

Name:	Spoon of Poison Breath	
Rare (one of a kind)	Worth: 5000 GP	
	<p>This spoon was forged by master craftsmen who specialized in enchanted spoons. This spoon is one of a kind in a set that has been scattered across the lands by treasure hunters and collectors.</p> <p>This spoon was forged from the hide of a green dragon. The spoon was enhanced to grant whoever eats from it the ability of Poison Breath once per day. The user can exhale a 30-foot cone of poison gas (DC 18 Con for 16d6 poison damage on failed save or half on a successful one.) The gas will linger and is capable of being blown back at the user. Use with caution for this spoon was deemed too dangerous, this spoon was one of the first to 'disappear' from the collection.</p>
