CW: Oral sex, photo taking, video taking, biting, creampie, cum eating, sex in the kitchen,

The audio starts with sweeping, the sound of dishes being done, running water. Soft Music playing in the background. Footsteps as Kirishima approaches

Kirishima: Whew, well I got the trash taken out, we did all the laundry....you got the bathroom and I juuust finished sweeping up. Place is lookin' a lot spiffier now, huh?~ I know Katsuki's gonna be happy when he gets back tonight!

I think it was pretty sweet of you to suggest we do a deep clean of the house on our day off.. I think our husband will appreciate it.

Hmmn.. **(He steps up behind Roomie slowly, gently wrapping his arms around their waist)** Heh.. Sorry. I hope I'm not getting in your way.. I know you're finishing up with the dishes but.. I guess I can't really help but to touch you and hug you sometimes~ Mmmn.. You smell like.. Lemon cleaning supplies **(small kisses, chuckles softly)** But I don't mind~

(pause)

(laughs) Of course I don't. It kinda mixes with your own smell and just...hm. It's different, but really nice. **(contented hum, a small kiss)** Mmn.. don't mind me, baby.. Just keep doing your thing.

Mn.. You know.. You look super cute in that outfit of yours.. I couldn't help but to sneak some glances at you when you were cleaning~ Those pants of yours just...make your legs look so amazing, know that? I think those are my favorite ones. Not to mention...

(soft shift)

They make your ass look really perky~ Haha I think that's why Kats bought 'em for ya.

(small swat)

Haha! Ow! What, I'm not teasing hon, I mean it! **(lowly)** They make you look good enough to eat~ And I gotta say, all this cleaning today has kinda made me work up an appetite~

(needy little growl) .. What do you say, baby..? It's been.. You know, a while.. Since we got to do this kinda thing. With all our hero work taking up our time...I've missed you so much and I feel really...mn..pent up..just being close to you like this...kissing you...mn..**(kiss)**. Makes my brain all kinds of fuzzy....in a good way though. Just...makes me wanna love on you...

Nn.. Can you feel how hot you make me? **(Soft hum)** .. Why don't you let me take care of you for a little bit..? I mean.. You worked so hard today~

Ah..? Heh... I don't know if I can wait until Katsuki gets home.. That's a couple hours from now.. But.. Mn.. We don't have to keep him out of the loop entirely, you know..

Why don't we have a little fun and send him some pictures..?~

(Soft chuckle) .. I know, I know he's at work.. But isn't that kinda fun? Give him something to look forward to when he gets home y'know? **(playfully)** Haha, remember the last time we did something like this? He got all riled up and kinda feral~ It was really hot..

Mn.. This way, when he comes home.. We'll have to face his wrath..~ Heh..

(kiss) Mm..sound fun? Nnn.. Glad we're on the same page, honey.. Ah ah- It's okay, you don't have to go anywhere.. I think this spot.. Right against the counter.. Mn.. I think it's perfect.. Plus, I'm kind of impatient right now, honestly.. Forgive me.. **(Breathy, soft laugh)** I've missed you so much...and I can tell from how you're just arching up into me that you missed me too..

Hnn.. Feels so good to grind against you.. Hold you nice and close..~ I love it when you push your ass back against me.. Ah..

Here..

(turns water off)

Don't worry about the dishes, they can wait..just..lean over the counter for me okay? I wanna...**(low needy noise)** I need a taste...please? Your ass just looks so fucking good... Lemme.. Please pleaseplease...

(pause)

Mmn..thank you baby...I promise I'll make you feel *really* good..

(shuffle as he pulls the pants down)

(low and turned on) But first..let's take a picture for Kats..so he knows just what he's missing~ Just like that..up on your toes a little, part your legs just a smidge...

(camera sound)

Perfect... God you're so hot.. Mnn.. We'll send 'em all when we're done okay? Now~ Just relax for me.. **(gentle kiss to their bits)** mnn.. Lemme make you feel really nice..

(He slowly eats them out, moaning softly as he does this for a bit)

That's my good baby..**(low groan)** Mmn..you taste so good, I could stay here for *hours*...**(kiss)** Your legs are so shaky.. **(Content hum)** Am I really that good?~ Heh..guess I've gotten my technique down huh? **(He moves back in for a little bit)**

You know.... I've been thinking.. Mnn.. Thinking about the look on Katsuki's face when he sees all the pictures we're gonna take.. **(Gentle lick, a little groan)** .. My cock deep inside you.. Your sexy body bent over the counter... And then.. A nice, pretty picture of you covered in my cum..~

I think he'll really appreciate it...he loves seeing you a mess as much as I do.

(Another couple licks) Mnn.. You want more, baby? It's okay if you're feeling a little needy.. I'm having a hard time pacing myself too..I missed you so much..Let me just snap one more picture of you like this.. All soaked and needy.. So cute...

(Camera sound)

There we go.. Okay.. Keep yourself bent over the counter for me, okay? **(soft, needy huff)** I think.. Heh.. I think we should send him a nice video too..

(He's unbuttoning his pants, breathing a little eagerly, there's the sound of him starting to take a video)

One of me.. Rubbing my cock against you just like this.. **(Little groan)** .. And slipping.. Inside..

(He slips inside slowly, small hiss dropping into a moan) Just like that... Ahh.. So tight.. Katsuki, you reeeally should have taken today off, baby.. Roomie's being so good for me right now.. Look- hnn.. Look at how easy it is for me to slide riiight in.. ahh- hah.. All the way to the base..

Mnn.. That's it, baby.. You're so beautiful like this.. You can be as loud as you want, sweet heart~ Heh, that's..ha...the upside of having our own place now. Go at whatever pace you want hun, ahh..just..just like that...fuck..

Here Kats..have...a nice close up huh? Watch how easy their body sucks me in..

(he starts a slow, rhythmic pace) Ahh~ Wish you were here.. Maybe we'll just have to go again when you get home later, hmm?~ Unwind from all that work we've been doing lately.. Nnn You sound so cute, Roomie.. Do you like that, baby?

Ahhh fuck.. I missed this so much... **(Soft groans as he thrusts for a bit)**

Nngh.. Katsuki, you gonna be naughty and watch this video at work?~ Maybe sneak off to the bathroom so you can see it? Man, the idea of that.. Fuck.. You're really gonna have to hurry up and come home to us..

We miss you a lot, don't we baby? Hear that Kats? They wish you were here just as much as I do~ Hurry home, we love you~

(sound of him ending the video)

There... I'm sure he's.. Ahh..~ Gonna love that.. Now, I'm gonna put my phone down so I can really focus on you..Mmn...Heh, one thing I like about being so tall is that even when you're on the counter like this I can just....

(shift) Settle on top of you like this. Gives...hmn...gives me really good leverage and I can just...grab the other side of the counter. I really like...just caging you in like this...feeling you all needy under me...it's amazing.. Feels.. Kinda nice to have full control like this..

(low needy noise) Look at me hon...I wanna kiss you...please? **(soft passionate kiss)**
Nng..ha...don't worry, I won't stop..ah...I'll keep..ng..going...until I make you make a mess all over the place~

I love how..ah..hot you are around me...how tight..mng..making me lose my mind..fuck. C-can I bite you? Please? Just..mmn..just one? I promise I'll put it where your costume will cover it up.. Hnn- hnn.. Right.. On your neck? That's so naughty, Roomie... People will see...

Mfff- How could I say no to such cute pleading though? Okay.. I got you, baby.. I got you.. Shh.. Relax.. Ah- relax for me...

(He leans in and bites into their neck gently, with a little possessive growl)

(Pulls away slowly) Fuck that mark looks so good on you... I wish I could cover your whole body in them.. Mnn.. maybe someday.. ah..

(needy hiss) Ohhh god you missed this too huh? You're squeezing down so much...I love you baby...I love you so so much...ha...

N-no I won't stop..promise...haa....Don't think I could...even if I actually mmng....wanted to. S'like my hips are just...moving on their own...mn..fuck..

I could fuck you like this all day ah- hnn... I missed it so much.. Missed your tight body clenching down on my cock like this.. Sucking me all the way in so deep like I belong in here.. Mnnn~ S'all for me and Katsuki, isn't it? Such a good baby..

You love it when we fuck you huh? **(Moaning for a bit)** Yeah.. You love my cock.. Love it when I fuck you nice and rough and deep.. Ahhh baby that expression..

When I push in all the way your eyes roll back- fuuck.. My name sounds so pretty coming off your tongue.. Wanna hear more.. Make more of those cute sounds for me okay, baby?

I can't- can't hold on much longer.. Can I cum inside? Is it okay?? Ahn- hnnfuck.. Okay.. okay I'm gonna- AH-! Fuck..! **(Long, shuddering moan as he cums, his body trembling with each spurt)**

Oh.. hnnyeah.. Trembling so much while I fill you with cum..~ Ah- hah.. I got.. A lot for you.. Saved it all just for you, baby... ahhh....

(he comes down, breathing softly for a bit) Mnn... **(very softly, lovingly)** Thank you.. Heh.. Honestly, I think after so much work stress lately.? I really needed that..

(breathless) Hold on let me...mn..let me get a video of this..hold still for me hon..

(sound of him recording as he slips out of them)

(low groan) That's it baby...spread your legs a bit...just like that... Show Katsuki how pretty you can be..~ **(breathless)** Look at them Kats...mn... Look how much I filled them up..~ you *really* need to come home soon~

(pause)

Aww...hear that? Our baby is begging for you...don't worry though, I'll take care of them until you get home okay? We love you~

(recording stops)

Whew...here hun...why don't you send our little presents to our darling husband while I clean you up some hm? Mmn..just stay nice and still for me okay?

(soft licking, with small sighs and moans)

(text noises as Roomie sends the message, a moment's pause and then phonecall noise)

Kirishima: (mouth full) Better answer it~ You know he hates it when we send him to voicemail~

(it takes a moment but they answer the call)

Bakugou: (low and urgent, but kinda turned on) You idiots! I'm in the middle of patrol! Sending me shit like that....**(huff)**

Kirishima: (finishes up and cuddles close) Awww I know that tone, you liked it Blasty, don't lie~

(pause)

Kirishima: (playfully) They're right! Think of it as...mm...incentive...to do a good job and come home quick~

Bakugou: (shaky exhale) You two are gonna be the death of me I swear. One of my sidekicks almost saw that shit you sent me! **(playfully mean)** What a pair of perverts I married....fine, but don't go begging me for mercy when I get home. You riled me up...and you're both gonna pay for it.

(pause)

Bakugou: (challenging) Ohhh 'With Interest' huh Roomie? Alright...I'm gonna hold you both to that. I don't wanna hear any crying or complaining because you two wrote a check your asses can't cash.

Kirishima: (playfully) You know us babe...we love a good challenge. See you when you get home~

Bakugou: (huffs) Yeah? We'll see how well you hold up. So don't you dare get too comfortable. I'm taking tomorrow off for us so...**(wicked laugh)** I'll have plenty of time to teach my perverted spouses a lesson. Now clean up my kitchen! I don't want cumstains drying on the damn cabinets!

Kirishima: (laughs) Of course of course...I'm working on it~ Bye Kats...we love you~

Bakugou: hmf, love you idiots too.

(phone hang up)

Kirishima: **(laugh)** Oh man we're in for it now~ Gotta say I'm kinda excited. **(kiss)** Mmn..Here baby..let me get you into the bath with your favorite bubbles and I'll join you after I clean up. I'll even put some towels in the warmer for us so we can be niiiice and cozy when we get out okay? We'll even order some takeout for dinner since, heh...judging from our husbands tone I doubt any of us are gonna be in a state to cook anything~

(shifting)

C'mere hun...**(happy sigh)** I love how you just..fit in my arms like this, it's one of my favorite things. **(soft kisses, sweetly)** Mn...and..I just love you~ Now..let's get you taken care of hun...Blasty'll be home soon before we know it~

(footsteps off towards the bathroom, the audio fades out)
