

Come, sit down.

I'll tell you everything.

Are you sure..?

Of course, why wouldn't I be?

W-Well..

It sounded like what went on between you and Sodam was pretty serious..

And to concern both Syndicates.. is it okay for you to just tell anyone this?

But.. you're not just anyone!

You're Cherie!

I know you have a lot of questions about my past.

And I understand why..

I wasn't exactly honest with you when we were roommates..

Because I was scared of how you'd react..

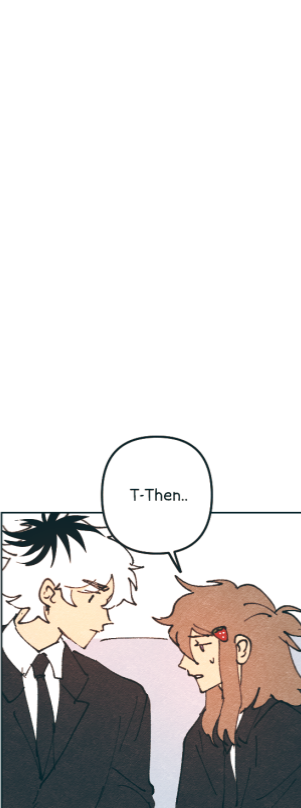

But it ended up hurting you more than I could ever imagine..

That's why I won't keep secrets from you anymore, Cherie.

You can ask me whatever you want, I'll do my best to answer.

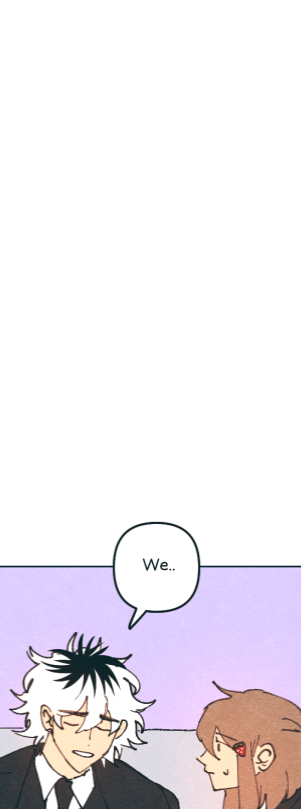

Whatever I want..?

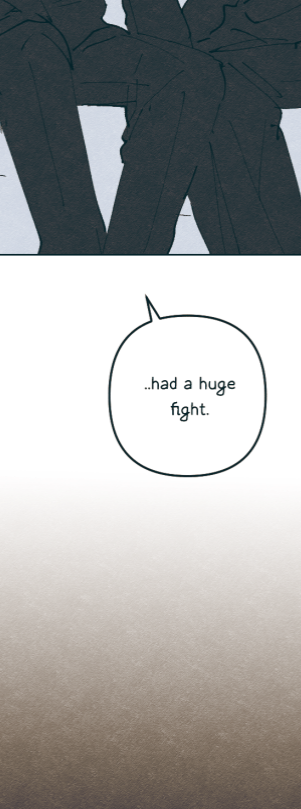

T-Then..

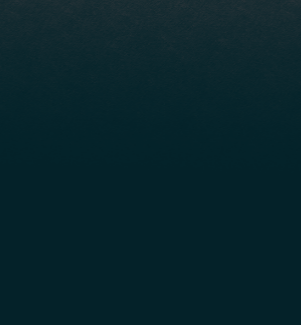

How did you and Sodam break up?

How does everyone else break up?

We..

..had a huge fight.
