Fluids are spewed all over the place, as everyone explodes in a truly massive, group orgasm.

Some of it coats the backs of Tenty and Tanky, but most of the sexual fluids cover Bambi.

**Fountain!**

**Splash!**

Each person thoroughly enjoys their release, however, no matter where their fluids go.

Gush!

Gush!

Though Bambi is definitely experiencing the most intense pleasure, as she is coated in thick streamers of semen.

Splash!

Gush!

Splurt!

And it seems that her changes  
may not have stopped with  
the orgy-gasm!

**Grow!**

**Stretch!**

**Extend!**

**Lengthen!**

**Longer!**

**BLING!**

The erotically charged liquids coating her body are rapidly absorbed into her skin.

Which seems to be all that it takes to continue Bambi's lewd metamorphosis.

**Absorb!**

A close-up photograph of a woman's face, focusing on her eyes and lips. She has dark eye makeup and thick, pinkish-purple lipstick. The image is annotated with text and graphics. The text 'Darker!' is positioned to the left of her eyes, and 'Thicker Lashes!' is to the right. Two yellow starburst graphics are placed on her eyelashes. The background is dark and out of focus.

**Darker!**

**Thicker Lashes!**

**New Brows!**

**DLING!**

Some of the changes are a little more subtle and not immediately noticed.

**Absorb!**

**TAN!**

**DEEPER!**

**DARKER!**

**RICHER!**

But Sapphire does notice Bambi's continued growth, as her swelling tits begin to push her backward.

Ummm...

A 3D rendered scene featuring a large, smooth white sphere in the center. To the left, a character with dark skin and long hair is partially visible. In the foreground, a character with short pink hair and a green, textured outfit is kneeling, looking towards the sphere. The background is a dark green environment with some glowing green lights and a dark table. The word "Grow!" is written in a stylized, yellow and red font in the upper right corner.

**Grow!**

**Swell!!**

Bulge!

**Bigger!**

And she is not sure what to make of it. It is equal parts sexy and worrying to watch.

...I think, her boobs are, like, still growing bigger?

**Bloat!**

**Expand!**

**Enlarge!**

Balloon!

Others take notice once Sapphire has pointed the oddity out to them.

Are they? I hadn't noticed. I only have eyes for one set of jugs right now.

**<giggle>**  
Thanks, but  
her massive mounds  
are definitely still  
growing!

Lick!

Lick!

Balloon!

**Fatter!**

Plumper!

Everyone takes a step back and watches, as Bambi's obscene orbs continue to take up more and more floor space.

OK, but are they, like, supposed to be doing that?

A comic book panel depicting a scene in a room with green ambient lighting. A woman with long, wavy blonde hair is shown from the back, wearing a dark, form-fitting outfit. She is looking towards a man whose large, erect penis is the central focus of the image. The man's body is partially visible, showing his back and legs. In the background, there are several small green lights on the wall. The floor is made of square tiles. A speech bubble is positioned above the woman's head, and a yellow text box with a red border is at the bottom right.

And  
are they,  
like, going to  
stop?

**Humongo Hooters!**

**Mega Melons!**

**Enorme Jugs!**

**Massive Mountains!**

Her continued growth was clearly not expected, and it is becoming concerning.

She should not still be growing. I may have miscalculated a bit.

What do you think, Tenty? Should we be concerned about this?

Huge gazongas! I want to lick them some more!

It must be an unforeseen side effect of mixing her magic with my own.

I'm sure it's fine! At least she hasn't started...

...gushing  
huge amounts of  
milk!

**Gush!**

Gush!

Gush!

You spoke too soon, Xeloria.  
Far too soon...

**Sput!**

**Swell!**

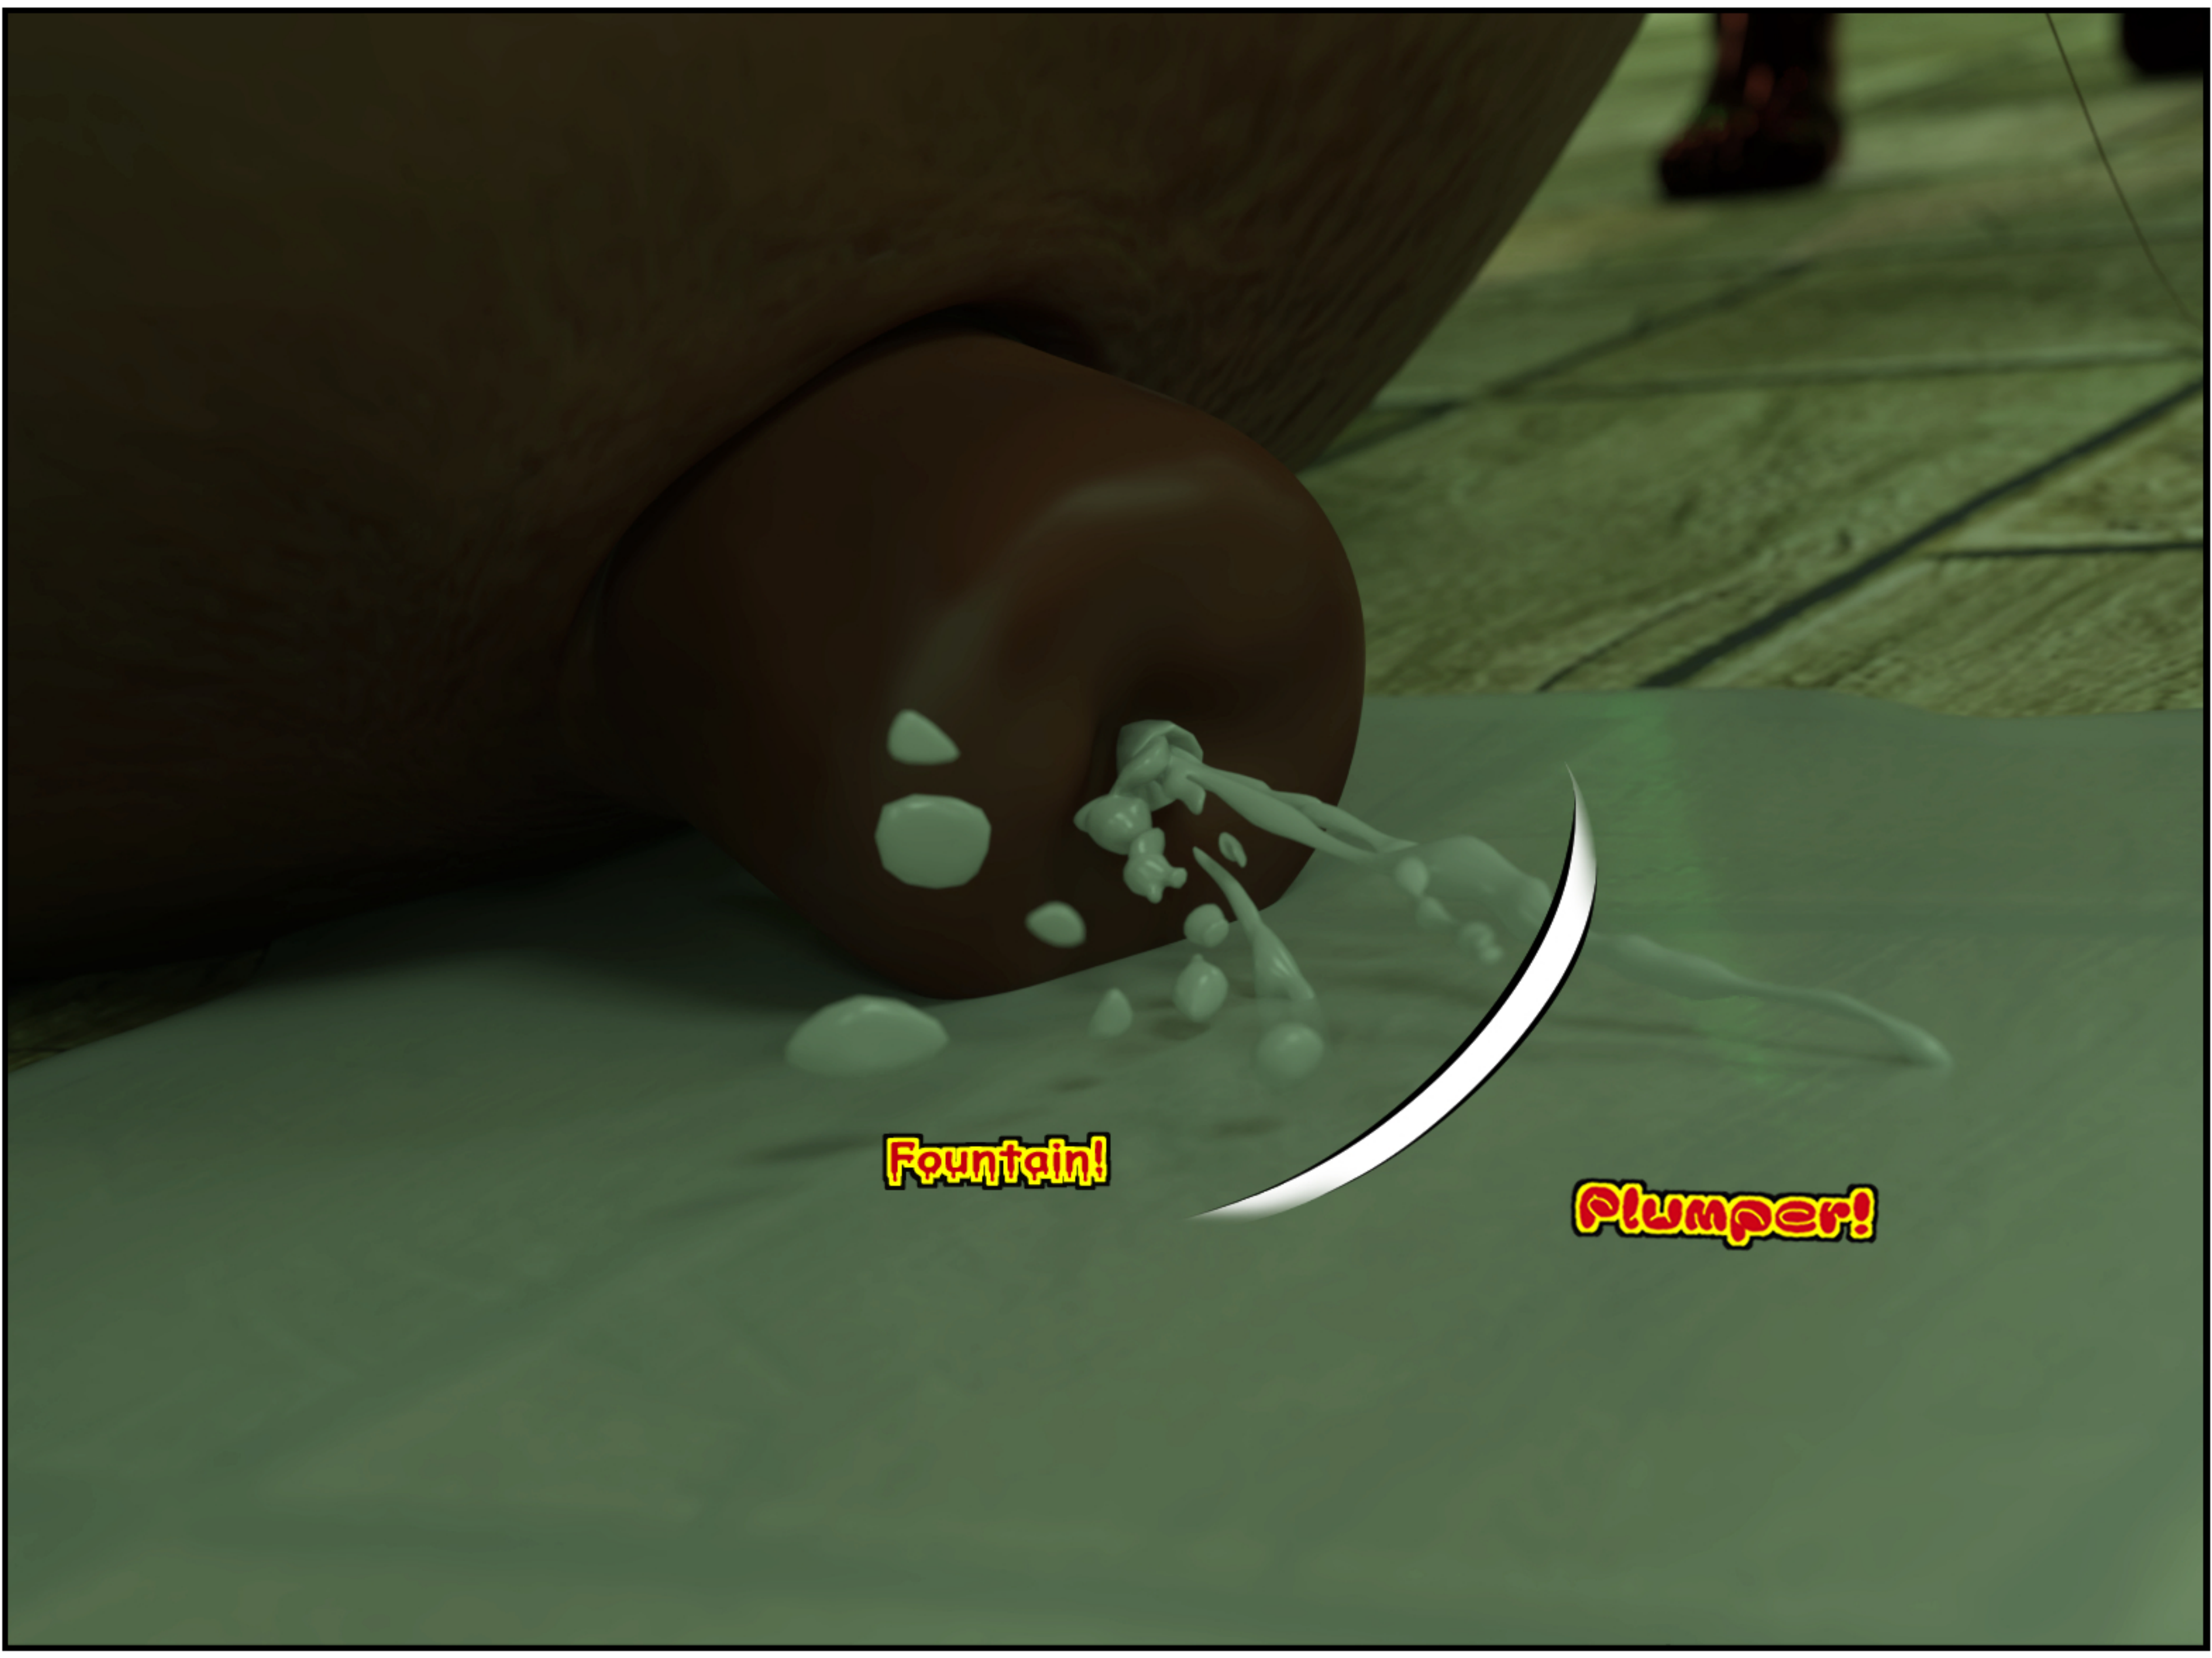

**Splurt!**

**Fuller!**

**Fountain!**

**Plumper!**

**Flood!**

**Bigger!**

Yeah,  
so... this  
is bad. Potentially  
really bad. We should  
vacate the premises  
post haste,  
people!

Wait!  
We still  
have to find out  
what happened  
to Goldy!

Xeloria's voice sounds slightly panicked, and the group starts heading for the door.

But Sapphire stays back in a bid to discover one last piece of critical information.

Please, Bambi! If you're, like, still in there... if you are more than just a huge-titted cow now, tell me where I can find Goldy!

Bambi's only response is to vaguely point and wave in the direction that Sapphire's friends are already fleeing.

Sapphire hurries to catch them, the still growing and spurting form of Bambi slowly rises toward the ceiling as they leave her in their wake.

Stay tuned!  
Our story will  
continue.
