Mystery

The highest roll on the cube of fates means that, for you, a mystery waits.

The recipient may be either player one or player two. A choice that is entirely up to you.

So, uh, hey...
Apparently I need
to pick who gets a
mystery card?

I don't
know what
to do.

What!?

(giggle)
Well I don't
want it!

Yeah,
the game's...
KRISTEN!

Hmm...?

Mystery
The highest roll on the dice
is a 6. If you roll a 6, you
win the game.

FLOP

One of your
boobs fell out.
Holy shit, they're
so awesome!

Oh my
god!

That is so
embarrassing!
(giggle)

I hate
that my body
moves all
wrong!

(ksssht)
Player two has
been chosen as
the recipient of the
mystery card by
player one.

Huh!?

(gasp)
Like, what
the heck,
Jake!?

(aww)
You gave
me your
card?

I swear
I didn't! You
have to believe
me!

I mean,
I was thinking
about it, but after
your boob fell out, I
thought that maybe
if I took it, you'd let
me feel one.

Giggle

Uh, game?
Please give me
the mystery card
instead.

(gasp)
You yelled
my name!

A decision has already been made, and the game must move forward.

I'm really sorry. I didn't mean to!

But I don't want it!

Crap! I
keep blowing
my chance to
feel your huge
boobs!

(giggle)
You never
had a chance,
Jakey.

What does that mean!?

Positively Sensitive

You have been chosen to bare this boon, where the lightest touch will cause you to swoon.

All positive sensations that you normally recieve, will be amplified in ways that you won't believe.

If you allow yourself to enjoy this treasure, your life from now on could be nothing but pleasure.

Oh...
Oh god!
(gasp)

Oh no...
That bad?

Uh...?

Oh my **god!** What is this feeling? I can't... it's so much!

God!
I feel so
weird!

Hey,
are you all
right...?

What do you mean, "weird"...?

It's like that time we tried shrooms, but, like, so much stronger...

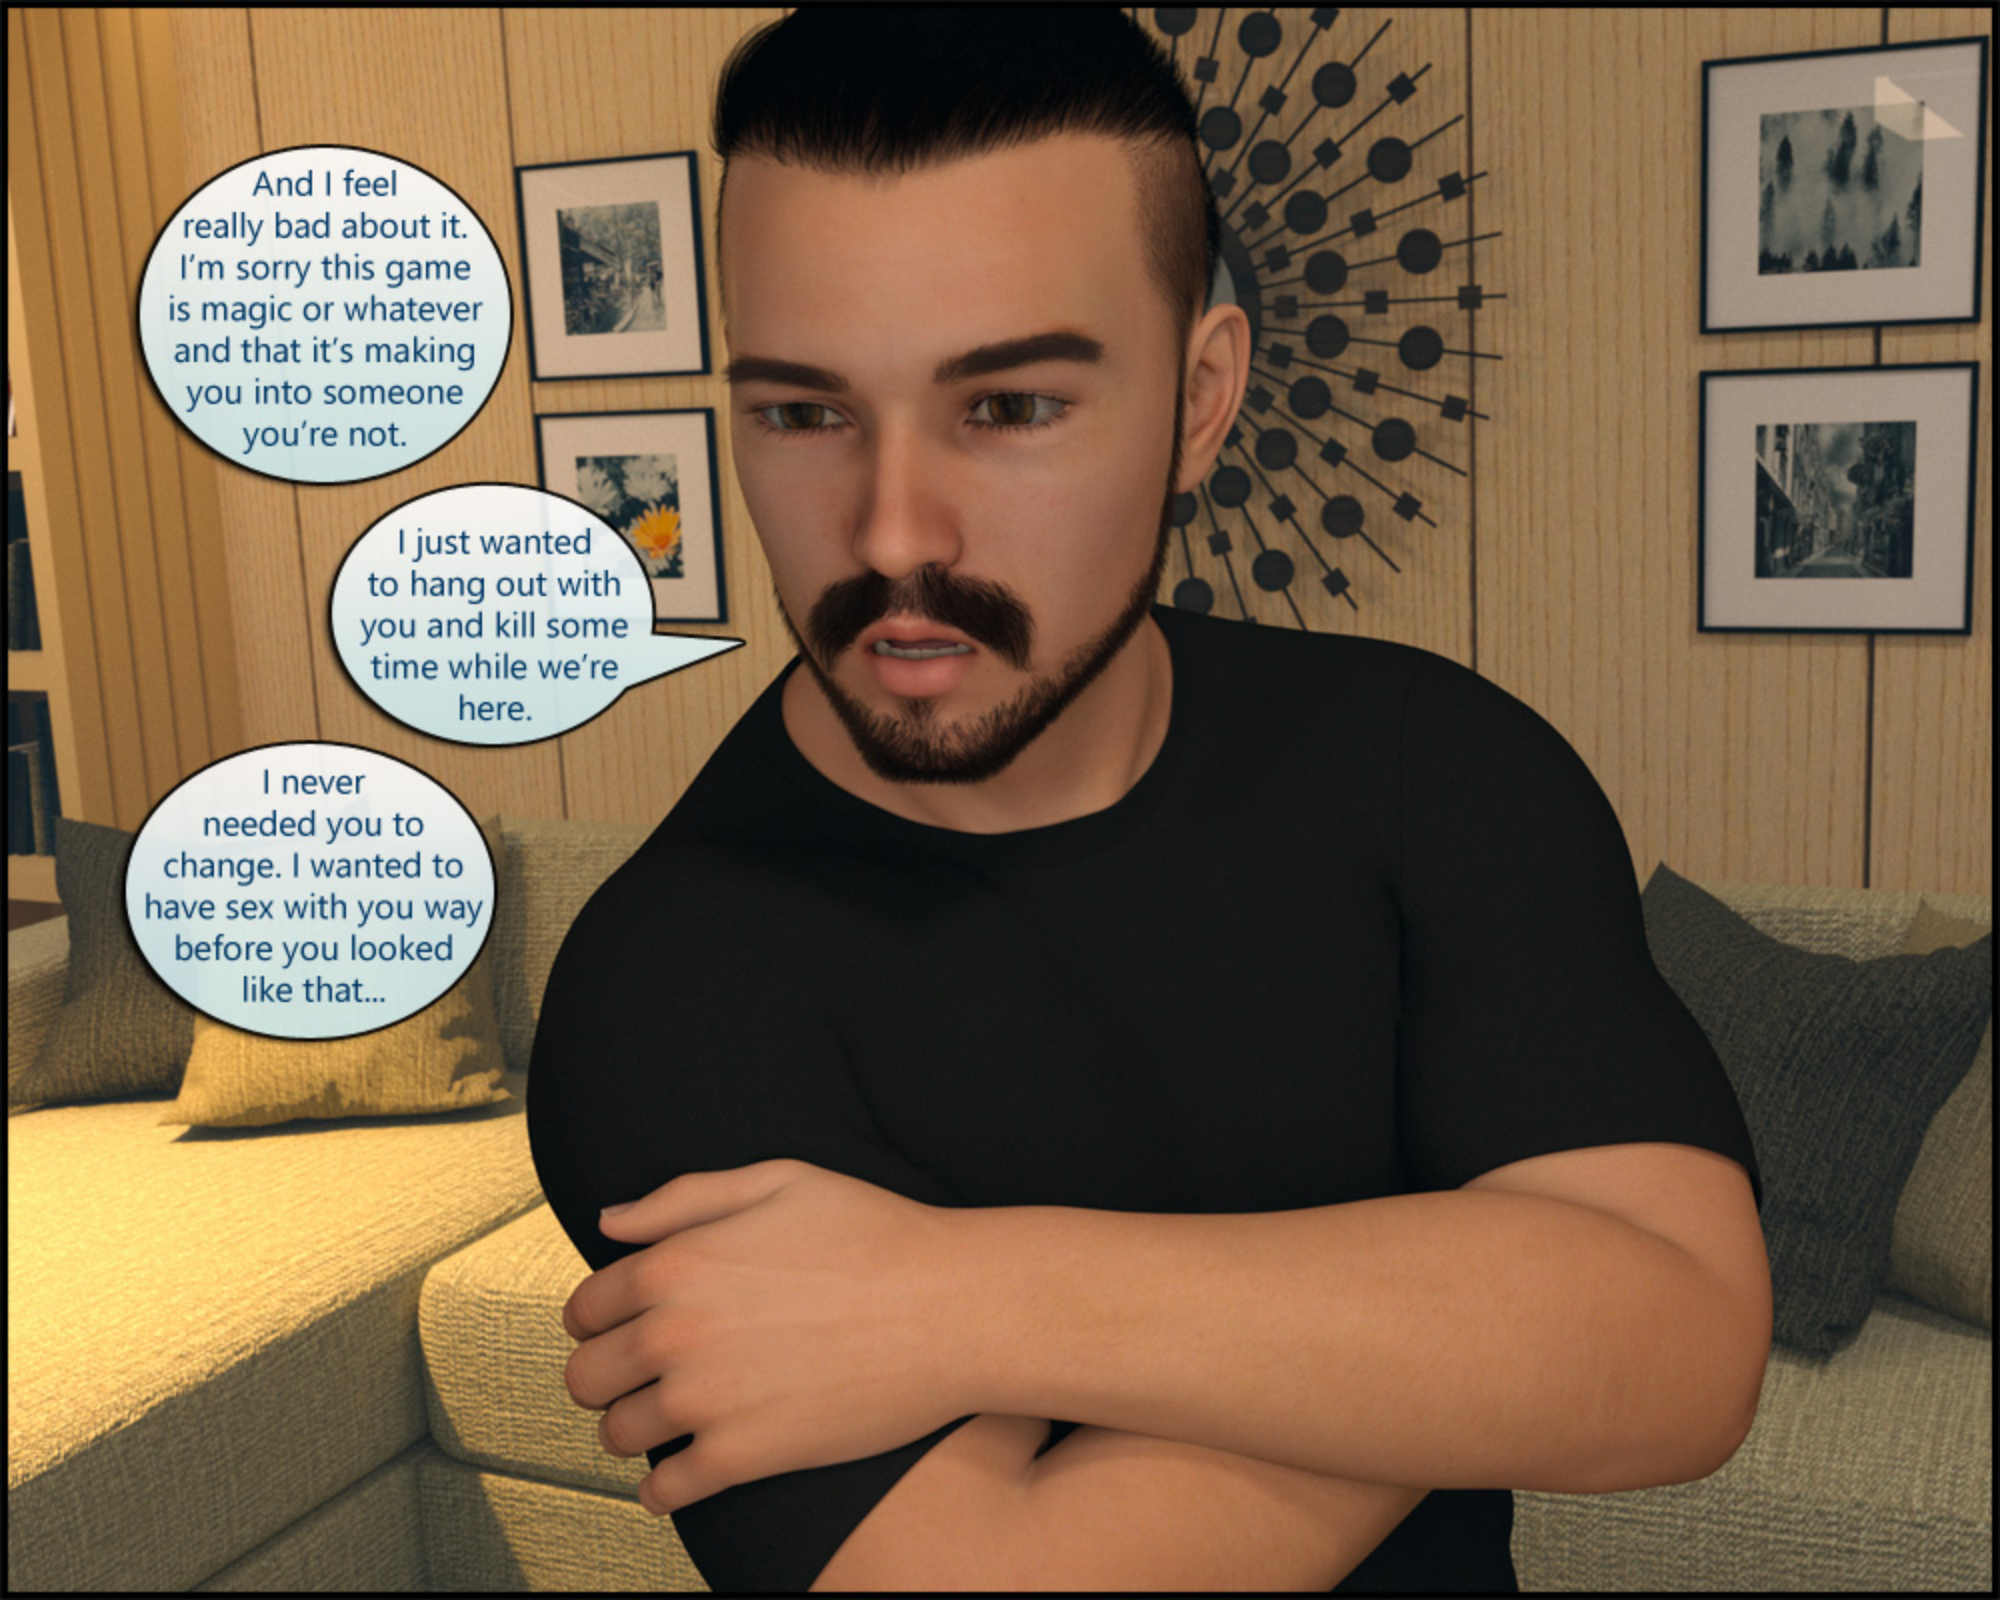

Like, you feel high?

No, **silly**, I mean, like... I'm just, like, so aware of my body...

(Giggle)
Don't get any
ideas! I'm still mad
at you for all
of this!

Like,
you're super
turned on right
now...?

And I feel really bad about it. I'm sorry this game is magic or whatever and that it's making you into someone you're not.

I just wanted to hang out with you and kill some time while we're here.

I never needed you to change. I wanted to have sex with you way before you looked like that...

I just
never said
anything because
I know you never
thought of me
like that.

(Sigh)
And now I feel
like an asshole. I hate
that I can't stop myself
from saying every dumb
thing that crosses
my mind...

Whatever. Just...
If you get another
thingy where you
can pick, it better
be you next time...

Because this
is, like, totally
not even fair.

Act Happy
After all you were given, you
decide to walk with a thorn.
You start to talk language
of spite and spite.
You should match your color
and health, that's from now
on you'll be little and green
with a smile!

Change
The way you see things
is like a map.
The world is just another
map.

Perfect Science
The way you see things
is like a map.
The world is just another
map.

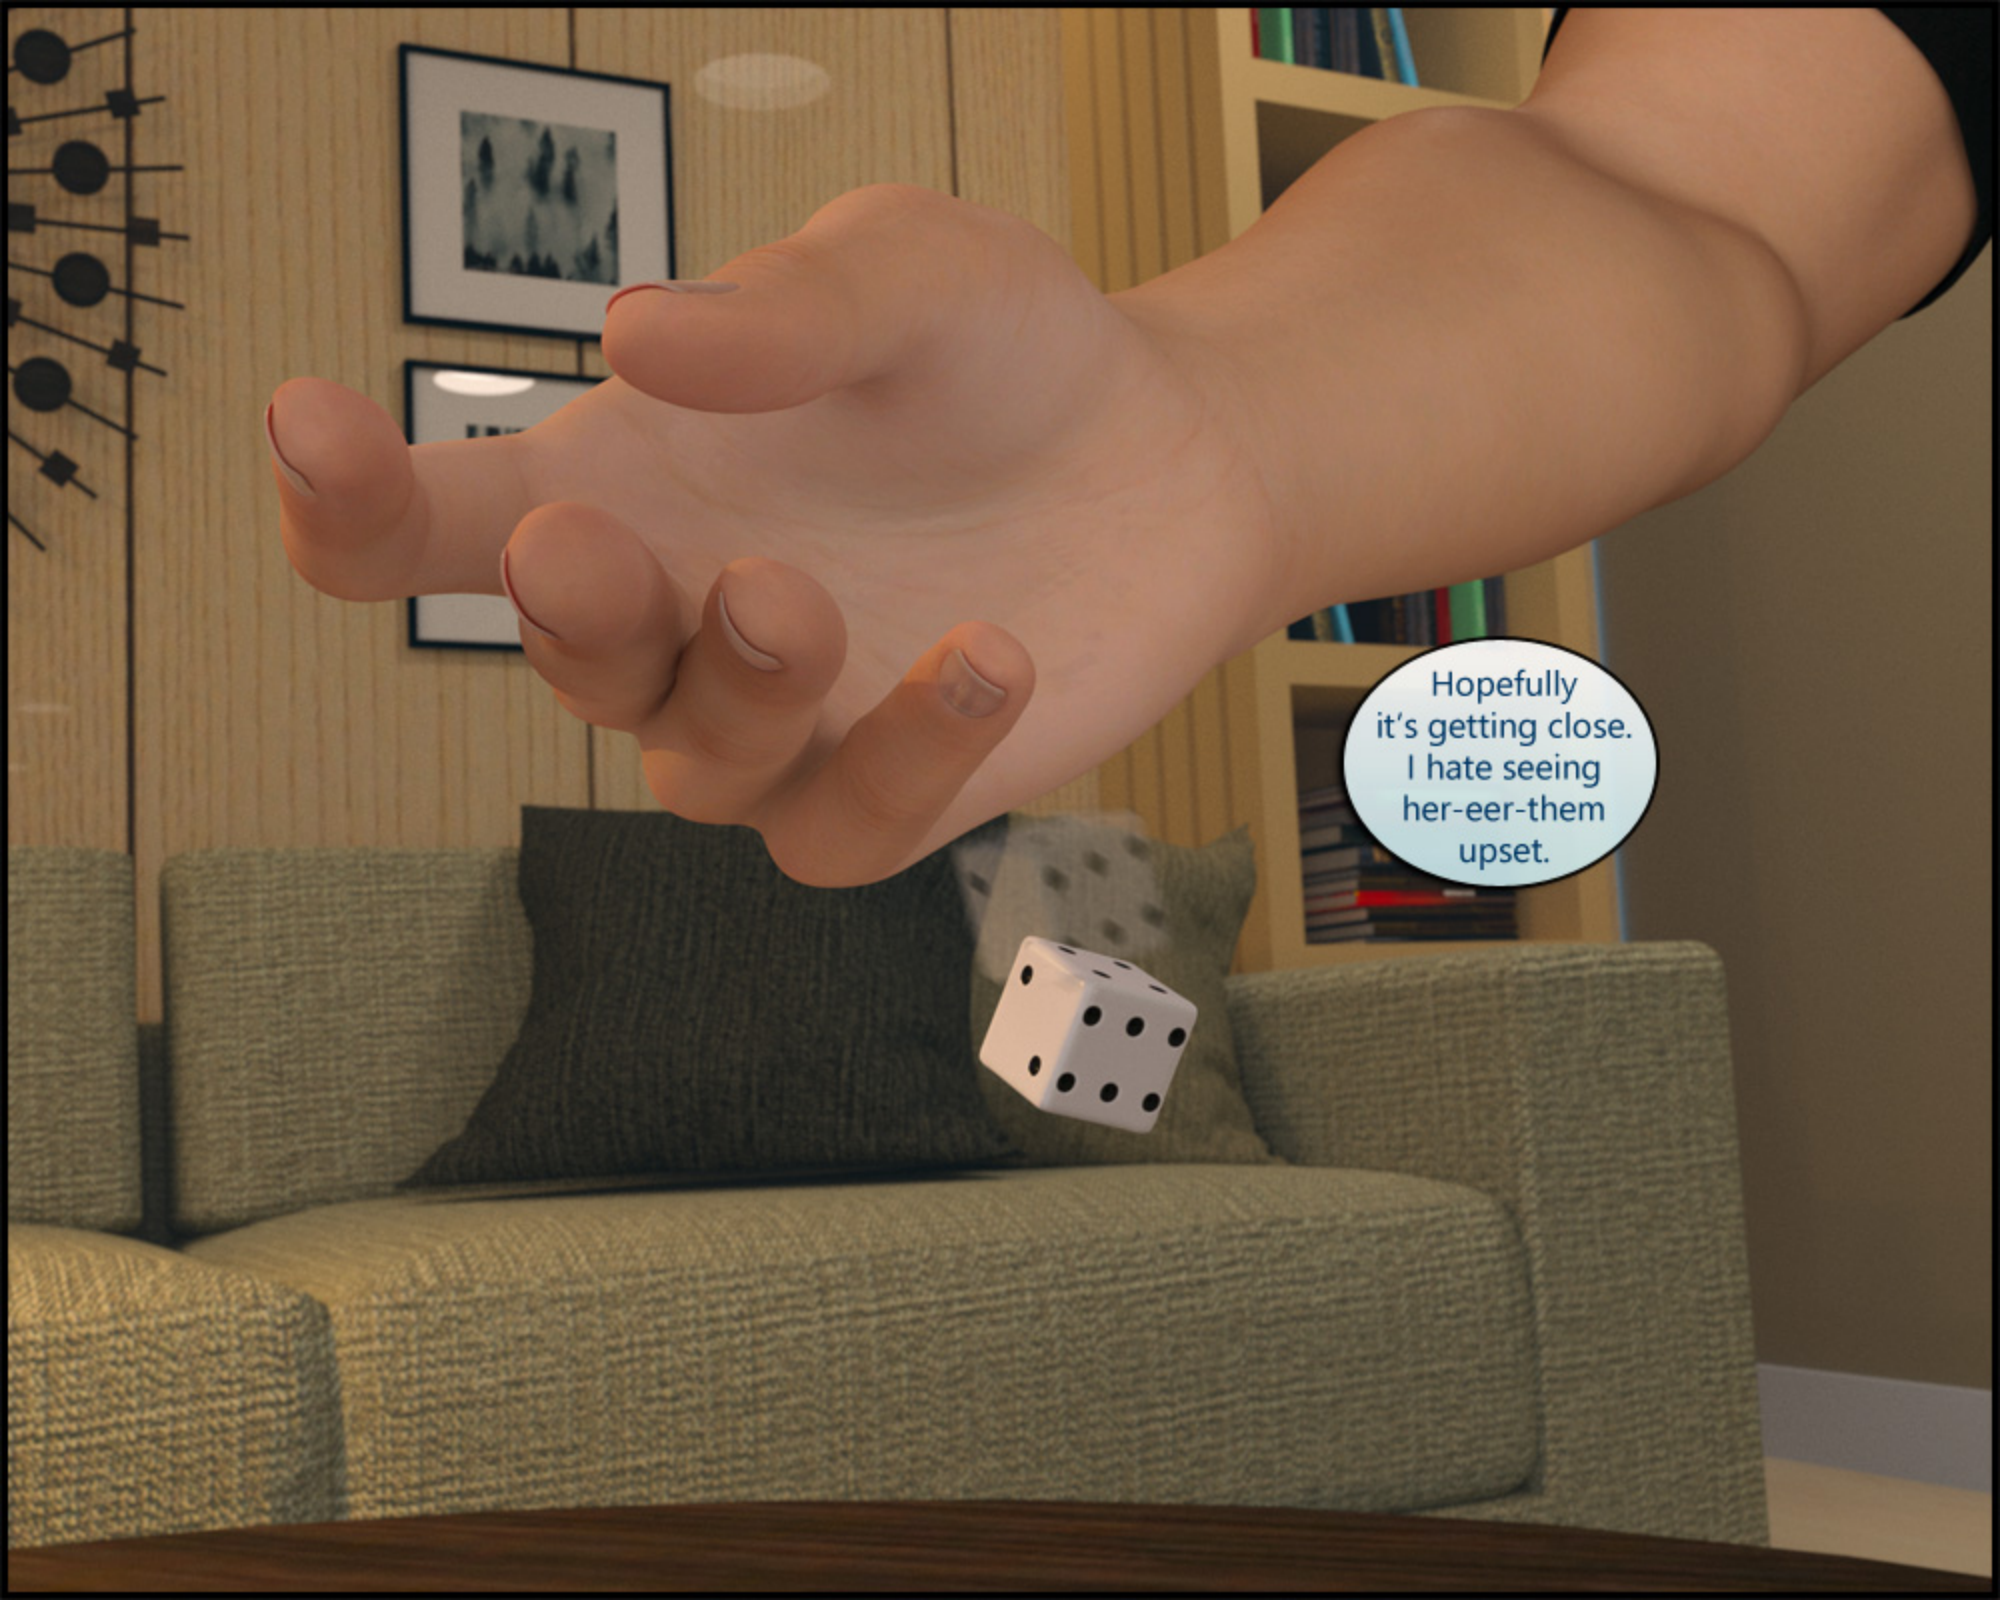

A man with a beard and short dark hair is shown from the waist up. He is wearing a black t-shirt and blue denim jeans. His hands are clasped behind his head, and he has a thoughtful or slightly melancholic expression, looking off to the side. The background is a modern interior with a grey wall, a yellow light fixture, and a doorway leading to a room with a green wall and a window. In the background room, there are some golden statues and a potted plant.

Okay... I just
hope you don't
stay made at
me forever...

I wish there were some actual instructions or something...

How the heck do we even get to the climax or whatever?

Hopefully
it's getting close.
I hate seeing
her-er-them
upset.

Uh, okay...
What the heck
is that supposed
to mean...?

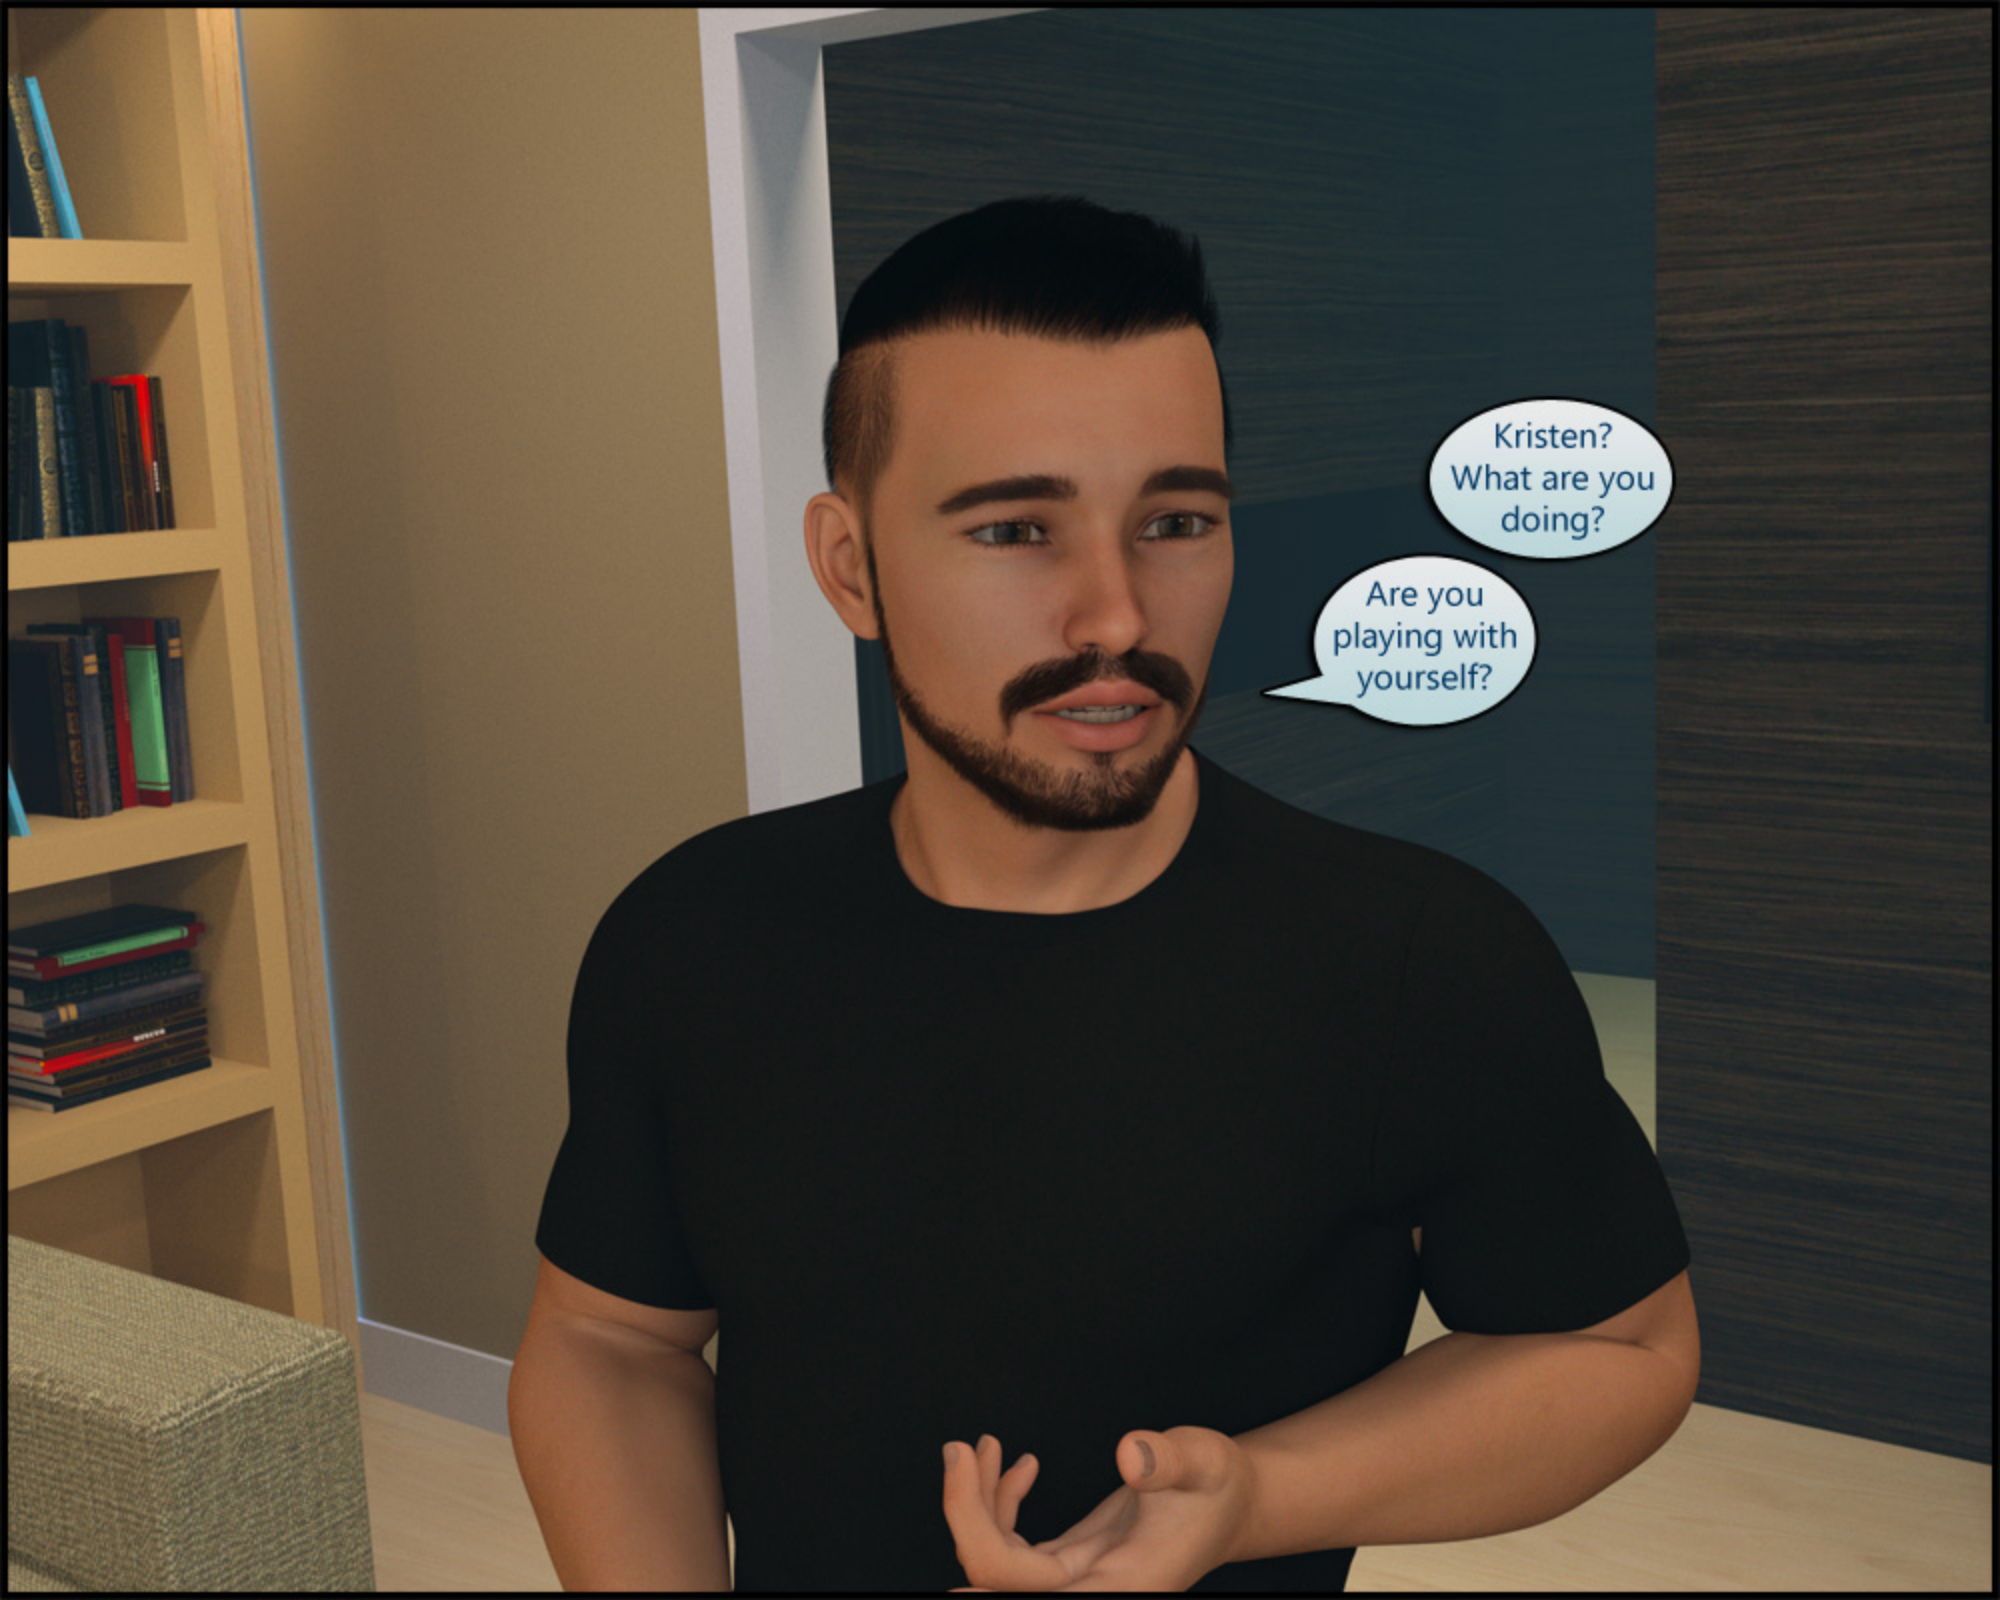

(Huff)

Dude,
my piece is
glowing red...
Could that mean
I won...?

Mmm...
(Breath)

I'm not
sure where to
go from here...
Maybe you
have to...?

Kristen?
What are you
doing?

Are you
playing with
yourself?

Huh...?

(Clears throat)

EH-EH

(Gasp)
AAAH!

Player one has attempted to cheat the game by taking another turn out of order...

A punishment will be dealt and the player will lose their next turn.

Crap...
It was your
turn, wasn't it?
The mystery card
was mine...

(Huff)
That jump-
scared me! I was
totally spacing
out...

FLOP

The Cheater

You tried to steal a second turn before yours was even due.

Your punishment for trying to cheat has been decided by player two.
