

Ariel is happily swimming in an ocean

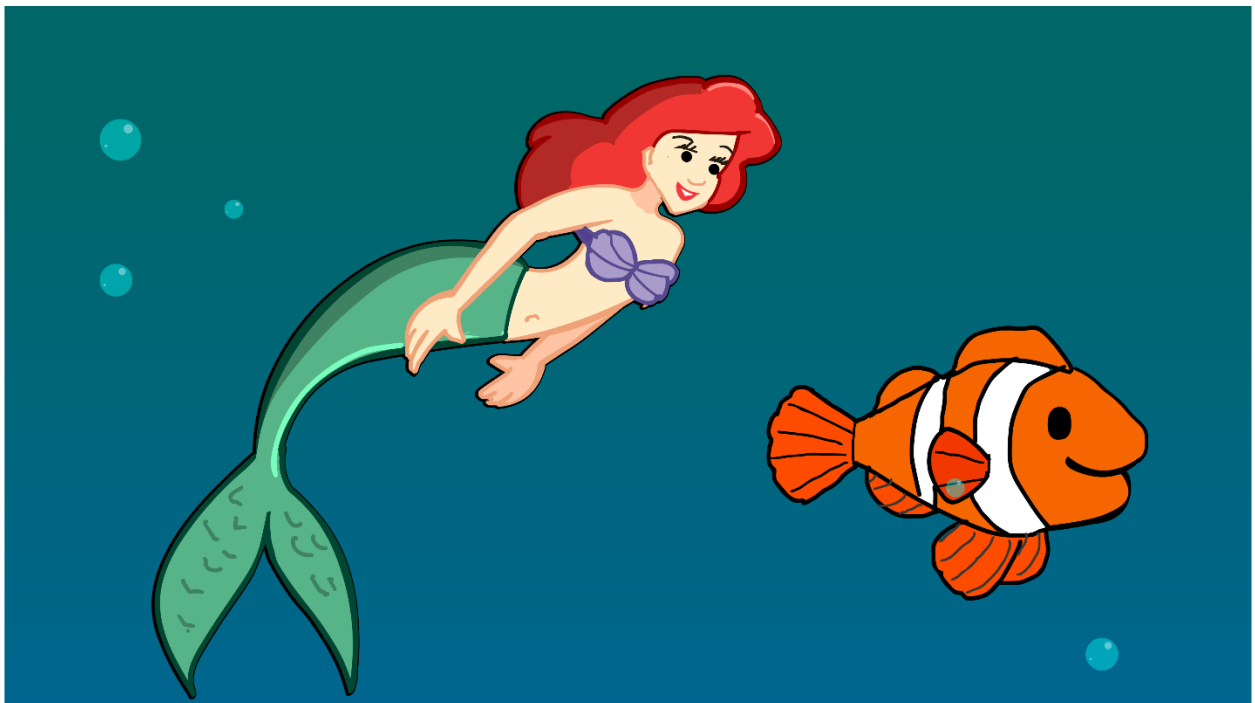

A friendly looking fish approaches her

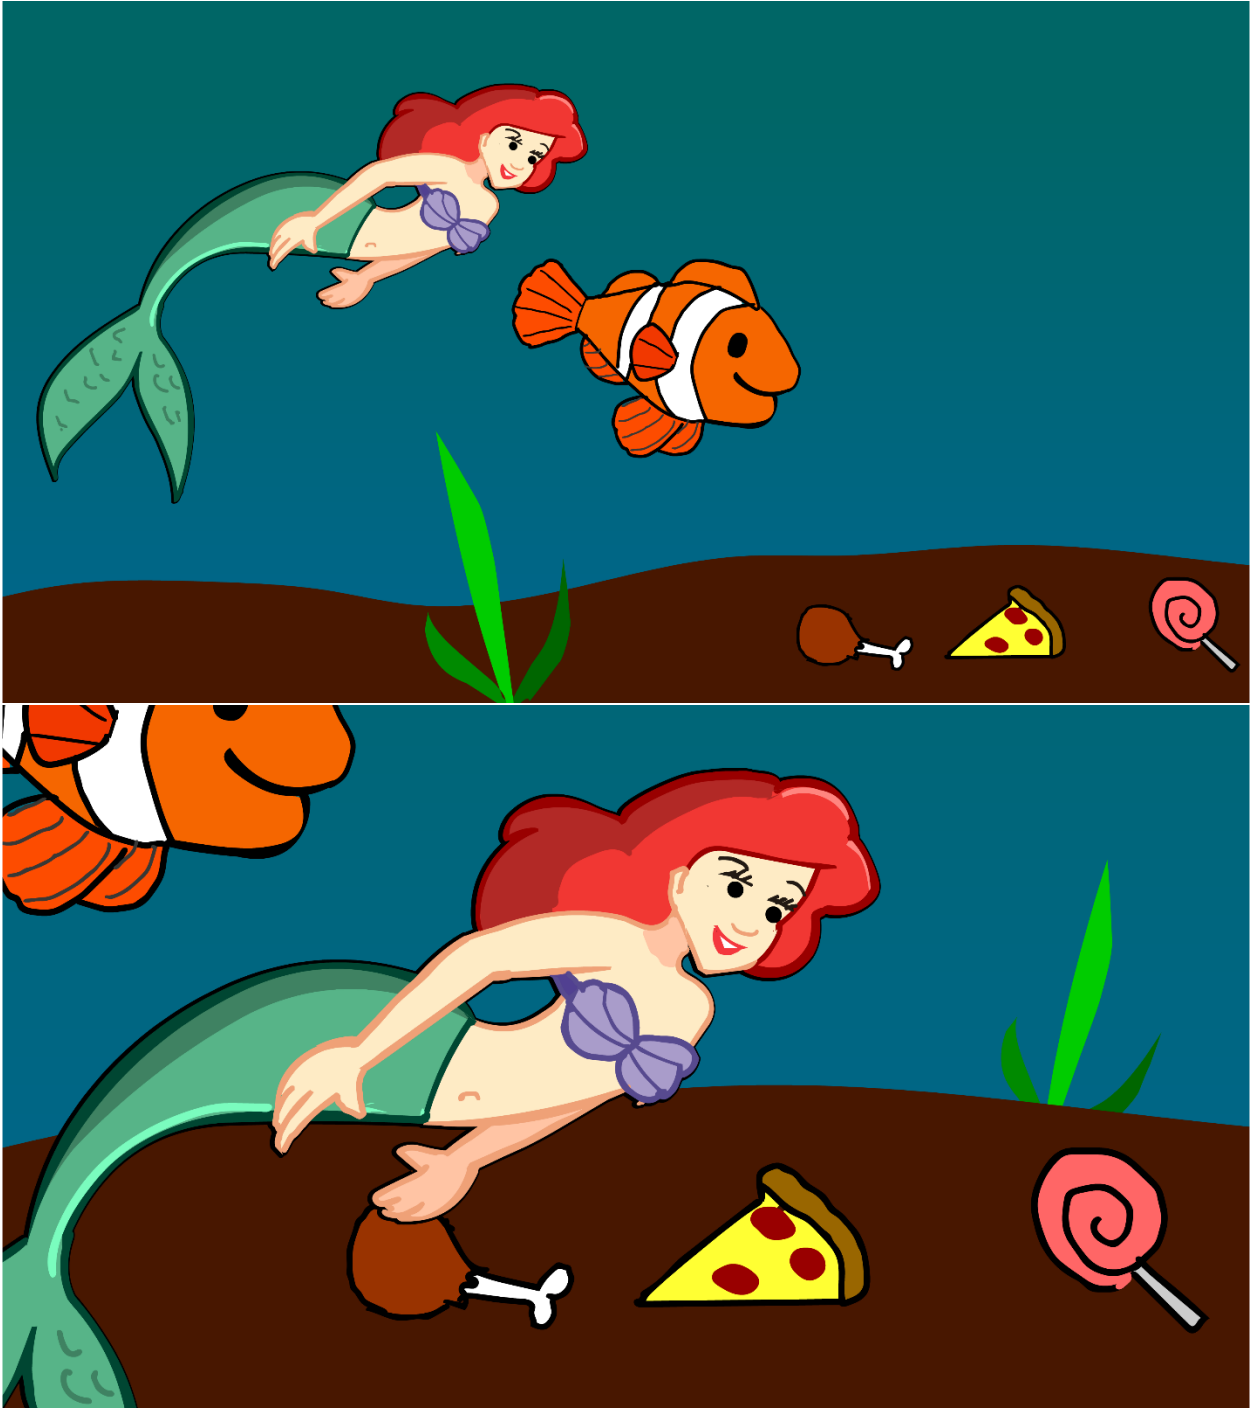

The fish tells Ariel about all the junk food he found

Ariel follows the fish

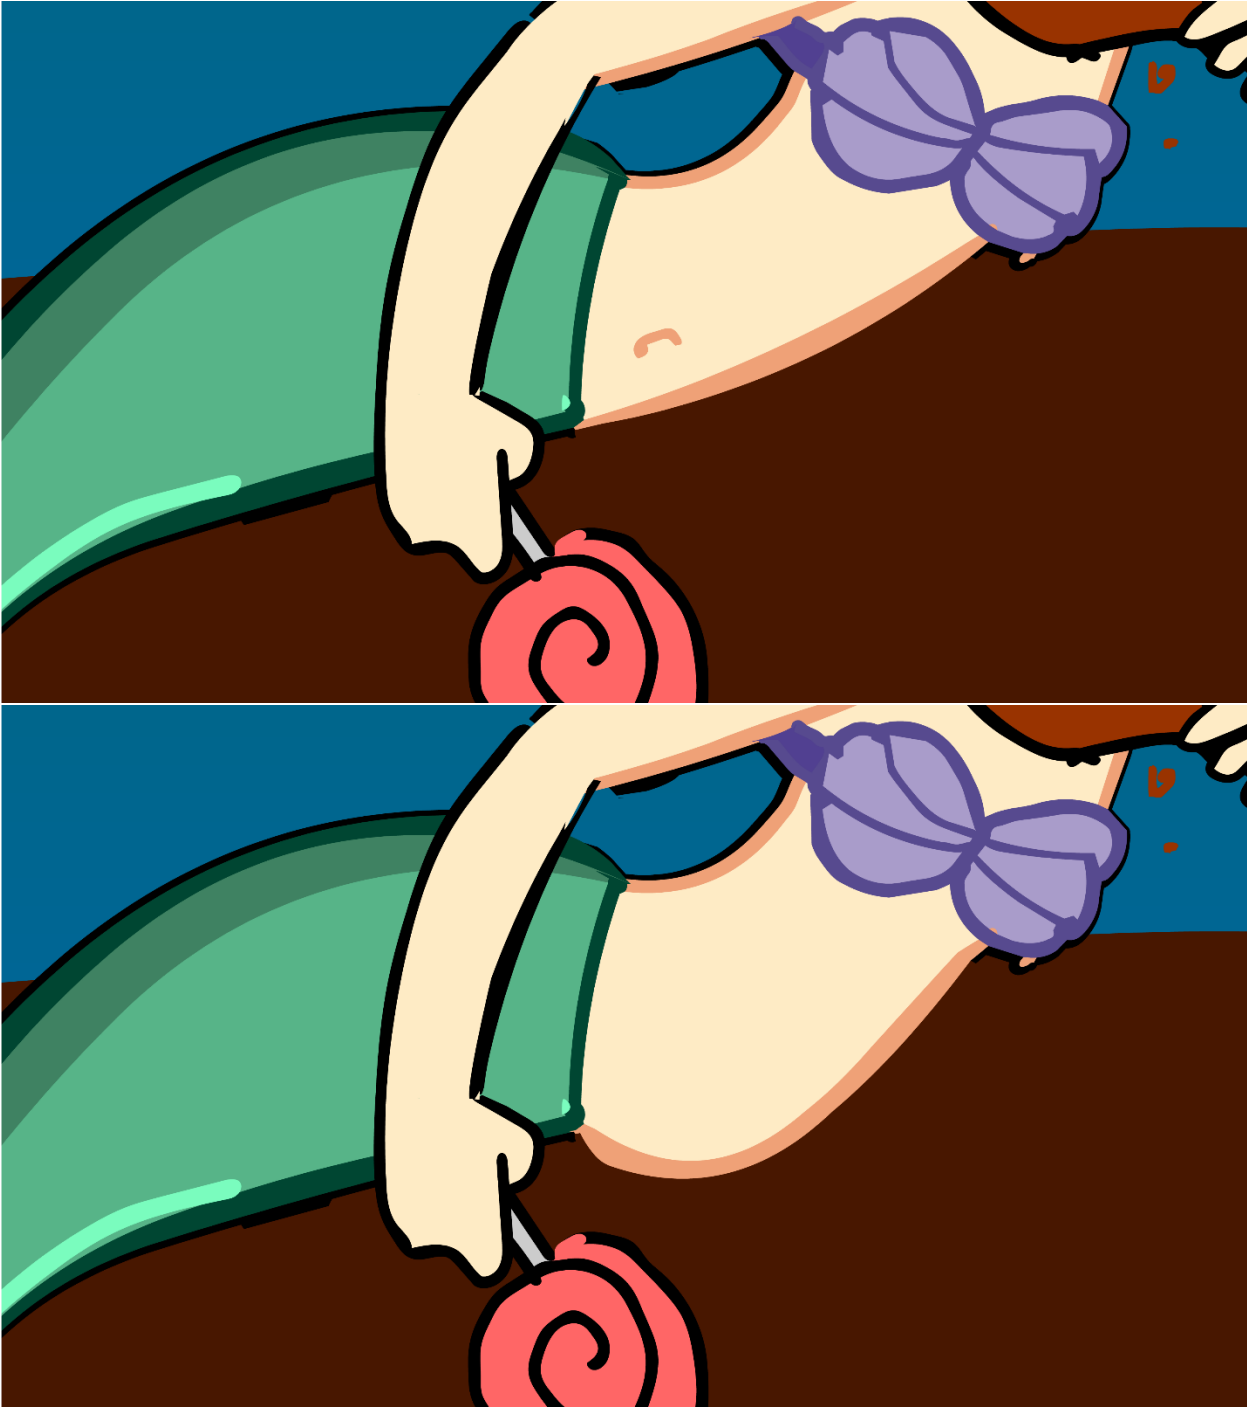

The fish leads Ariel to pizza, hotdogs, lollipop candy, etc. on the ground

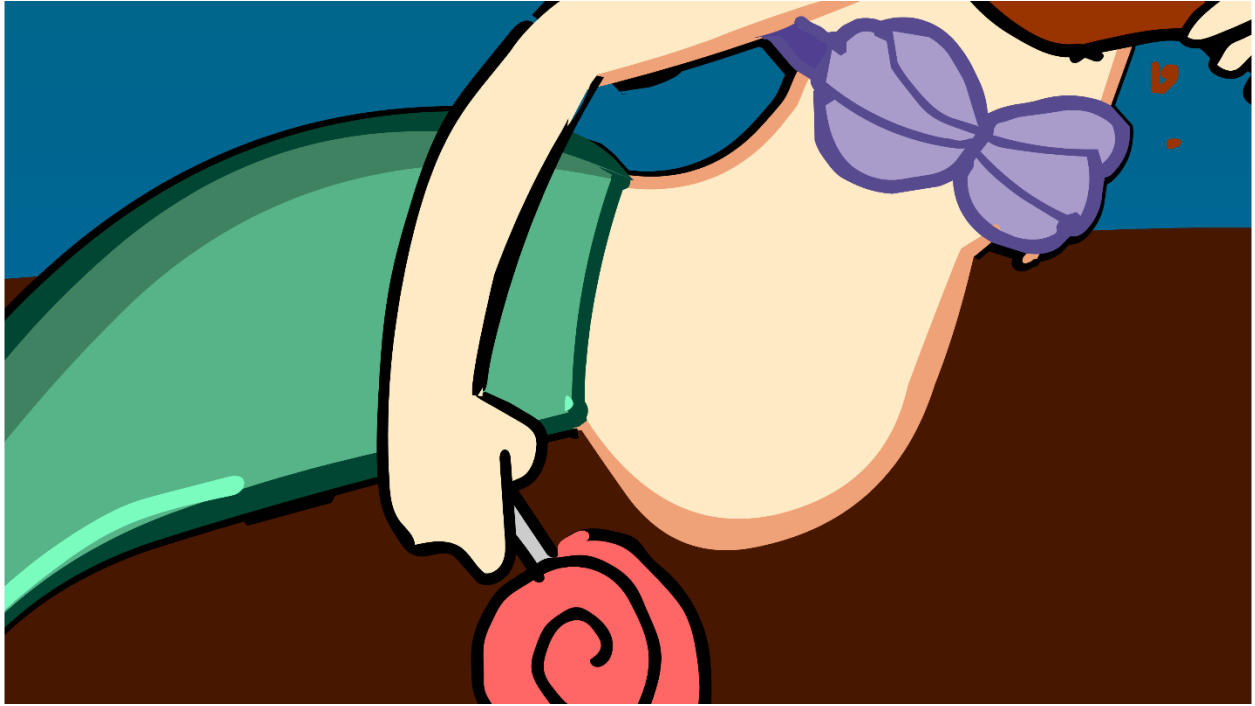

Ariel is starts eating all the junkfood

It quickly makes her flat slim figure and stomach very fat and flabby

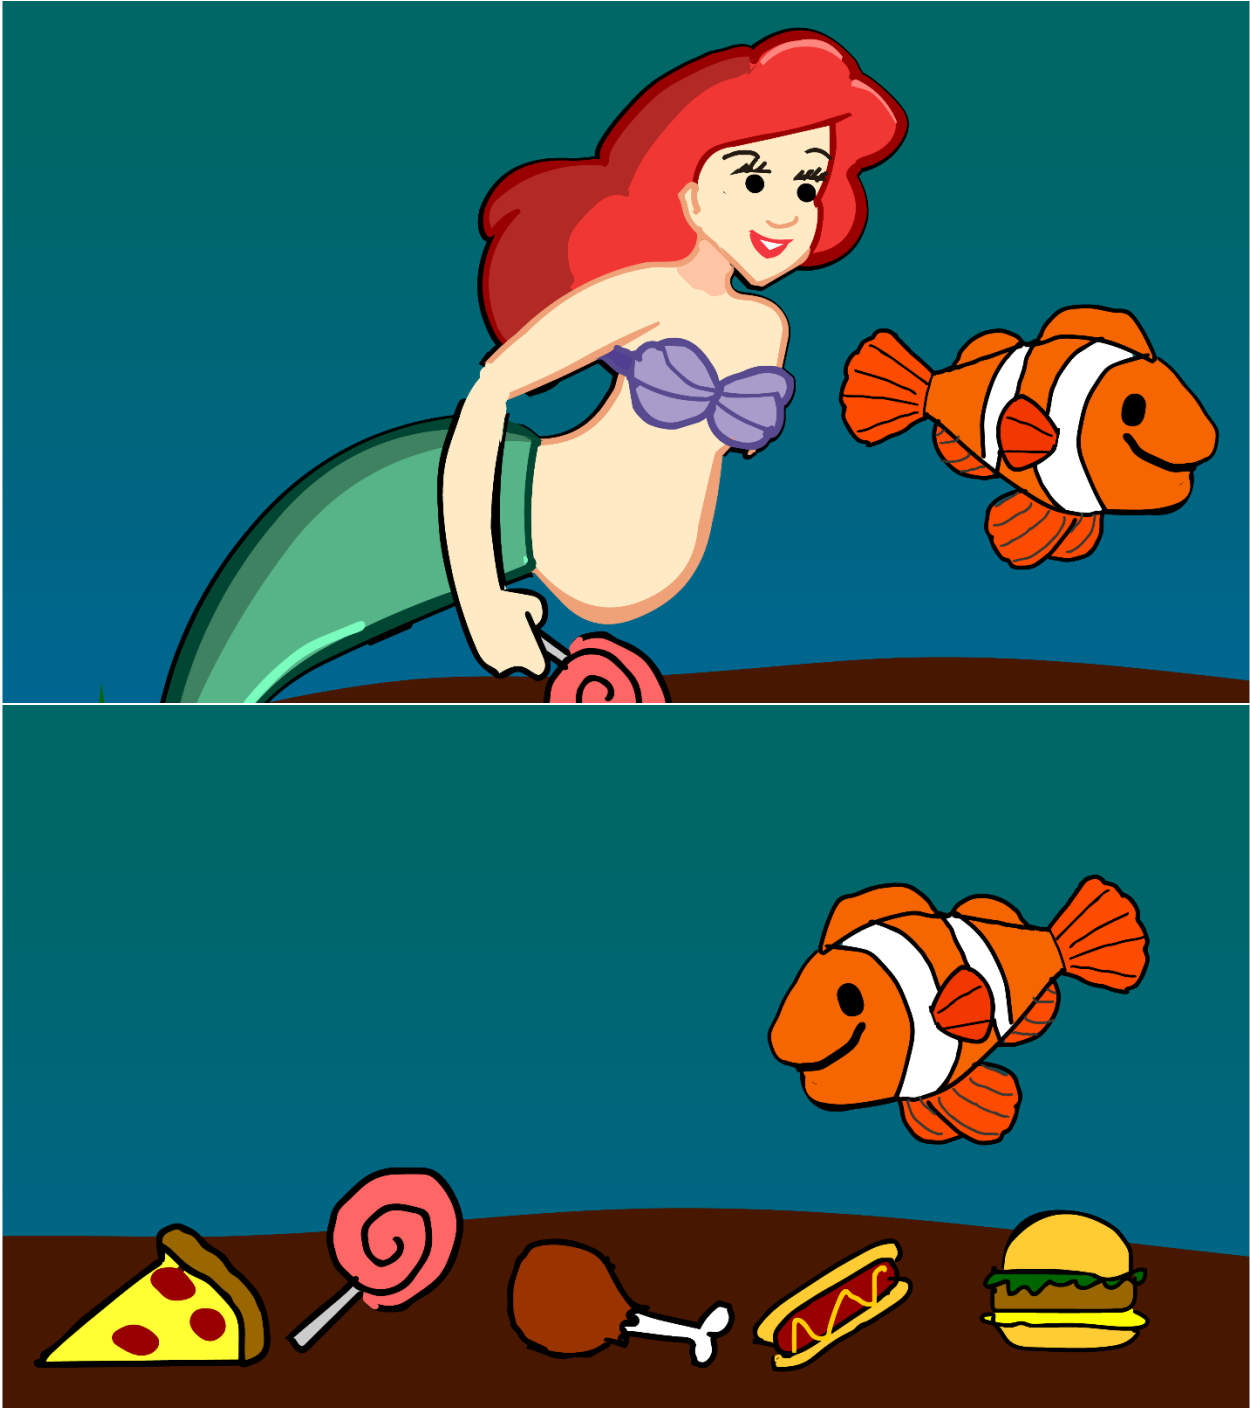

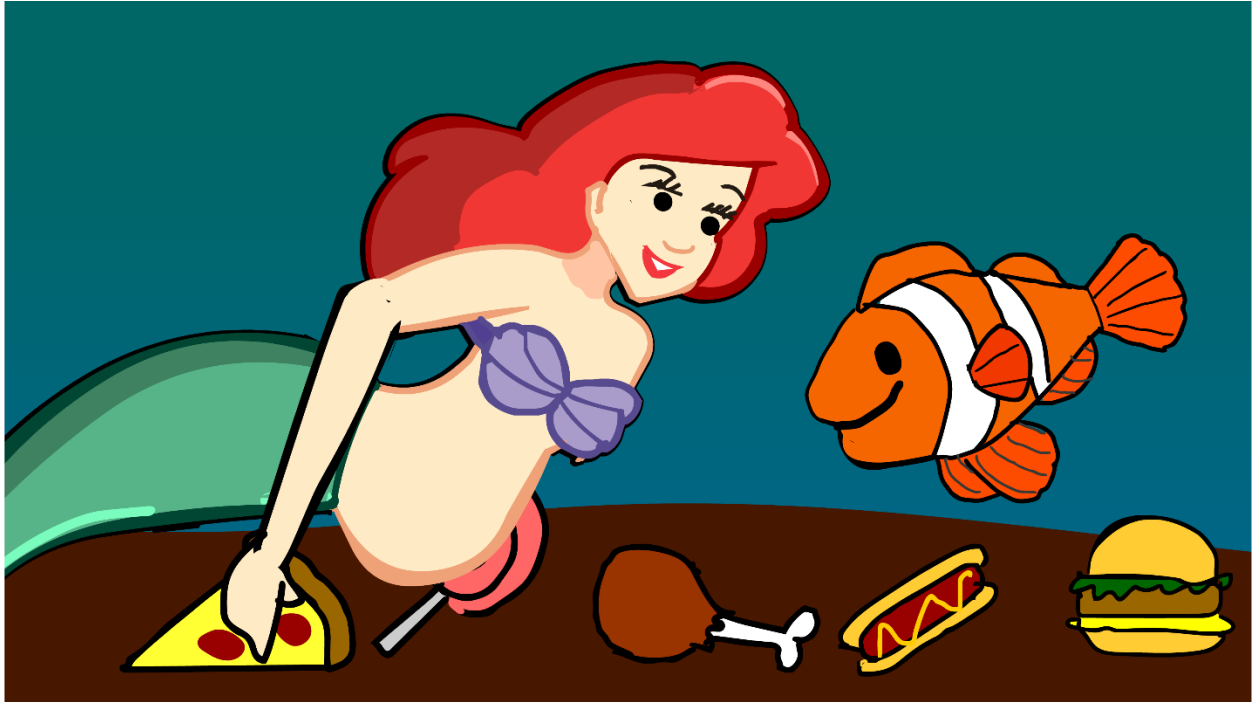

As Ariel is happily licking her giant lollipop the fish is amazed at her transformation

The fish leads her to more junk food

As she looks at all the food with hunger

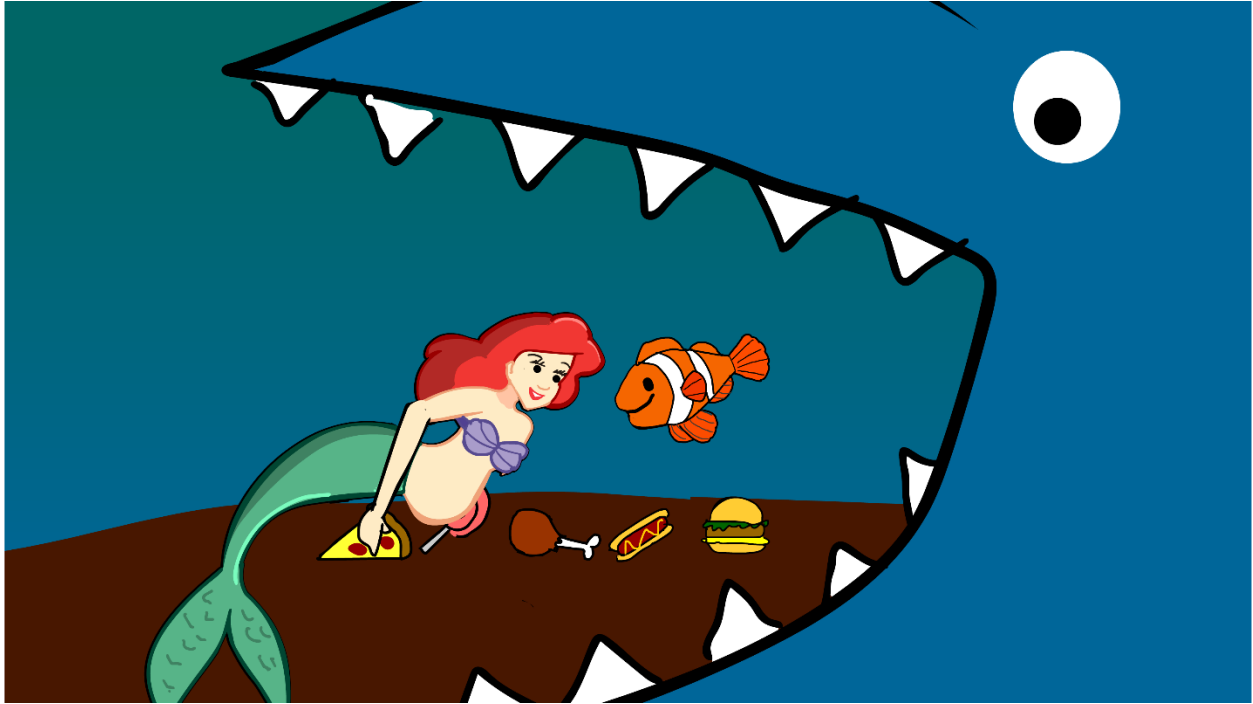

Some giant teeth come from above ready to eat them both

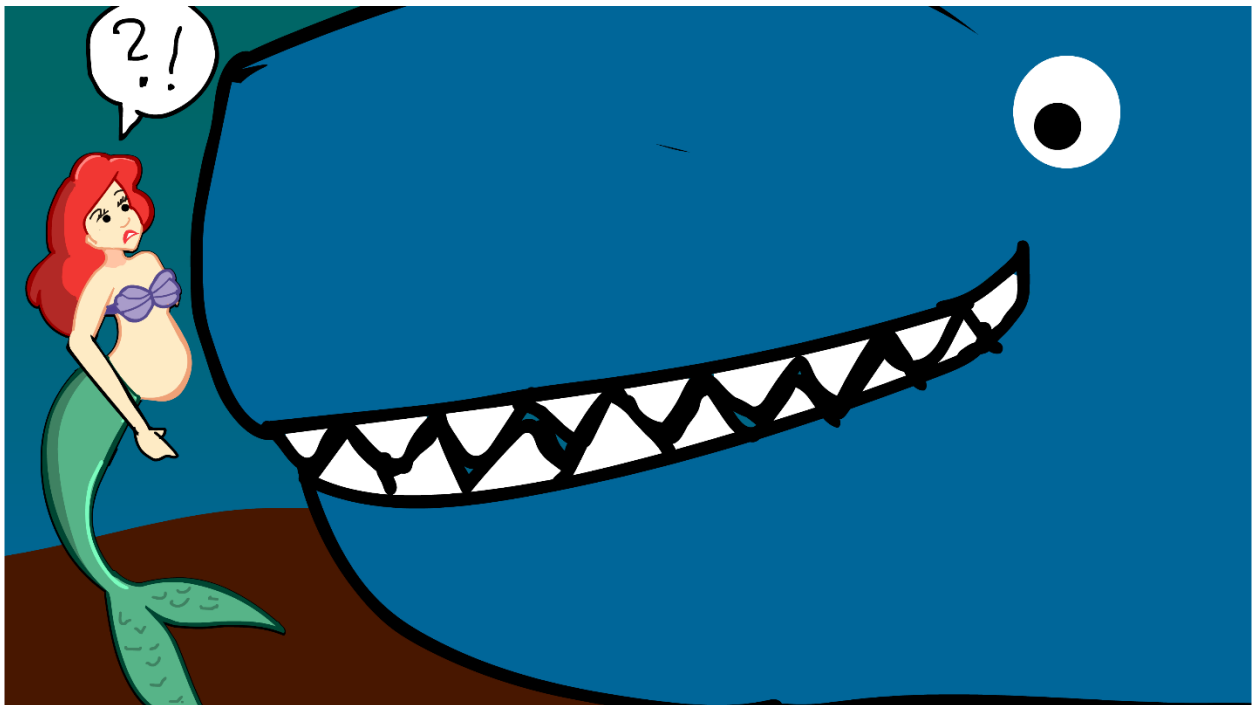

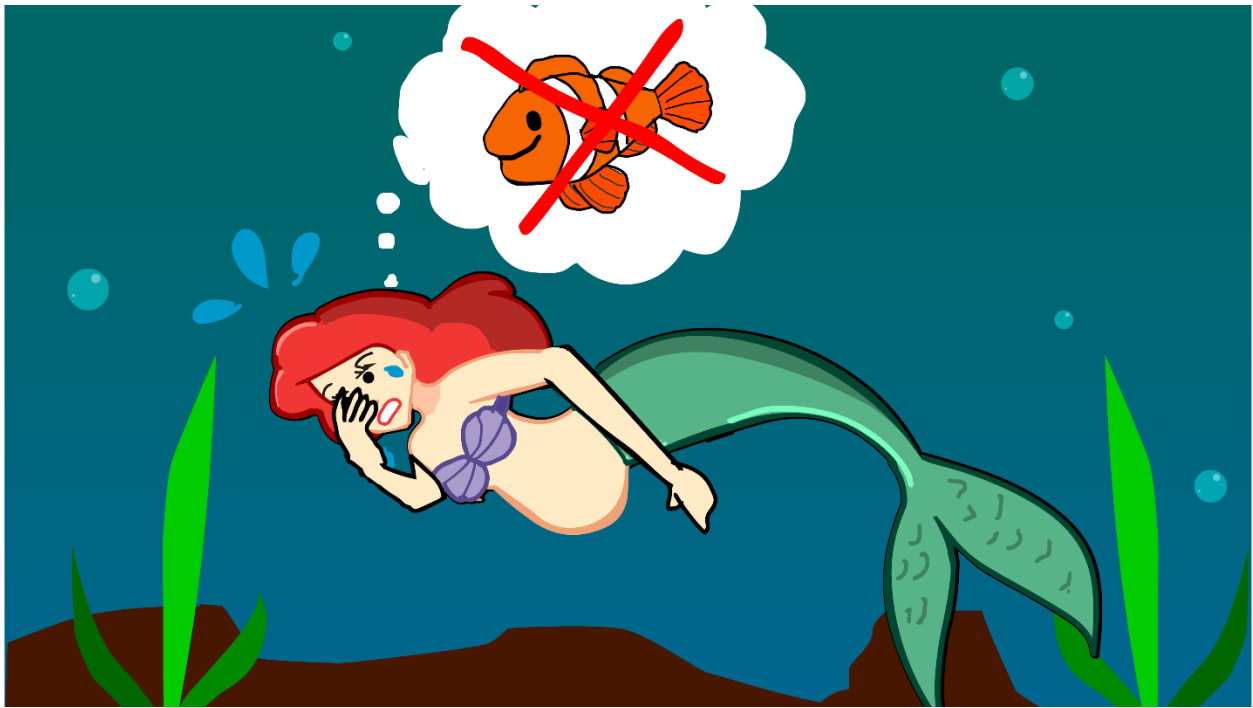

The giant teeth is of a huge monster fish about to eat them

The quick bite of the giant misses Ariel very close

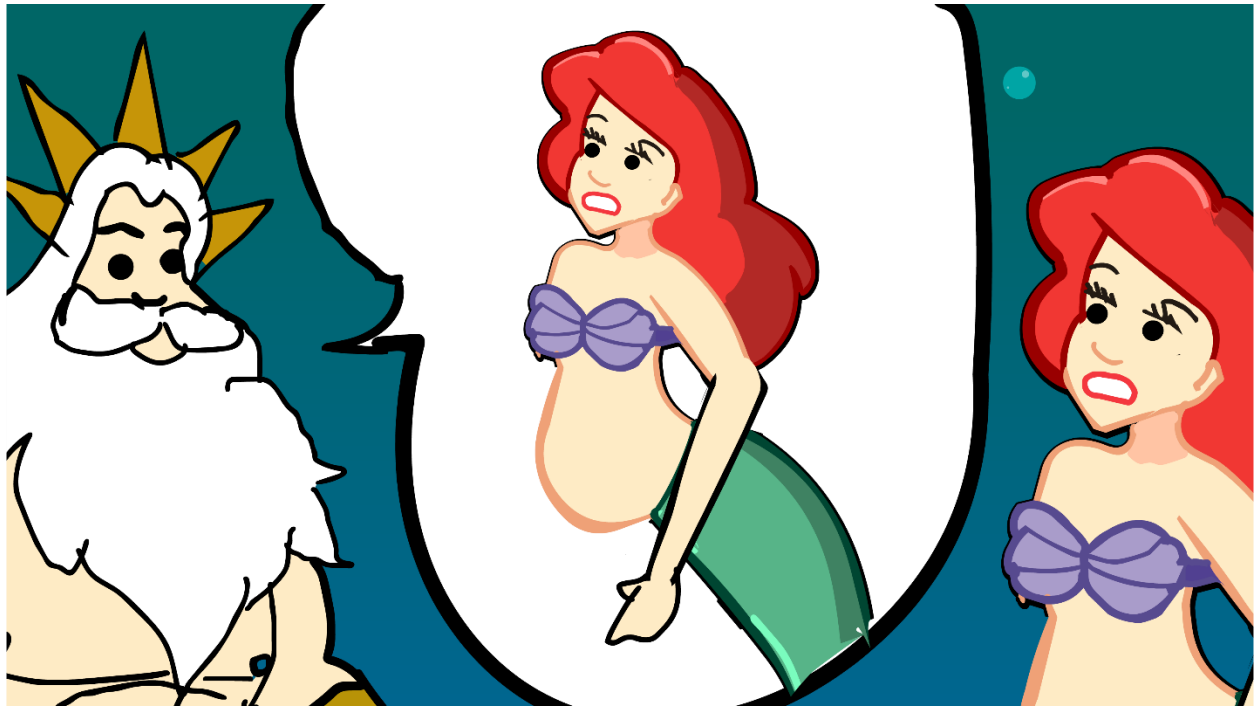

Ariel swims away very fast crying that her new fish friend is no more

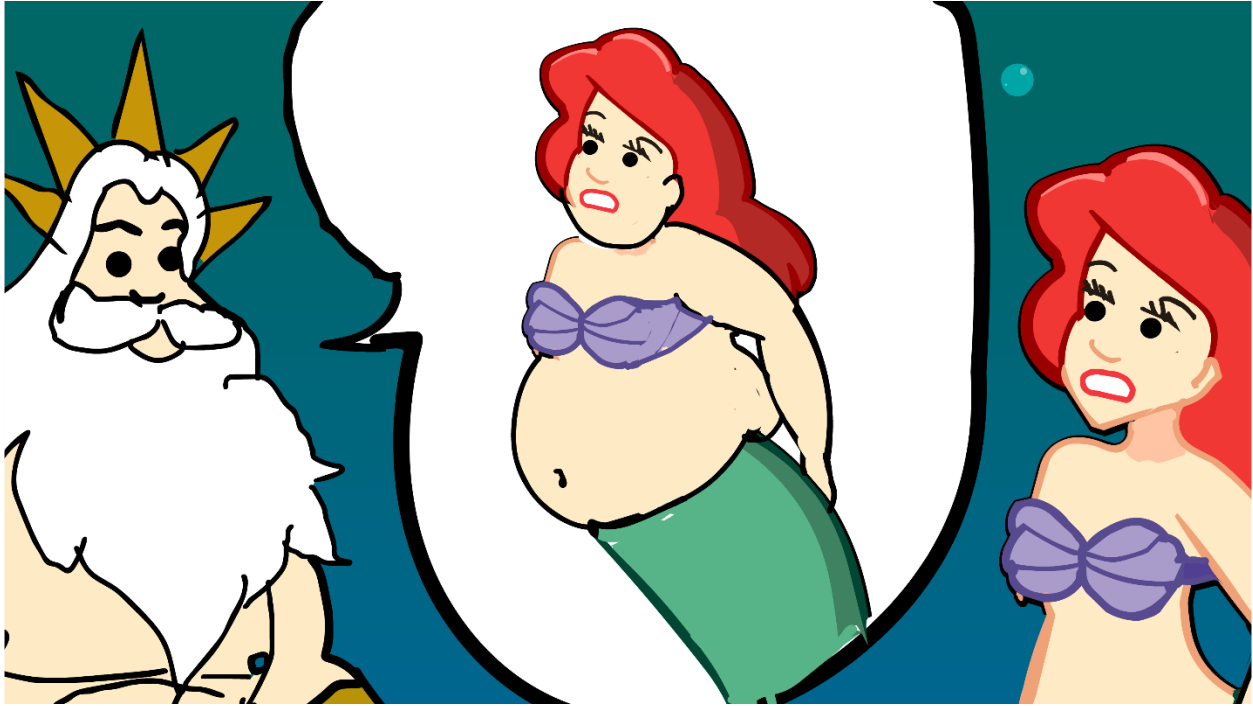

She goes to her father and cries explaining what happened

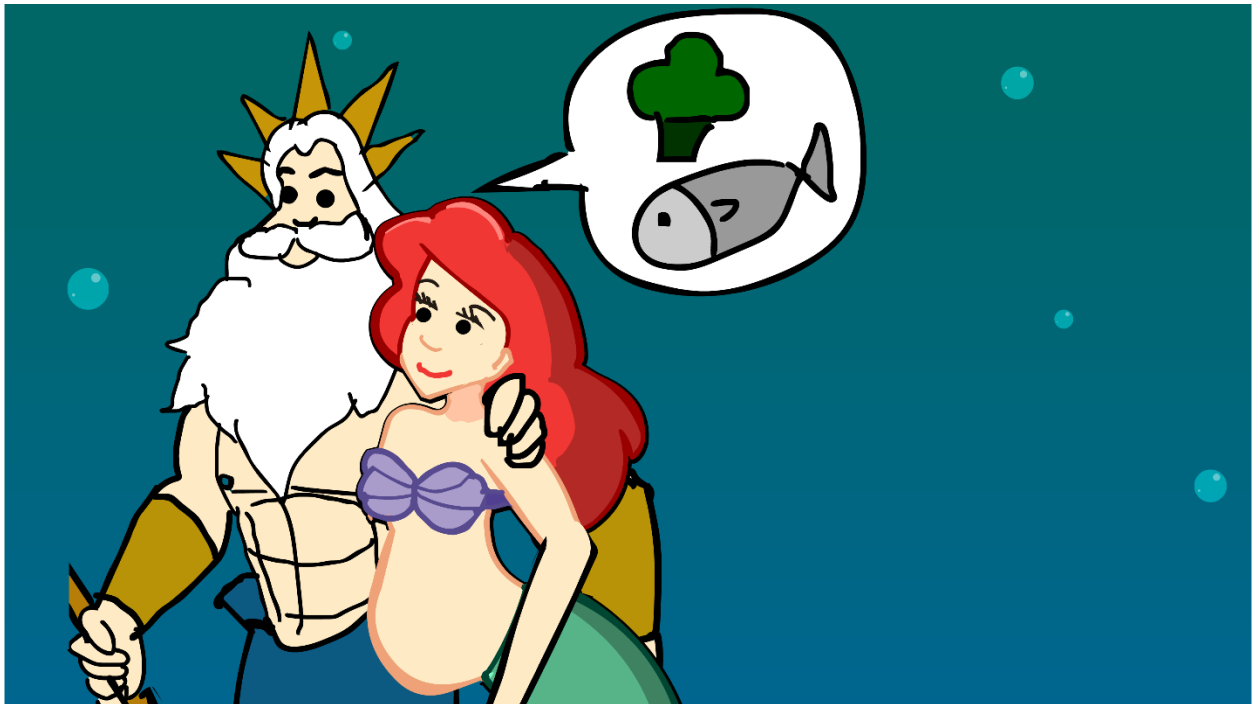

Her father explains too much junk food is very bad for health and it can make her very fat and die young

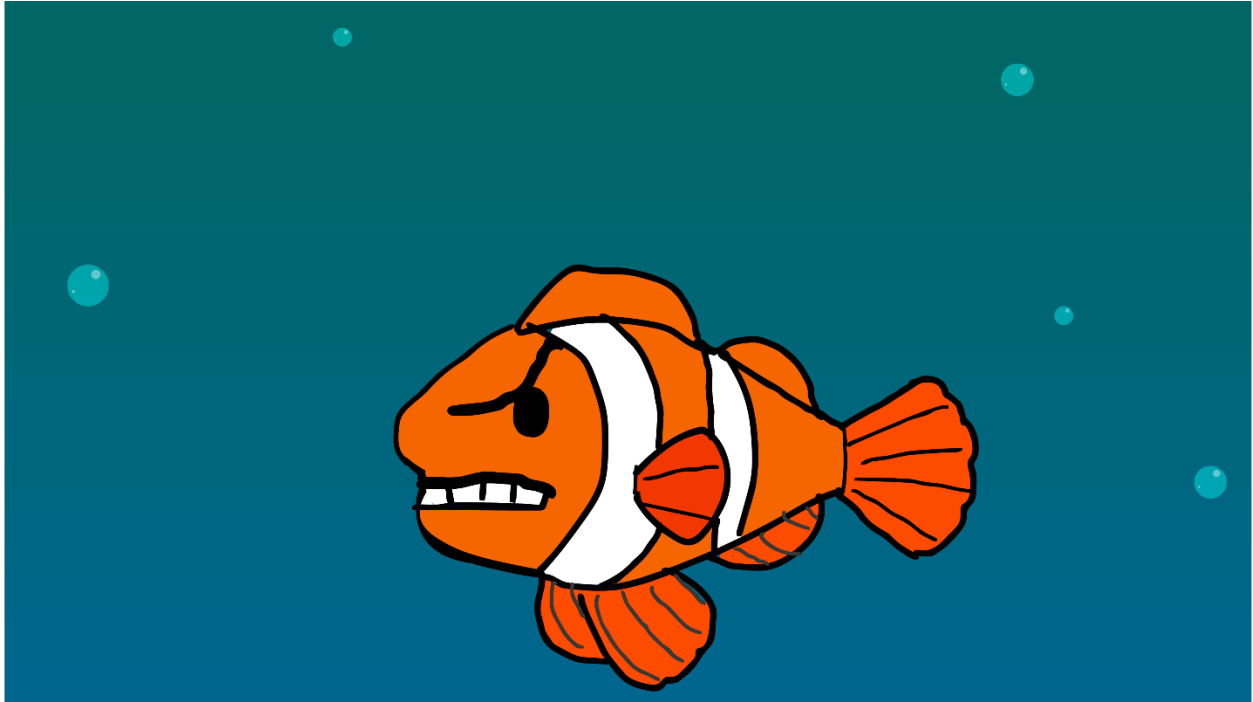

The father suggests they have some vegetables and fresh fish for dinner

The fish we thought was dead sneaks up behind looking very angry his plan failed

He calls and informs the evil Fat Sea Witch the giant fish failed to eat Ariel as planned by them
