

Real name: Emilia

Emilia was at Safira's side since the beginning of the company. A master of business and investment, without her knowledge, the company would never go far.

Loves the 50's pin-up style.

She spends a good chunk of the morning every day getting her hair right.

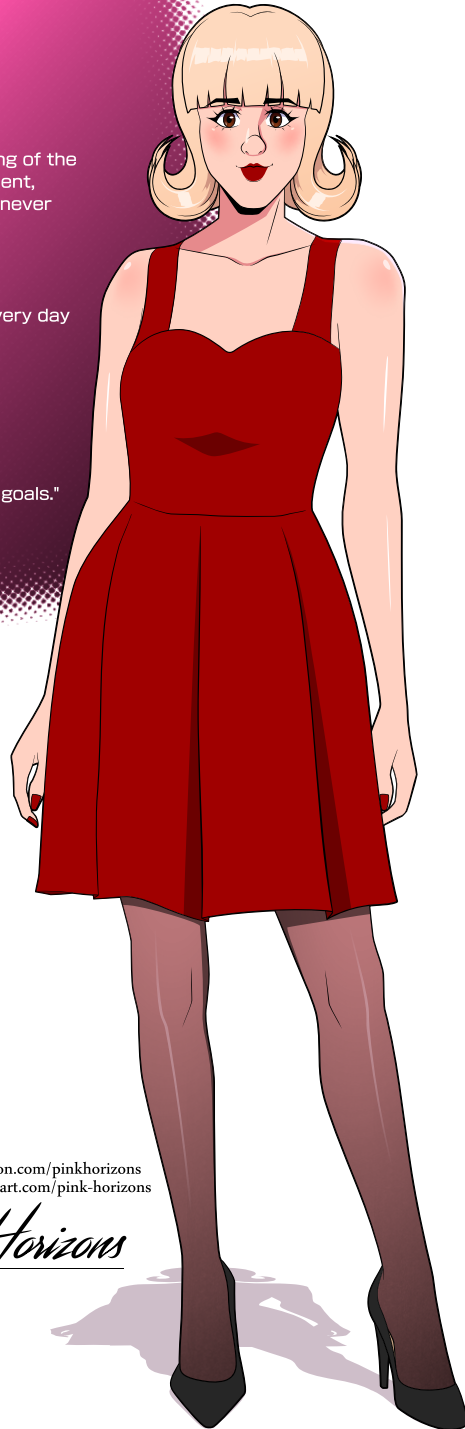

"I had to be strong from an early age. I came from a poor background. My family never accepted me as a woman. I had to be strong if I wanted to achieve my goals."

"Just call me Lili for short"

Age: 30 Years old
12 years of HRT
height: 169 cm

Pink Horizons

Sissy name: Velvet

Dressing up super feminine has always helped Emilia deal with her real-life issues. It works as a sort of escapism for her, allowing herself to be in a position of weakness after having to be so strong during the day.

As a straight girl, she has great admiration for strong, masculine guys.

"real men are such a rarity these days..."
