

Announcement voice through public speakers of a stadium

3 women from different countries sitting with a large table in front with crowd in the background waving flags and cheering

Troll Cat brings the pizza boxes for the first round

One of the women Valerie thinks to herself as she opens the boxes of pizza

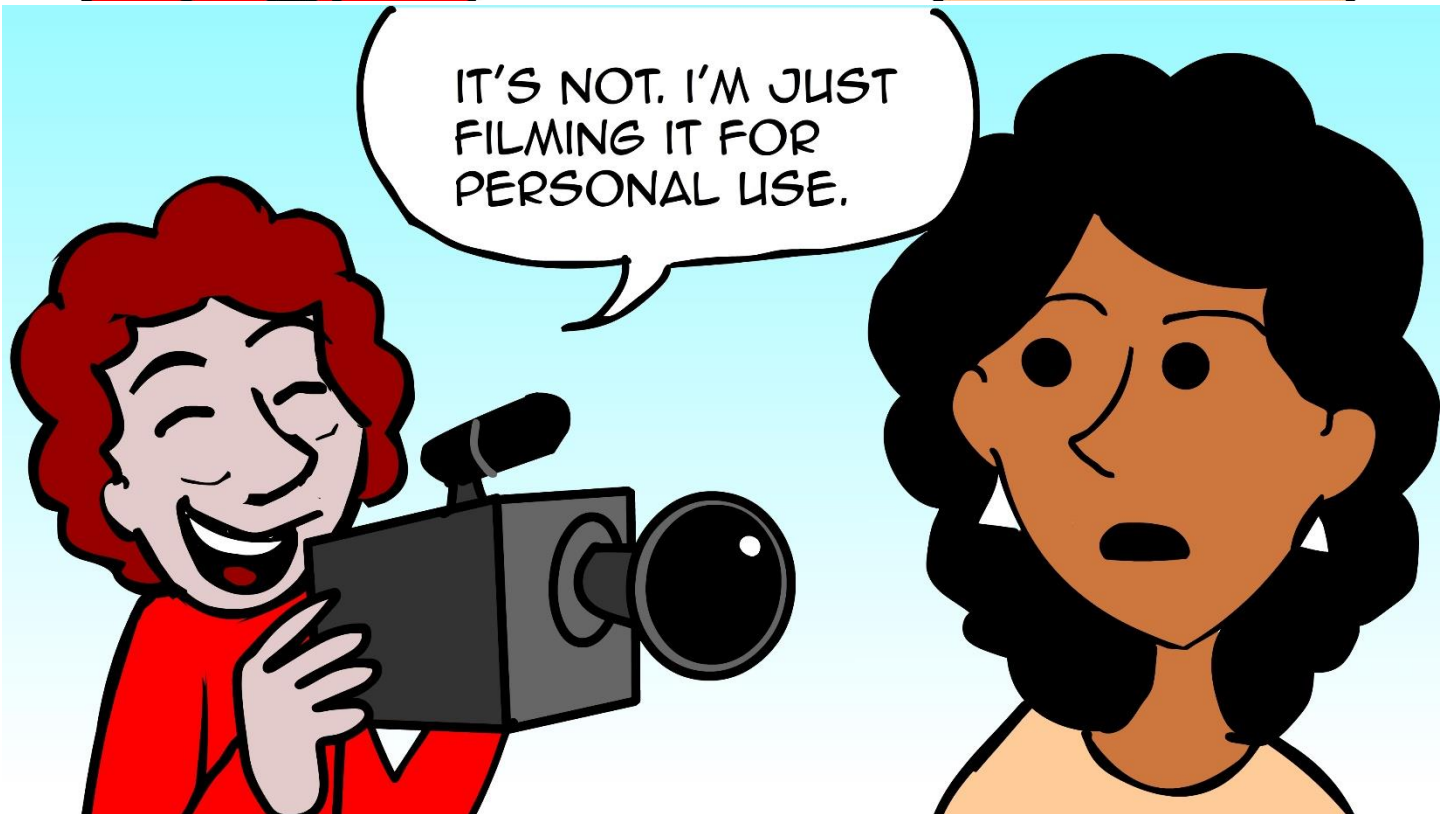

She keeps eating one pizza slice after another

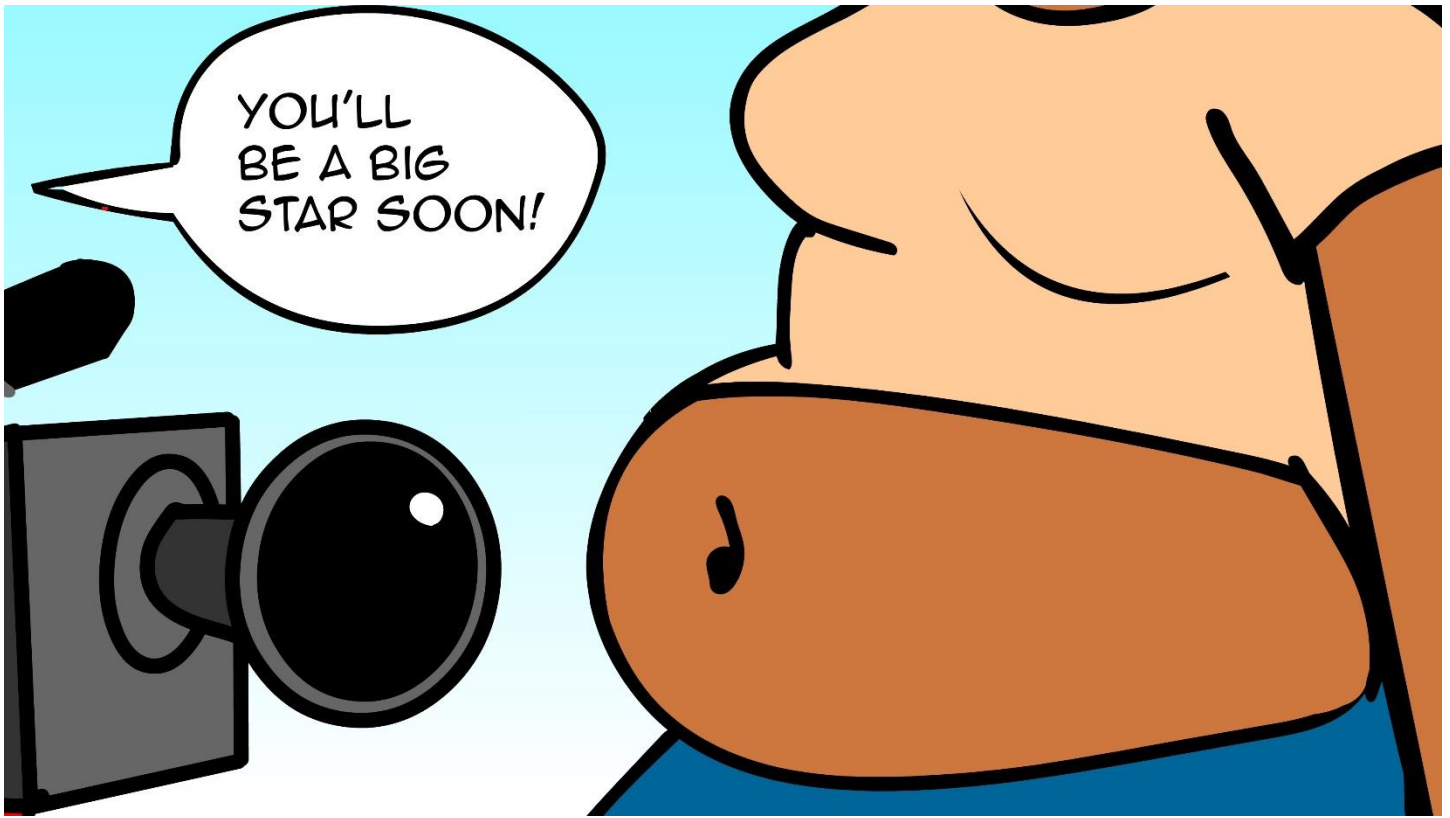

Roger pops out of nowhere with a giant video camera

Roger puts the camera near her belly which is full of pizza

Troll cat shows up and starts dragging Roger away against his will.

Sound effects of a small fight happening off camera with a small shake of the screen

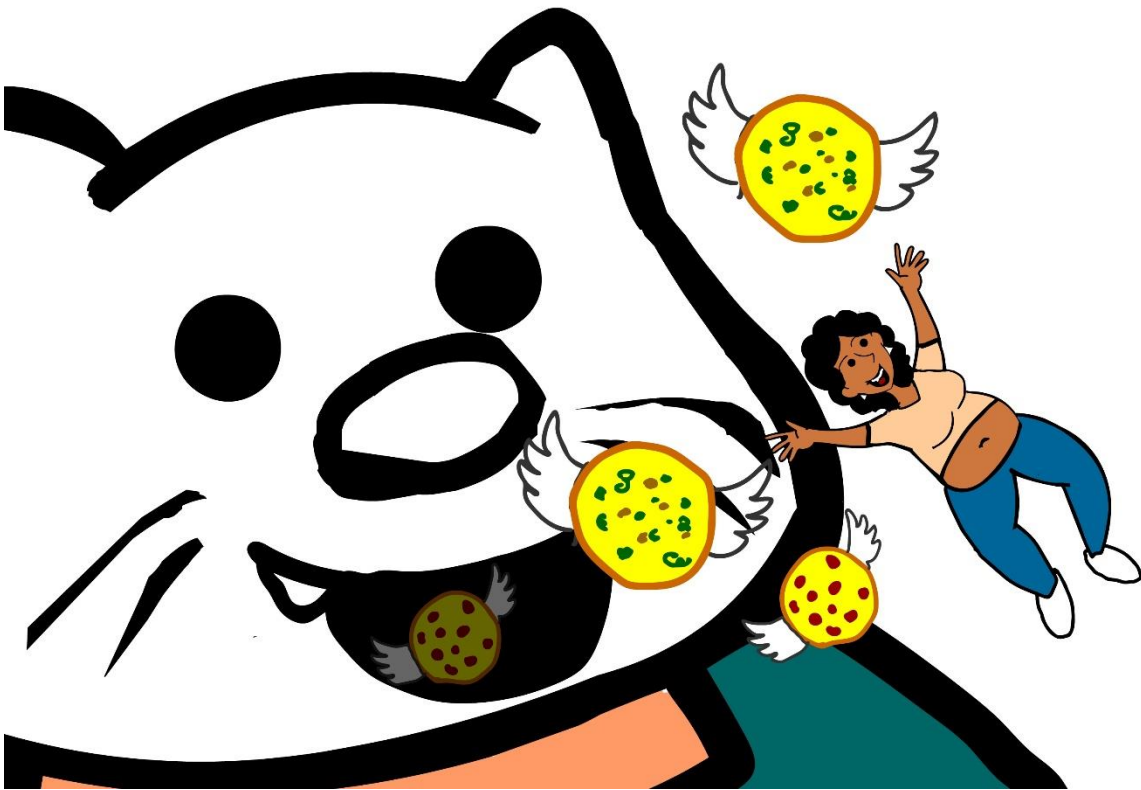

Next shot show the woman extremely full and asleep snoring out loud

She is dreaming of flying with pizzas with wings on them floating around her

A giant Troll Cat appears and swallows all the pizzas including the woman

Giant Troll cat licks his lips

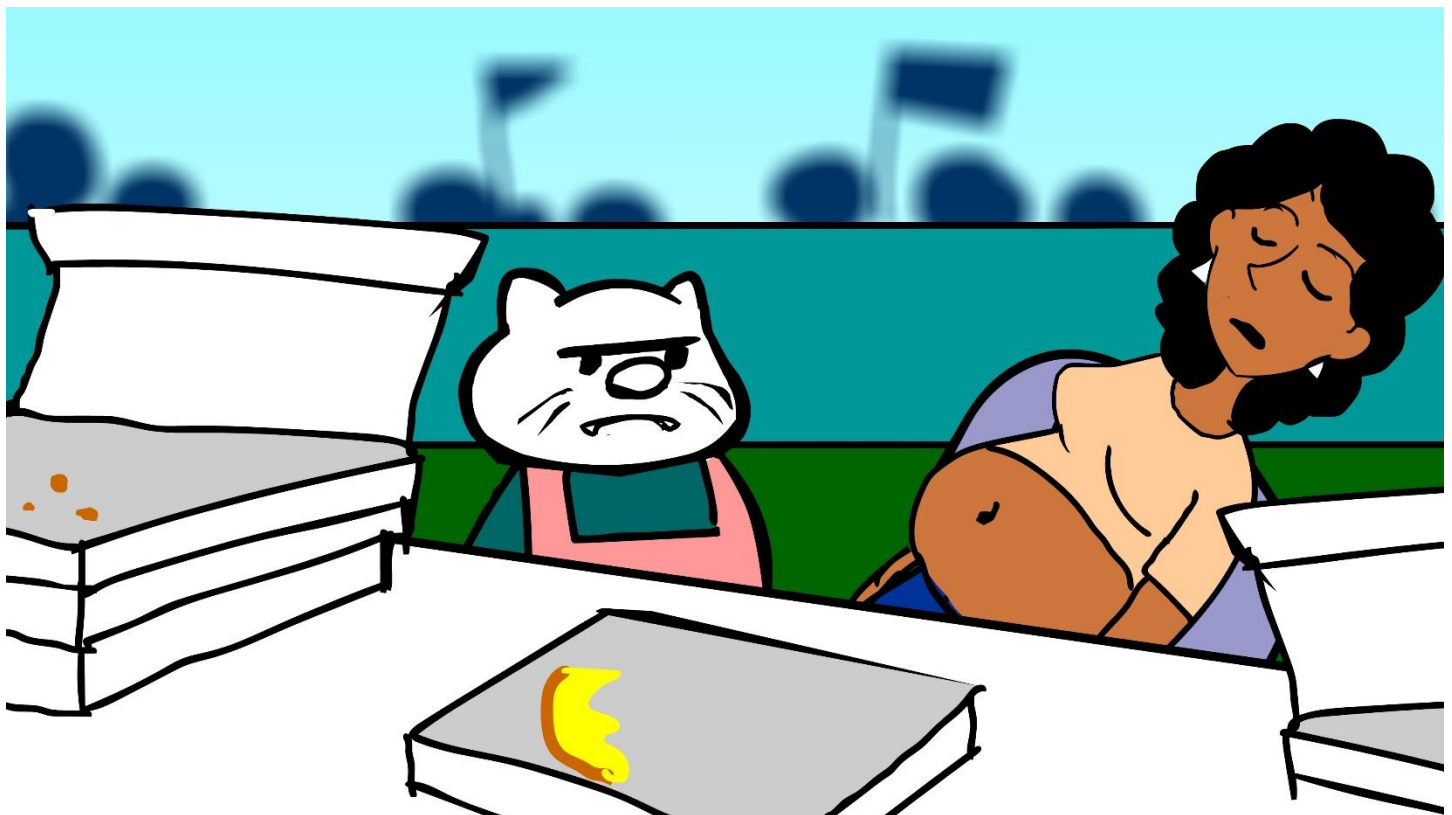

Back to reality, Troll Cat is poking the woman to wake up. Her dream bubble bursts and she is awake again. Troll cat mentions it's round 2

The woman screams in shock.

And she closes her eyes and faints. She and her chair falls over with a loud crash

Same announcement voice from the beginning ends the animation
