We have arrived...

...Your favorite coffee shop, Ms. Mayor.

What's our schedule today?

A close-up shot of a woman with short brown hair and glasses, wearing a white jacket and a necklace with a red pendant. She is sitting in the driver's seat of a white car. Her eyes are closed, and she has a slightly sad or tired expression. The background shows a blurred outdoor setting, possibly a parking lot or street.

Yes, you will have  
a conference at the  
Town Hall in an hour.

Discuss the plan  
to improve our city  
in the noon.

Lunch with the  
Head of Economic  
and Technology  
Department.

And have dinner  
with the President.

A digital illustration of two women standing on a balcony at night. The woman on the left has long, wavy dark hair and wears glasses and a grey blazer with white piping. The woman on the right has short dark hair, wears glasses, a white blouse with a lace-trimmed neckline, and a dark skirt. They are both looking towards the viewer. The background shows a cityscape with lit-up buildings.

That would be a great help, Sarah.

Aside from that, I will take care of your paper work...

Do you want a cup of coffee, too?

Thank you, but I'll pass, Ms. Mayor.

A woman with dark hair, glasses, and a white button-down shirt is standing on a balcony at night. She is wearing a necklace with a red pendant and has her hands clasped in front of her. The background shows a dark building and some foliage.

Relax a bit, don't strict yourself, okay? I will be out soon.

"The Mayor helped me and my family a lot..."

A woman with short dark hair, wearing glasses, a white button-down blouse with a deep V-neckline, and a dark skirt, stands next to a silver car at night. She is holding a pair of sunglasses in her hands. The background is dark, suggesting an outdoor setting at night. A speech bubble is positioned to her right.

"To become her  
secretary, it was  
my honor."

E-Excuse me?

Would you please  
show me... the way  
to Central Town?

I just arrived to  
this country for works  
so I don't know much  
about the place.

"A foreign girl?"

People here may  
see me weird...  
that's why...

"Maybe because  
of her clothes..."

Yes, go straight in that direction. You will see crossroads.

Then, turn right, and  
go about 300m more,  
you will see a big sign...

Crossroad... Big  
sign... Hm...

A screenshot from a video game showing two female characters in conversation. The character on the left is wearing a white blazer and glasses. The character on the right is wearing a blue patterned halter top, glasses, and a blue butterfly hair ornament. They are standing on a balcony or walkway with a railing. The background is a blurred city street.

...After that, the  
Town Central will  
be on your left.

Straight, right,  
then straight 300m...

I'm sorry, was I talking too fast?

Oh, you weren't. I was trying to remember.

I'm glad that I could help.

Thank you. I wish you the best.

Oh? A foreigner?  
What did you two  
discuss?

Nothing much. I  
showed her the way  
to Central Town.

Ms. Mayor? Have you finished your coffee?

Unfortunately, they ran out of my usual.

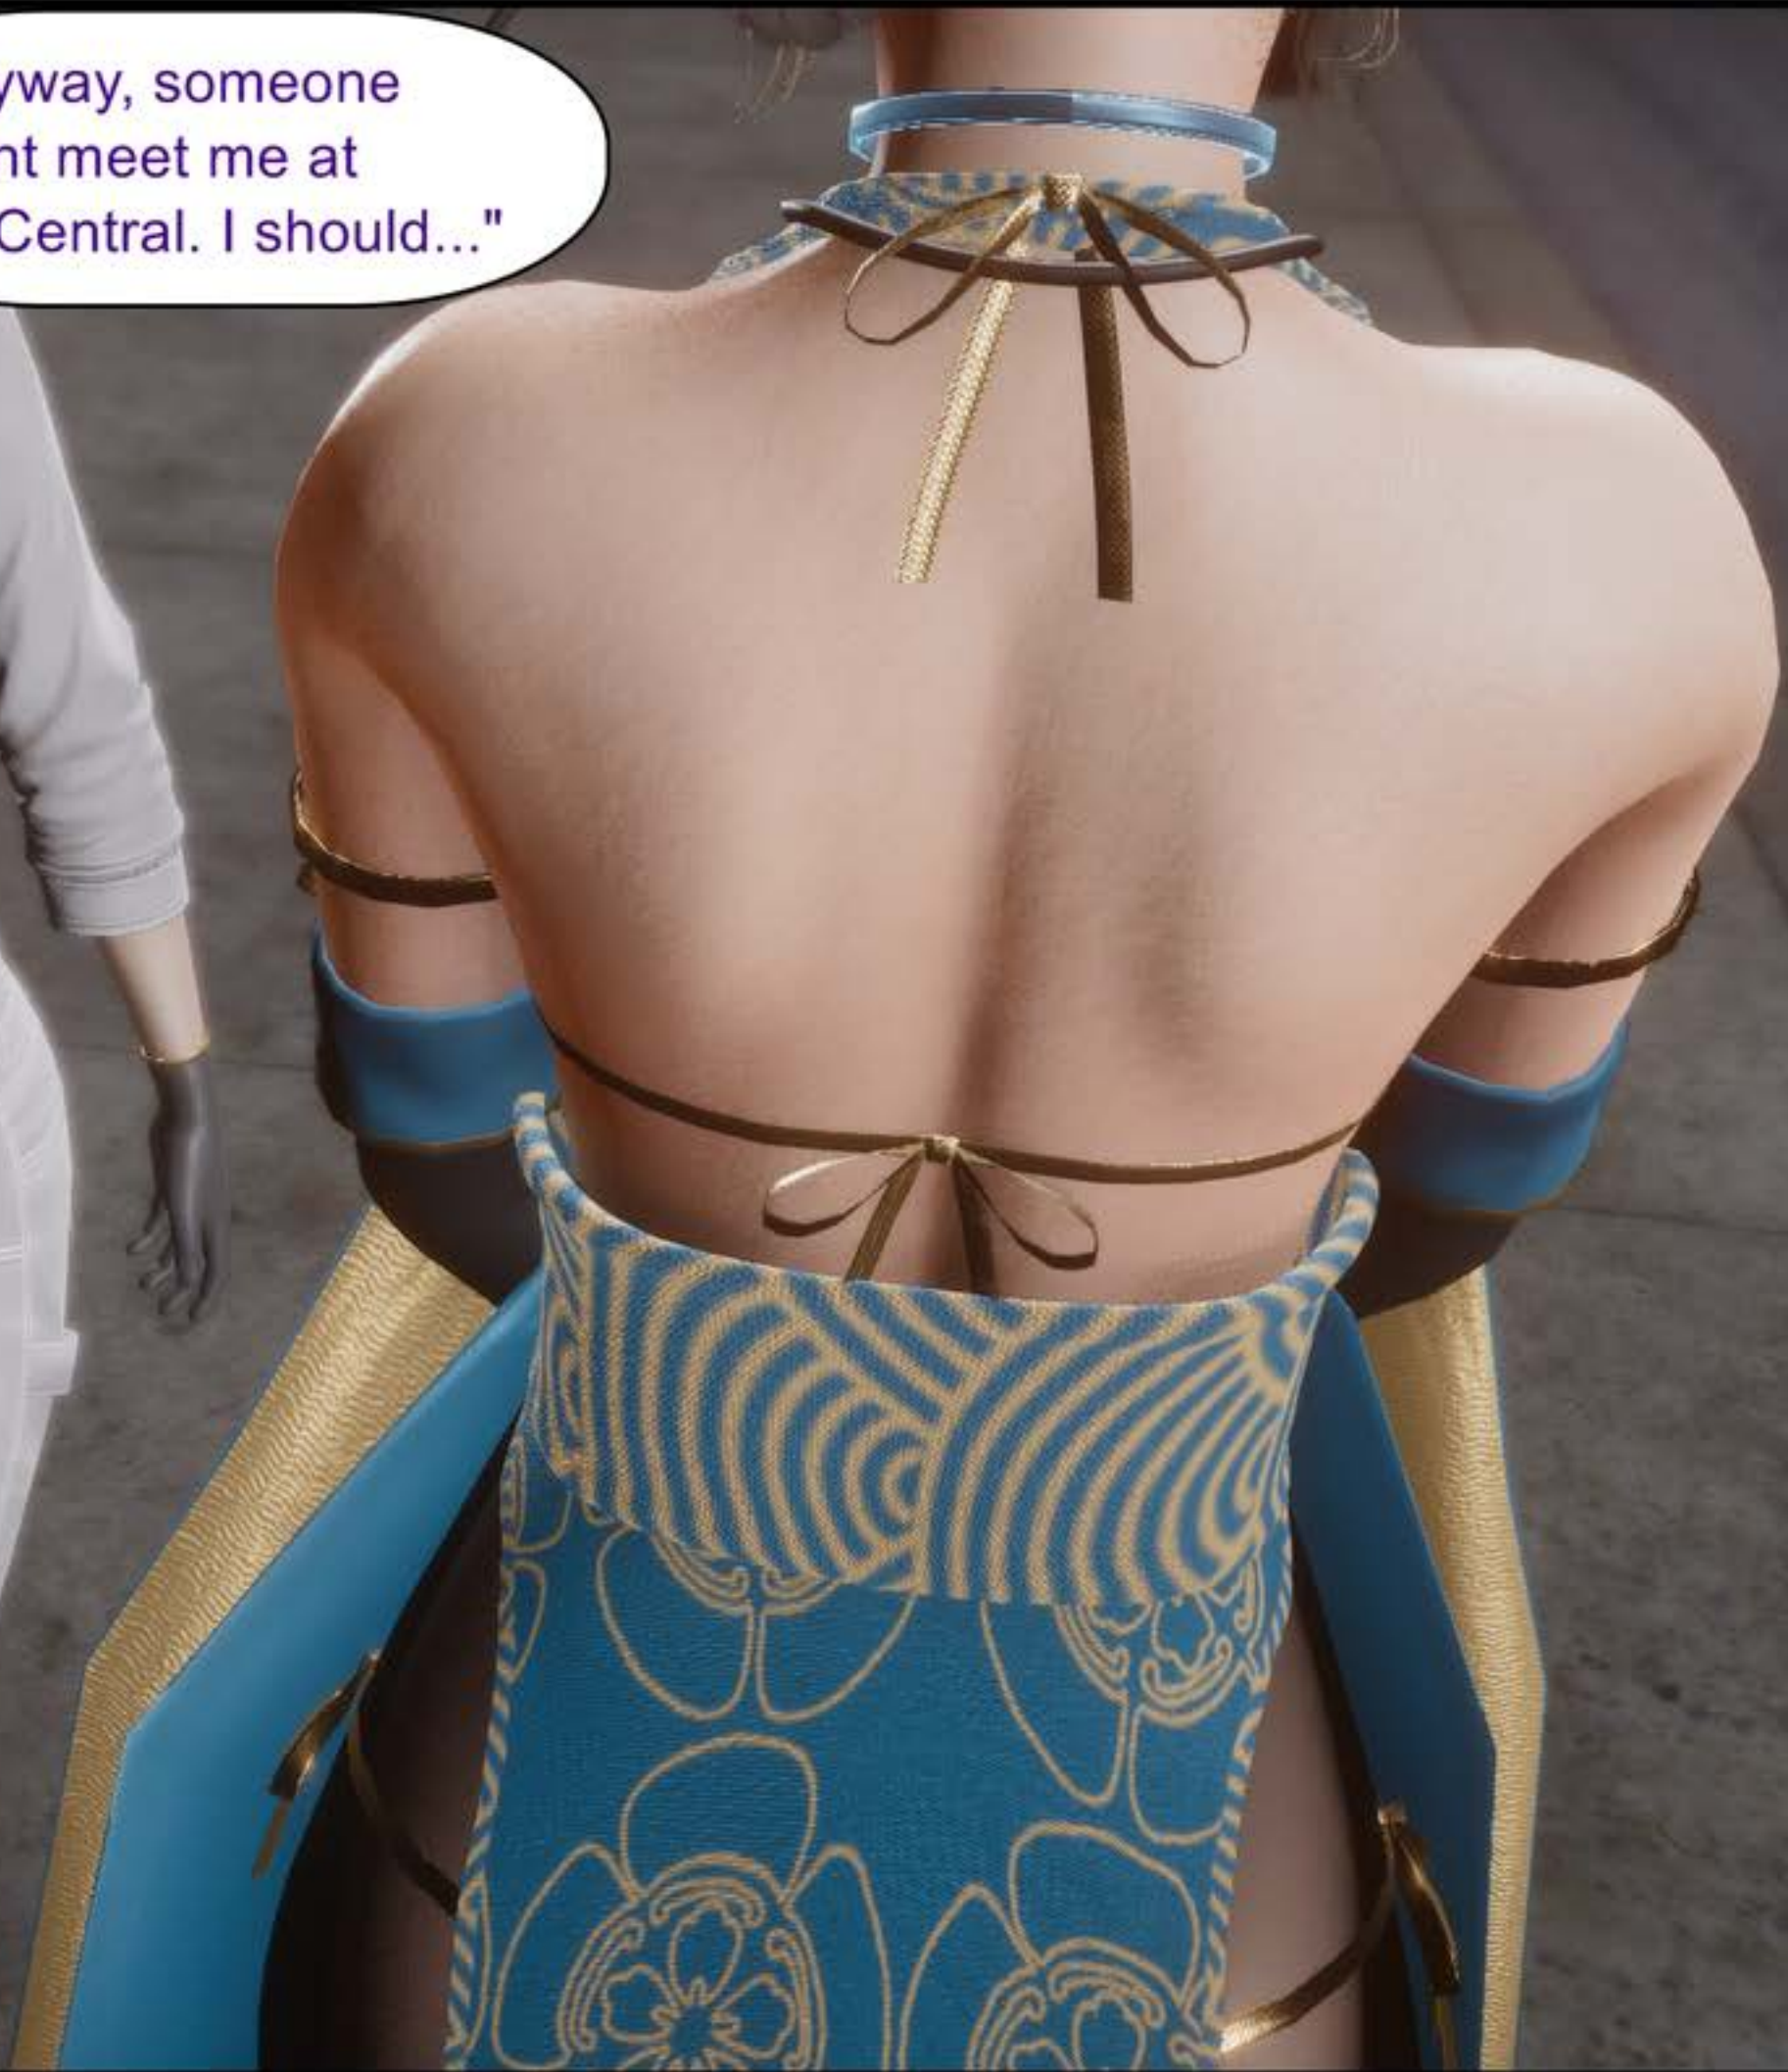

A close-up shot of a woman with long, dark, wavy hair and glasses. She is wearing a grey suit jacket with white piping around the collar. The background is a blurred city street at night, with a traffic light and a building visible. A speech bubble is positioned to her left.

More than that, I wanted to make this city become friendly to foreigner like her.

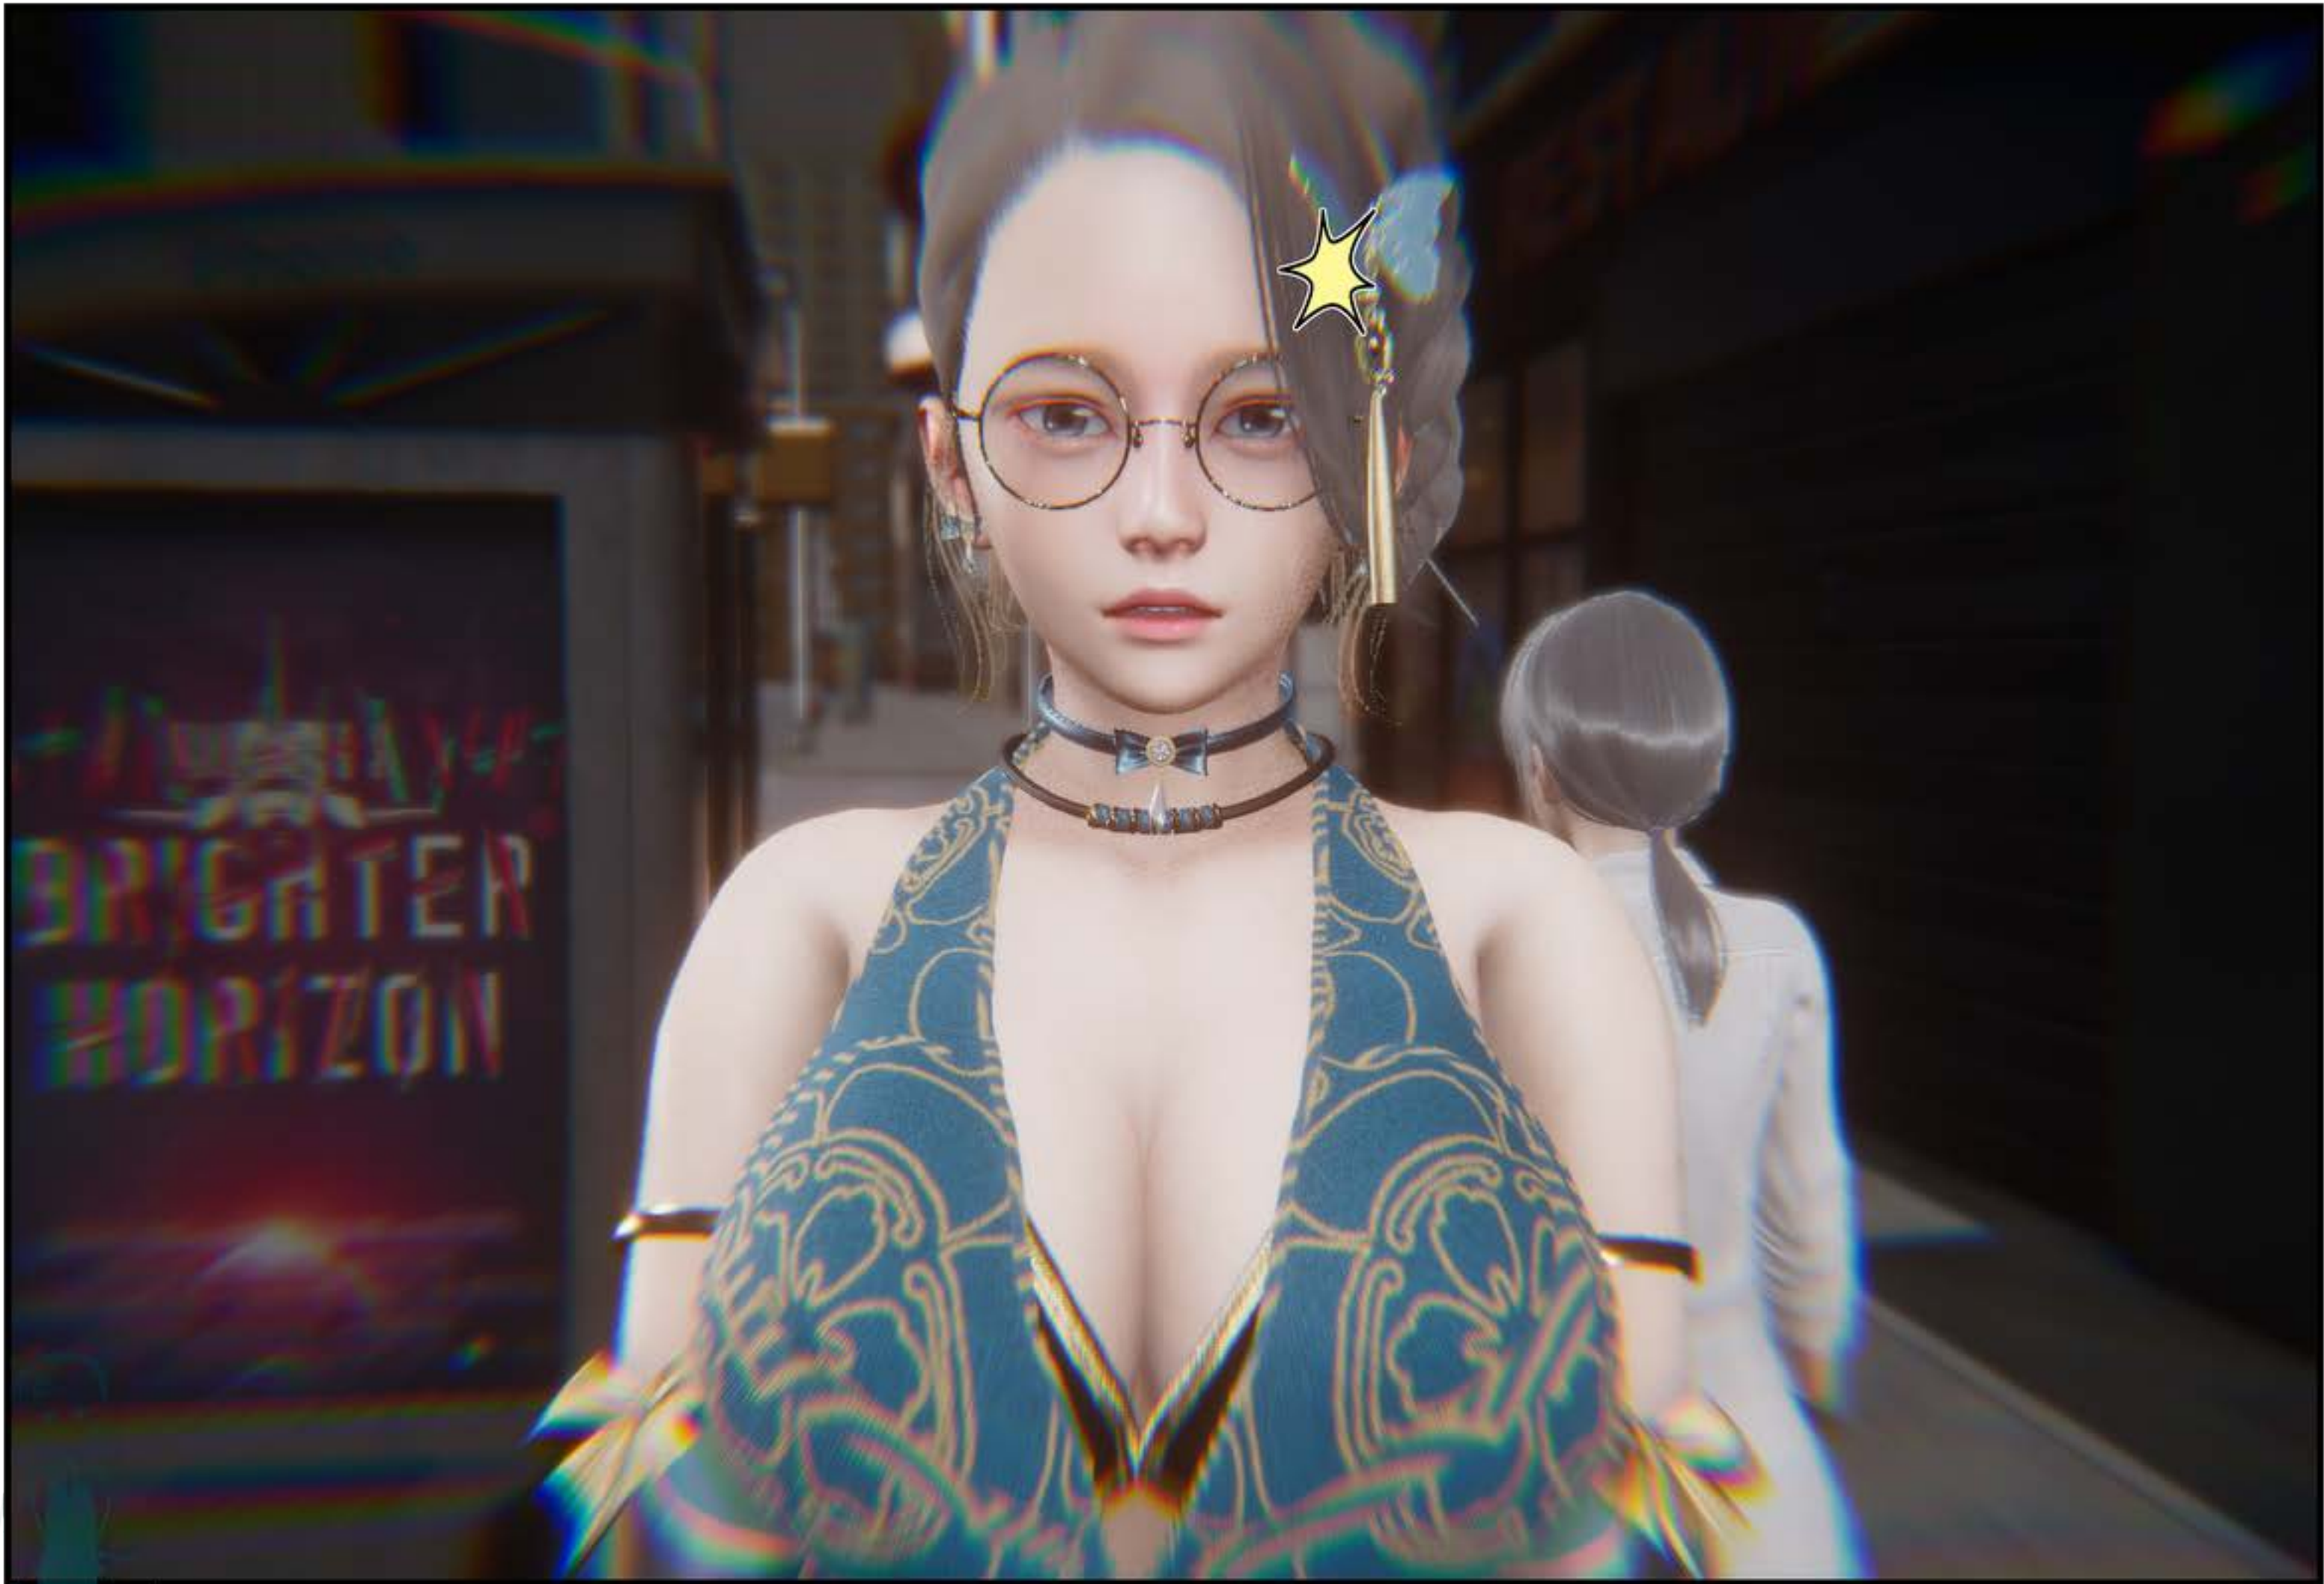

"Testing her... I can see that not all was unfriendly."

"Anyway, someone might meet me at the Central. I should..."

"That just now...  
A Demon!?"

Ms. Mayor, do  
you want to go  
to another coffee shop?

No need, Sarah.  
We must arrive at  
the City Hall on time.

"Seem like... it  
was the person whom  
I looking for."

"Time to out of  
the shell and go get  
the Mayor..."

A character with short, straight grey hair and pale skin with visible cracks, wearing a white lab coat. She is looking slightly to the left. A speech bubble is positioned in the upper left quadrant of the image. The background is dark and indistinct.

"First up, I will  
take over someone  
who close to her."

Excuse me! Are you the owner of this vehicle?

"Tch... I can't believe there's someone here."

"I better stand down,  
and prepare..."

W-What did I do wrong, officer?

Didn't you see the sign saying 'No parking', Miss?

Ah...

"Hmph... So law  
also exist until now."

A character with dark hair, round glasses, and a blue patterned dress stands in a city street. She has a blue butterfly hair ornament and a blue choker. The background shows a city street with buildings and a clear sky.

Rule are rule.  
I'm going to fine you.

"The Demon... Are they able to have an human form!?"

A woman with dark hair, glasses, and a white blouse is speaking to a man in a blue uniform. She has a necklace with a red pendant and a watch on her left wrist. The man is wearing a dark hat and has his back to the camera. The scene is set outdoors at night.

P-Please... We are in a hurry and...

A close-up shot of a woman with short, light-colored hair, wearing a blue uniform jacket, a white collared shirt, a dark tie, and a matching blue hat. She has a surprised or slightly annoyed expression on her face, with her mouth slightly open. The background is a blurred outdoor setting, possibly a street or plaza, with some greenery and a building in the distance.

Look! I'm not having  
all day for this...

Sarah? Why  
haven't we started yet?

We will be late for the conference...

M-Ms. Mayor!!??

I'm sorry, did my secretary park the car at wrong place?

N-No, I didn't know this was your car, Ms. Mayor.

It's alright, rule are rule. Sarah, pay the fine and we will go.

Y-Yes, my fault...  
Ms. Mayor.

A woman with short grey hair, wearing a white lab coat and black gloves, is shown in a close-up shot. She has her hand to her chin in a thoughtful pose. In the background, a woman in a blue and gold dress is walking down a street. A speech bubble is positioned to the right of the woman in the lab coat.

"Hm... The Mayor has power in this city, I see."

"Ah... I hope she  
don't report to the upper."

"My first day being  
a traffic officer...  
become worse..."

A woman with short grey hair, wearing a white lab coat and black gloves, is examining a patient's head. The patient is lying down, and the woman is looking at the patient's hair. The scene is set in a clinical or hospital environment.

You are going to  
helpful to me, girl.

Uh... Uhm...!?

"Um... Um... I  
can't... take her  
hand off... So strong..."

"I must stop that  
Demon from hurting her!"

H-Hey!!!

"A barrier!? How come I didn't realize when it was set up!?"

"This barrier stop the outsider, leave only two of them inside..."

No one is going to see or hear us. We are invisible to them.

You know, just  
in perfect time...

...that I need an ally like you, officer!

The light shall guide us...

...to walk out  
of darkness...

U-Um... Nn...  
Mm... Uhm...

Break the barrier!!!

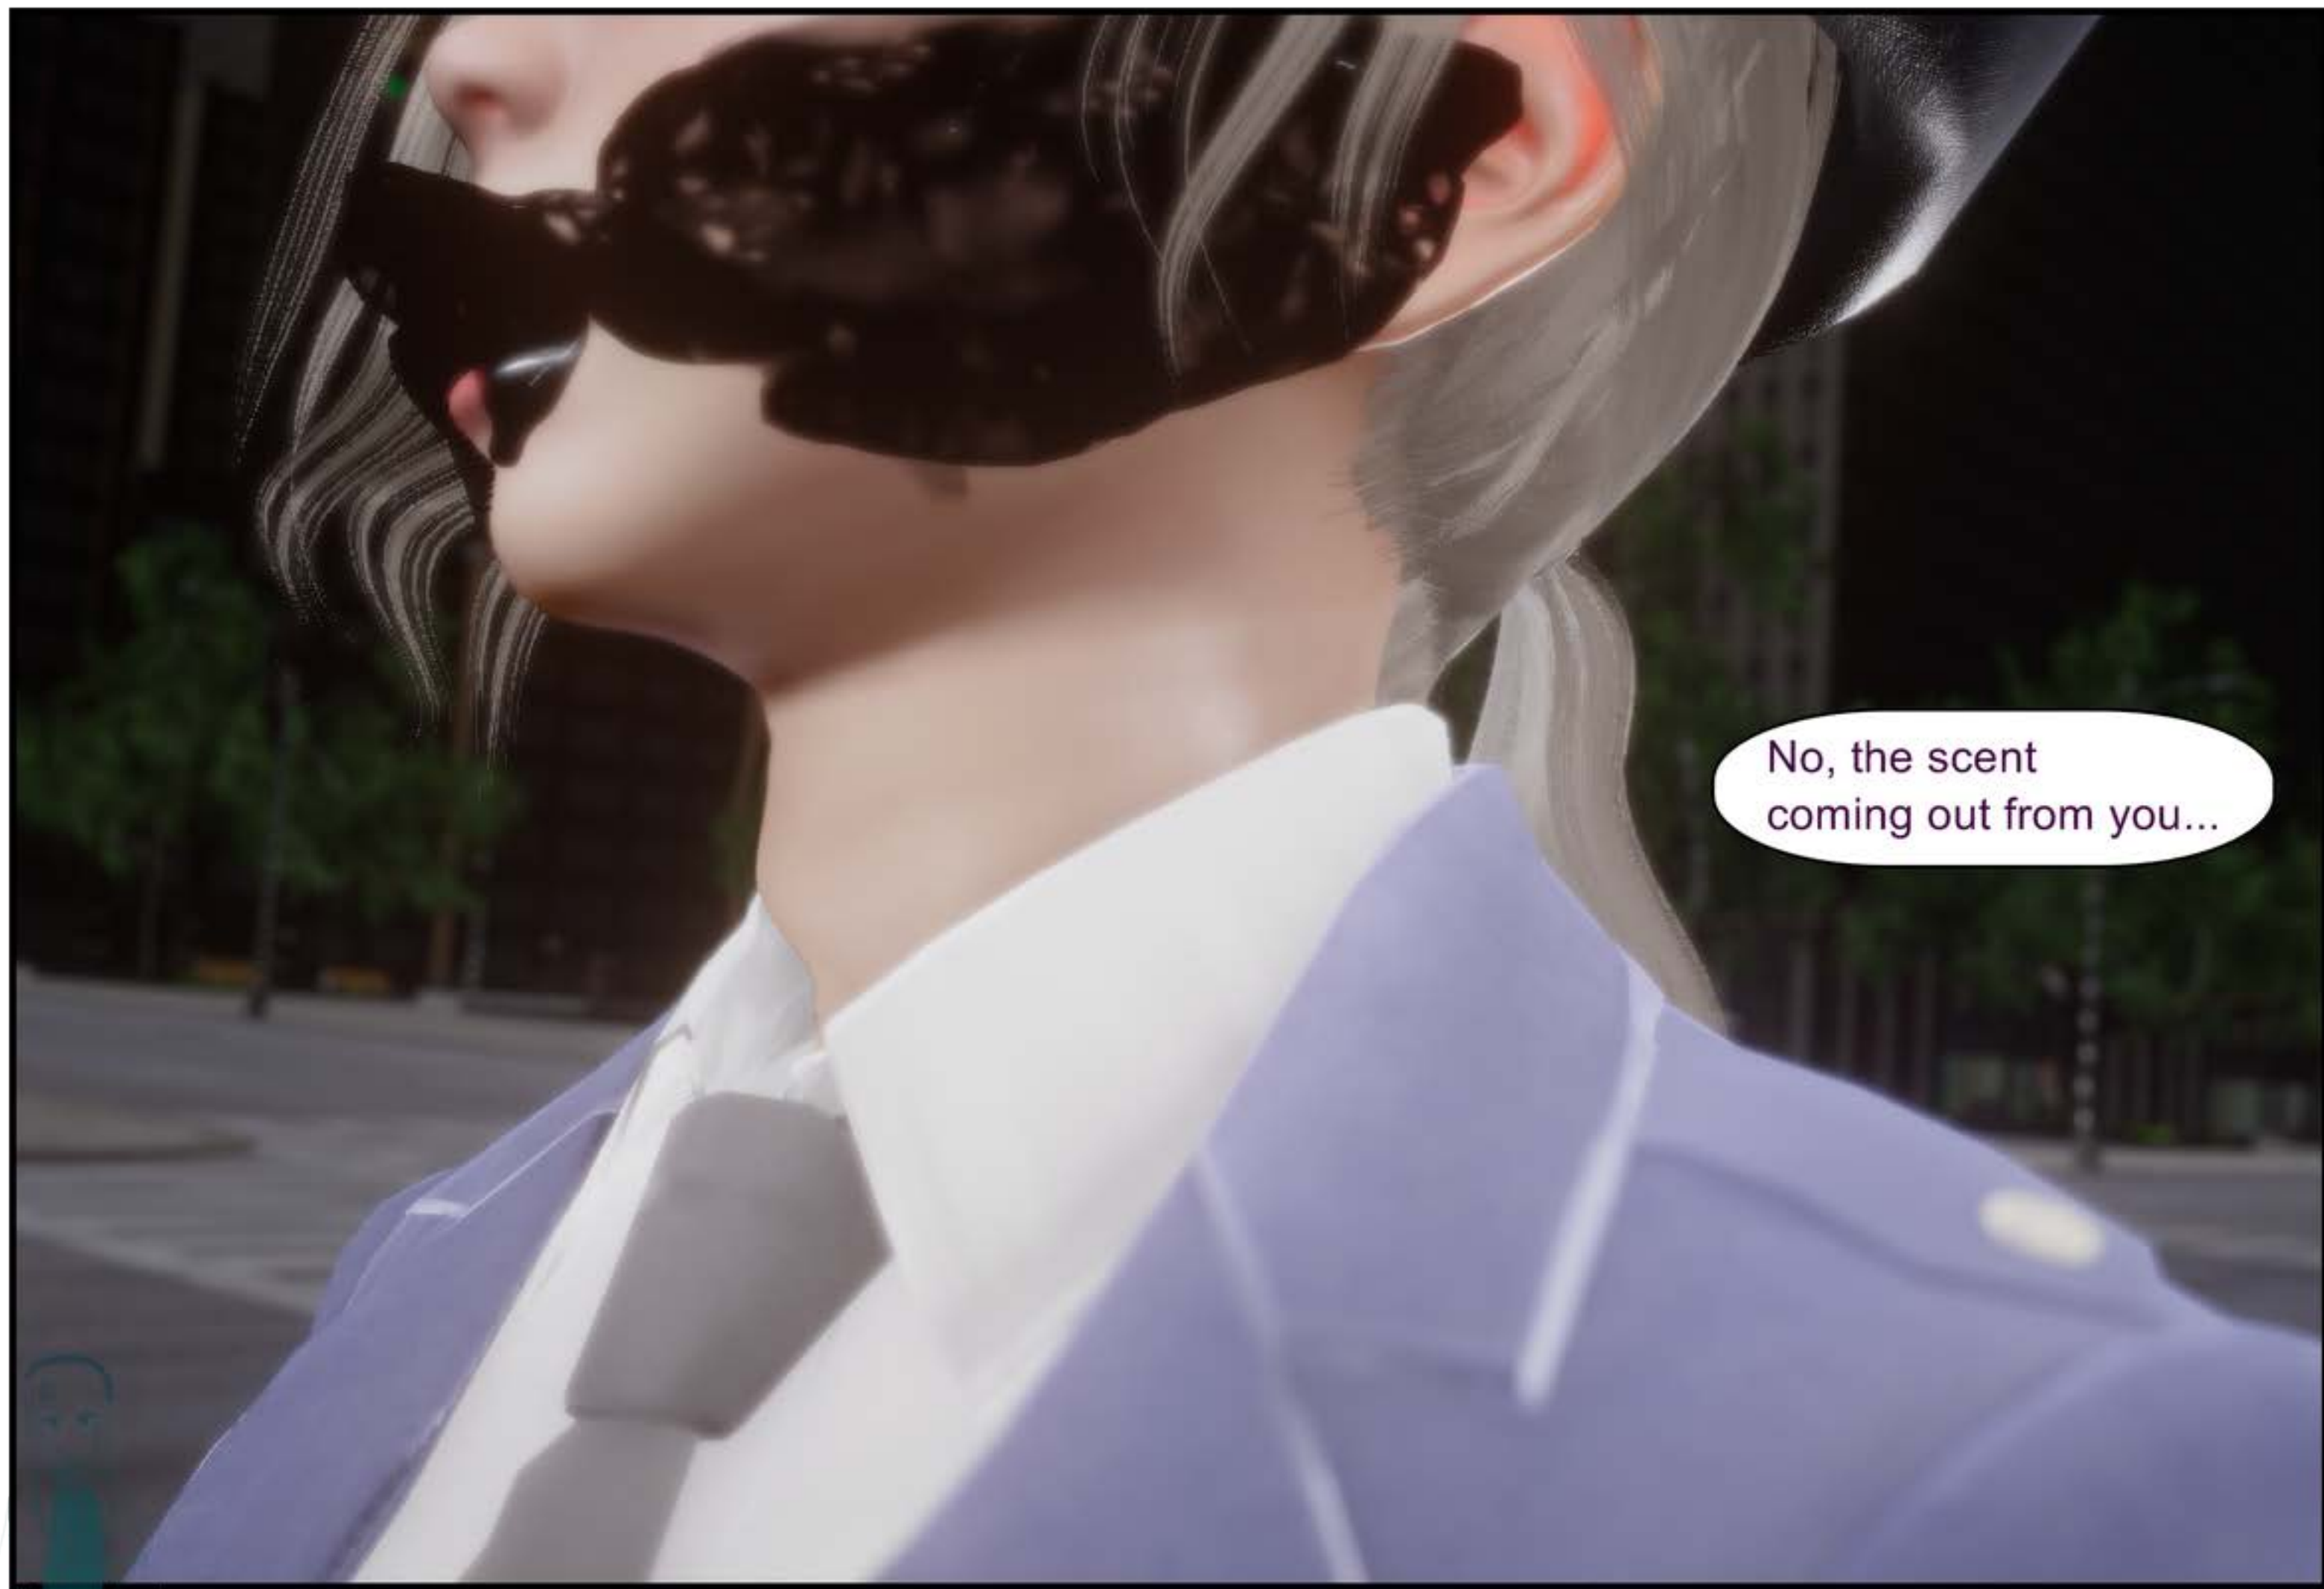

Demon!!!

I order you to let  
them go immediately!

Oh? You are...  
an exorcist?

No, the scent coming out from you...

A close-up shot of a female character with short, straight grey hair. Her skin is pale and has a network of fine, dark cracks across her face and neck, suggesting a cursed or undead state. She is wearing a white, textured jacket. A white speech bubble is positioned to her left, containing the text "A Demon Hunter, am I correct?". The background is a dark, out-of-focus street at night with some greenery and a traffic light.

A Demon Hunter,  
am I correct?

You will soon know  
the consequence if  
you don't...

Oh? What are you going to do?

It seem that she is going to eliminate us.

Don't you dare to touch my Master! Over me first!

"Darn it... She is controlling the officer!?"

"This also... a  
hostage situation..."

I can possess a body,  
more than that, I want  
to gather more allies.

Someone... that I  
can rely on and  
have fun with them.

But you are also perfect for me, too... Demon Hunter.

What are you saying...!?

If I can take over you...

...Would you call that you are being careless?

Hell's flame!!!

Hm... That was a good reflex...

Also prove that you  
are not match for me.

Not like the same former Demon Hunter whom I fought before.

I'm not interested  
in the weaker one...

Y-You...

"My body... I  
can't... move..."

Master, seem like your poison is taking effect on her.

Leave her be. We will see if she able to survive it.

"P-Poison...!?  
That piece of slime..."

"I'm not... having  
any... strength left..."

You have a nice  
room for two, officer.

It's my pleasure,  
Master.

Also, it also very cozy for us to have some fun.

Come closer to me, would you?

Yes... Ah... Hah...  
Rub it harder...

Ah... Hah... Hah...  
I'm... going to...

You arrived...

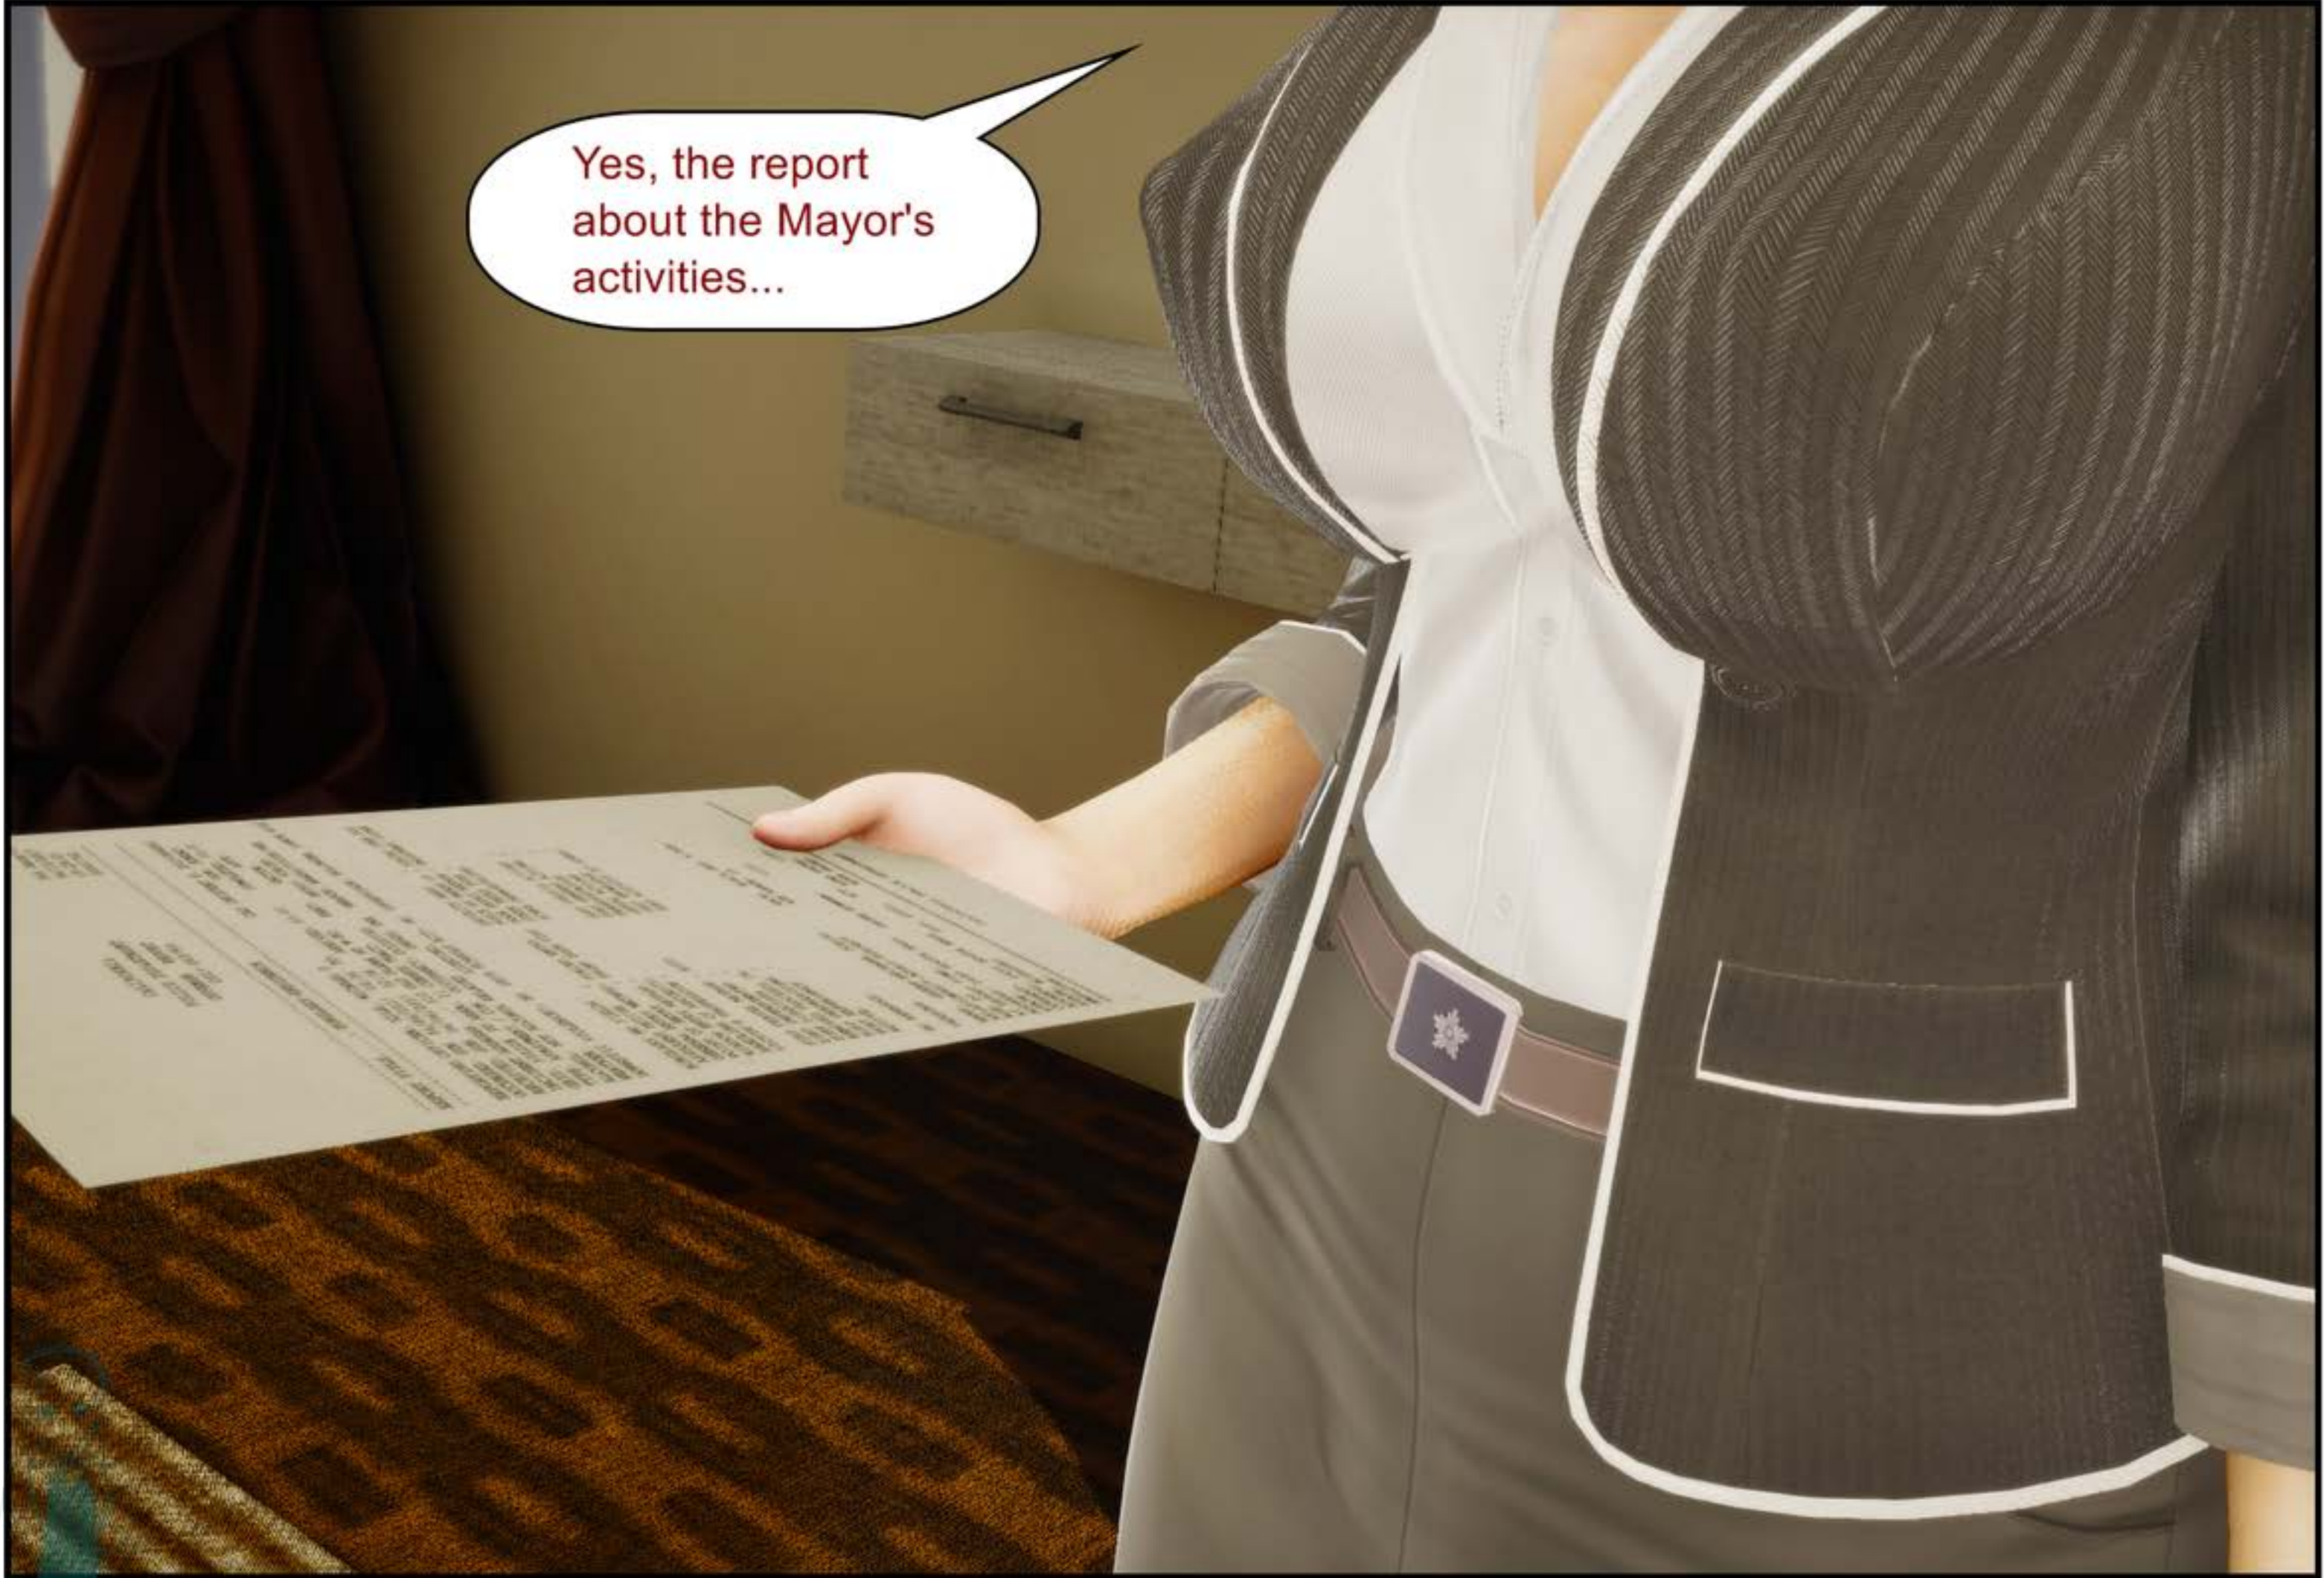

Have you done  
what I asked?

Yes, the report  
about the Mayor's  
activities...

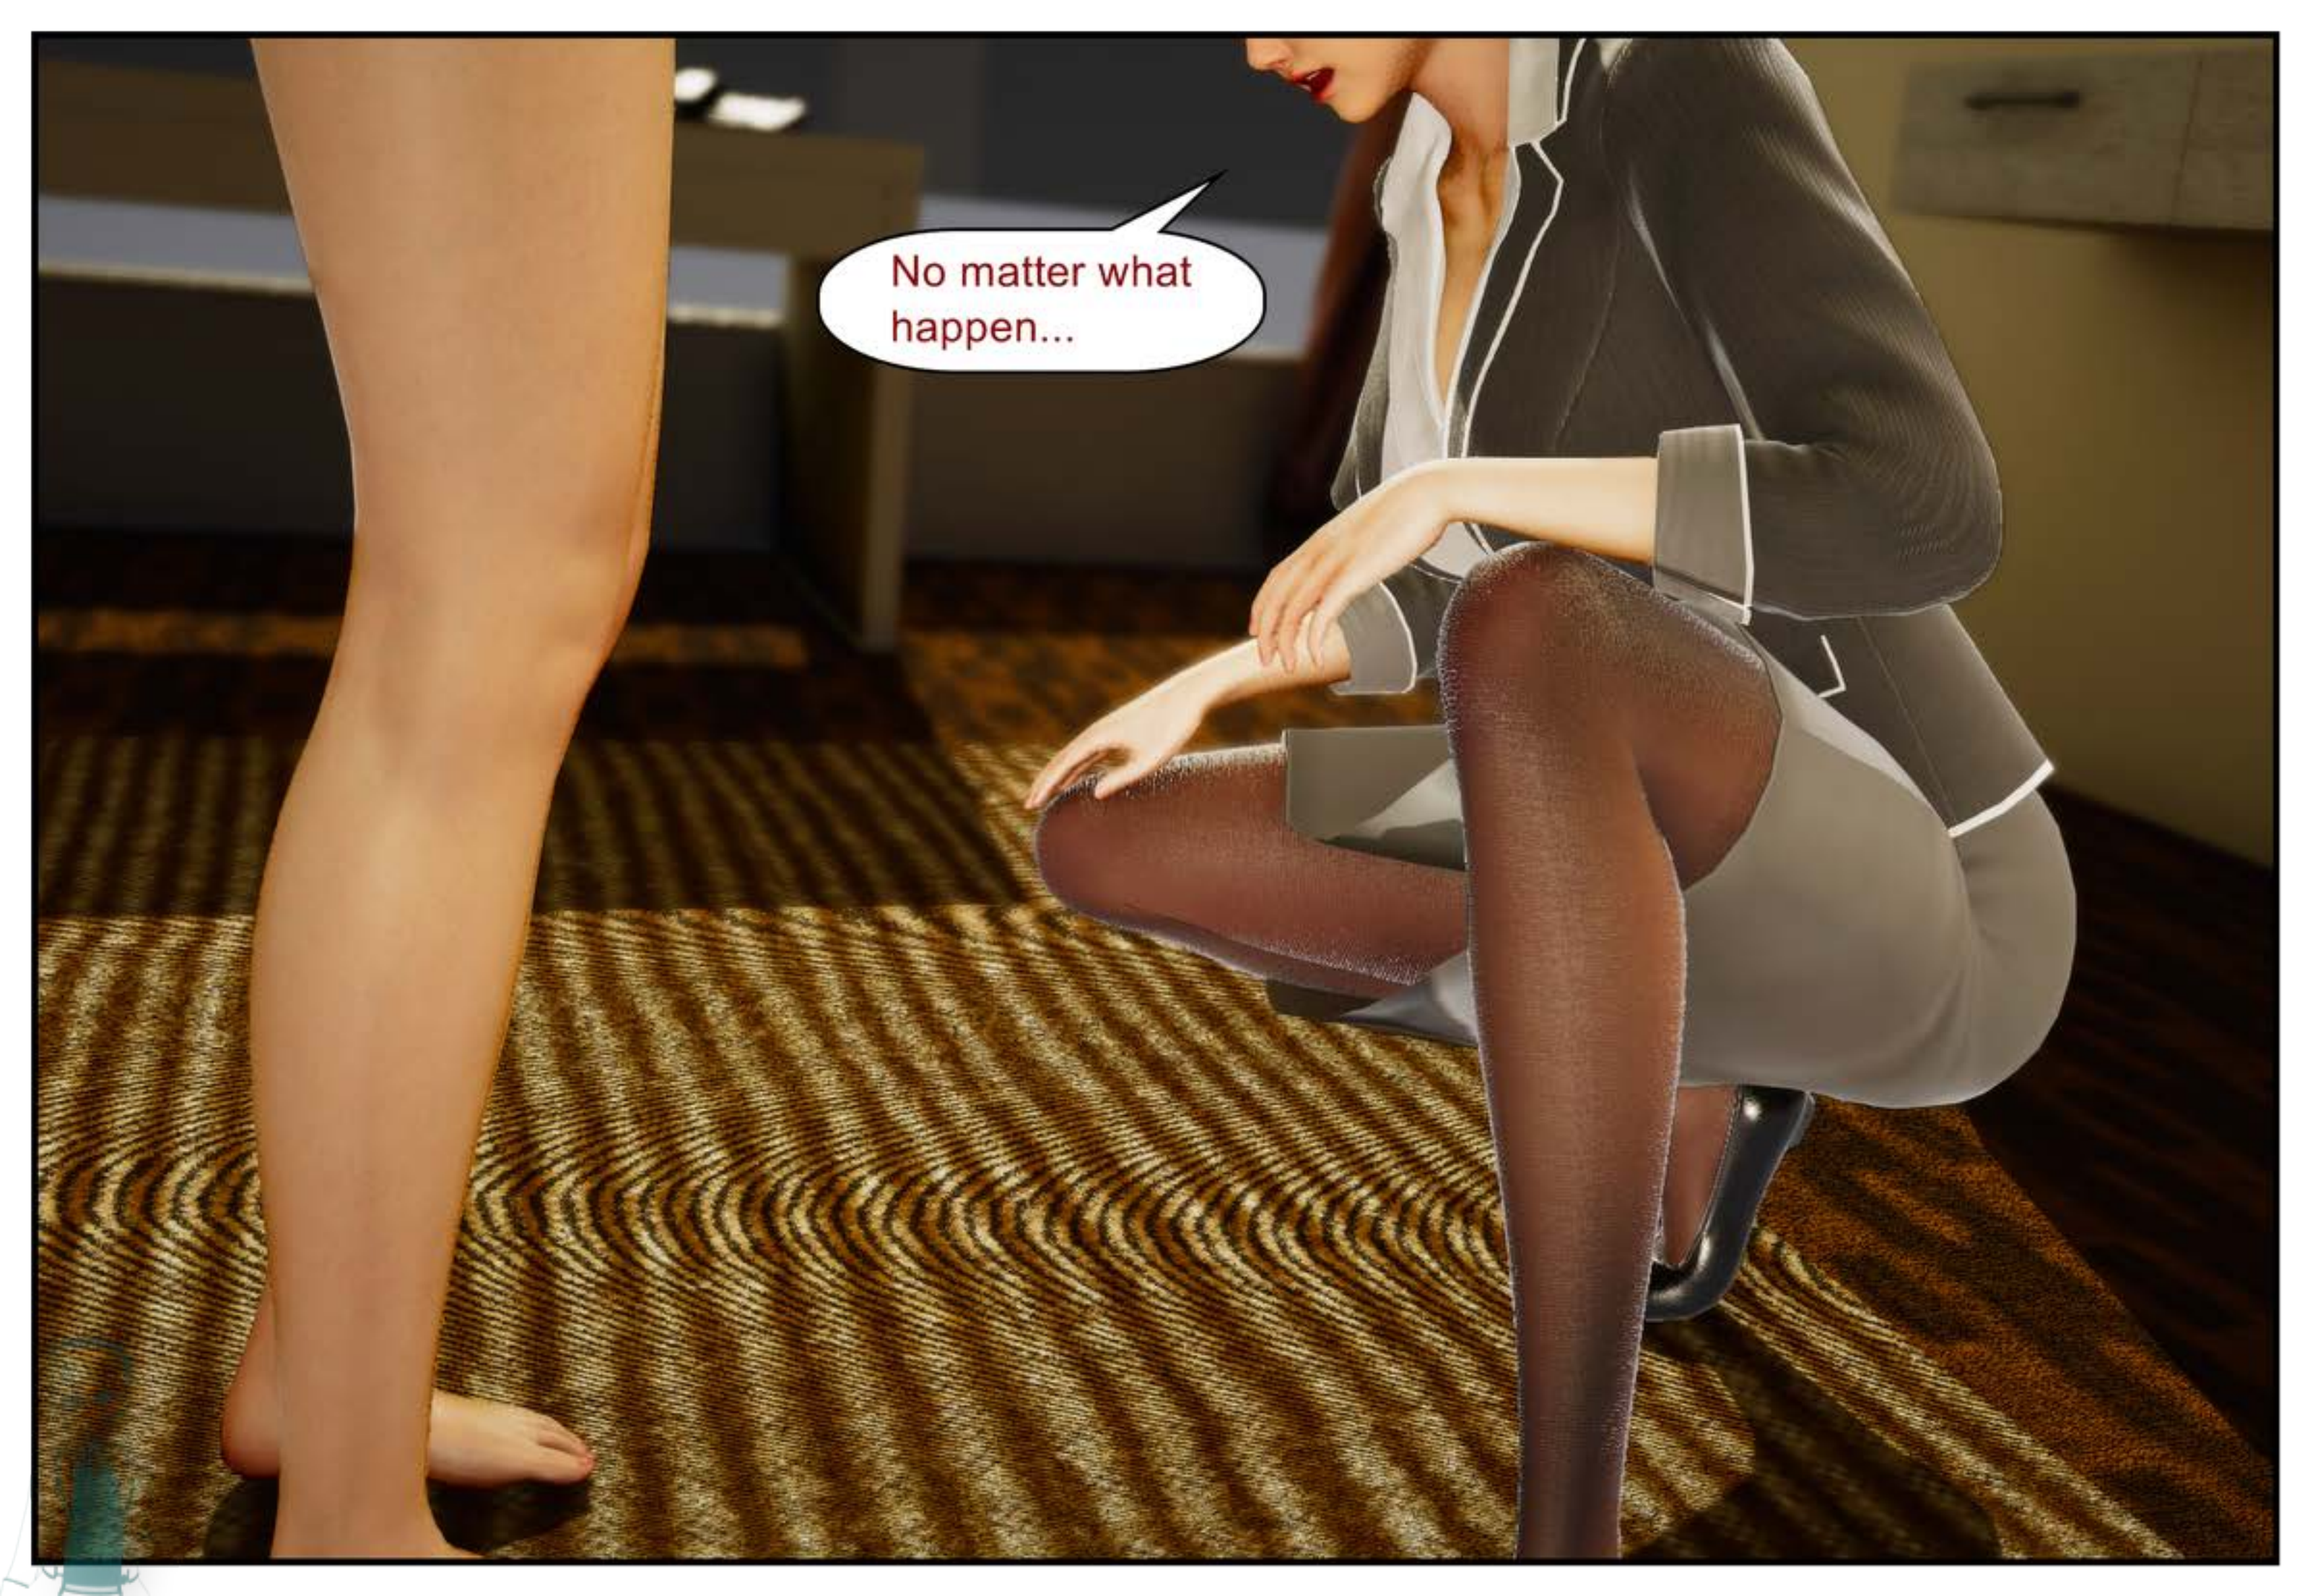

Also, information  
about her employee...

How do I know that I can trust you with that?

No matter what  
happen...

A close-up, three-quarter view of a woman with short, dark hair pulled back. She is wearing thin, silver-rimmed glasses and a grey blazer over a white collared shirt. Her skin is covered in a network of fine, brown cracks, particularly on her face and neck. She has a serious, determined expression, looking slightly to the left. The background is a blurred, dark interior.

I will follow you  
to the end, Master.

A close-up, three-quarter view of a woman with short, dark hair. She is wearing thin, silver-rimmed glasses and has a serious expression. Her skin, particularly on her right cheek and around her eye, is cracked and appears to be made of a brittle material. She is wearing a grey blazer over a white collared shirt. A speech bubble is positioned to her left.

As my body and  
mind belong to you...

Seem like... you are trustworthy enough...

I'm going to need someone... who are capable of getting inside the City Hall.

To be continued?

It's time that I  
will use your mind  
and body...
