

SUNNY

"Hi! I'm Sunny! Do you want to see my pet cats?"

SUNNY

*Tiefling peasant, possessed,
warlock: chaotic good.*

Personality Traits. Sunny is a tiefling daughter to two impoverished farmers. Her bright disposition is contagious, and as a result is a local favorite among her neighbors. However, Sunny has dreams of herself doing terrible deeds, and as a result does her best to help others while she's awake.

Ideals. Sunny loves her parents and neighbors.

Fears. The dark, and Urihzl.

Quirks. Talks *very* fast.

Secret. Sunny's demonic heritage has led her to be the prized target of a powerful, evil demonic patron named Urihzl. His possession of her is a step toward his greater goal of the corruption and eventual enslavement of her town and its citizens.
