-Sad cat thoughts, she
seems completely fine again
now, but it was written when
I was pretty down (p6)

(Let me know if you need specific CW's)

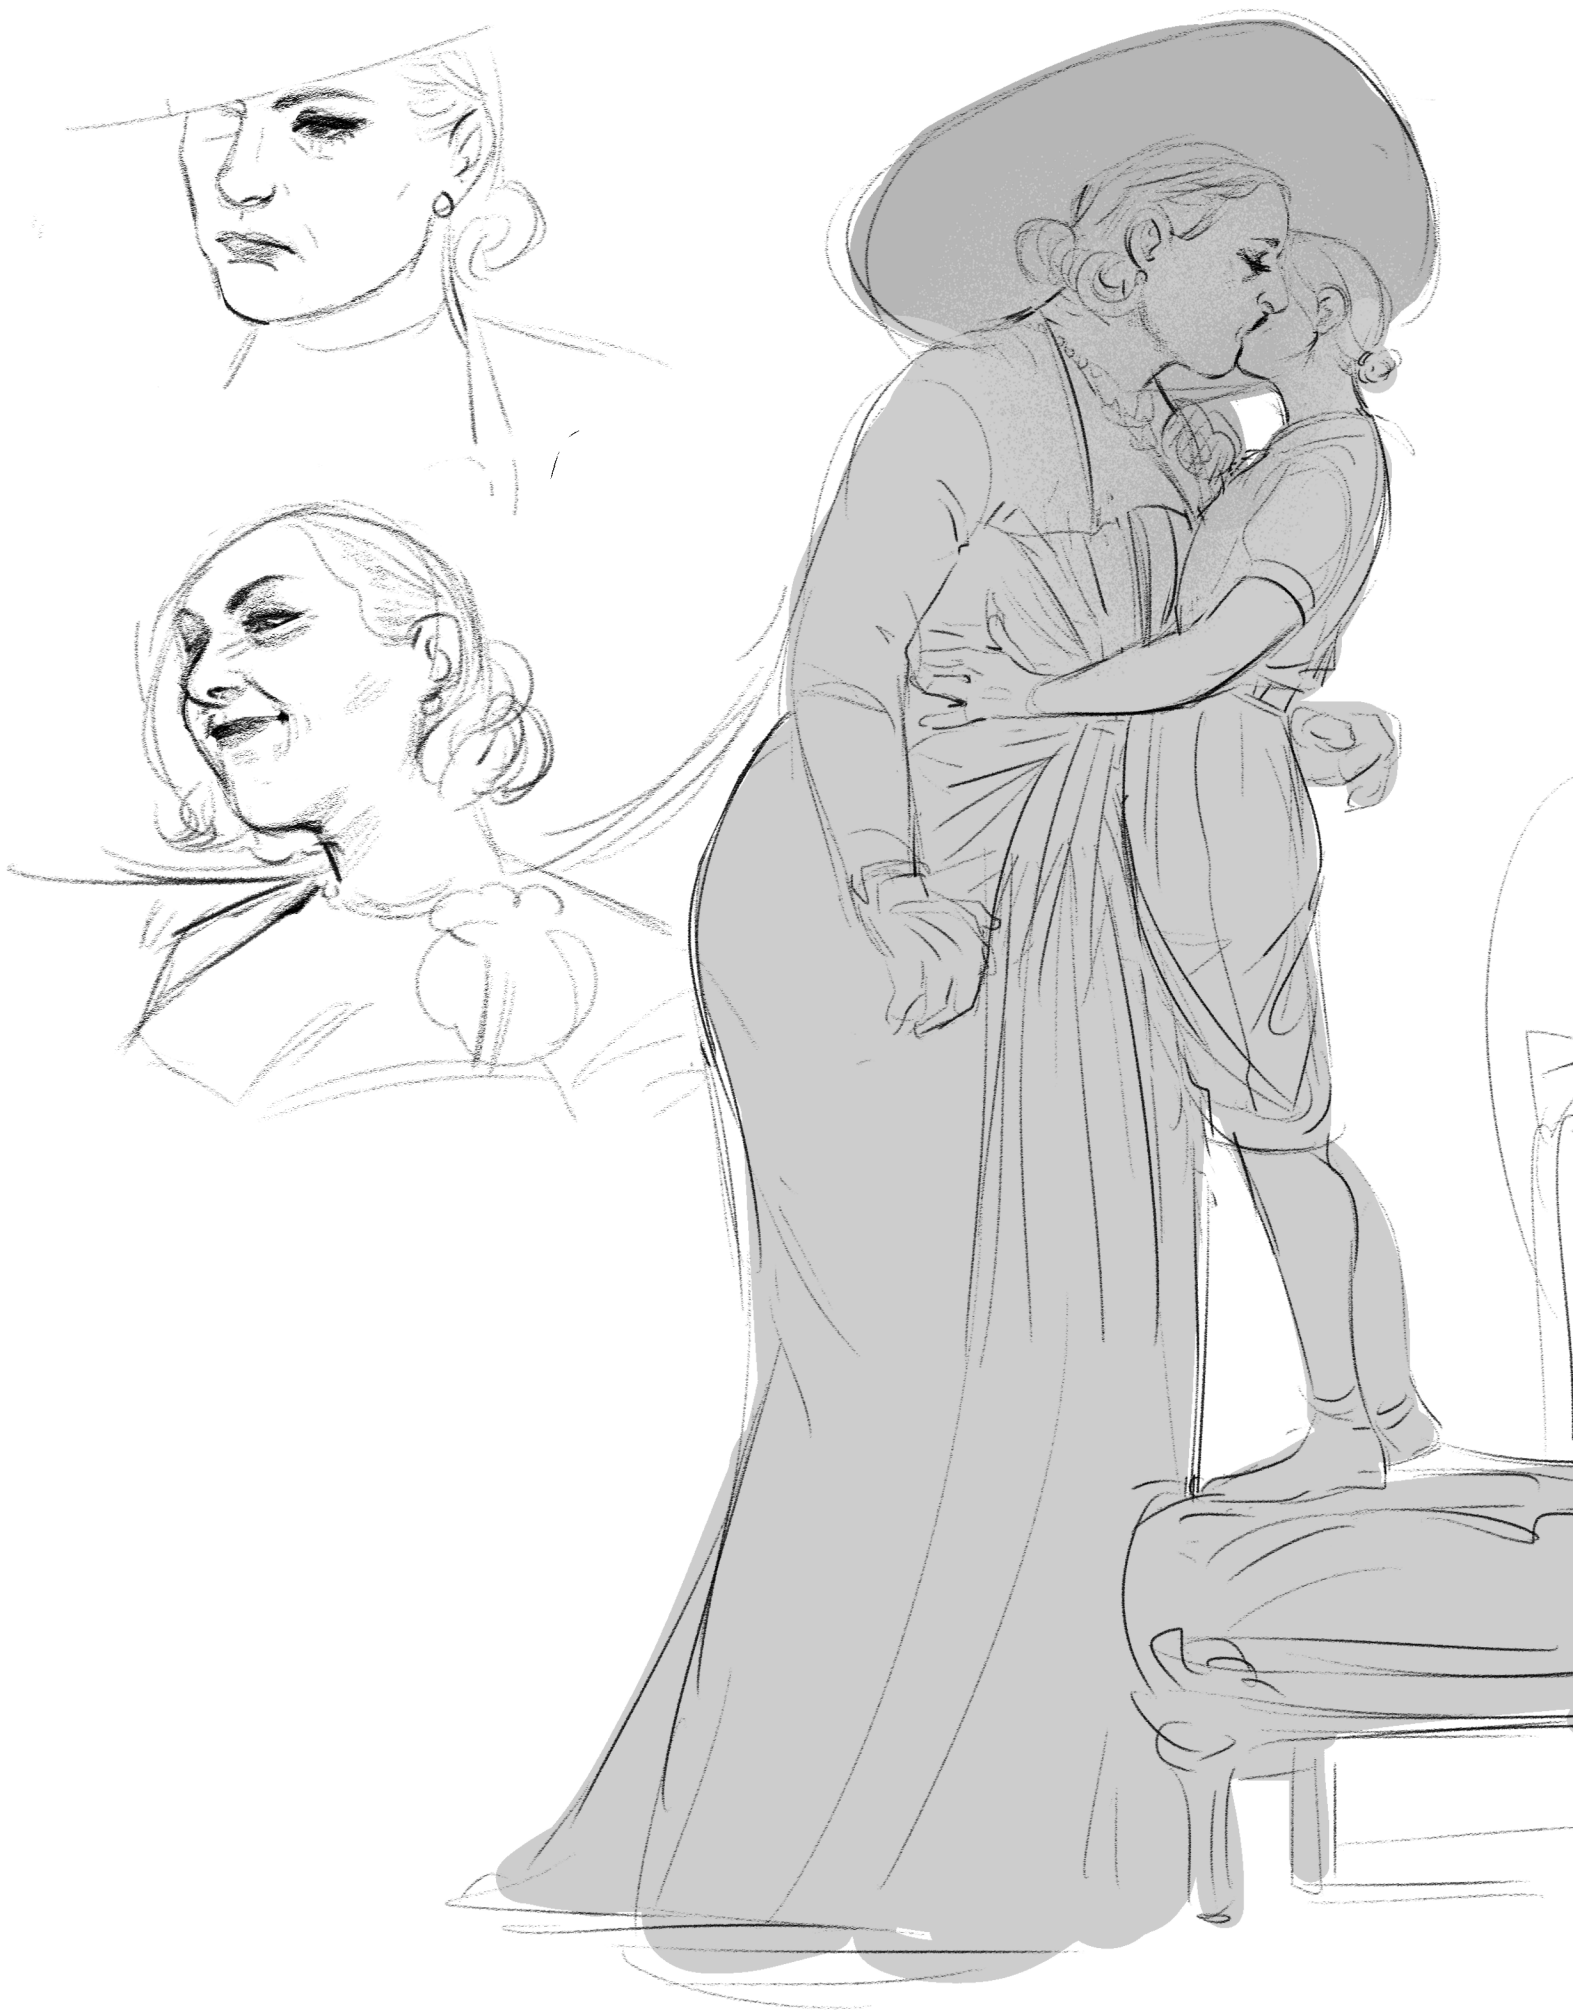

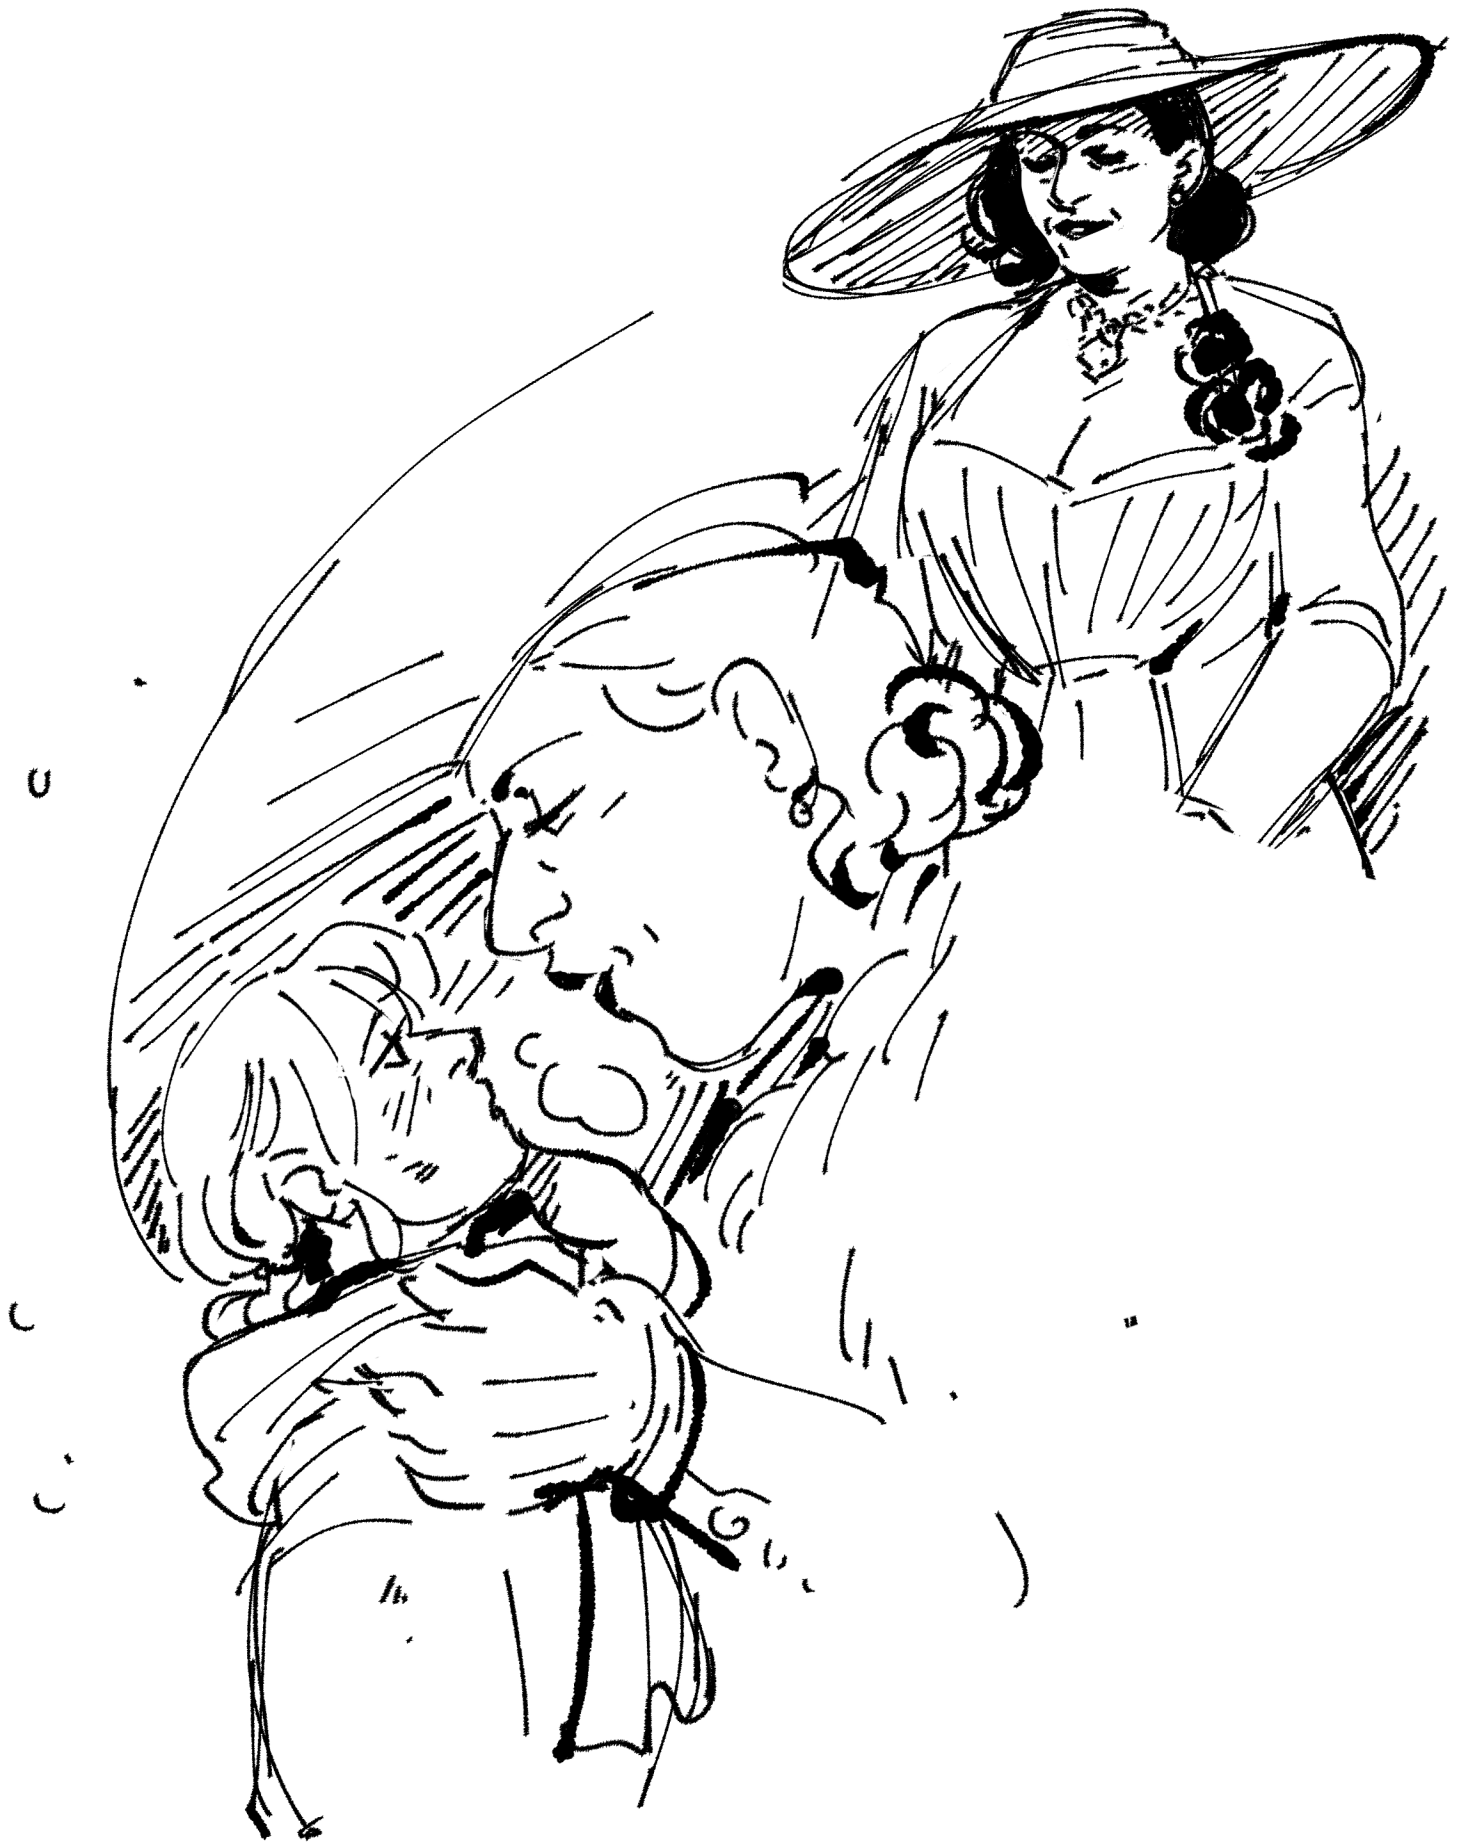

too cute

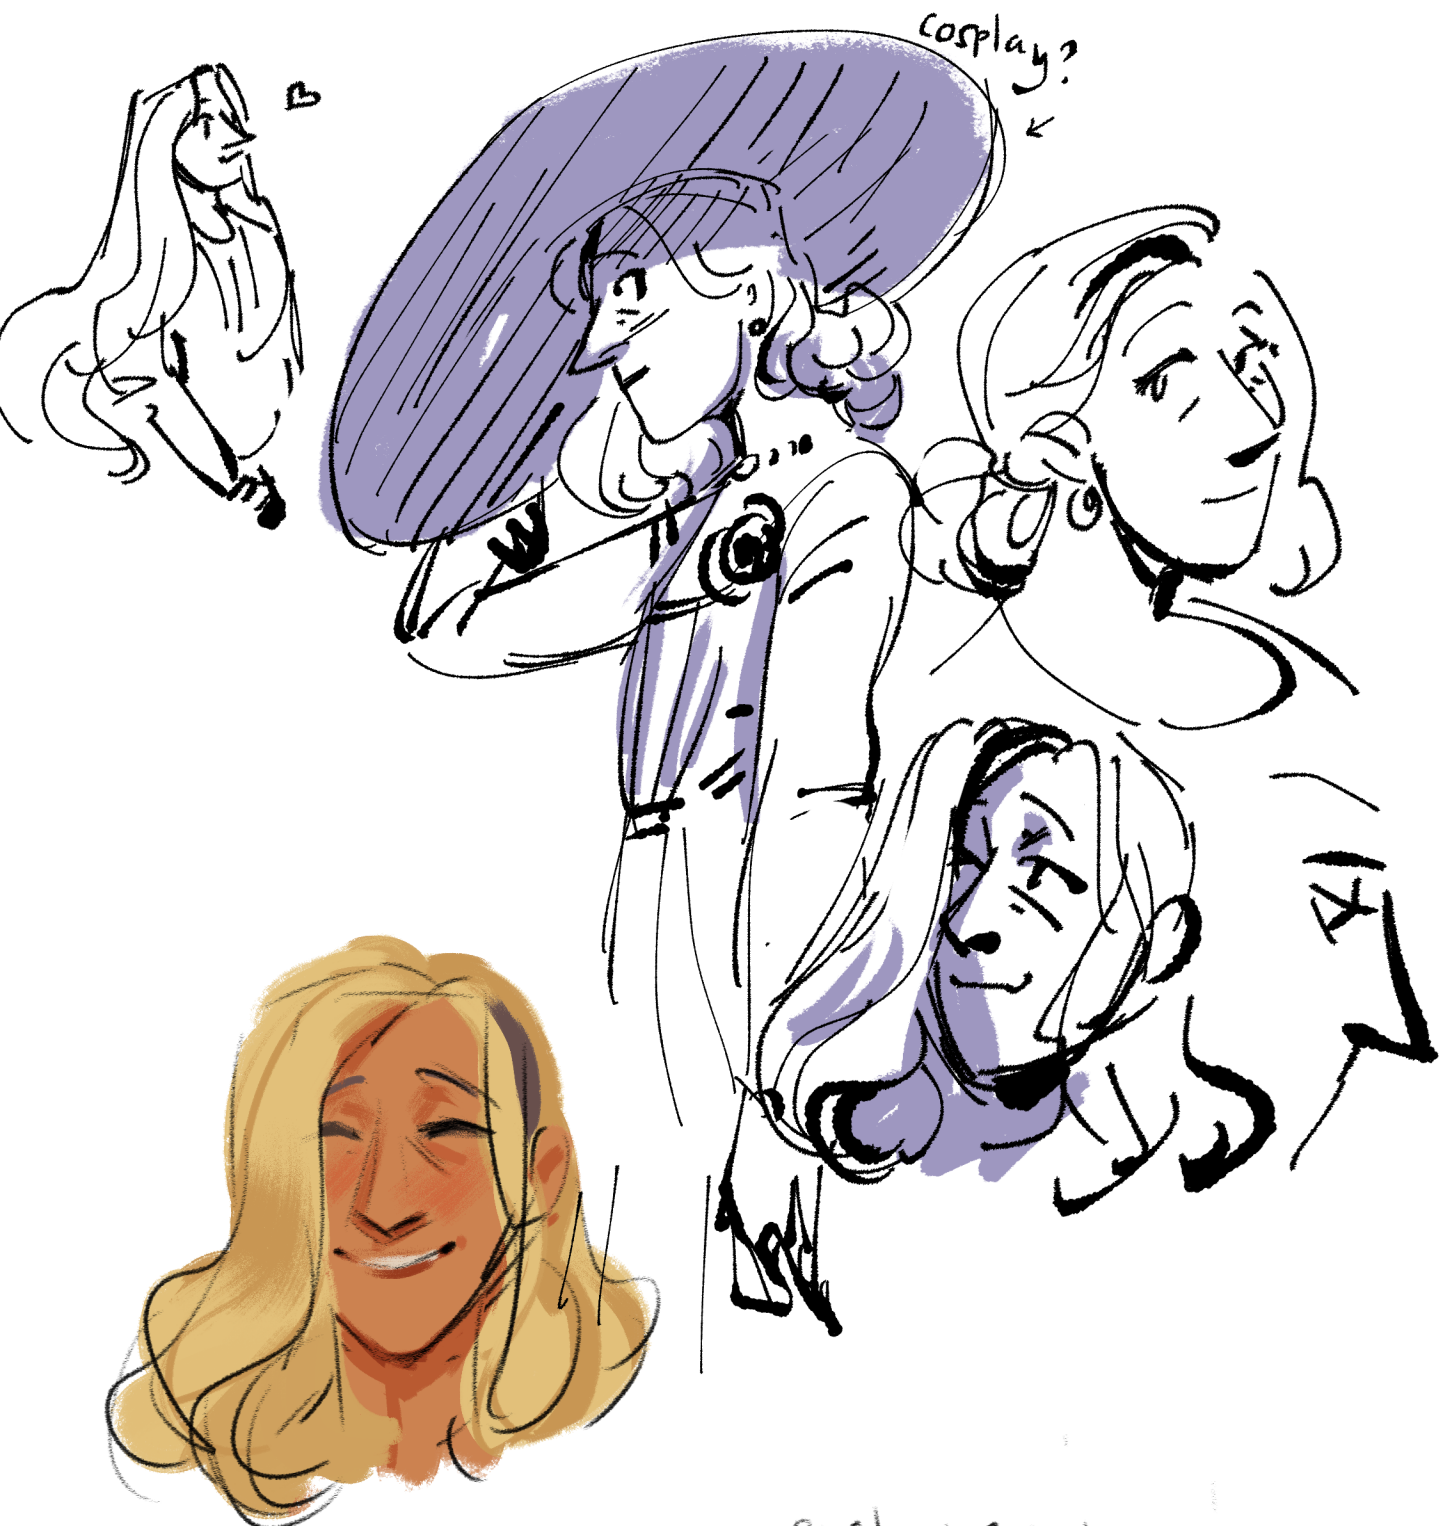

milf hard

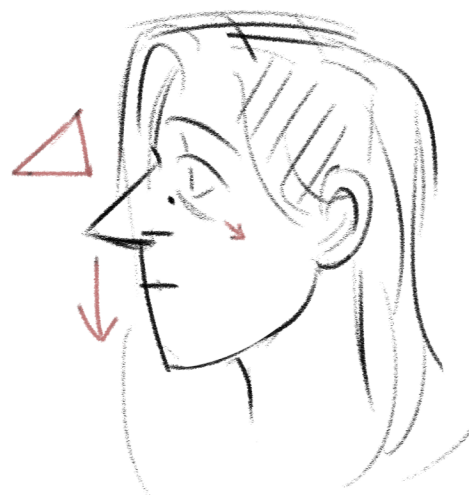

cosplay?

A

ears + overbite

eyebrows + long flat chin + mouth

Even if we get bad news, theres no changing it. Worrying does not equal preparation.

All that you can do is adapt, and learn to cope.

right now she seems totally fine.

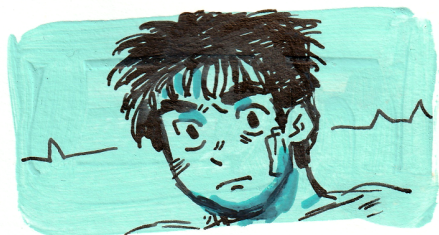

Maybe you'll look back on this with relief that it wasn't as bad as you expected.

she's so fucking cute

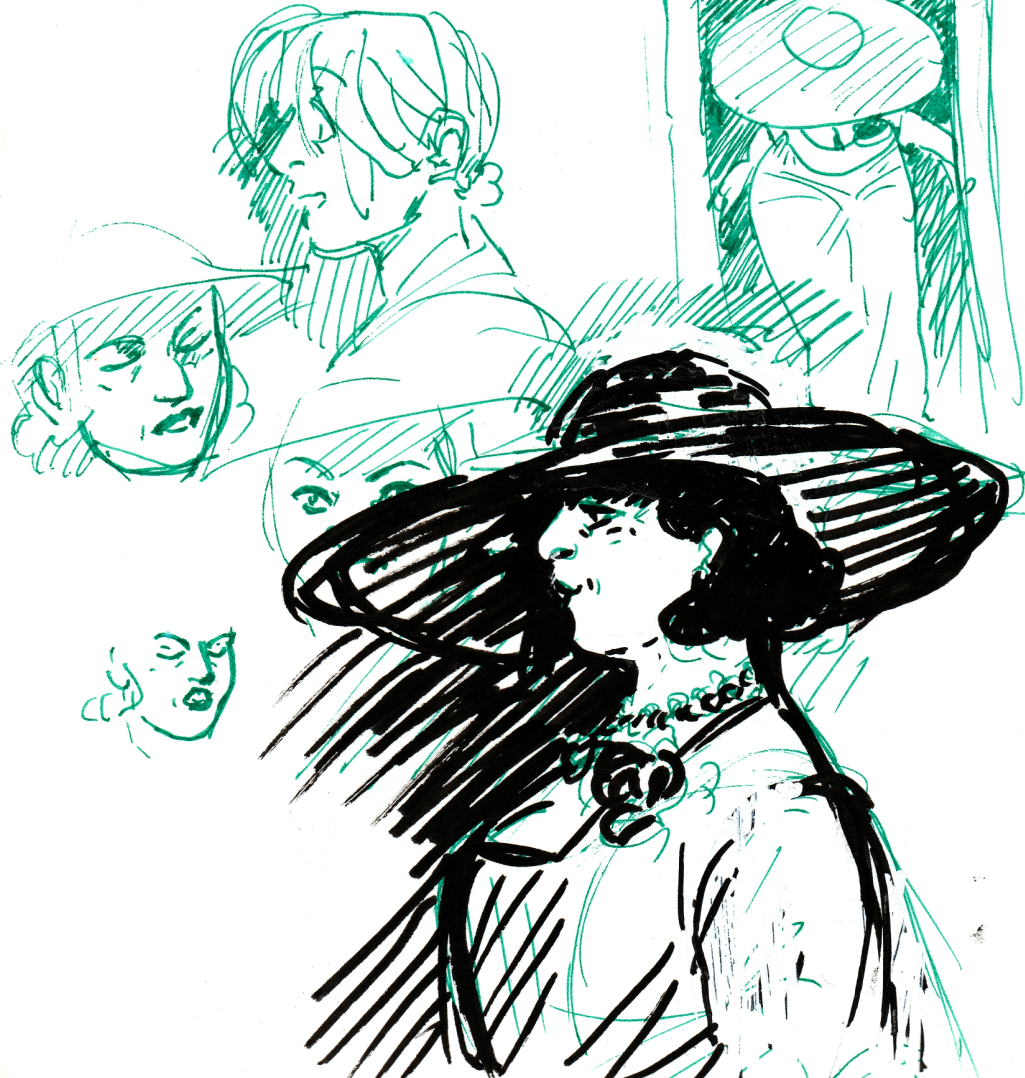

leftover paint from painting a figurine →

Lets go!

I drew these drunk with no ref

"i'll just draw in the corners instead"

flew in through the bathroom window

bear in the garden

there's something satisfying about trying to learn a likeness

lol stopped looking at the ref. voila

Thanks for reading ♡
