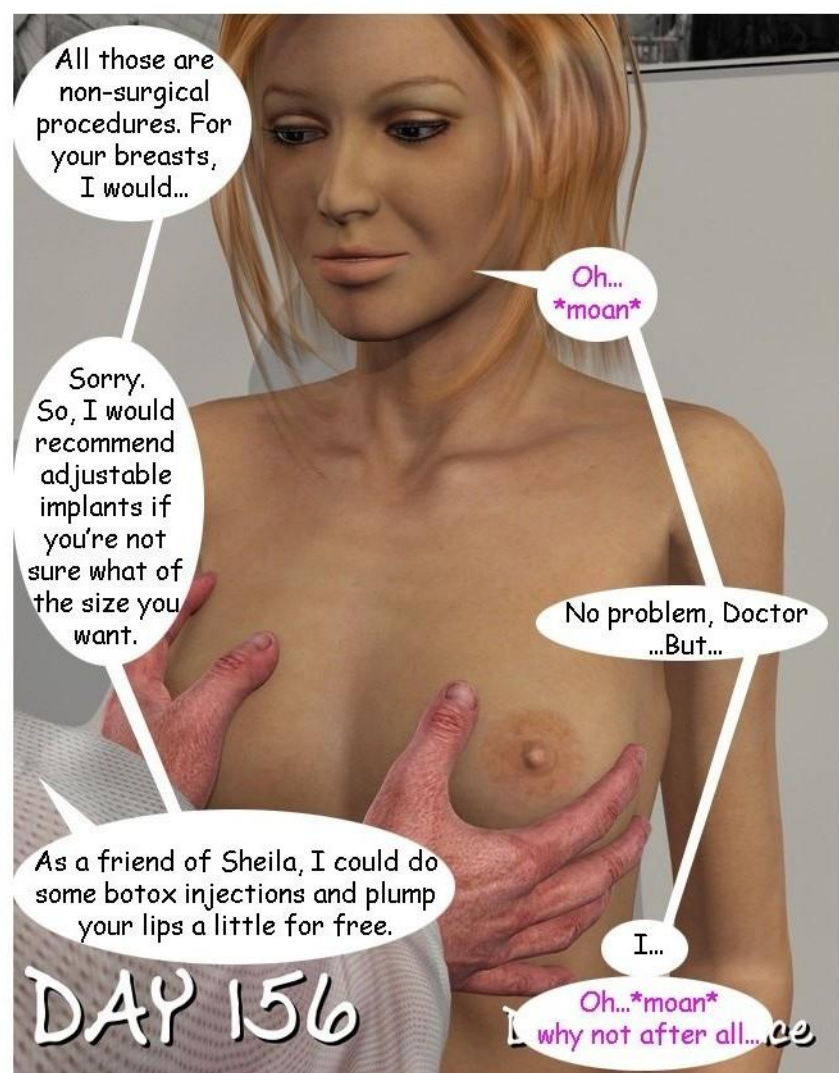

You have excellent bone structure. Botox could do wonders on you, it would improve your facial wrinkles and reduce the bags under your eyes.

And your lips could be plumped up with collagen injections.

DAY 156

Doctor's Office

All those are non-surgical procedures. For your breasts, I would...

Oh... *moan*

Sorry. So, I would recommend adjustable implants if you're not sure what of the size you want.

No problem, Doctor...But...

As a friend of Sheila, I could do some botox injections and plump your lips a little for free.

I...

Oh... *moan* why not after all...ee

DAY 156

All sterilized, let's begin!

First your forehead.

Now for the wrinkles around your eyes.

And finally

This should reduce the bags underneath!

Ouch...

DAY 156

Doctor's Office

Now collagen for the lips!

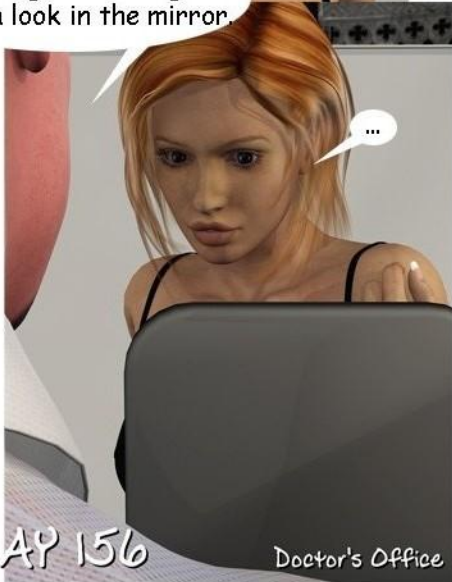

DAY 156

Doctor's Office

They're so puffy.

Everything came out great. Take a look in the mirror.

...

DAY 156

Doctor's Office

They're huge...

The swelling will go down with time...(or not)

Oh Doctor, my whole face is tingling...

Don't worry, take this pill, you will feel better.

Thank you...

DAY 156

Doctor's Office

What are you saying!

That bitch cancelled her operation after all the arrangements I made for her!

Everything's been prepared already, what are we going to do now?!

DAY 156

Doctor's Office

...So if you accept, I will make your breast augmentation half price!

You'll be well enough to go back to work by Monday!

I don't know, I have to think about it...

30 MINUTES LATER

You won't regret this decision...

DAY 156

Doctor's Office

I made the incision,
now I can insert the implant.

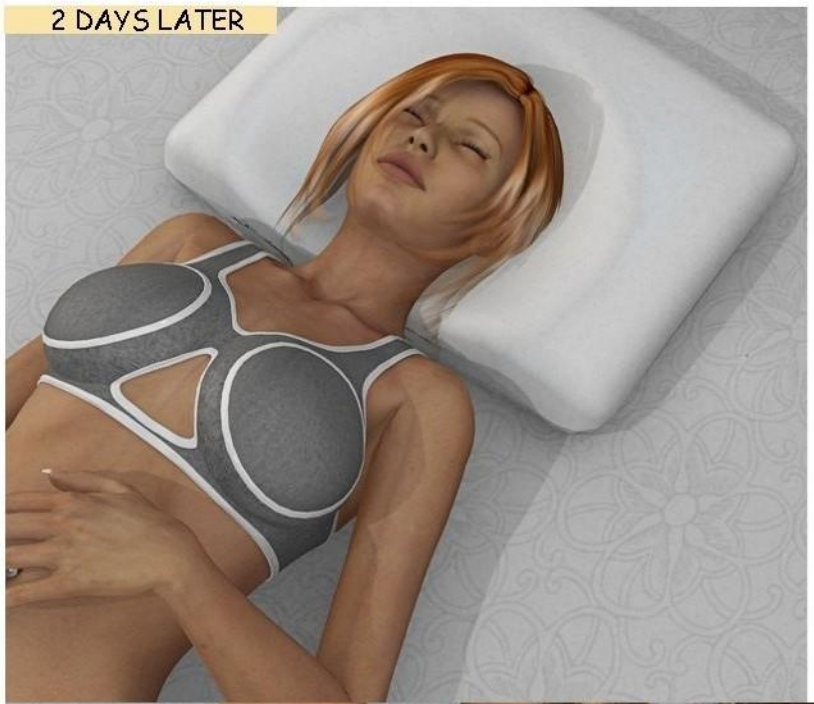

That's it!
Perfect!

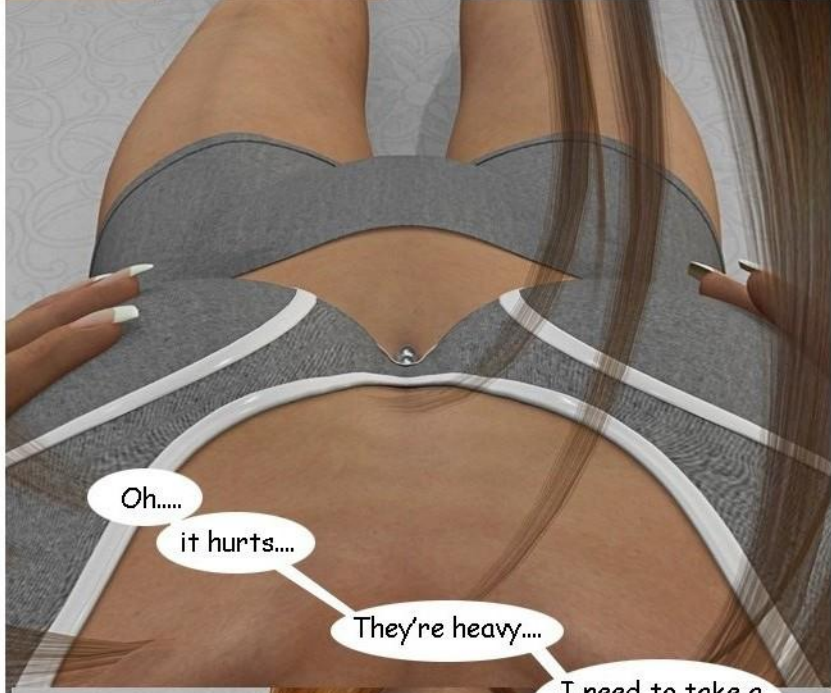

DAY 156

Doctor's Office

2 DAYS LATER

Oh....

it hurts....

They're heavy....

I need to take a
look at them....

DAY 158

Deborah's Home

Shh...
Dr. Frank contacted me after your operation to take care of you.

Don't worry, I have a nursing degree.

But why am I home?

You don't remember? I brought you back yesterday, it seems the anesthesia clouded your mind...

The last thing I remember is that I was in the operating room... But, Sheila, look at my breasts...

DAY 158

Deborah's Home

They're perfect! You're a lucky girl, Dr. Frank has been so nice to you!

But they're huge. They weren't this big in the pictures!

That's why he told me he could adjust the size if you want.

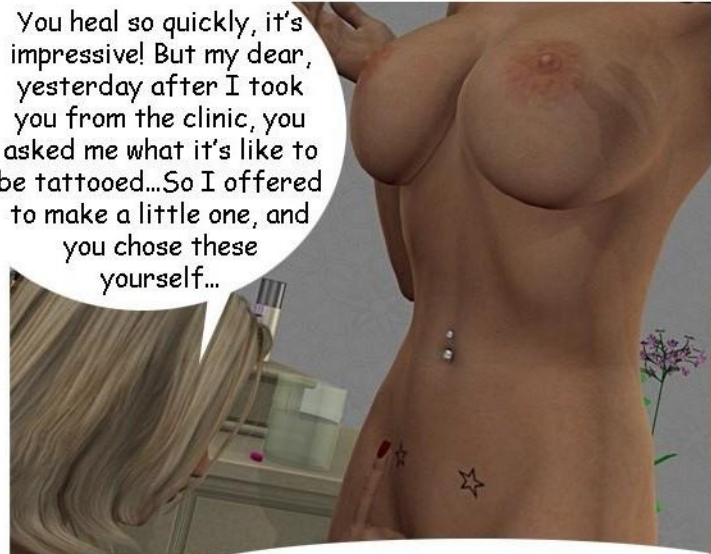

Uh,oooookay...but I'm going to see him soon...

Oh, I forgot your pills... I'll be back.

Why is it stinging around my groin? ...what the fuck is that?!

DAY 158

Deborah's Home

You heal so quickly, it's impressive! But my dear, yesterday after I took you from the clinic, you asked me what it's like to be tattooed... So I offered to make a little one, and you chose these yourself...

You should have seen I was still drugged!

What am I going to do now...?

DAY 158

Deborah's

Oh! I don't like your tone, Miss. So call me only if you have any problems! And you should put your post-op bra back on!!

That's it, good bye!

DAY 158

Deborah's Home

DAY 159 ☆ Deborah's Home

giggle

I should be more careful while using this...

THAT AFTERNOON

My lips are plump enough now...

so pill time...

Wow your boobs are awesome! Cant wait to see them fully!

...Hum...only my old outfit suits me...

Maybe it'll be good to keep a low profile...

DAY 160 Deborah's Home

Me too! And those tattoos fit you so well!!!

Tnx you guys <3

Play with your dildo!

DAY 160 Director's Office

Oh God, I'm still excited...

Deborah, I know what you're hiding...

Maybe we could make an arrangement...

DAY 160 The Office's Corridor

DAY 160 The Office's Corridor

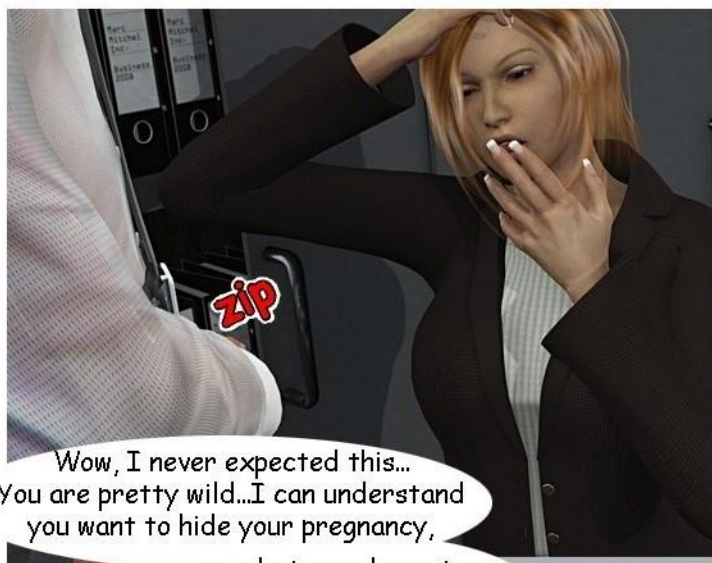

It's quiet here, no one will disturb us

This should keep your mouth shut...

Hu...

what do you mean...

Wow, I never expected this... You are pretty wild...I can understand you want to hide your pregnancy,

but your breasts are already showing; quite impressive, I must say.

Oh yes!!!

DAY 160 Conference room

Pregnancy?!

Hum, yeah! So I hope that will help you keep this a secret...

DAY 160 Conference room

That's it, you can close the door behind you.
I have some files to sort...

DAY 160

Conference room

Oh God, what's wrong with me?!
The first solution I could think of
was to give him a blow job!!

...But it wasn't
that bad...

DAY 160

Conference room

DAY 161

8 DAYS LATER

DAY 170

Director's Office

Hi boys <3

DAY 170

Director's Office

Shes so fucking hot!

DAY 170 HERE TO GET A USER-NAME

LATER

Ever since I finished my pills, it's getting harder to control myself...

I have to contact Dr. Frank, I need some more...

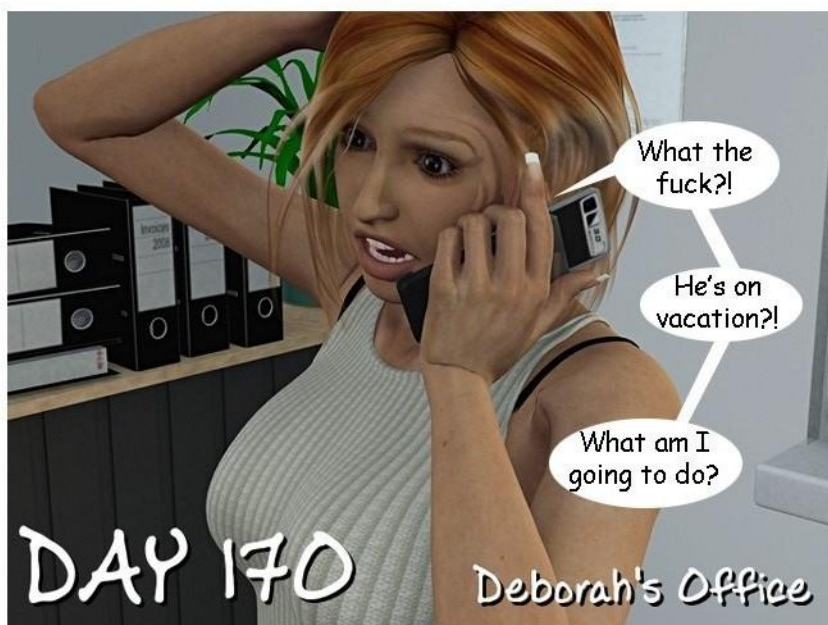

Hey Deb! We need to talk!

DAY 170 The Office's Corridor

WOW, calm down, I'm just a man!

DAY 170 Conference room

What the fuck?!

He's on vacation?!

What am I going to do?

DAY 170 Deborah's Office

AT THE BEAUTY SALON

Look what we have here...

Hello...

So what can I do for you, my dear?

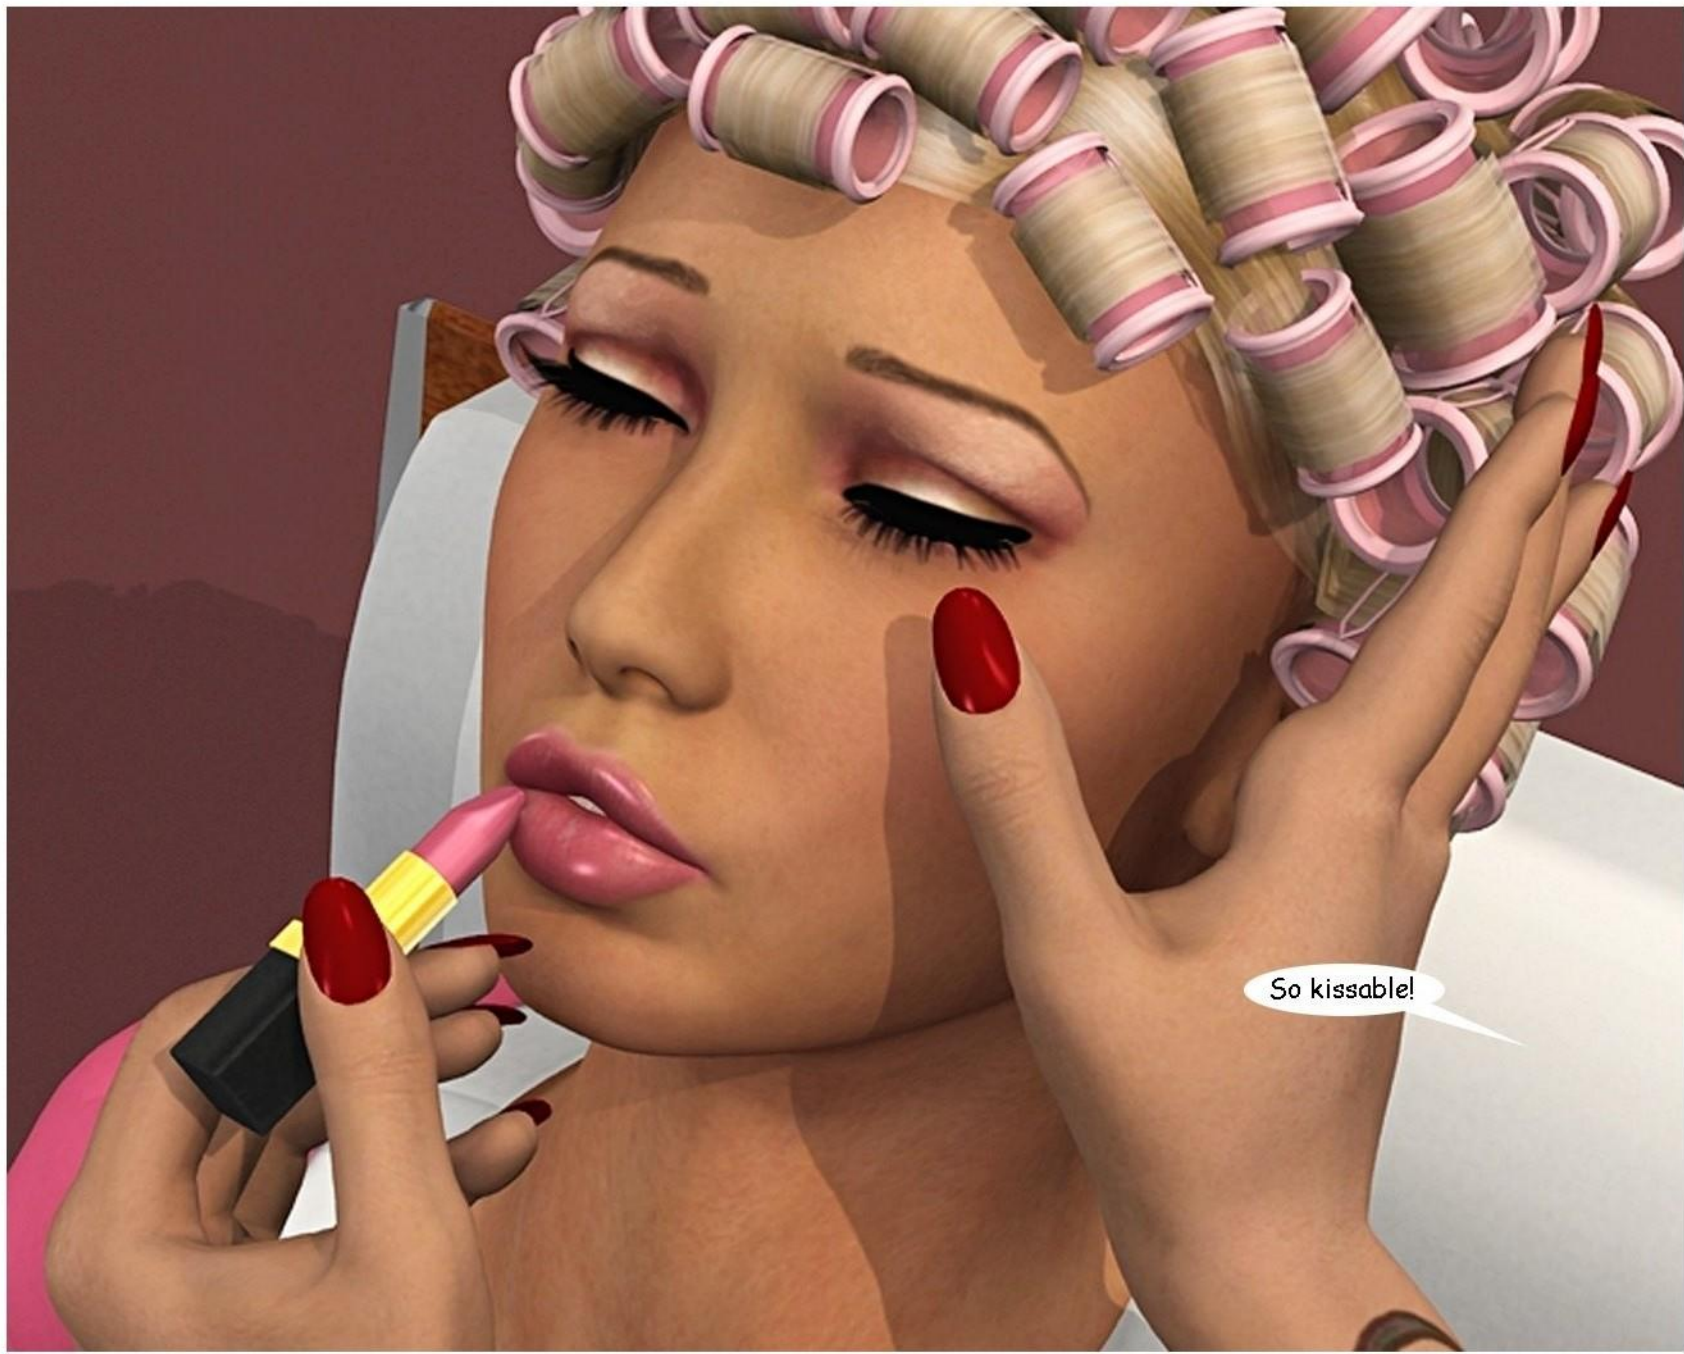

I need your help... Dr. Frank is away, and I need to get more of those pills.

DAY 170 Beauty Parlor

Alright, but you have to follow my instructions!

So kissable!

You deserve a little reward!

At last!

Beauty Parlor

Just as I said, I have a new dancer for you. Look at her, isn't she lovely?

She's quite nice. So as promised, she can dance tonight!

DAY 170

Hey, Sheila! You didn't talk to me about this!

The Club

After this, I promise to give you your precious pills!

But what do they expect me to...

TssTss, I'm sure you know what to do. Here's the final touch! I'm so proud of you, my dear Sweet Doll...

Hu?!

And now please welcome, our new dancer: Sweet Doll!

Look at her, isn't she beautiful!

Oh my God, how did she know? I need to have a serious talk with her...

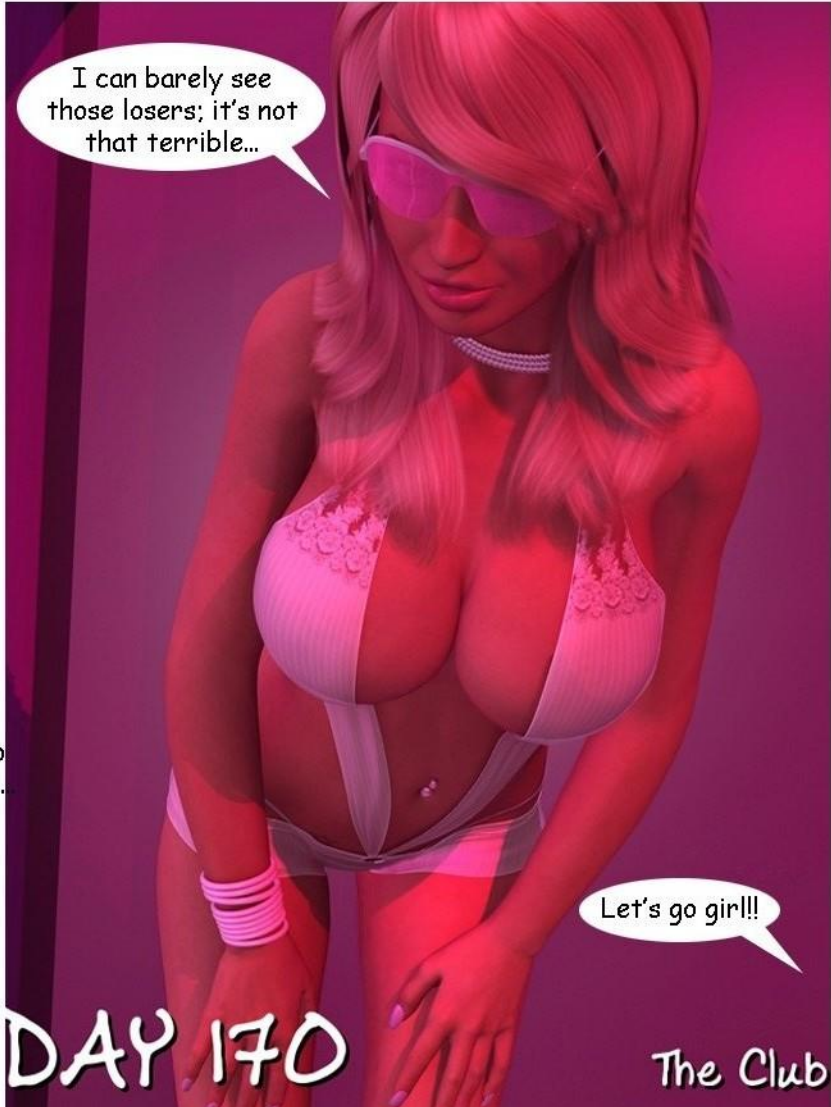

But first, this isn't that difficult, men are so easy...

I just have to do my websam stuff.

DAY 170

The Club

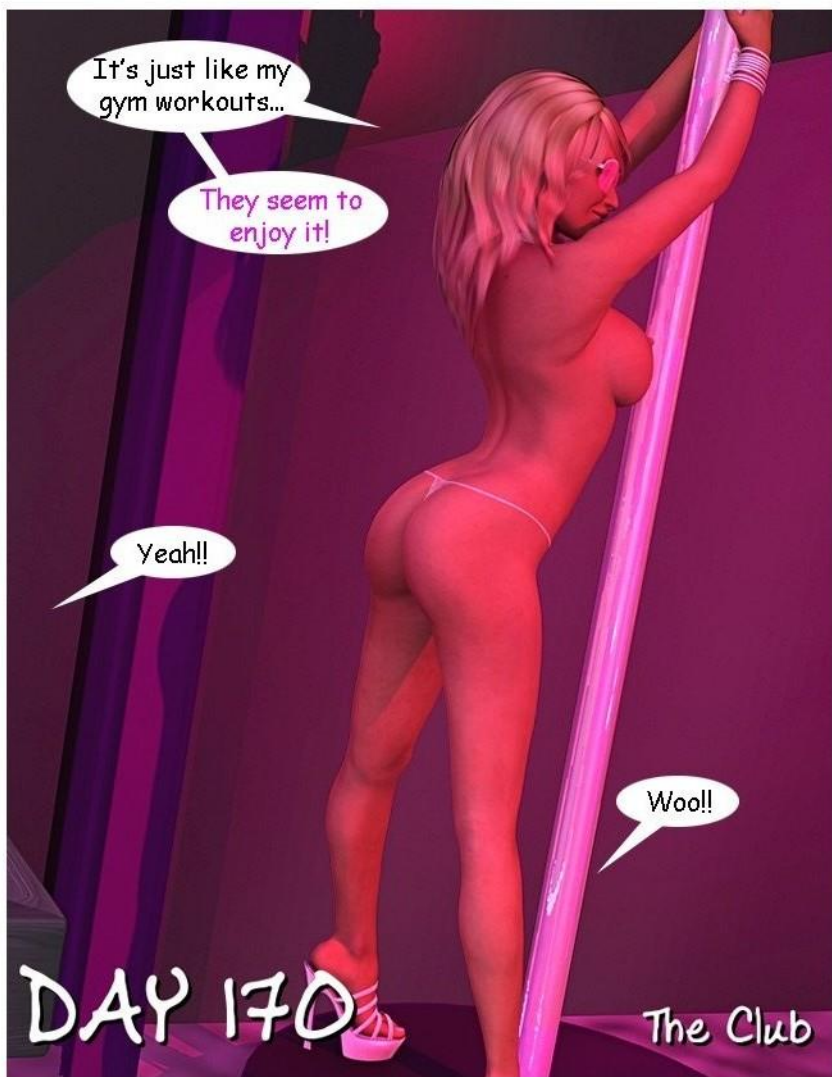

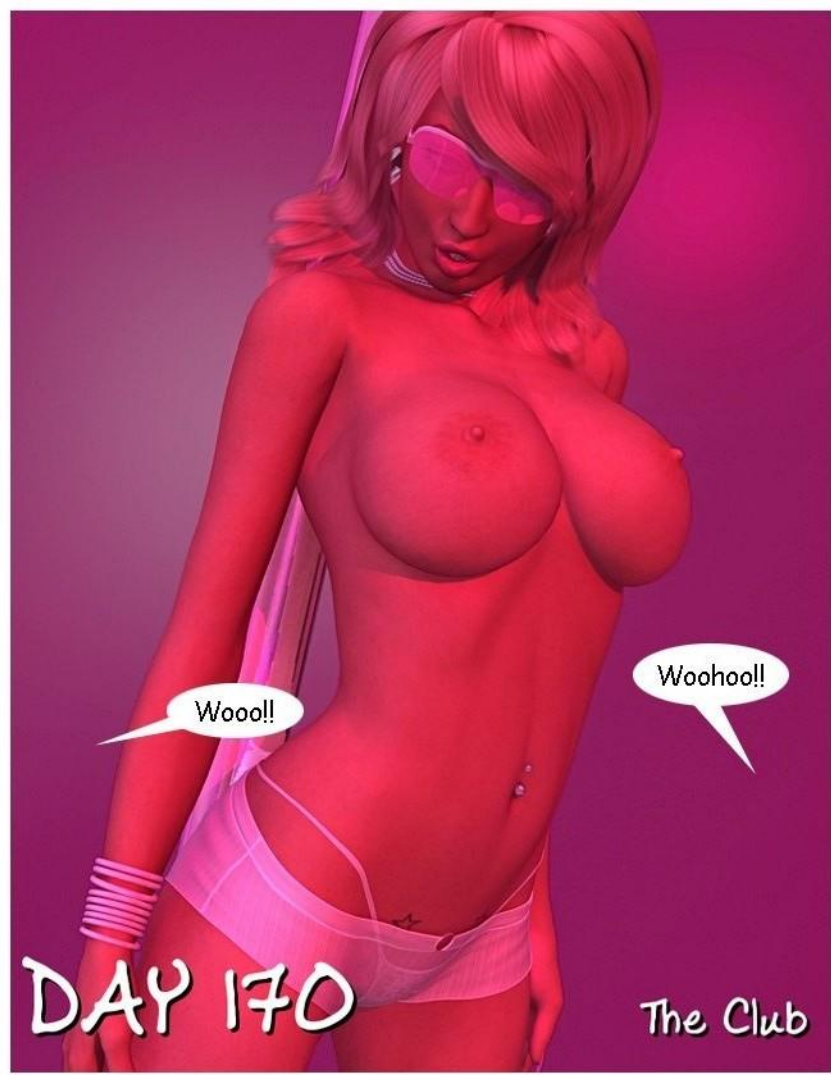

I can barely see those losers; it's not that terrible...

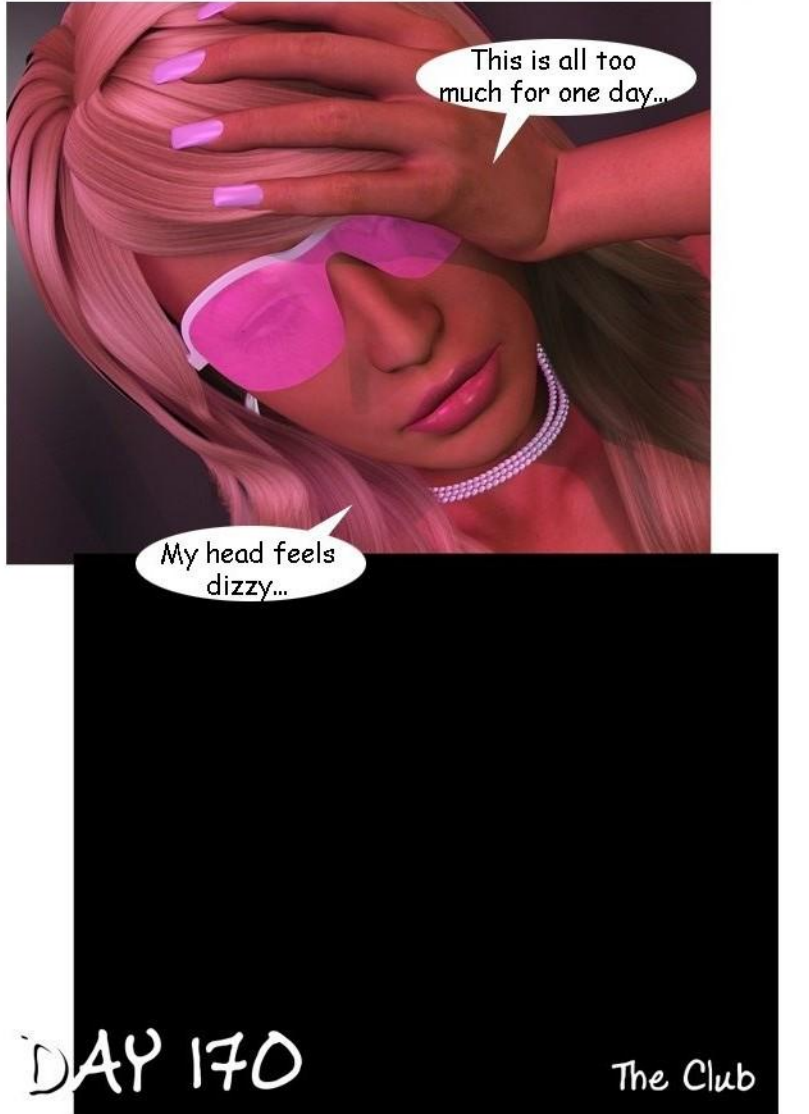

Let's go girl!!!

DAY 170

The Club

AFTER SEVERAL MINUTES

DAY 171

Deborah's Home

DAY 171

Deborah's Home

Deborah's Home

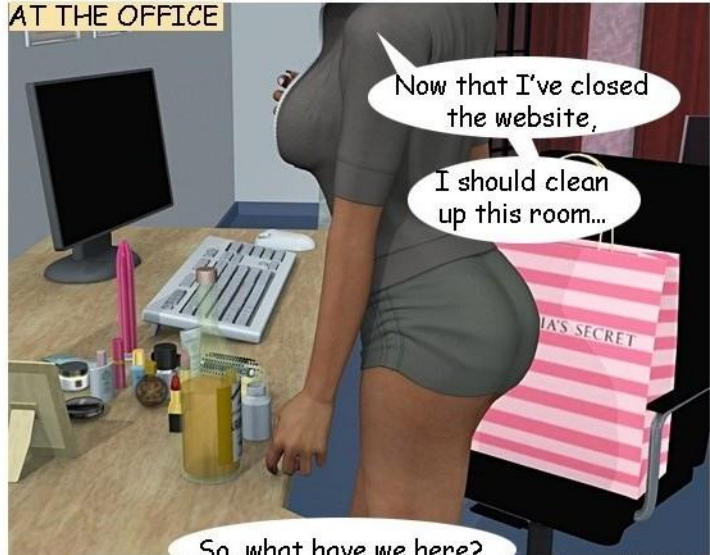

DAY 171

Deborah's Home

...It wasn't...

Now that I've closed the website, I should clean up this room...

So...what have we here?

DAY 171

Director's Office

Oh God! It's you!

But what are you doing here?

DAY 171

Director's Office

It's pretty hard to recognize you. You look really nice. I never thought you would go this far! I'm impressed by you devotion to the company.

Hm?

DAY 171

Director's Office

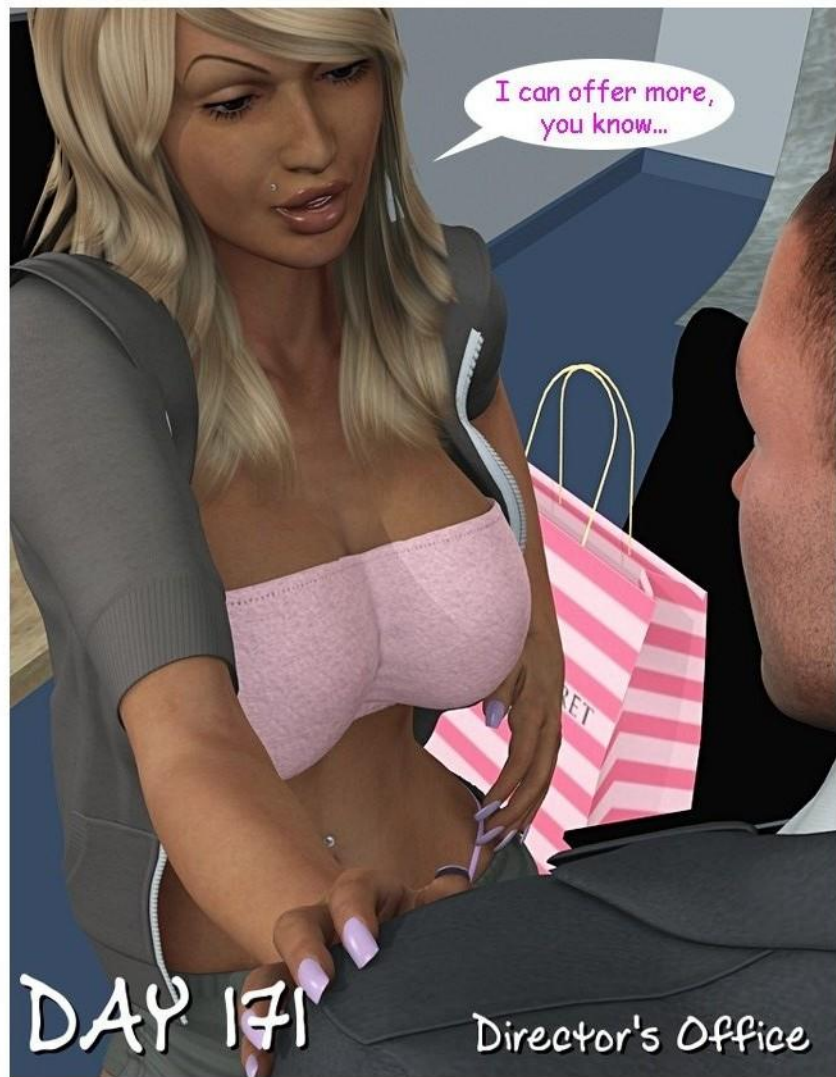

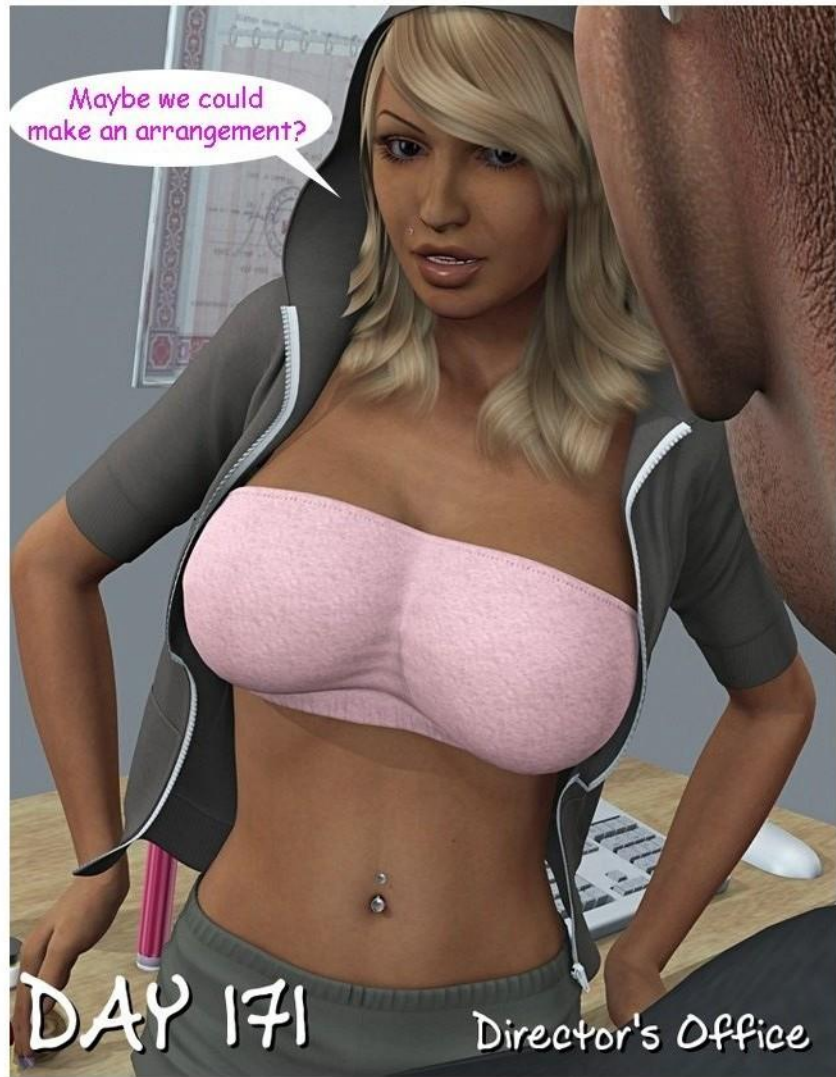

You know, I was still here to inspect all of you. I saw your little shows, quite enjoyable, I admit. I'm sorry to say you are no longer fit as our human resource manager!

What?! The productivity index is excellent!

Yes, but your other affairs are disastrous, and look at what you've done to my office. I can't tolerate this anymore.

You can't do this to me, I need this job!

Director's Office

I'm sure I can change your mind after this!

Oh Yes!

DAY 171

Director's Office

DAY 171

Director's Office

Have you reconsidered?

First, I'd like to introduce you to someone.

DAY 171

Director's Office

Oh no...

Please meet my dear little...

DAY 171

Director's Office

...sister Sheila!

DAY 171

Director's Office

You have done such a splendid job! She's so hot now!

It was easy, I just brought out her real self.

DAY 171

Director's Office

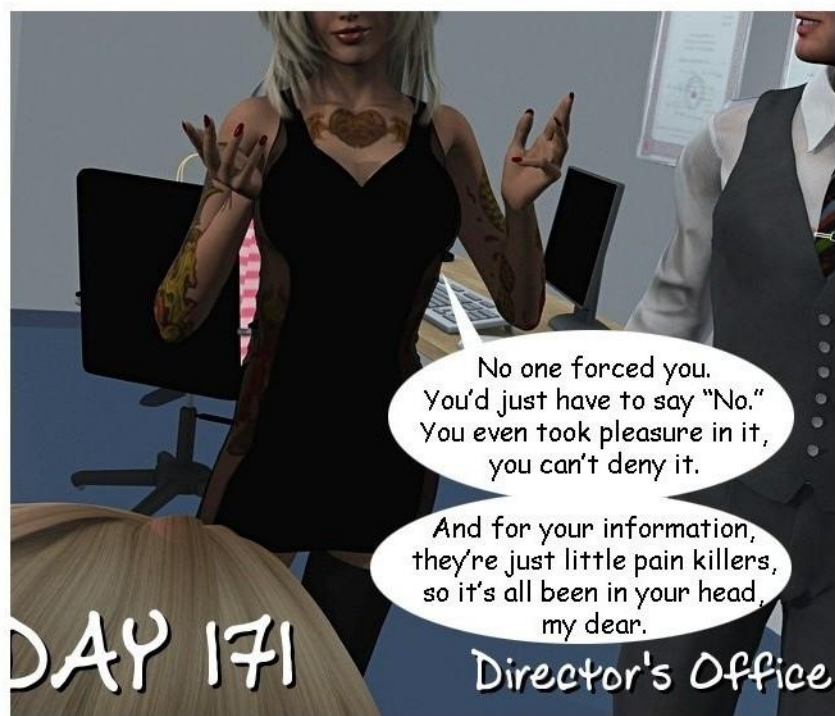

Now I understand

You took advantage of me from the beginning!

And you even drugged me!

DAY 171

Director's Office

No one forced you. You'd just have to say "No." You even took pleasure in it, you can't deny it.

And for your information, they're just little pain killers, so it's all been in your head, my dear.

DAY 171

Director's Office

So here's the new deal...

...

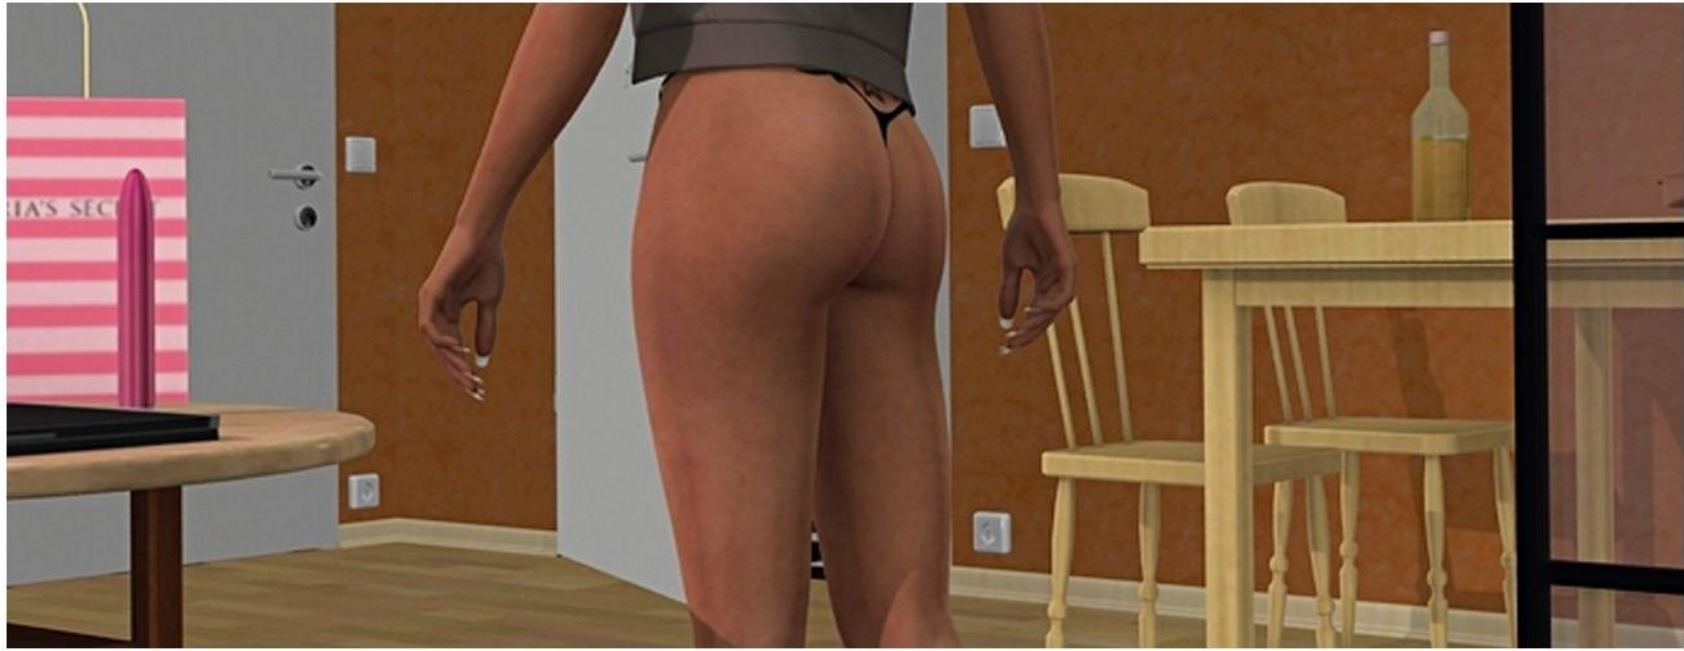

DAY 171

Director's Office

2 WEEKS LATER

DAY 185

DAY 185

DAY 190

DAY 200

I'd never think of starting again...

DAY 200

Well, let's go...

DAY 200

29 DAYS EARLIER

I don't need Deborah, the human resource manager anymore. I want Sweet Doll to work here!

If you want to stay with us, you have to become her. You can quite, of course, but after this, you really think someone's going to take you seriously?

As long as you continue to manage your website, your pay will be doubled. I'll be watching you, and when all is ready for your "return," I'll call you.

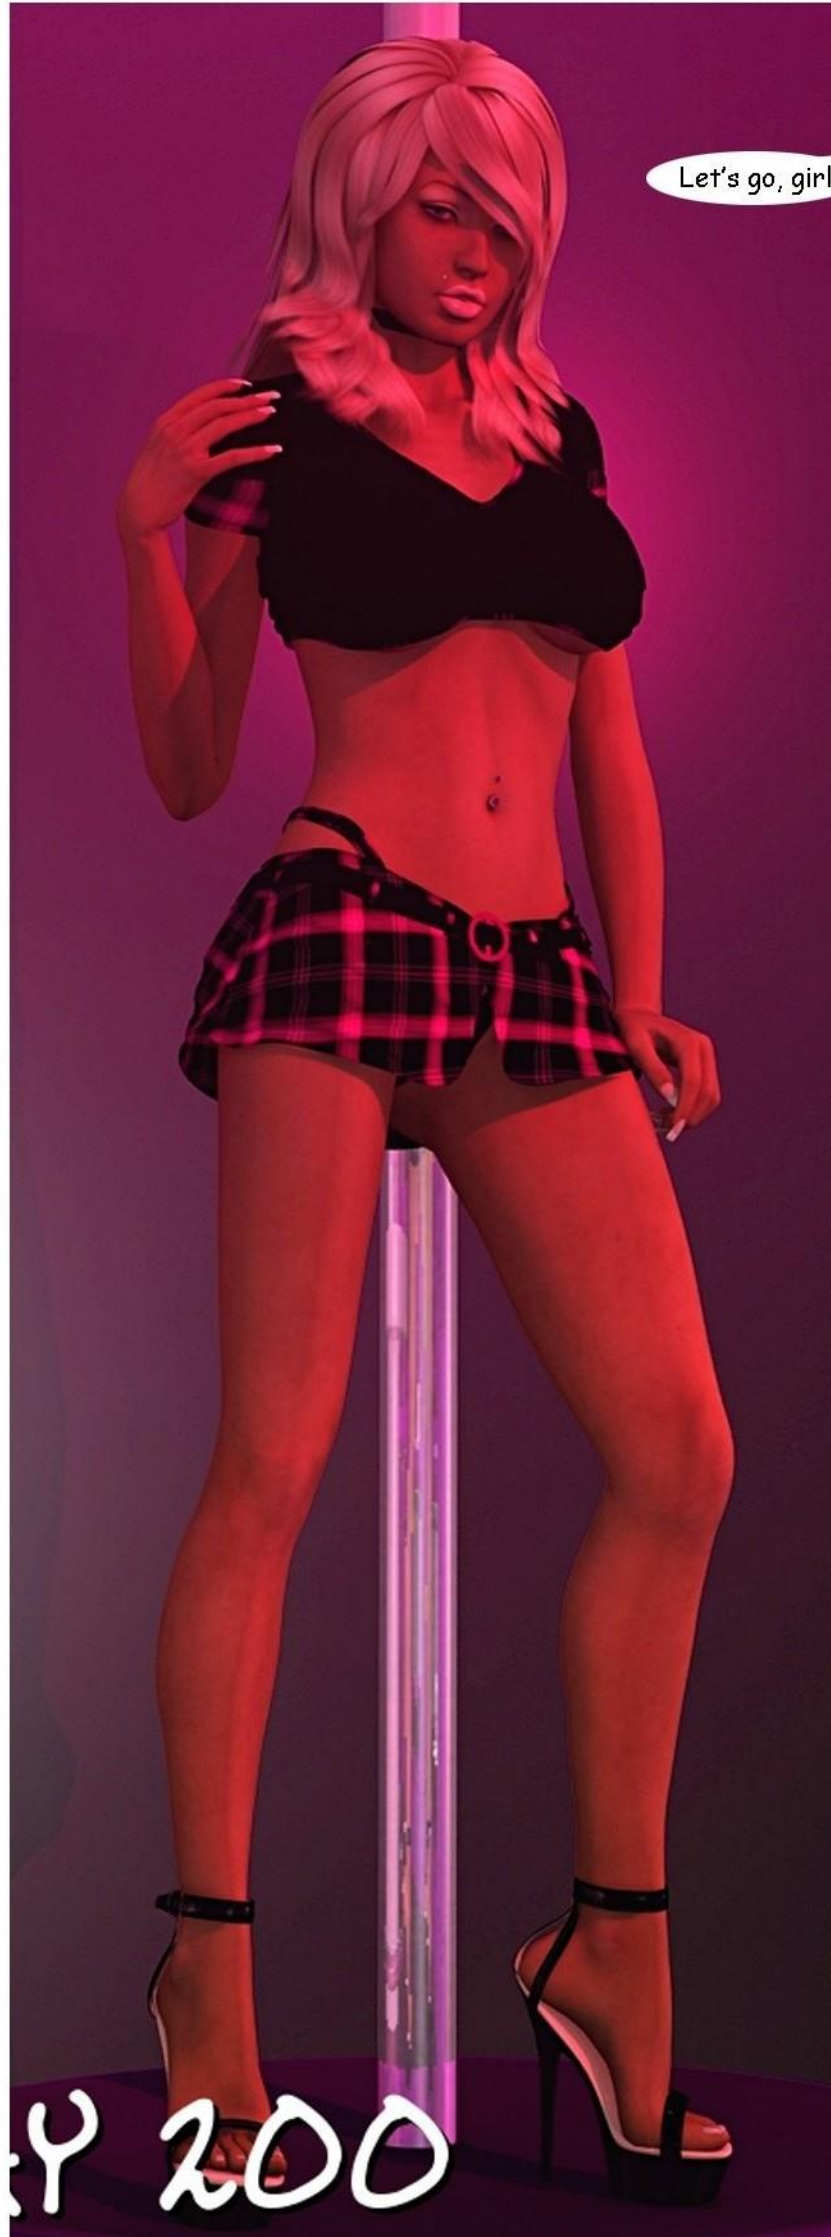

BACK AT THE CLUB

Mmmmh...

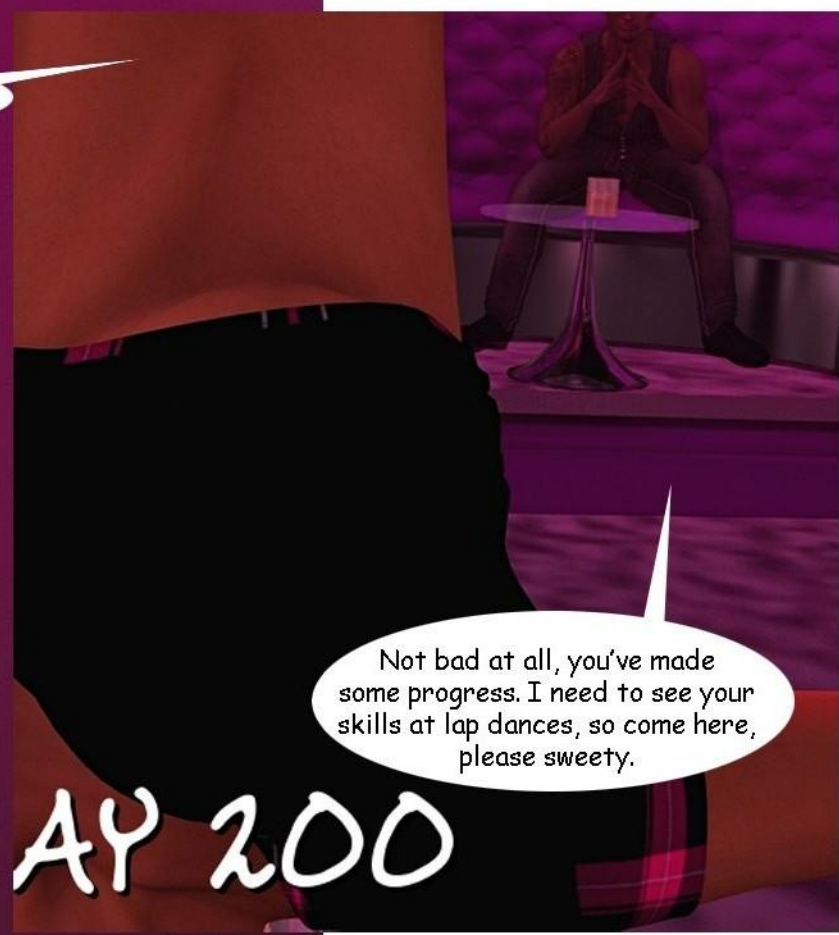

OK, OK...

I'll give you another chance.

DAY 200

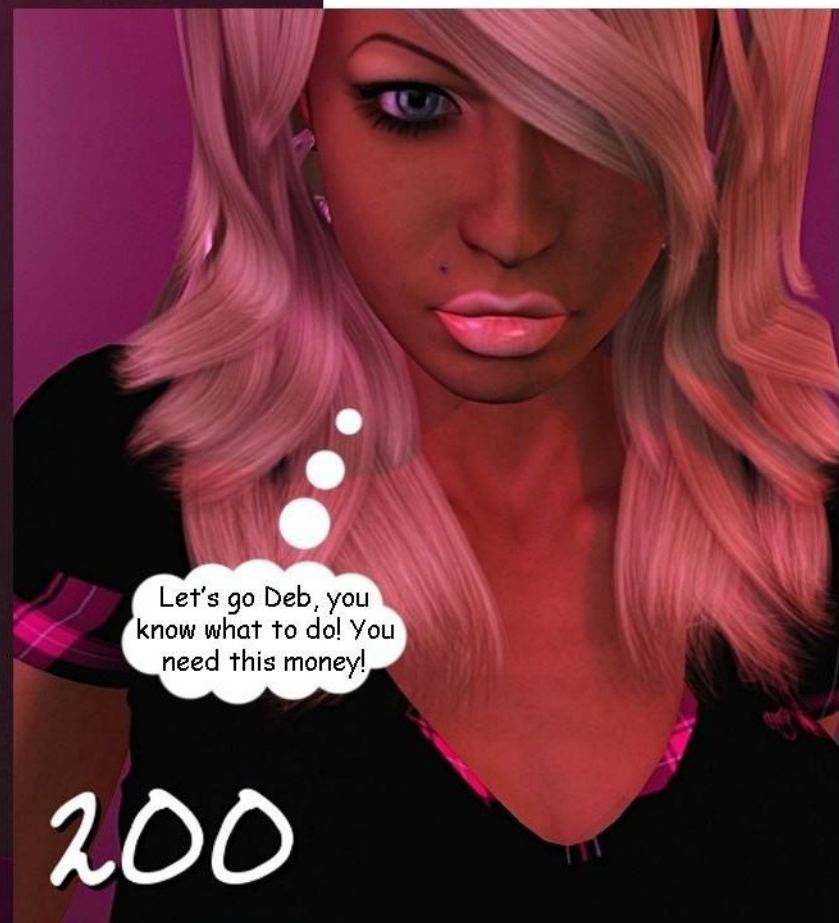

Let's go, girl!

Not bad at all, you've made some progress. I need to see your skills at lap dances, so come here, please sweetie.

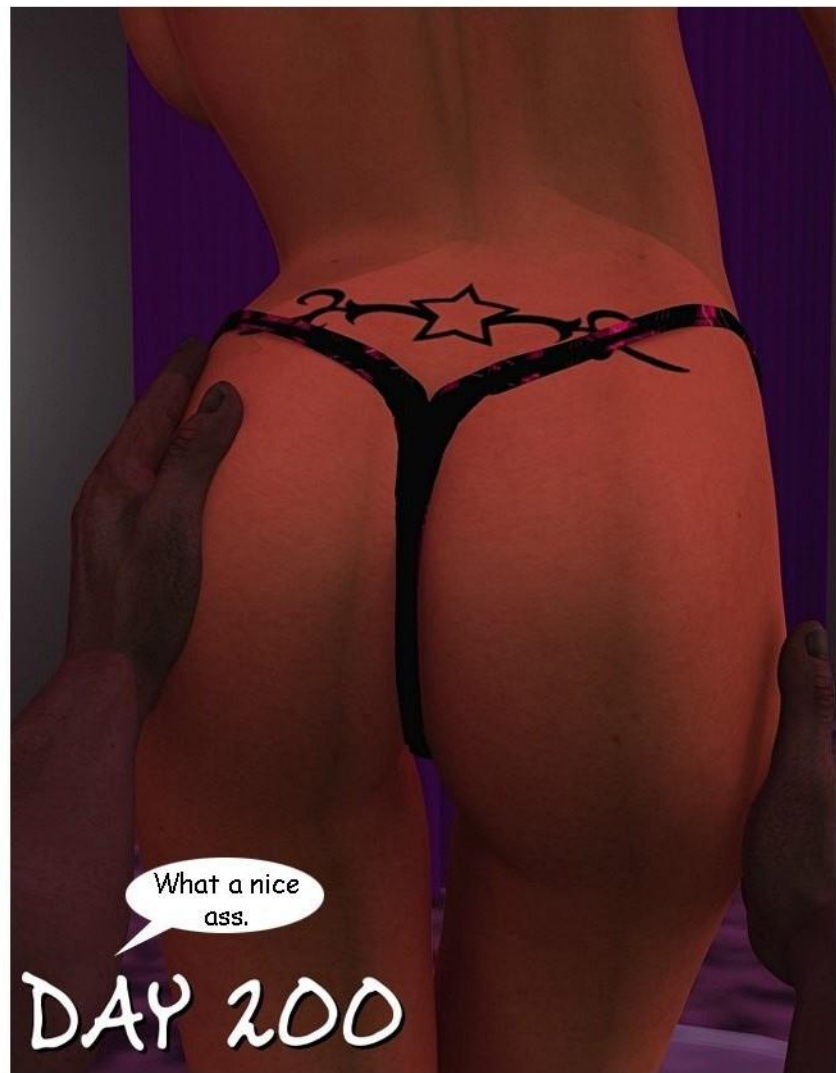

AY 200

Let's go Deb, you know what to do! You need this money!

200

AY 200

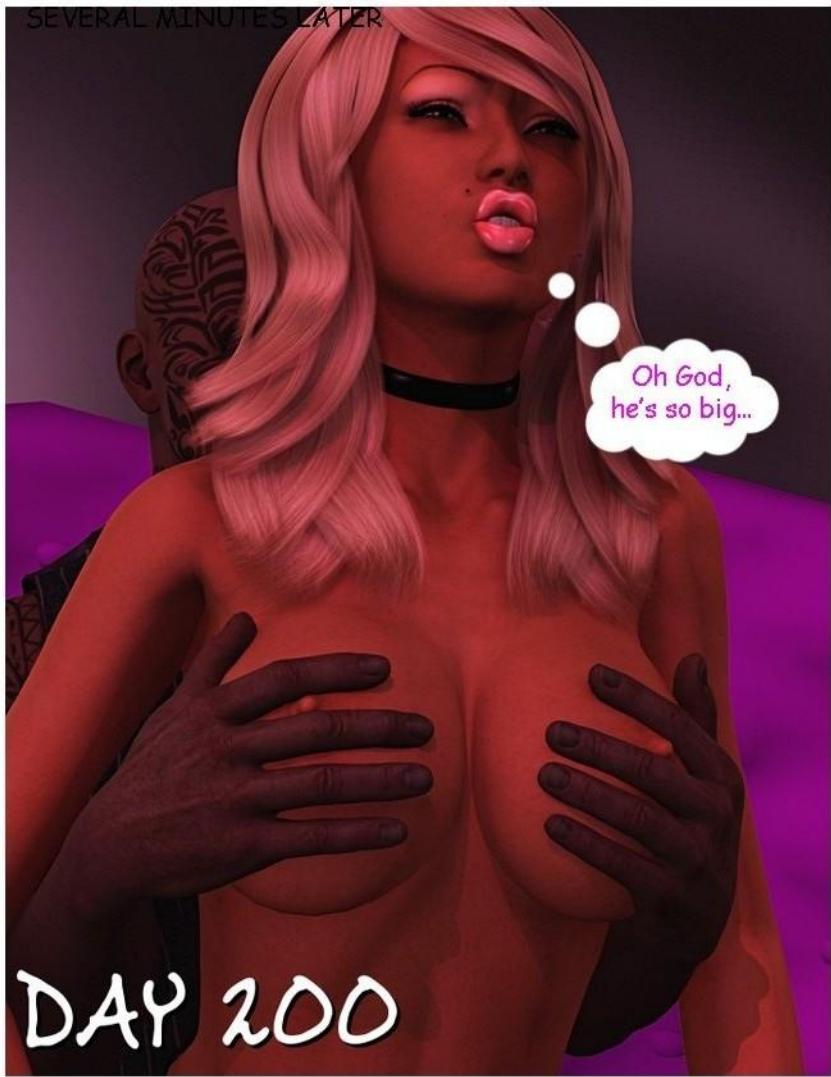

His hands feel so good.

Mmmmm...

It seems that someone is getting excited.

DAY 200

SEVERAL MINUTES LATER

Oh God, he's so big...

DAY 200

Yeah that's what I want! You're hired!

YES!

OH YES!!!!

DAY 200

I want to know what you think of this pose.

Huhu, you don't waste time; I like that.

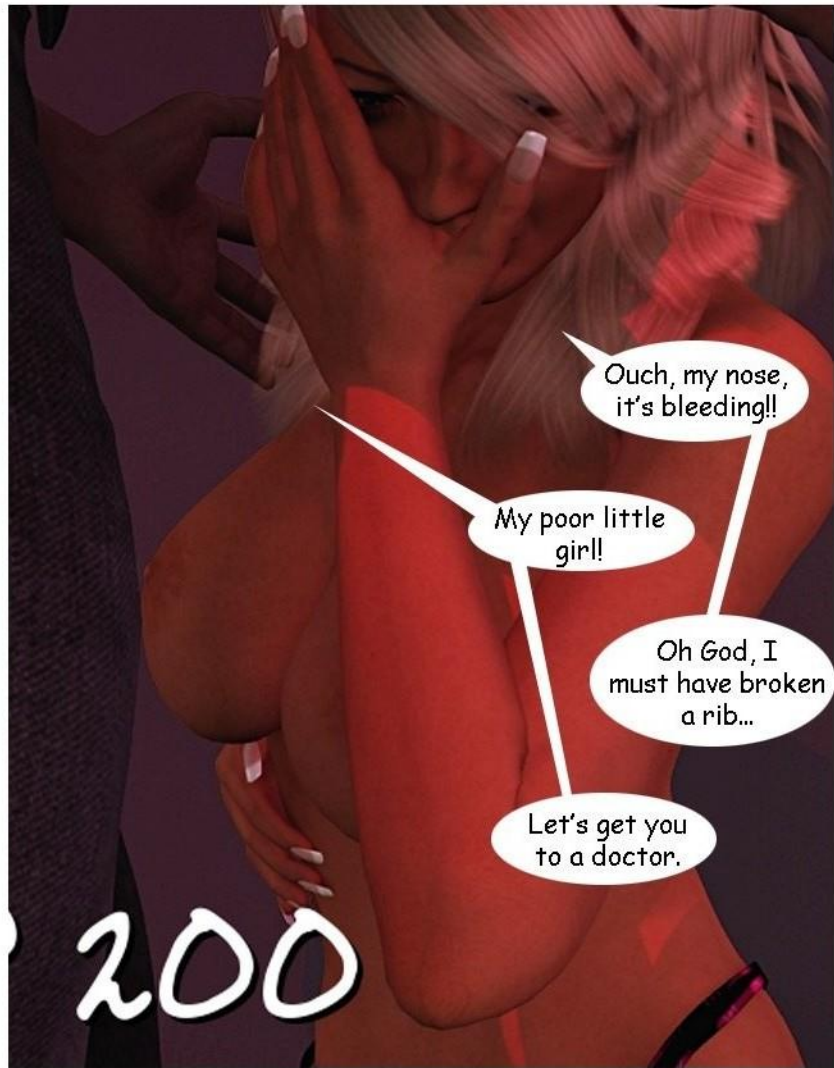

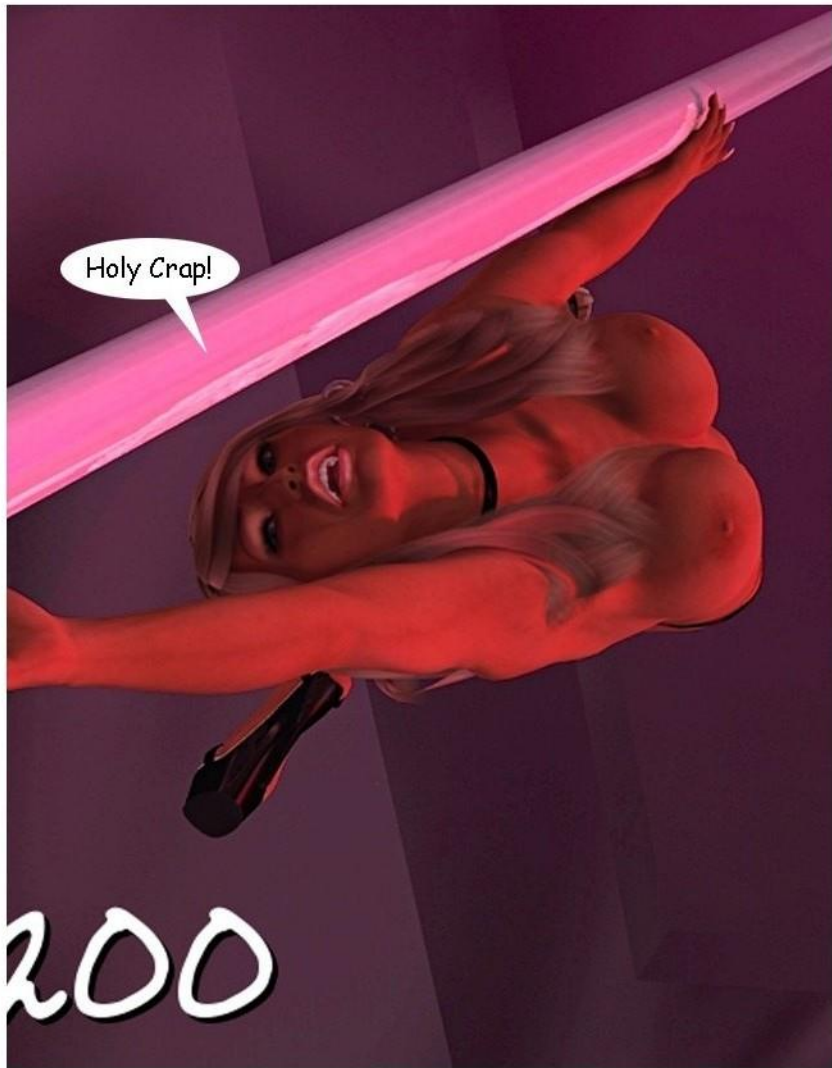

Show me!

My hands maybe a little too moist from all this mess...

...It should be OK...

DAY 200

I look like a freak,
I screwed up everything...

What am I going to do?

sniff It's already hard paying the bills from my last surgeries.

First, we should reduce the size of these implants,

I can understand...

Hu...
that's not what I had in mind...

Don't worry about that, I will take good care of you,
and make you even more beautiful.

Oh thank you, Doctor!
I will do anything you want!

DAY 200

Y 200

Are you sure?

I've never been so sure about anything in my life!

Y 200

Don't worry, everything is under control.

I'll take care of her.

OK, Doc.

Y 200

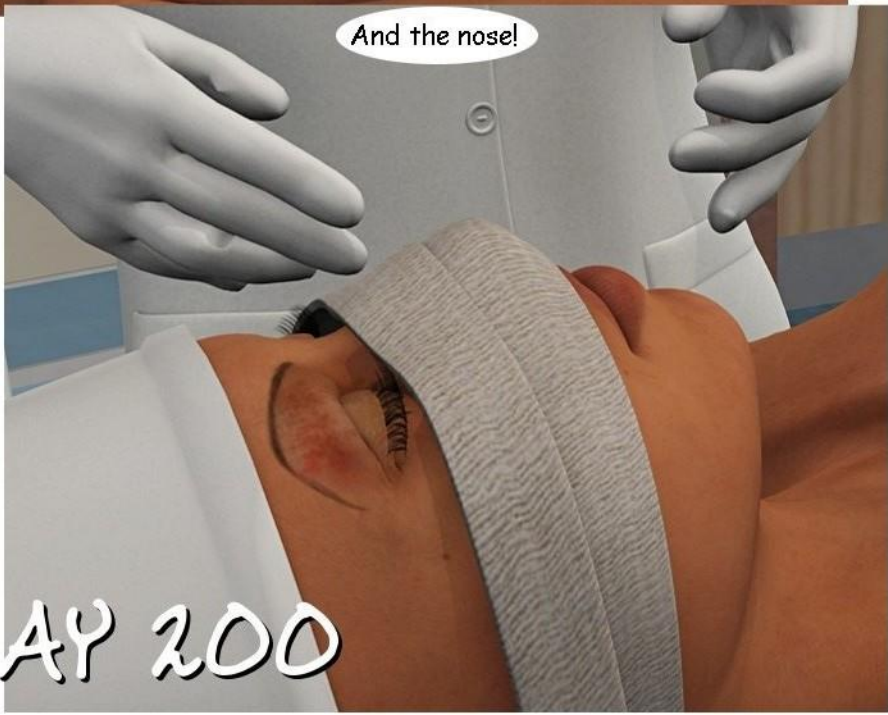

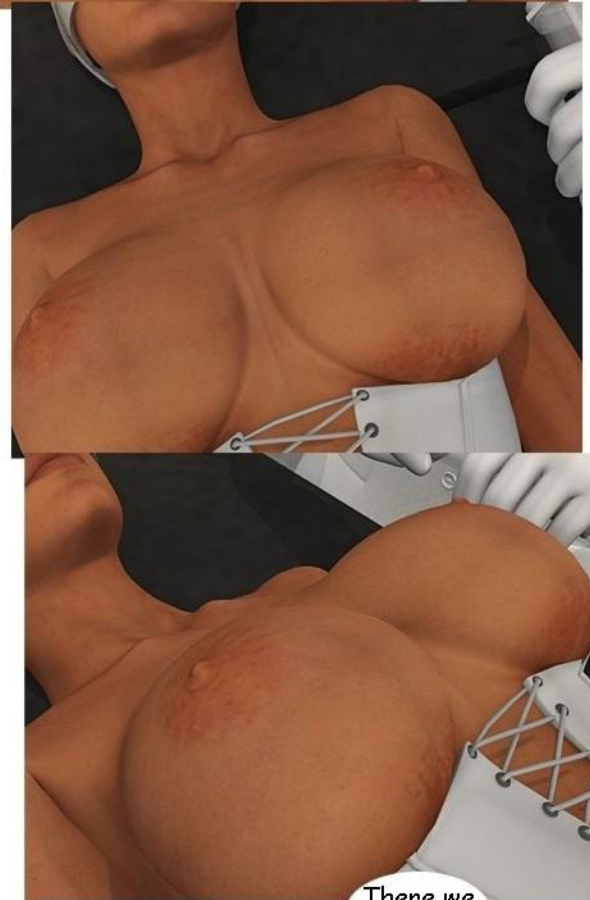

Good night, Miss.

Ribs done!

And the nose!

DAY 200

There we are, all done for today.

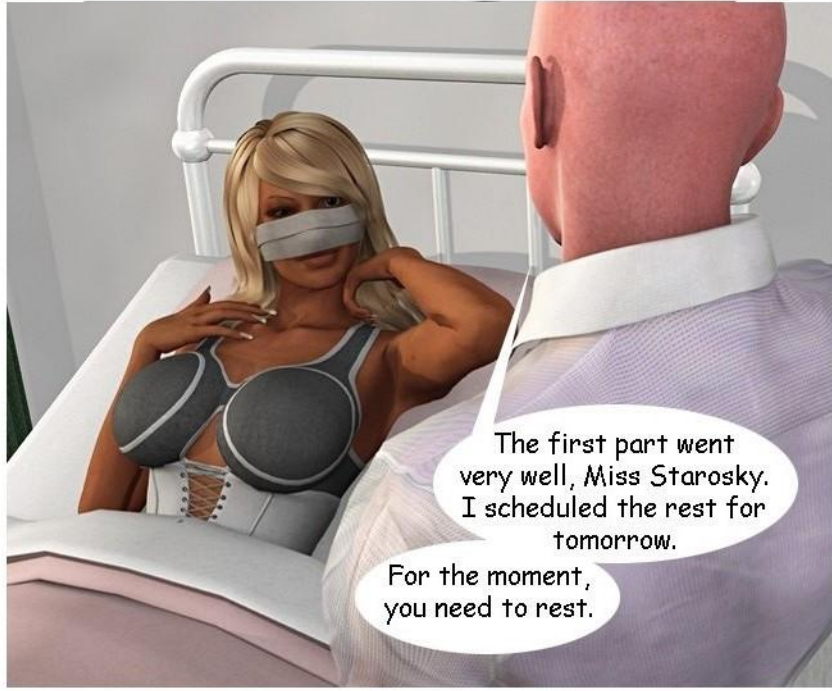

DAY 200

THE NEXT MORNING

Say hello to mommy!

Y 201

The first part went very well, Miss Starosky. I scheduled the rest for tomorrow. For the moment, you need to rest.

You know, just before my fall, I realized something:

I was ashamed of what I've become,

but deep down, I never felt more alive!

I don't want to lie to myself anymore.

Thank you for being so kind.

moan

Y 201

LATER, DEBORAH DREAMS HAPPY THOUGHTS

DAY 201

But don't worry, I'll be back!
I'm in good hands :)
xoxo, Dolly

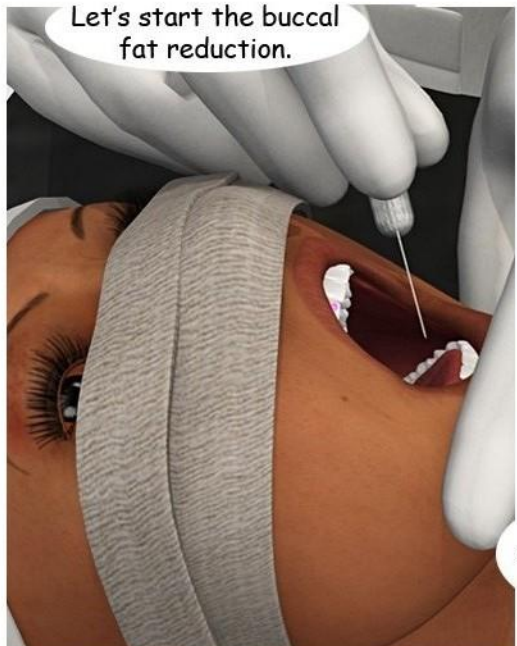

Your teeth are fixed,
and I made them whiter.

DAY 202

The little diamond you chose looks really nice!
For everything else, just a local anesthetic will be needed.

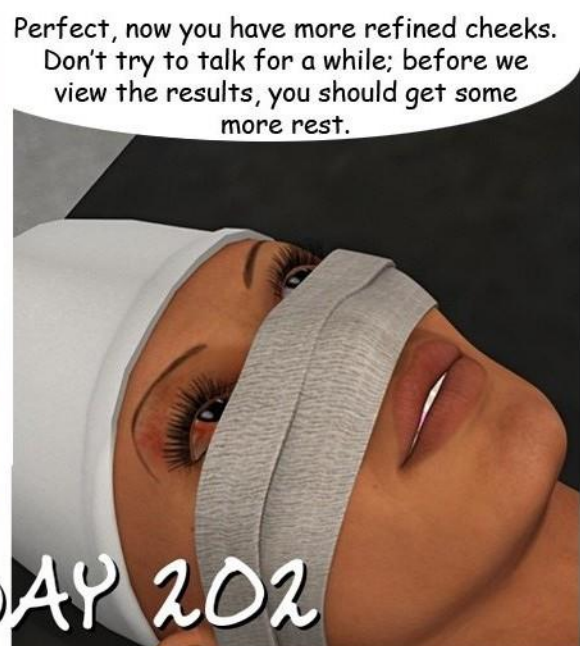

DAY 202

Let's start the buccal fat reduction.

That's it, now I'll remove the fatty pad in this cheek...

Perfect, now you have more refined cheeks.
Don't try to talk for a while; before we view the results, you should get some more rest.

DAY 202

2 DAYS LATER

WOW, you heal so fast...
It's impressive!

DAY 204

I had to remove your broken rib, there was a high risk of septicemia.

It's clearly improved your figure

DAY 204

You can remove your bra...

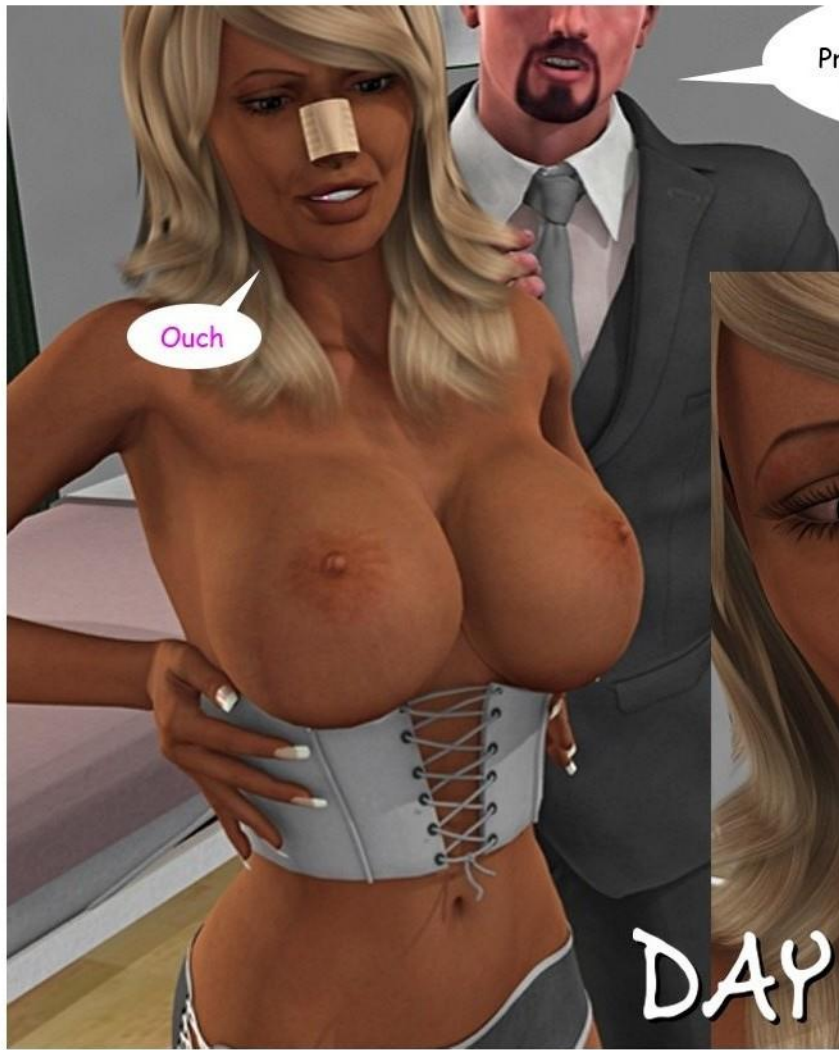

Oh God

DAY 204

But I have to warn you...

DAY 204

You have to keep the corset on for the moment. Prepare for your return home. I want to see you again in one week to remove the bandage from your nose and ther sutures in you mouth...

You should avoid sports and you-know-what, including oral activities.

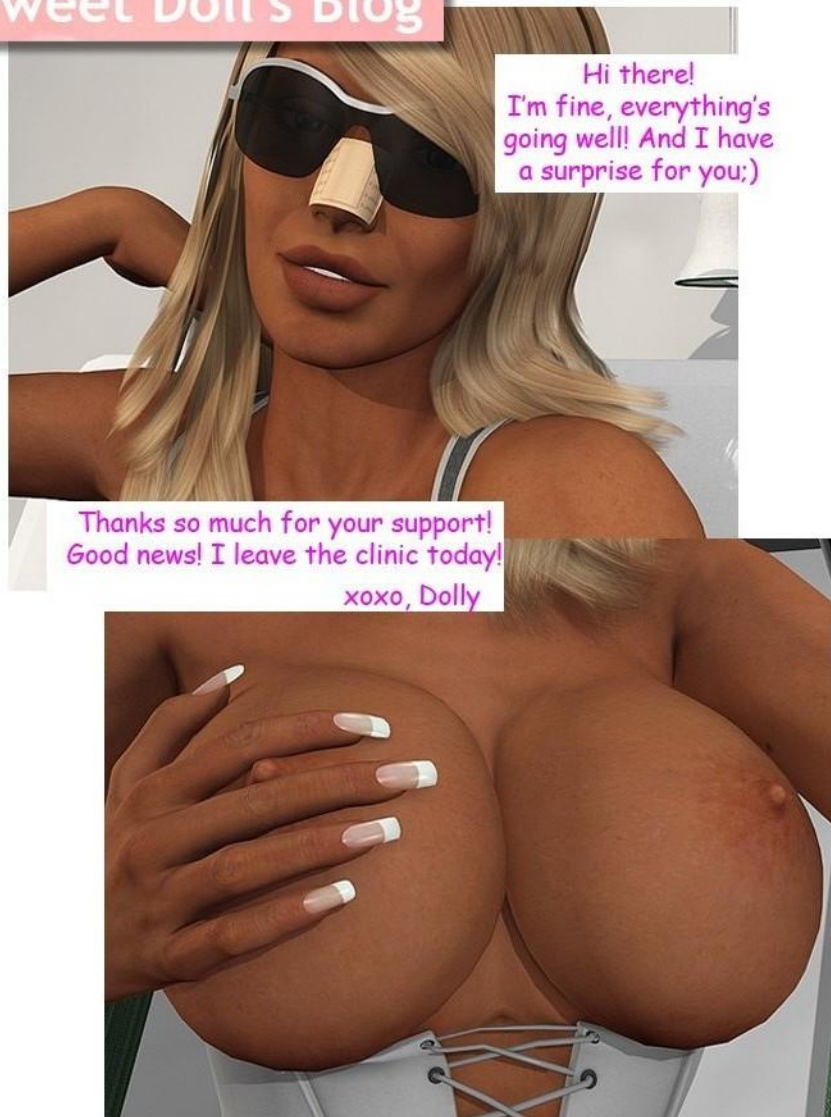

DAY 204
