

Hey, Dad! I'm so excited about today... You know, this is our first Father's Day together.

I'm really excited about it too, son. I'm sure you're going to love it.

So, what are we going to do today?

Oh, you'll find out inside.

Hi, Typhos!

Hey, Zeus. Finally, you're here! You know the rule, right? No clothes.

No clothes? What's going on inside?

Yeah, yeah!!! Don't worry about that.

Son, welcome to the Hall of Creatures. This is where we'll be celebrating this wonderful day.

The most powerful and important beings of Olympus are here.

Wow! This place is amazing!

Hmm?
What's going on?

Where's that smoke
coming from?

Get your hands off my son,
you bastard!!

Hello, nephew!!
It's good to see you here...

I hope you haven't been
holding any grudges.

I've been missing
you so much..

How dare you
put your filthy
feet in the Hall?!

Calm down,
little brother.
Hall of Creatures
is something that
belongs to all
the gods of
Olympus...

and as far as
I remember...
I'm one too.

Besides, today is Father's Day
and I decided to bring my
children here...
What an incredible
coincidence that you
did the same.

Children?

Say hello to your
nephews, Zeus.

I would love
for you to give
them your
blessing

After all, you're
the God of Gods
little brother.

Hades...
what are you....

Dad? Why are you swallowing these demons' penises?

I'm giving them my blessing, son!!!

Quiet down, kid. This isn't something a demigod should do.

Summoning completed successfully!!

The Spartan warriors revived with Hades' fire are ready to put the plan into action.

Oh my fucking dad!!

What the fuck are you guys?

If you need my dad's blessing know that he is busy right now and won't be able to...

The boss was right!! Zeus is totally distracted by the boss's new creations. It's time to bring out the most powerful creatures.

Perfect!! Now, I just need to summon them and Hercules will be ours.

what is this noise?

THREE?
THESE MOTHERFUCKERS
ARE TRYING TO KILL ME!!

So your plan was to
create a conflict
between you and Zeus
by riding on us
but now you're tired?

Yeah, I'm exhausted!!
I can't go on.
My ass is numb!!
Take me home!!

By the gods!!
you've really
gotten used
to defeat!!

Oh, fuck!!
Dad, I think
I'm going
to need
your help!!

I think we were
rude to Hades...
I mean...
Look at all these
amazing beings
he's creating!!

Yes, Dad!!
I think in the end
he cares about
our family...
I've never met
so many cousins
in a single gathering.
