## Prologue

ART AND STORY BY LURKERGG  
EDITED BY NICOTHEMIC, DELITA  
AND FENOXO

LONG AGO, A GREAT DARKNESS WAS SEALED  
IN ITS OWN EVIL PRISON DIMENSION -  
THIS GUY WAS TOTALLY NOT GANNON, HE  
WAS HITCHHIKING ACROSS THE TWILIGHT  
REALM TRYING TO "FIND HIMSELF" AT  
THE TIME.

IN ORDER TO BANISH THE EVIL,  
NUMEROUS ORACLES DEVOTED  
THE POWER WITHIN THEIR  
BLOOD TO HOLD THE SEAL  
IN PLACE.

HOWEVER, EVERY 200 YEARS,  
A HERO MUST RECHARGE THE  
SEALS BY COMMUNING WITH THE  
DESCENDANTS OF THESE ORACLES.

THAT HERO IS YOU, LINK! YOU MUST GO  
TO EACH OF THE DESCENDANTS TO  
RECHARGE THE POWER OF THE SEALS! I  
HAVE THE LIST OF ALL THE DESCENDANTS  
THAT YOU HAVE TO . . .

SPLAAATTTT!!!!

\*GASP\*  
DEEE-LICIOUS!  
\*GASP\*

NOW, LINK,  
I HAVE ONE LAST  
TASK FOR YOU BEFORE  
YOU START YOUR  
QUEST...

COME, DELVE  
INTO MY TIGHT AND WET  
DUNGEON BEFORE YOU  
VENTURE ON YOUR JOURNEY...  
FILL ME WITH A FAIRY  
POOL'S WORTH OF YOUR  
"COURAGE ELIXIR!"

OOHH!!!

FUCK ME LINK!

RIDE ME LIKE  
EPONA!!

THE NEXT MORNING.

\*GIGGLE\*  
BECAUSE I MADE  
THE WHOLE THING UP! THE  
LIST I GAVE HIM WAS OF  
ALL THE GIRLS THAT WANT A  
PIECE OF HIS "MASTER  
SWORD."

LOOK, I LOVE HIM,  
AND HE'S THE BEST LAY  
IN ALL OF HYRULE, BUT  
SERIOUSLY! WE NEED  
A BREATHER!

MIDNA...  
HOW COME I'VE  
NEVER HEARD ANYTHING  
ABOUT THESE  
"ORACLES"  
BEFORE?

GOOD  
THING YOU SENT  
HIM ON THAT BOGUS  
QUEST BEFORE WE GOT  
OVERBURDENED.

# Lending Loup Out

ADULT FANTASY SERIES IN PRODUCTION  
BY LURKERGG

Hello everyone, LurkerGG here. Over the last couple of years I have been working on "Lending Link Out," a Legend of Zelda Adult Parody comic. It's been a wild ride, but I have a big announcement to make. I will be rebooting "Lending Link Out" into "Lending Loup Out." I will do my best to provide my reasoning in the F.A.Q below, but this was not a decision I made lightly or alone. I made sure to seek out feedback from supporters and others who have worked on the project before coming to this decision.

So let's get to the nitygritty;

## Why reboot LLO?

**It was Changing** - I had changed the characters and the world of the source material so much that it had become its own thing. Characters didn't act or look the same as they did in the games, so it seemed simple to push a little more with name changes and design changes in order to create a work that was more my own than a full parody.

**Creative freedom** - While I had changed a lot already, I was restricted in certain other story aspects. How the world worked, the number of characters who had overlapping themes, and just the sheer number of characters that people wanted to see were all difficult to work around. Now I have more freedom to change things to better fit what I want to create.

**DMCA** - Let's be honest, papa Nintendo is not the friendliest to fan projects. Changing LLO into its own legally distinct project avoids their ire, and just leads to everyone being a lot happier overall.

## What's Going to Change in LLO?

**Names and Faces** - All of the characters names and designs will be changed to match the rebooted look of the project. You may notice characters also act differently than the character they were a parody of, but know that this was already a change I had made during the initial version of LLO. Midna, Impa, and Saria aren't actually that cock-hungry.

**Moving from Comic to Visual novel format** - I will be moving the project to more of a visual novel format. While I still plan to make shorter comics when time permits, I want to expand into more interactive story telling media.

**Refined Story** - When I started the initial LLO, the story was written while making the comic, with no plan whatsoever. That has changed, and the story going forward will be far more structured, with a planned beginning and ending.

Thank you to everyone that joined me during the first edition of LLO and everyone that will join me for the second!

## Special thanks to
