ESTABLISHING SHOT OF THE LOCATION

INT DOJO COMPLEX JAPAN: NIGHT

Ryu Kneels before a suit of armor, a katana lies on the ground before him. Ryu Meditates, deep in thought until something appears to disturb him.

He quickly spins around to catch a glimpse of this unseen presence.

But there is no one in the room with him. Just silence in the empty dojo.

He turns back to his task, when a sudden burst of dark smoke explodes in front of him. engulfing the suit of armor. Electricity crackles in the air.

Coughing, Ryu hardly has time to catch his breath when a winged figure dashes from the smoke.

It pushes Ryu several feet across the floor.

He opens his eyes to find Nyotengu straddling him.

She stretches out her arms and wings as if awakening from a long sleep. Her hips gyrating on his. She turns her wickedly sensual attention down to Ryu.

NYOTENGU

Ah, feels so good to be back in the
the human realm again.

RYU

You!...

He attempts to remove her, but she grabs onto his attacking arm.

NYOTENGU

Now now, no need for that.

She presses the index finger of her free right hand to his lips, sliding it gently down to his chest. Nyo leans forward talking sweetly into him, as she does. An eerie wisp of smoke crawls from her finger.

(CONTINUED)

NYOTENGU

We're old friends right? In truth,
I'm so hungry, and underneath all
this, I'm sure you're so very
tasty.

Ryu begins to lose consciousness, and blacks out.

INT DOJO COMPLEX NIGHT

When he awakens, his blurry vision clears to find he's tied to a chair. Nyo has his cock out and shes gently toying with him. She sits on her knees between his legs. Looking up at him intently as she strokes his cock.

NYOTENGU

You continue to impress me Ryu
sama. Very worthy of your
reputation.

RYU

Release me, NOW.

He tries to get up but his hands are bound behind the chair.

Nyo continues to toy with him.

NYOTENGU

But you have something I need. and
I'm prepared to do ANYTHING to coax
it out of you.

RYU

I don't know what your after but
this won't work....

His words stop dead as she slips her tongue in circles over the head of his cock a few times before she begins to blow him.

SHORT SLOPPY BLOWJOB SEQUENCE

She deep throats him, waits a second then backs off. Looking up a him coyly

NYOTENGU

No? not there yet? You're more
resistant the most, guess I'll have
to try harder.

She stands up and begins to straddle him.

RYU

Stop this nonsense demon! Just tell me what you want and leave.

She presses her index finger to his lip again.

NYOTENGU

I want what you have Ryu sama.

She takes his cock in her hands and guides him inside her.

NYOTENGU

I want you inside me.

COWGIRL SEQUENCE

Grinding on him slowly she stares into his eyes and teases him.

NYOTENGU

Give in to me, and I'll give you anything you've ever desired. I'll pleasure you in ways you've never imagined.

RYU

You have nothing I desire.

NYOTENGU

No?

She fucks him harder now, bouncing her ass on his cock.

NYOTENGU

Don't I please you Ryu sama? Don't you just want to unburden yourself inside me? You don't need to hold back with me.

She rides him, rougher and faster until Ryu breaks the chair and his bindings, Tackling Nyo to the floor.

On her back now Nyo wraps her legs around Ryu.

He continues what she started and begins to fuck her.

MISSIONARY SEQUENCE

NYOTENGU

That's it, give in to me.

Nyo now enjoying the control she has over him, loosens her grip.

NYOTENGU

YES! take me Ryu sama, Impale me!
Break me!

Ryu plows into Nyo, Her breasts flop around wildly.

Nyo is having too much fun to notice her control over Ryu is starting to fade.

He shakes his head trying to break her spell. He puts his hand on her throat but it only encourages her further.

NYOTENGU

Yes, show me your darkness, fuck me
as hard as you want.

EXT DOJO COMPLEX NIGHT

Momiji is walking the grounds looking for Ryu when she hears strange noises coming from the dojo.

MOMIJI

...Master Ryu?

INT DOJO COMPLEX JAPAN: NIGHT

Inside Ryu is still fucking away at Nyotengu.

He draws a hidden Kunai knife and tries to bring it down on her face, but it stops short when Nyo catches him by the wrist.

They pause face to face, the blade between them.

NYOTENGU

And here I thought we were enjoying
ourselves.

RYU

I dont enjoy your tricks witch!

NYOTENGU

I can see now this will require
more labor. I'm not done with you
yet Ryu Sama.

Momiji approaches the open door of the dojo.

MOMIJI

Master Ryu?...

In a puff of smoke Nyotengu vanishes.

Momiji comes around the corner to find Ryu kneeling down nude, knife in his hands, breathing heavily.

MOMIJI

OH! IM so sorry I, Uh um....

She whirls back around facing the other way, shocked at his naked state.

MOMIJI

I uh, was coming to tell you that I had prepared dinner...

Ryu seeing no point in trying to make sense of his situation answers without looking at her.

RYU

...yes, thank you Momiji. I'll be there shortly.

Momiji walks away fanning her self, flustered. Ryu Sits back on the floor, confused by whats just happened.

RYU
