

Make sure Mr.C gets this by 4PM today.

That's when his interview is.

Okay.

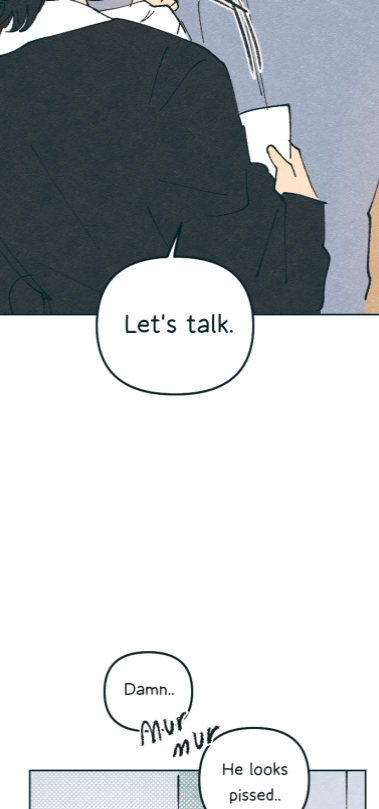

This claim has already been approved, so you can toss it in the drawer.

Of course.

CRASH!!

Next..

Eh, Crush?

Woah! Watch it!

Coordination-

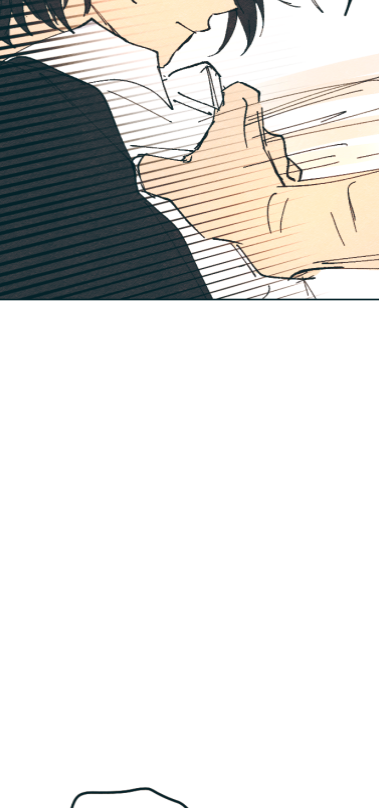

GRIP

What the..

You.

Eh..?

Let's talk.

Damn..

He looks pissed..

I know, right?

What was all that about?

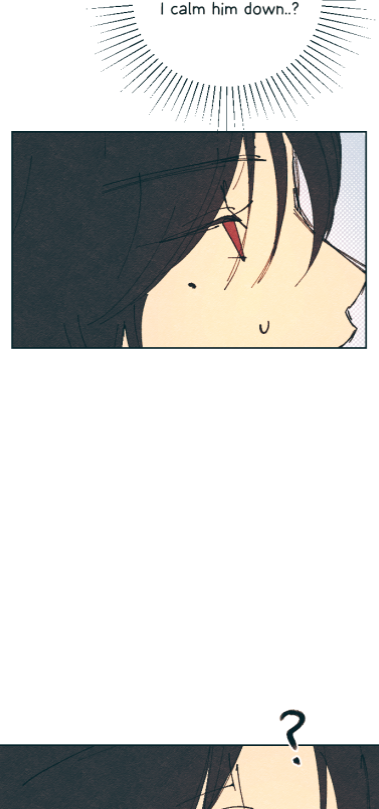

Did you see how hard he yank Mashiro?

Are they fighting?

I've never seen Crush so scary..

SHOVE

What are you up to here?

Ow..

Did he send you to fuck with me?

Wha-

Why can't you people just leave me alone?

Why can't he just keep his words?

I did everything he asked..

What more does he want from me..?

Why the fuck won't you leave me alone?

TREMBLE

He's clearly unstable..

I need to calm him down, he can't be reasoned with in this state.

But how do I calm him down..?

I see..

I'm not here for you!

I'm here for Cherie!

There we go..

I'd think twice about punching anything if I were you.

BACK UP

Do I need to remind you that Cherie needs me here?
