

Even you possessed her, still a weakling.

It's time to get out  
of Ryuu's body and  
tell me, who are you?

"This woman, a God herself, beat me up with a bare hand.."

"Hmm..I don't think I can use tricks to possess her in this state."

"I will need to distract her and then withdraw."

Then, no other choices but to fight, huh?

I bet you want more then, and I won't mind if Ryu got injured.

"P-pink mist..!?"  
This is.."

"This mist.. it's  
distracting her..  
A good chance, but  
I don't have enough  
energy to parasite."

"Well.. I couldn't  
win this fight anyway.."

"Retreat is the only option I have!"

"Huh..? Why didn't she chase me..?"

A character with long blue hair, wearing a purple and silver outfit with a long purple cape, stands in a room with wooden pillars and a misty atmosphere. The character is looking slightly to the right. There are some small, jagged lines around the character's chest and arms, possibly indicating discomfort or a specific effect. A speech bubble is located in the upper left corner of the image.

"I can.. barely move  
in this mist.. Freya.."

"Finally.. I got  
out of her sight.."

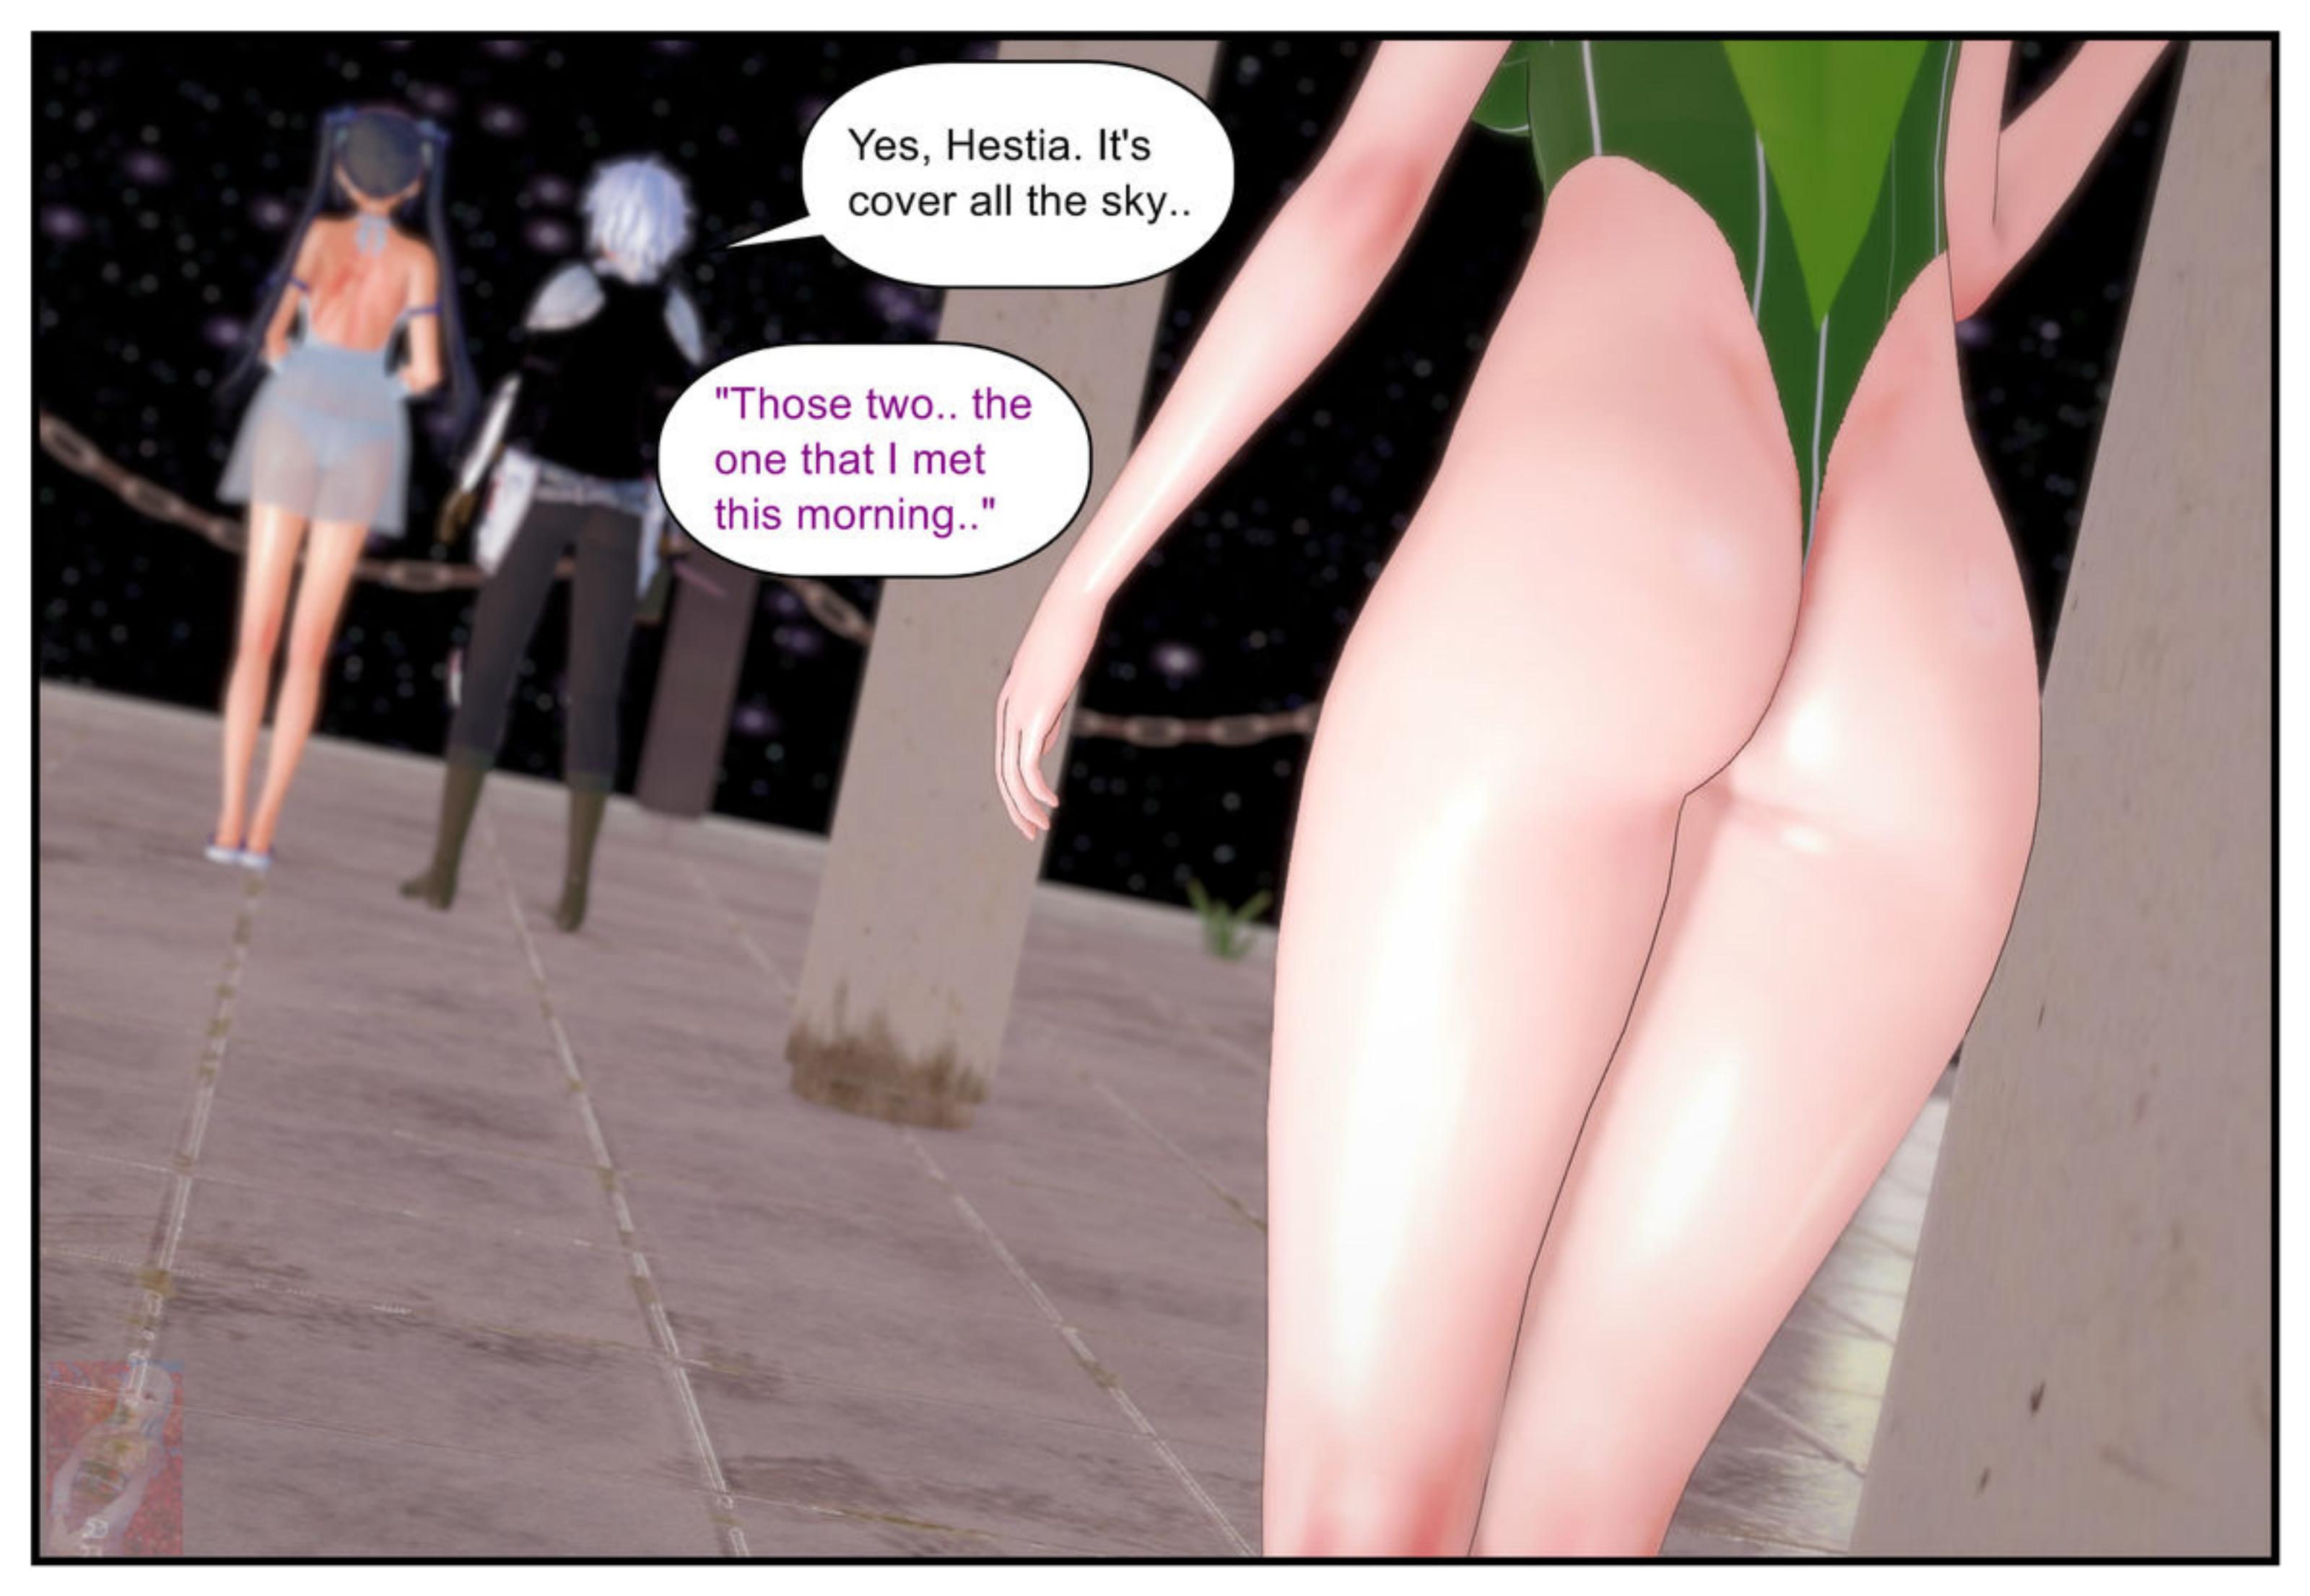

A sky full of stars  
tonight, right Bell?

"I must.. get more  
energy!"

Yes, Hestia. It's  
cover all the sky..

"Those two.. the  
one that I met  
this morning.."

But tomorrow, I  
will be in the  
dungeon all day.

It was great to be  
with you all day!

Yes, what is it, Hestia?

Hey, Bell? I have something that I wanted to ask..

Just.. if I were in danger.. I wonder..

..what will you do, Bell?

Uhm.. You and others have come and protected me this far.

That's why I will do anything to protect you and everyone in returns!

Well.. It's late, and we haven't had dinner so..

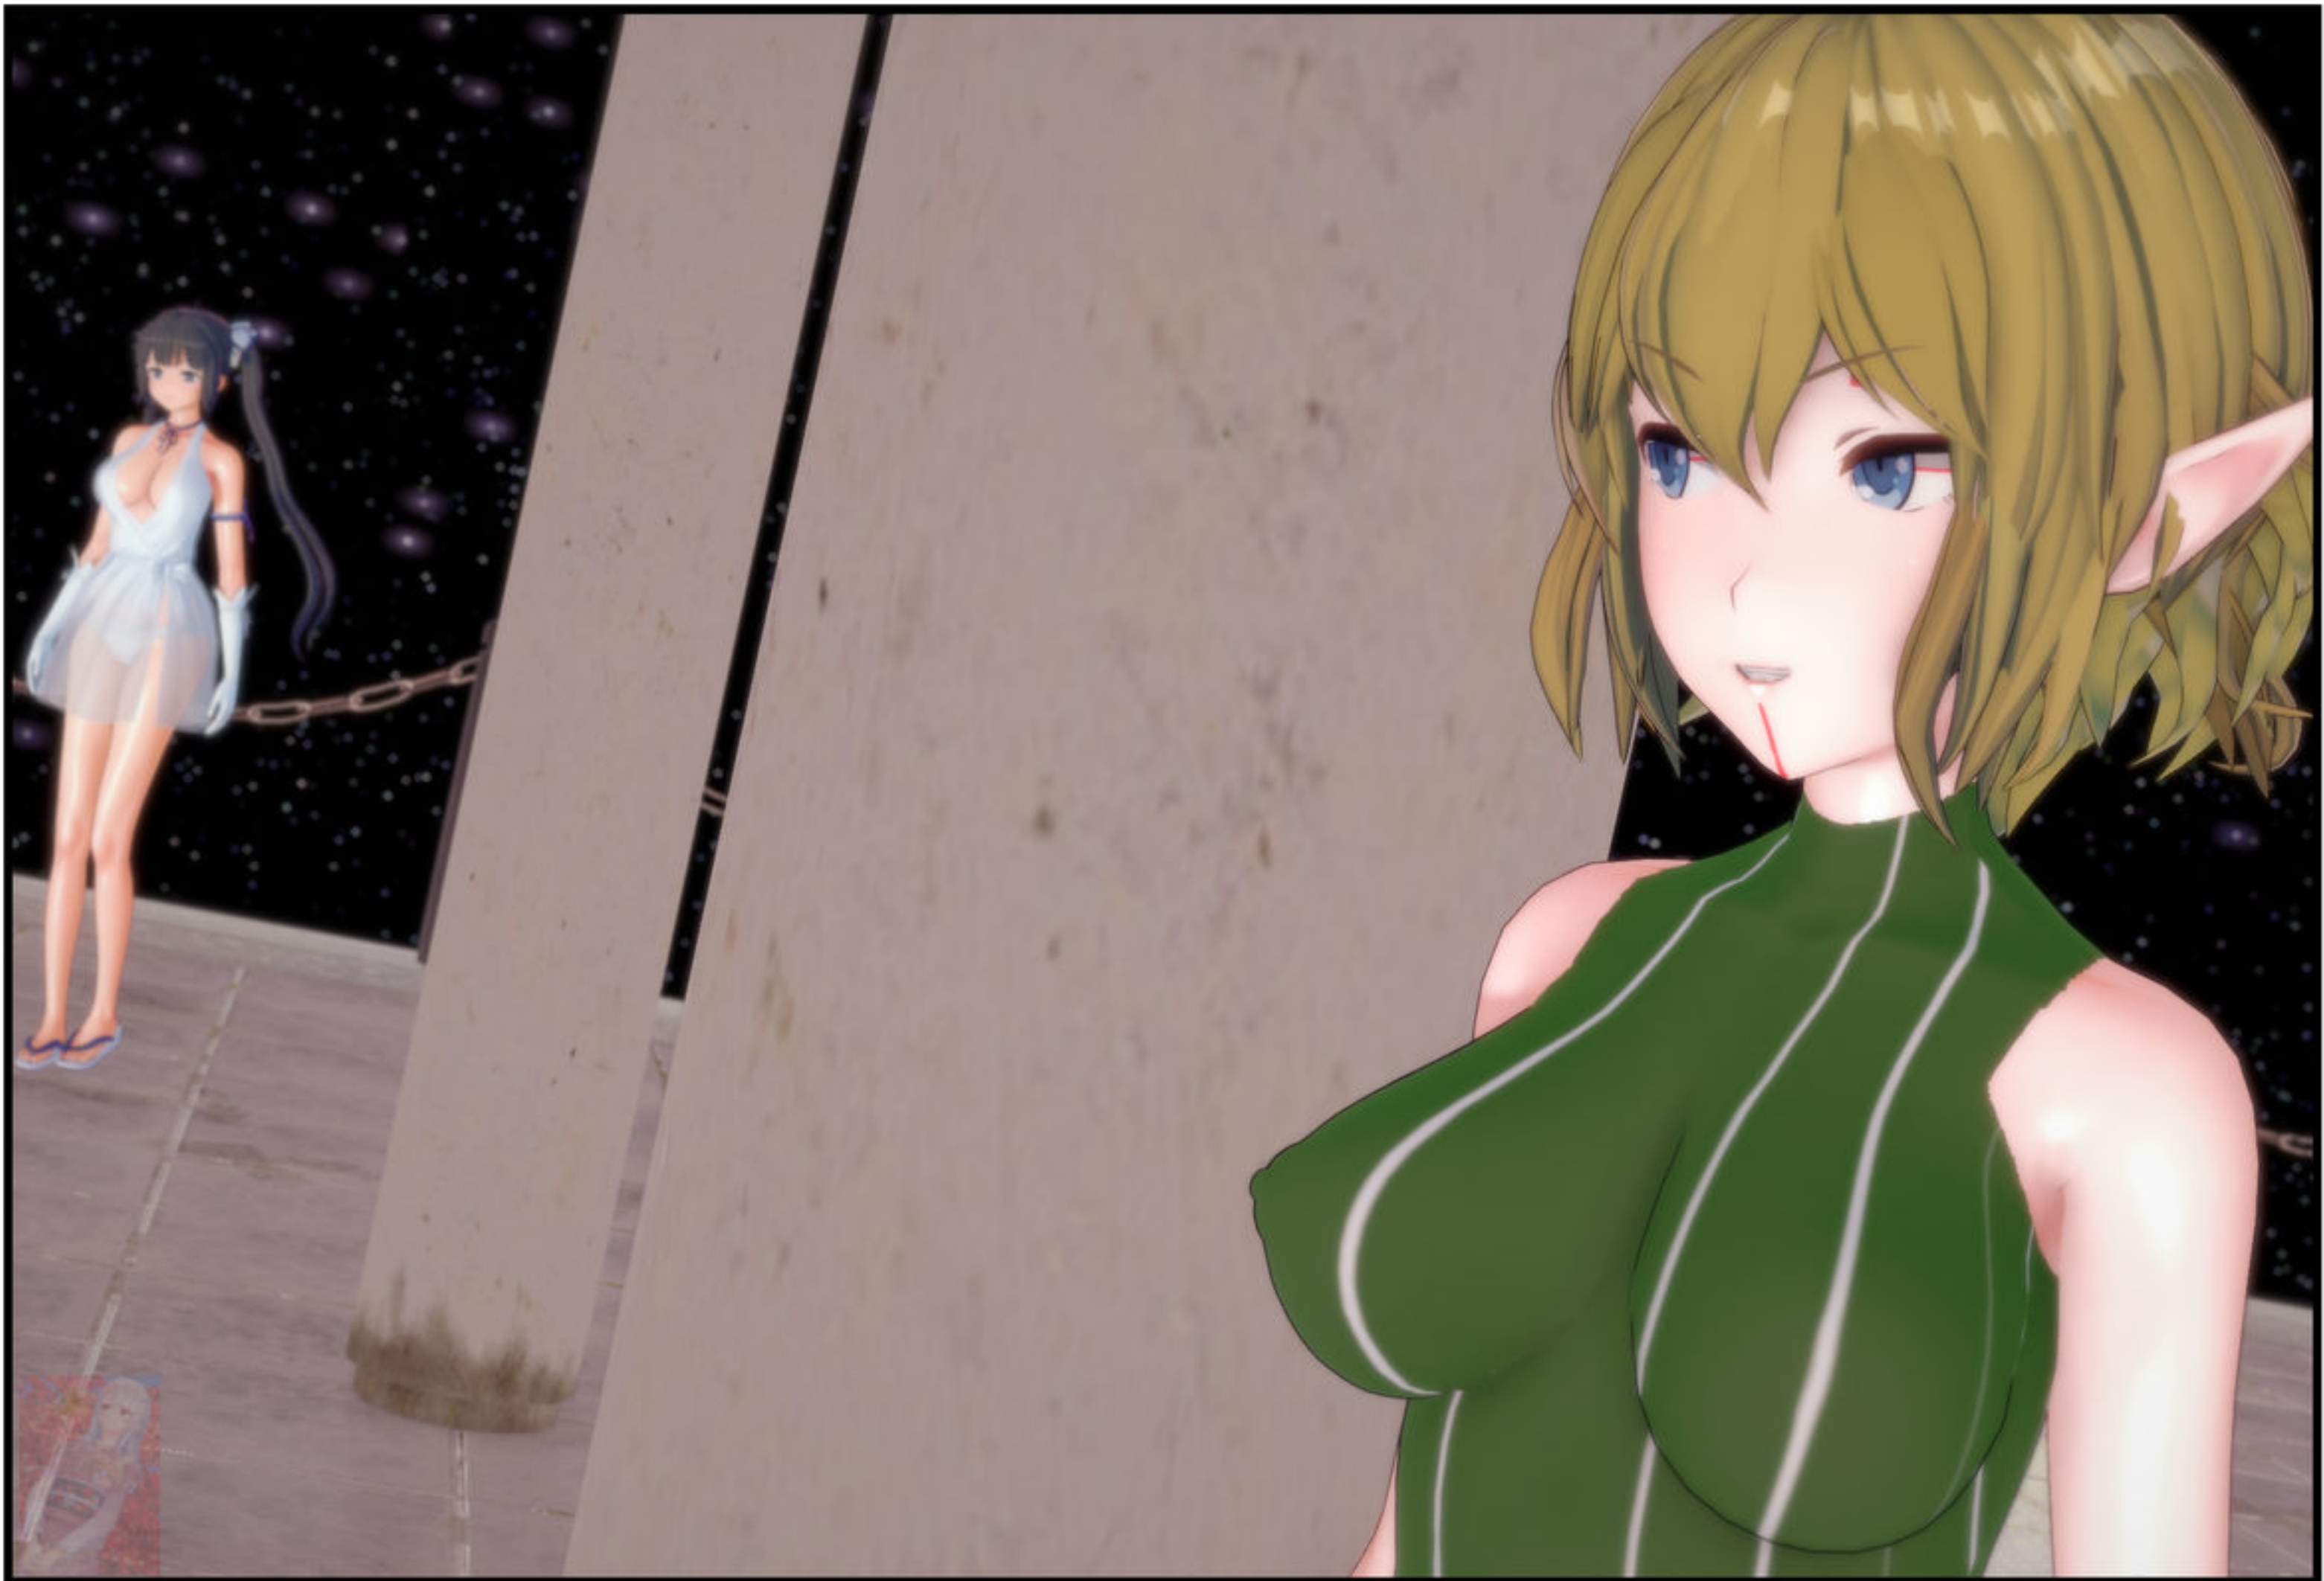

That's the answer I wanted to hear, Bell.

I will return with  
a meal shortly!

I said you should stay away from this one, Artemis.

Freya..!! What did you think you are doing!? Answer me!

Don't worry, I can still handle the situation.

You said.. what!?

"It's won't do a chaos unless I allowed to."

At ease, Artemis.  
Everything still  
under my control.

Ryuu.. What are you doing..?

You are..  
a God..

Ryuu.. you will  
catch a cold if  
dress like that..

"I won't be in this body for any longer."

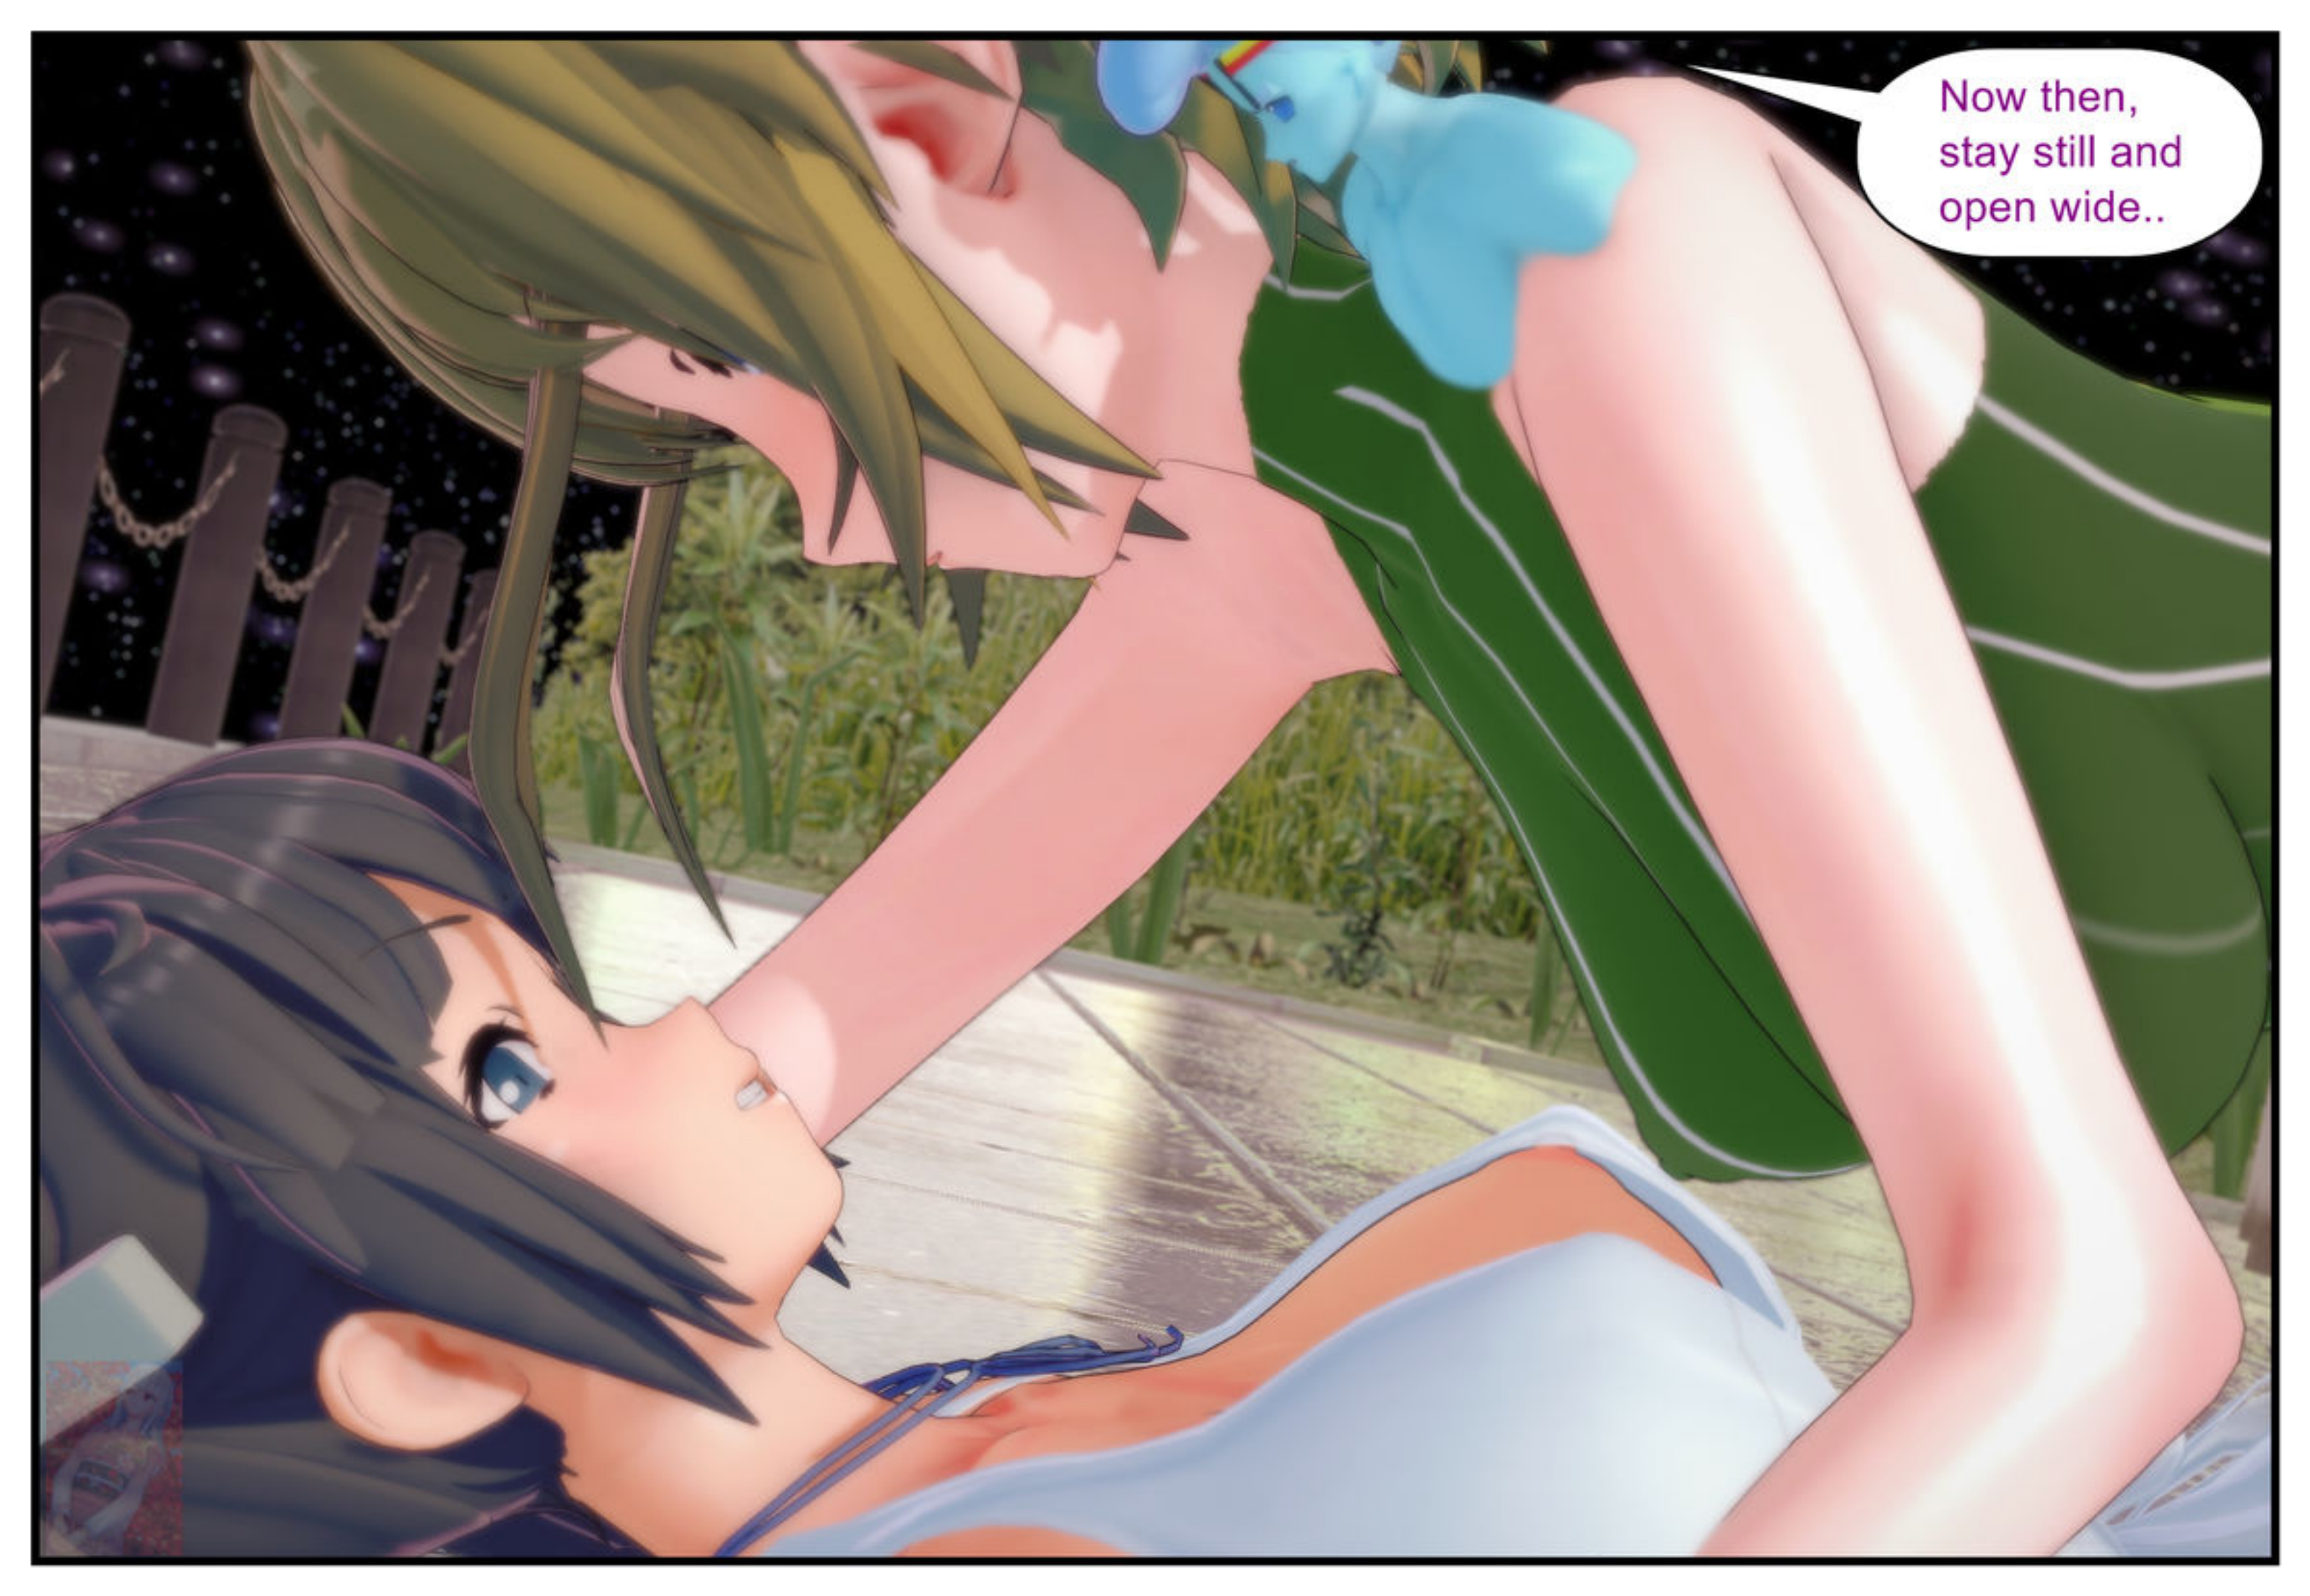

In a moment, I will be inside you, Hestia.

You.. What did you do with her!?

For a Goddess like you, I will easy to act.

Now then,  
stay still and  
open wide..

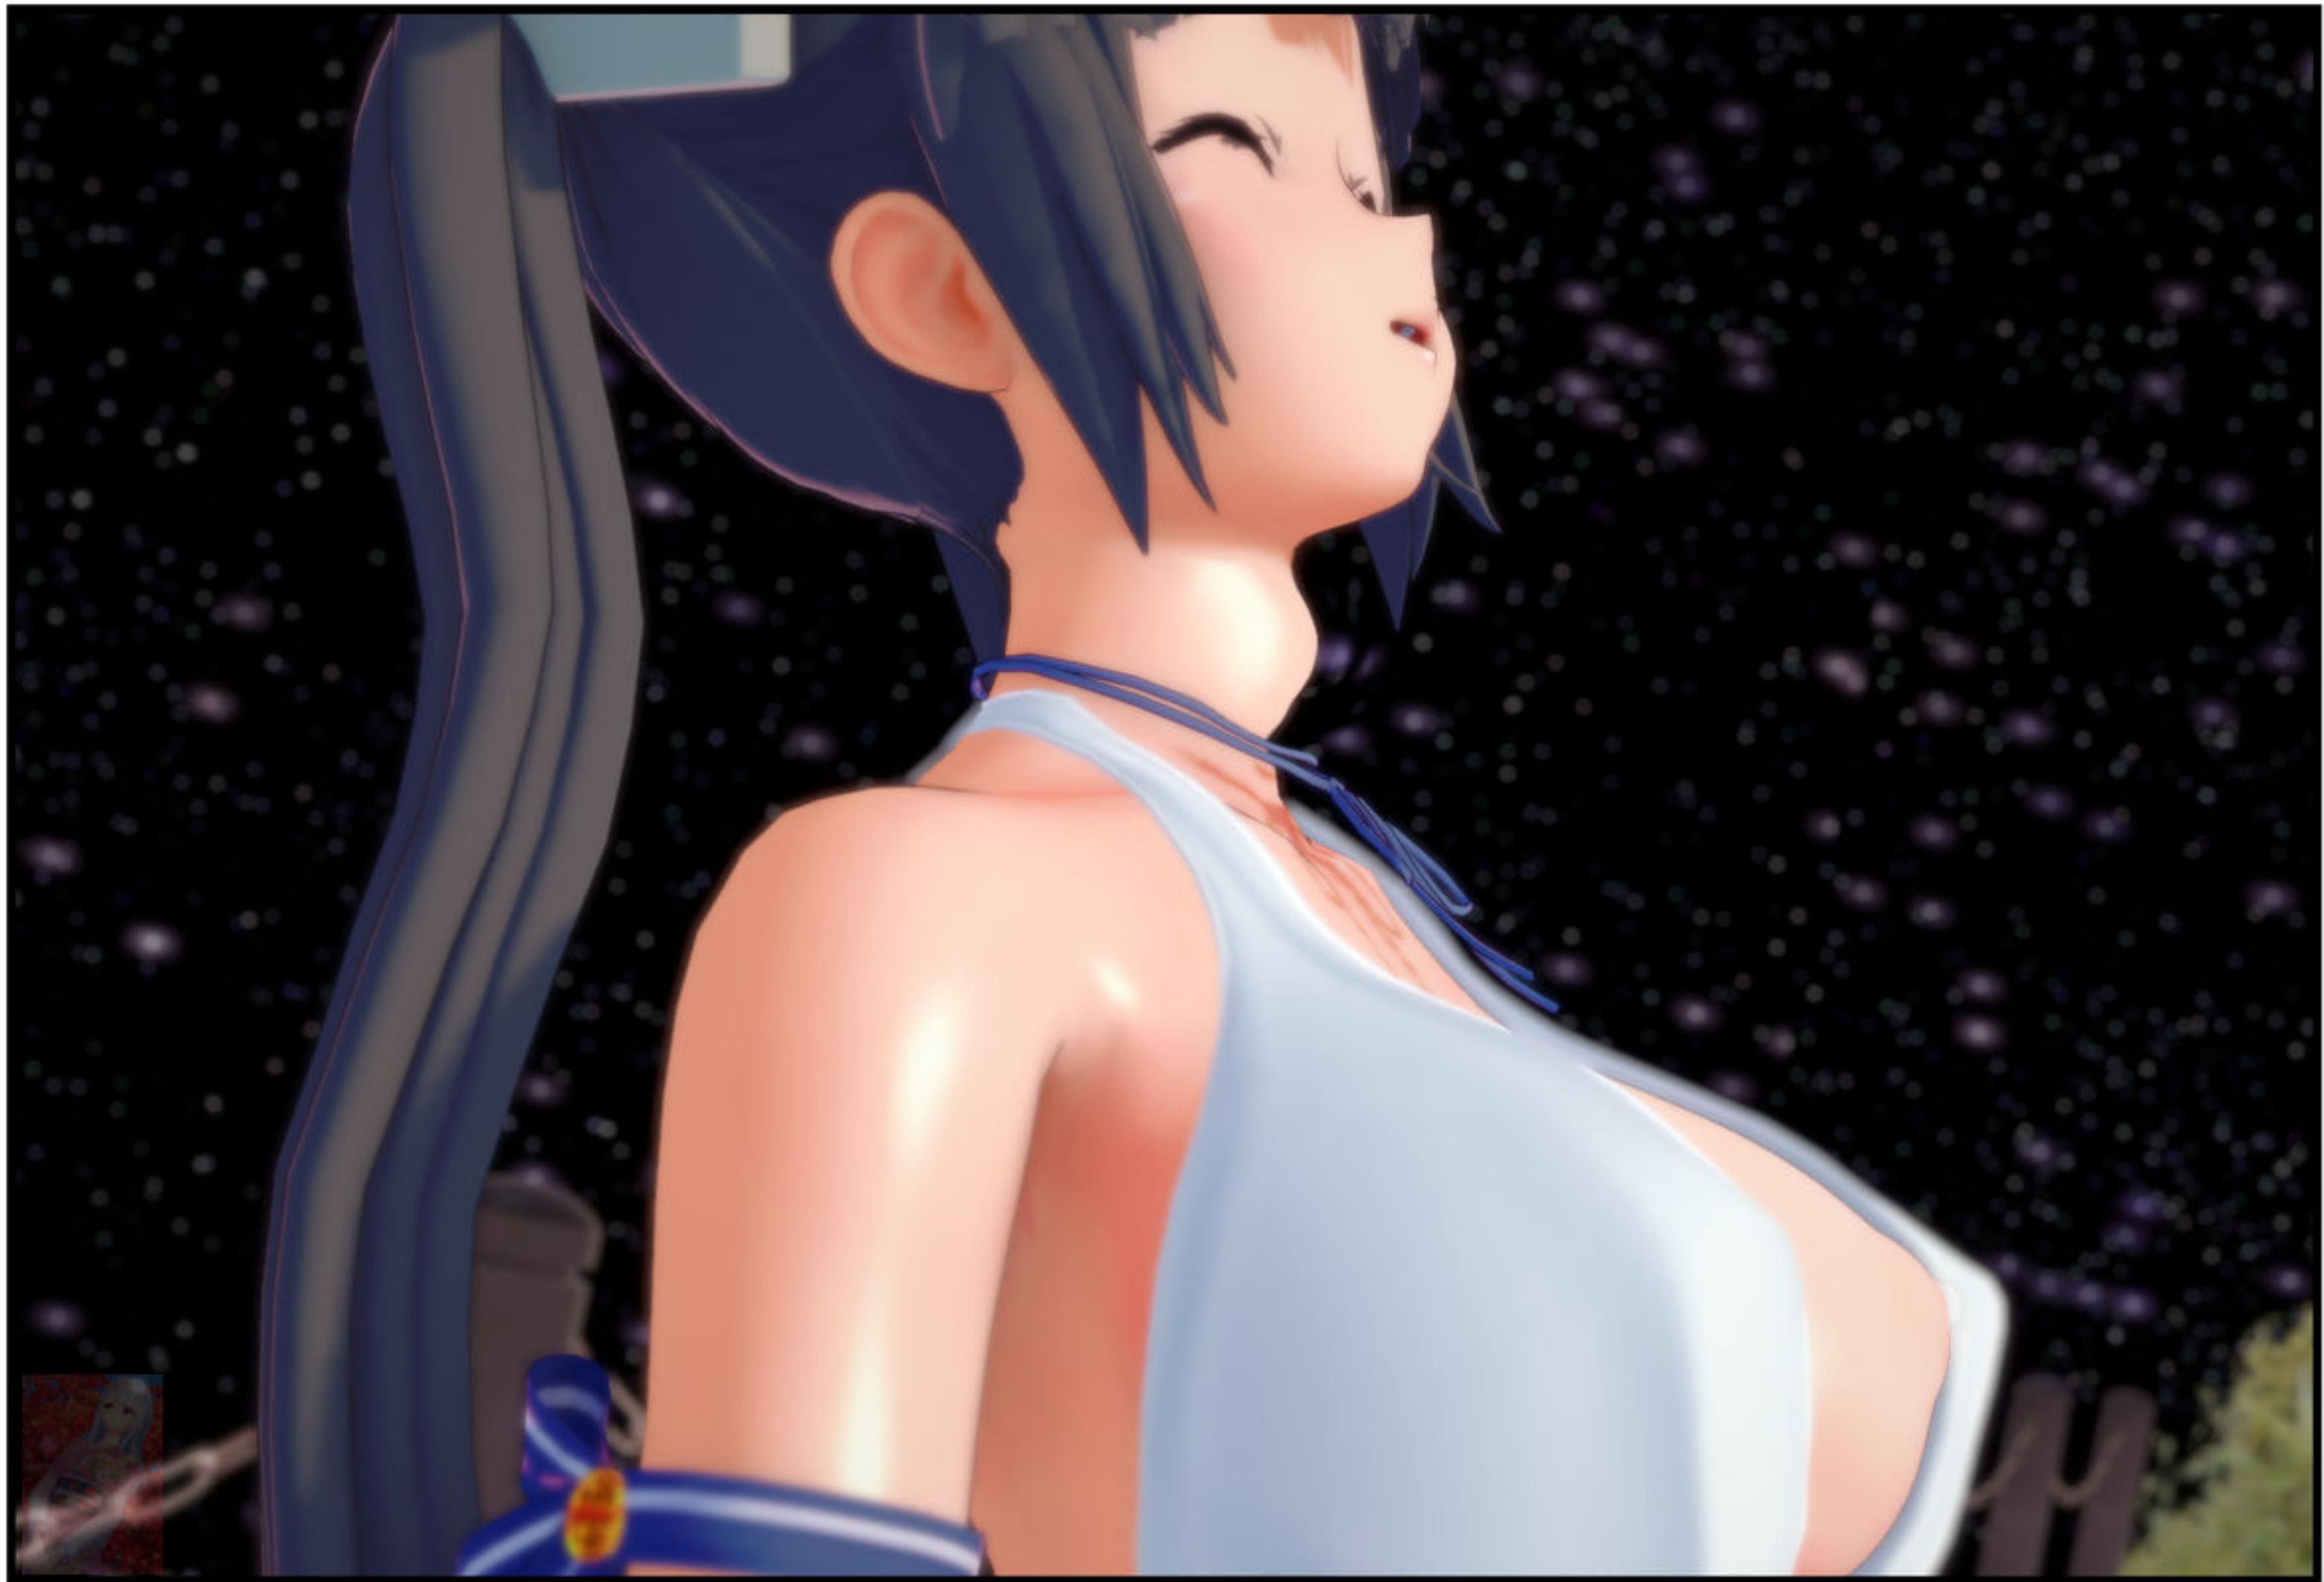

I won't..  
let you..

I must.. get it out.. before..

"I'm impressed.  
You still trying to  
fight from outside  
to inside, Hestia."

What exactly are you..!? I can't.. control my body..

Once I'm inside,  
this is no longer  
your body..

A character with short, spiky light blue hair and a gentle smile stands in a lush green field. They are wearing a black tunic with silver armor pieces on their shoulders and chest. The background is a dense field of tall green grass under a bright sky.

"Bell.. is coming  
back.. with our meal.."

"I can't.. let him..  
worry about me.."

"How can you..  
still fighting..!?"

"I won't.. allow  
you.. to hurt Bell..  
or anyone else!"

"Even that.. I don't want Bell to see this.."

"Killing yourself is not a way.."

We will both  
going down,  
monster!!

"That's enough..  
You can resist me  
no more."

Ahaha.. I'm sorry..  
Bell.. I couldn't..

Please.. at least..  
don't hurt him..

Hestia? Why are you standing on the edge like that?

A pervert monster  
attack us! Ryuu  
protected me!

R-Ryuu!? Is she  
alright? What  
just happened!?

That monster..  
ran away into  
the forest..

Ryuu!? Are  
you alright!?

That will be really dangerous if they came from dungeon!

I must report this to the Guild! Please protect Hestia for me!

I was about to  
use him as a  
tool to get energy.

I'm sorry, Master.  
I will be more..

No other way then, let's wait for him.

"Look like.. I used most of my energy.."

"That.. I can't even sense.. the nearby threat or read minds.."

Ryuu.. Bring Bell  
back here for me.  
I can't wait any..

I'm ready to do what you said..

"Huh..? Where did  
this one come from?  
And where's Ryuu?"

Well, that was close.  
You don't need  
any slaves.

Of course, it can't  
get any energy  
from this either.

"But there will be a little show that I wanted to watch later on."

If using this method with a man, maybe I could get some?

♡♡

I can feel it now..  
The flow of energy..

What a Goddess's  
body, give me this  
much of it.

I'm sure that woman  
won't be a threat  
to me anymore.

"Found you. I will  
finish you once  
and for all.."

To be continued?
