Y/N is sitting in the living room, reading a book.

Speaker walks in and snatches the book away.

SPEAKER
whines

Y/N is confused.

SPEAKER
whines

Y/N tries to get the book back from Speaker.

SPEAKER
No! You're not getting your book back! Unless... unless you give me attention... Wha- Stop laughing at me! I just want to spend time with you and you're being so mean! ... *whines*

Y/N moves over on the couch and Speaker sits down and nuzzles into Y/N.

SPEAKER
nuzzles then sigh

Y/N plays with Speaker's hair.

SPEAKER
... Hm? ... W-Why am I being so clingy?! I'm not being clingy! ... *whines*
Stop laughing! ... I don't care if you were joking, you're being mean...
yes, you're being really mean... hmph...

Y/N gives Speaker a kiss.

SPEAKER

giggles Yes, that makes up for it... So, what were you doing? ... Ugh, I know you were reading a manuscript, but what were you reading? ... Hm... that sounds interesting... Oh, I thought that she wasn't going to be done with it until early next year? ... Wow, I guess her readers really wanted to see something from her. I mean, it has been a while since she published her last story... Anyway, was it any good? ... Come on, just a yes or no would suffice. I don't need any spoilers... Please? ... Pretty please? ... *whines* ... *defeated whine* fine, keep your secrets, it's not like I actually wanted to know anyway... hmph!

Y/N pats Speaker on the head.

Speaker swats Y/N's hand away.

SPEAKER

Hmph! No! No headpats! ... Mm-mm, no... S-Stop being a brat?! How am I being a brat when I don't want any headpats, huh? ... Because you said so? Pfff that's, that's not how it works and you know it... No it's not! ... (jokingly/bratty) *huff* Whatever. All I wanted was attention and cuddles from my partner and instead of getting what I want, I'm getting bullied. Have fun reading your manuscript, I'm going to bed.
Hmph!

Speaker goes to get up, but Y/N grabs them and pulls them down.

SPEAKER

(jokingly/bratty)

Oof -- What? I thought I was being too much of a brat for you to handle. Oh, you can handle me being a brat, huh? Then prove it...

Y/N kisses Speaker on the forehead.

SPEAKER

That's it? Just a kiss? Wow... all that talk and a kiss is what I get in the end. Well, I'm just gonna head to bed. You have fun -- What do you mean no? ... You want to spend time with me too? Since when did I say I wanted to spend time with you, huh? ... Uh, I said I wanted attention, but I never said I wanted to spend time with you... There's a difference. One sentence includes the word time and the other doesn't... *giggles* Yes, I am fully entertained by this... *giggles then kiss*

Speaker nuzzles into Y/N.

SPEAKER

yawns I'm tired... Well I didn't want to go to bed without hanging out with you first... Mm-mm nope... Do you still have work you need to finish up? ... You still have to read the rest of the manuscript? When do you need to have it read by? ... Next week? How far along are you? ...

Pfff you have time, come on, come to bed with me. We can watch a movie or cuddle more or... *whines* Please? ... *whines* hmpf! Fine, if you don't want to go to bed with me, then I'm going to continue to lay on you and bother you until you do... Okay well I know I'm not bothering you now, but I absolutely can bother you when you start working again... *giggles* Yes, I know. Very devious of me... So, unless you want to suffer the wrath of my poking and biting, then come to bed with me! ... *giggles then kiss* Perfect.

The two get up from the couch and walk into their room.
