Oh, you awake?

You have been
slept for a day.

But don't worry!
You are safe here!

Ah.. Don't get up.
You haven't fully
recovered yet.

May I.. ask you this..?

It's about the person who saved me..

You mean Vert?
Is there something
wrong?

N-no.. I.. don't..

I.. wanted to say thank you to Vert!

Oh? Is that so?

I wonder what was the story but I need to go now.

I'm glad.. you didn't say a word.

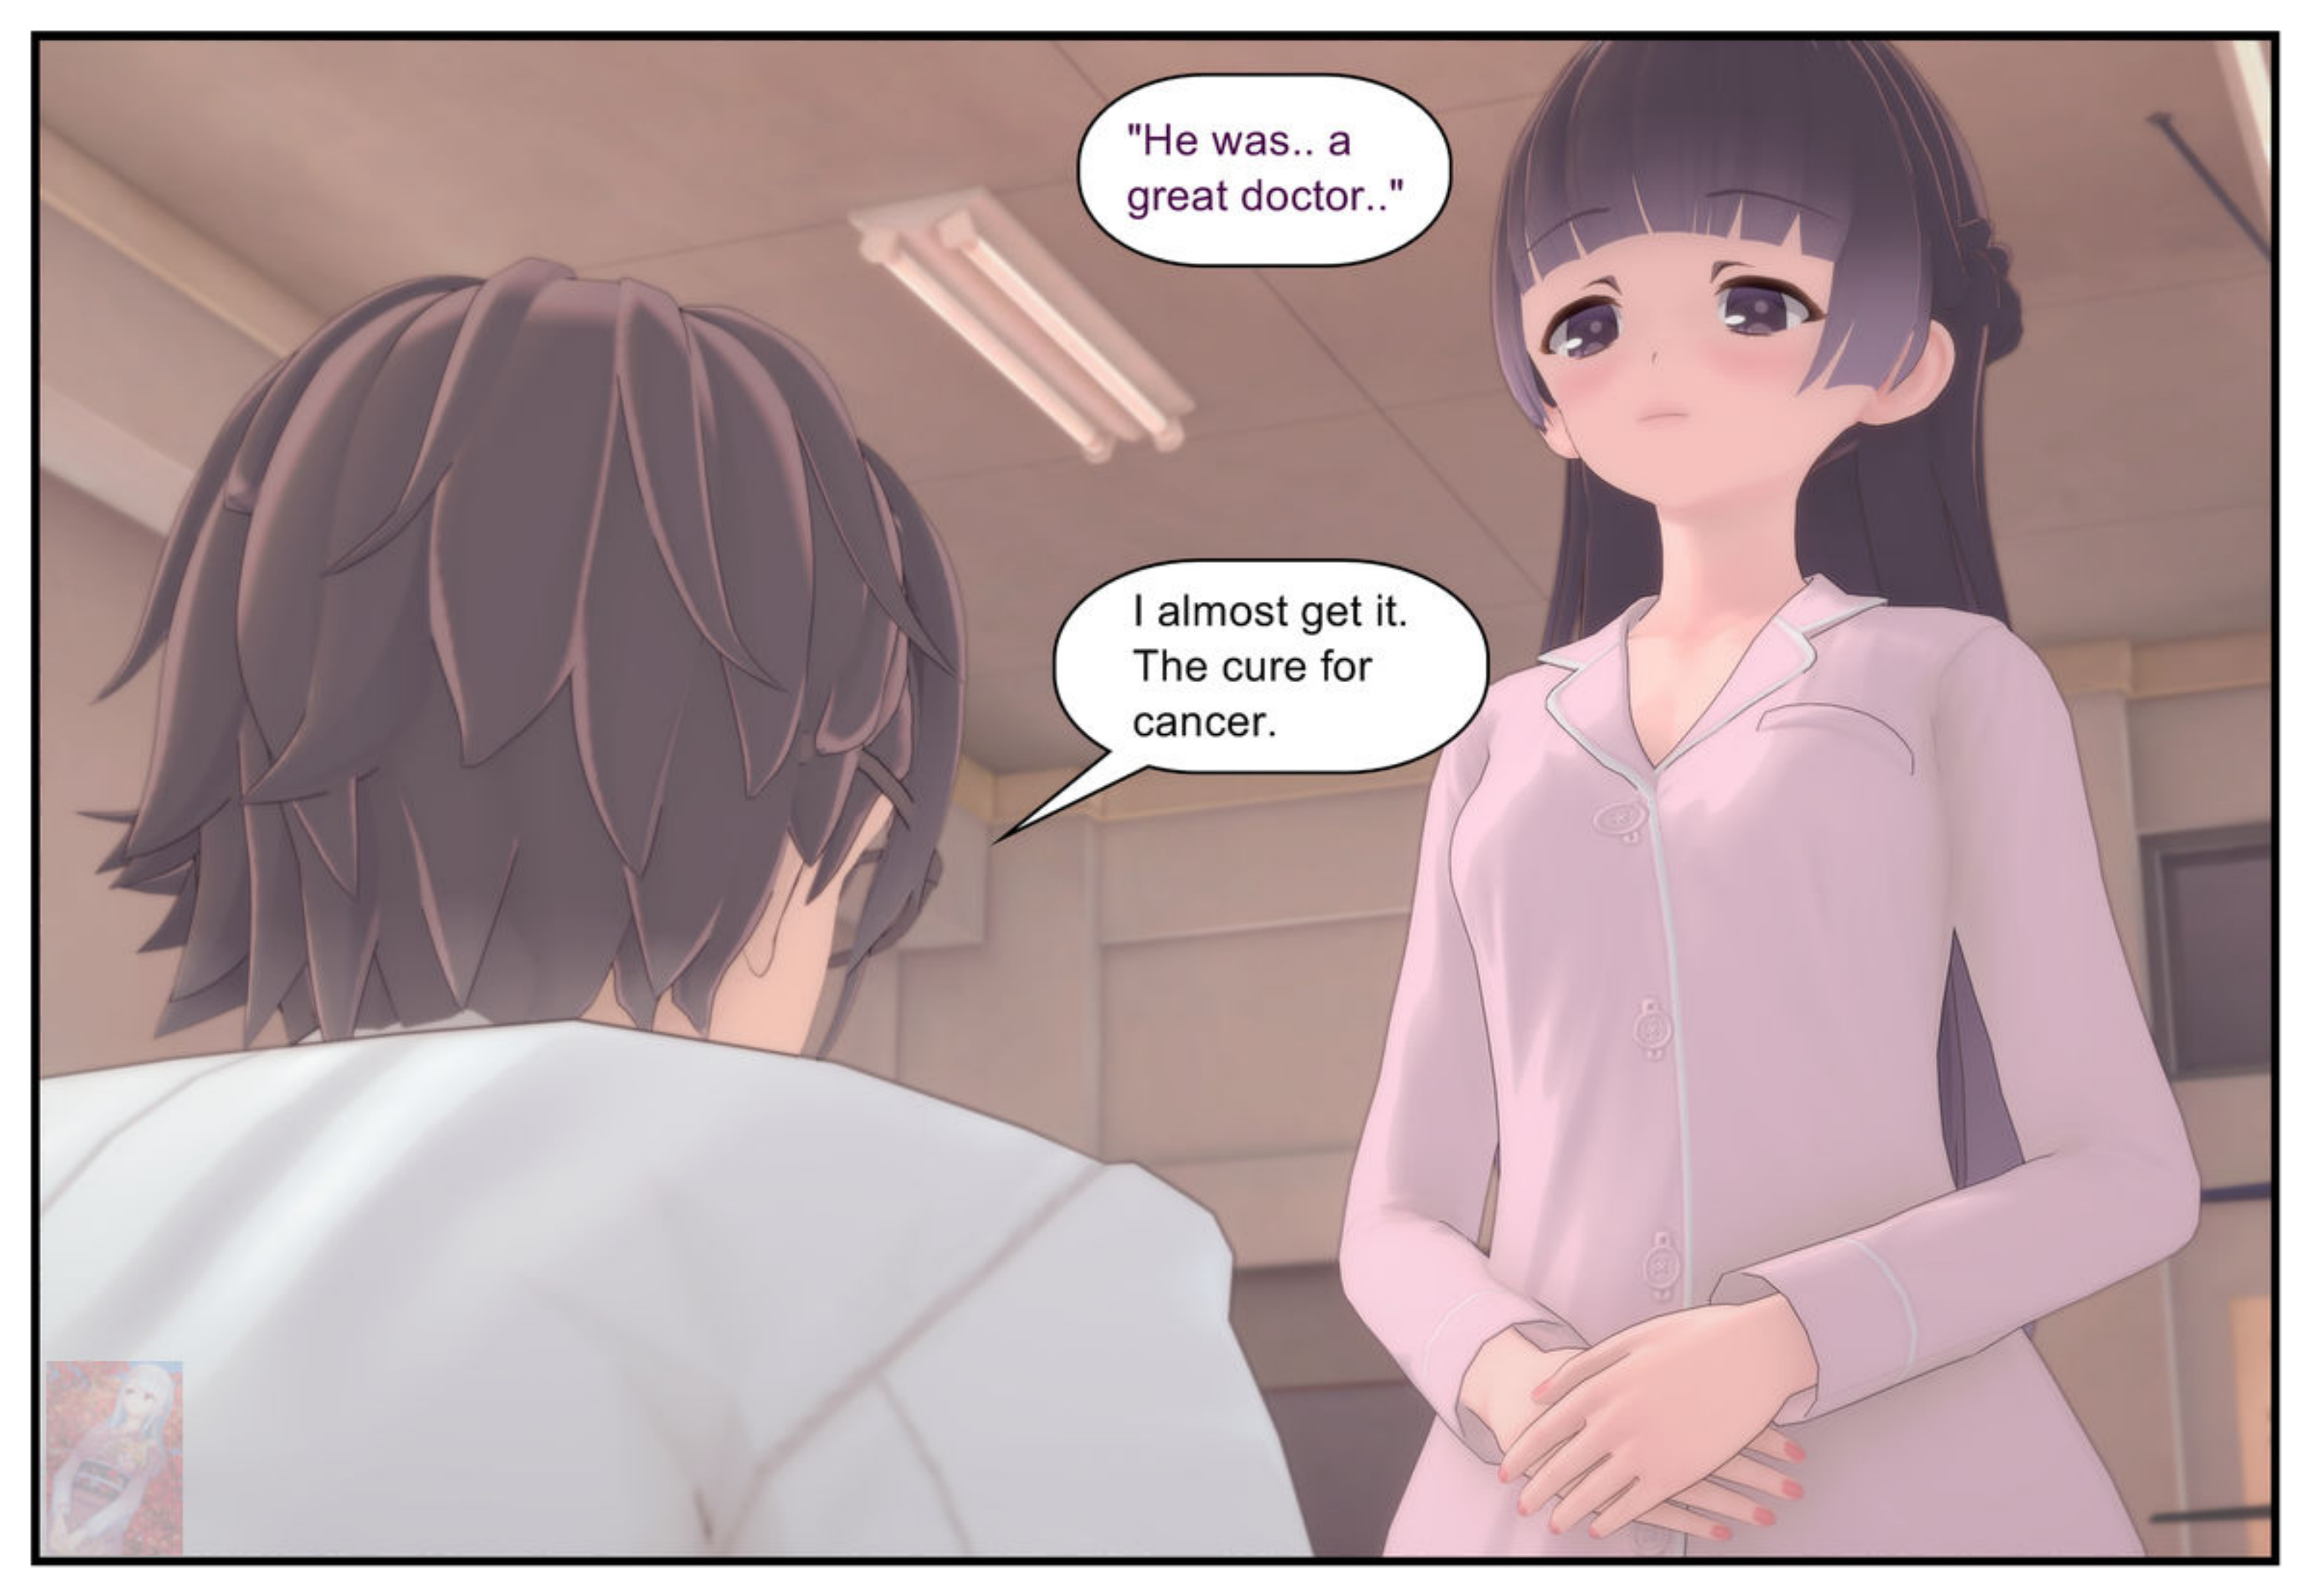

I still want to
enjoy these
moment, don't
you dare to
break it.

"My father.. was
not like this.."

"He was.. a
great doctor.."

I almost get it.
The cure for
cancer.

"He's really excited about that.."

"But.. It was never a success.."

Stay out of
my way, got it?

"He never able to
make that cure."

She's fine. Just need some rest.

The girl that Vert brought in. How was she?

Is that so? But Nep, can't you see something wrong with her?

Haha.. You are worrying too much.

She was all alone in that school.. And we didn't even find any sign of..

Just to make sure, that's all.

By the way, Vert was acting pretty strange after she returned.

Keep an eye on
her, Nep. She
might not Vert.

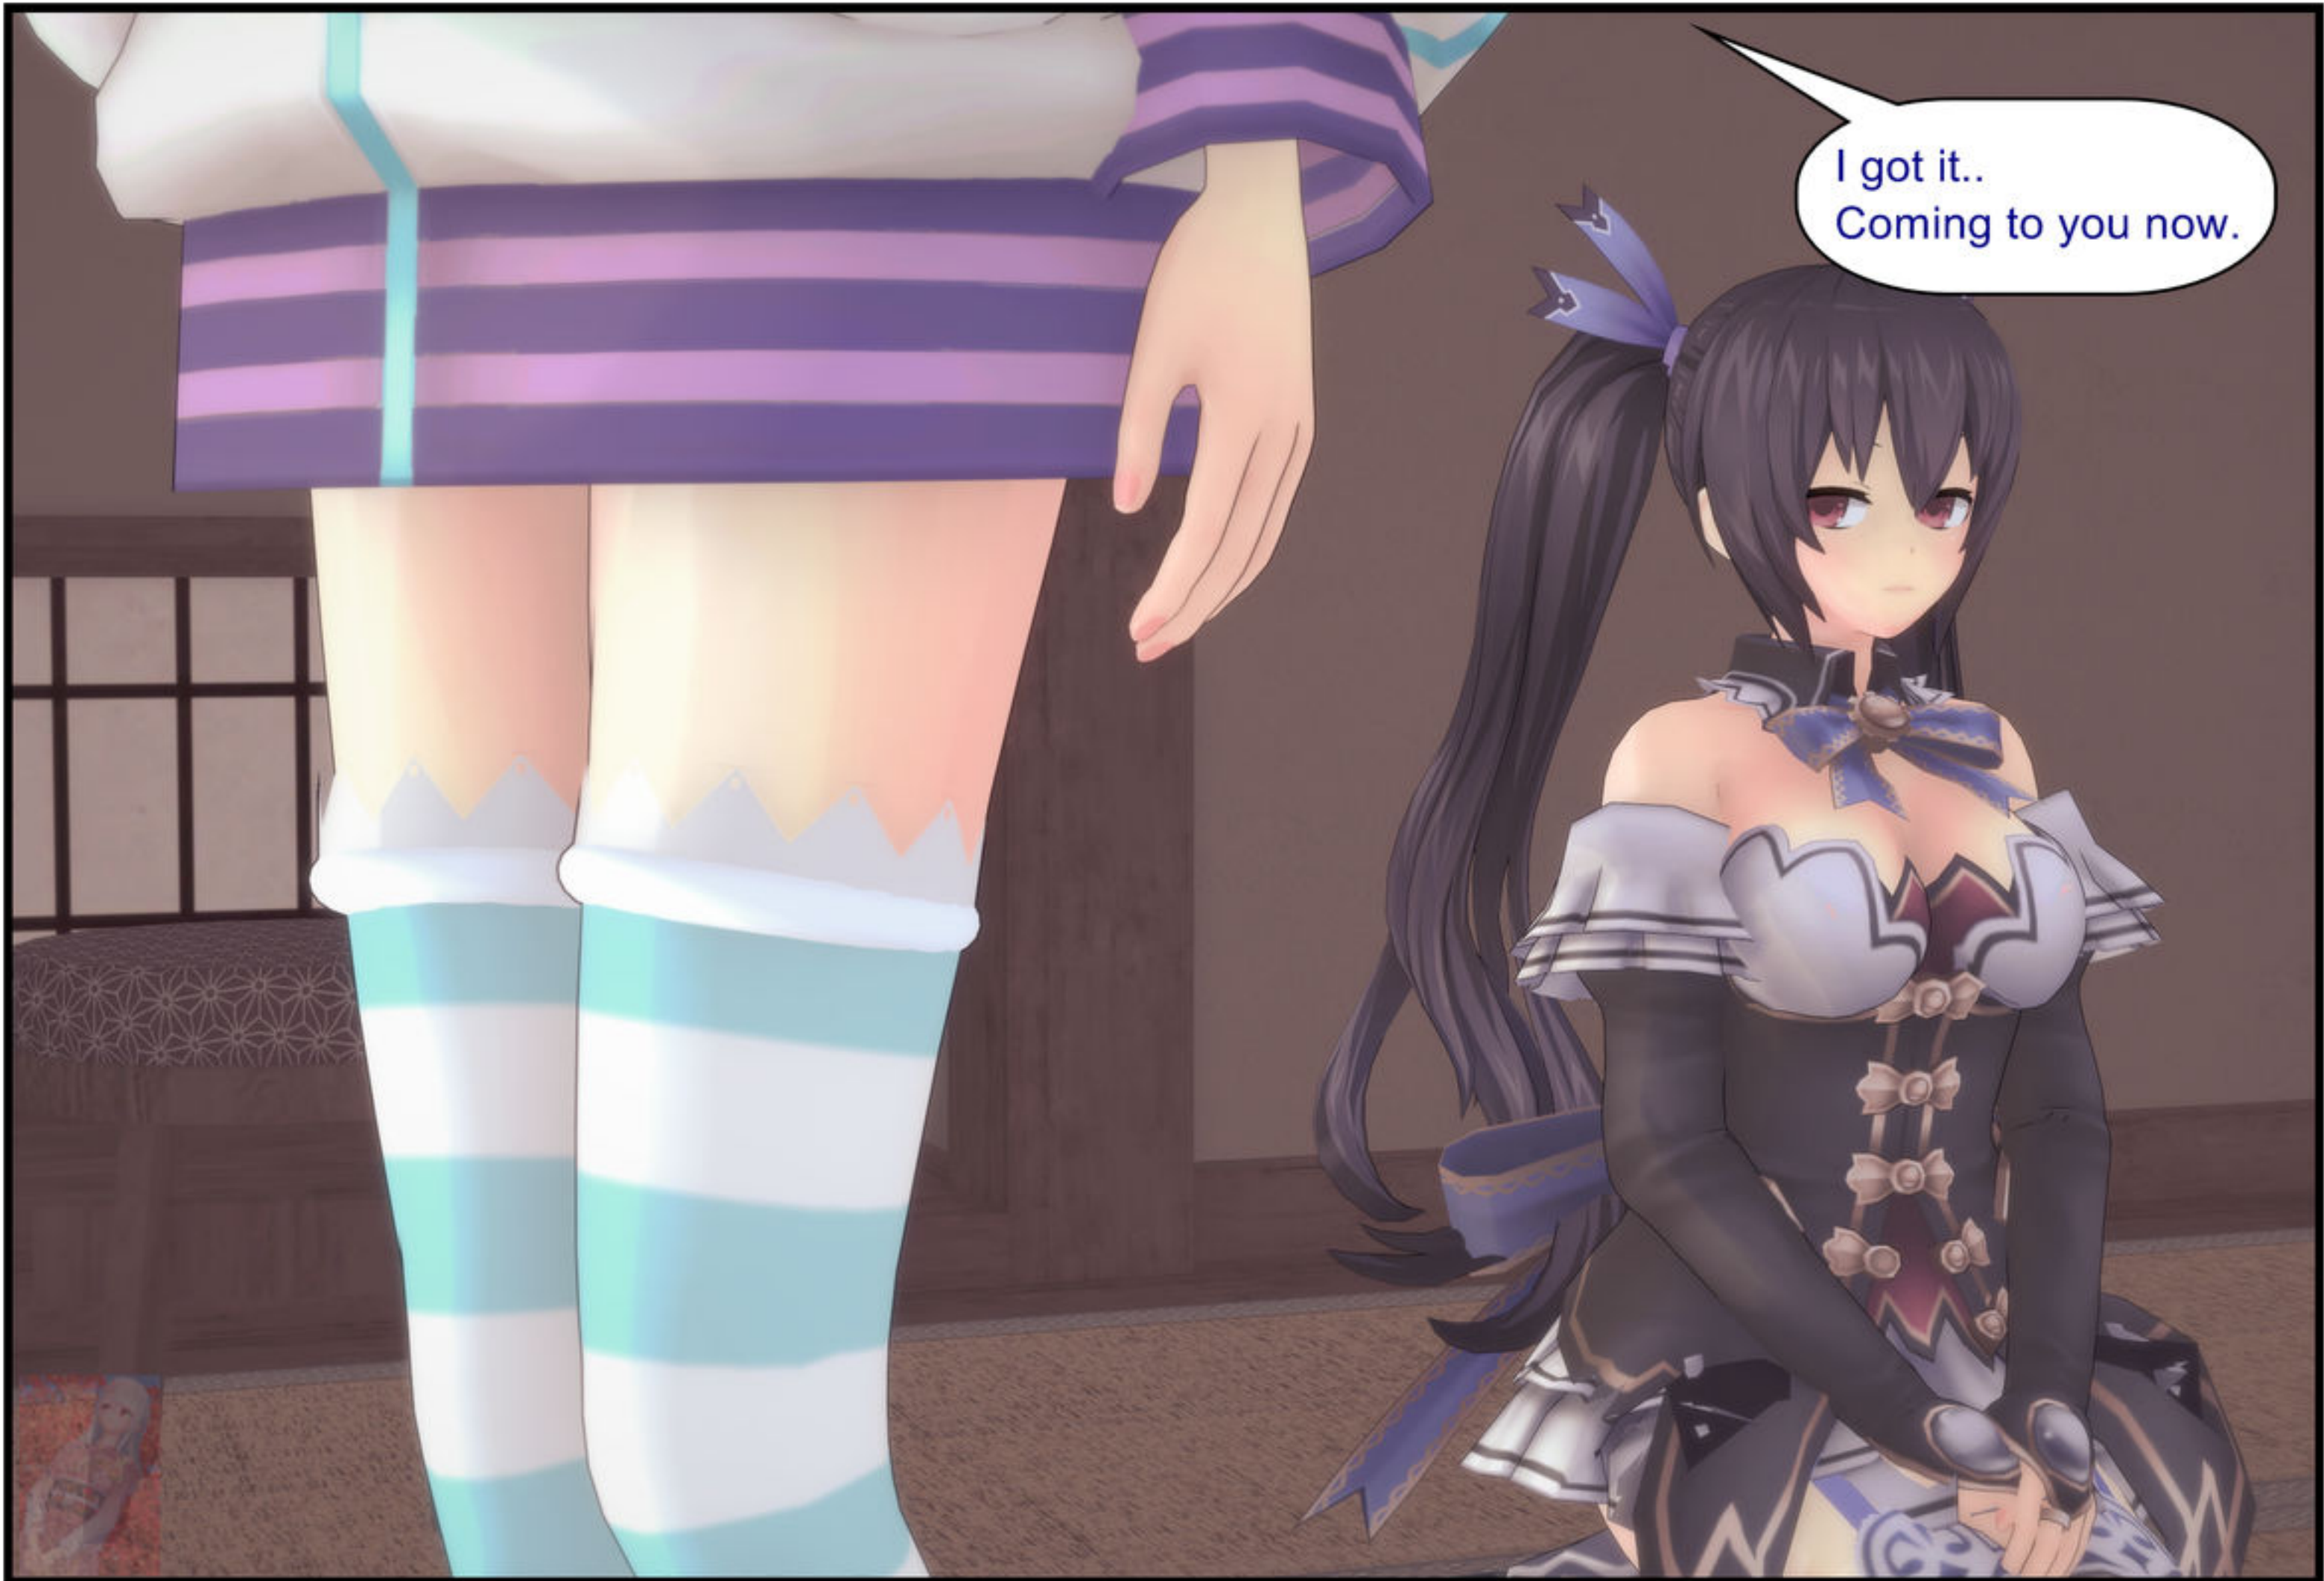

We have no evidences for now.. but..

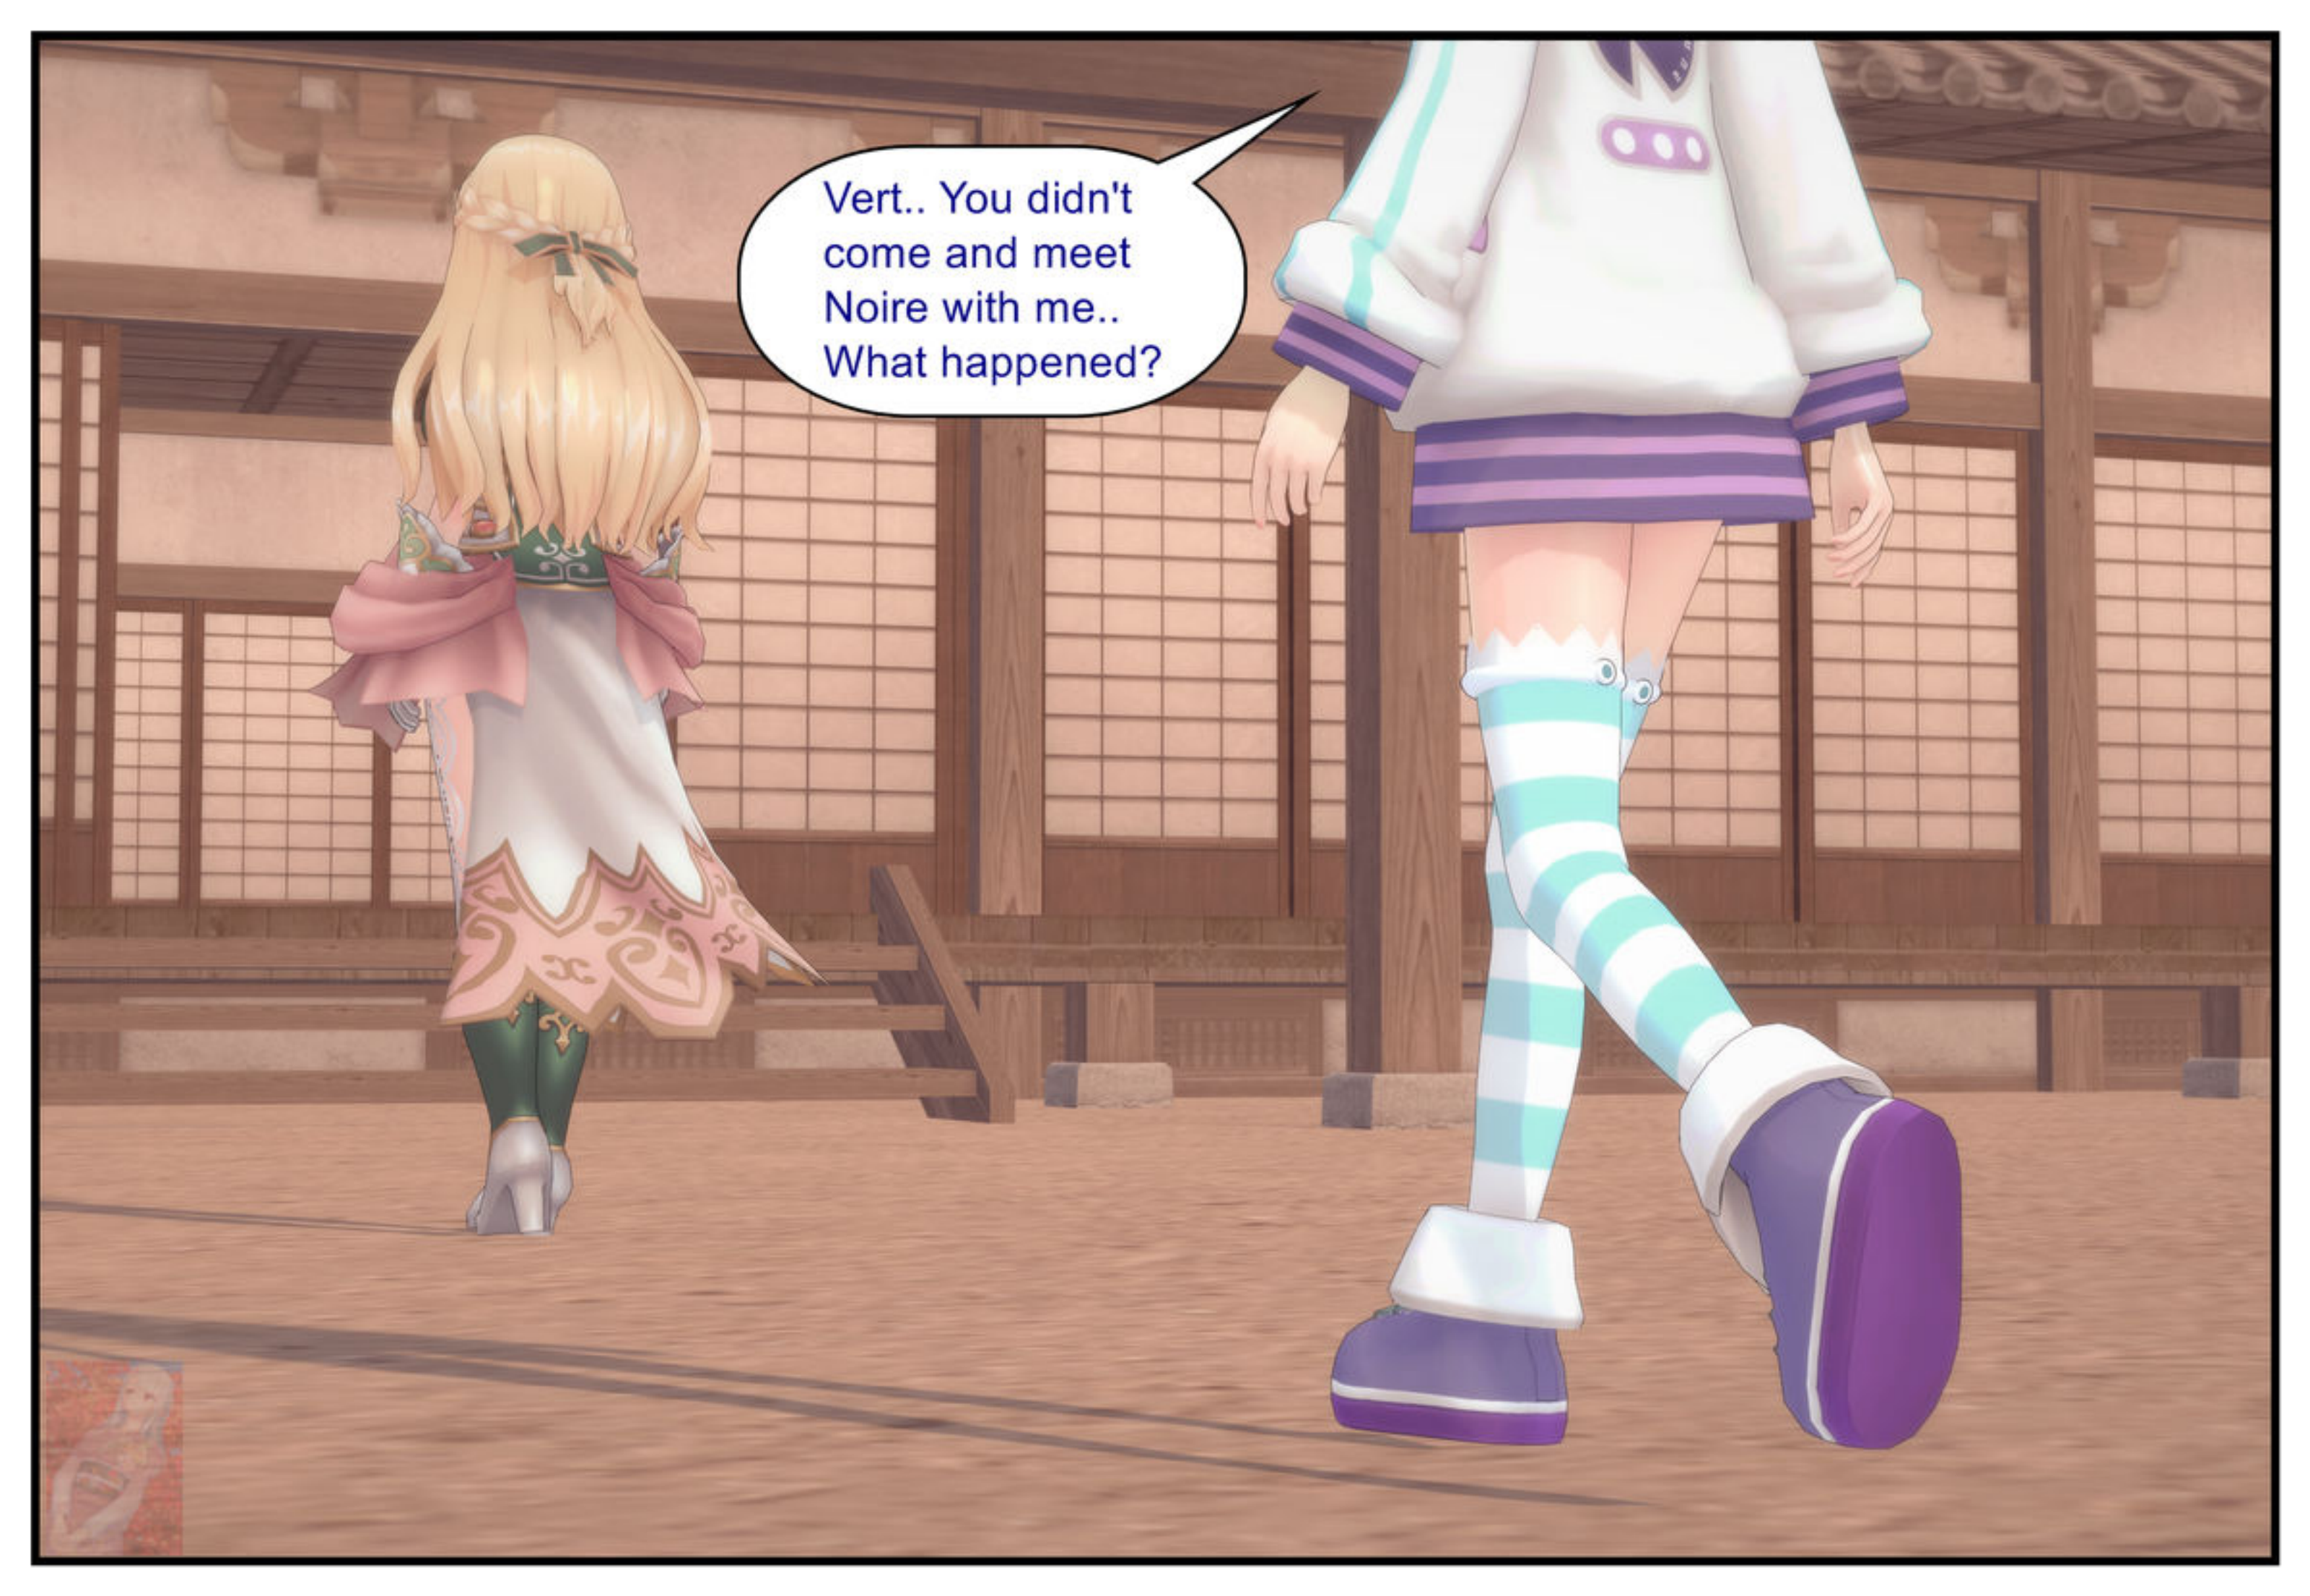

Oh wait.. Vert is calling me.

Uhm? What is it,
Vert?.. Outside?
Right now..?

I got it..
Coming to you now.

Vert.. You didn't
come and meet
Noire with me..
What happened?

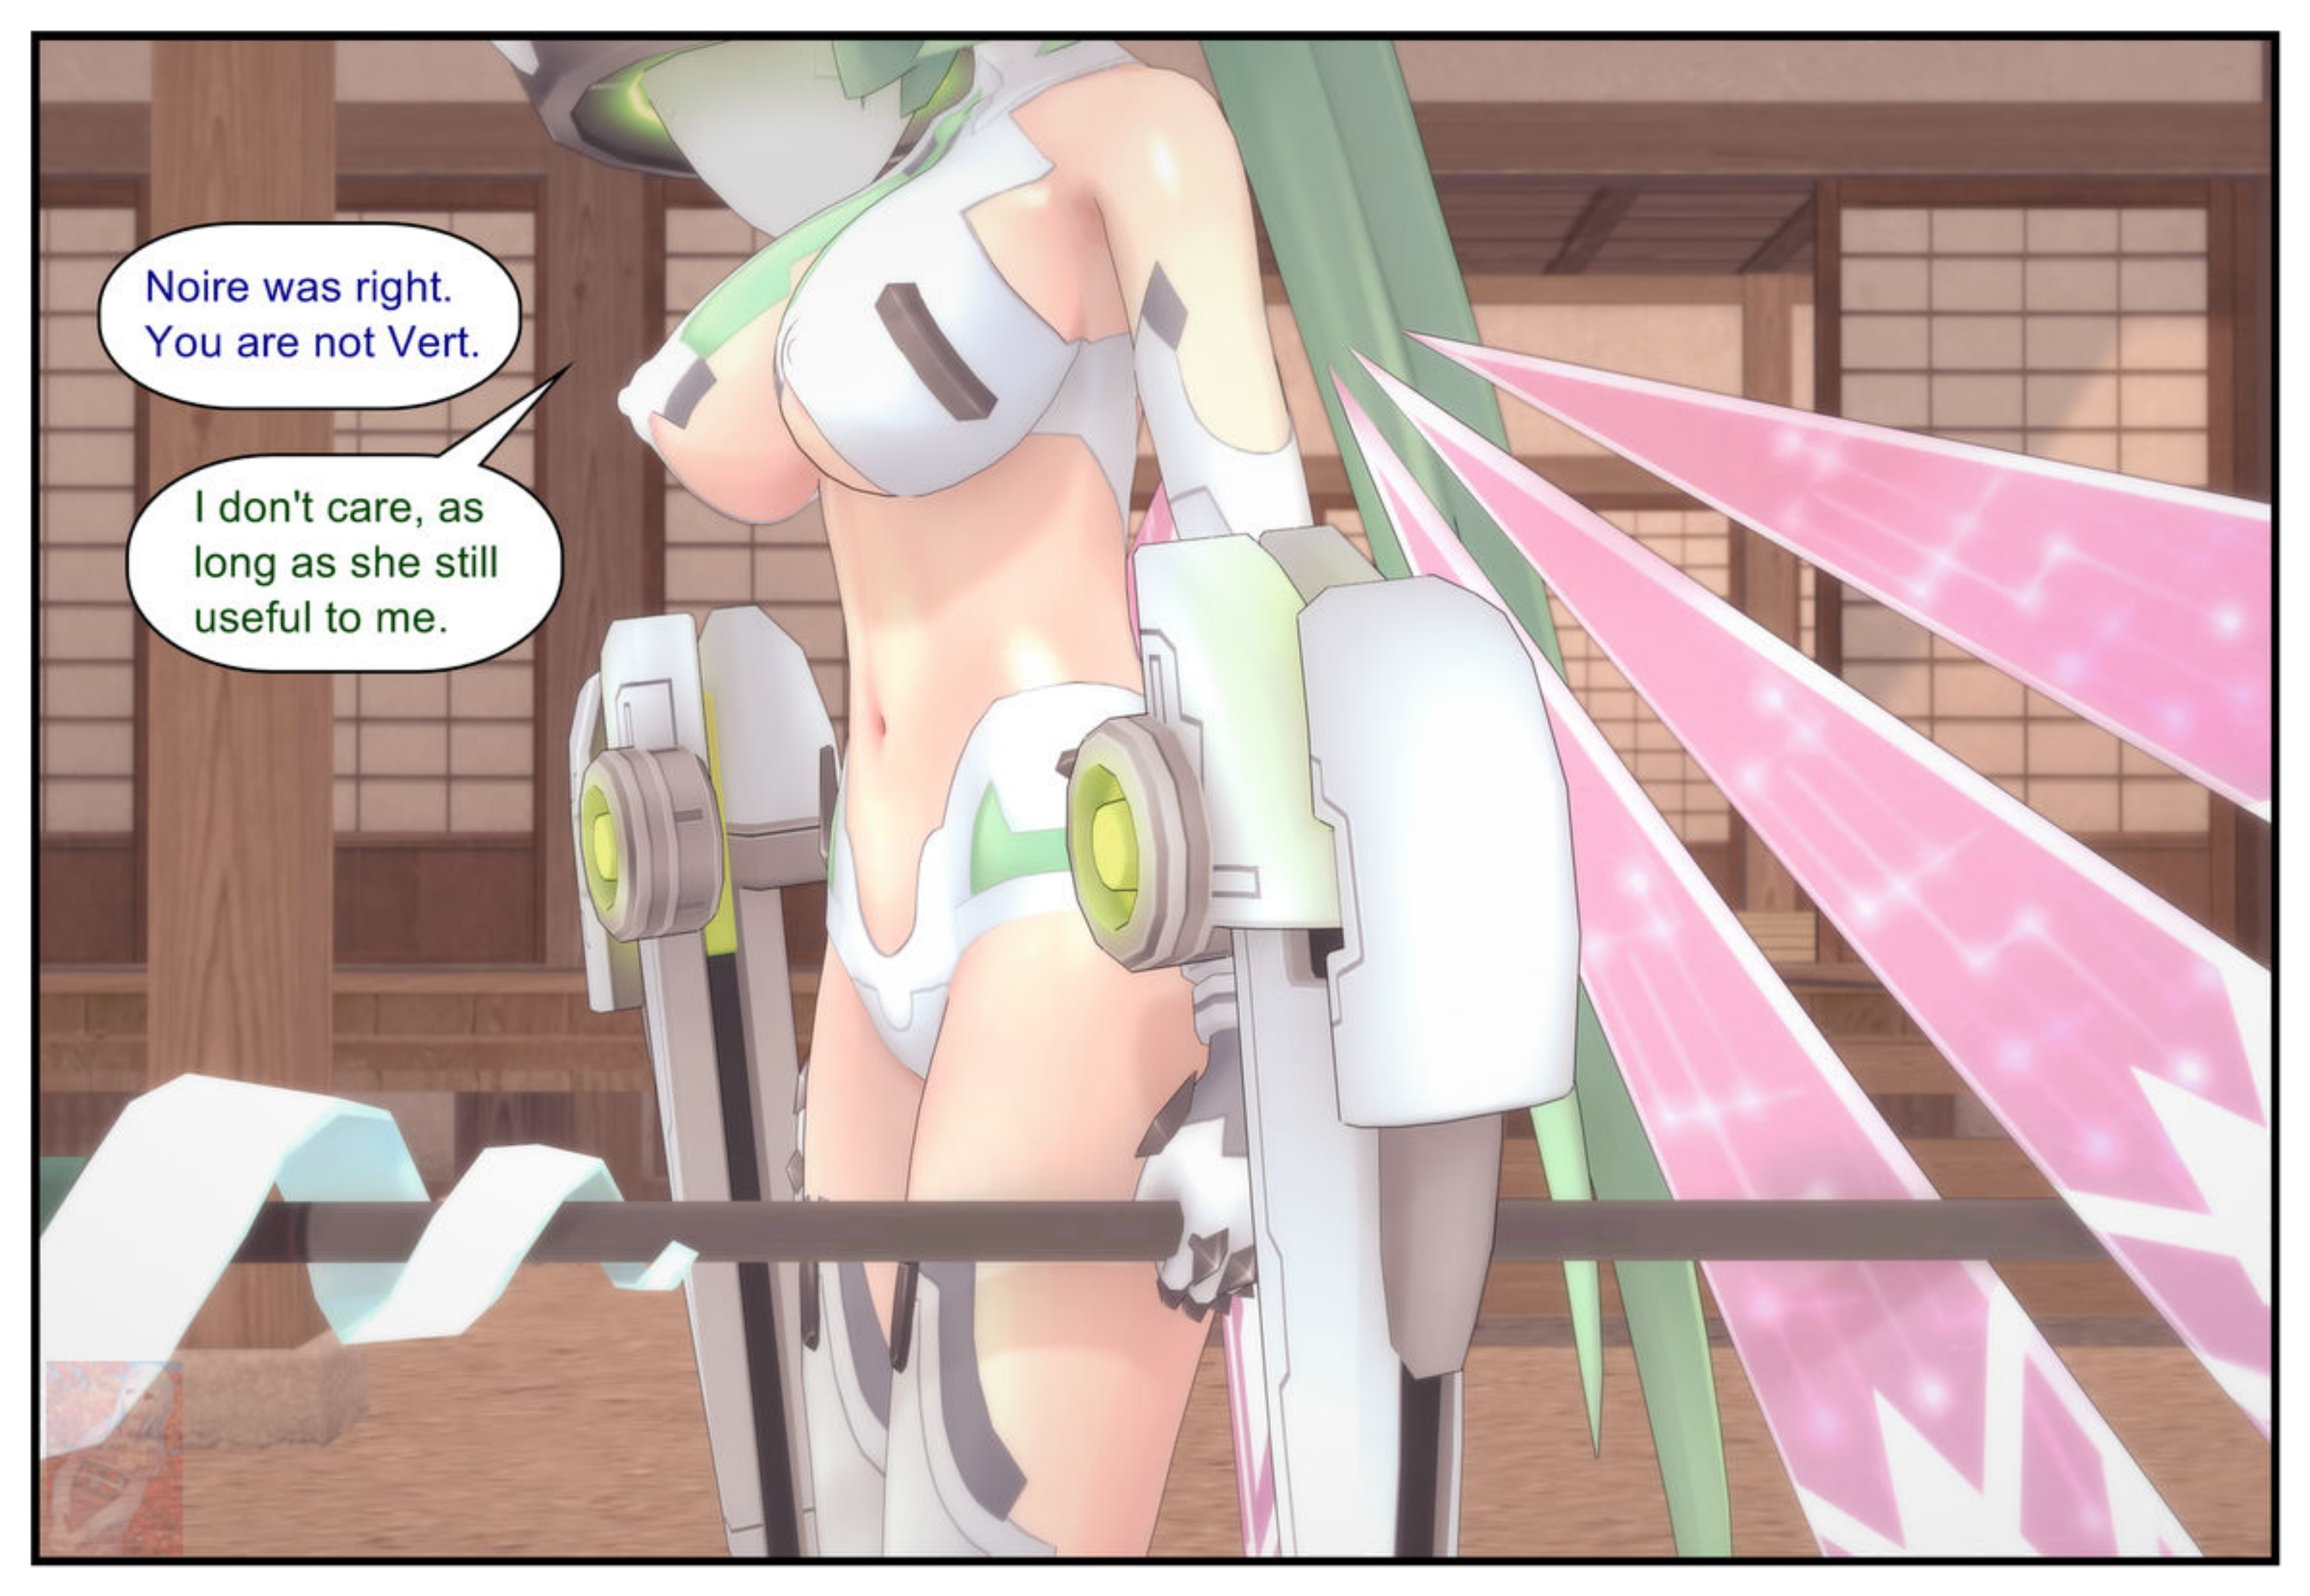

Technology.. stole
my everything..

Hm? What are
you saying?

You mecha.. are
also technology..

A character with a white and green mechanical suit and pink wings. The character is shown from the waist up, facing slightly to the left. The suit has a white chest plate with a green stripe, and the wings are large and pink with white patterns. The background is a wooden building with a window. Two speech bubbles are on the left side of the image.

Noire was right.
You are not Vert.

I don't care, as
long as she still
useful to me.

I will hunt every
one of you down!

Tell me,
where's Vert?

Or I will make you talk.

I will ask one more time..
Where's Vert?

If you want
to know that bad..

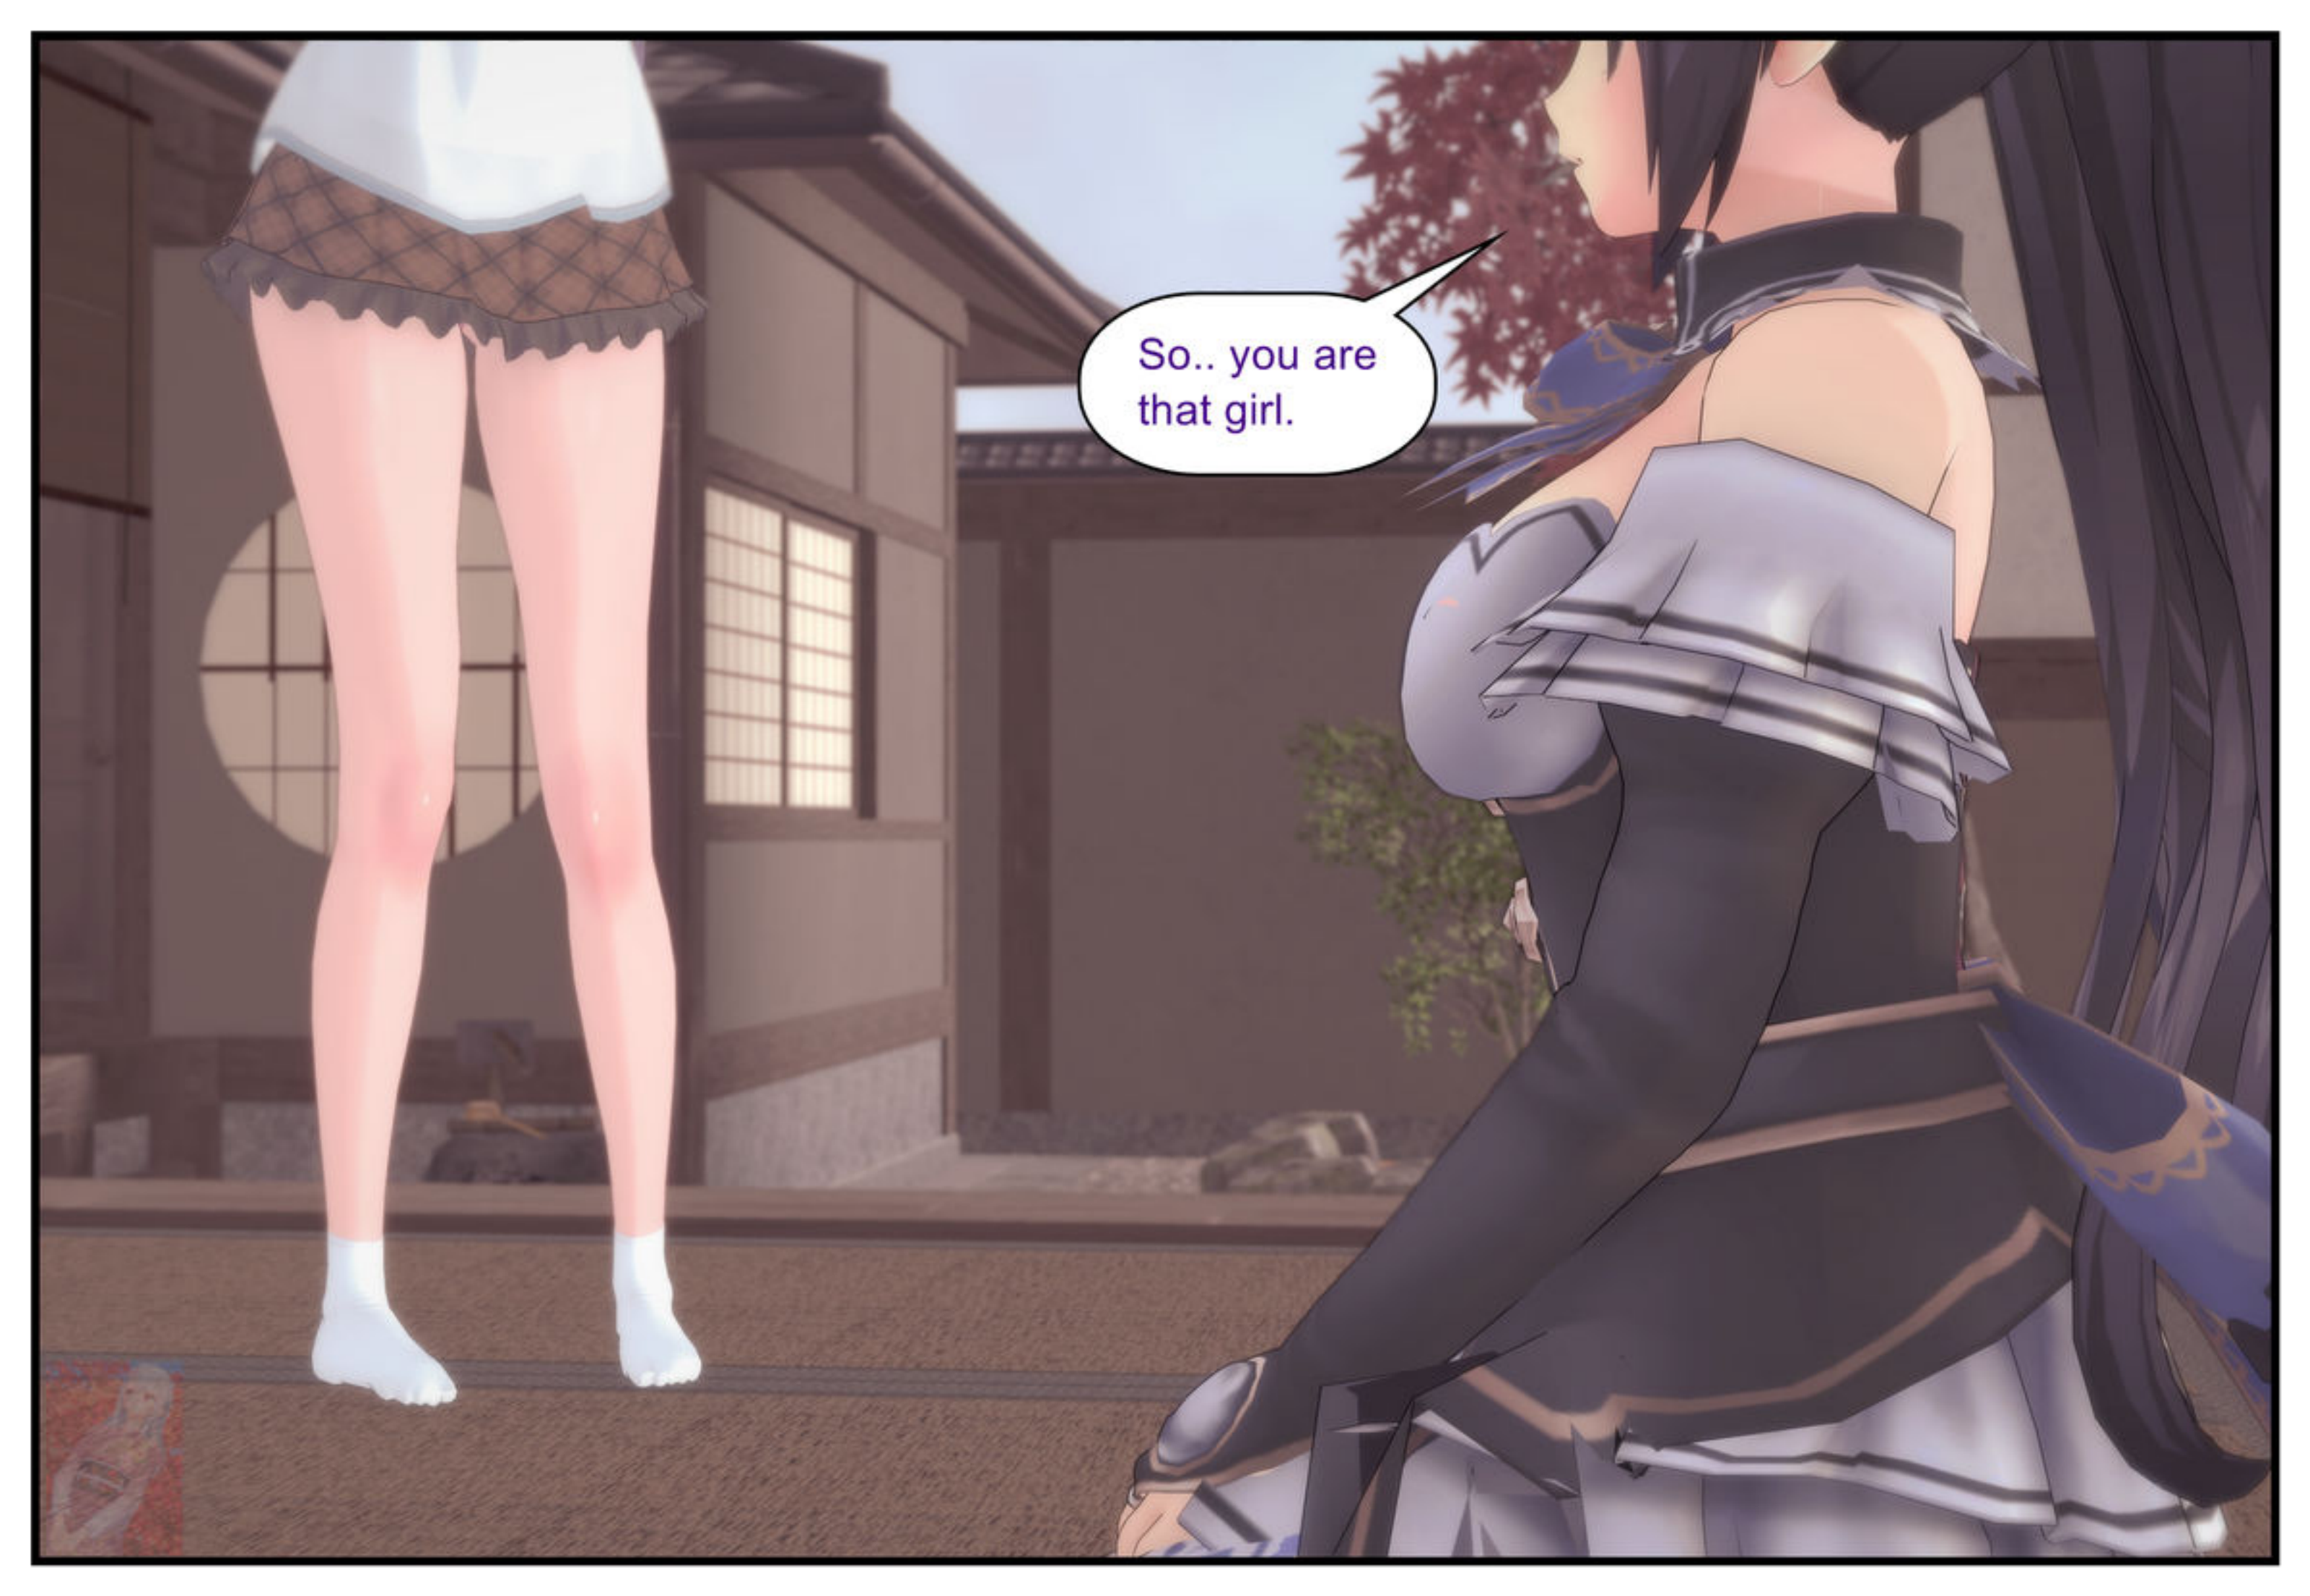

Won't talk, huh?
Then.. let's fight!

www

So.. you are that girl.

You look like..
want to say
something?
Please sit down.

It's.. about the
person who
saved me, Vert.

She was..

Where's Vert!!??

Can't you see!?
She's right here!
In front of you!

A close-up illustration of a young anime-style character with vibrant green hair and eyes. The character has a slight, confident smile and is looking directly at the viewer. They are wearing a white garment with green accents. The background shows a traditional East Asian architectural style with wooden beams and a lattice window. A speech bubble is positioned to the left of the character's face.

I'm inside her
body! Controlling
her to fight you!

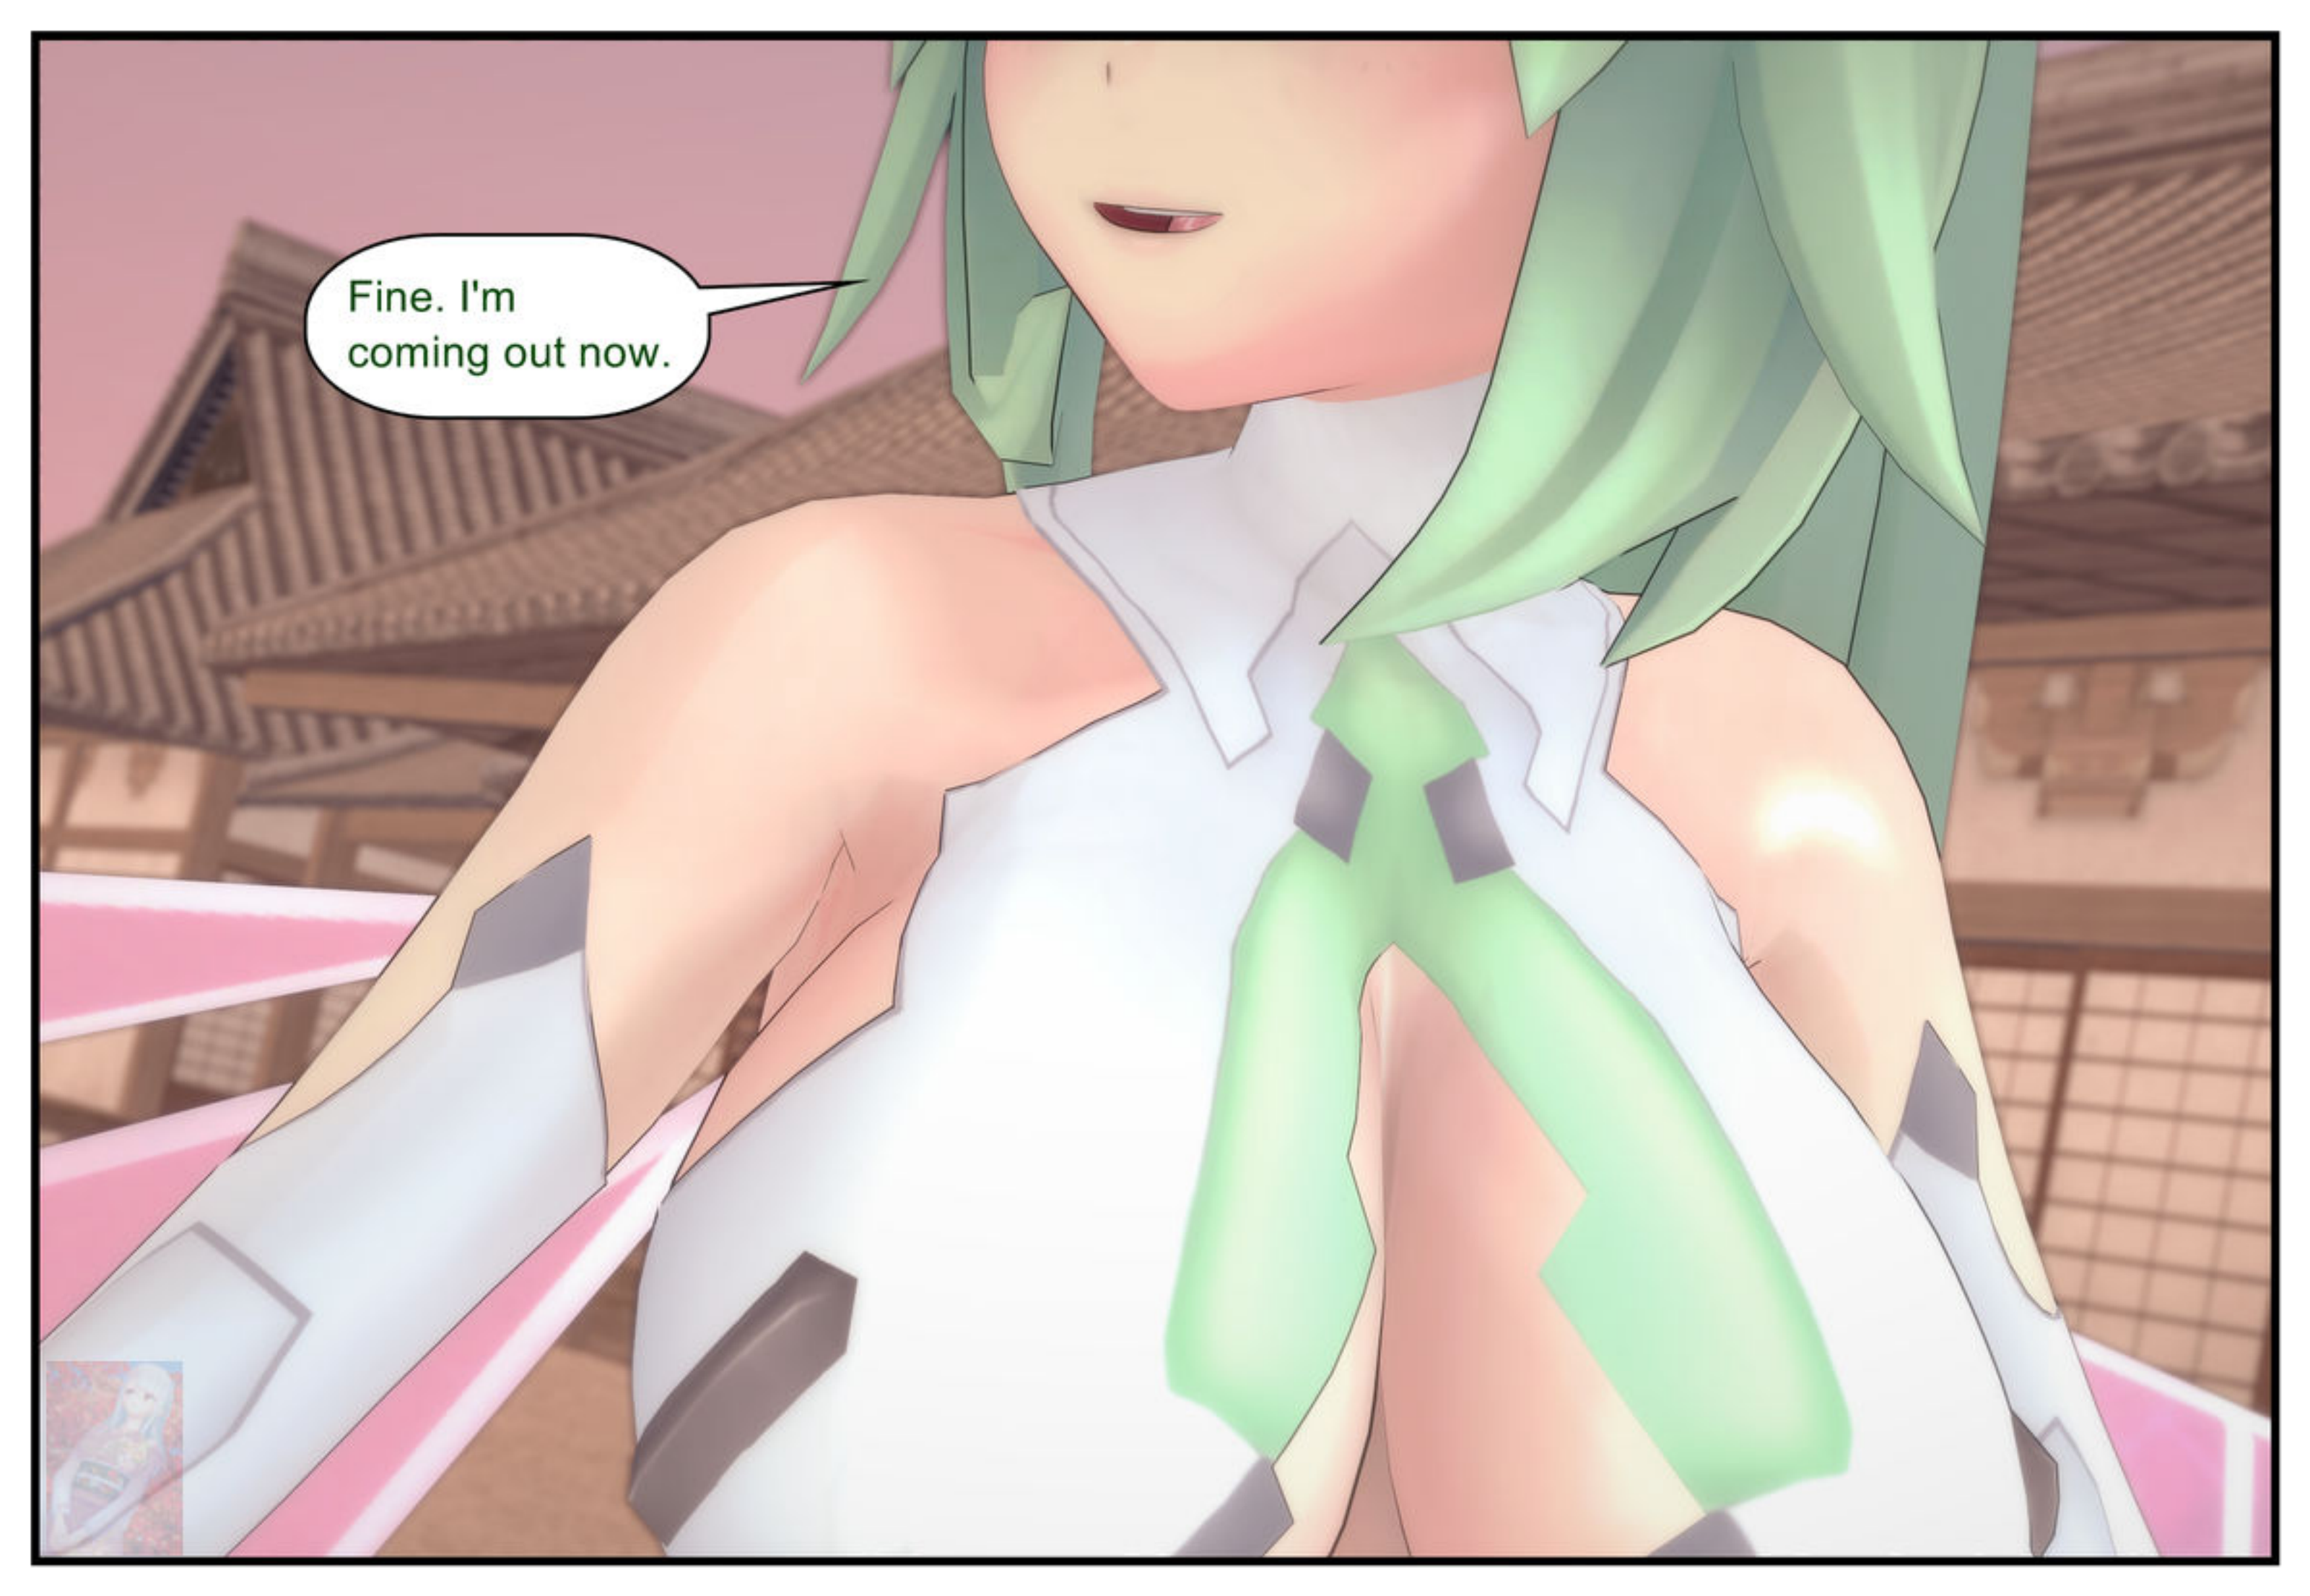

How.. dare you do that to Vert!?

Get out of that body..

Or I will rip
you out myself!!

Fine. I'm coming out now.

Vert no longer
useful to me..

That's why!! I will move to you instead!!

Hy..

Yyyaaaaaaa!!!!

You can split!?

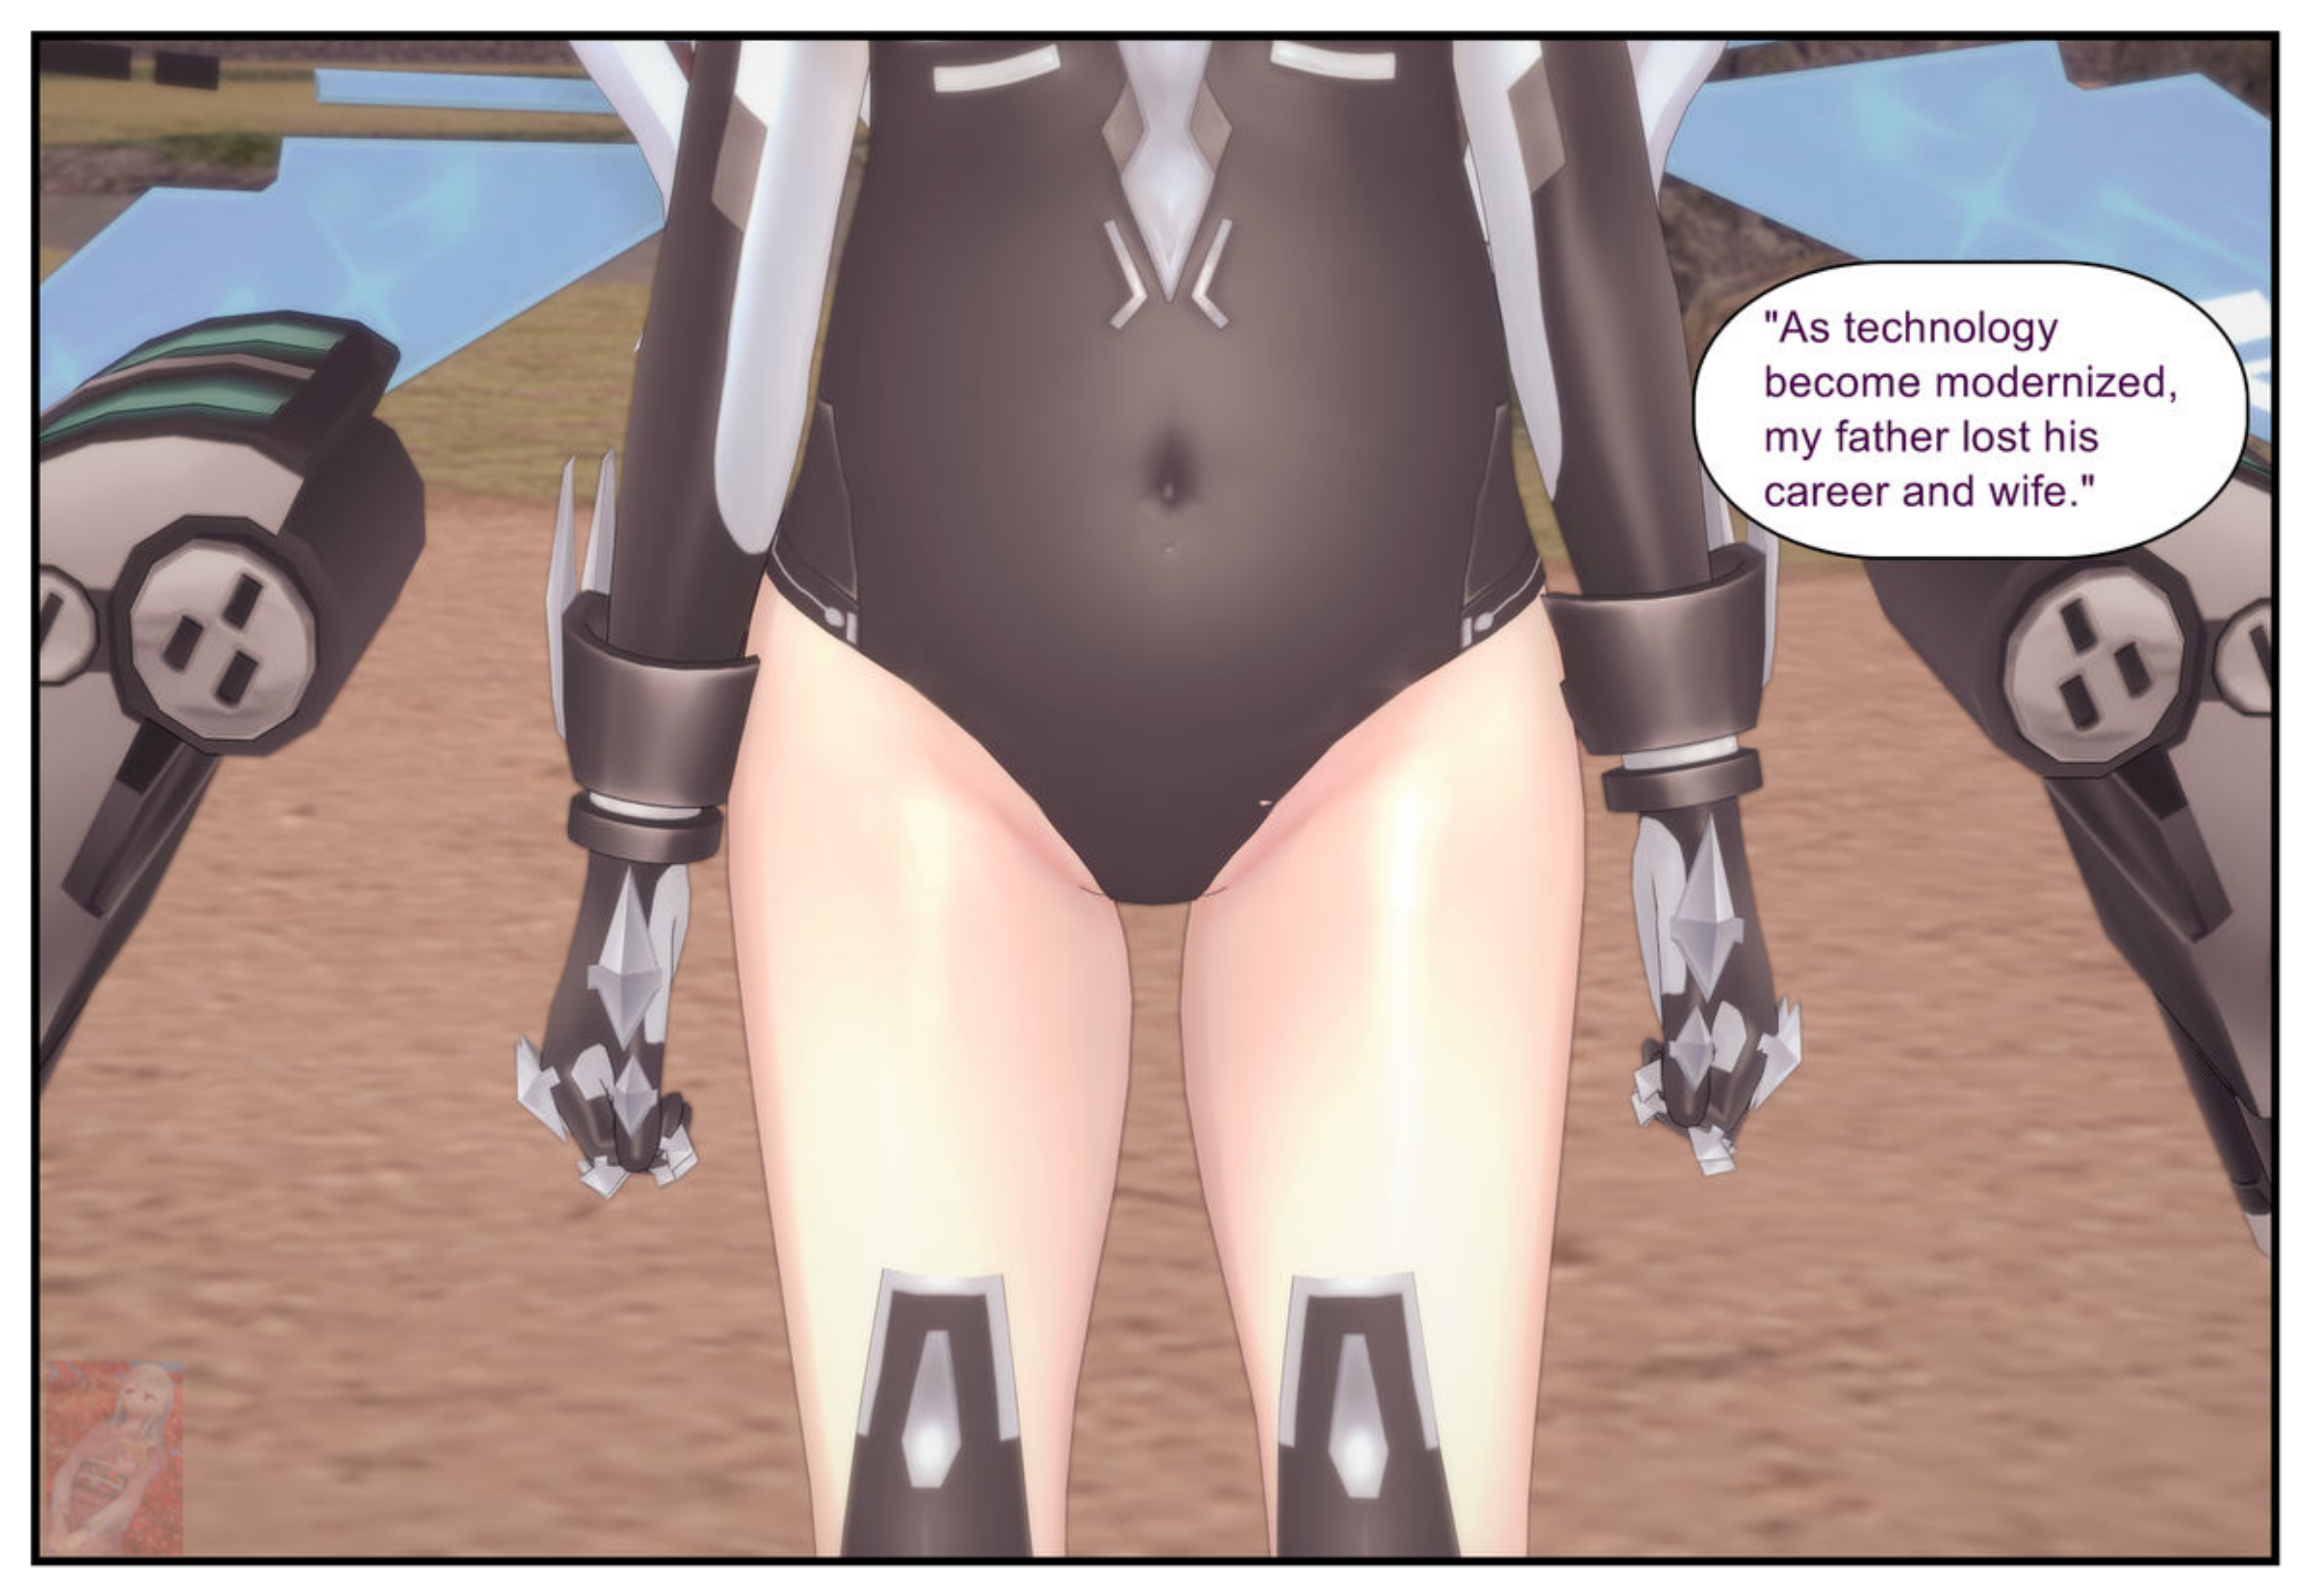

Ah.. Ack..

"As technology
become modernized,
my father lost his
career and wife."

"Shortly after, he was said to have lung cancer.."

"He couldn't live longer.. and decided to use his cure."

"But.. it wasn't success.. and he turned into a slime monster.."

With this, I could..
destroy everything..
technology.. this
modern world..

Kuku.. Let's go see
"my daughter.."

Where are you,
little s**t? I know
you are here.

Come out and
play with me!!

You gone insane
again.. just like
that time..

It's time to stop,
Dad. You have
cause enough..

Shut.. up..
You..

She's right. You aren't human anymore.

Blind for vengeance,
you are that type.

Ah.. you want a fight? Or..

I said STOP!!
My Dad never
act like you!!

Whatever happened..
He always.. put a smile..

Just give up!
Revenge won't
solve anything!

I should have..
killed you..
long time ago..

..Oh.. I should have killed Vert and your friend here..

Where.. are you..
going..?

The rain.. it's like..
toxic.. against me.

You can't..

Leave me alone!! Isn't this what you wanted!?

A green, muscular, humanoid figure stands in the foreground on the left, facing right. A speech bubble originates from its mouth, containing the text "Yes.. I'm.. free.. melting..". In the background on the right, a young girl with dark hair, wearing a white long-sleeved top with black floral patterns and a black lace skirt, stands looking towards the green figure. The setting is an interior room with traditional-style wooden architecture, including a sliding door and a bamboo pole.

Yes.. I'm.. free..
melting..

Leave him be.
He's gone.

Muhahahaha!!!
YES!!!! Aaaahhh!!!

Come. Help me a hand here..

"Huh.. How boring.."

Everything..
because of them!!

"He went insane
just because he
lost something."

YOU!!!

"But then..
he gone too far."

You are MINE!!!!

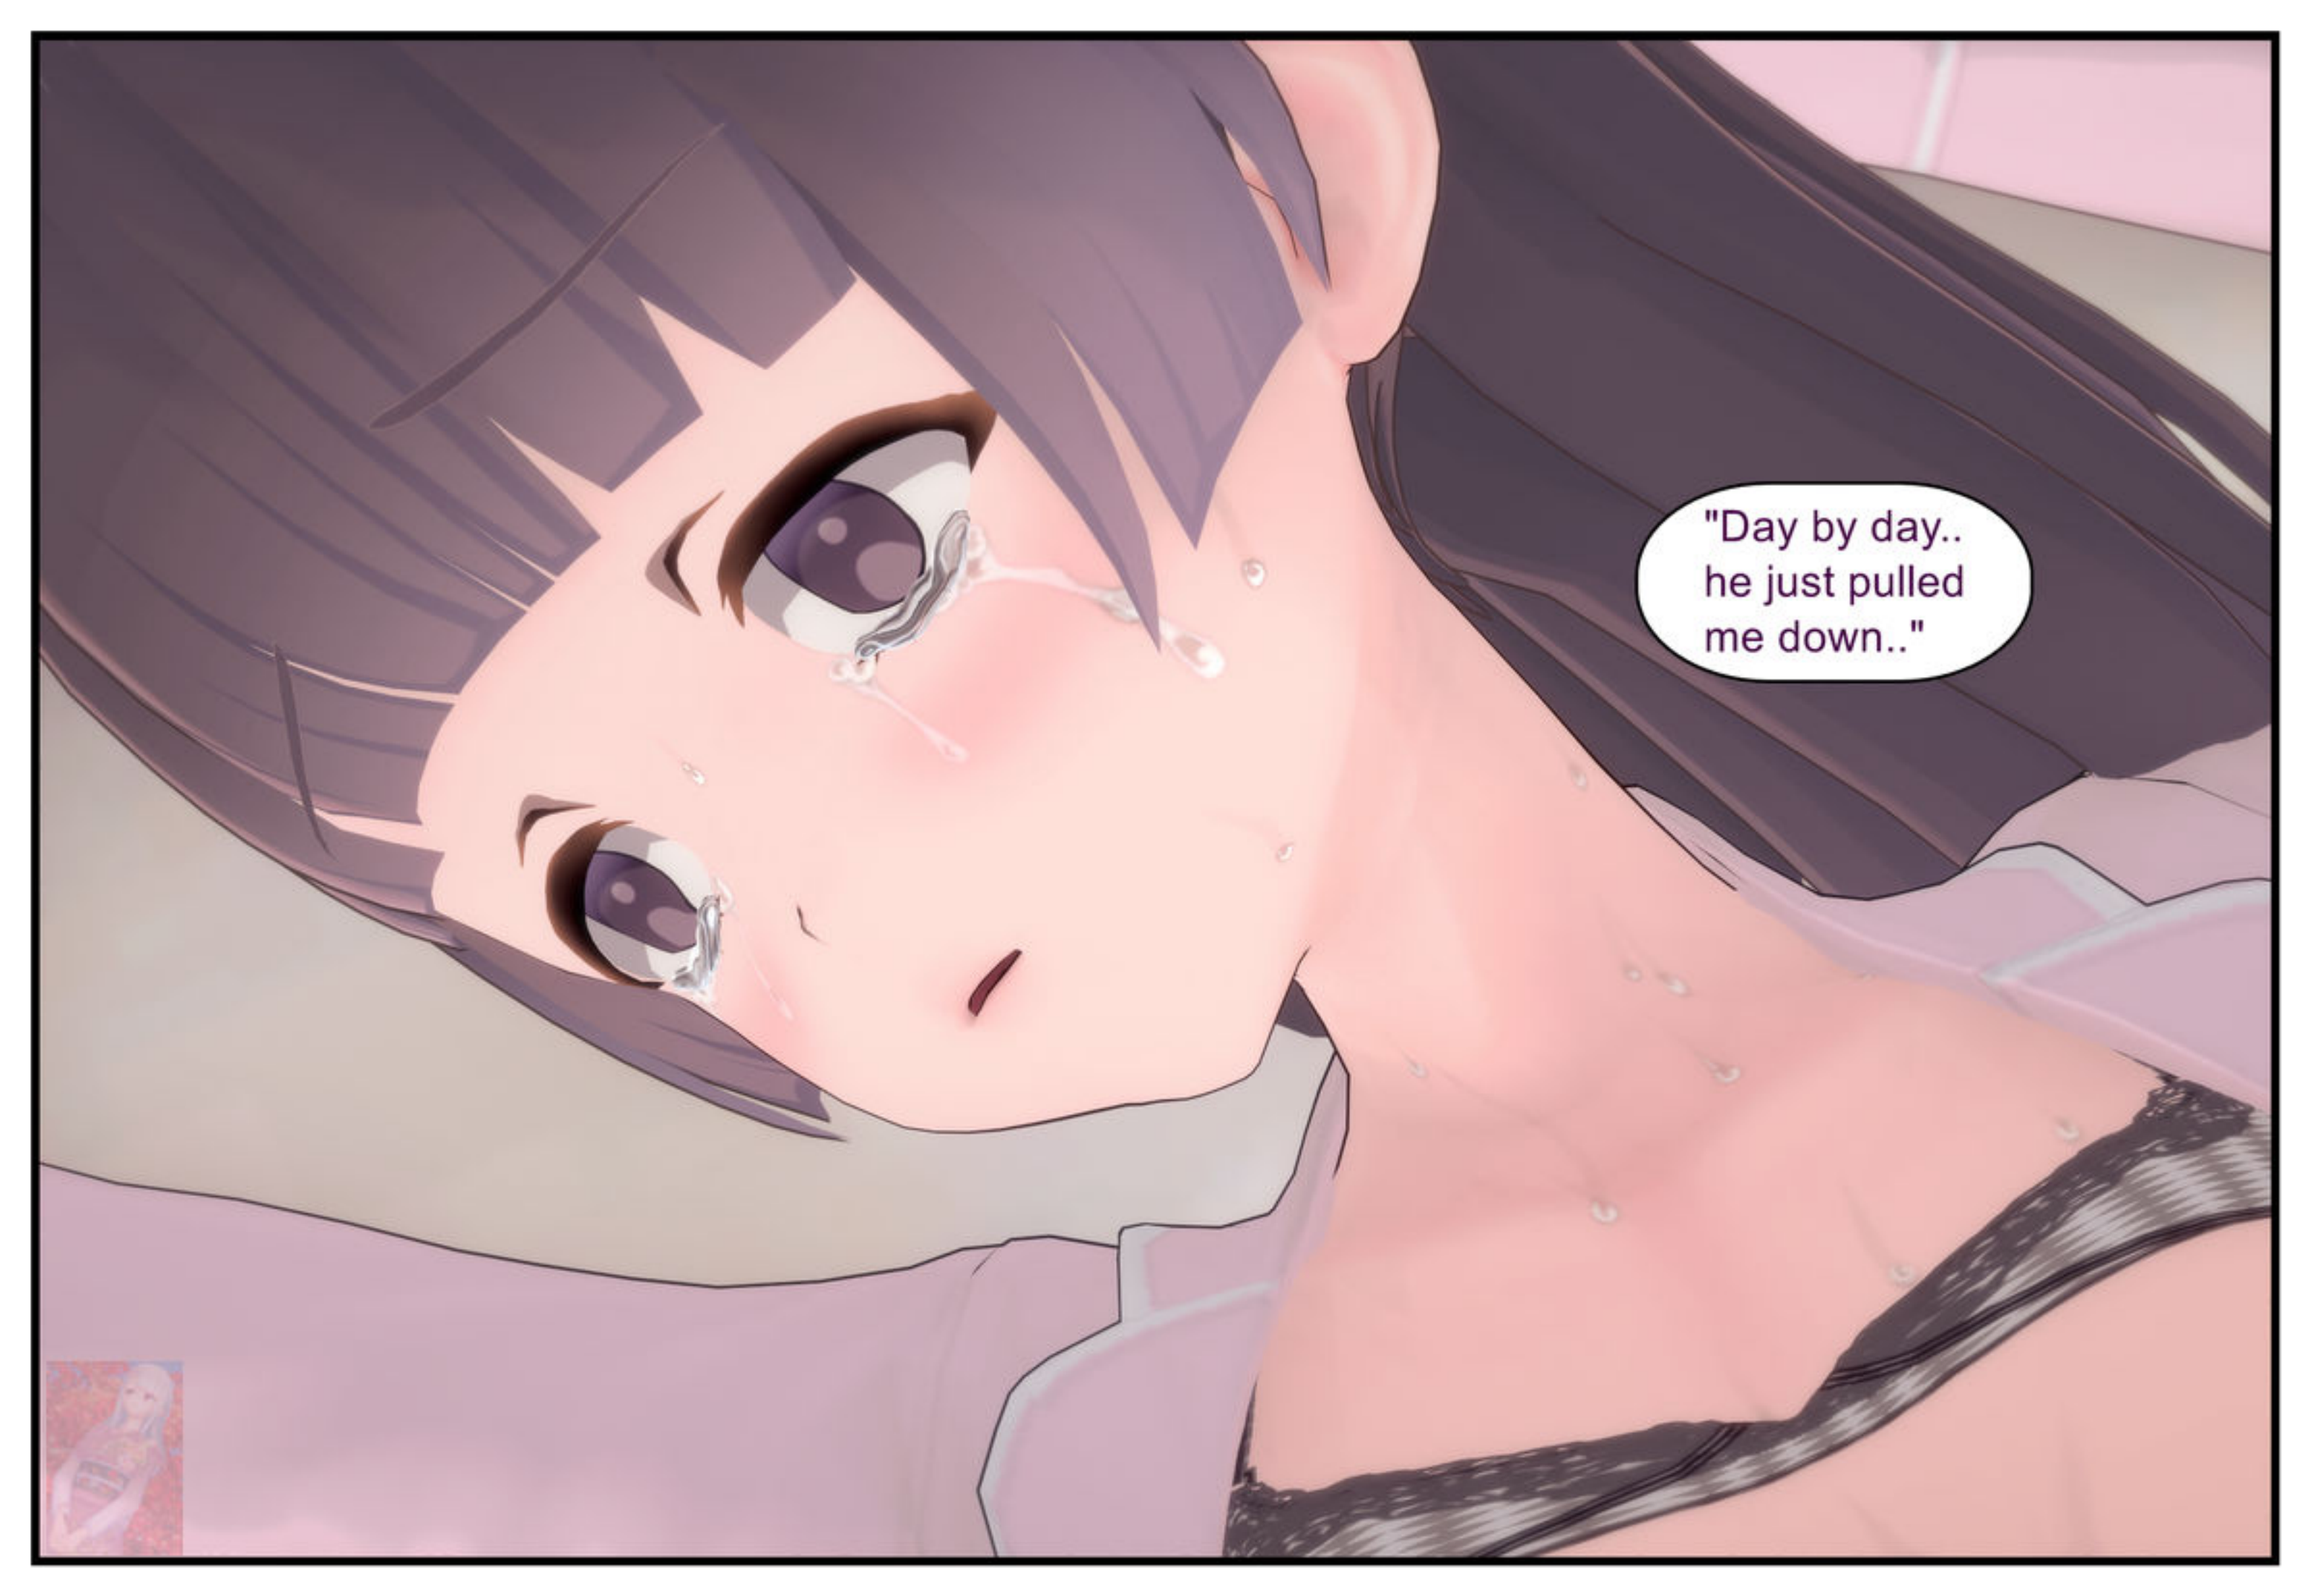

You remind me
of my wife!!!
Money money!
She left me!!!

"He blamed
me.. He.."

"I couldn't.. resist..
My Dad.. No.."

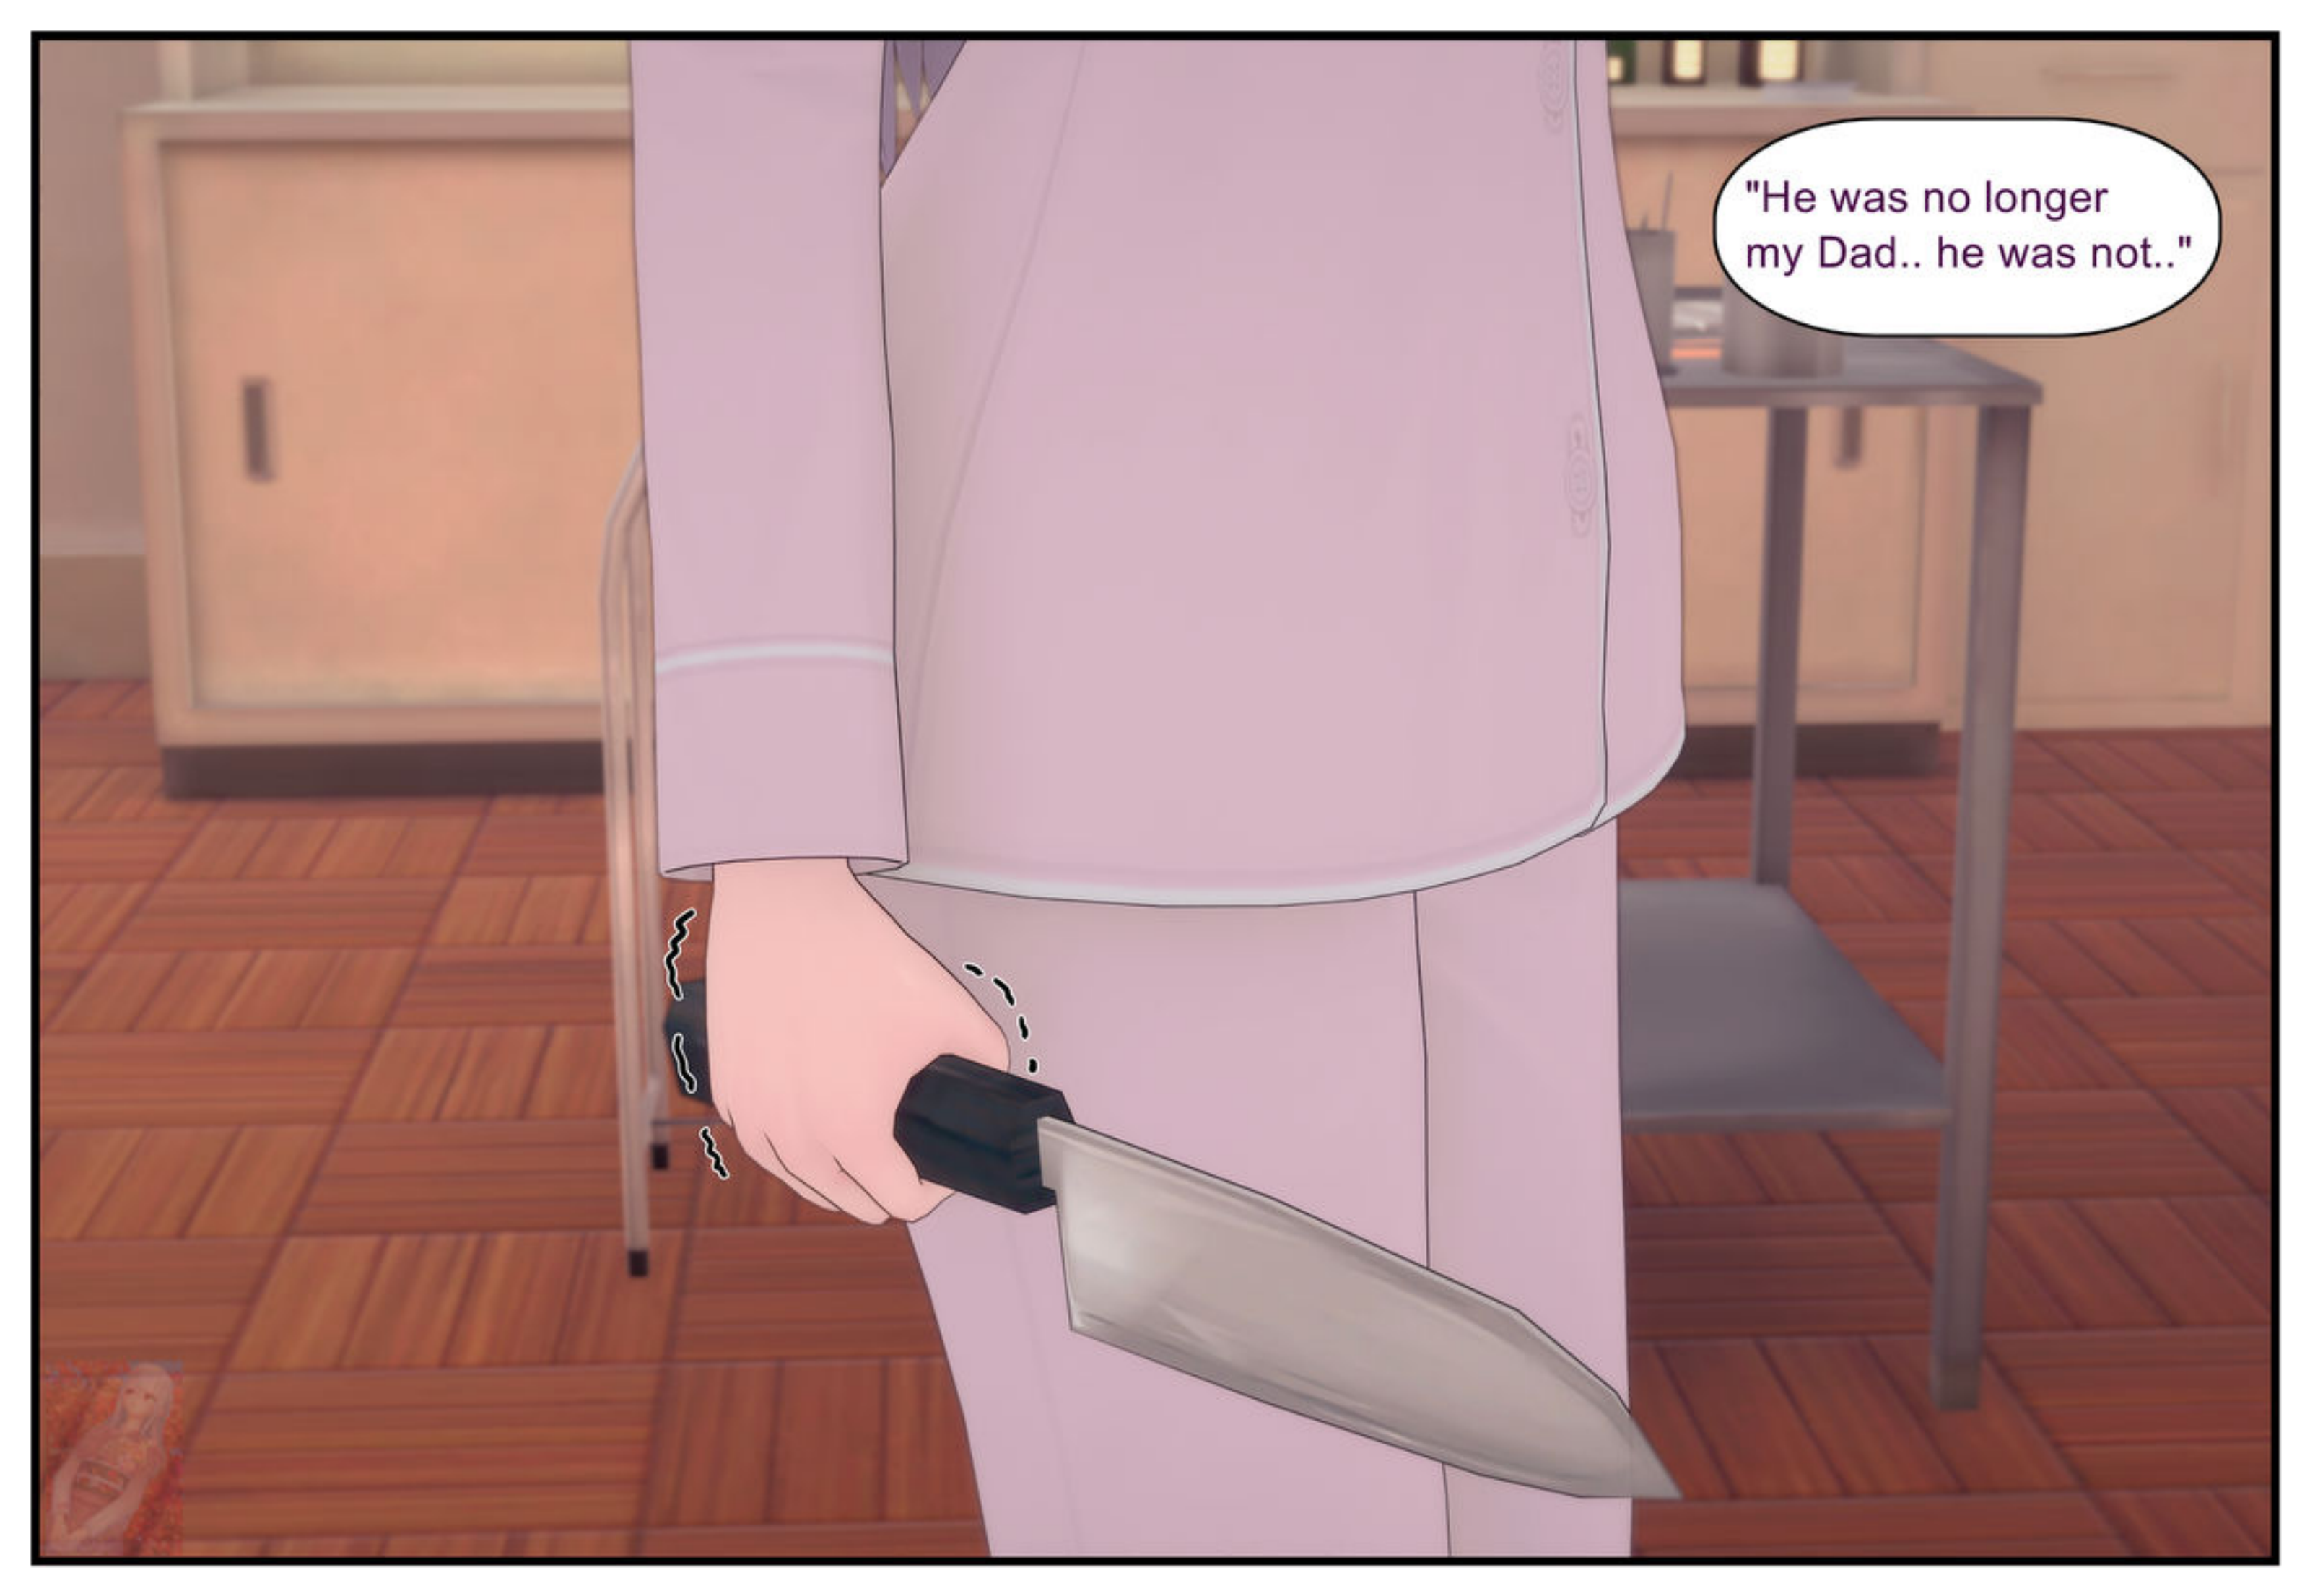

"Day by day..
he just pulled
me down.."

"Everything.. has
its limit.. human, too."

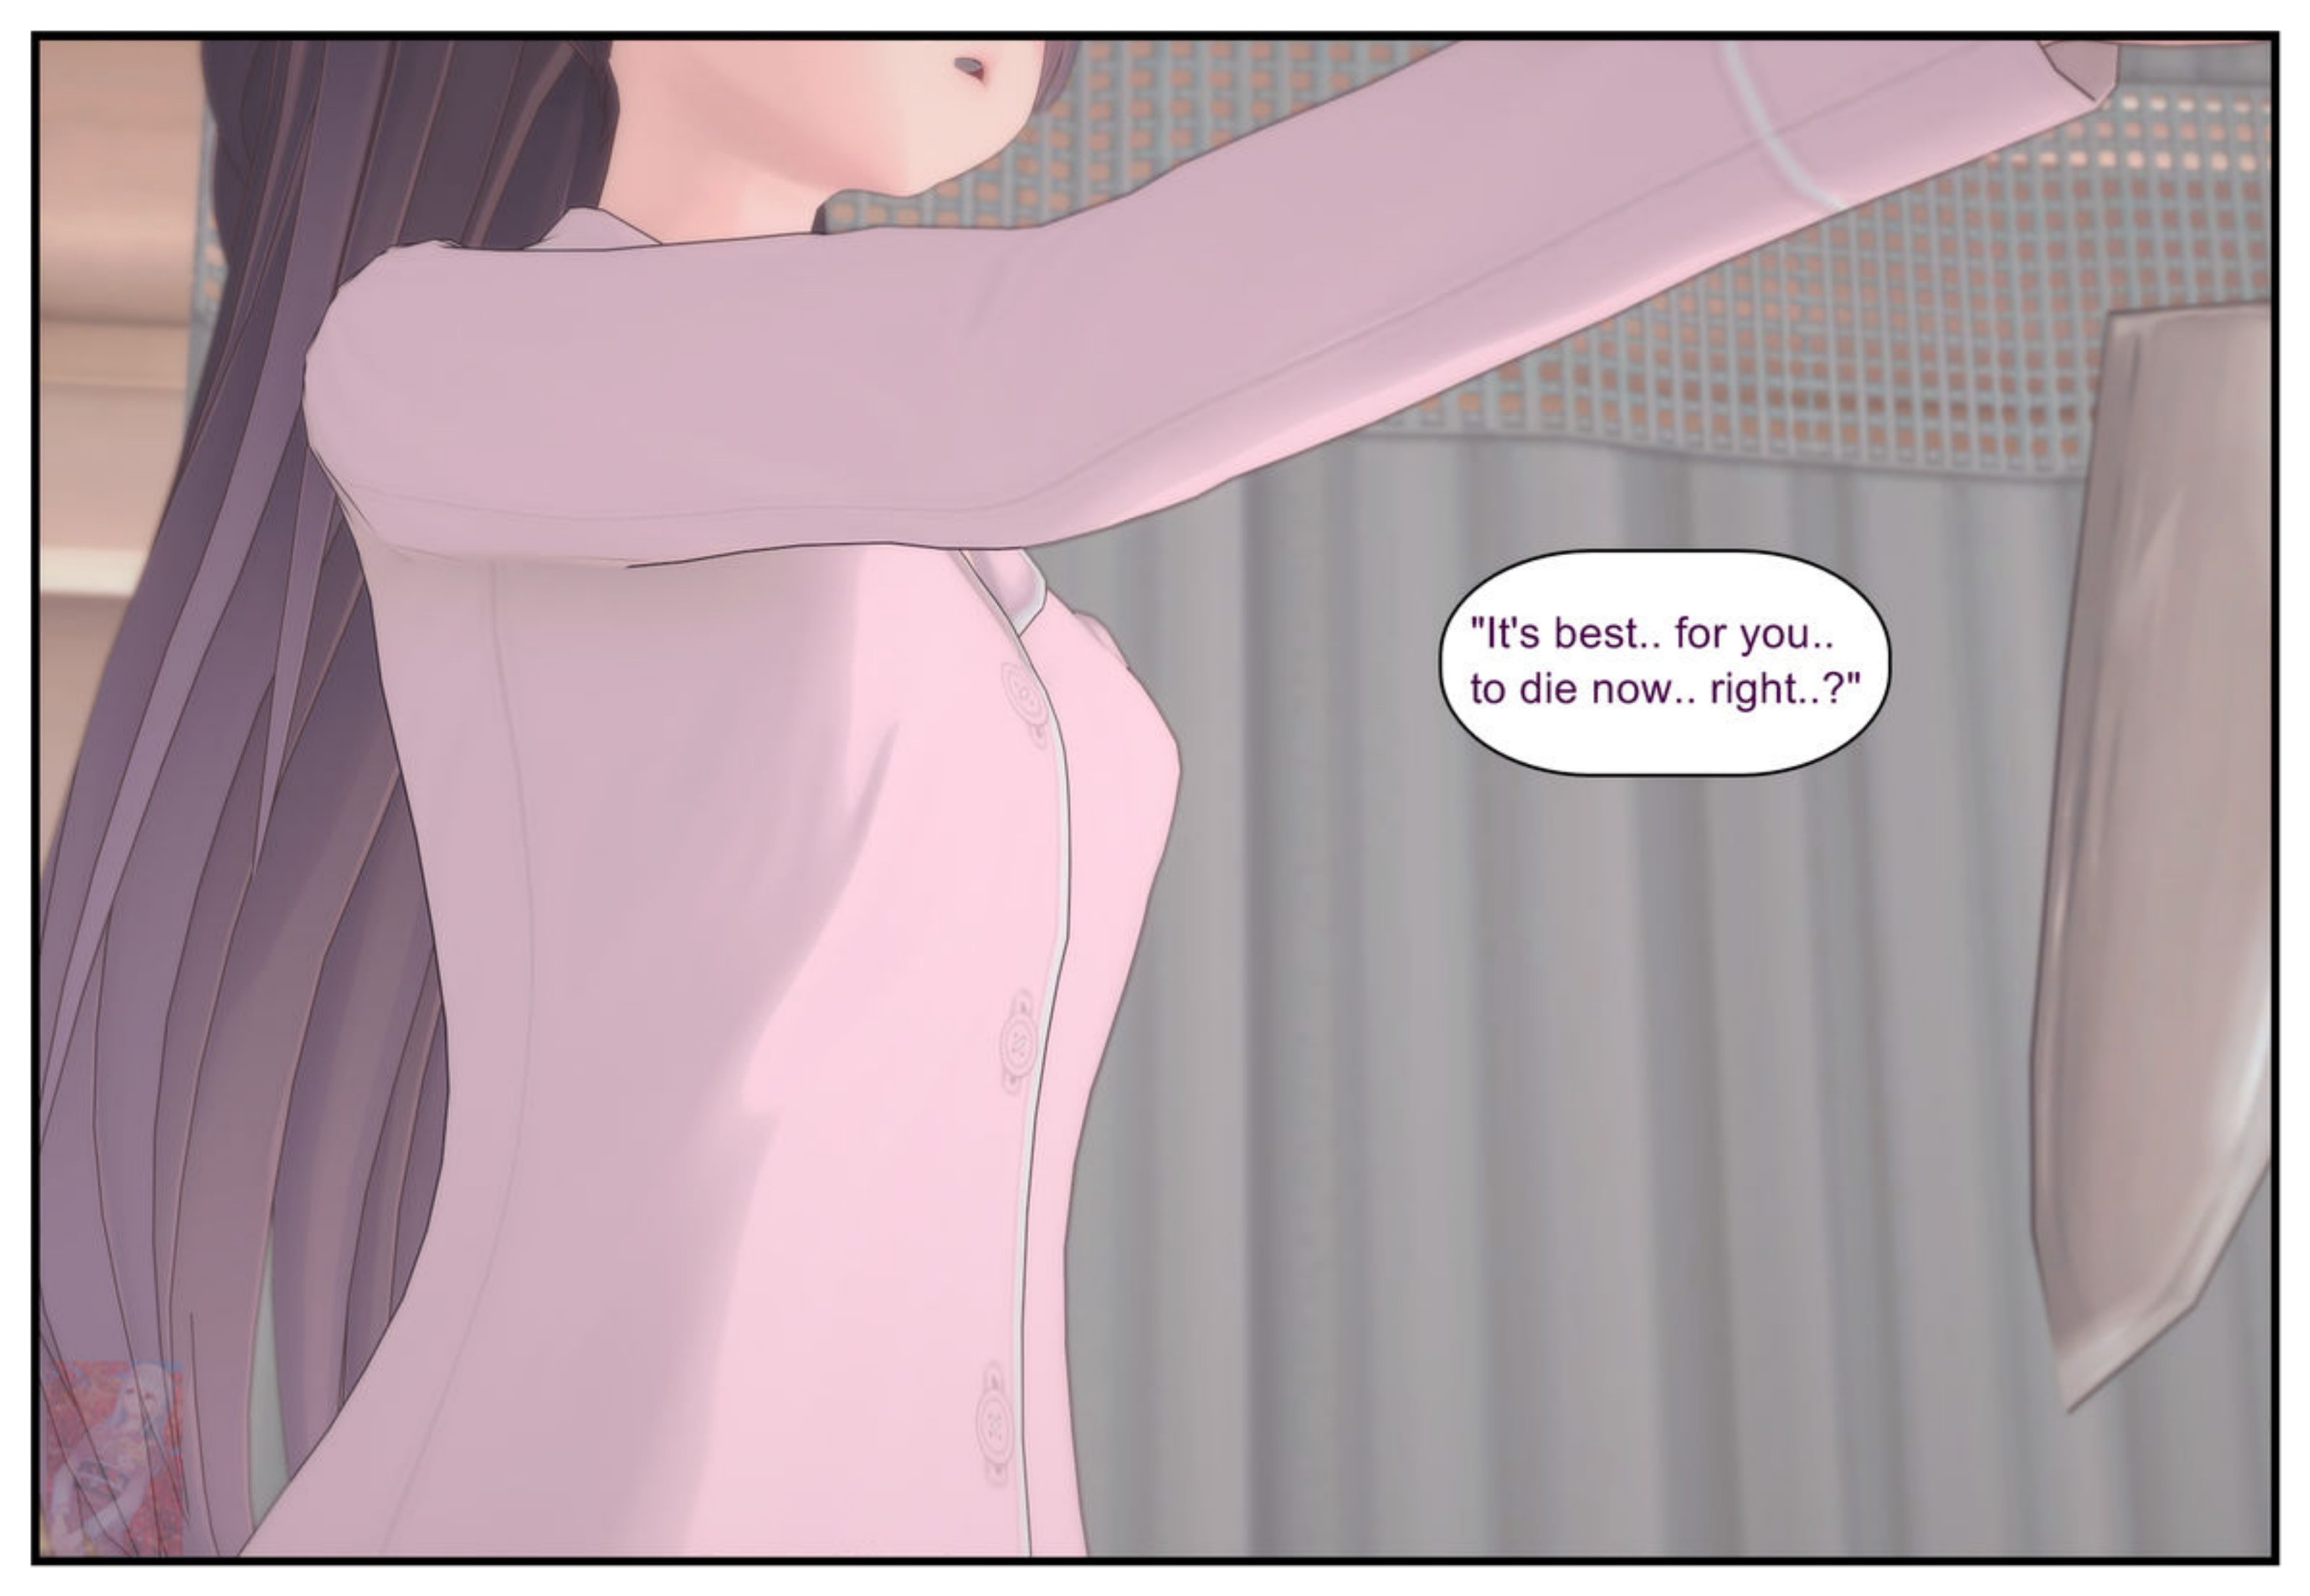

A person wearing a light purple suit is shown from the waist down, holding a large, silver, rectangular knife with a black handle. The person is standing on a wooden floor in a kitchen. In the background, there is a wooden cabinet and a table with a chair. A speech bubble is positioned in the upper right corner of the image.

"He was no longer
my Dad.. he was not.."

"But.. lung cancer.. will kill you sooner or later.."

"It's best.. for you..
to die now.. right..?"

"The anti-cancer saved him.. turned him into a slime.. I thought he would change.."

"At least, he
stayed down."

End?
