Well, this maybe the first time that I meet you.

Also, we both

Subaru's fate..

Will he be broken  
by Elsa who risen

Haven't you two done  
this before? A shame.

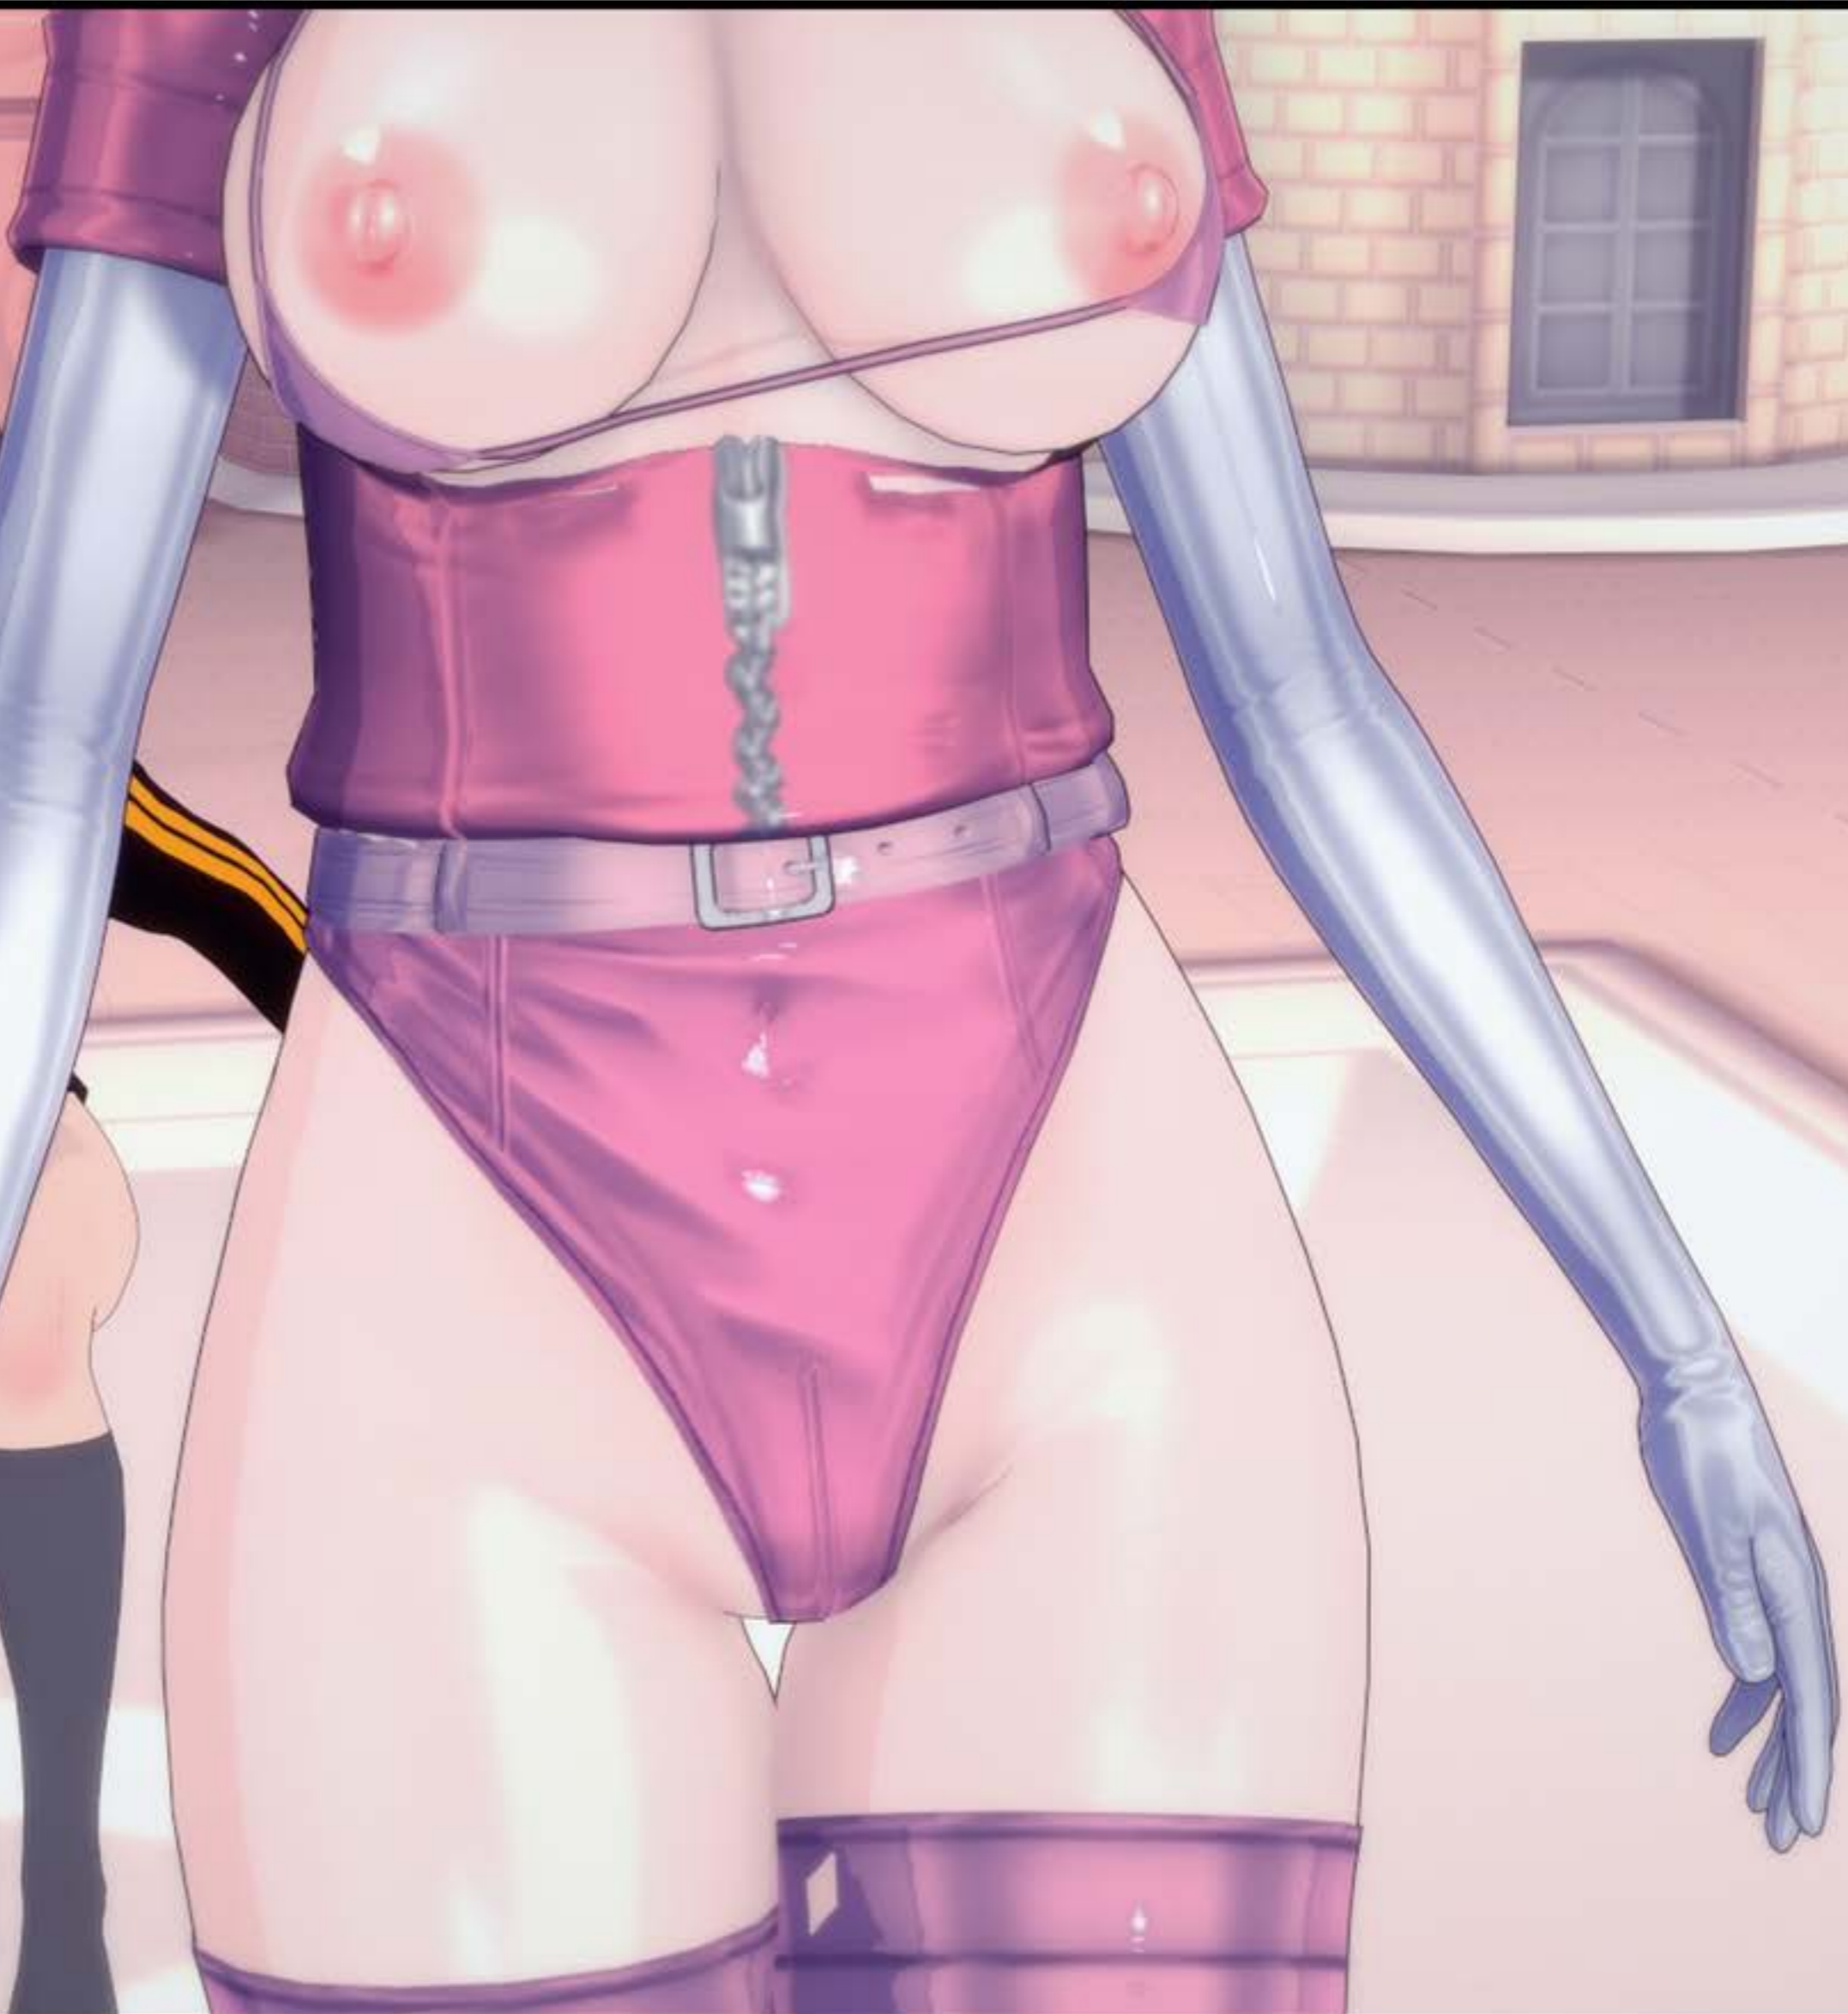

I have to clean myself a bit, don't go anywhere, alright Subaru?

"This is my chance..  
Rem could still be alive.."

"If.. I could finish off  
Elsa without hurting  
Rem's body.."

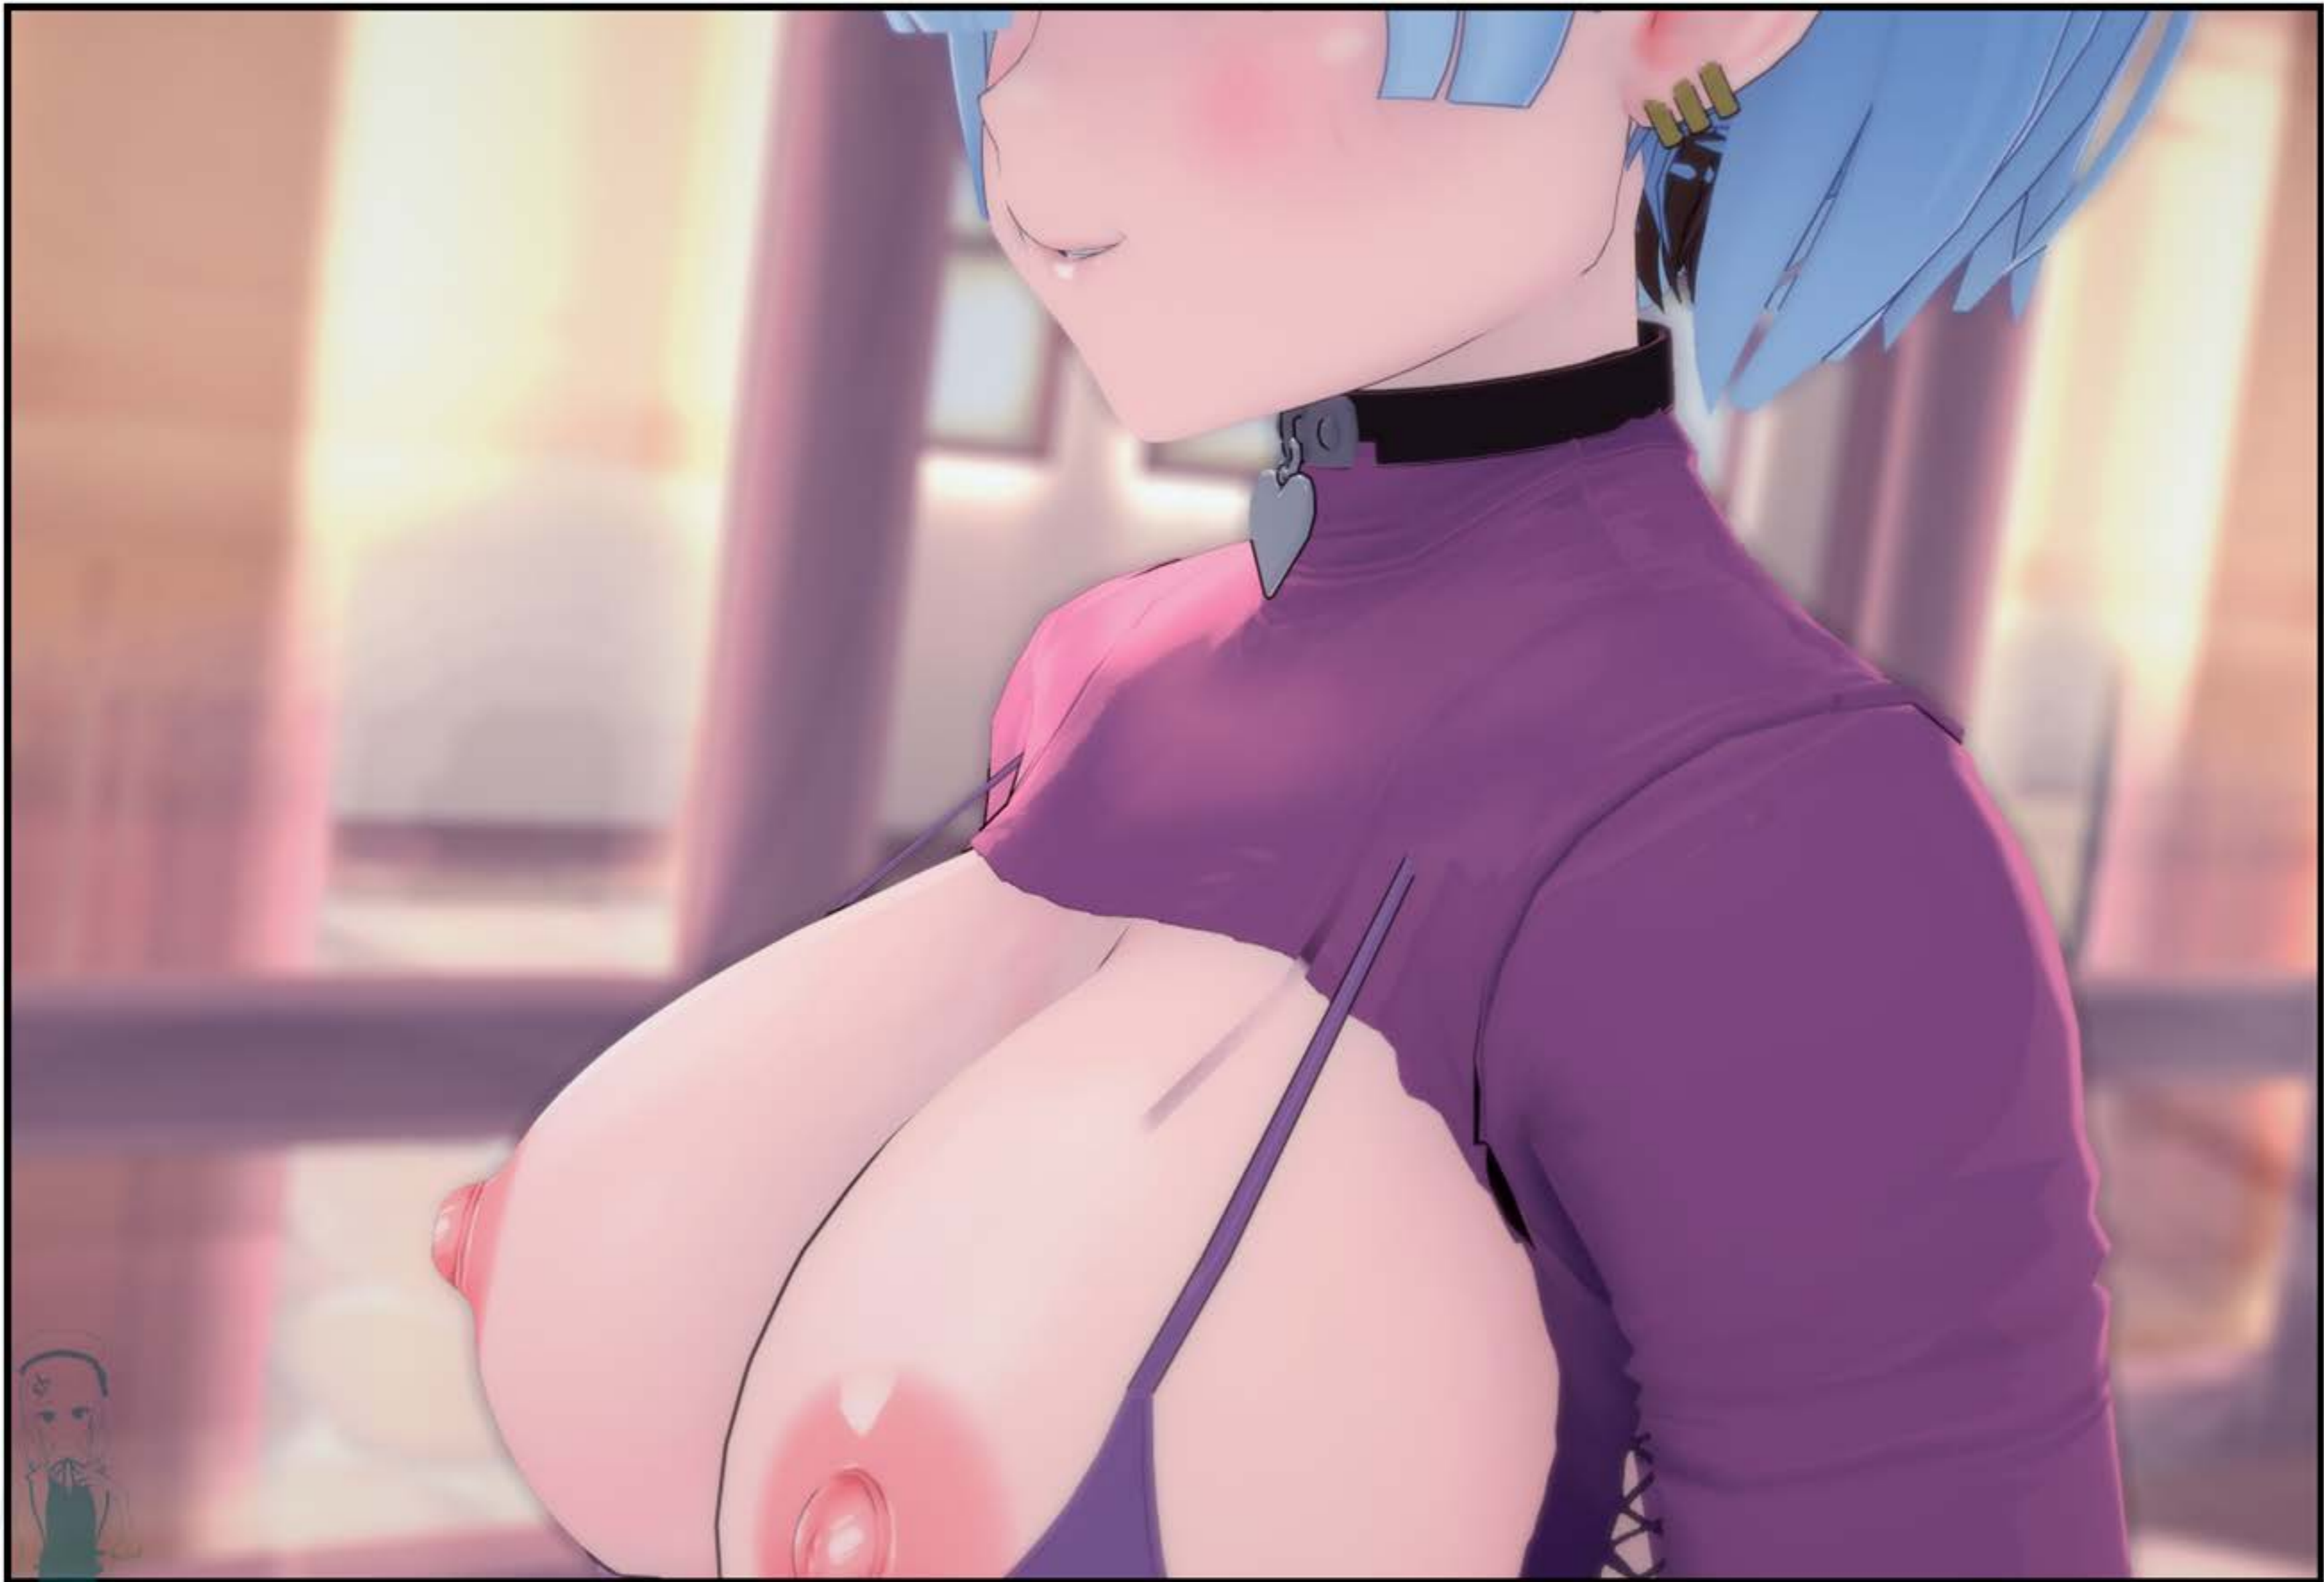

A close-up illustration of a person's torso and arms. They are wearing a white zip-up jacket with orange accents on the collar, zipper, and sleeve stripes. A black letter 'N' is on the left chest. The person is holding a large, silver, reflective knife in their right hand. The background is a blurred outdoor setting with a pinkish wall and a ledge with a red object.

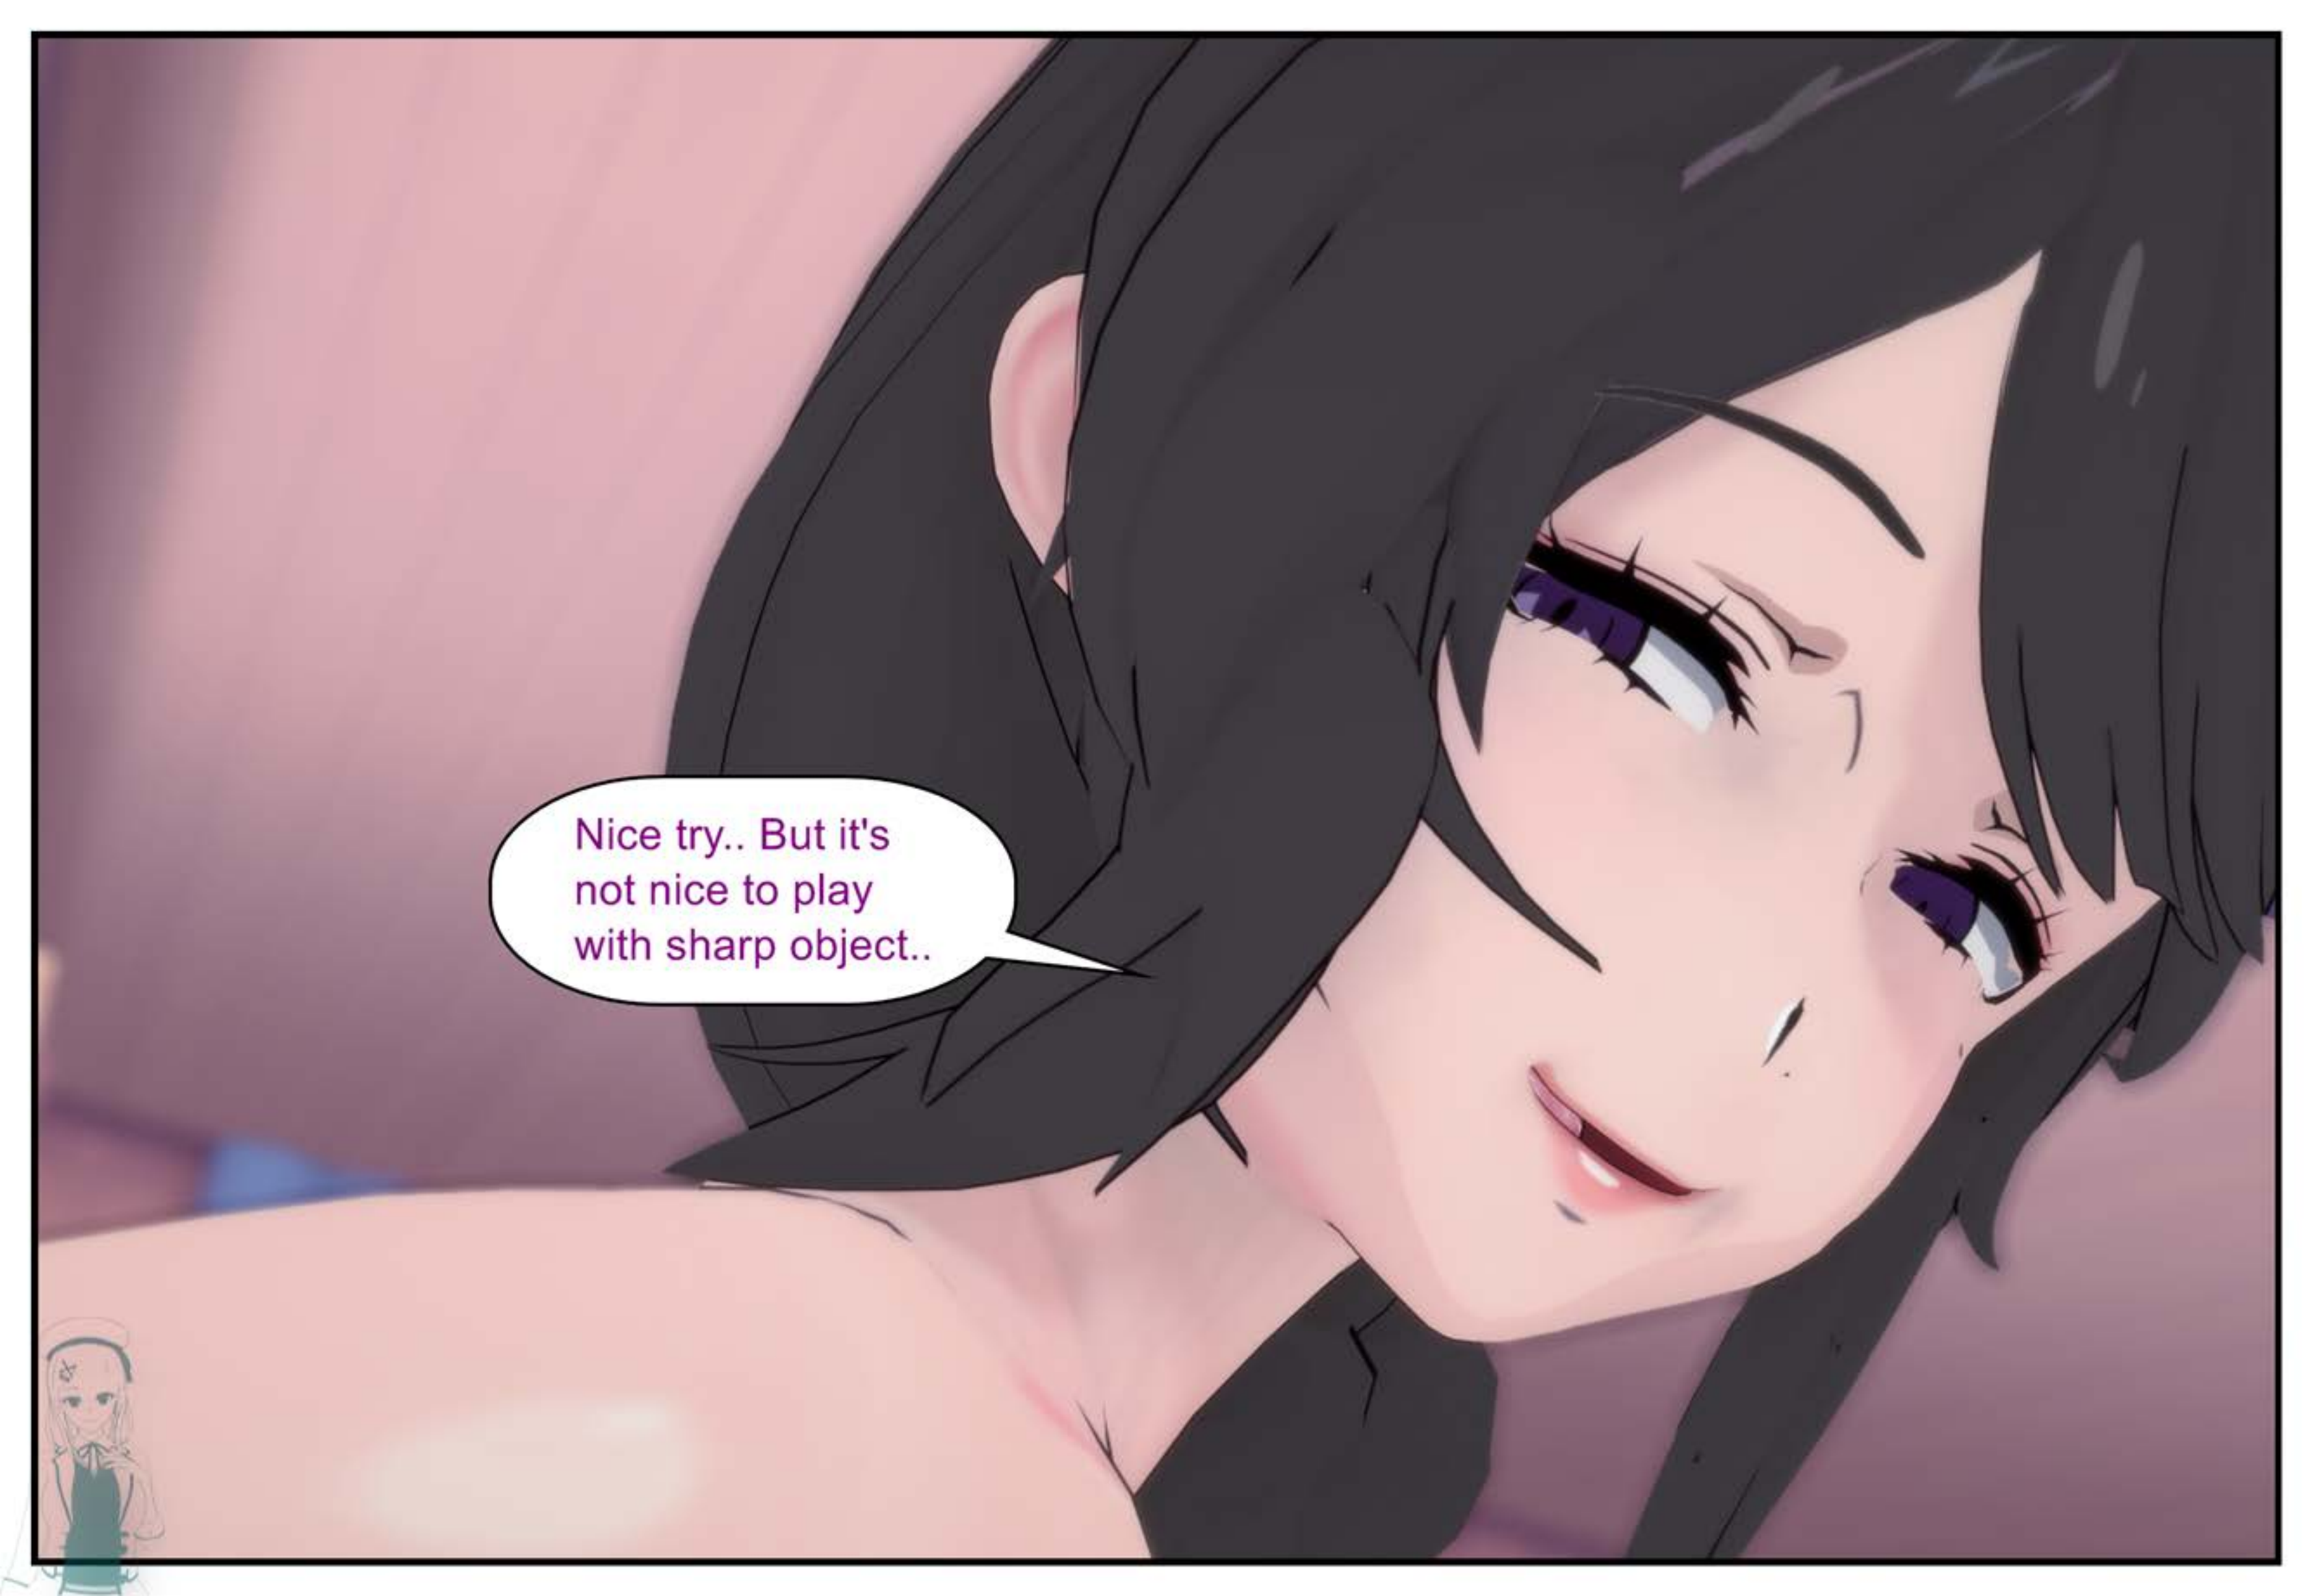

"Here goes nothing.."

Nice try.. But it's  
not nice to play  
with sharp object..

A chibi-style anime character with black hair and a yellow jacket is looking up at a person in a pink dress. The character has a small mole on their chin and is wearing a yellow jacket over a black shirt. The person in the pink dress is partially visible on the right side of the frame. A speech bubble is positioned above the character's head.

Oh.. You cummed  
all inside.. How great..

This round is done,  
time for the next..

"By using my ability..  
Elsa able to control  
everything."

See you soon,  
Subaru..

"Again, again, and again.. She kept on killing me while in Rem's body."

"The pain.. after every death.. I couldn't get used to it.."

\*Crack..!!\*

"It's like.. 1001  
ways to be killed.."

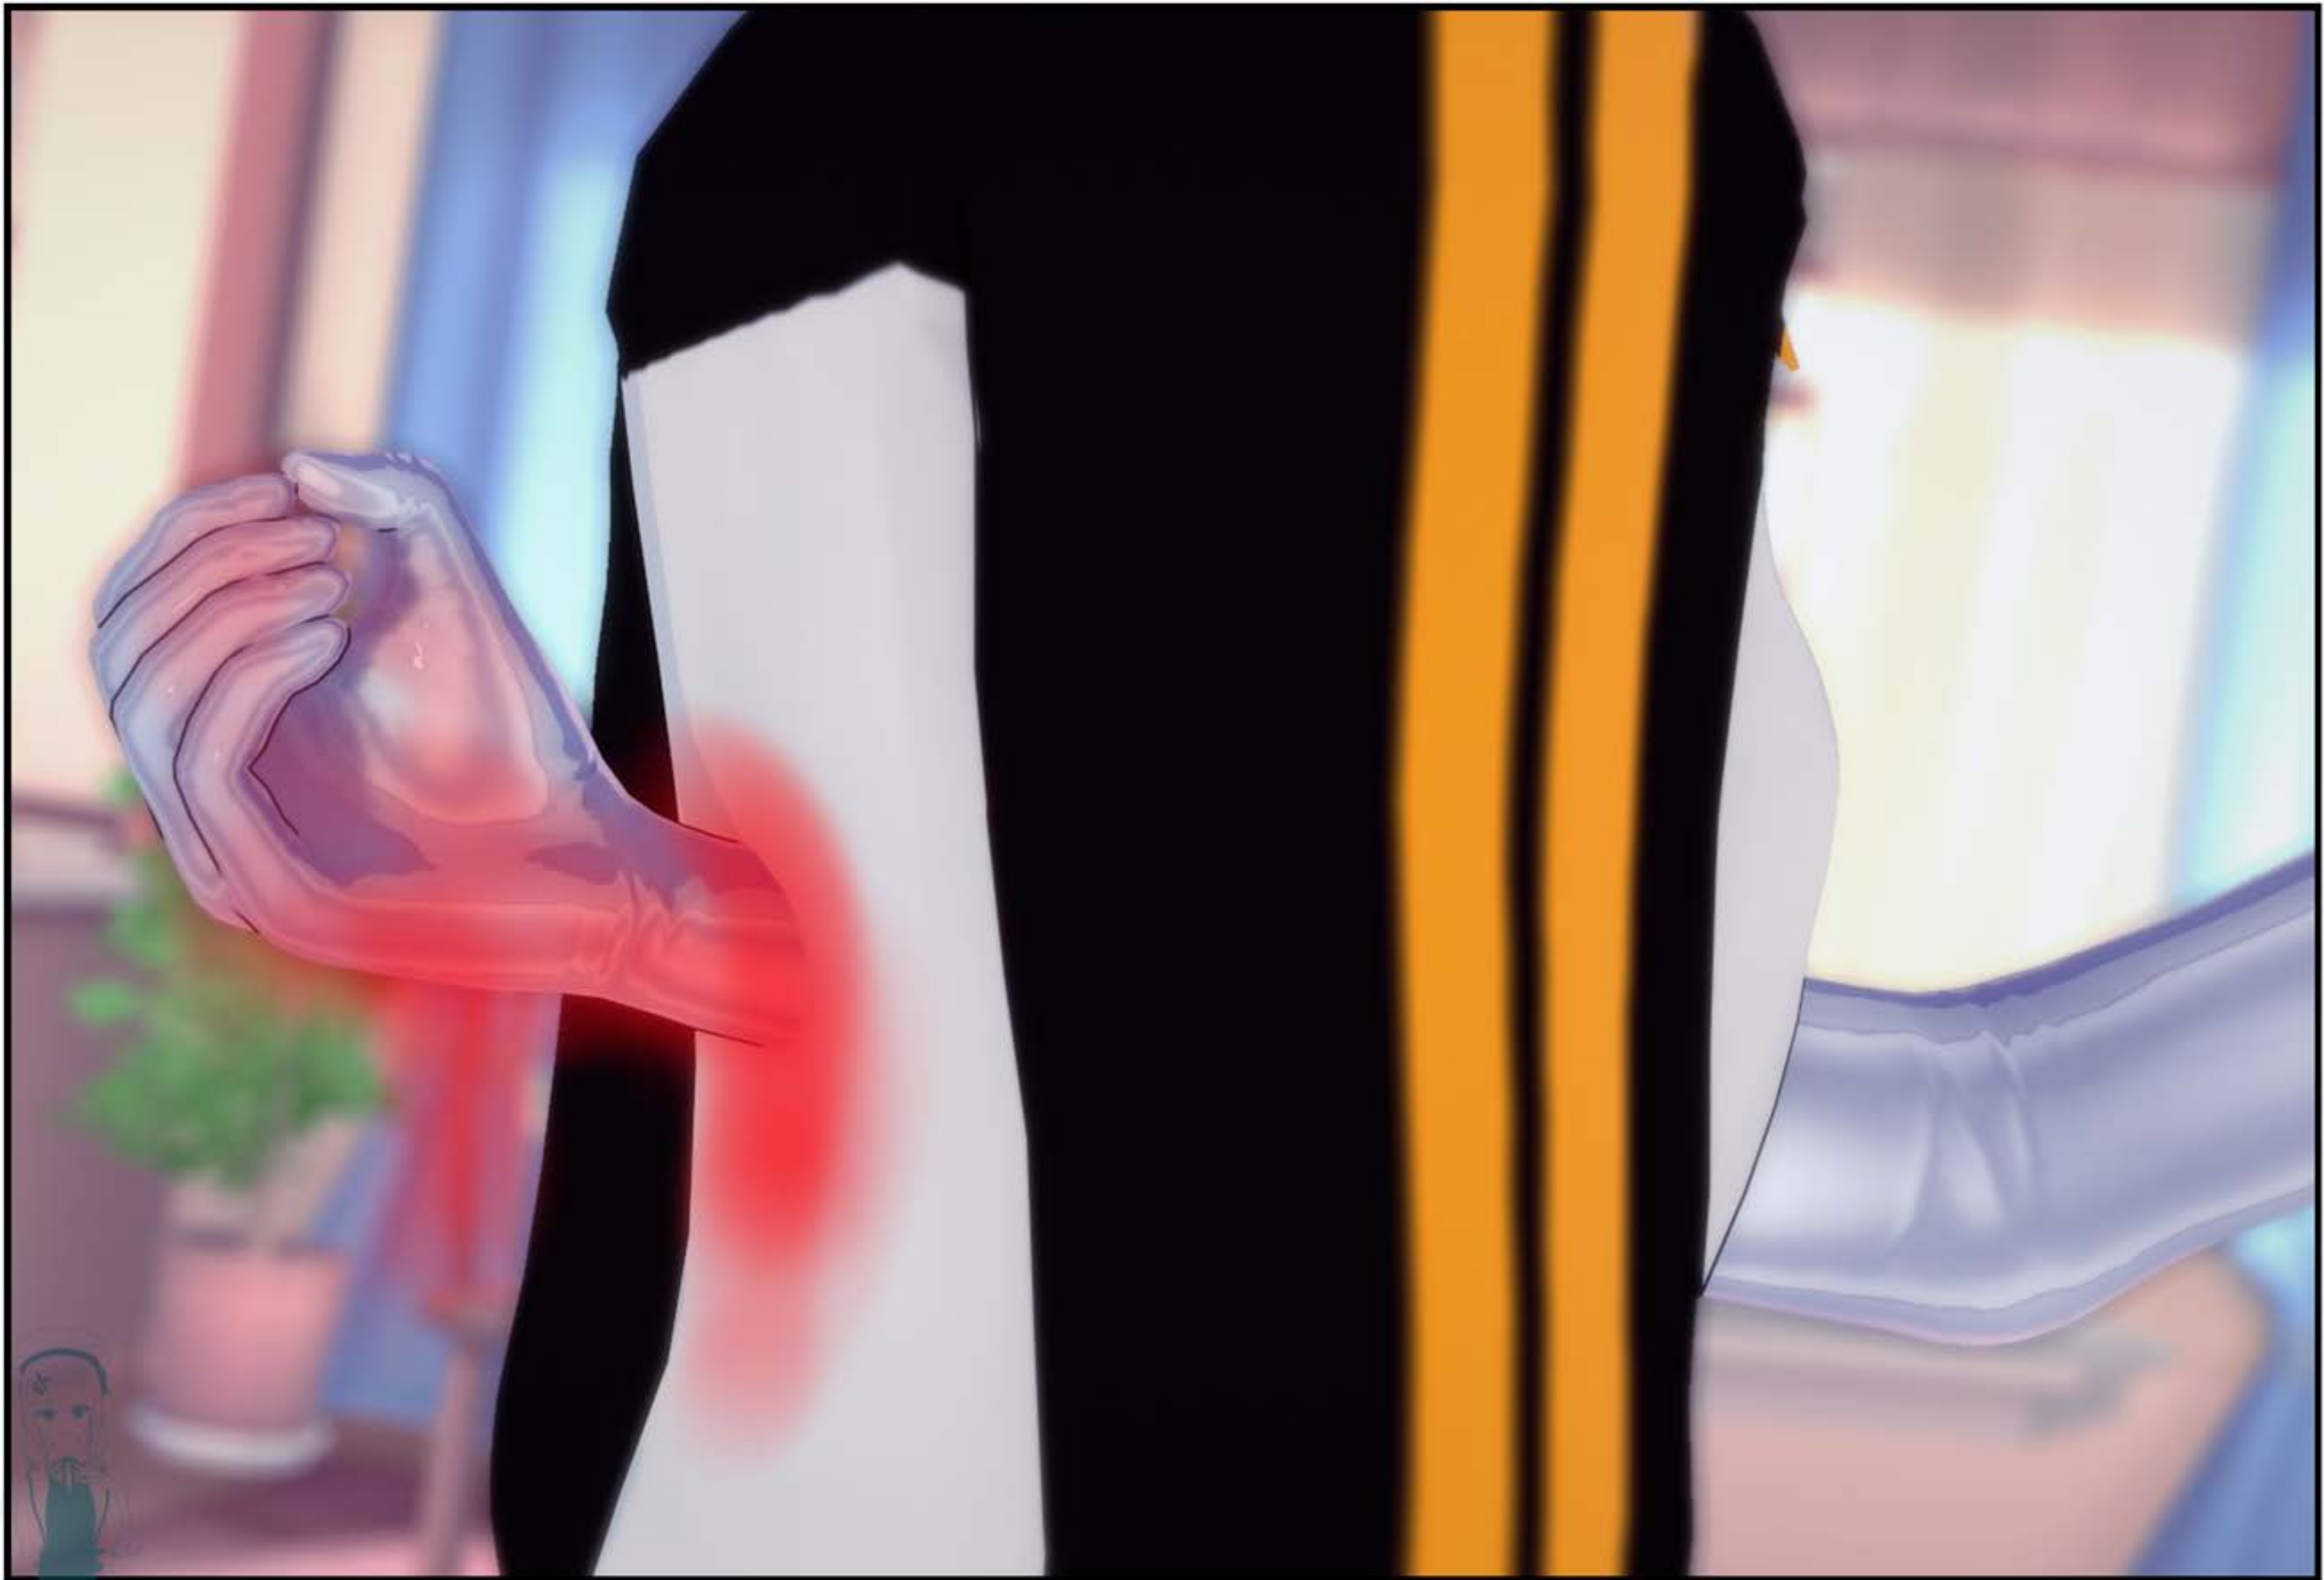

"Repeat over..  
and over again.."

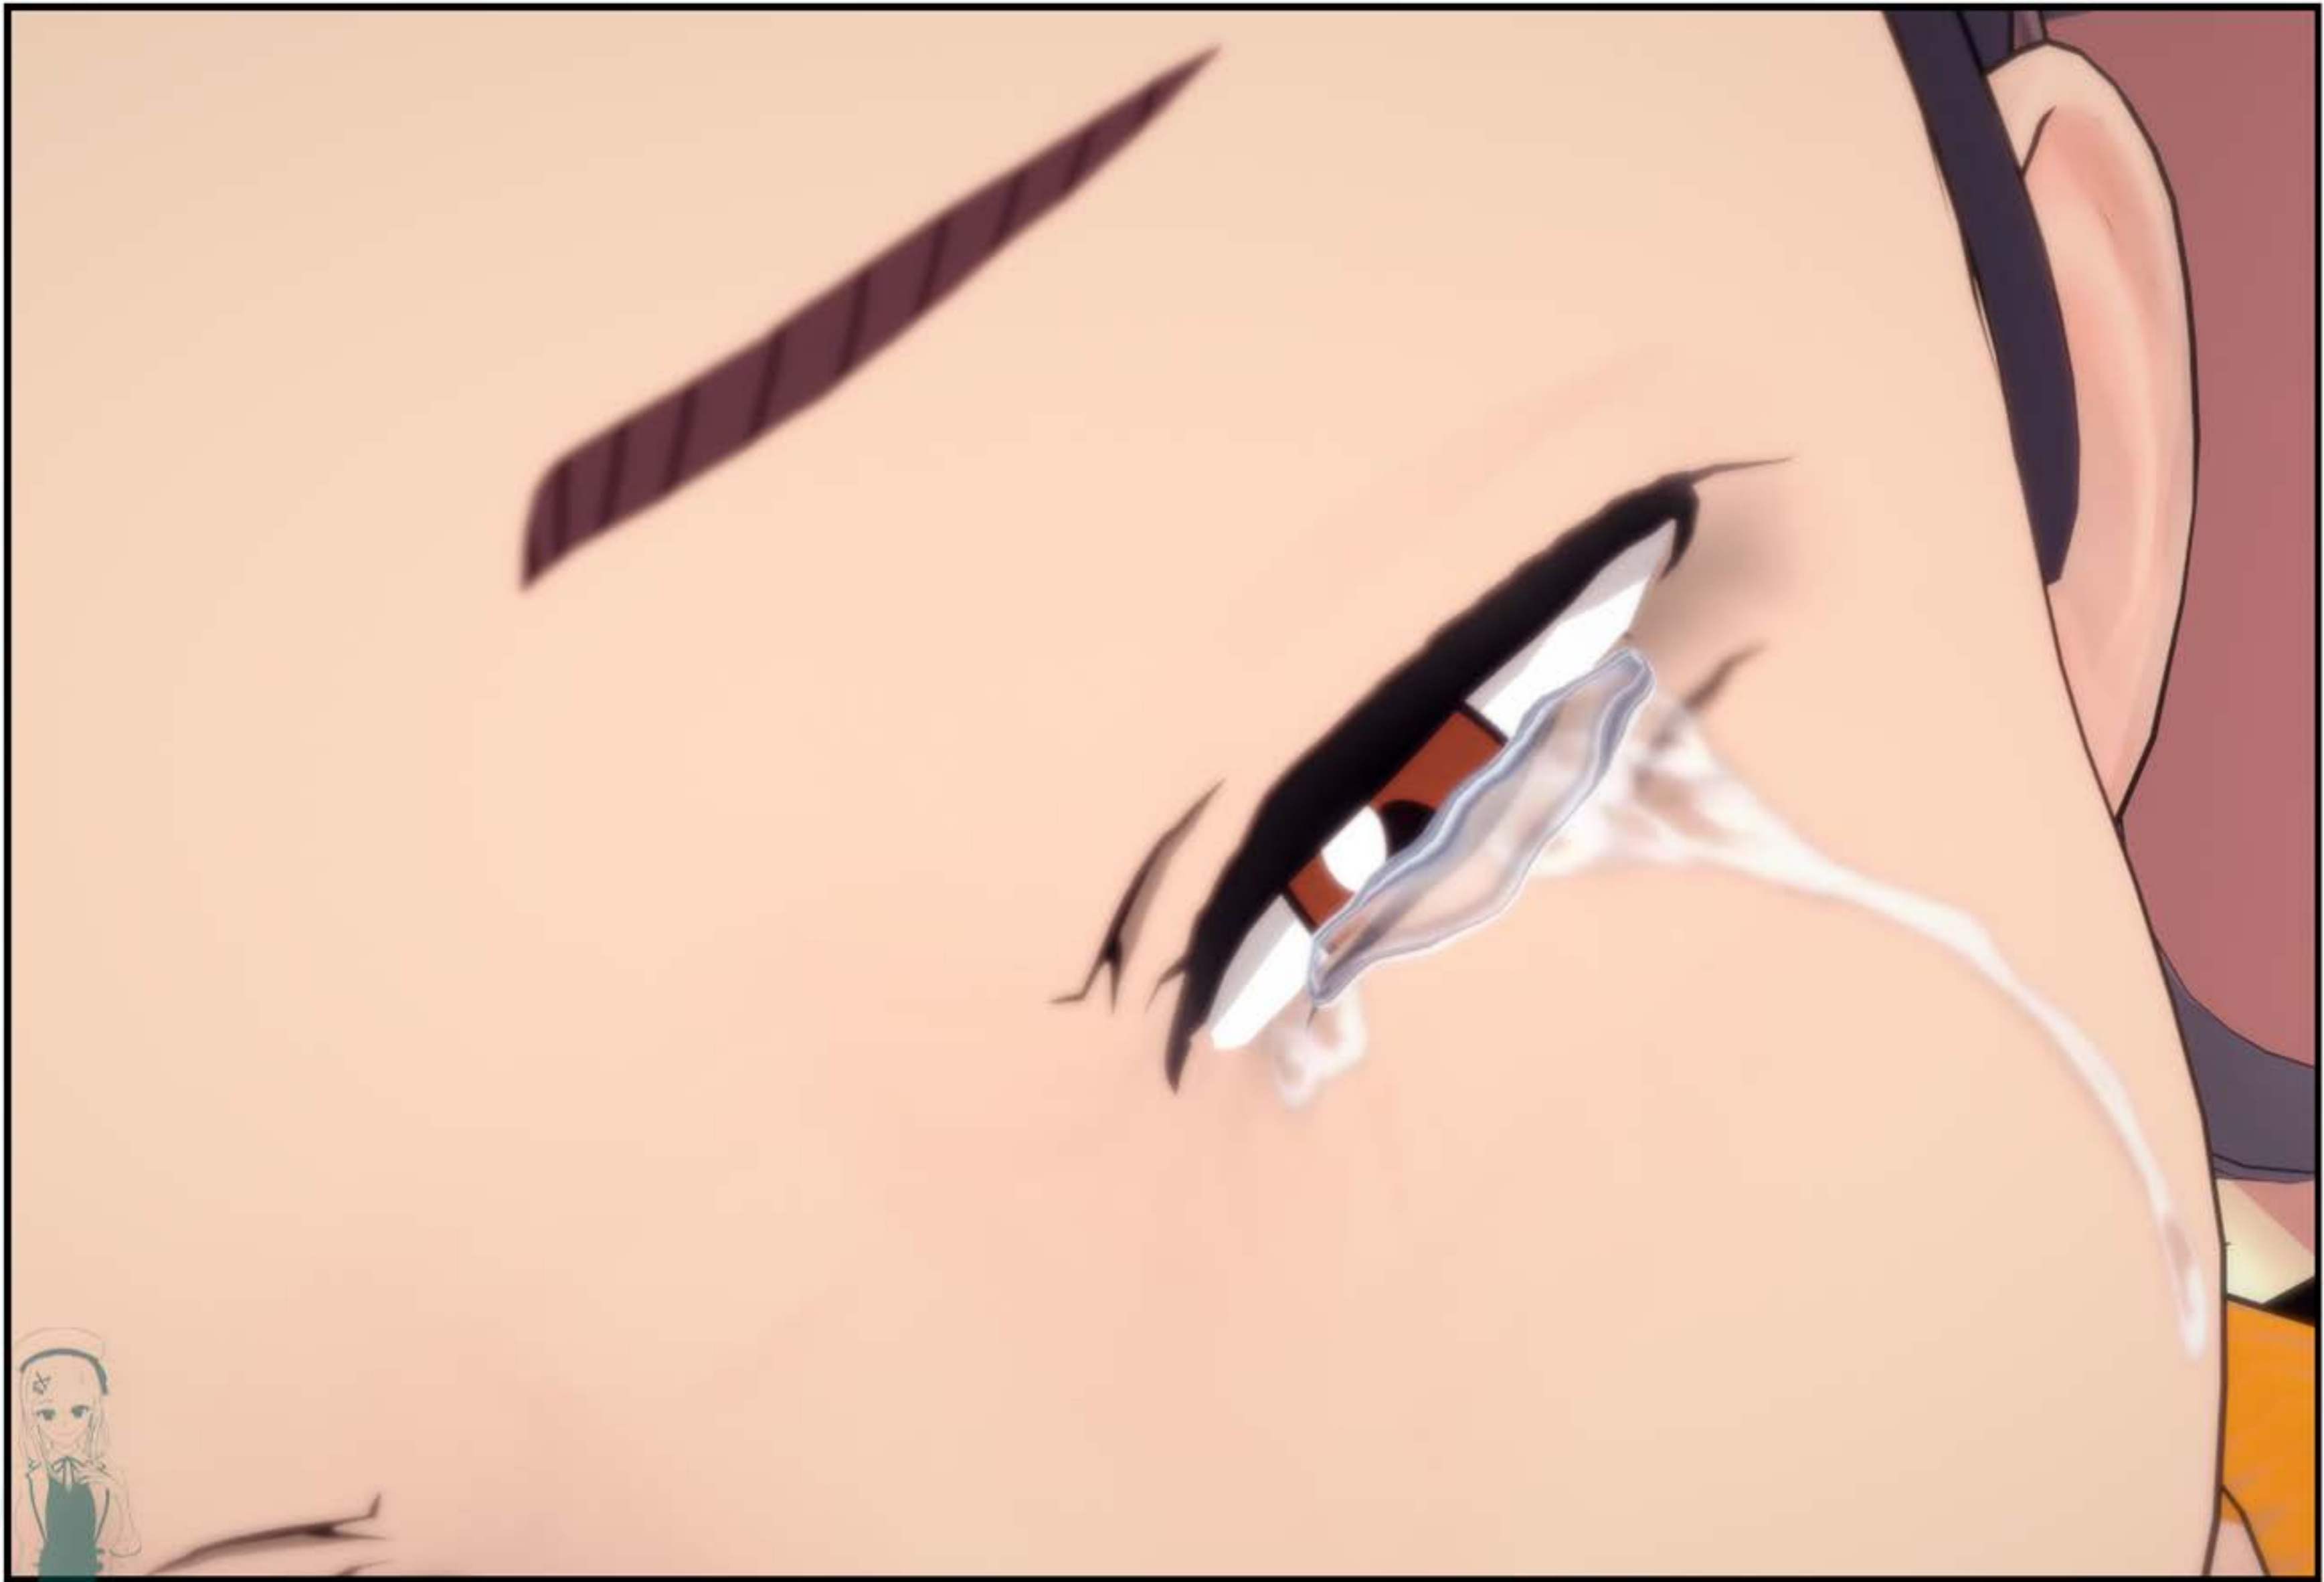

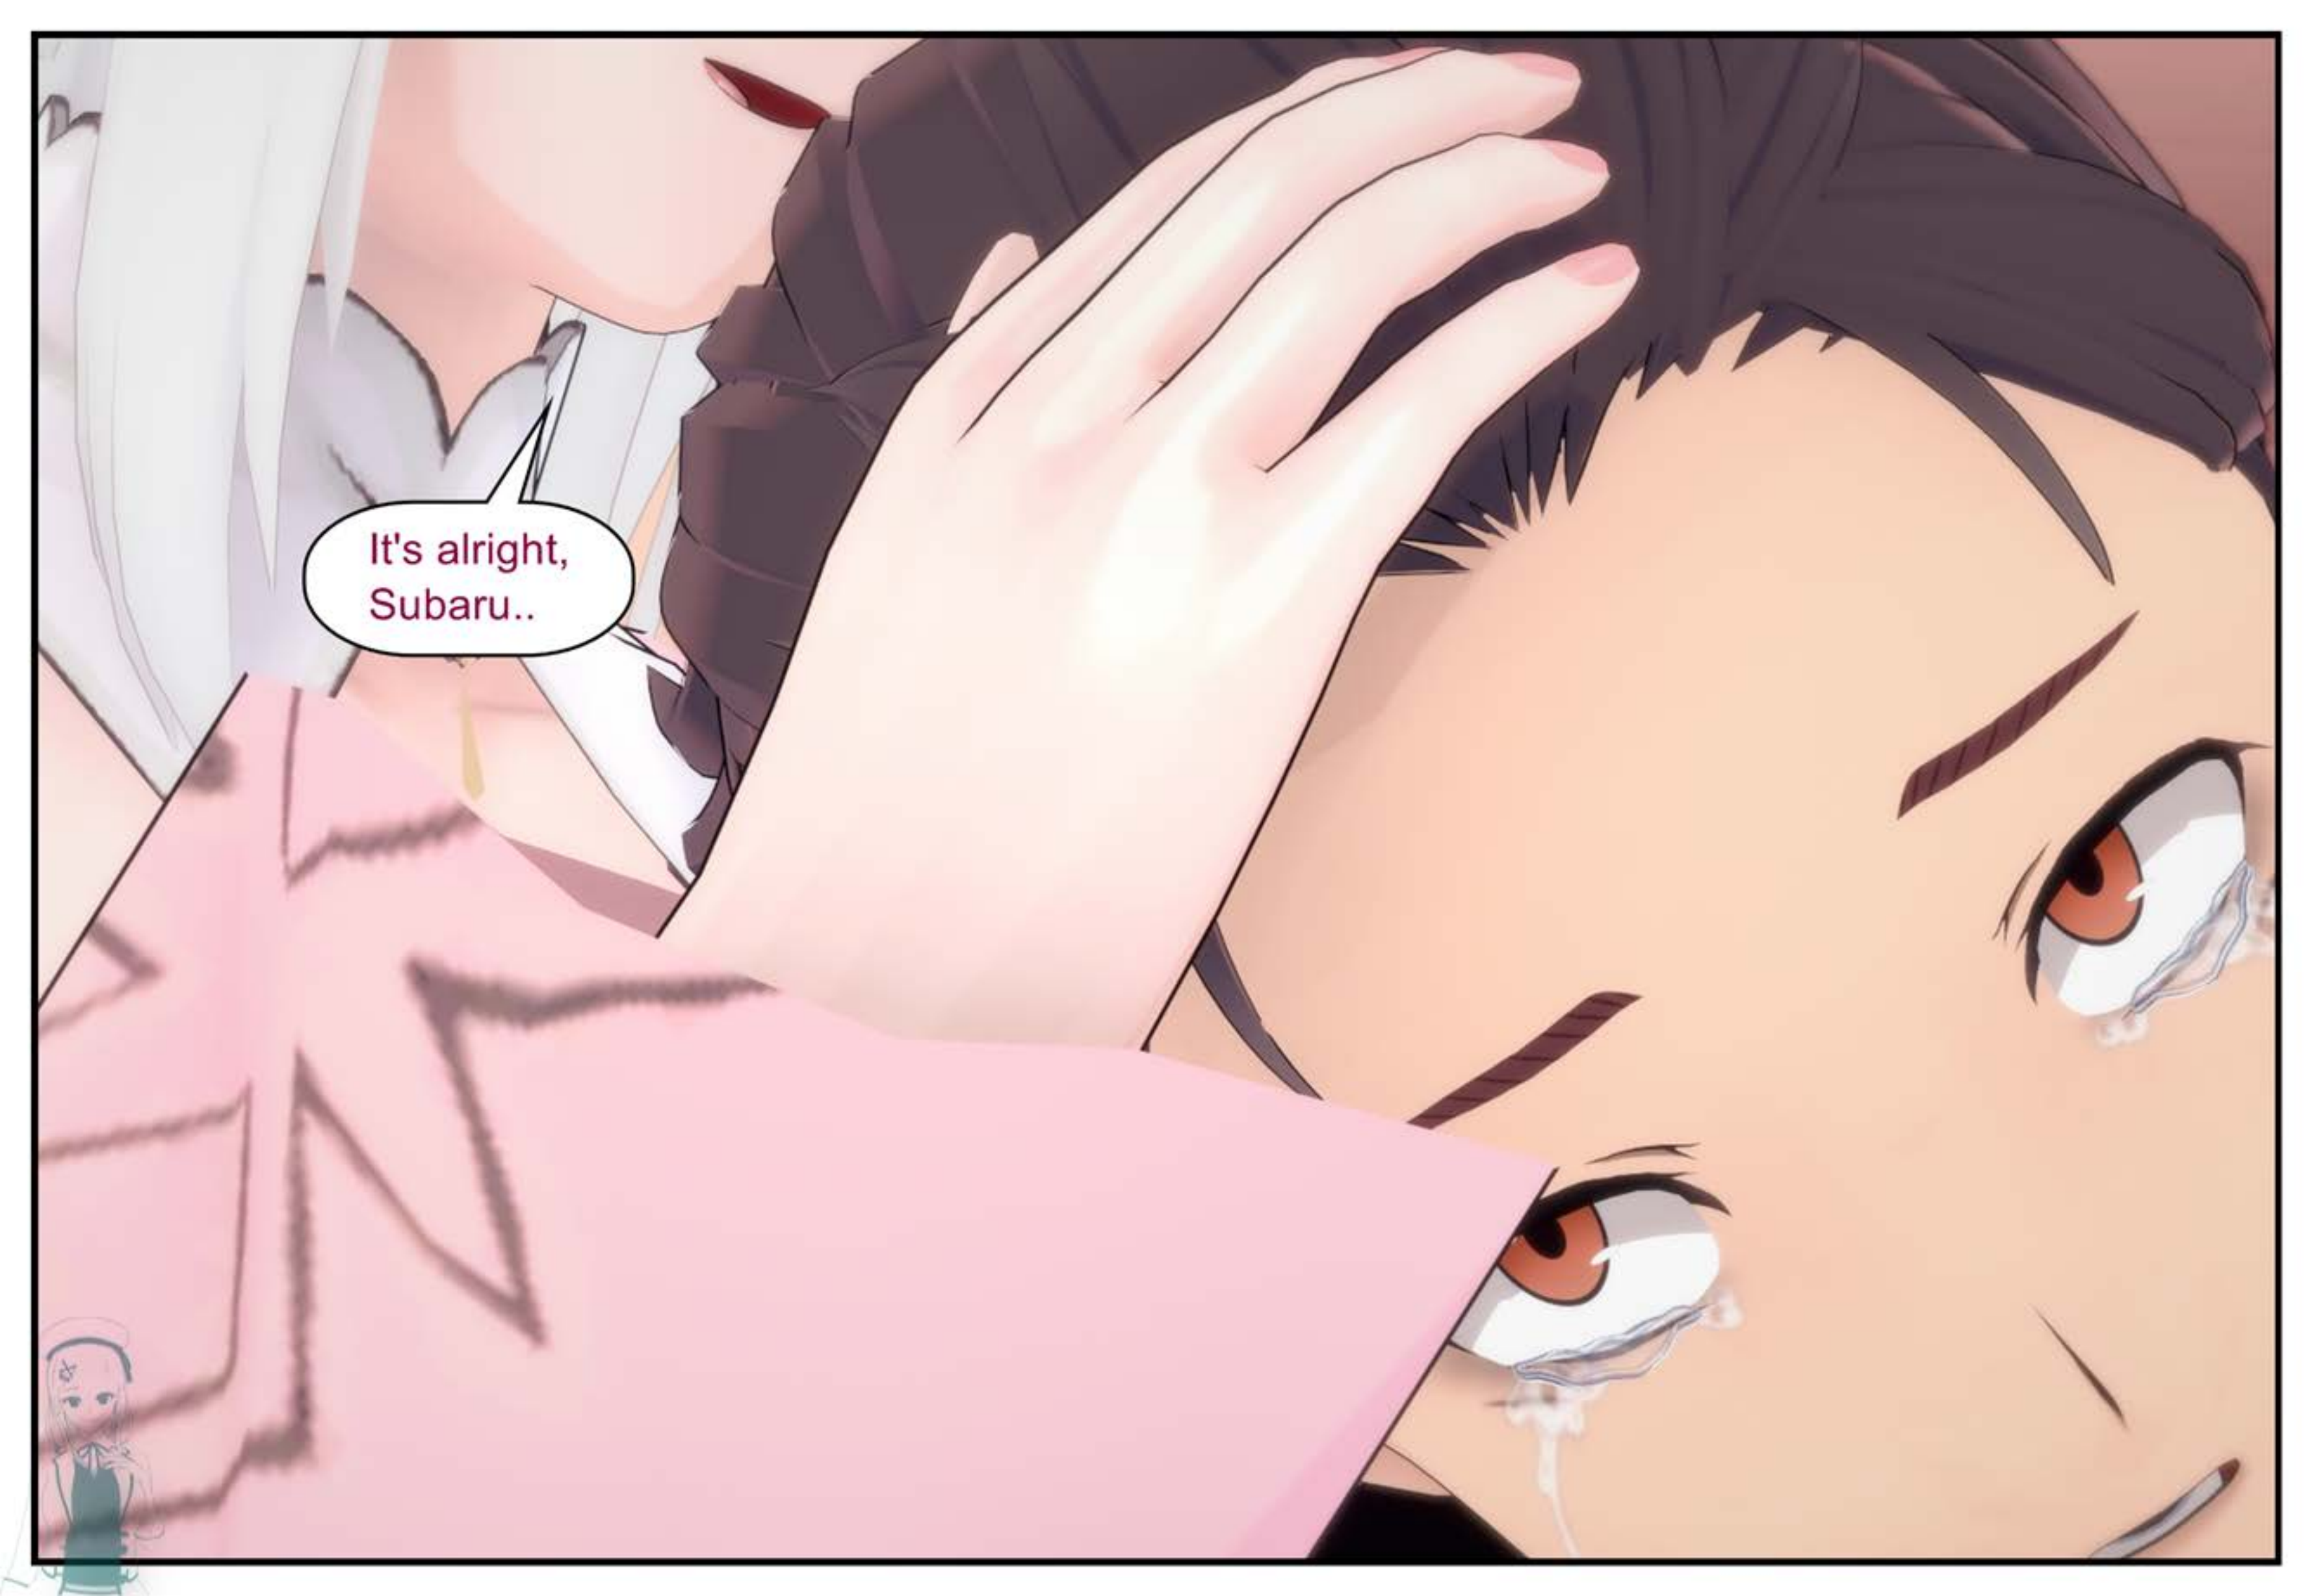

Oh, I forgot to count.. We done this like hundred?

"I bet.. you can't stay yourself any longer.."

It's alright,  
Subaru..

A close-up illustration of a character with long, straight white hair and striking red eyes. The character has a calm, slightly enigmatic expression. A speech bubble is positioned to the right of the character's face. The background is a soft, warm orange color. In the bottom-left corner, there is a small, faint watermark of a character with long white hair and a green top.

There's nothing  
to afraid of..

N-No.. Stay away from me.. You devil!!

S-Subaru..? What is wrong with you?

It was about Elsa  
Granhier.. right?  
Please don't panic,  
tell me what happened.

I won't.. believe it.. anymore..

Subaru..!!

..You are not Emilia..

Show your true face, Elsa.. Don't pretend as her..

It's your trick..  
Try to lure me  
in your arm..  
and kill me..

Su.. baru..

I won't.. Haha..  
fall for it.. anymore..

A woman with long black hair in a braid, wearing a black strapless dress and black gloves, stands in a kitchen. She has her hands on her hips and is looking down. The kitchen has a brick wall, a window, and a counter with a potted plant. A speech bubble is in the top right corner.

"Finally broken  
you.. Subaru.."

"Hah.. I wanted to  
toy him a little bit longer.."

A great show, Elsa.  
Look like you put  
my magic to work.

But unfortunately,  
the result wasn't  
as you expected.

H-How come..!?

Subaru.. Go for it,  
if this could prove  
you that I'm not Elsa.

Still, Subaru couldn't  
put his hand on Emilia.

Which mean.. You haven't completely broken him yet, Elsa.

Look like.. Subaru won, right?

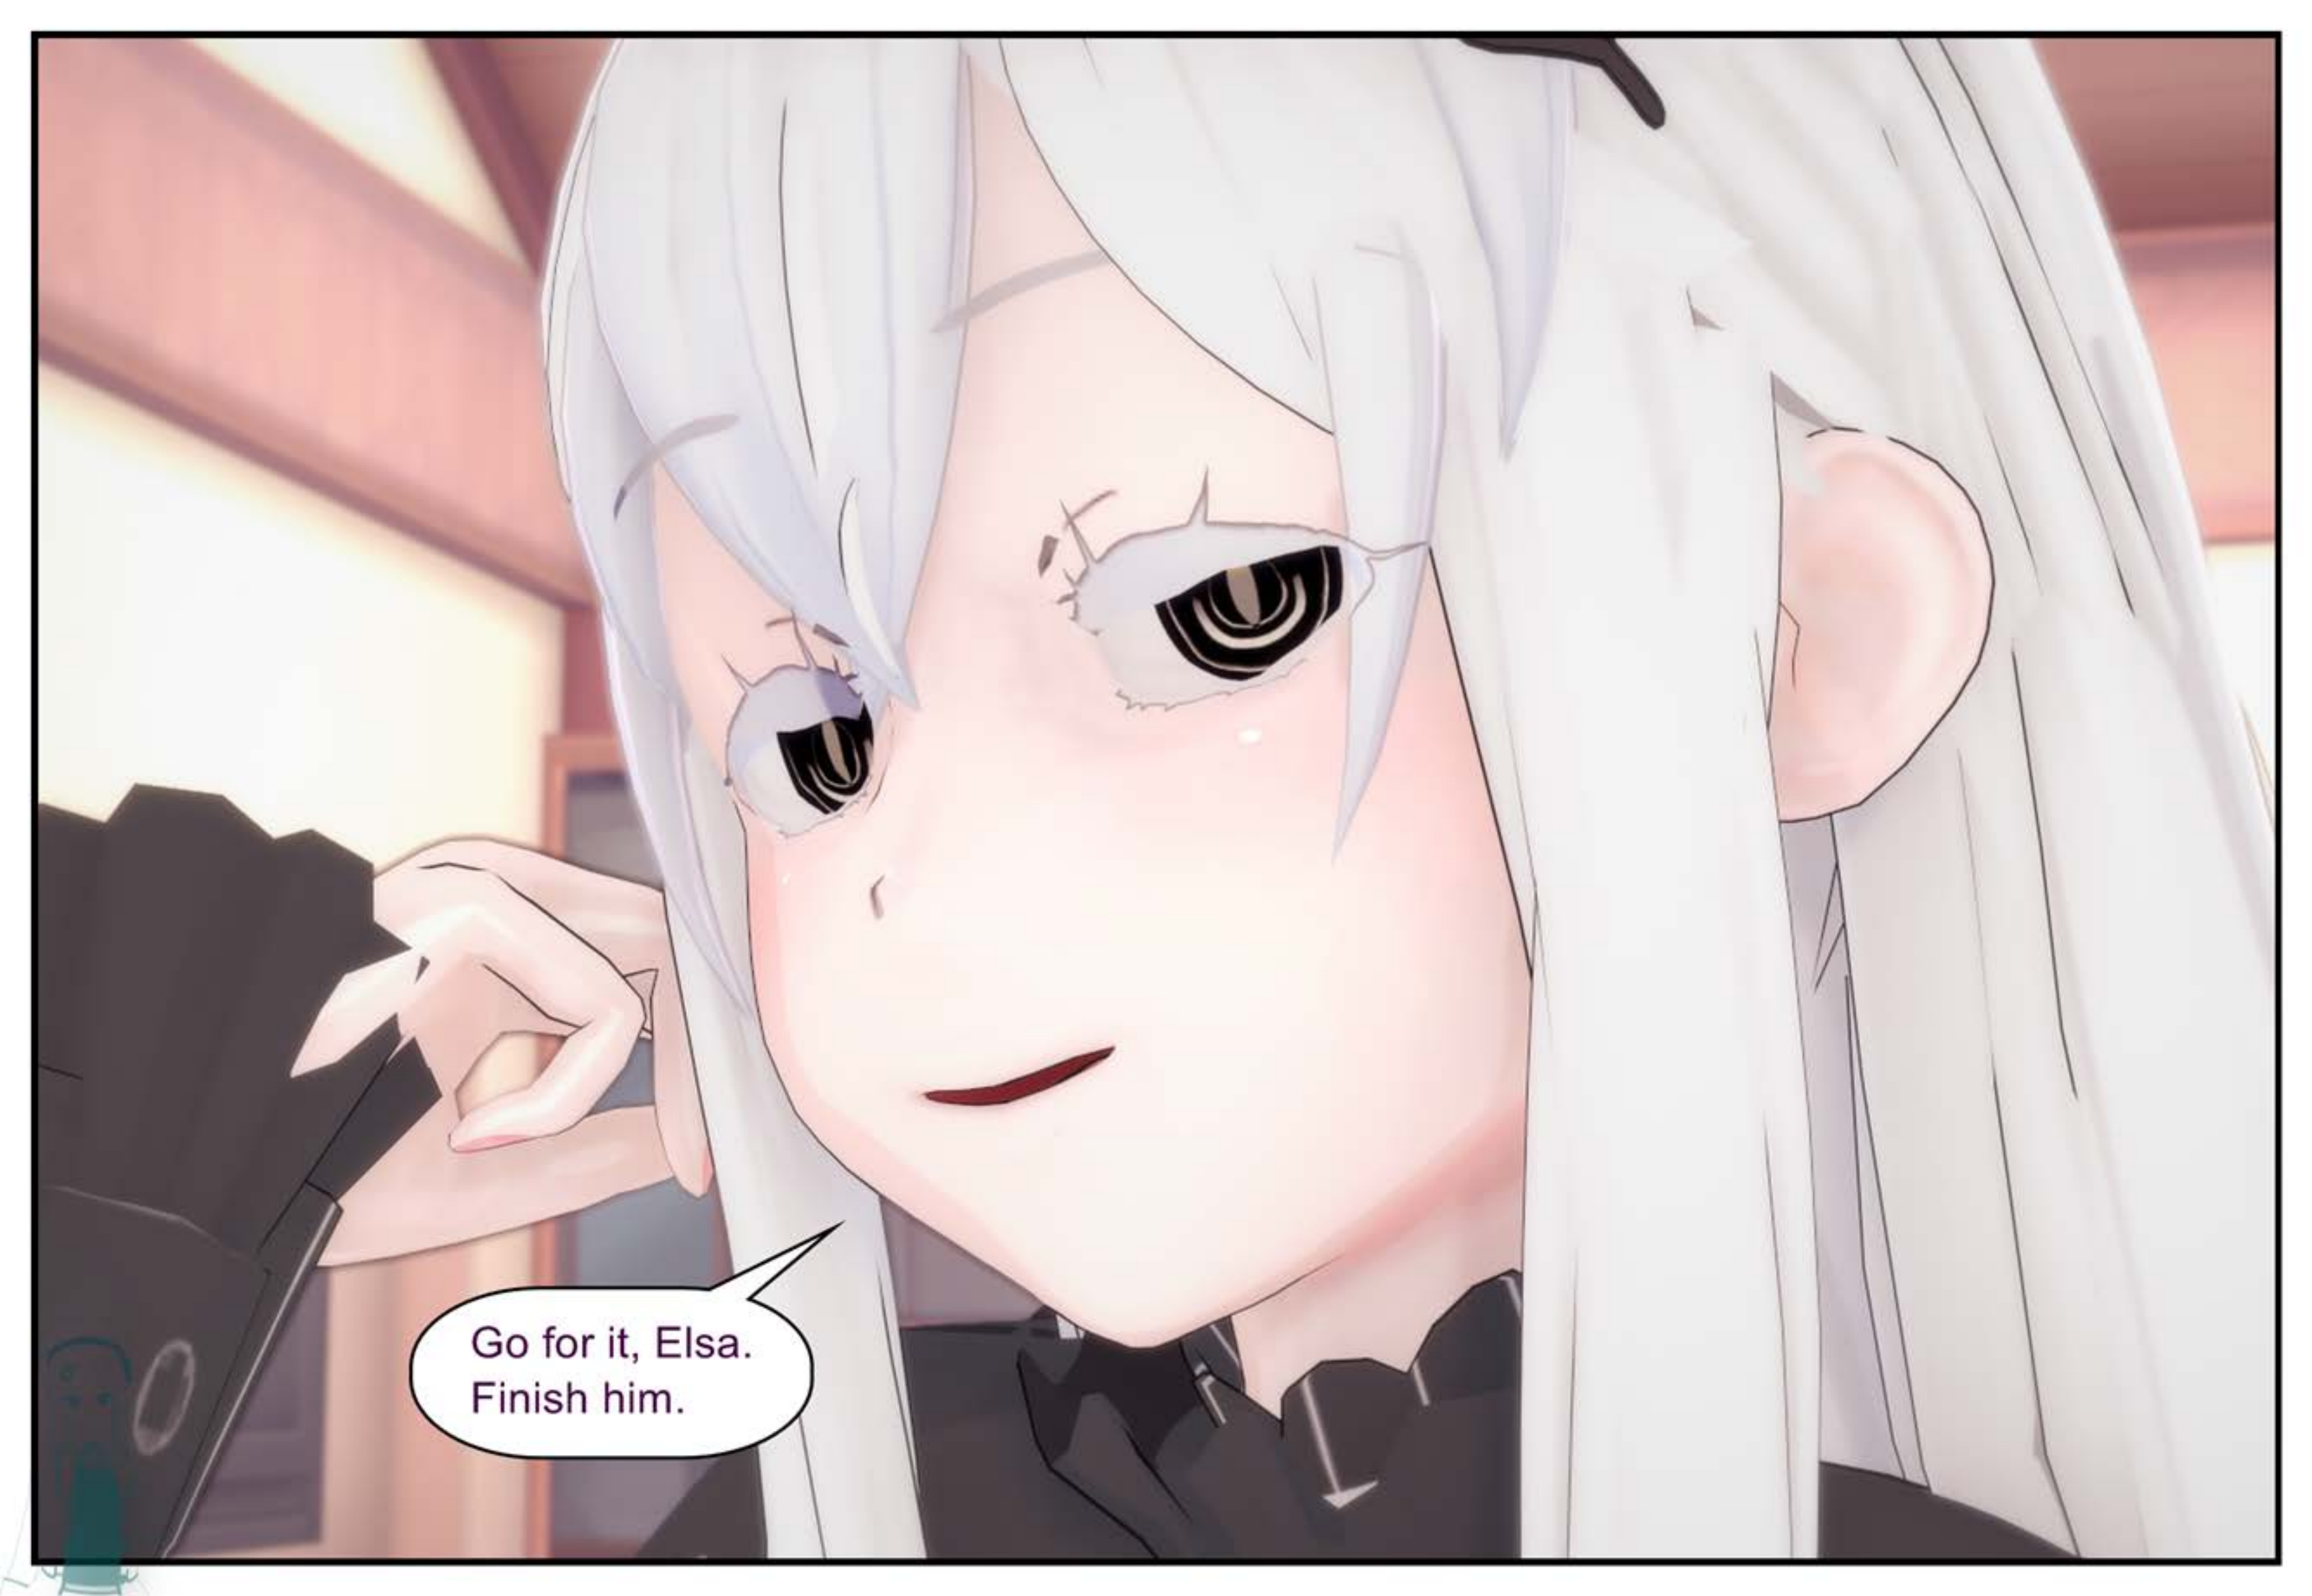

But on my perspective..

..I would prefer  
a bad end..

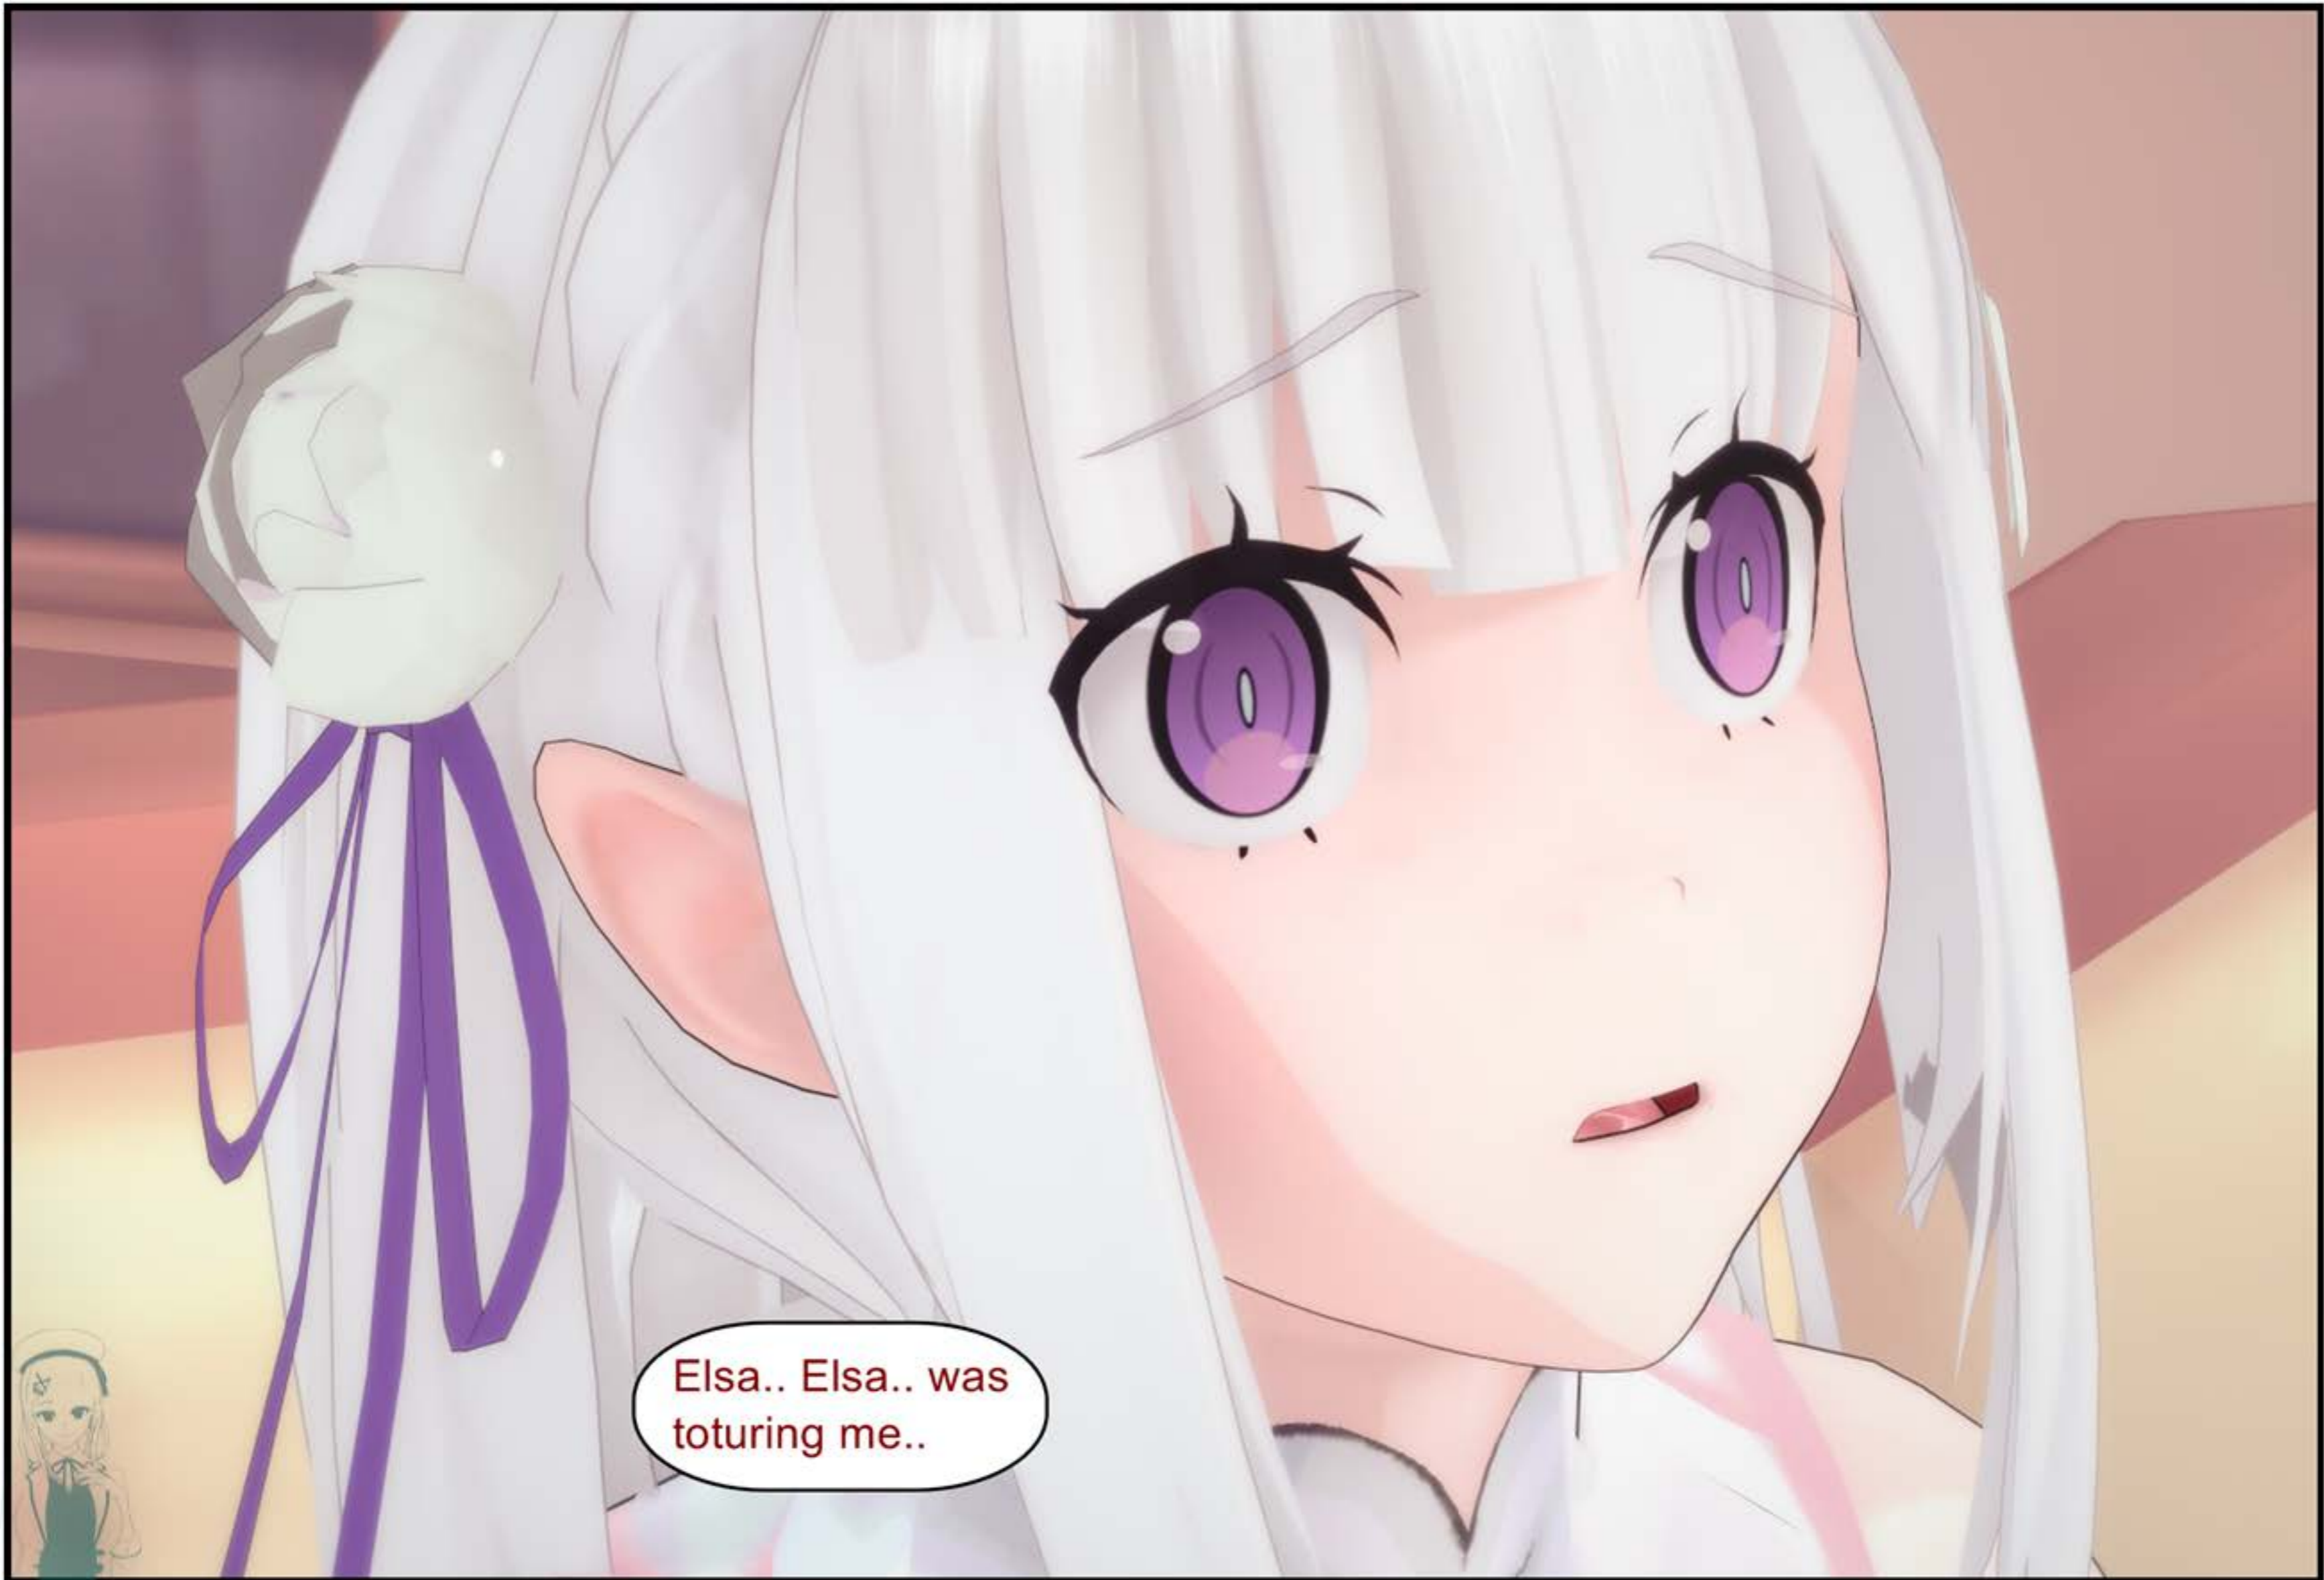

Go for it, Elsa.  
Finish him.

I'm sorry.. Emilia..  
I wasn't myself..

Elsa.. Elsa.. was toturing me..

To be continued..?
