He said Mom could be an idol right now!

Celebrating my growth as an idol and a woman

What a sumptuous meal!

Well...

Chie, I want you to listen to daddy.

I'm so glad Chie has grown up to be a proud daughter.

Maybe it's too soon to talk about this...

Daddy believes in Chie. So I can trust the person Chie fell in love with, and until then, I want you to take care of yourself.

I know you don't like it when daddy says this to you, but I need you to promise me something.

Thank you for believing in me, Dad.

I will take good care of myself as an idol, as a woman, and as a child of Mom and Dad.

Surprise

You're crying!

Wasabi...

Sniff..

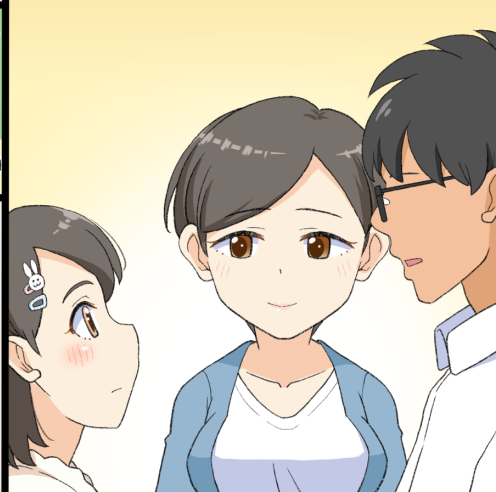

You haven't even had a bite.
