other and call for help!

A close-up illustration of a woman with dark hair, wearing a dark suit, white shirt, and dark tie. She is holding a dark handgun in her right hand, which is wearing a white glove. The background shows a doorway and a staircase. A speech bubble is positioned above the handgun.

Why don't you come out
and we will make it quick, Sergant?

I'm no longer in the military! What is it with you in this mess!?

You always ask
the obvious...

We, soldiers, only following orders.

mmh

Order to execute
the civilians and
law enforcements!?
Whose gave you that?

"2 bullets left... While
she has more than me."

Answer me, Monoka!
Where is your soldier's honor?

I was the only
one left of our team...

Because of you,
Shinozaki!!!

Leaving your squad
behind don't deserve
to have 'soldier's honor'!!!

A 3D-rendered scene of a room with a ceiling light fixture and sound effects. The scene is viewed from a low angle, looking up at the ceiling. A long, rectangular light fixture is mounted on the ceiling, emitting a bright white light. The ceiling is composed of light-colored square tiles. The walls are a light beige color, and there are several vertical pillars or columns. The overall lighting is soft and ambient. The text '*BANG*' is written in a black, handwritten font, appearing twice: once near the light fixture and once on the wall to the right.

Um...

Are you... doing alright?

A character with long, straight, dark hair is shown from the back, looking into a locker. The character is wearing a dark-colored shirt with white stripes on the sleeves. The background consists of red lockers and a tiled floor. A speech bubble is positioned to the left of the character's head.

This is new...

Her muscle memory provided that she learned the way to defense herself.

I'm not quite catch up to what you said...

It's mean that I can
use this body to fight,
along with the energy
I got with you...

B-But... She has
several wounds...
Let me treat them.

I don't think we should
worry much about these...

Also, I have to find
a way to deal with
current situation.

Burp...

We are running out of time, and they will come looking again.

So I suggest you should stand down, and...

What do you think of me!? A useless officer!?

You told me to stay
back and watch other
innocents get hurt!?

We need to find
Shizuko, Yuka, the
Chief... and call for help!

"Didn't she see what happened outside? Why always putting yourself in danger?"

Fine. But you are going to stay in this room.

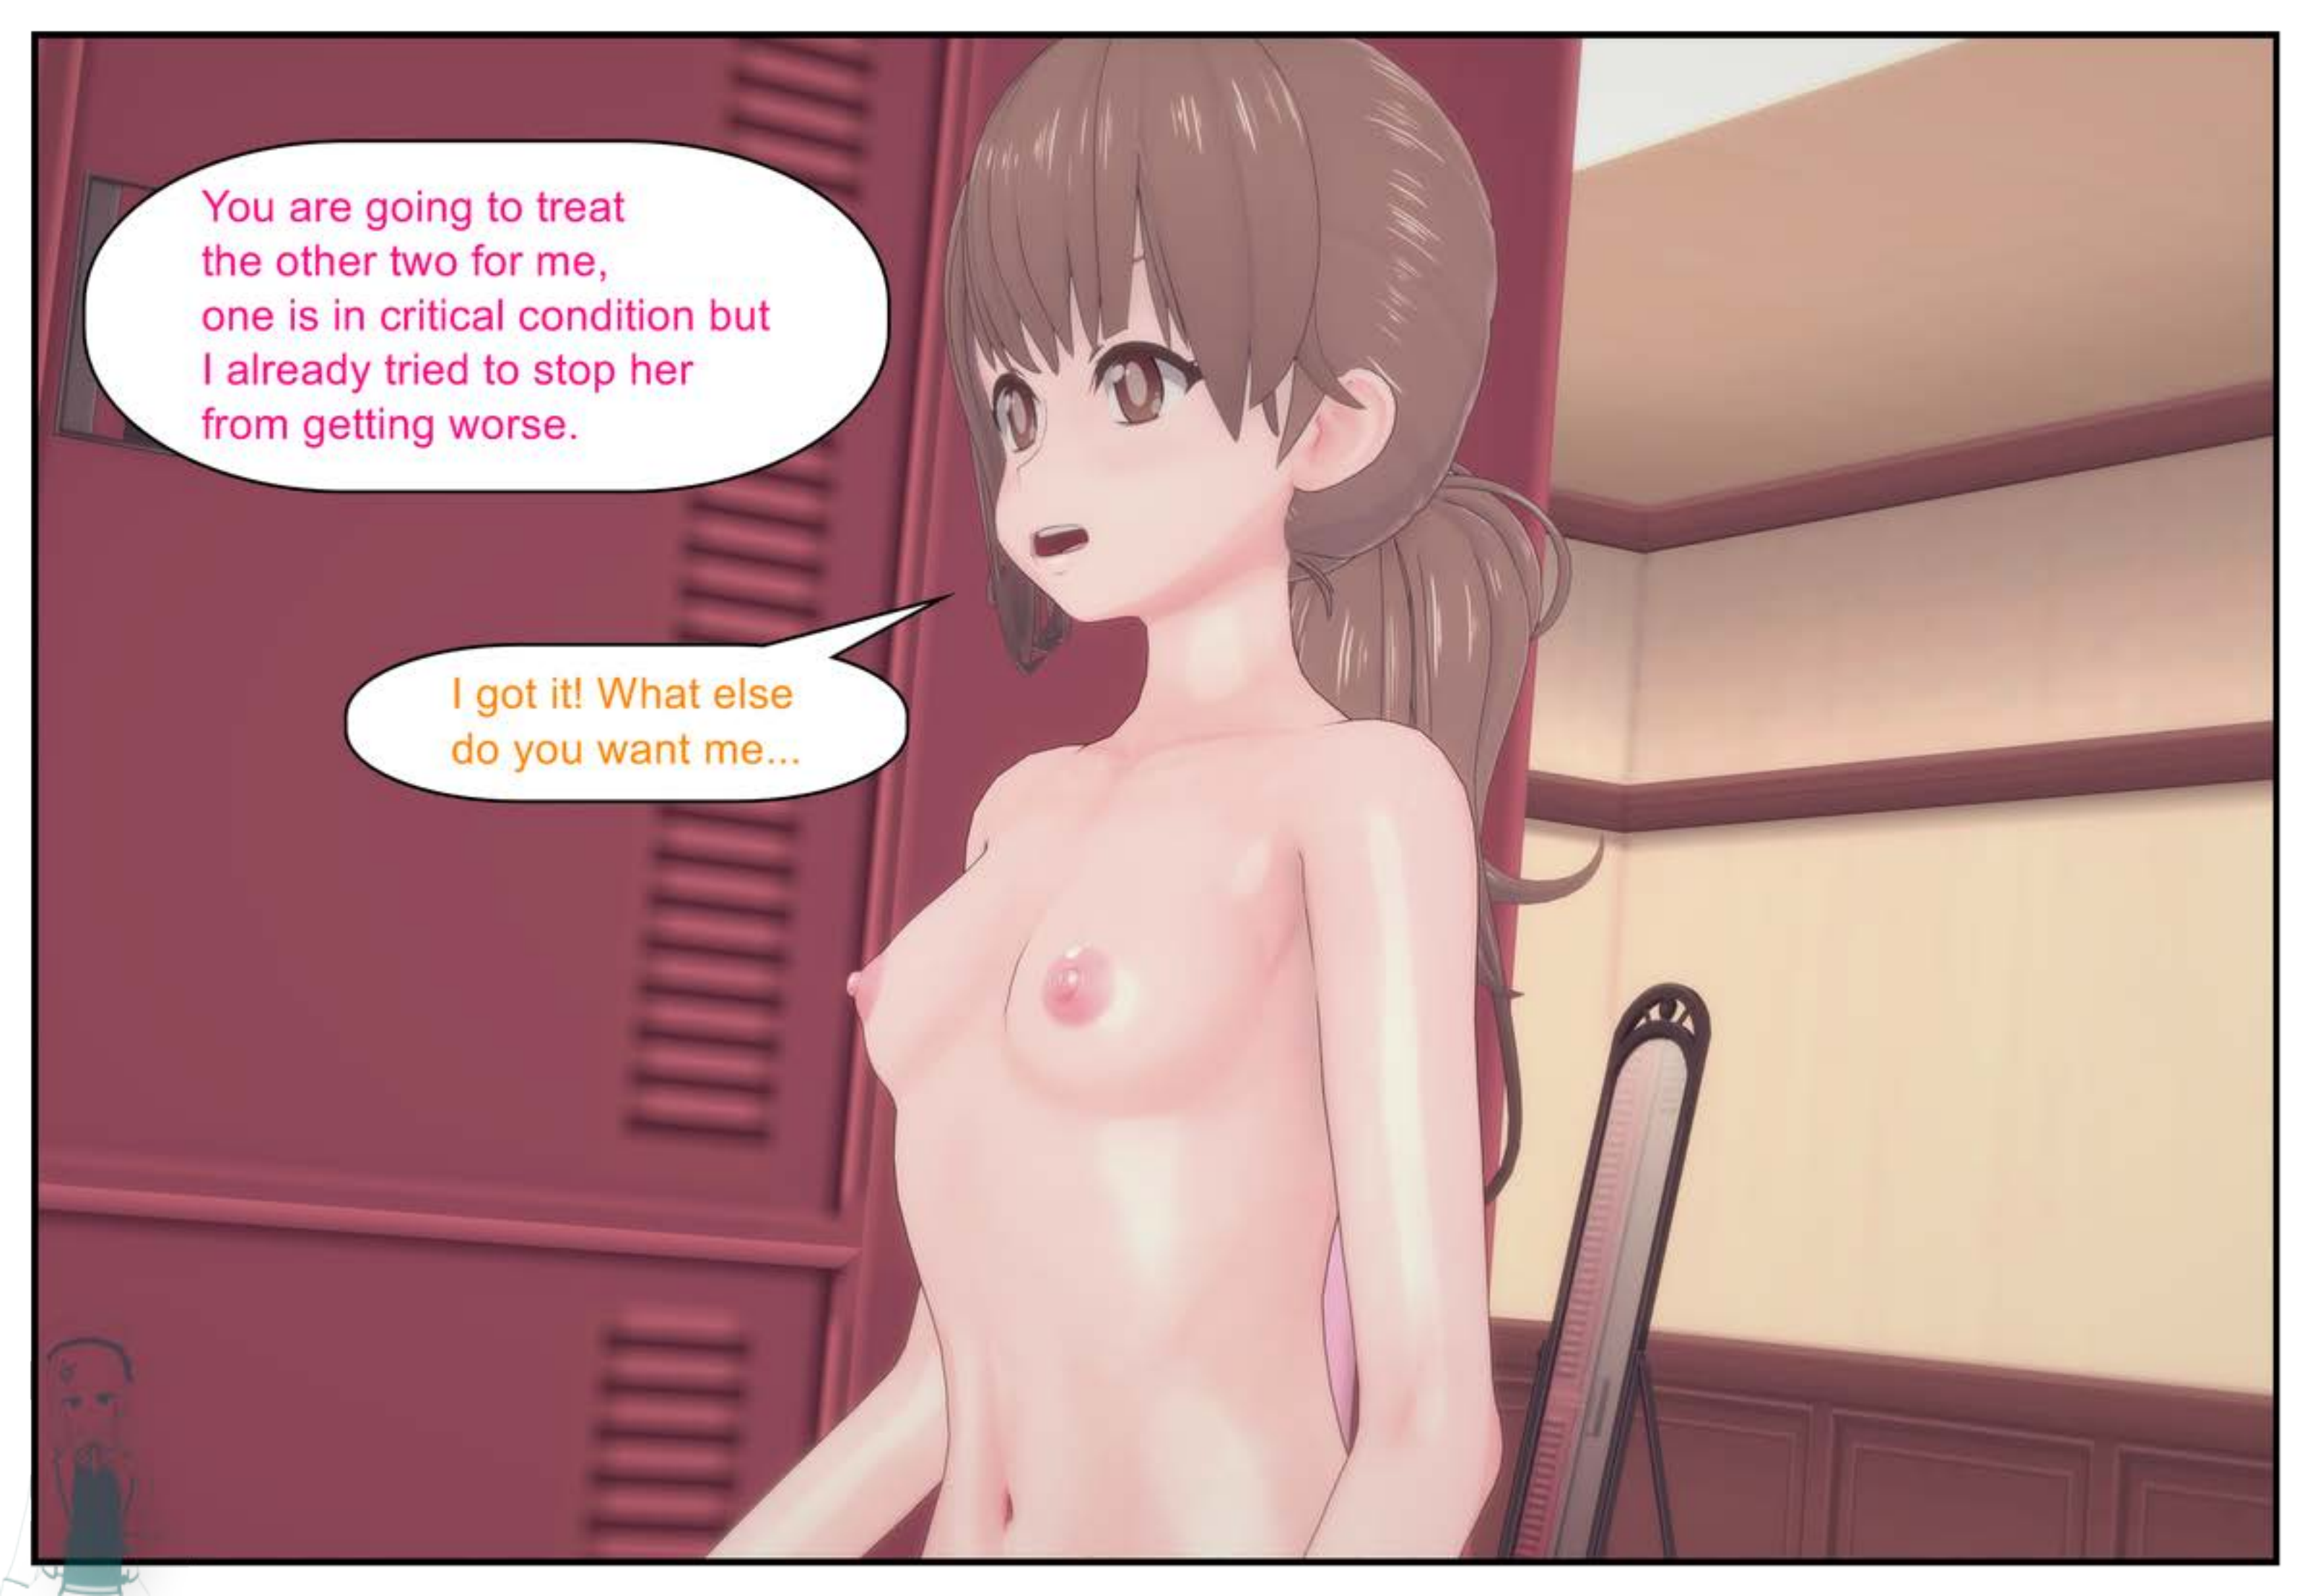

I will find your friends for you, in return for your help, Karina.

T-Then... What can I do now?

I will put this male officer outside. He's long gone anyway.

You are going to treat
the other two for me,
one is in critical condition but
I already tried to stop her
from getting worse.

I got it! What else
do you want me...

Becareful. That
is all I ask.

I don't want to see
anyone else to get
hurt in front of me either.

Leave them to you...

"His words and voice
sound like..."

...officer Karina...

**Meanwhile... In
the other room...**

O-Ouch... Please
be gentle with me...

Lucky that I found
you, so stay put.
How did it come to this?

I was trying to help
the civillians to hide
with other officers...

We got spotted, and they... Ah... Un...

An officer pushed me
to the side... Told me
to run while he...

Kyyyyyaaaaaaaa!!!!

消火栓

S-Someone...
Aaaaaahhhhhh!!!!

P-Please...!!!
Hyyyaaaaaaa!!!!

H-He is killing the innocents... we rescued...

Get yourself together,
rookie! If you don't
know how to handle
a gun, then run!

W-What about you?

I will distract him. As soon as I do, you run with all your strength.

I'M HERE, YOU
MURDERER!!!
COME AT ME!!!

While running, you
stripped and got your
leg sprained.

Hyaaaaa!!! It hurt!!!

Alright, I did what I could for your wound.

You need to stay put and
don't move, okay?

T-Thank you,
Chief... But I
have to find... Karina.

Then I will look out
for her while trying to
get help from outside...

All by yourself...!?
Chief... It's too risky!

This is what I must do! Too many good people and civilians have died today!

"It is not have to be like this... All my faults..."

"What I reported to them, it all came down to this..."

Being an officer washed away all your skill, Sergeant?

You could aim for my head, instead, you shot at my armor.

Why, Sergant?
I didn't beg for
you to let me live?

Ah...

Your mistake...
I'm better than you.

Don't blame me.
I was just following order.

You...!!!

"This move... was a bit hard to balance."

You are...!?

The mouse that I chased before...

You will regret for
trying to be a hero!!!

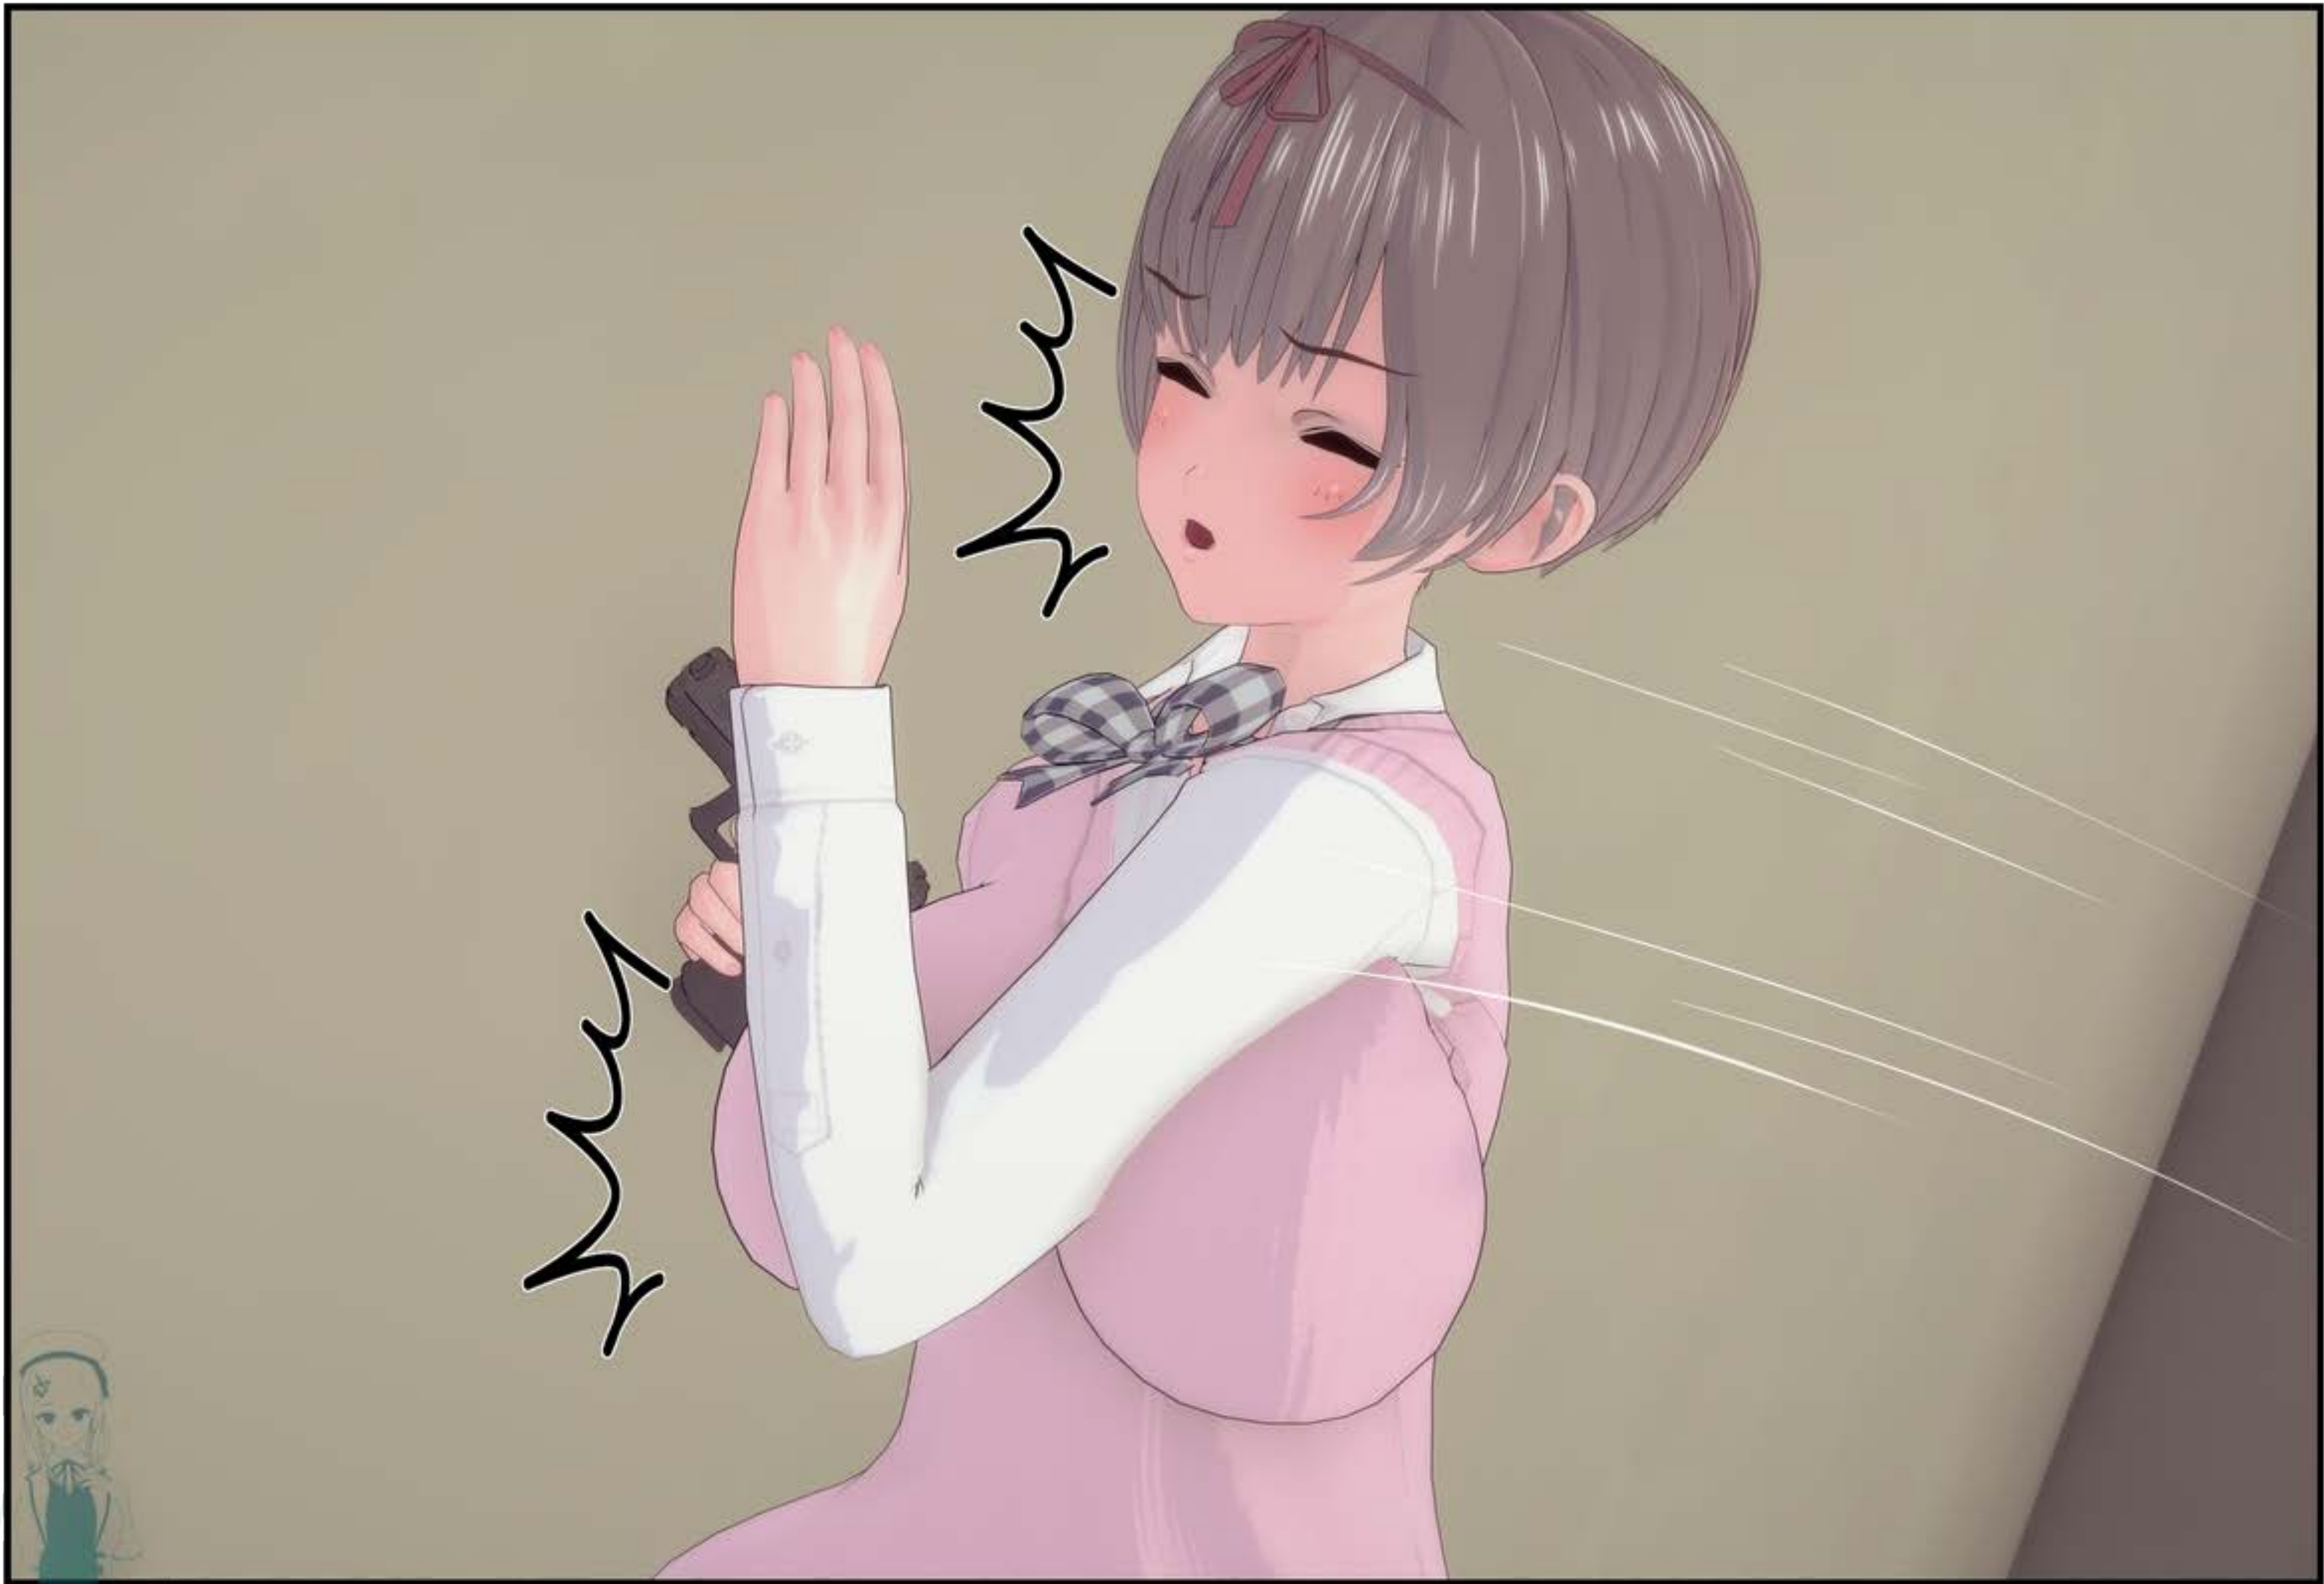

Kyyuuu...!!!

BANG

Hyyyyyaaaaaaa!!!!

하하

"That puch just now...
was powerful enough..."

H-Hey!!!

What are you still
doing out here!?
Didn't I cover for you
to run!?

"This was why the girl able to run into us while I absorb energy from Karina."

You are injured! Come with me to safety!

Actually...
I'm fine.

There are others
that I have to...

Those wound will
get infected if you
didn't get it bandaged!

Found you,
little mouse!!!

Bang

Bang

Ugh... He must have heard the gunshot.

I'm out of ammo...
Facing with someone
holding a rifle like this...

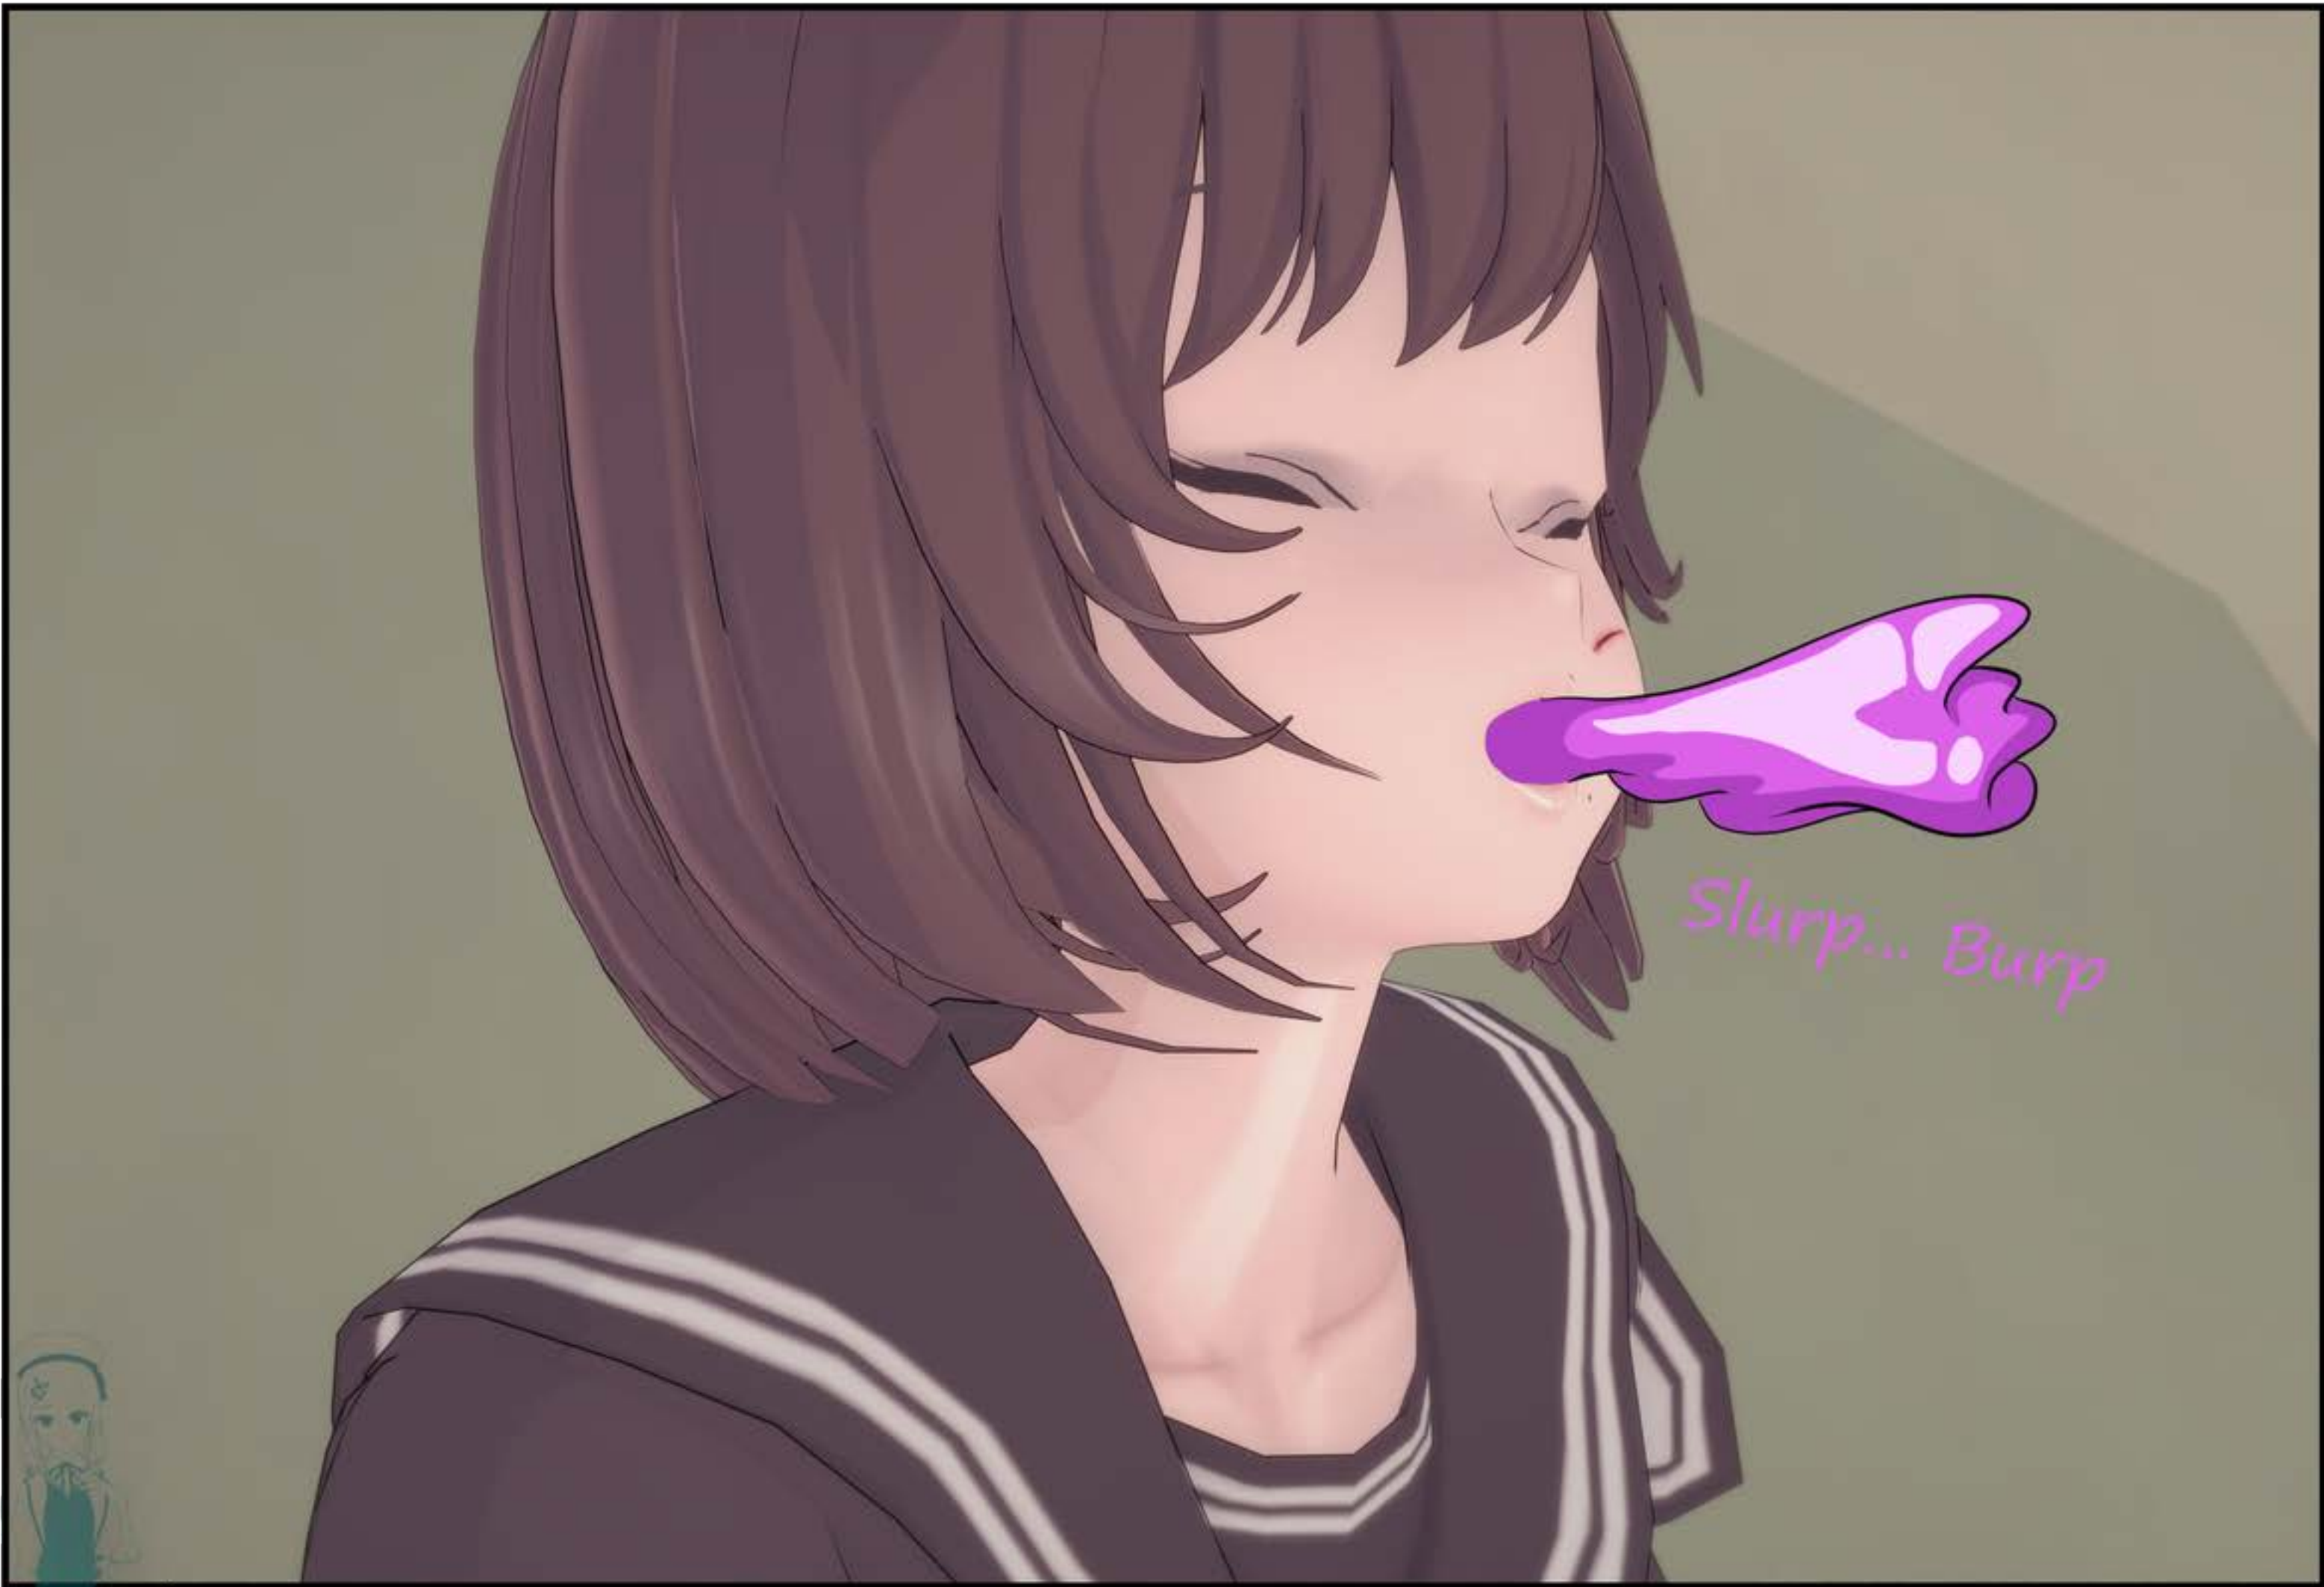

"Look like I and her
are in tight spot...
But there's still a way."

"Need to act fast as soon as I leave this body."

Slurp... Burp

Listen... I will distract
him, you find a place to...

T-This is...!!!

W-Wait...

Ugh... N-No...
How could it be...

Come out and I will give you a quick death...

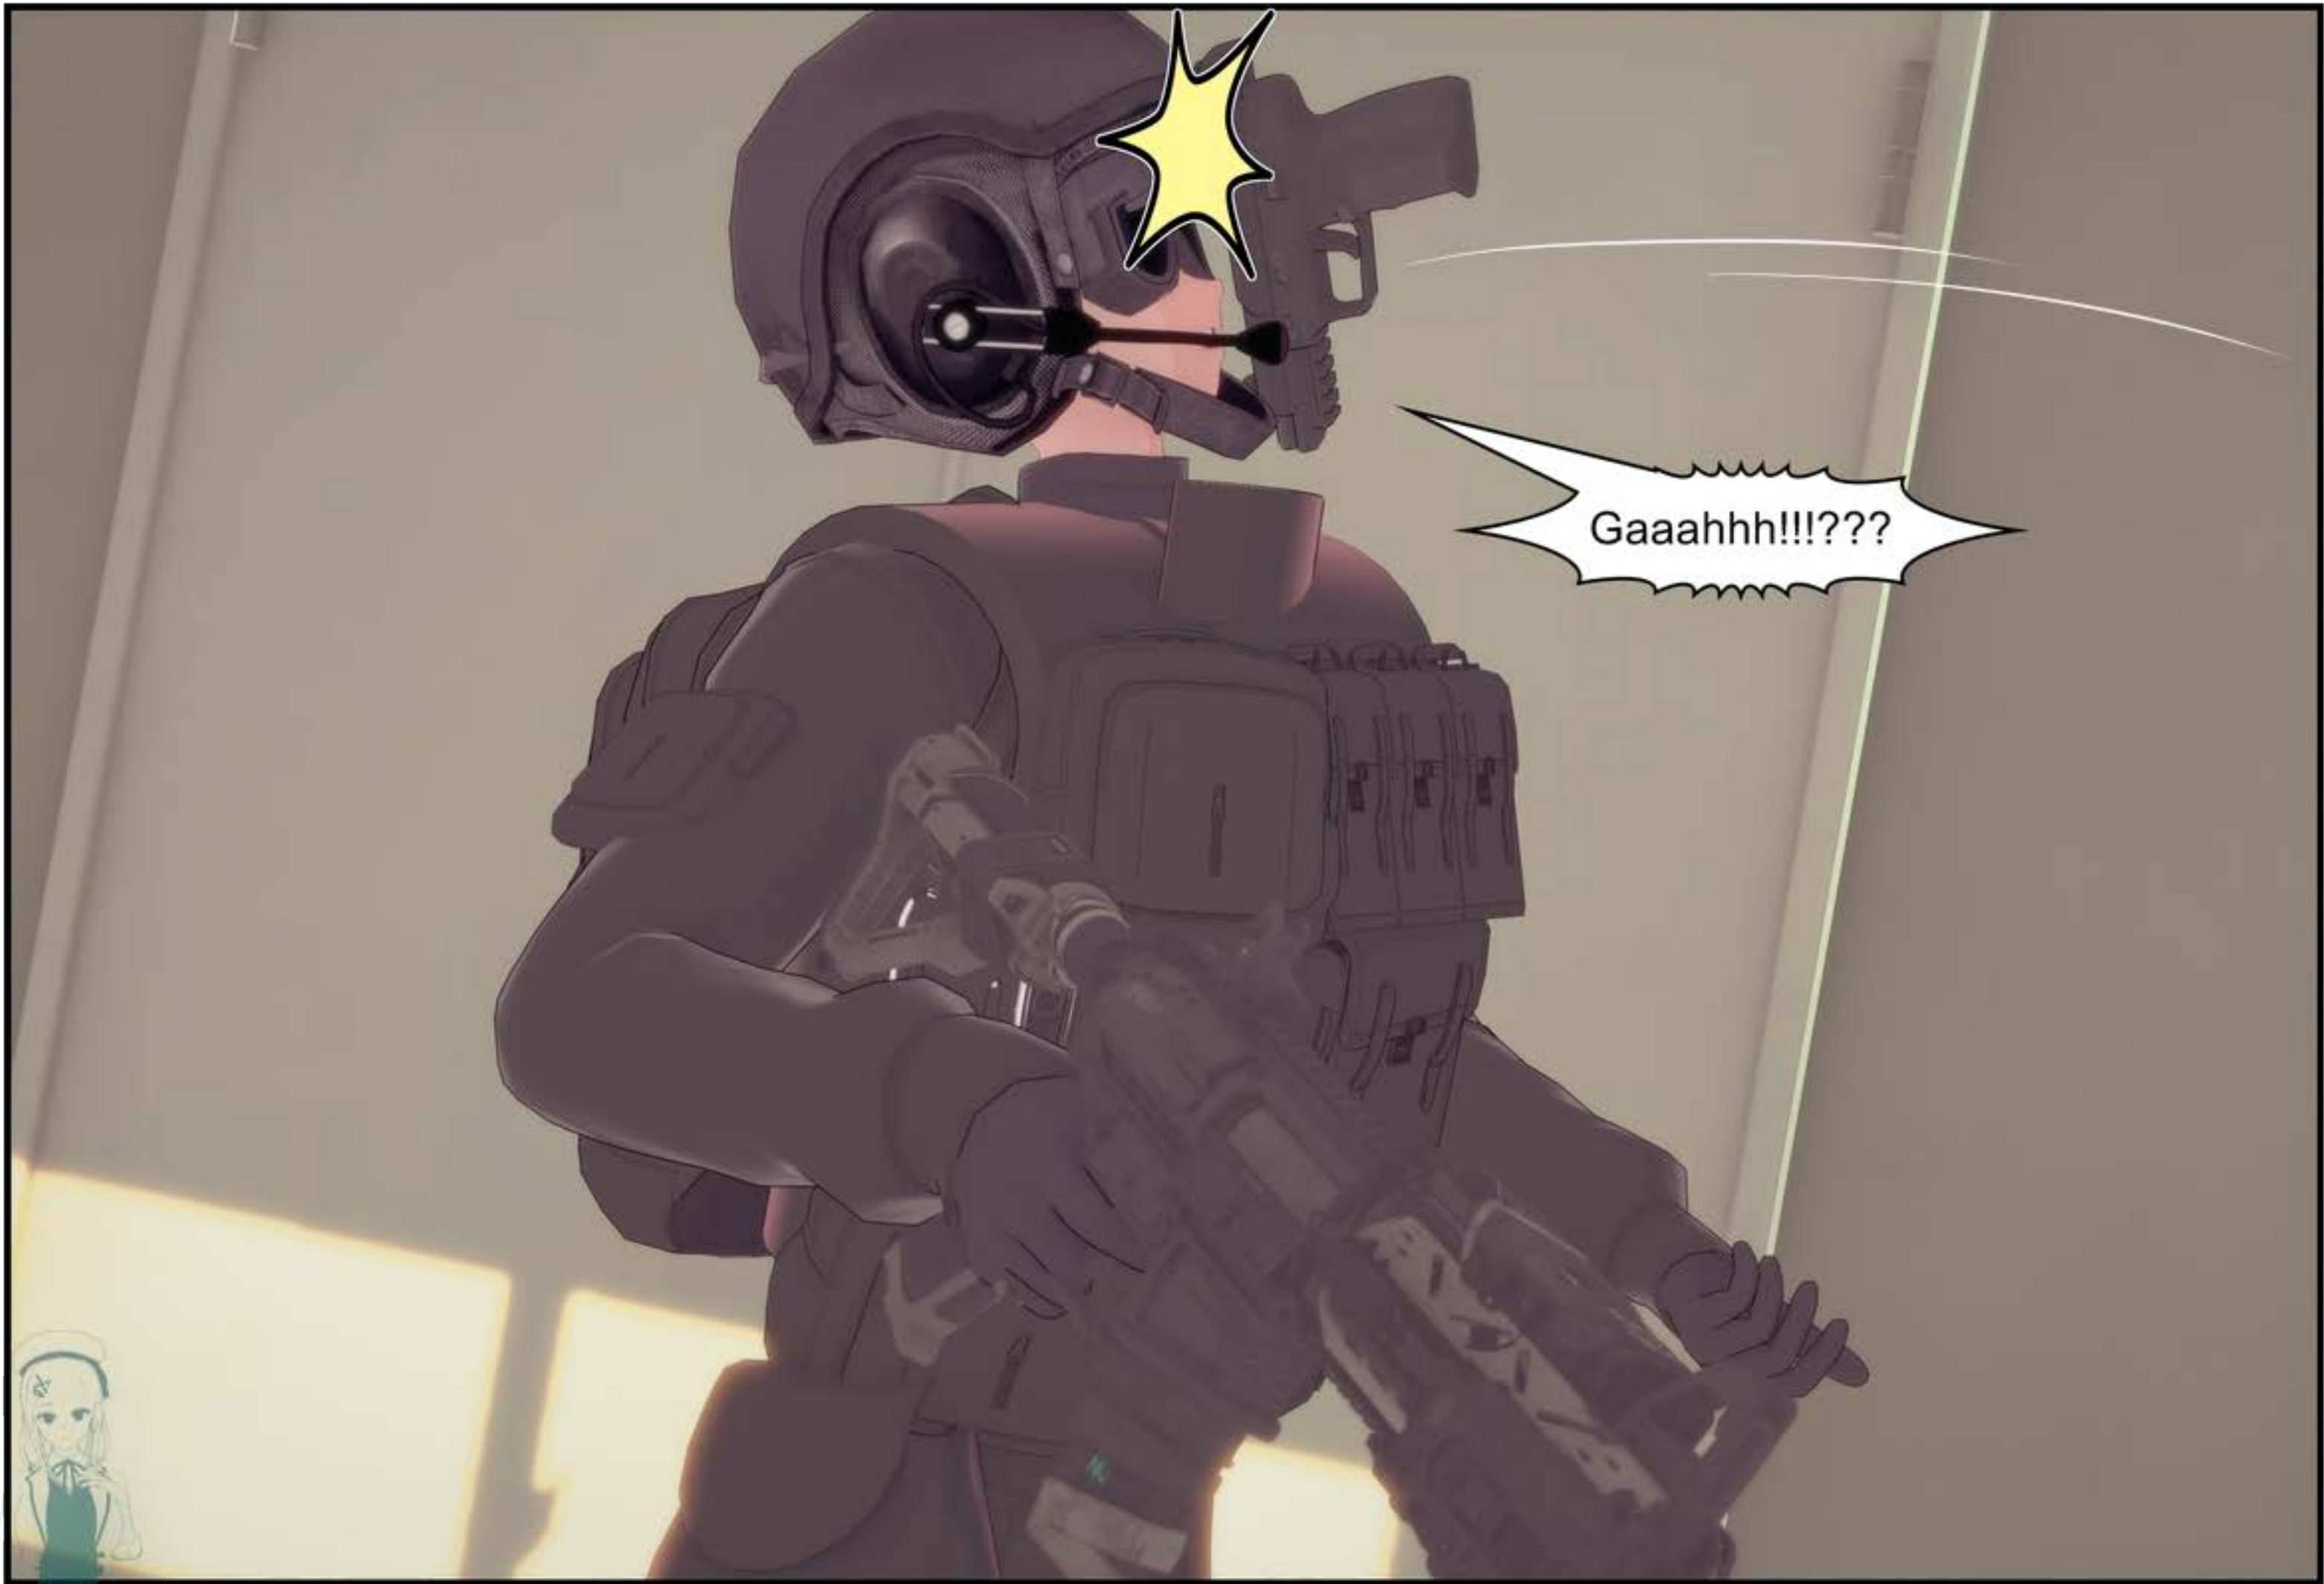

Stupid... Dare to approach me?

Gaaahhh!!!???

Darn you...

A woman with dark hair and red eyes, wearing a dark, long-sleeved suit with a high collar and a zipper down the front of the skirt, is kneeling on a light-colored floor. She is looking towards the viewer with a determined expression. Her right hand is extended forward, palm up, as if offering something. The background is a bright, sunlit room with shadows cast across the floor. A speech bubble is positioned near her hand.

Take this!!!

No... No... Wait!!!

"One down...
Took over Shizuko's
body and used her
techniques."

"However, that crazy girl will awake soon and other guy will come. I must leave the scene."

You are not...
getting away, Shinozaki...

Madam, do you copy?
I'm on the roof and
we have a problem.

*Woooo
Weeee*

*Woooo
Weeee*

The reinforcements
are here. Someone
contacted the outside.

"Arrive faster than
I calculated... Only
her can do this."

"I still can't believe
this was real..."

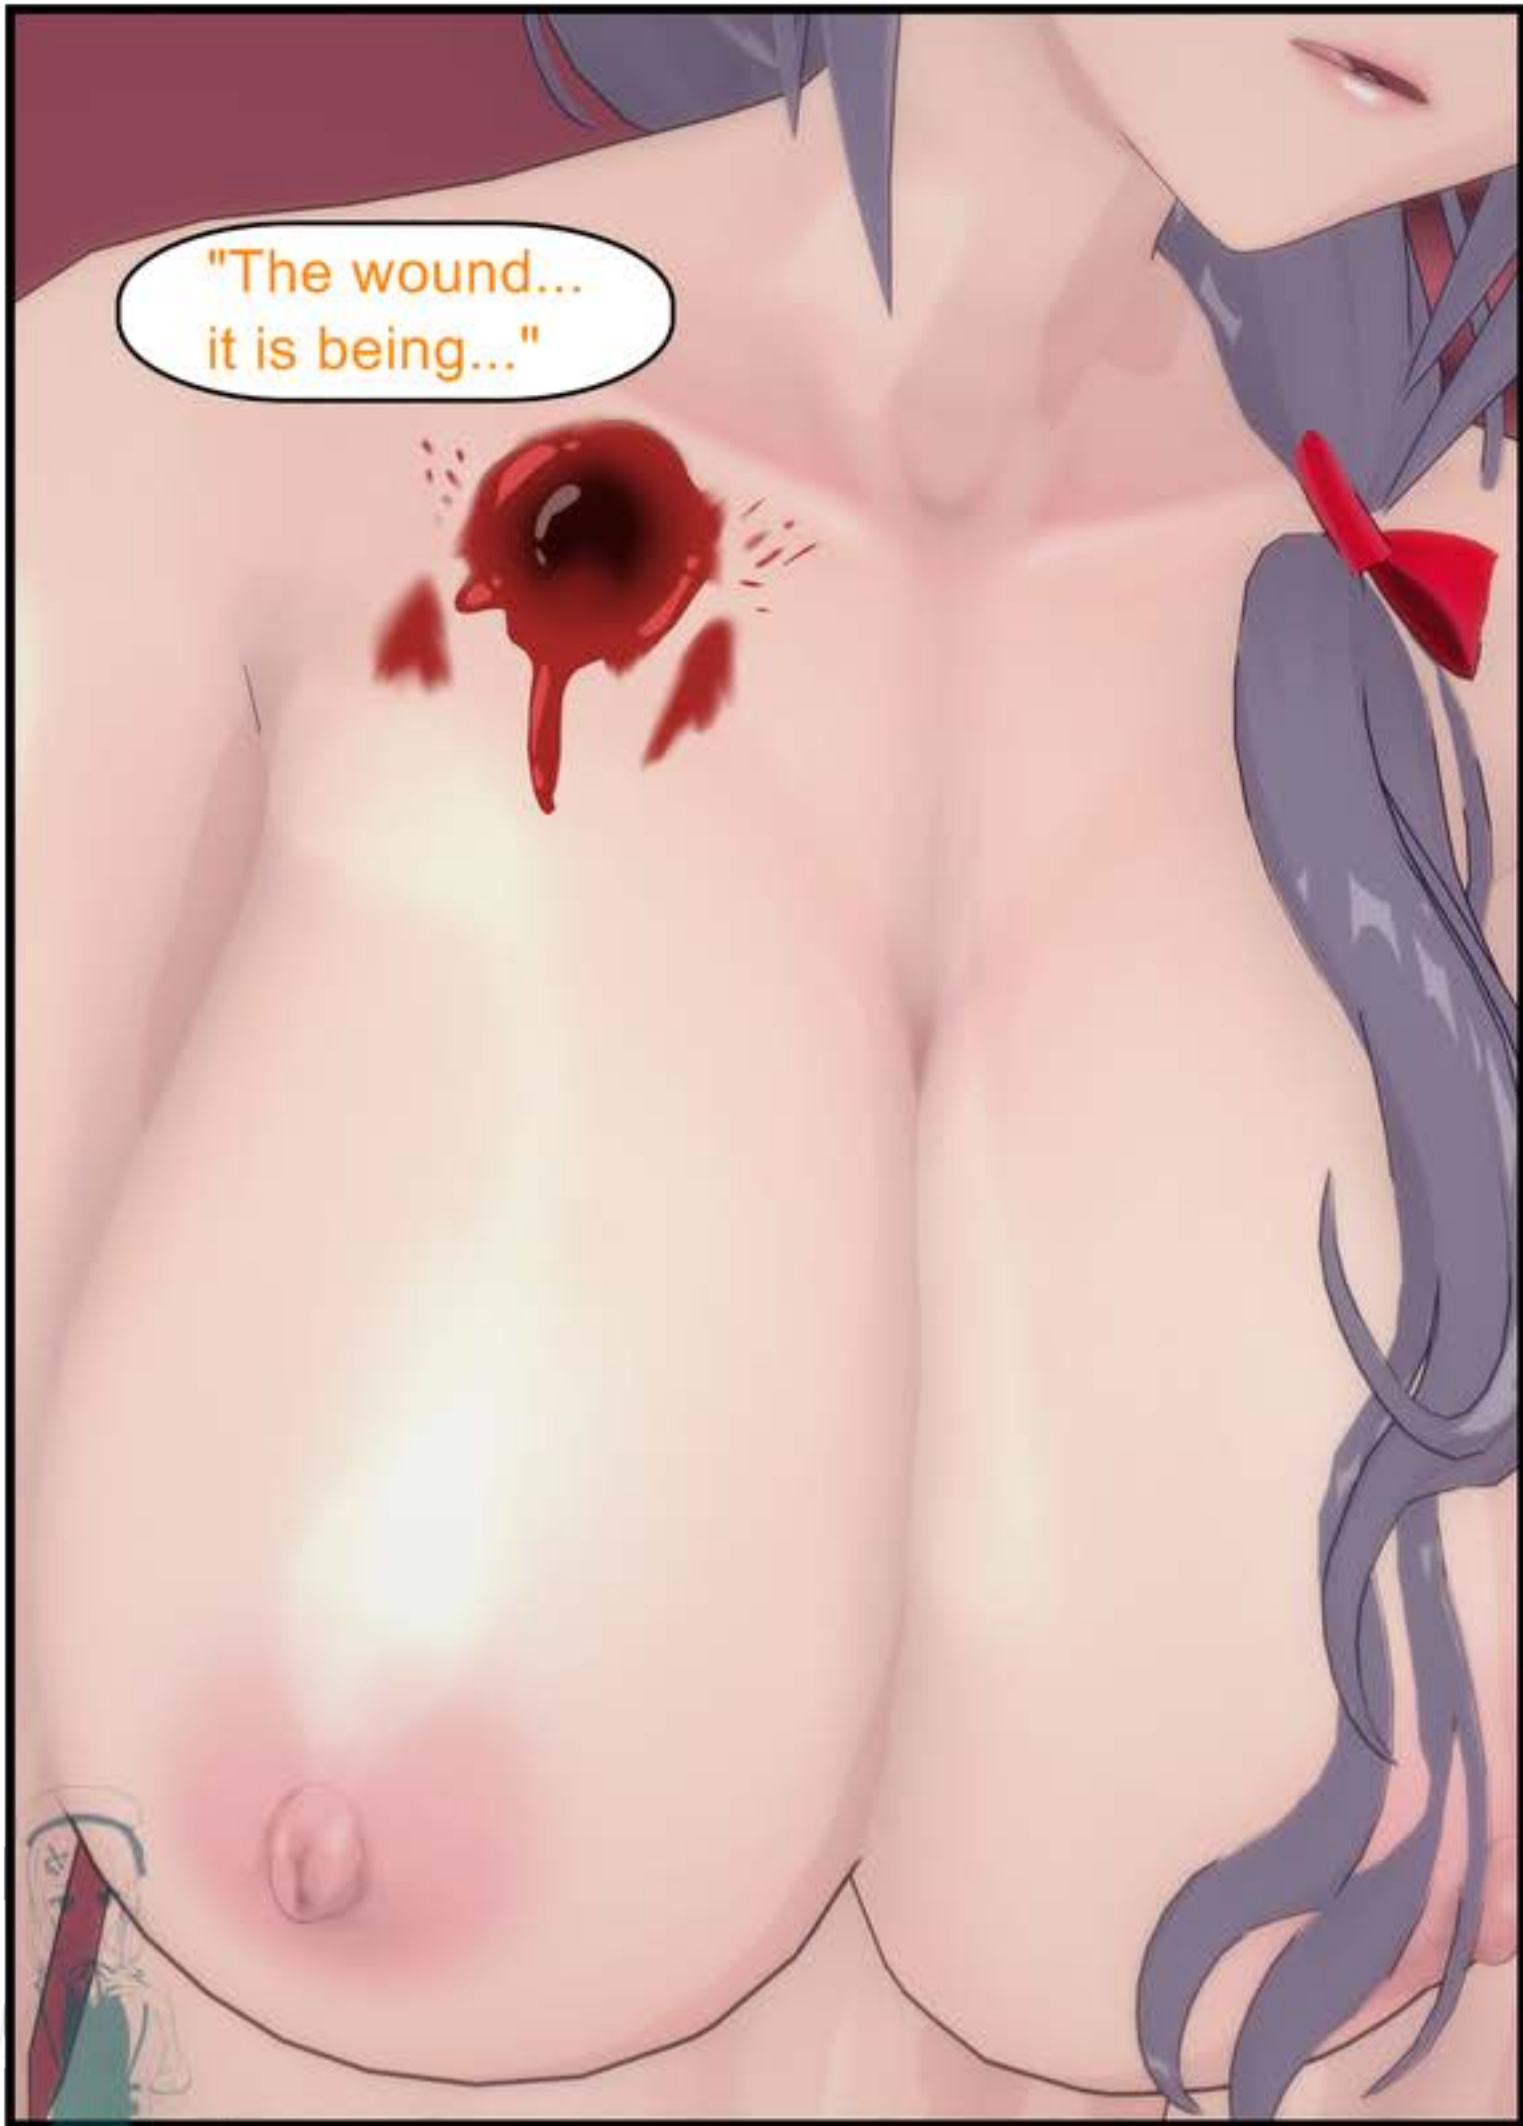

"Although she stopped bleeding... But how should I deal with a gunshot wound?"

W-What...?

"She's reacting in pain... I have to do something!"

S-Shizuko! You brought her back!

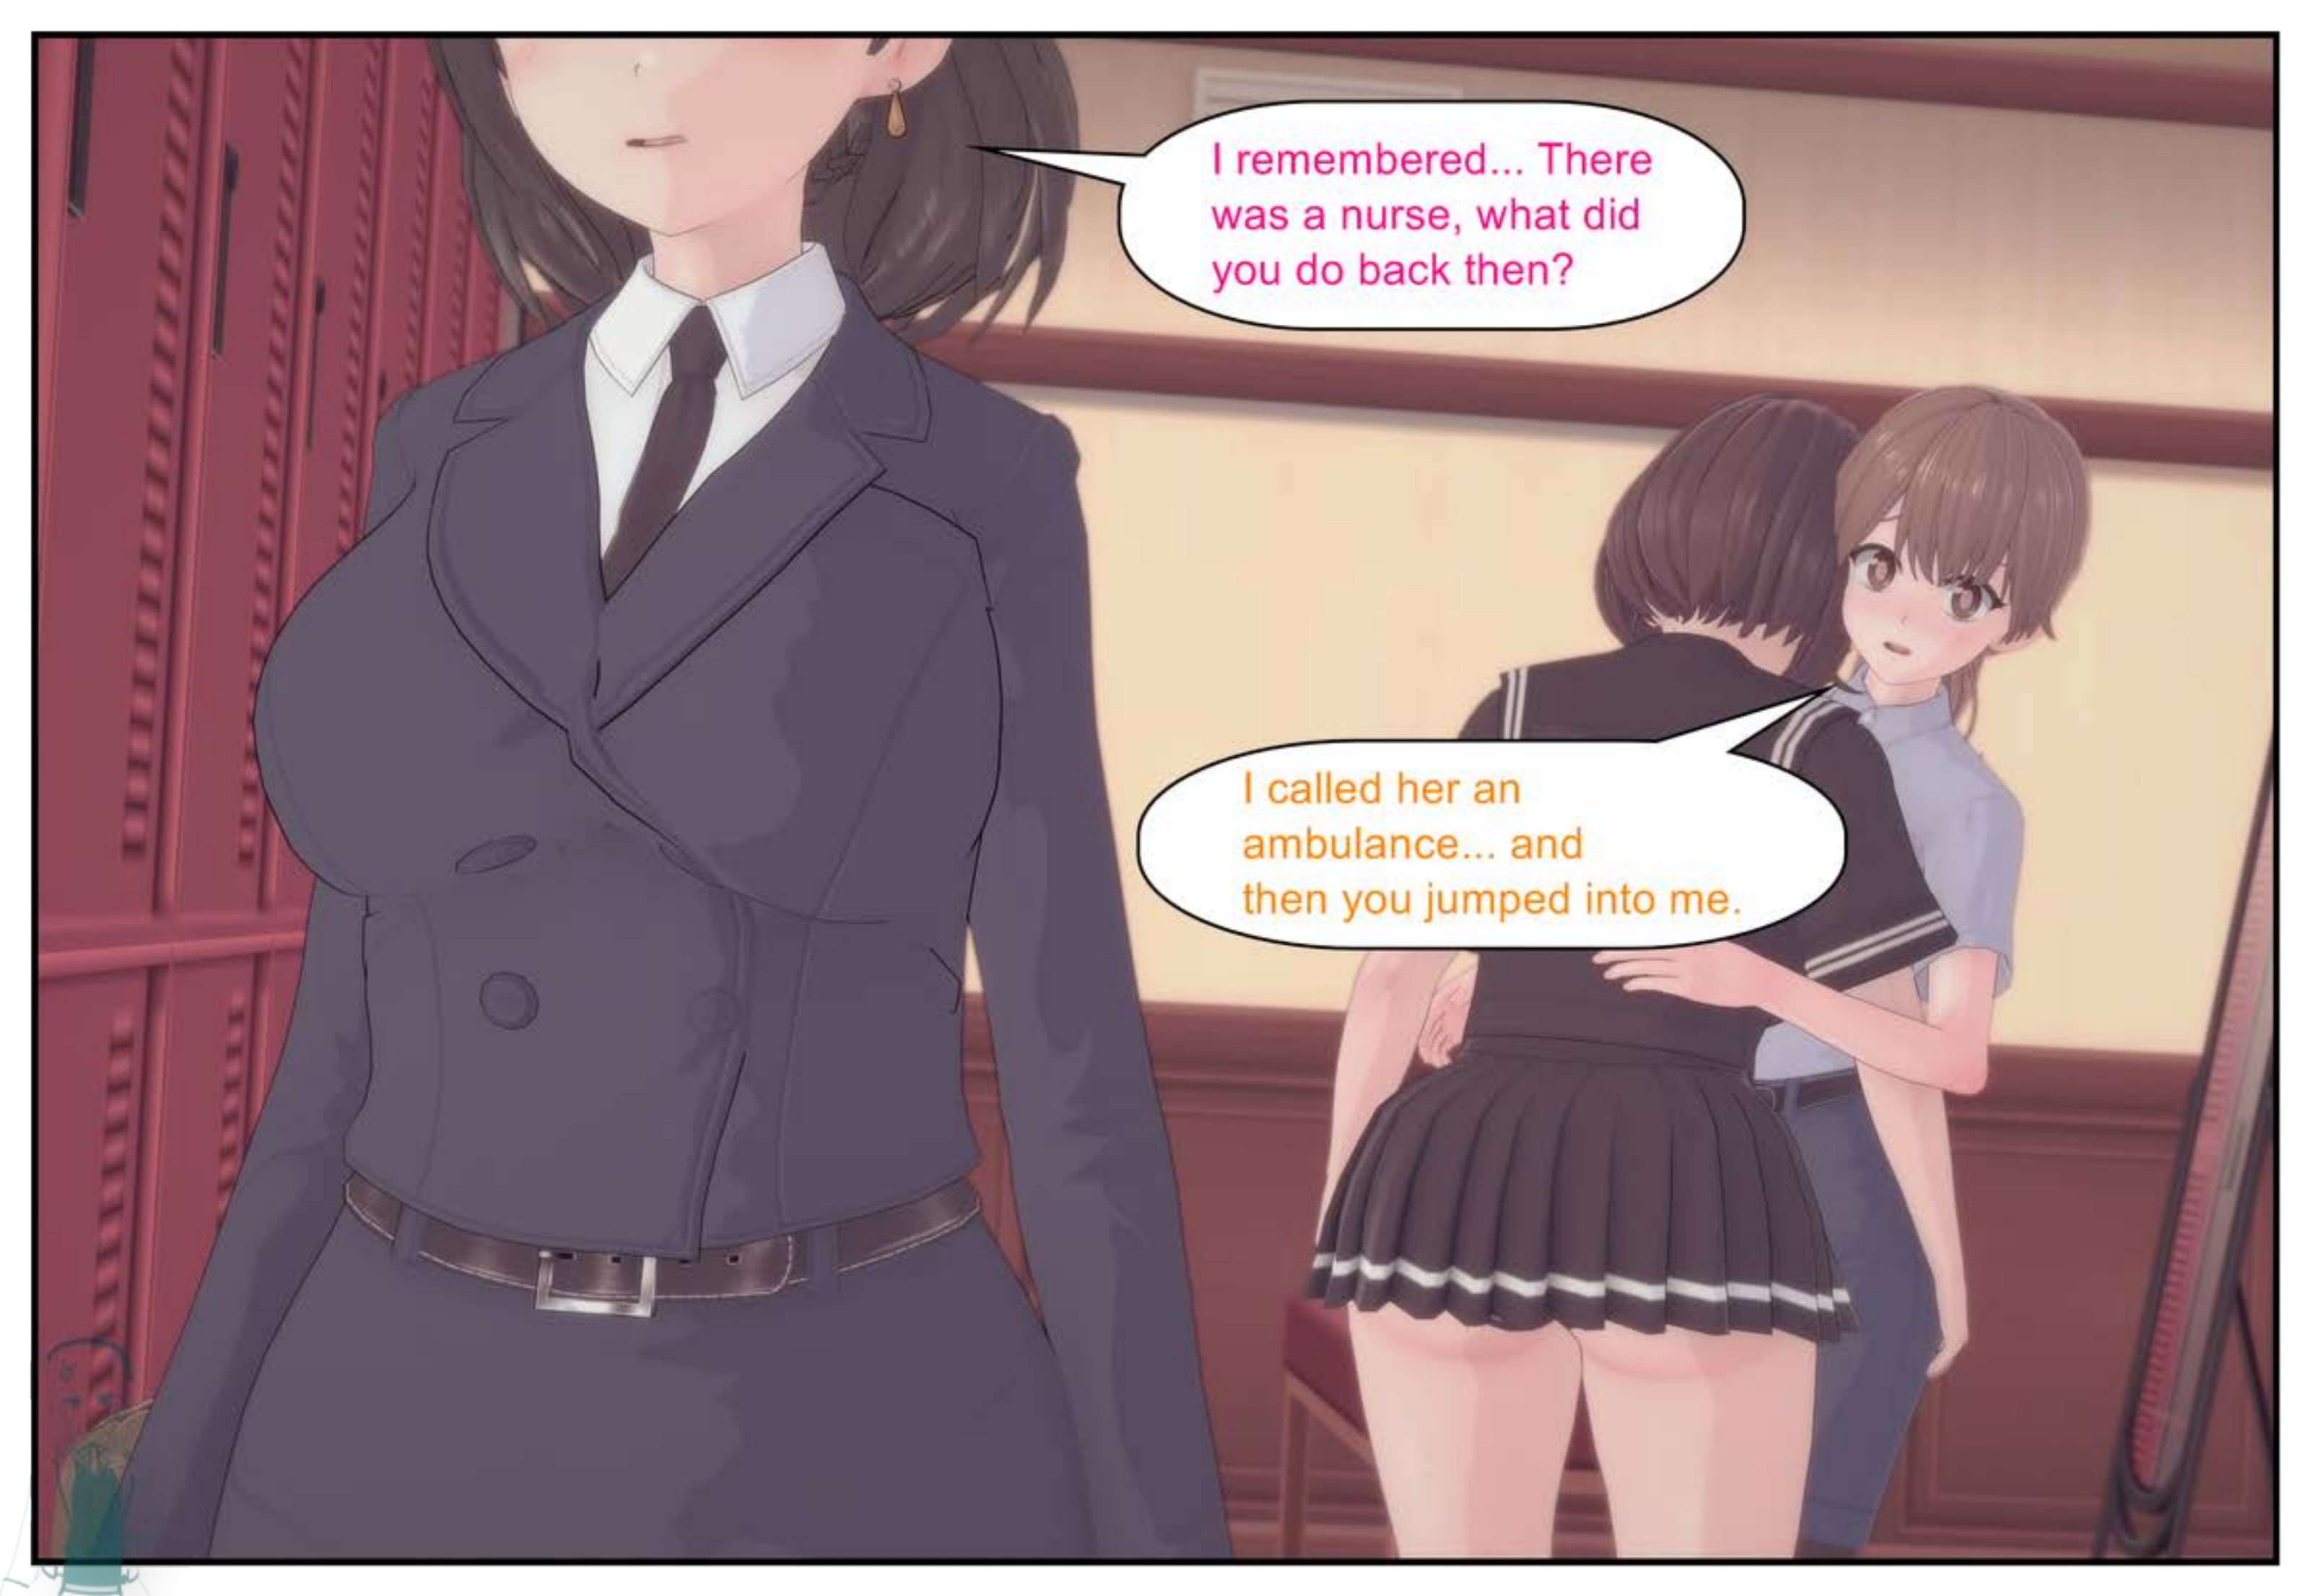

There's no time to explain! Help this girl for me, would you?

What happened?
Why were you took
over Shizuko's body?

Tell me, Karina!
The night that I met you...

I remembered... There was a nurse, what did you do back then?

I called her an ambulance... and then you jumped into me.

A young woman with short, dark, wavy hair and striking red eyes is shown in a locker room. She is wearing a dark grey blazer over a white collared shirt and a small, teardrop-shaped earring. She is looking slightly to her left with a neutral expression. The background consists of rows of red lockers. One locker door is open, revealing a light-colored jacket and a plaid skirt hanging inside. A speech bubble is positioned to her left, containing text.

I see. Now, I will leave everything here to you and Shizuko.

I have elsewhere
that I need to be.

W-Wait!!! There's
something I want
you to see...

Ah... He left
so fast...

"Hm...? Isn't that...
police siren?"

*Wooooo

*Wooooo

What's going on in there? Terrorist?

I heard many loud noise and screaming...

People said they found a dead officer at the door...

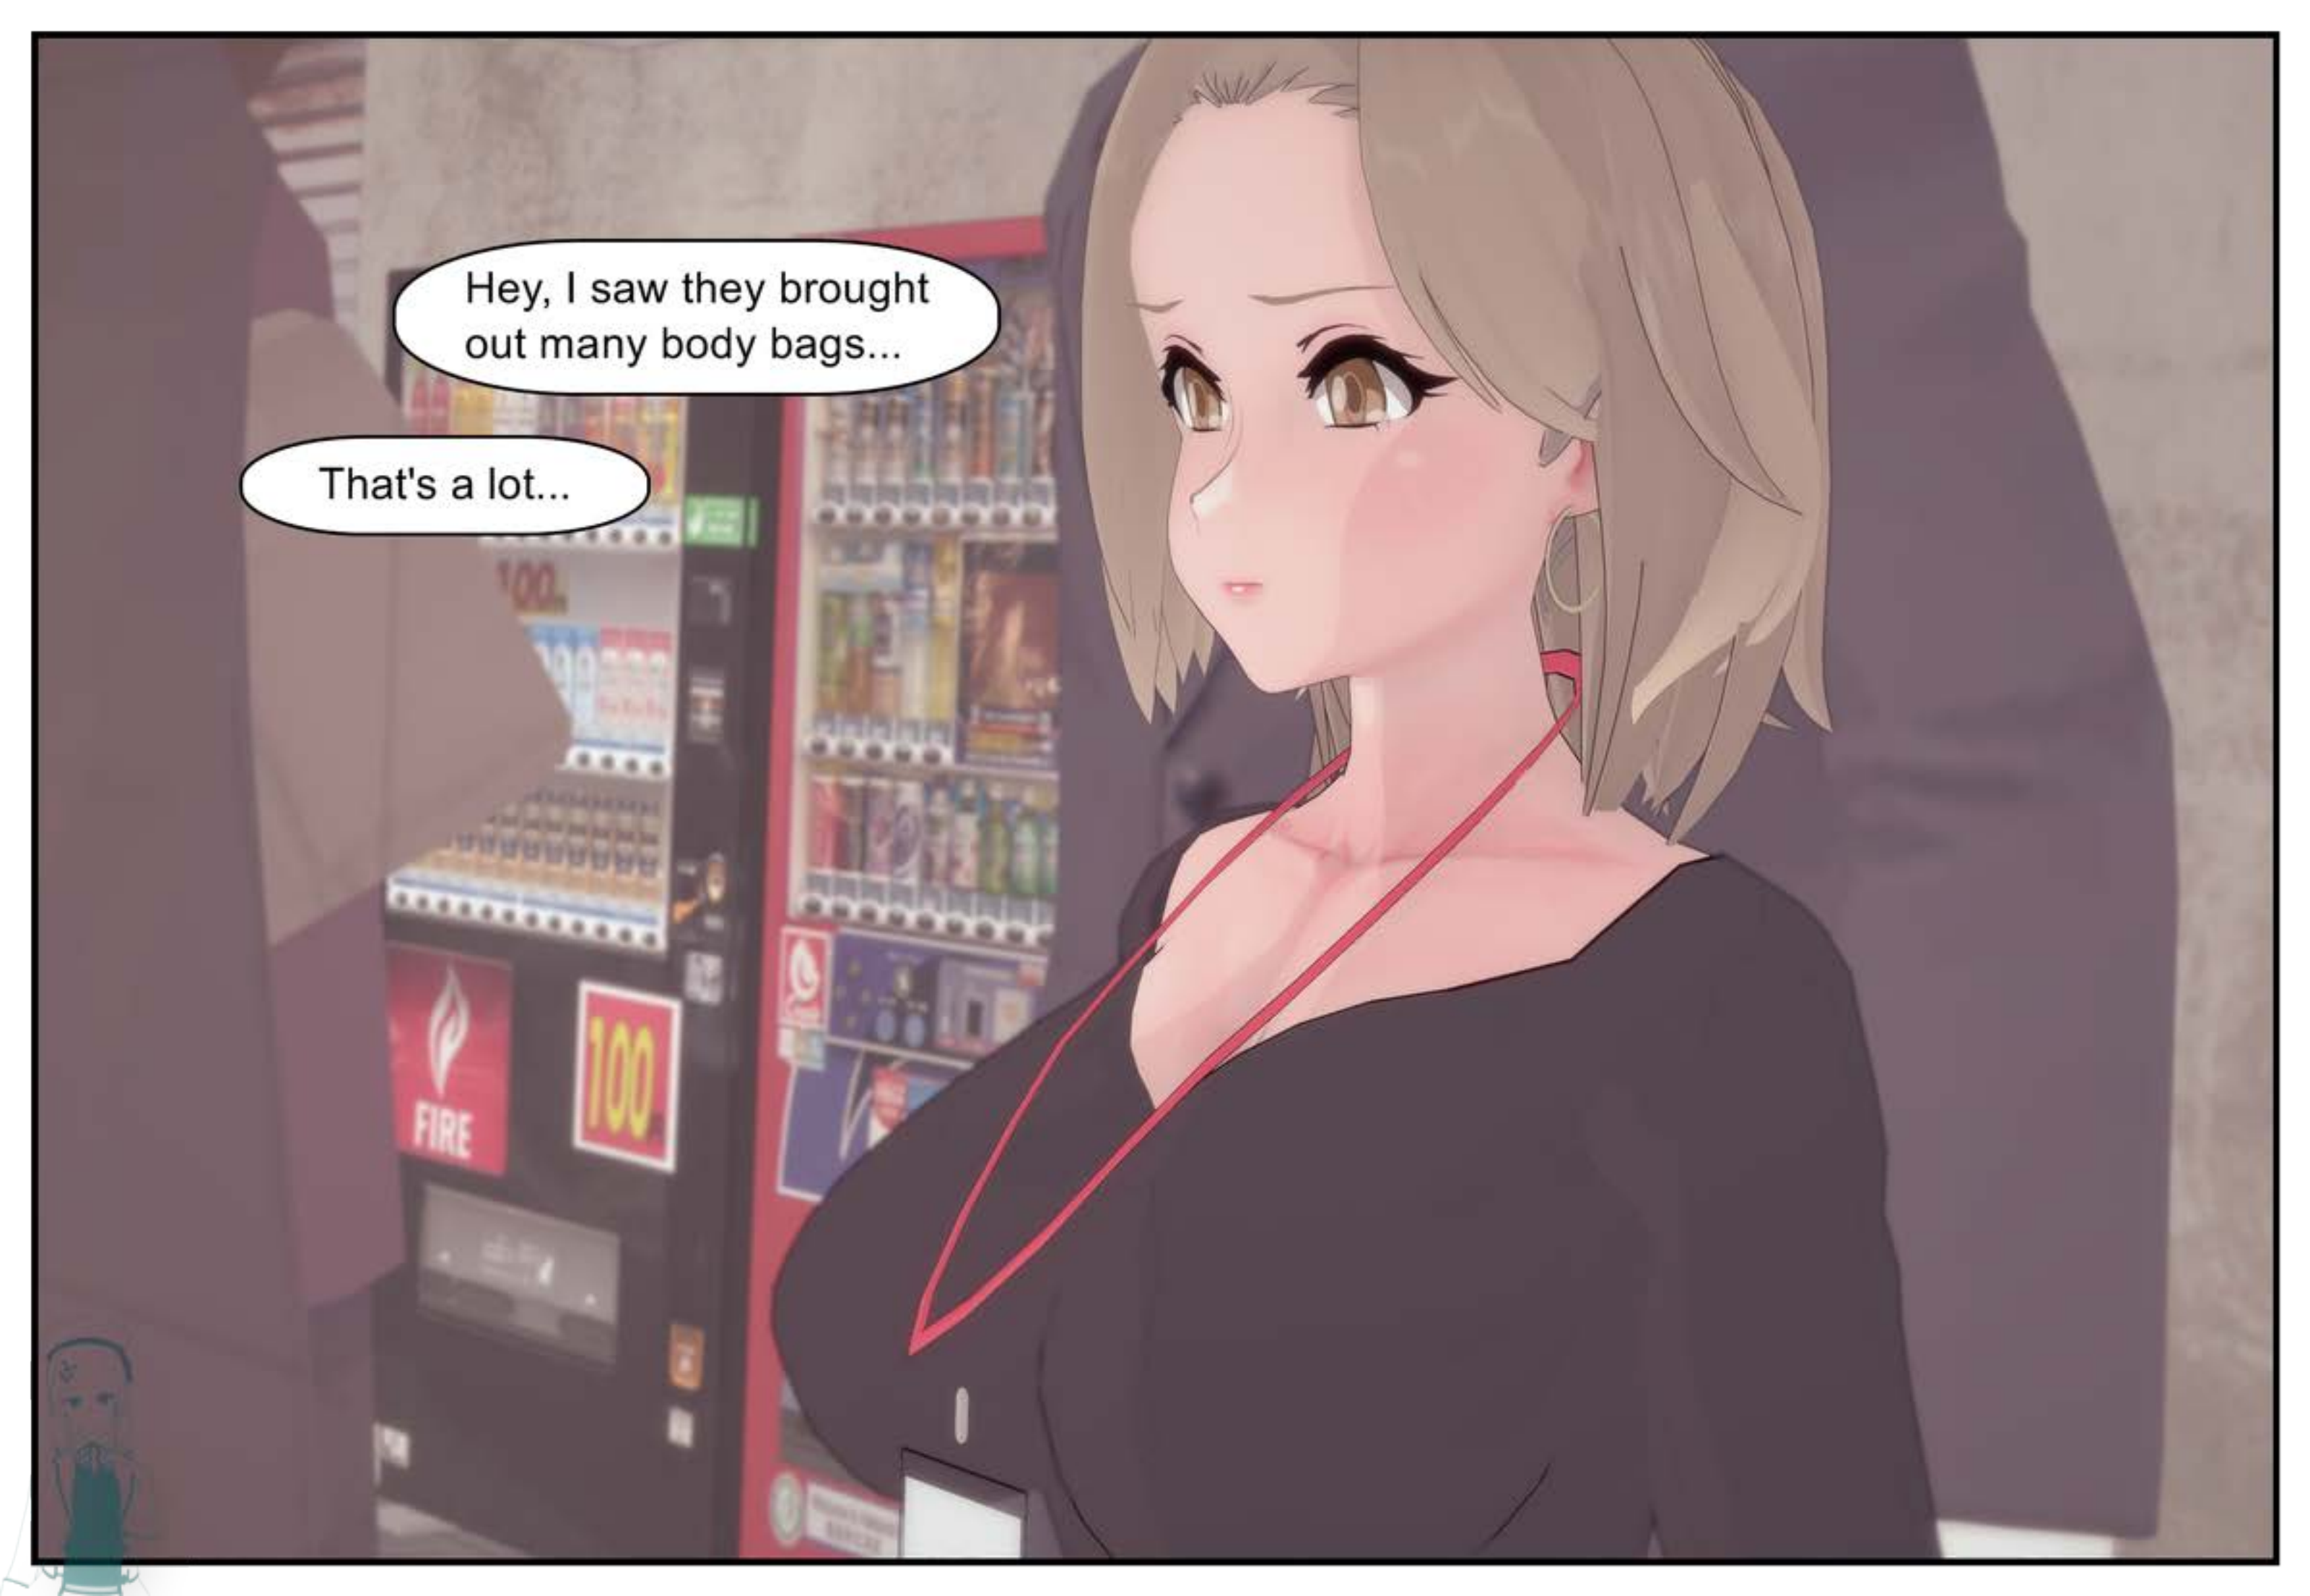

What a tragic...

I saw heavily armed police
already entered the scene...

"Takami... Please tell me that a Police Chief like you will be okay."

Hey, I saw they brought out many body bags...

That's a lot...

W-What is...?

Miyu

Hand-drawn white scribbles on the left side of the frame.

Hand-drawn white scribbles on the right side of the frame.

M-Miss...?

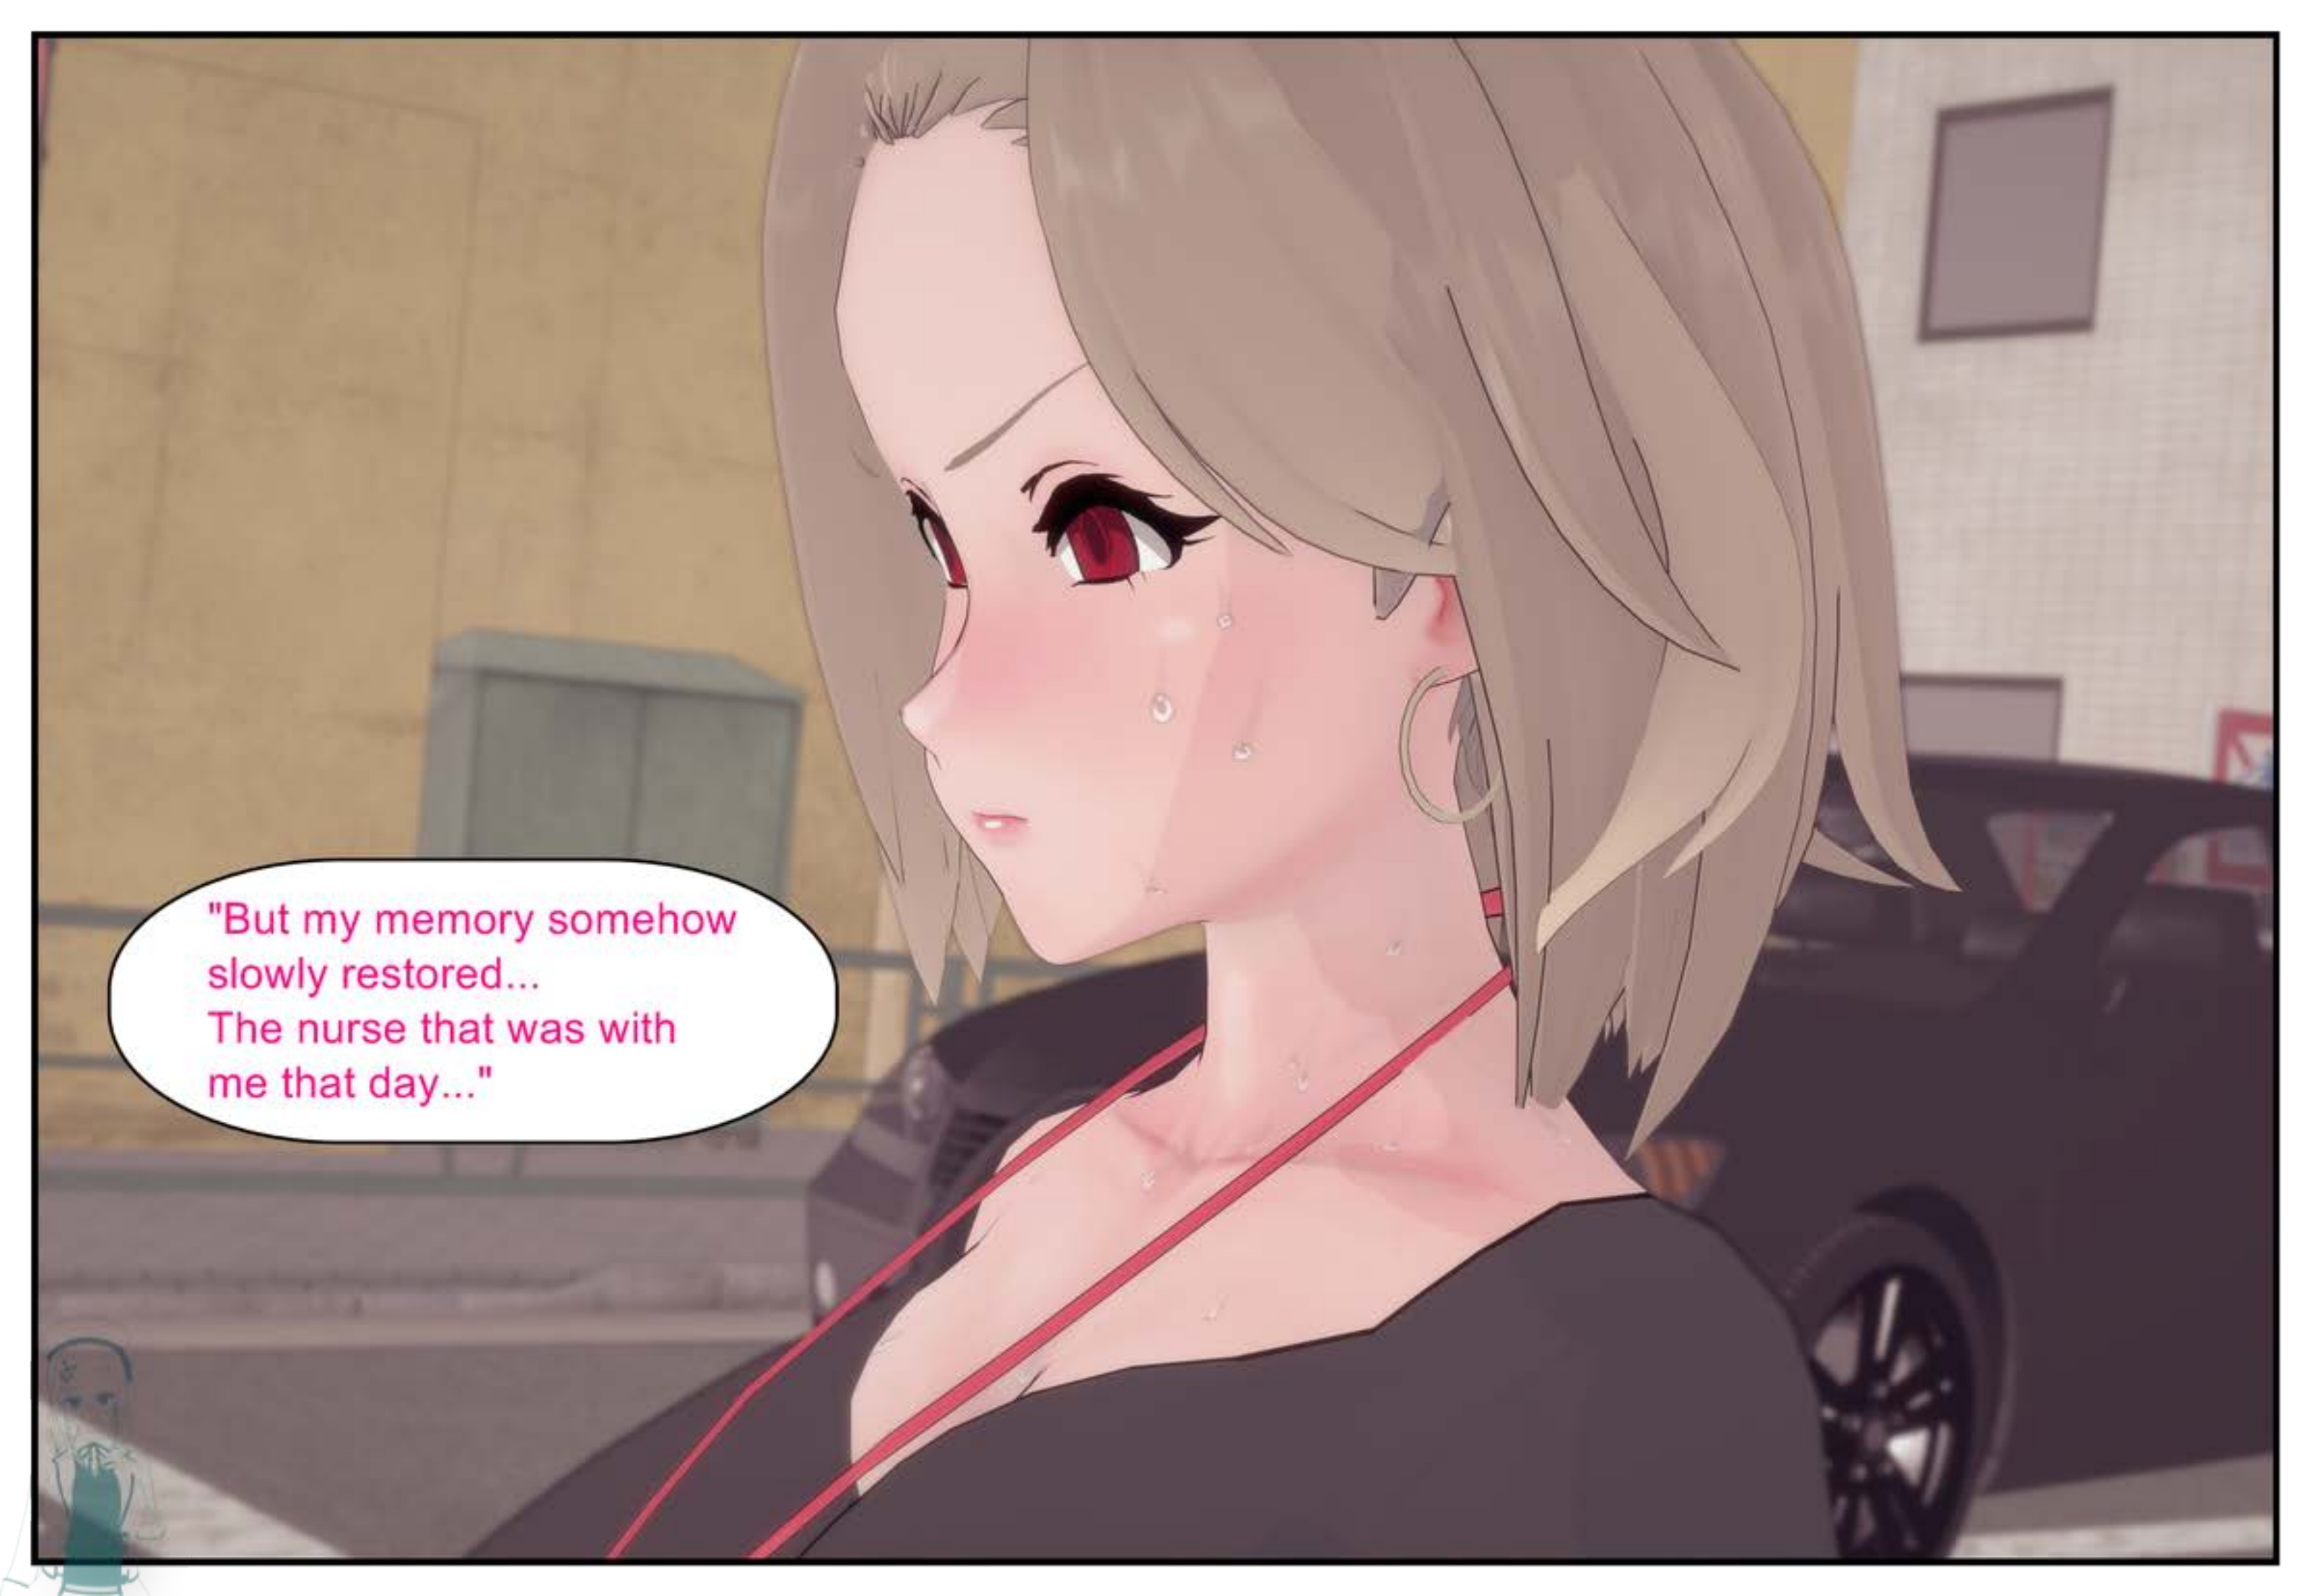

Miss? Are you
doing good?

Thanks, but
I'm fine.

"I didn't get what I wanted at the police station. Even more, because of me that this massacre happened."

"But my memory somehow slowly restored...
The nurse that was with me that day..."

This afternoon, a police station was attacked by a group of armed terrorist...

A woman in a grey dress and black heels is walking on a red carpet. She is seen from the waist down, with her hands at her sides. The carpet is a deep red color, and the floor is a light grey. The scene is set in a hallway with a white railing on the left and a dark doorway on the right.

**A few were lucky to be
rescued by the enforcement.
Reported many deaths... of
civillians and officers.**

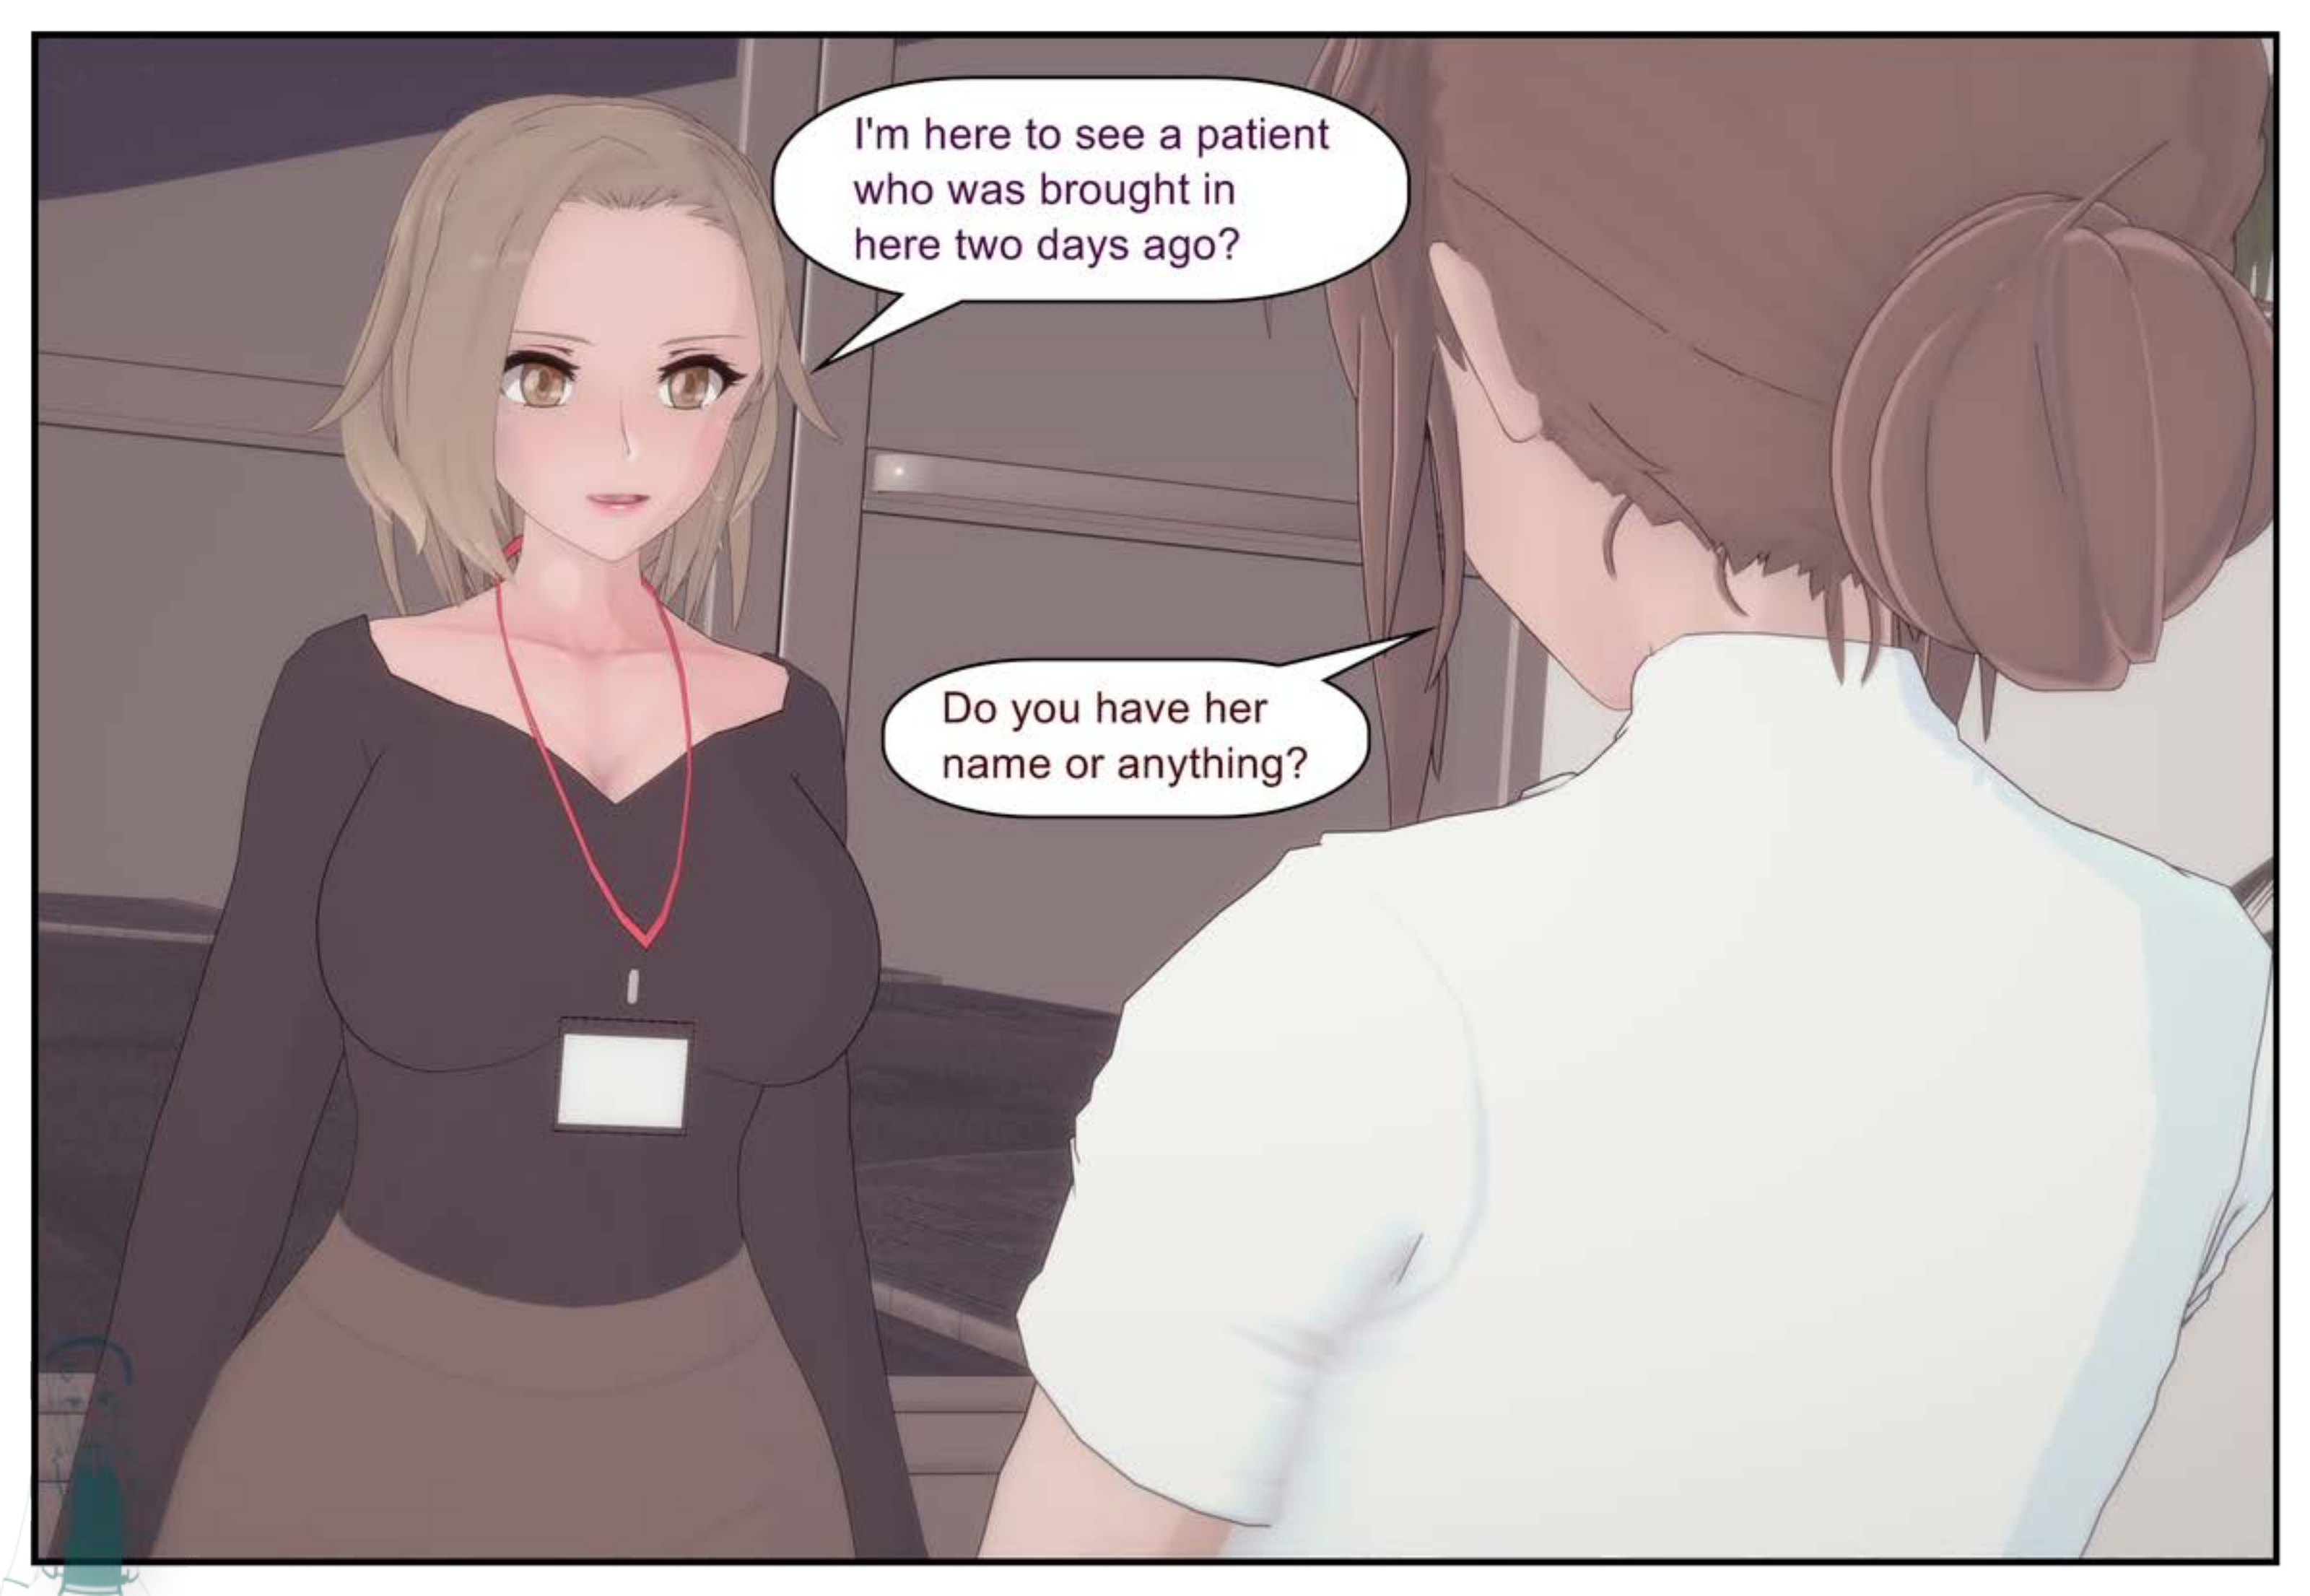

More updates will be provided soon...

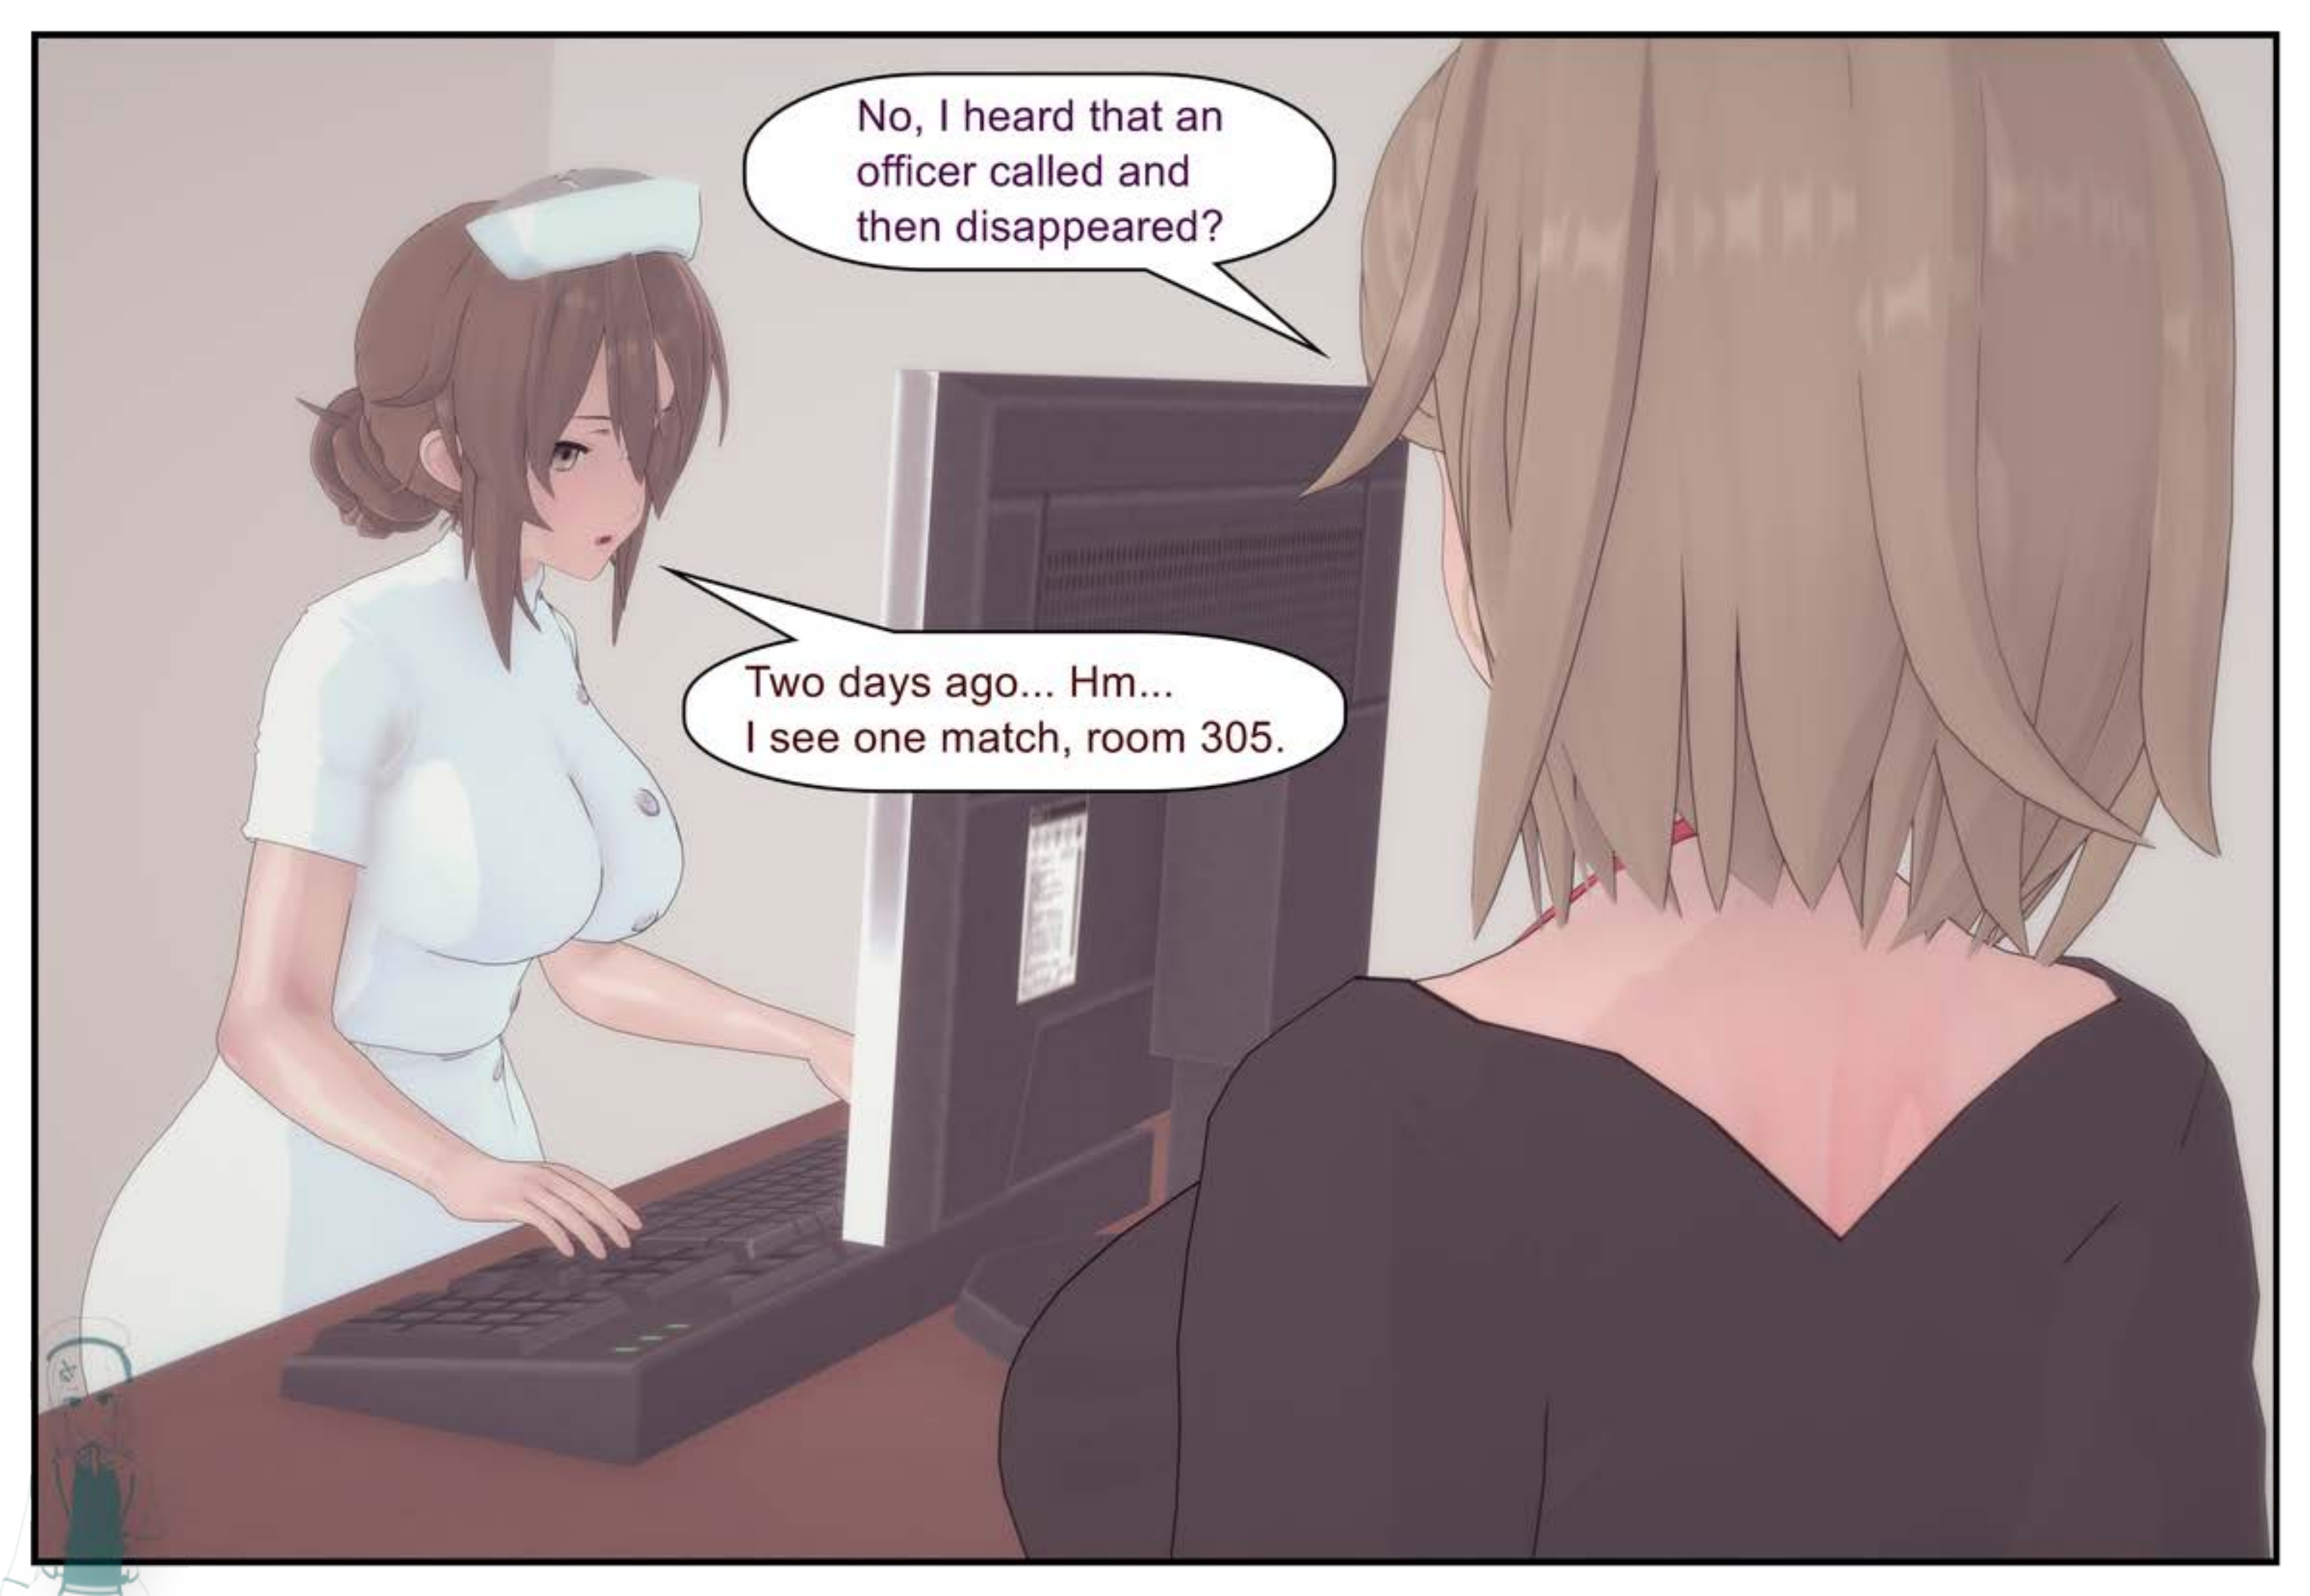

Excuse me?

I'm here to see a patient
who was brought in
here two days ago?

Do you have her
name or anything?

No, I heard that an officer called and then disappeared?

Two days ago... Hm...
I see one match, room 305.

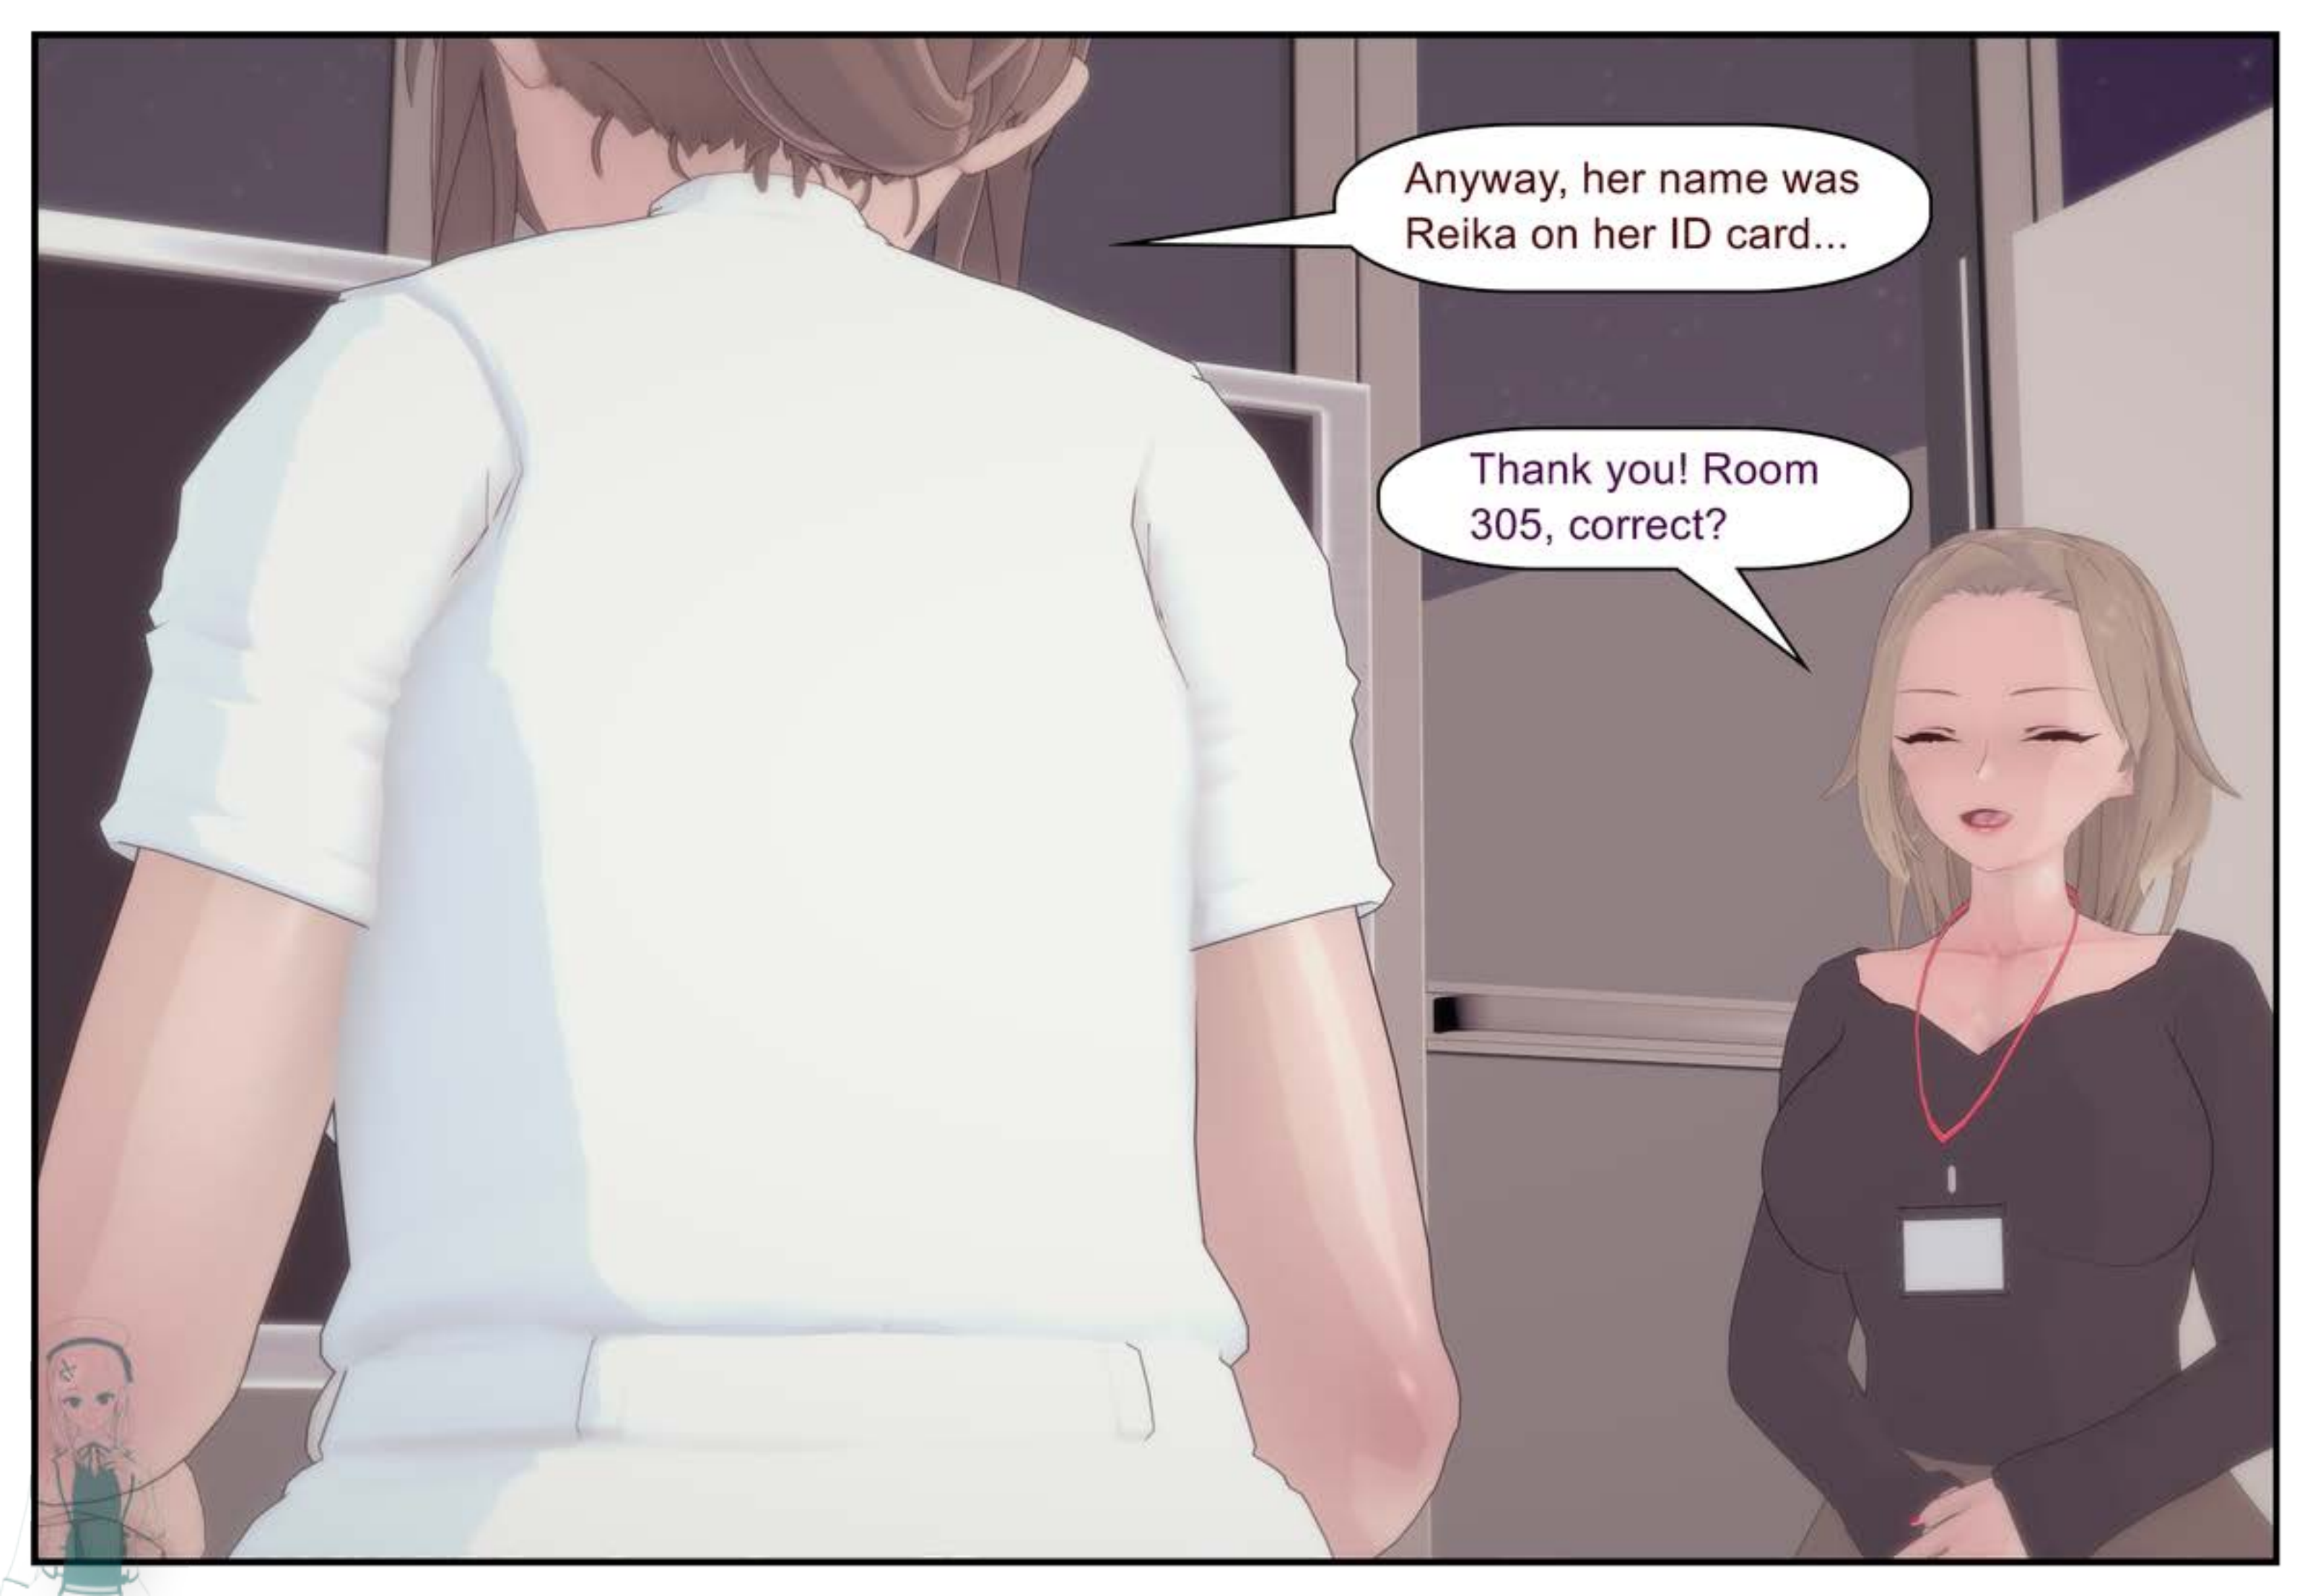

May I ask that are you her family or relatives?

She was my partner at work. I represent for everyone to visit her.

"Partner...? That patient was dressing as a nurse, if I remember. Also, she can't provide the patient's name."

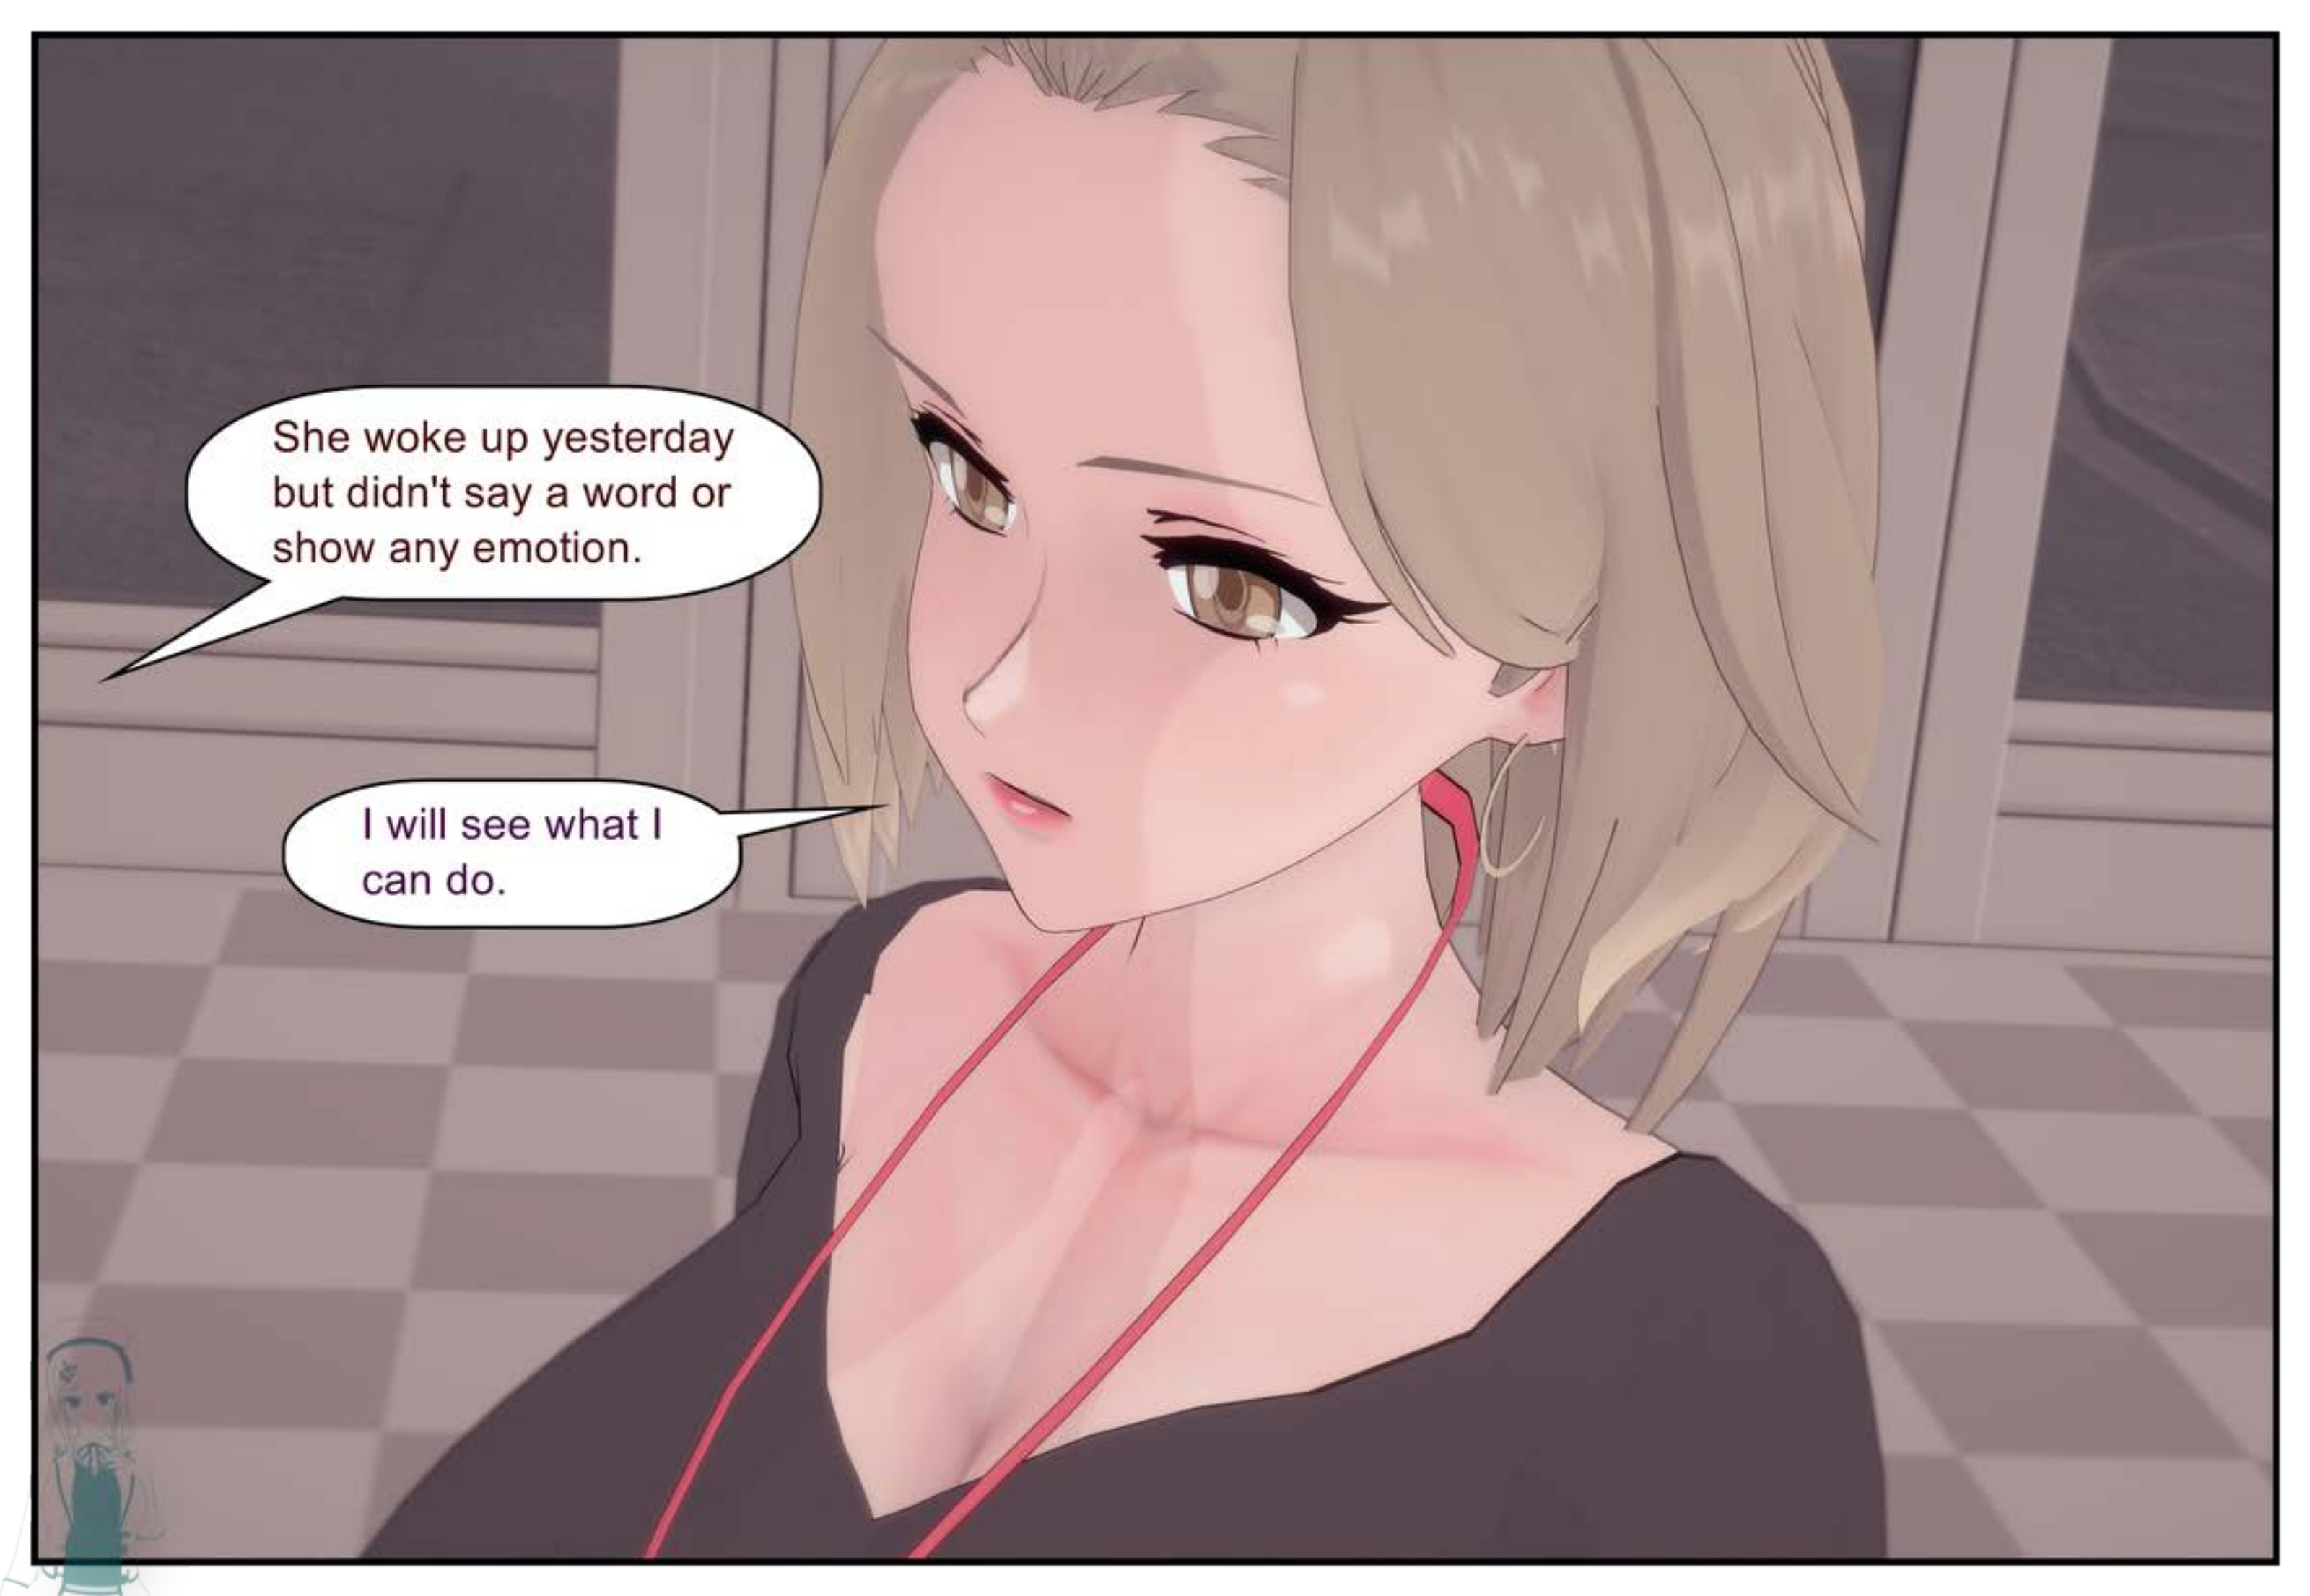

A manga-style illustration showing a woman in a white short-sleeved shirt from behind, talking to a woman in a black long-sleeved top with an ID card. The woman in black has blonde hair and is smiling. The background is a simple indoor setting with a door.

Anyway, her name was Reika on her ID card...

Thank you! Room 305, correct?

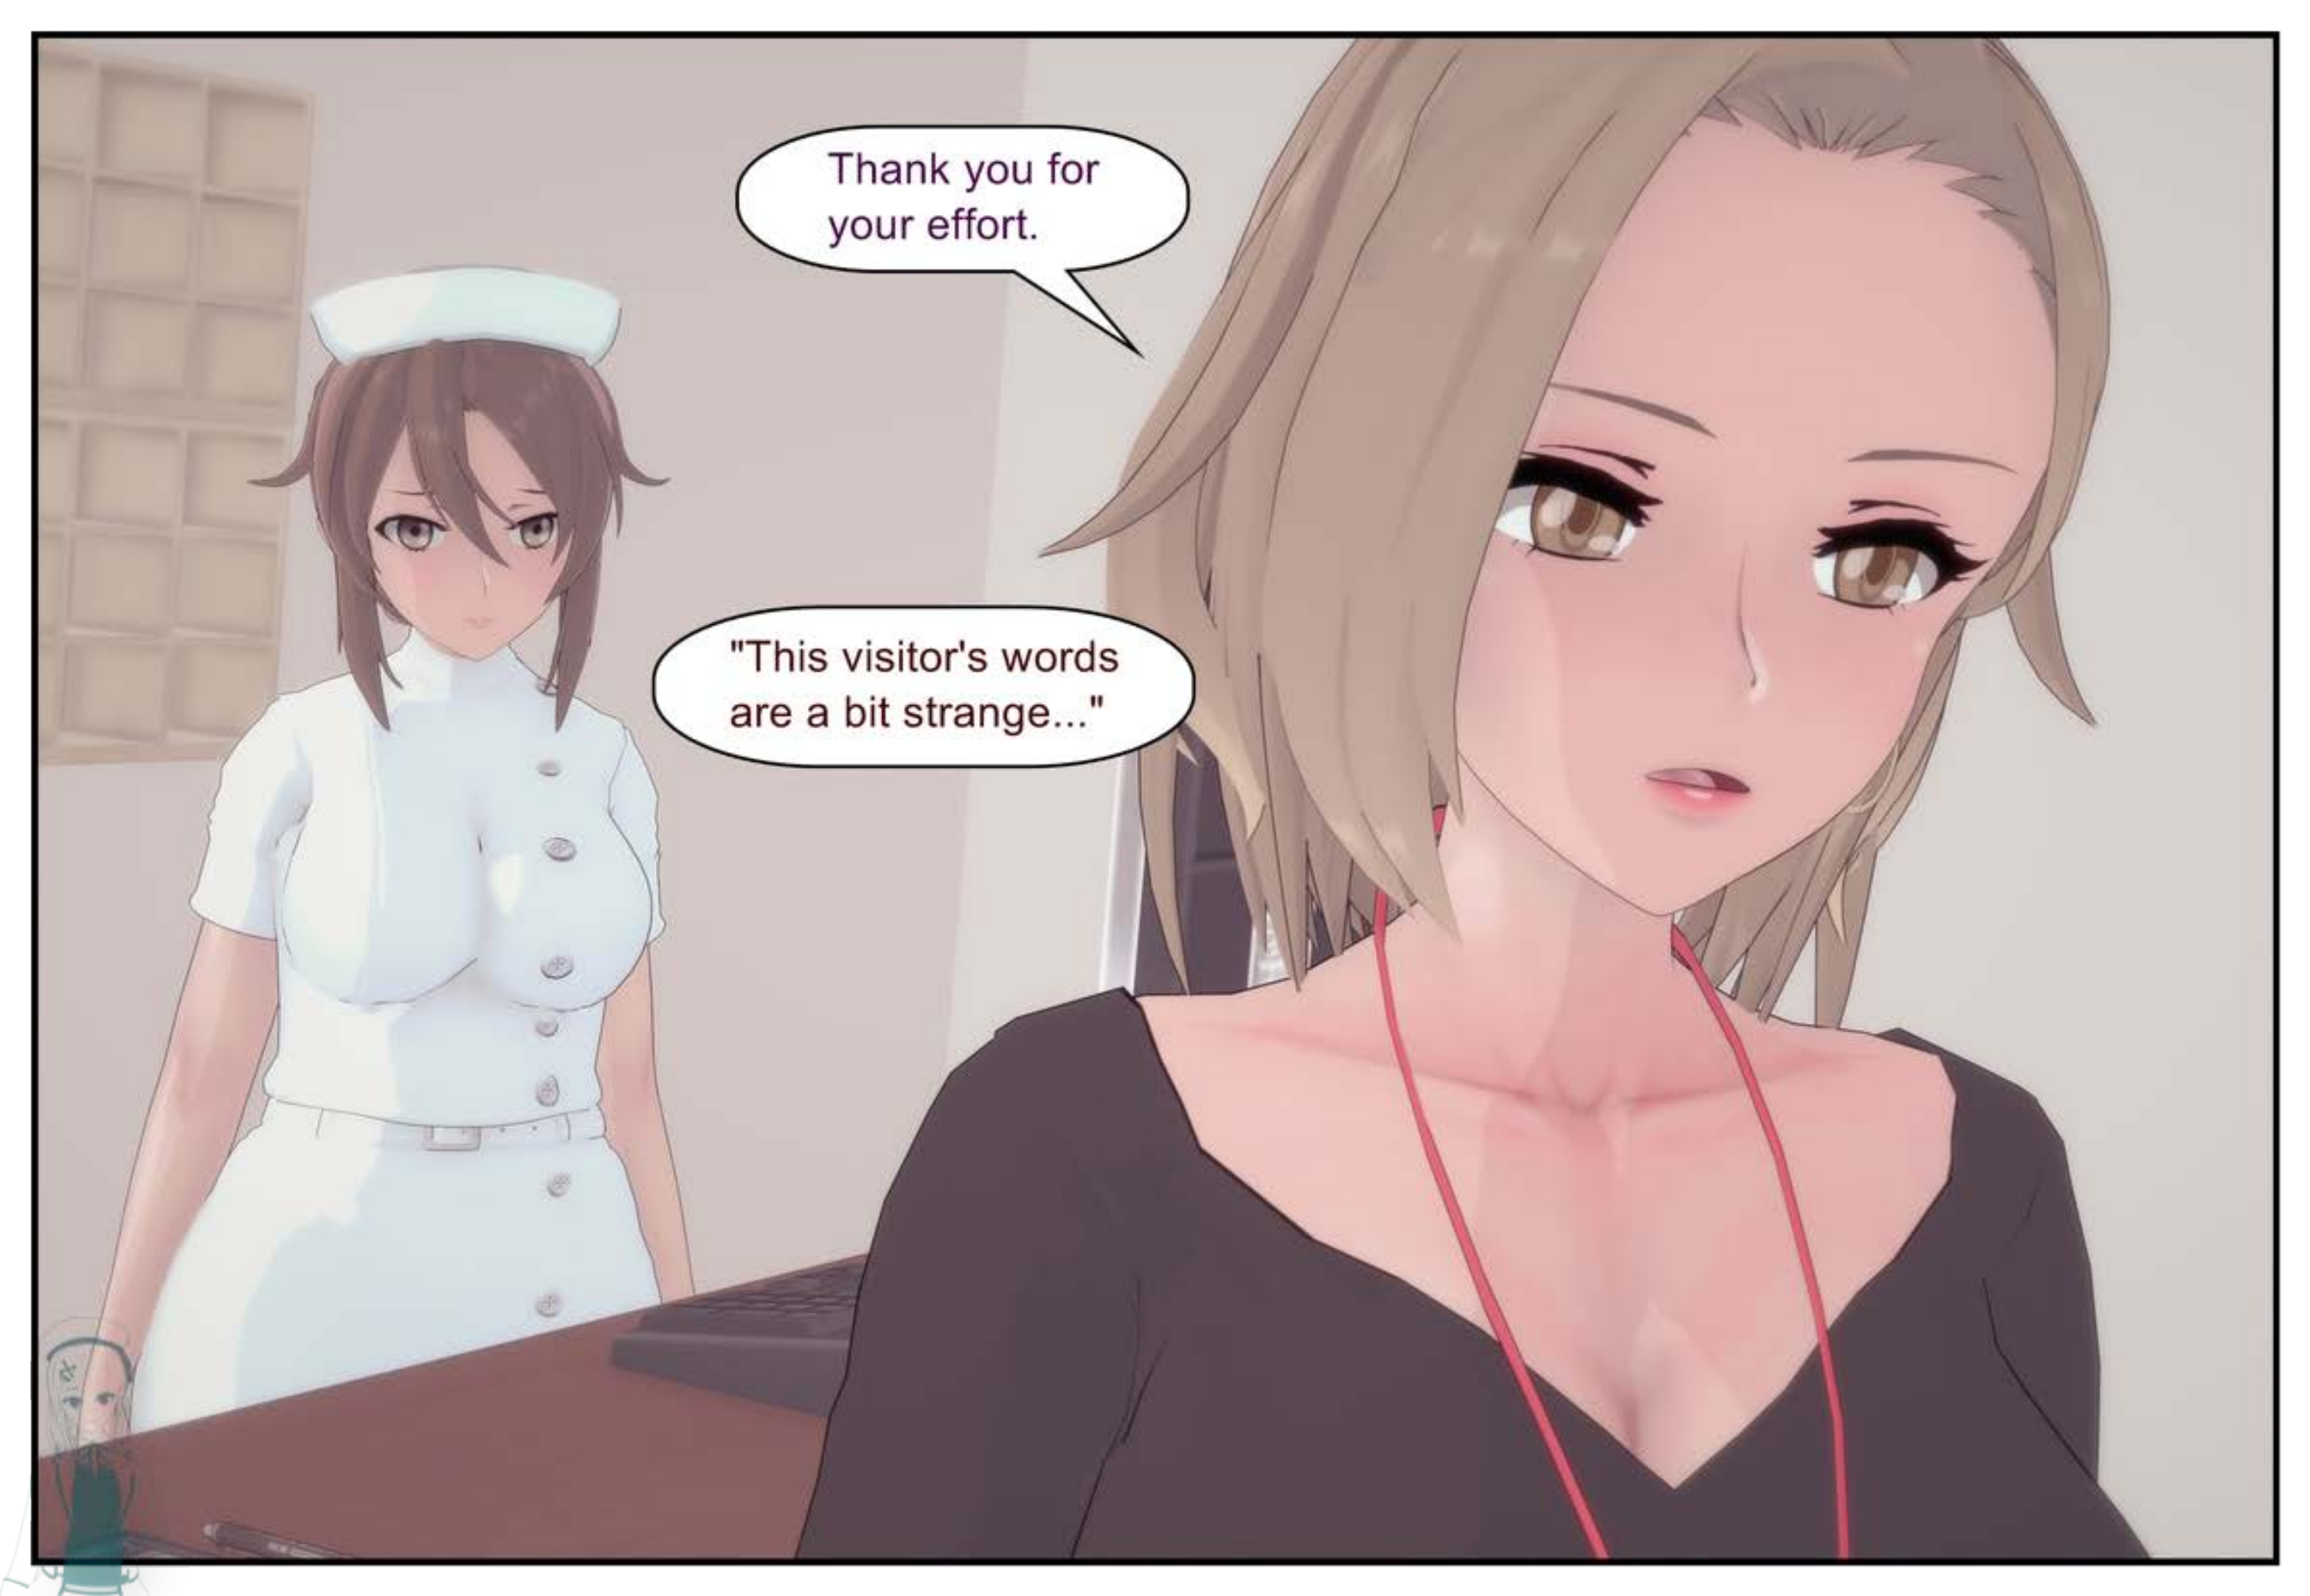

Yes, and I want to remind you that your partner is currently in trauma or some sort.

She woke up yesterday
but didn't say a word or
show any emotion.

I will see what I
can do.

Thank you for
your effort.

"This visitor's words
are a bit strange..."

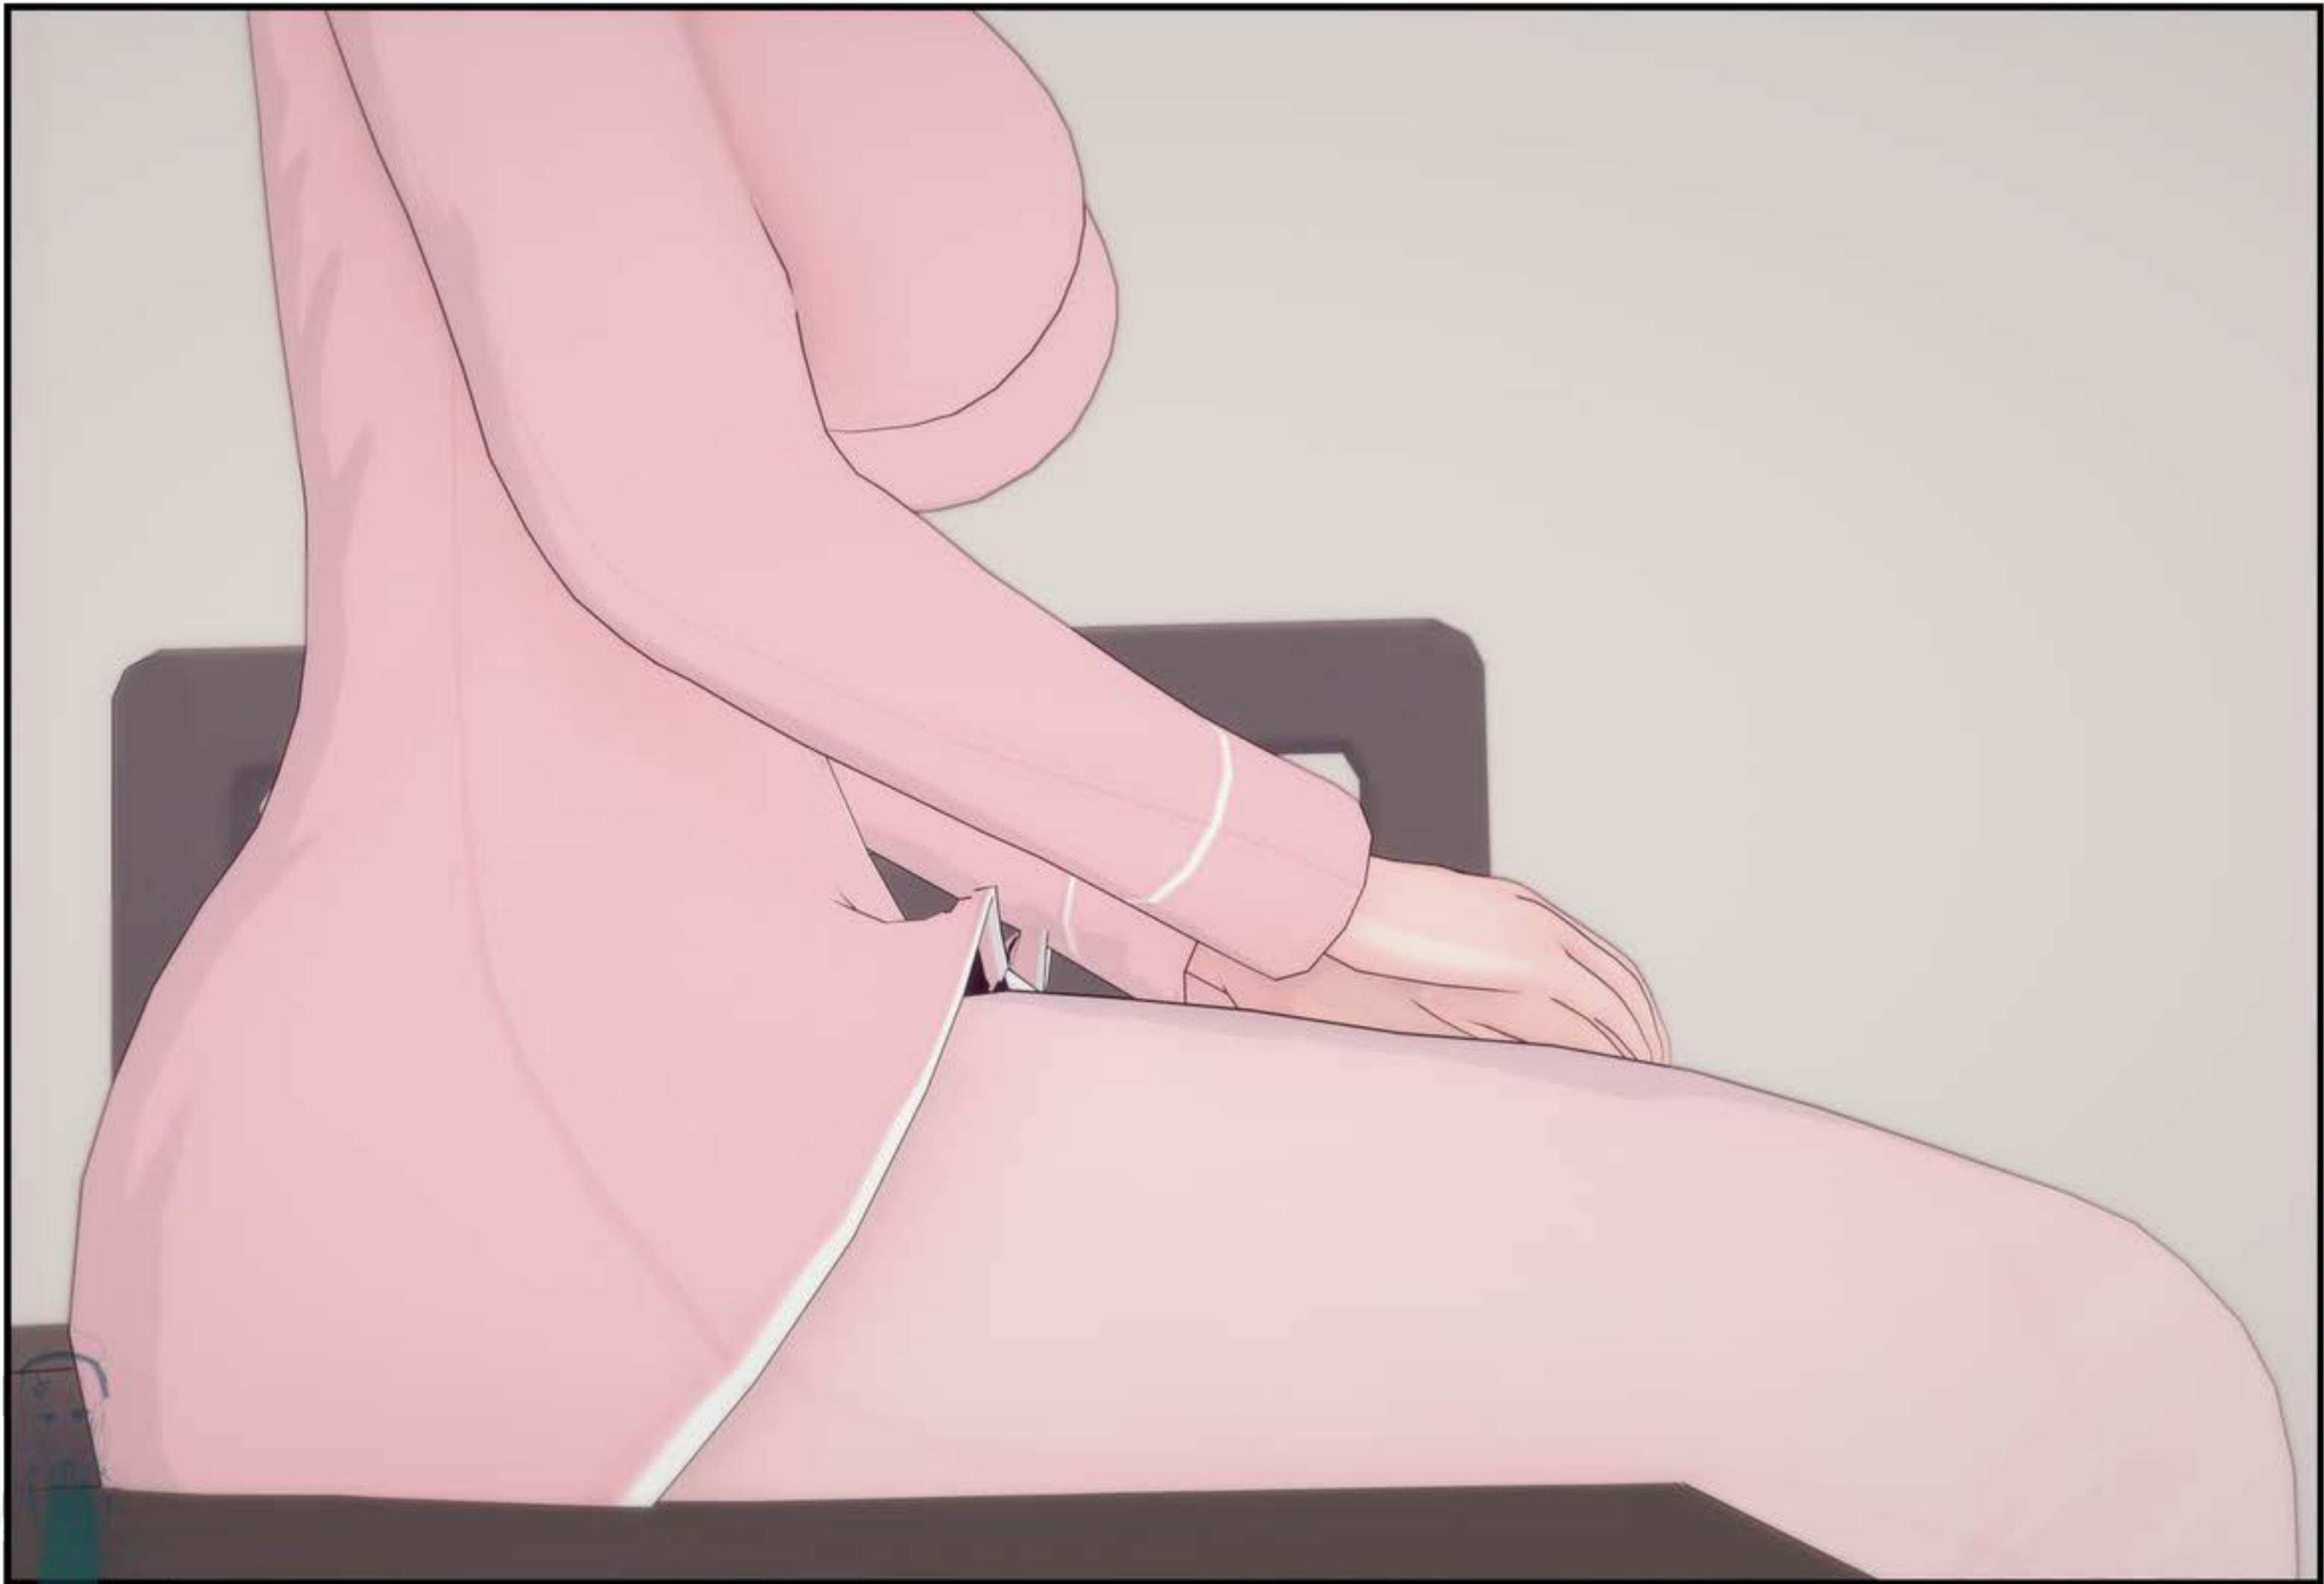

"I wonder how could she find this small hospital to see her partner?"

"Hm... I'm thinking too far... Have to make my night-shift enjoyable."

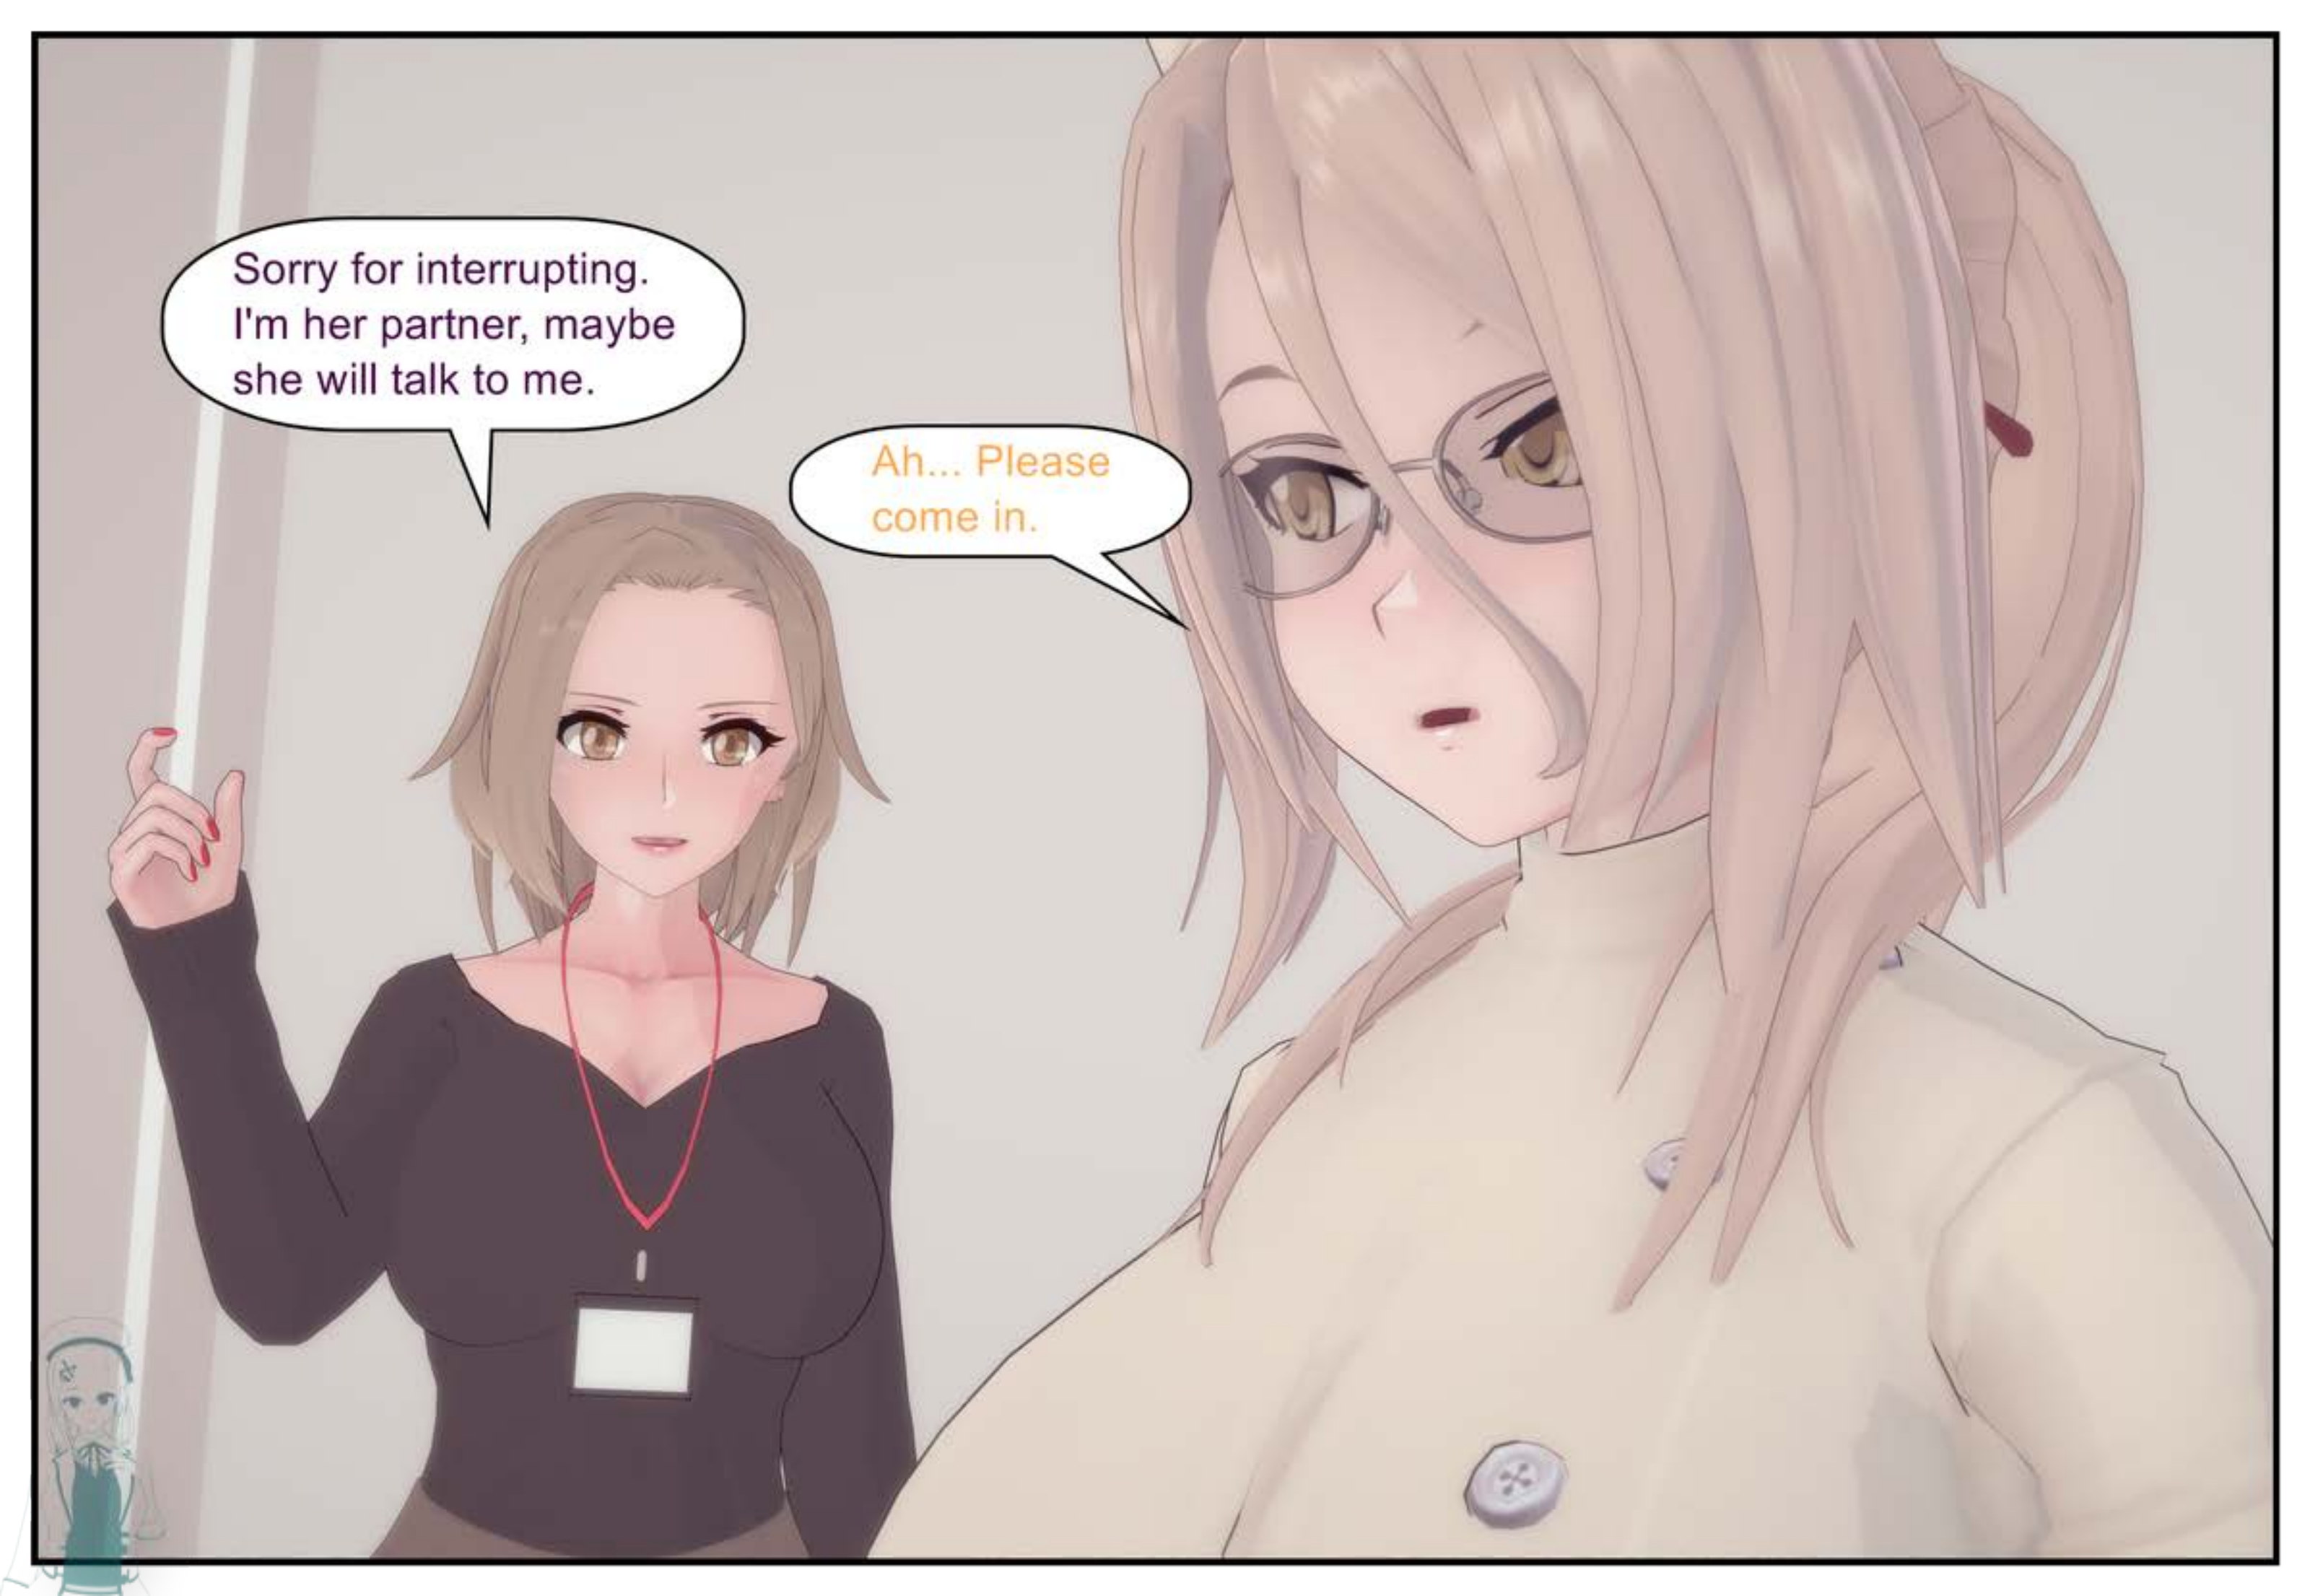

Okay... Let me see...

How are you feeling today? Can you tell me so I can assist you better?

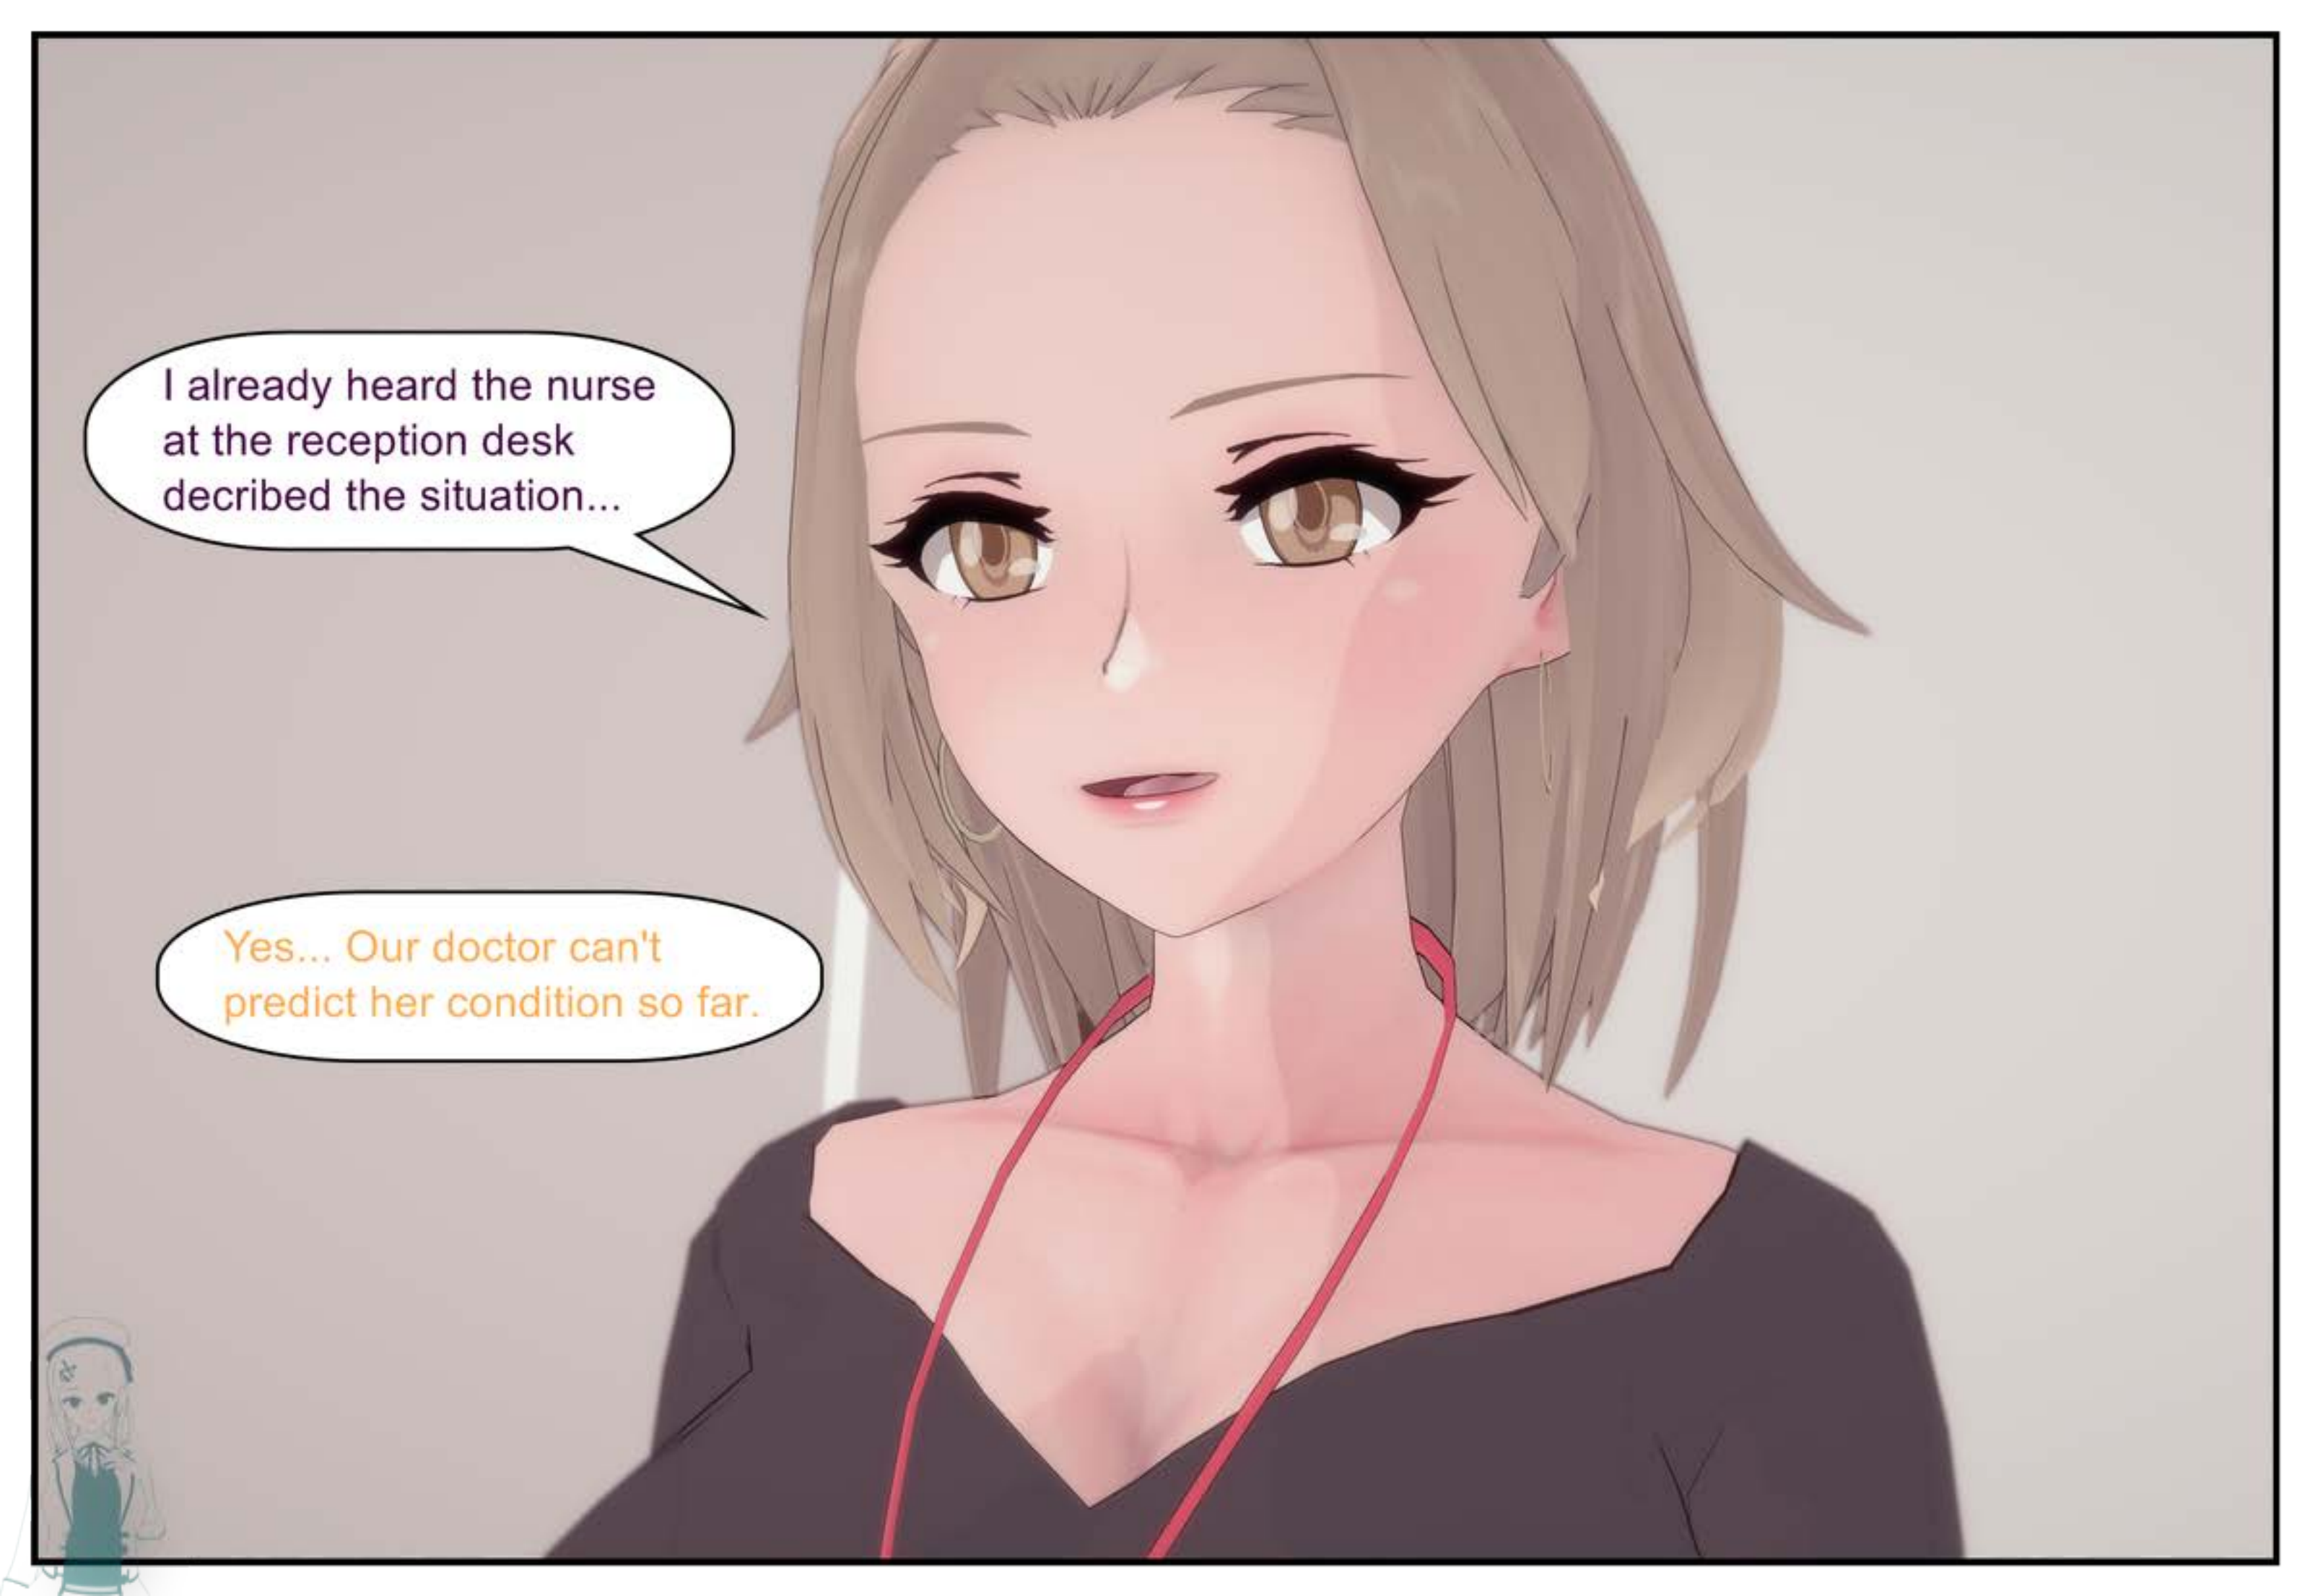

Sorry for interrupting.
I'm her partner, maybe
she will talk to me.

Ah... Please
come in.

I already heard the nurse
at the reception desk
described the situation...

Yes... Our doctor can't
predict her condition so far.

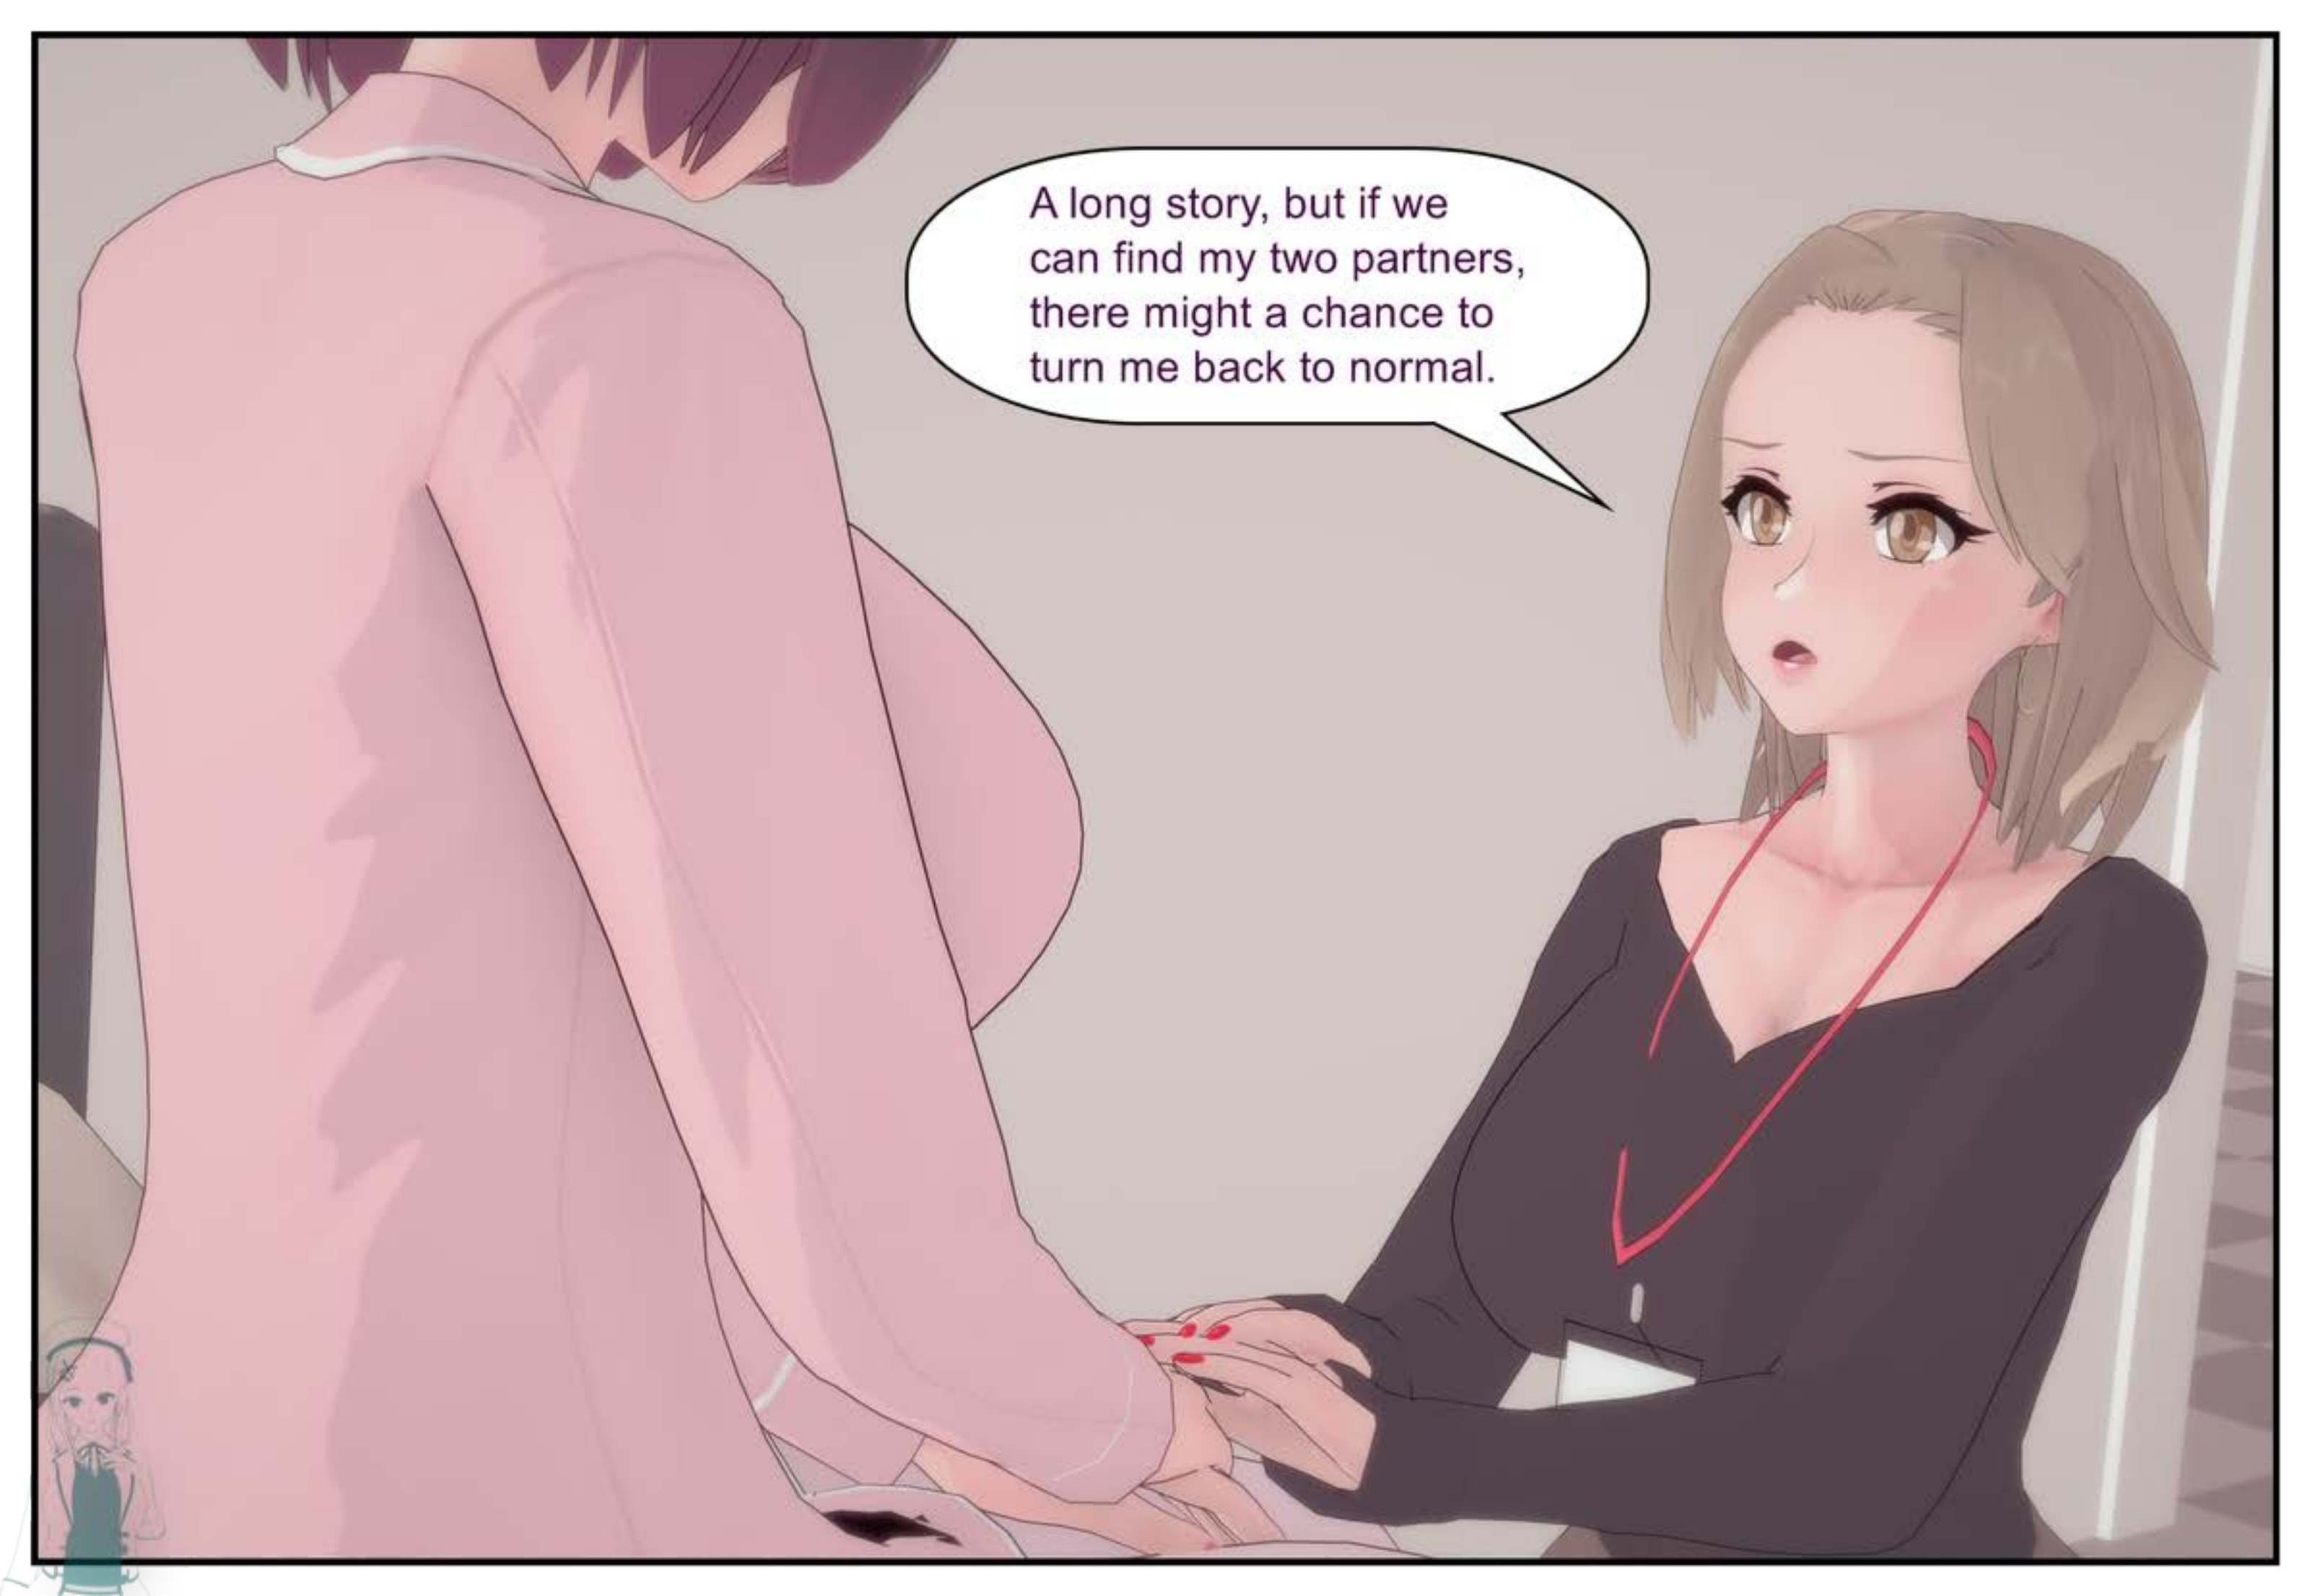

I appreciate it.

I will leave you
two some space.

Reika... That night,
I couldn't control
myself and leave
you alone.

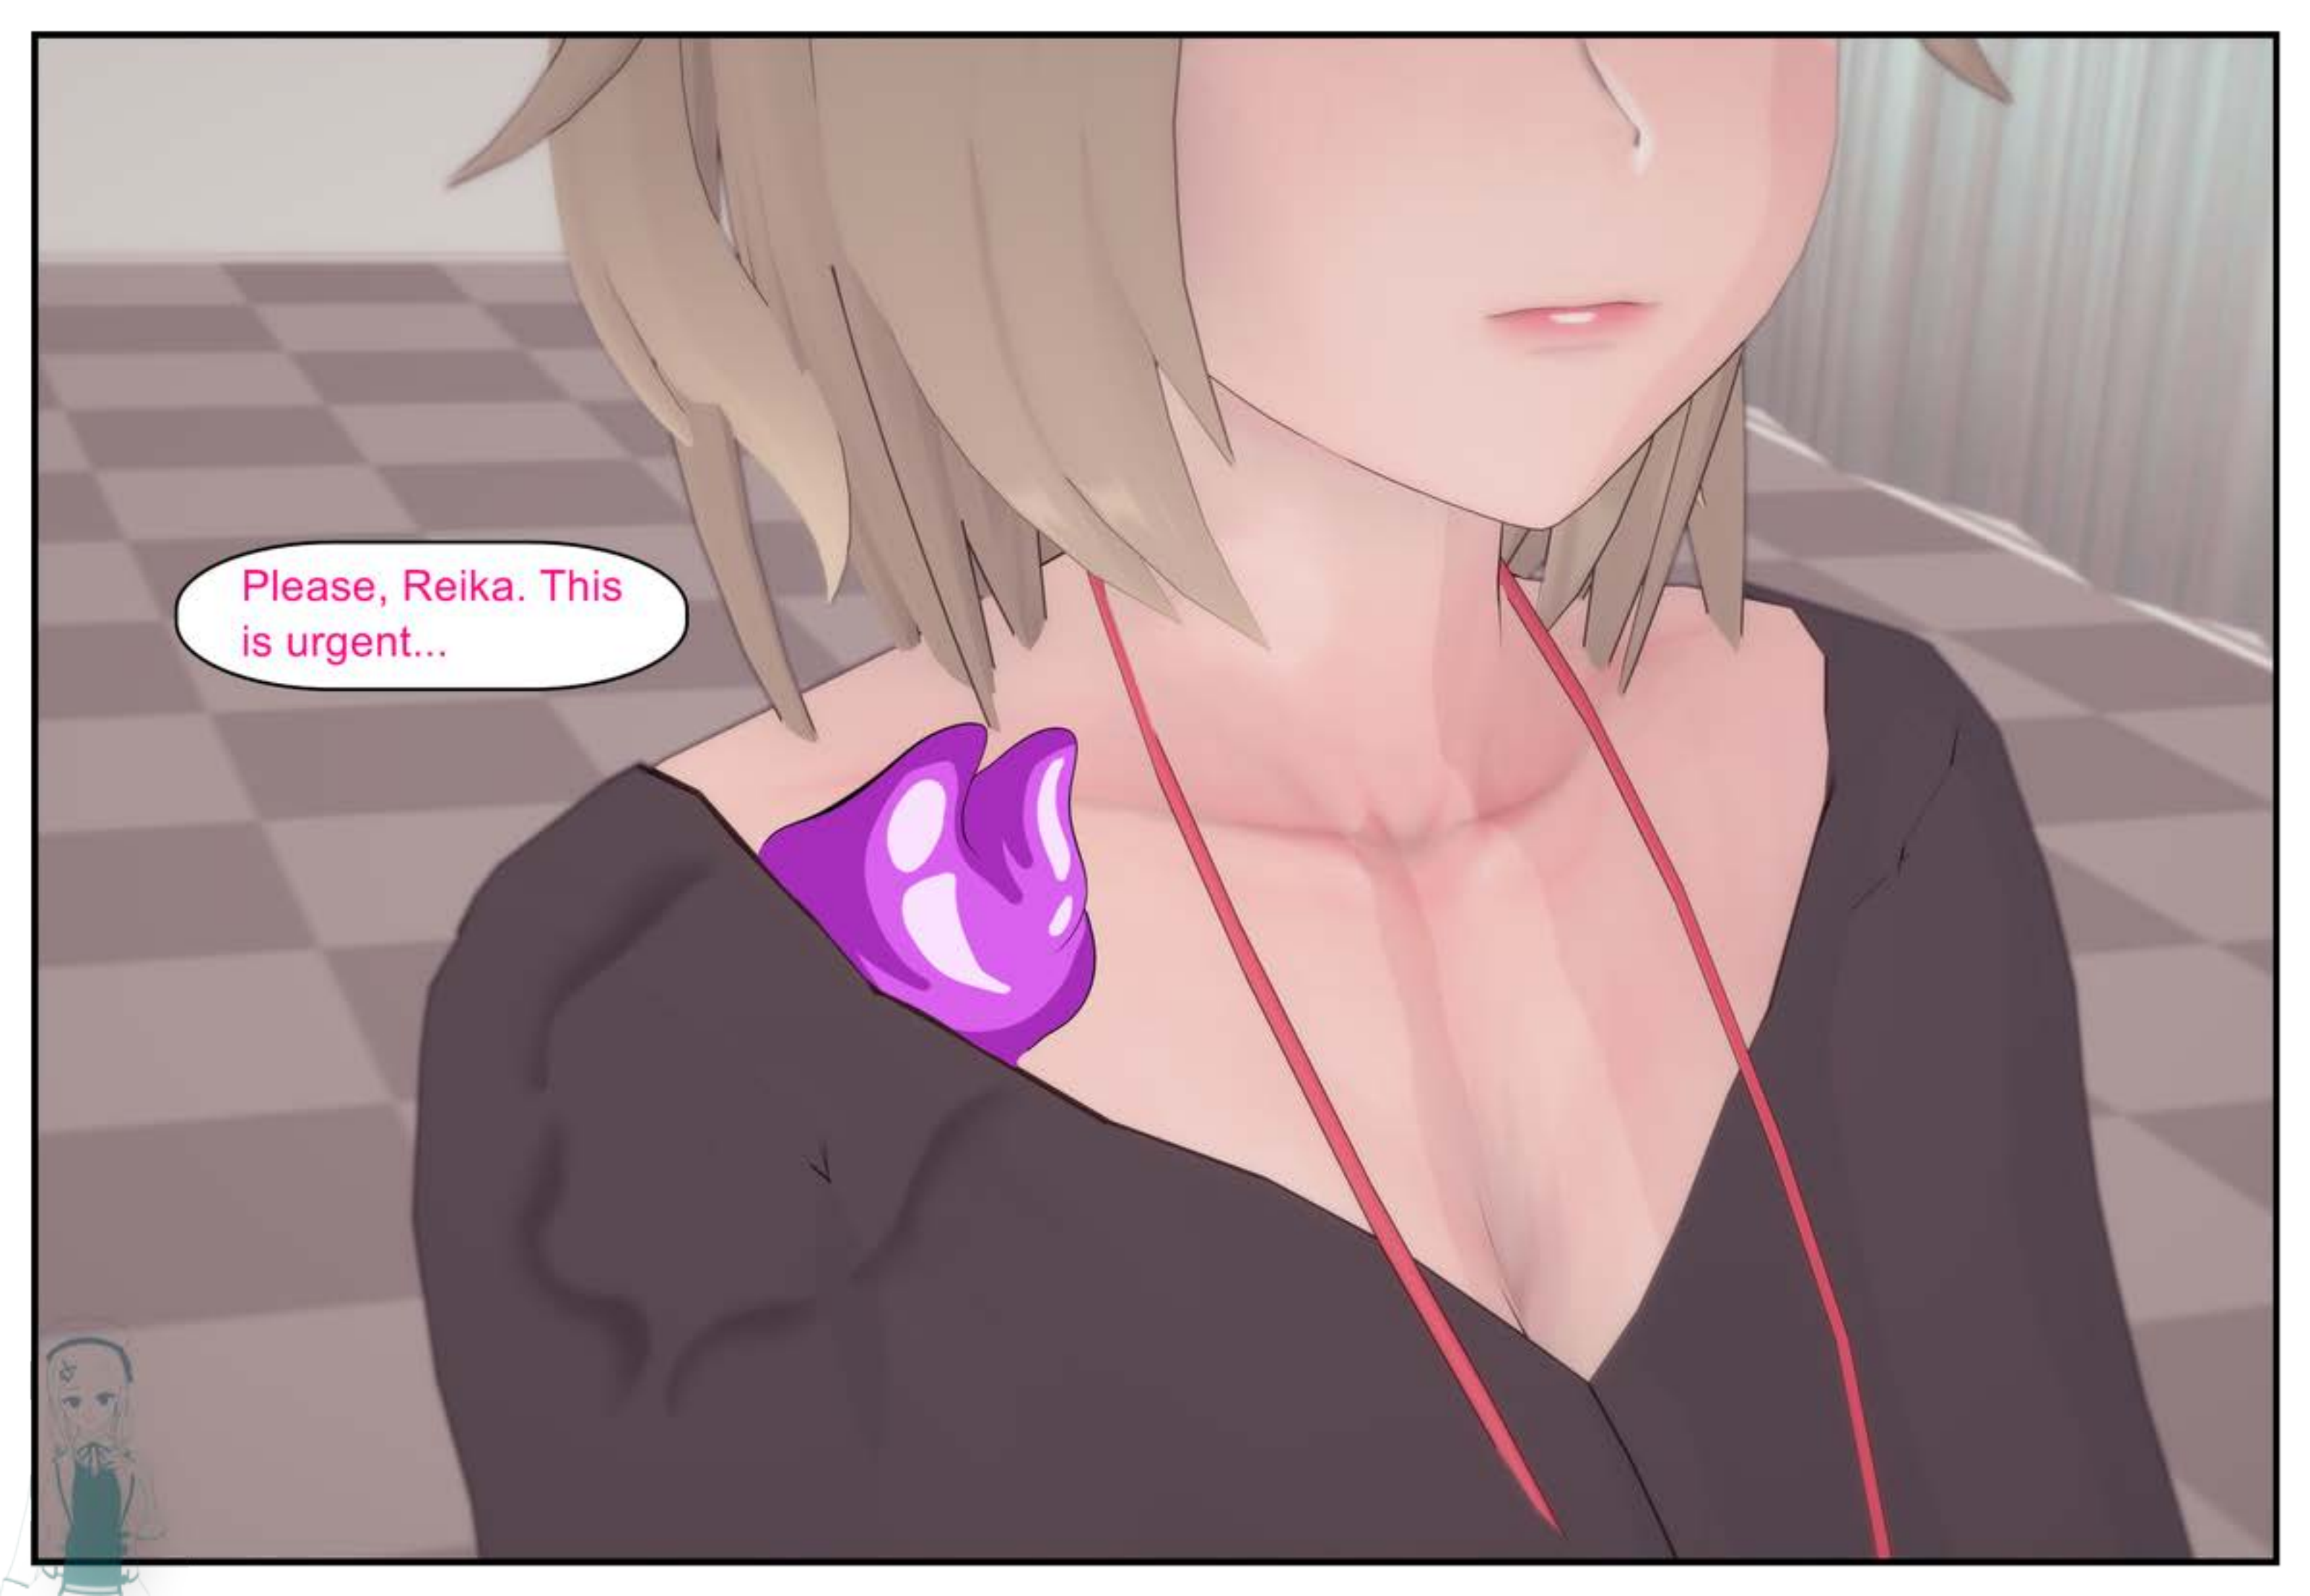

A long story, but if we can find my two partners, there might a chance to turn me back to normal.

Since my memories were missing many pieces... Only you can tell me their whereabouts.

Please, Reika. This is urgent...

The General start to realize that I was still...

Hyyyyyaaaaaaa!!!!!!

W-What are you!?

A woman with long, wavy brown hair is shown from the waist up. She is wearing a black long-sleeved top and a brown skirt. A small, purple-skinned spirit with white hair and red eyes is perched on her shoulder. She has a red necklace and a white ID badge hanging from it. Her hands are at her sides, and she has red nail polish.

L-Listen... I mean
no harm. Just... don't
do anything reckless...

The back of a woman with brown hair tied up in a bun is shown. She is wearing a white short-sleeved shirt and light-colored pants. Her arms are visible, and she appears to be looking towards the woman on the left.

Monster...

N-No... I can't...

"M-My phone...
I have to call police..."

Then I have no
other choice!

U-Um... Nn... Mm...

Slurp... Slurp...
Burp... Slurp...

Uh... Mm... Um...
Um... Mm...

Slurp....

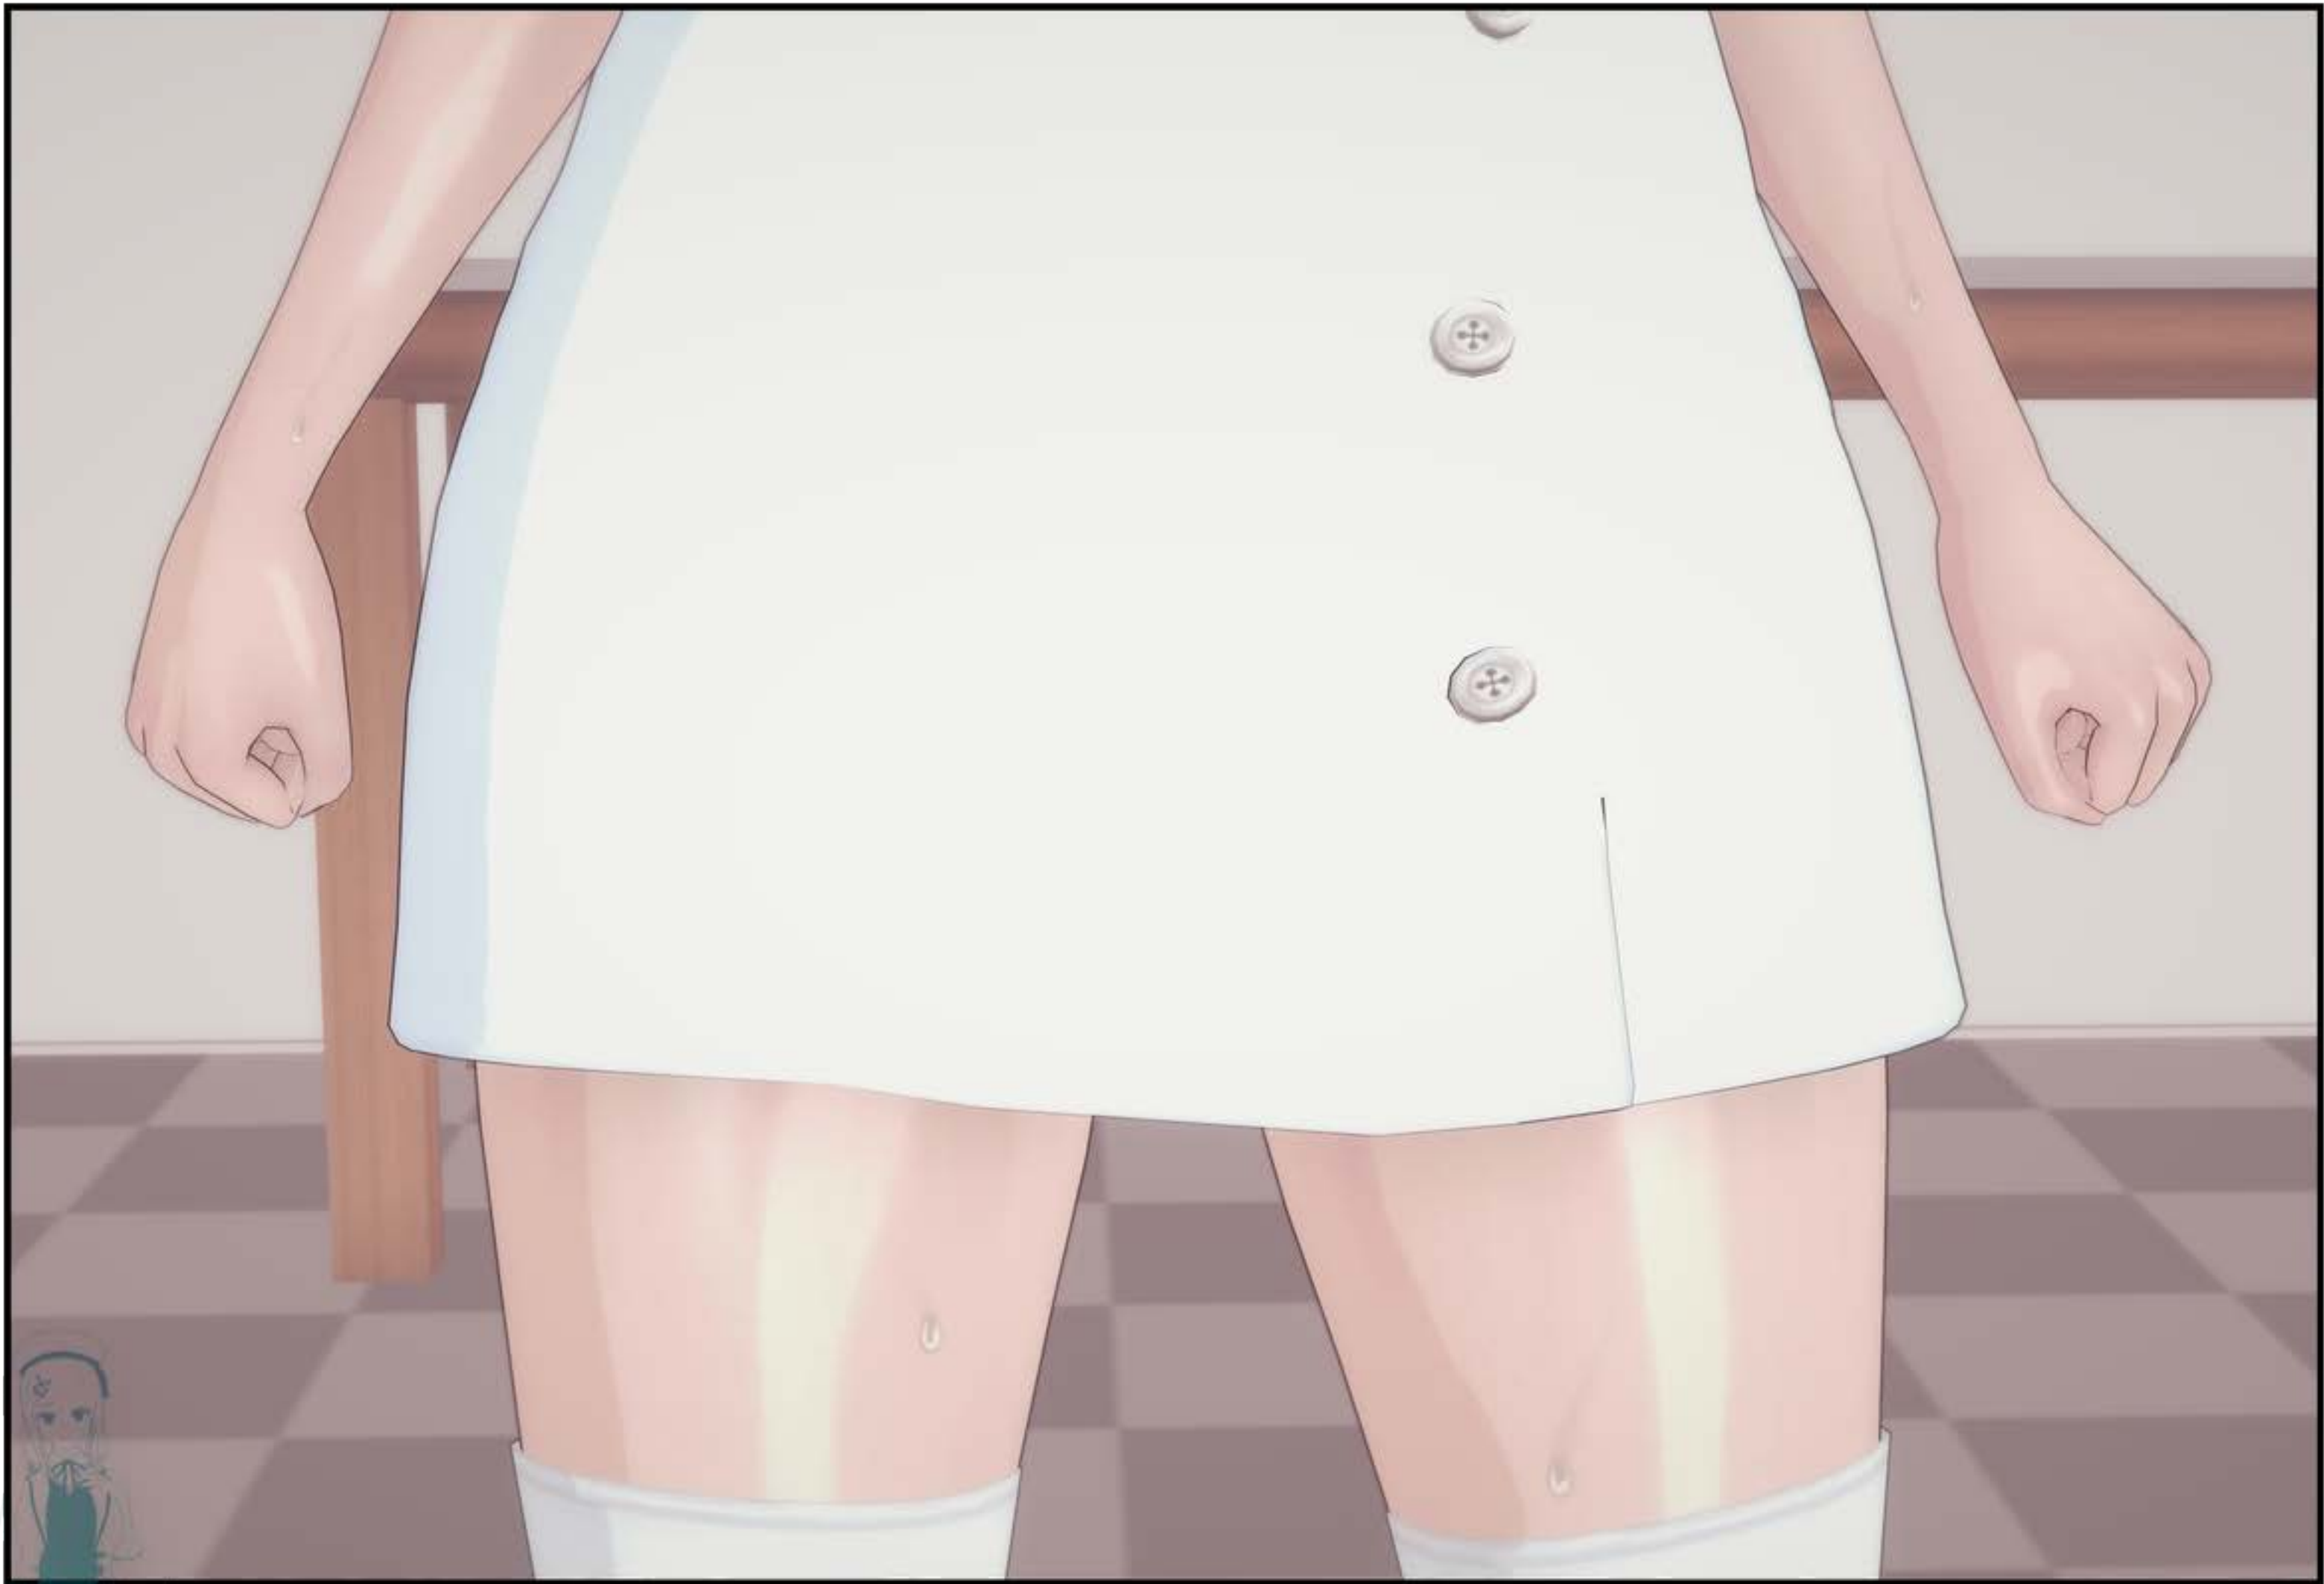

A-Ah...

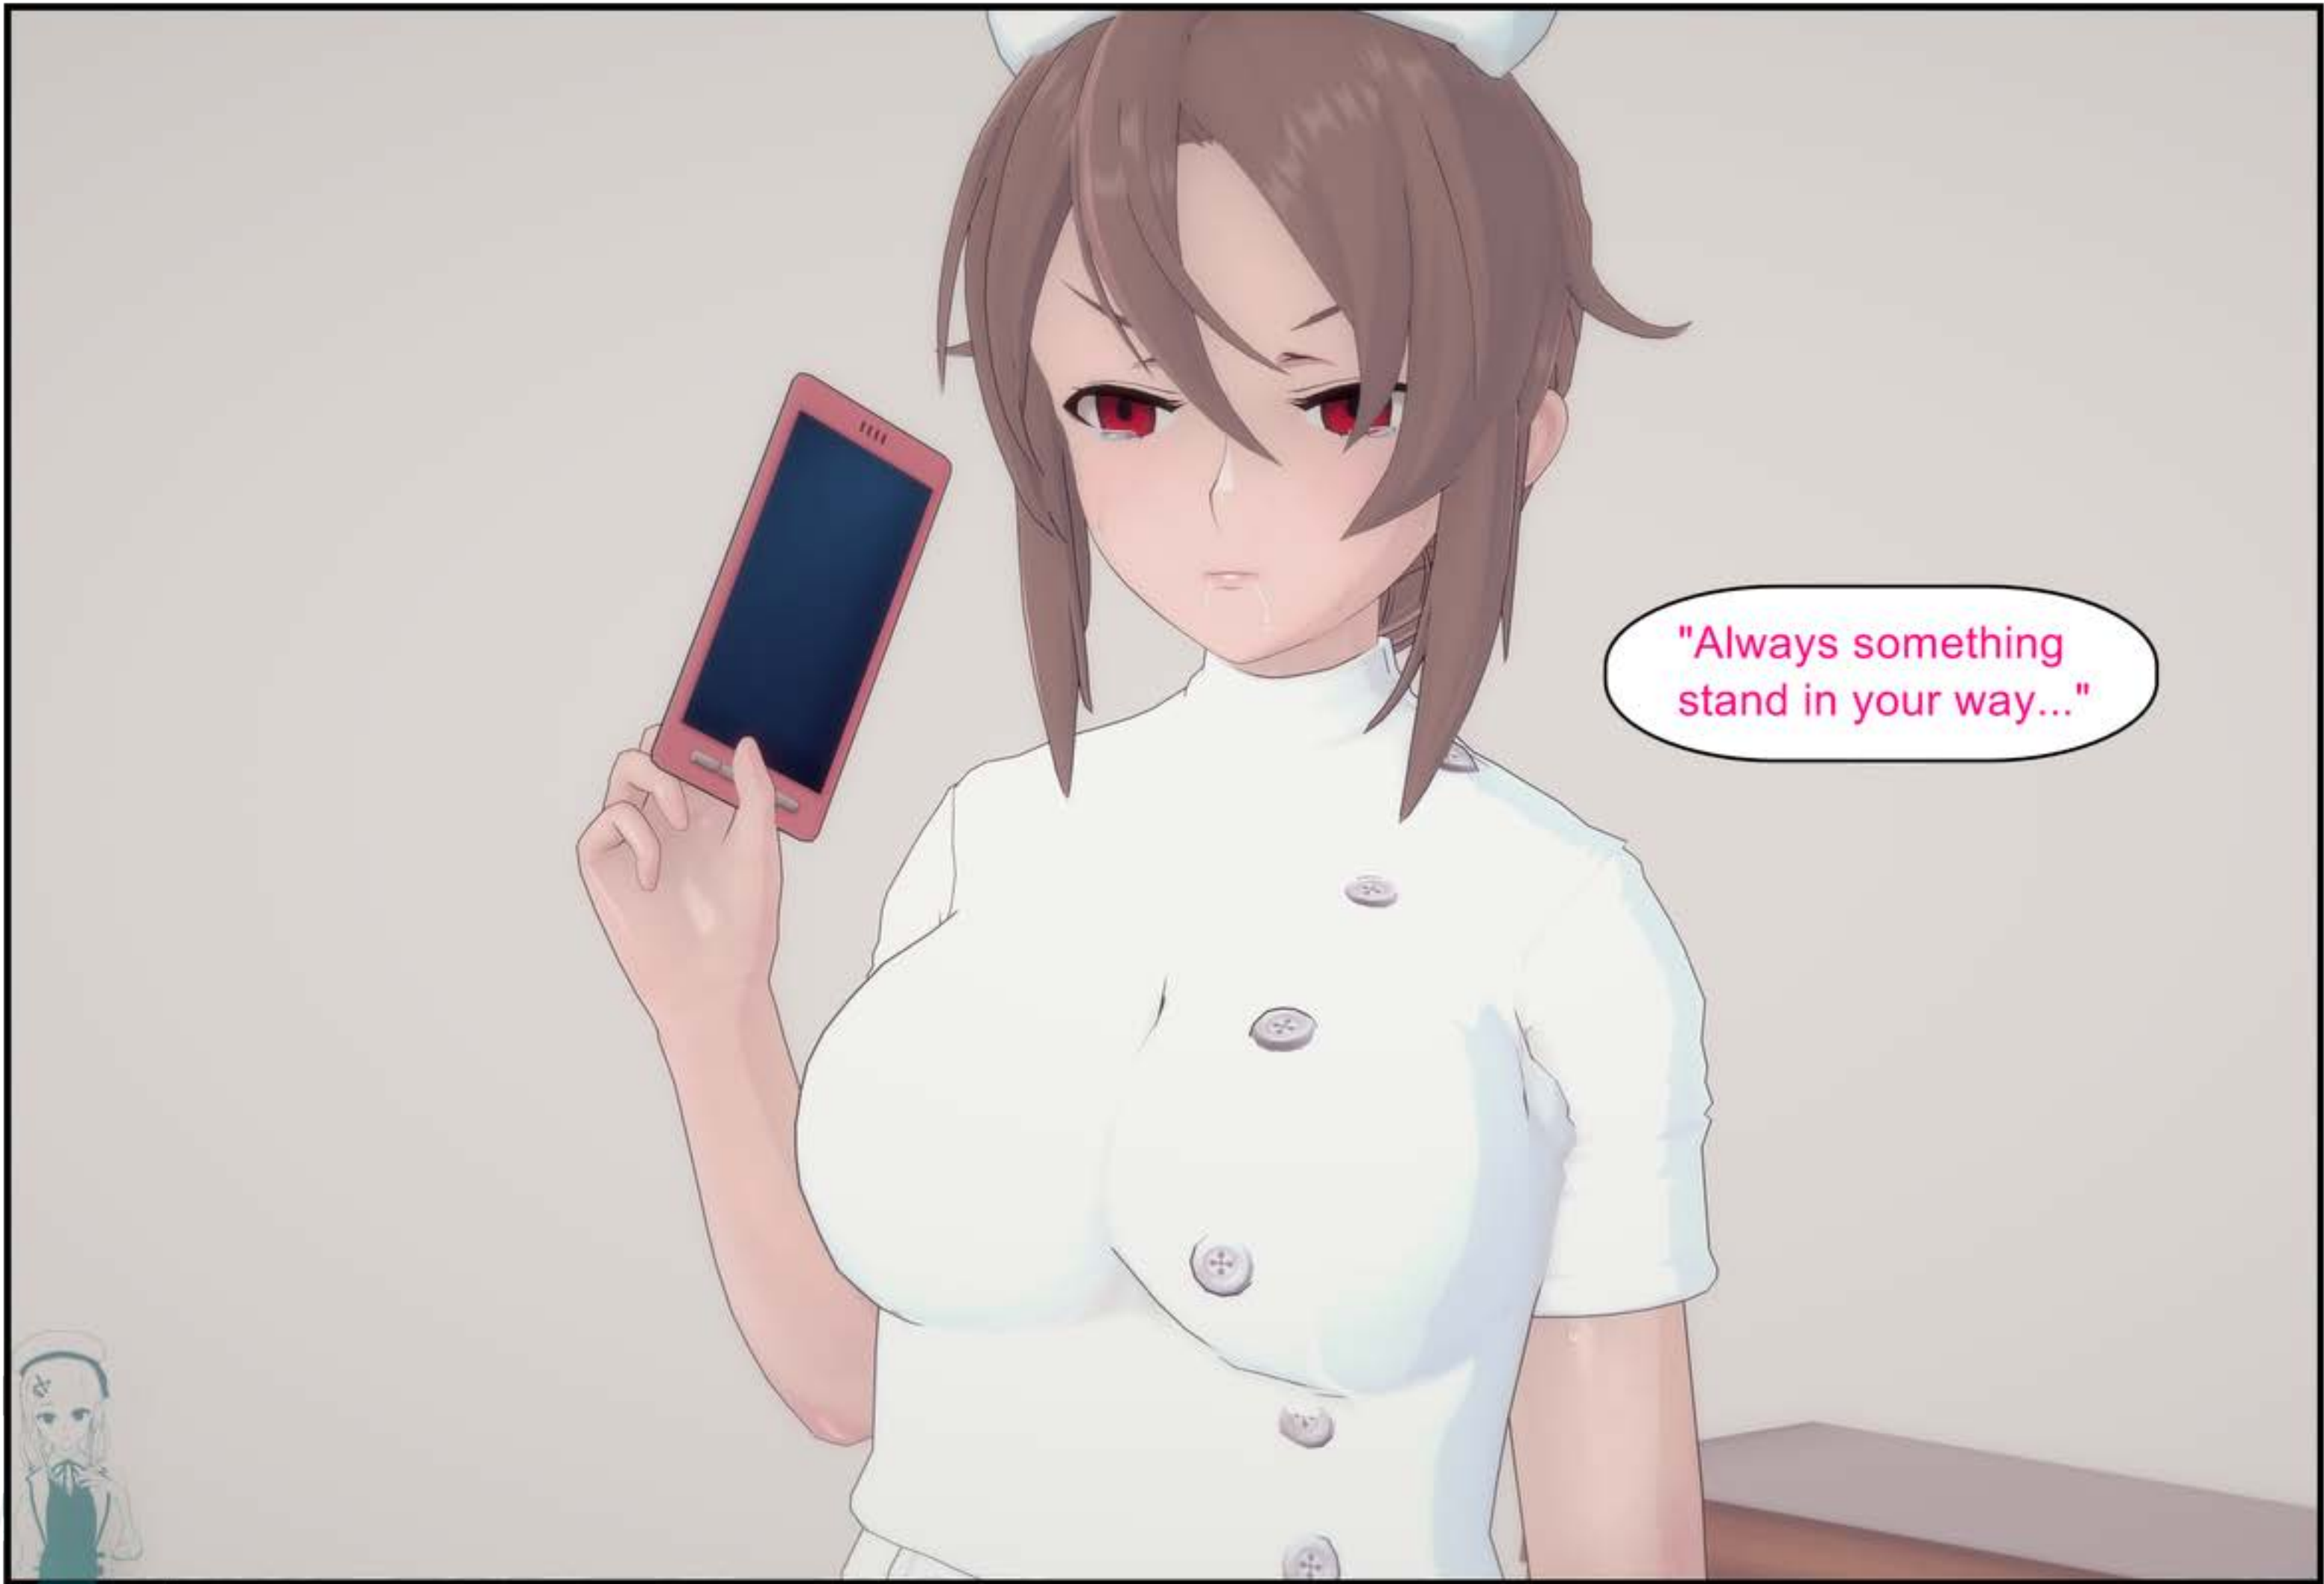

"Never a straight path..."

"Always something stand in your way..."

"It seem that I can't get anything from her at the moment."

Moreover, I will have to stick around... and hide myself.

"Also, I need more
absorb more energy...
from these bodies."

Hah... Ah... Hah...

T-Takami...

"Though... I wonder how Karina is doing."

"I just hope... the same incident won't happen again."

A dark blue night sky filled with numerous small white stars. In the upper left, a street lamp with a glowing white light hangs from a grey pole. On the right side, a taller utility pole is visible, with a tan-colored structure at the top. In the lower left, a utility pole with a circular cross-section is partially visible, with several thin white lines representing power lines stretching across the sky.

"The rescue took to the late night... I and some others were lead out safety."

"I got treated and asked
for some question...
Then they let me go."

my

"So tired... Feels like I'm going to faint."

Karina, an officer who protect two civillians and one other police.

I think you are
more than qualify
to be an official.

Y-Yuka...!?
Shinozaki!

We were lucky...
Though, many didn't
make it through.

W-What happened
to your leg...?

I got accident while
helping people...

H-How is she
doing now...?

Of course, we have to
pay gratitude to our Chief.
She was the one who
called for help.

Chief was always stood for the rights. Even in this dire situation, she never turn her back on anyone.

But the cost for
it... was too high to pay.

What...?

To be continued?

Didn't we agree not
to call them while I
was here!?

Any excuse for your betrayal action, informant?

However, I didn't like
the way you and your
General played.
A massacre.

I gave you intel, yes.
But seeing you killing
my people and innocents...

Haha... Look like my
justice as a Police Chief
not allow me to watch it...

Betrayal still be
a betrayal.
