

Bimbo Nurses - Chapter 13

A bevy of bountifully busty and bouncy bimbos has gathered at the plastic surgeon's office. Ummm... like now what?

Story Outline
by Noreborio

Art by Mr Phoenyxx

It's nice to see you all here. It certainly seems you've all been rather busy.

Mindy. Nawtae. I'm glad you're here. Amber, you look lovely, but who are these two?

I'm Lola, and you can call me any time.

Oh! I like the new name. I'm Emma by the way.

Nice to meet you both. I am Missy. Now that we all know each other, it's time to get to work, ladies.

After introductions are made all around, Missy thinks she spies something that she recognizes. She moves closer to Emma to confirm her suspicions. Emma and Lola find it hard not to stare at her insane figure.

I recognize that ring. You must be Amber's family. I'm Missy, as I said, and I'm taking over for the doctor.

You're really big. I wonder what it'd be like to have boobs like that?

Yep! Nice to meet you. You're certainly way hotter than the old dude that was here before.

I appreciate the intro, Missy. Nice to know who is in charge, but who are the latex wonder twins over here?

I'm Nurse Nawtae, but you can just call me Nawtae. I helped your Mom with her new look.

I helped too! I'm Mindy by the way, Emma.

They really did do a great job. No wonder when they look like they do.

They did great! So big!

Introductions are sort of done again, as Emma realizes that she is now the only person who doesn't know everyone else in the room. More compliments are tossed around about how great they all look and the fantastic work done on various ladies' figures. Mostly Lola, who continues to stare at Missy.

You two have done some really fantastic work, so the first order of business is to give you a reward. Strip, ladies!

Missy suddenly strips out of her dress. Lola and Emma, who have not met her previously, are amazed at her incredible curves. Amber asks if they can use the room downstairs, which Missy agrees to. Emma and Lola are stunned, hesitant, and a little confused.

I'll take the fam downstairs, and we'll give you some privacy, Mistress.

Come on, you two. We can pick things up where we left them off before we were interrupted, Emma.

But I wanted to play with the really hot nurses!

They will be here when you get back.

Amber moves behind her daughter and granddaughter. She wraps her hands around their waists as she explains that it's time for them to go. Lola tries and mostly fails to string together a response, while Emma complains that she wanted to have some fun with Mindy and Nawtae.

I... Ummm... Big boobies... Really... big...

Hey, you two! I found what I was looking for. Can you come over here, please?

They're gonna have some fun. Lola may be inexperienced with girls, but I'm willing to bet she'll pick it up fast.

Amber has plenty of experience. She'll teach them a lot.

Nawtae and Mindy start to get undressed as well, while they watch the trio head downstairs. The two nurses stare at their jiggy asses as they leave. Missy, meanwhile, has moved over to some of the drawers and has been searching through them.

OK, ladies. Start pleasuring yourselves. Whoever manages to cum first gets fucked first.

Missy removes a strap-on from one of the drawers and puts it on. She stands up, poses, and orders her nurses to begin masturbating. They crawl over and kneel before her, hungrily staring at the large dildo she has strapped on.

Please, Mistress? Would you fill this naughty girl with your shiny cock first? I need to be punished!

No! Me first! I'm begging you, Mistress. This slut's holes need to be stuffed full!

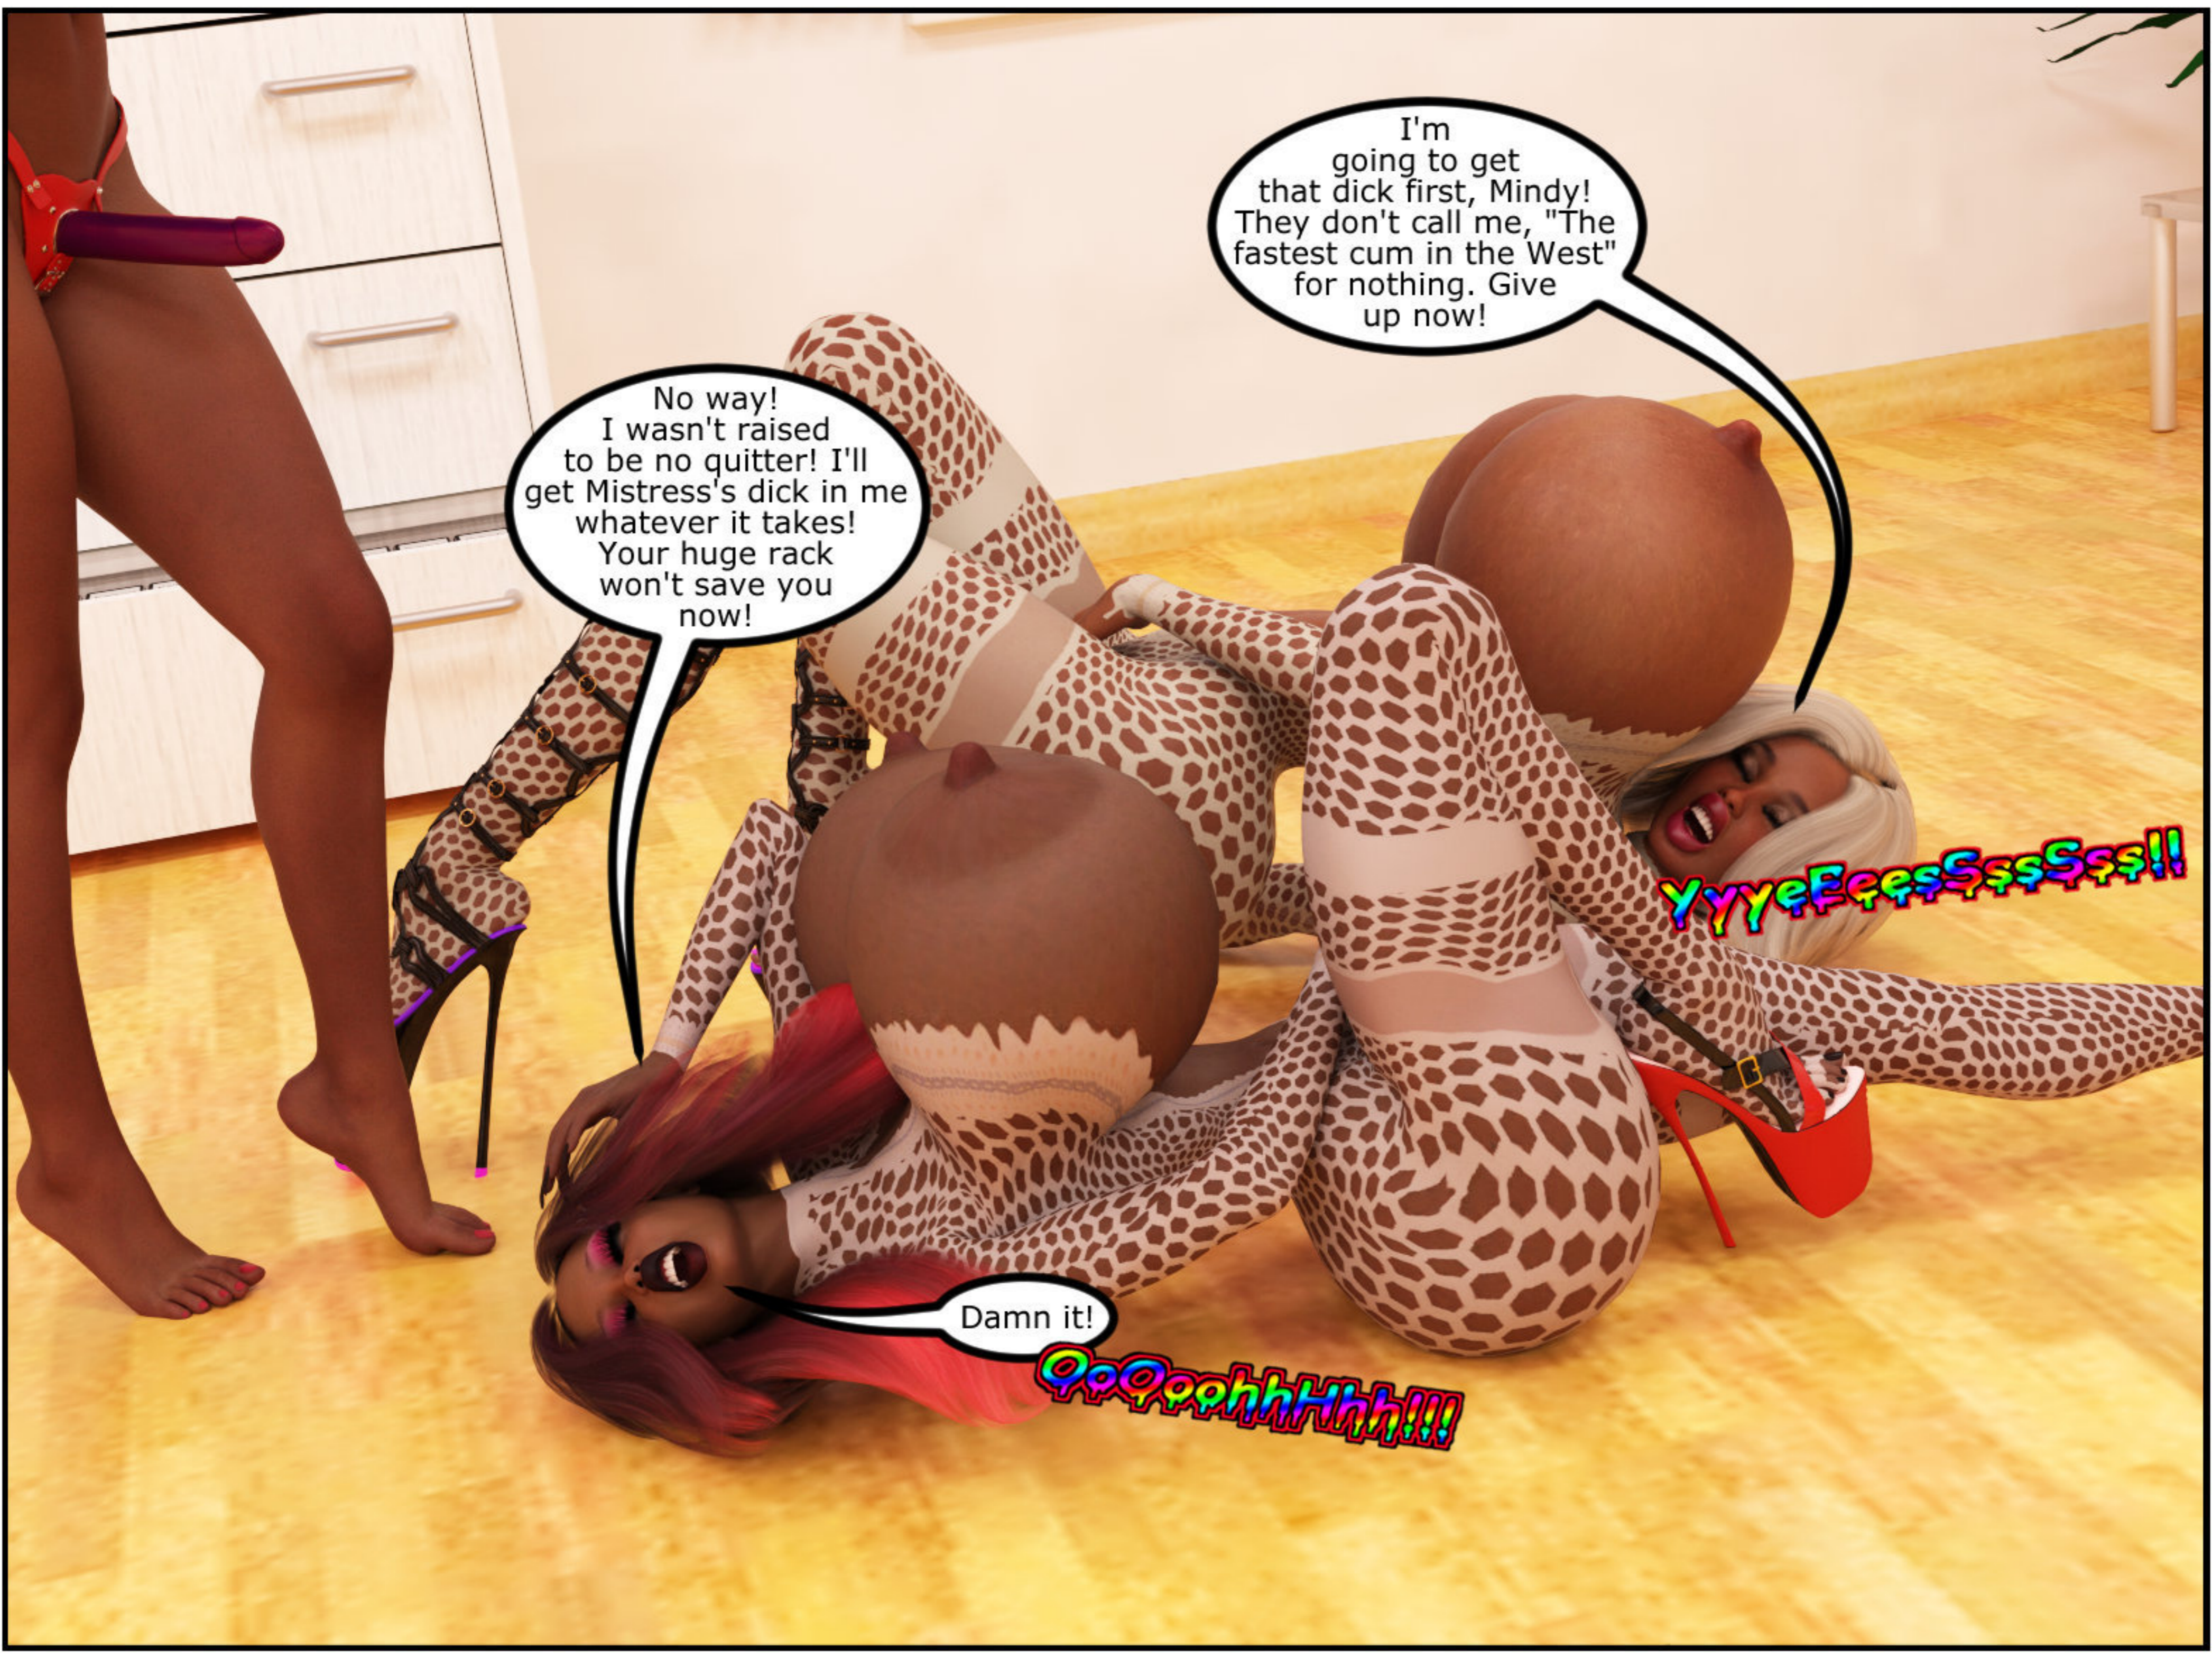

I'm going to get that dick first, Mindy! They don't call me, "The fastest cum in the West" for nothing. Give up now!

No way! I wasn't raised to be no quitter! I'll get Mistress's dick in me whatever it takes! Your huge rack won't save you now!

Damn it!

YyyeEeesSsss!!!

QqqqphHhh!!!

Fuck!
That is so
hot! I'm getting
wet just watching
the two of
you.

Congrats!
You're the
winner, Nawtae.
Now show me that
fat ass,
bitch!

Nawtae orgasms hard and fast. Mindy puts up a good fight, but ends up disappointed. Missy grabs Nawtae by the hips, flips her over, and thrusts deeply into her. Nawtae urges her thrusting on, as Mindy watches and almost drools with horniness.

MmmMmmMmm!!!

Yes,
Mistress!
So good! Give
it to me like the
horny slut that
I am!

You're so stacked and sexy, Nawtae. I love that southern belle accent of yours. You act all innocent, but you're just a cock-hungry bimbo behind that smile.

MmmMmmMmm!!!

MpPpAaAnNn!!!

PpPpPpHhHh!!!

Missy pounds away at Nawtae from behind. She occasionally leans in to whisper dirty things in her ear. At one point she beckons Mindy closer. Nawtae takes the cue to grab Mindy by her hips, drag her in, and bury her face in between her legs.

That's right!
You're just a ditzy
nympho who can't get
enough. Now lick that
pussy like you
mean it!

FffuUucCekKk!!

YyyeEeesSssSss!!

GgggOooOooPdd!

Mindy leans forward and grabs
Nawtae's head to help her with her
task. They all continue their sexual
olympics until each and every one of
them orgasms explosively.

Meanwhile, downstairs...

So what do you think? That bed has certainly seen more than one threesome.

I love it! It looks really nice and inviting in here. I'm surprised.

I see something else that looks pretty inviting! So what are we waiting for?!

Once our other group of busty beauties are downstairs, it doesn't take them long to start stripping out of their clothes either. Emma and Lola quickly fall to comparing their new chest balloons to one another.

Who would have thought that you would end up with a rack almost as big and perfect as mine?

Come on! You're crazy if you think your jugs are even remotely as nice as these babies!

The results of the boob test are inconclusive, so they finish removing the rest of their clothing and start comparing their booties. Emma and Lola can't seem to agree, so they teasingly ask Amber her opinion.

I don't know about that, but I am sure that I have a nicer ass. Right, Mom?

You're just talking crazy. Tell her, Amber! I've got more curves than a mountain road!

Don't be silly. You're both absolutely stunning!

Her ass is enormous too! I can't get over her abs either. Looks like we finally agree.

You're one to talk! You look like an amazon. These things are huge, and those muscles are insane!

The argument is settled as Emma and Lola move to either side of Amber's naked body. They fondle her incredible figure as they both realize that Amber is far bigger, curvier, and stronger than either of them.

Oh!
Oh my!
Strong doesn't
even begin
to cover
it.

MmmmpPpphHhh!!

Lick!

Wow!
She tastes
even better
than
she looks.
Yummy!

Tongue!

Unable to restrain herself any longer, Emma kneels down, her hands on Amber's muscular thighs, and begins to pleasure her with her mouth. Amber grips Lola's hips with both hands and lifts her all the way up to her head. She then rests Lola's ass on top of her breasts, and starts licking her daughter's pussy.

Come here, beautiful. So pretty.

So are you, Mom. So are you.

The three bimbos soon move to the bed. Amber produces two large dildos from somewhere and begins to use them vigorously to fuck Emma and Lola. Mother and daughter lean in close to embrace and kiss.

Pump!

Pump!

Just a whole family of beautiful, busty bimbos now!

MooPpAaanNn!!!

MmMmmMmm!!!

Much like the fuck-fest upstairs, the trio of bountiful bimbos switch positions several times. After the dildo pounding, they spend some time fondling and cuddling. Next they end up with Amber sandwiched between Emma and Lola as they pound away.

Oh yeah!
Right there!
Pound that pussy!

Fuck yes! Oh fuck!
That feels so damn good!

She is fucking amazing, and so is this ass!

Pound!

Pound!

After a while, things are beginning to come to an end. Emma, Lola, and Amber lie on the bed, mindlessly fucking themselves with dildos until they all orgasm a final time.

Some time later...

Emma wakes up. She carefully extricates herself from her mother and grandmother, and makes her way upstairs, not bothering to put any clothes on. She finds the reception area empty, but hears moaning coming from the other room. She enters.

Hey there, Mindy. What are you doing? What is with the chair?

MmmMmmMmm!!!

Emma enters the office proper to find Mindy seated in the chair. She is also oddly naked, but she is clearly enjoying herself. Emma isn't familiar with the chair and wonders what it's all about.

By the way, haven't I seen you on campus? And where are Missy and Nawtae today?

Yes, I'm a student there too. Mistress and Nawtae left to run some errands, so I thought I'd enjoy a session in our lovely chair.

It does all sorts of things, but mostly it makes me a better slut. I like how it makes me feel too.

Once Mindy is done, she greets Emma and answers her questions. Mindy explains what the chair is, and that she likes to regularly use it on herself. Emma recognizes Mindy as a fellow Bim U student.

It makes me so happy to see the two of you so happy.

More sessions like that and I'll have a smile plastered on my face 24/7.

MooOoAaaaNn!!!

It seems that Emma getting up has also awoken the rest of her bimbo family. Amber and Lola enter the reception area to hear sounds of moaning, much like Emma did when she came upstairs.

Maybe we should leave them alone and head back to bed?

I am so proud of my daughter right now.

Or join them? One or the other.

FffuUuG CokKk!!

Pump!

Pump!

YyyeEeesSsss!!

This time it is a slightly different type of moaning, however. They walk into the office to find Emma and Mindy going at it with a double-ended dildo. They debate whether to go back to bed or to join in on the action. Mindy and Emma are completely oblivious to the other two ladies in the room.

The story will
continue in the
next part.
