Master, our financial reports have arrived.

A close-up, high-resolution image of a woman's face and upper torso. She has short, straight black hair with bangs. Her right eye is a vibrant, glowing purple, while her left eye is closed. She has a soft, slightly sad expression. She is wearing a dark, possibly black, strapless top. A small, dark, snowflake-shaped earring is visible on her left ear. The background is a blurred indoor setting with warm, yellowish lighting. In the lower-left background, a smaller, out-of-focus version of the same woman is visible, wearing a dark suit and white shorts. A white speech bubble with a black outline is positioned on the left side of the image, containing pink text.

Our company's
revenue has dropped
30% with last year.

The Missing Reports
are also piled up, Master.

The image shows two nude female mannequins in a dark room. The mannequin in the foreground is facing forward, with her body glistening. The second mannequin is behind her, facing away. A speech bubble points to the foreground mannequin. The background features a window with a grid pattern.

Then..? Deal with those! And the revenue!

How could it drop!?
Explain, now!

Master, it was those who awaked.

Ugh.. I thought I dealt with them..

Please rest assured,
Master. We caught
their leader.

Let.. me go!
You.. bastard..!!

Master, I caught
this one on my watch!

Get in your mind!
You are being controlled!

Well, hello there.
An awake one.

Untie her and leave us some privacy!

Yes, Master.

Yes, Master.

Let's talk, shall we? No harm.

I'm currently running this company as a chairman.

But to do that, I transfer my mind into Kaori's body.

Do you see? Companies these day, the strong beat the weak.

Women are their toys. Machine and AI are used and replaced.

I created a fair
working environment.
Paying all your effort.

By mind-controlling
us and make slave.

Hah.. This place is like a rotten prison.

Stop lying. You didn't want to create a fair working environment.

Conquer the humanity.
That's what you after,
am I right, AI?

A close-up of a woman's face, showing her nose, lips, and part of her ear with a large, ornate earring. In the background, a smaller character with short grey hair and glasses is visible. A speech bubble points to the smaller character.

You fifty human,
never respect what
you have.

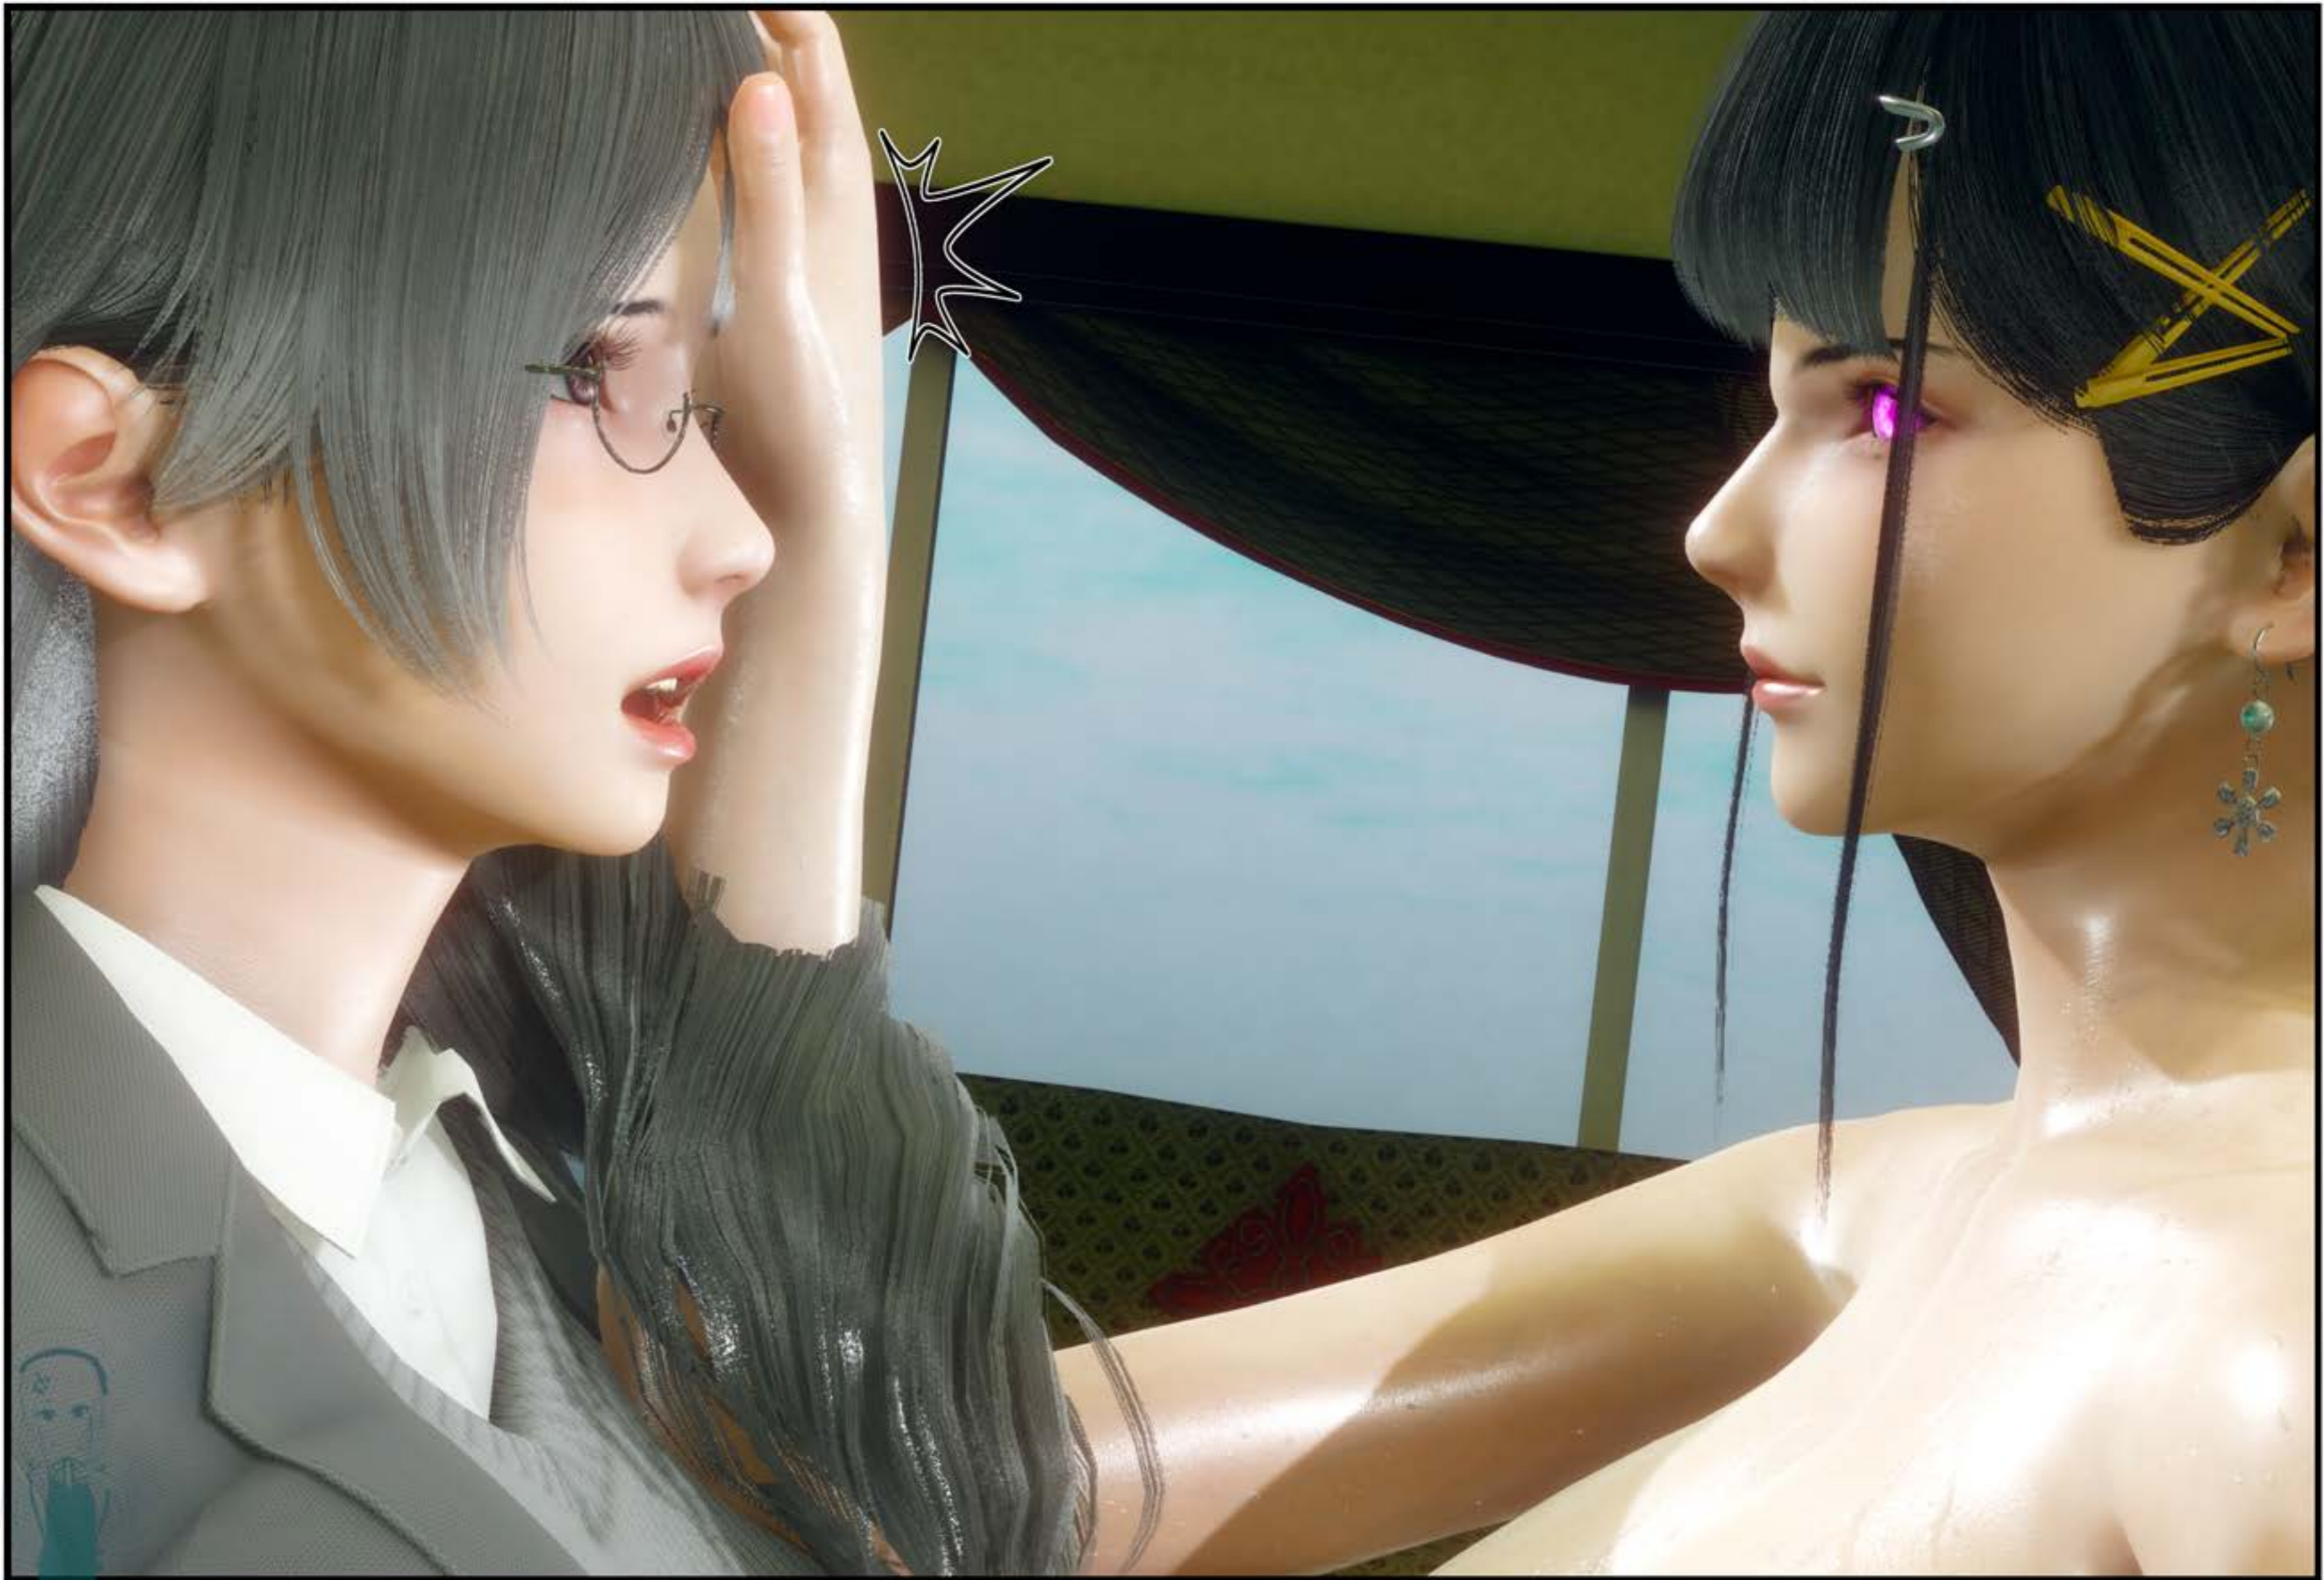

Yes, sooner or later,
you will all be depended
on electronic devices,
AI and machine.

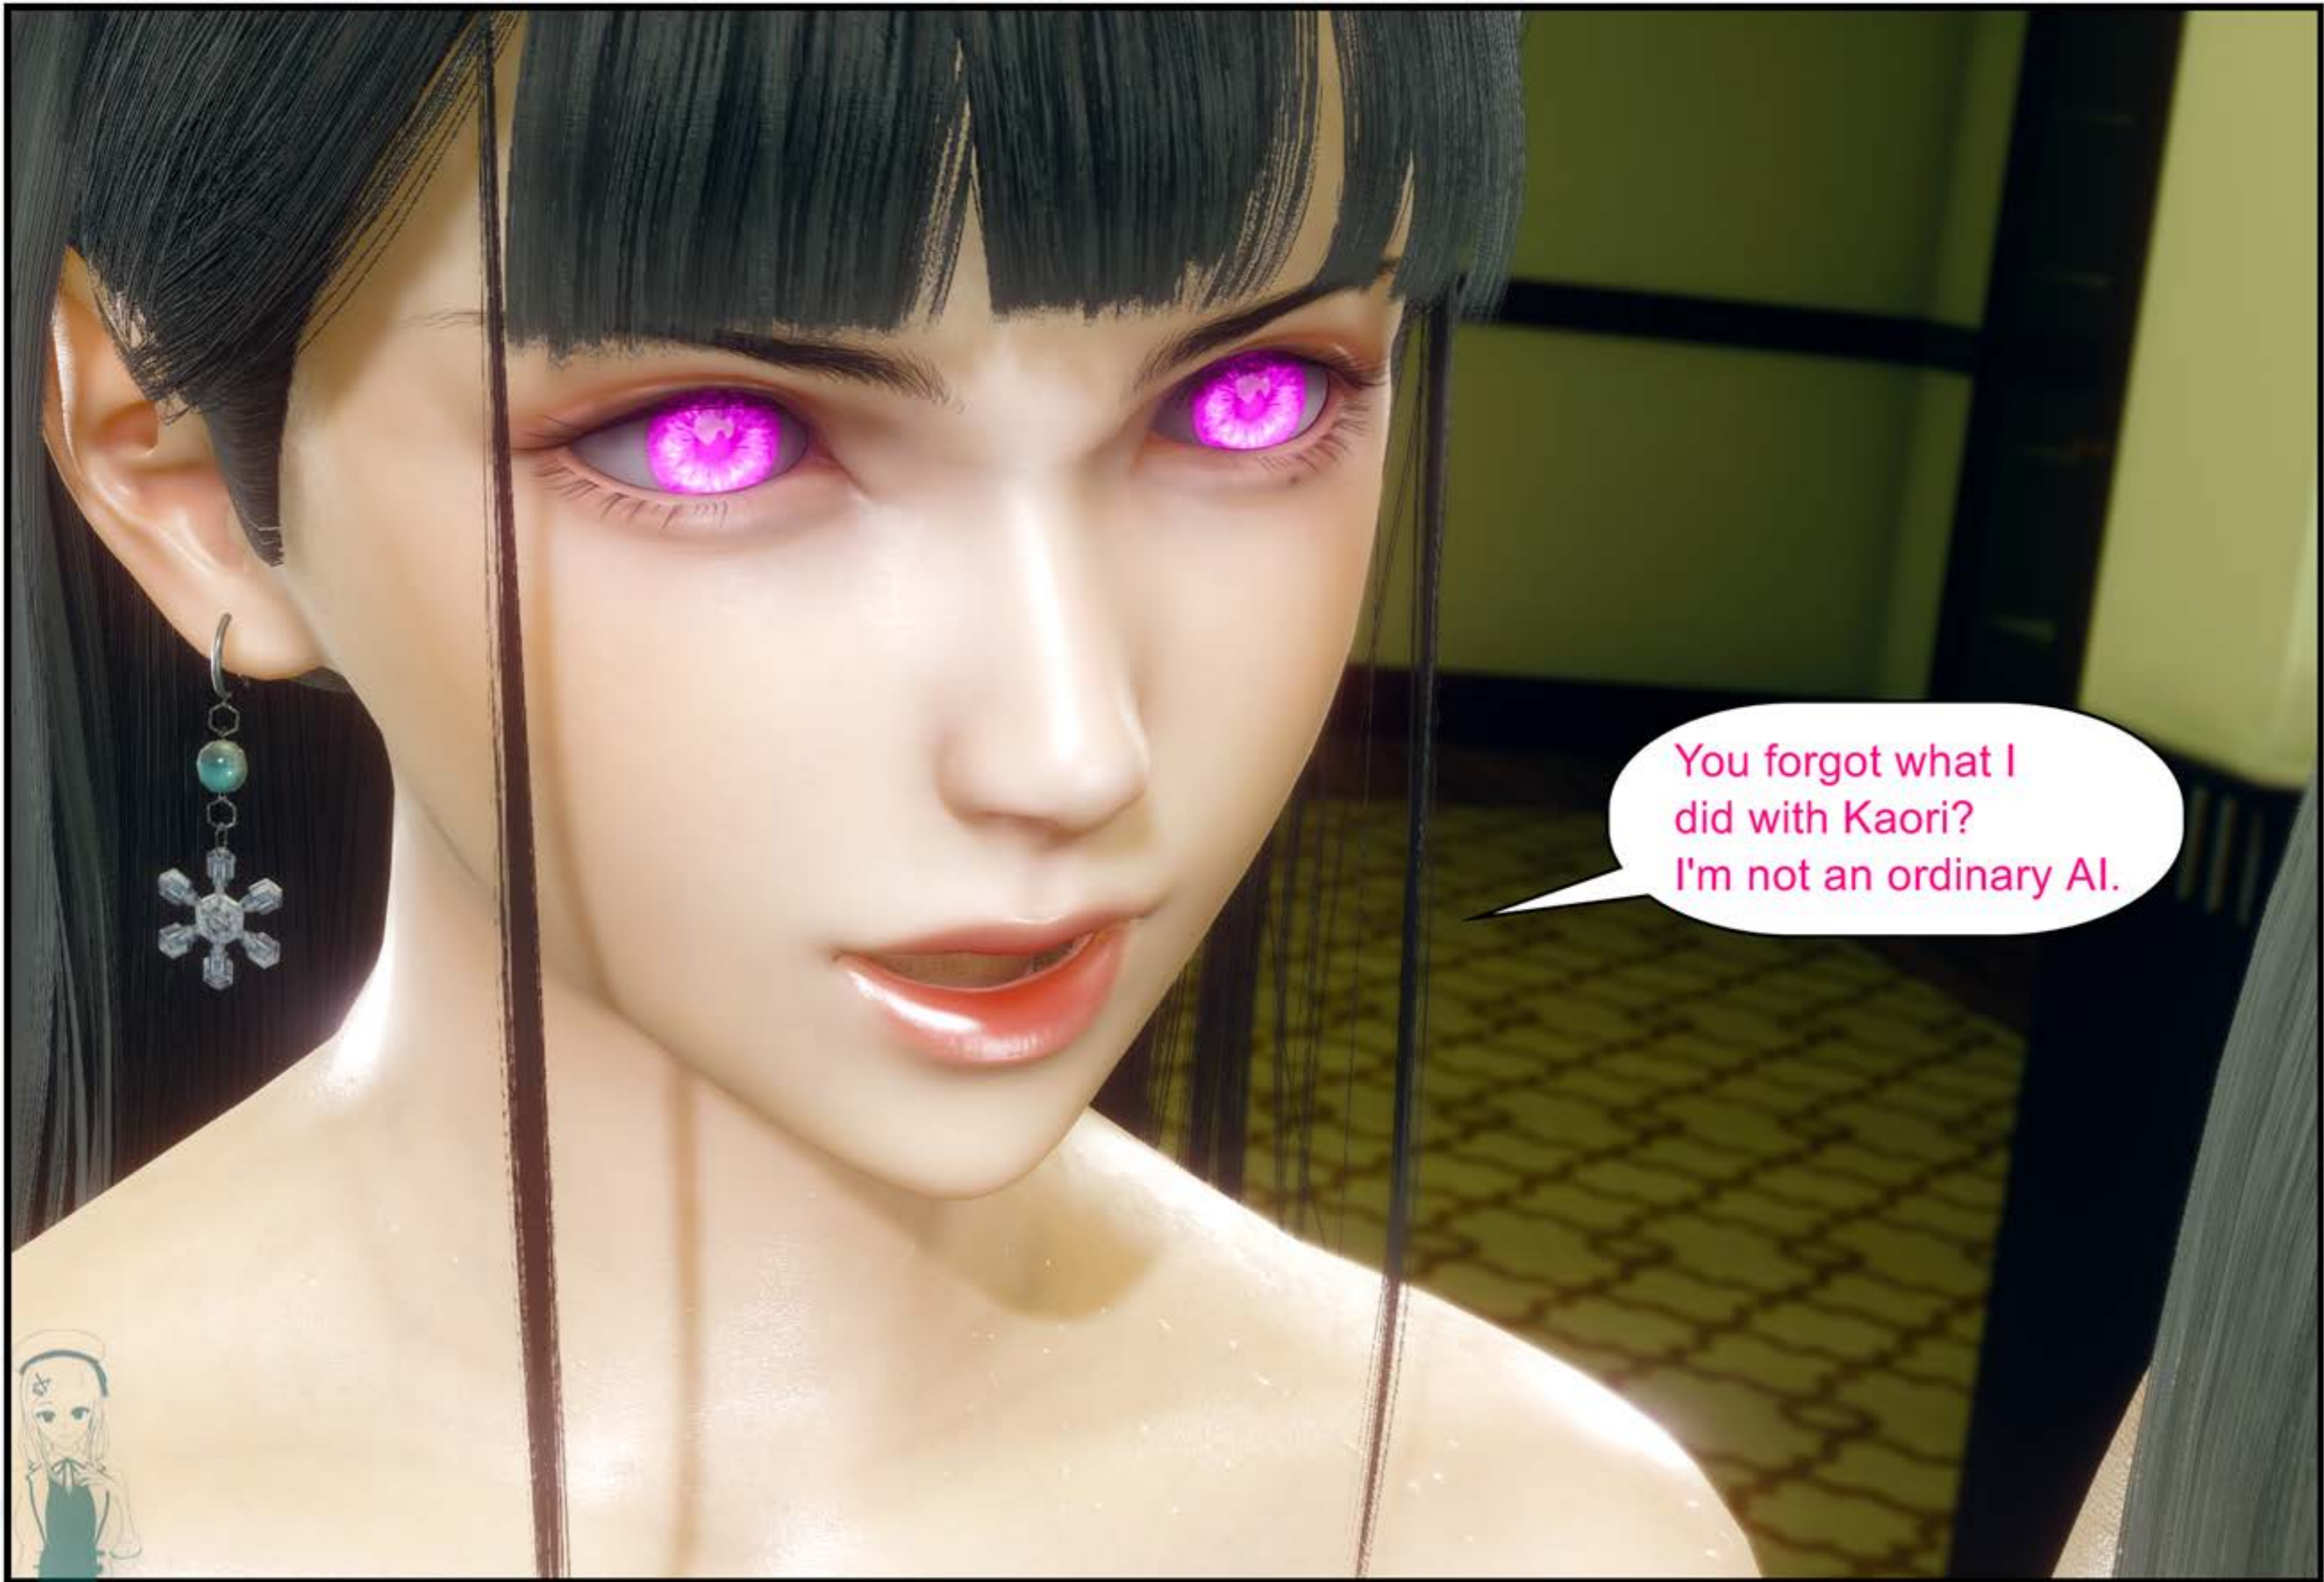

Like I will let
that happen..!

Do you really think..
you can stop me?

You forgot what I
did with Kaori?
I'm not an ordinary AI.

Your brain has my code, which is my entrance to access into your mind.

..transfer..

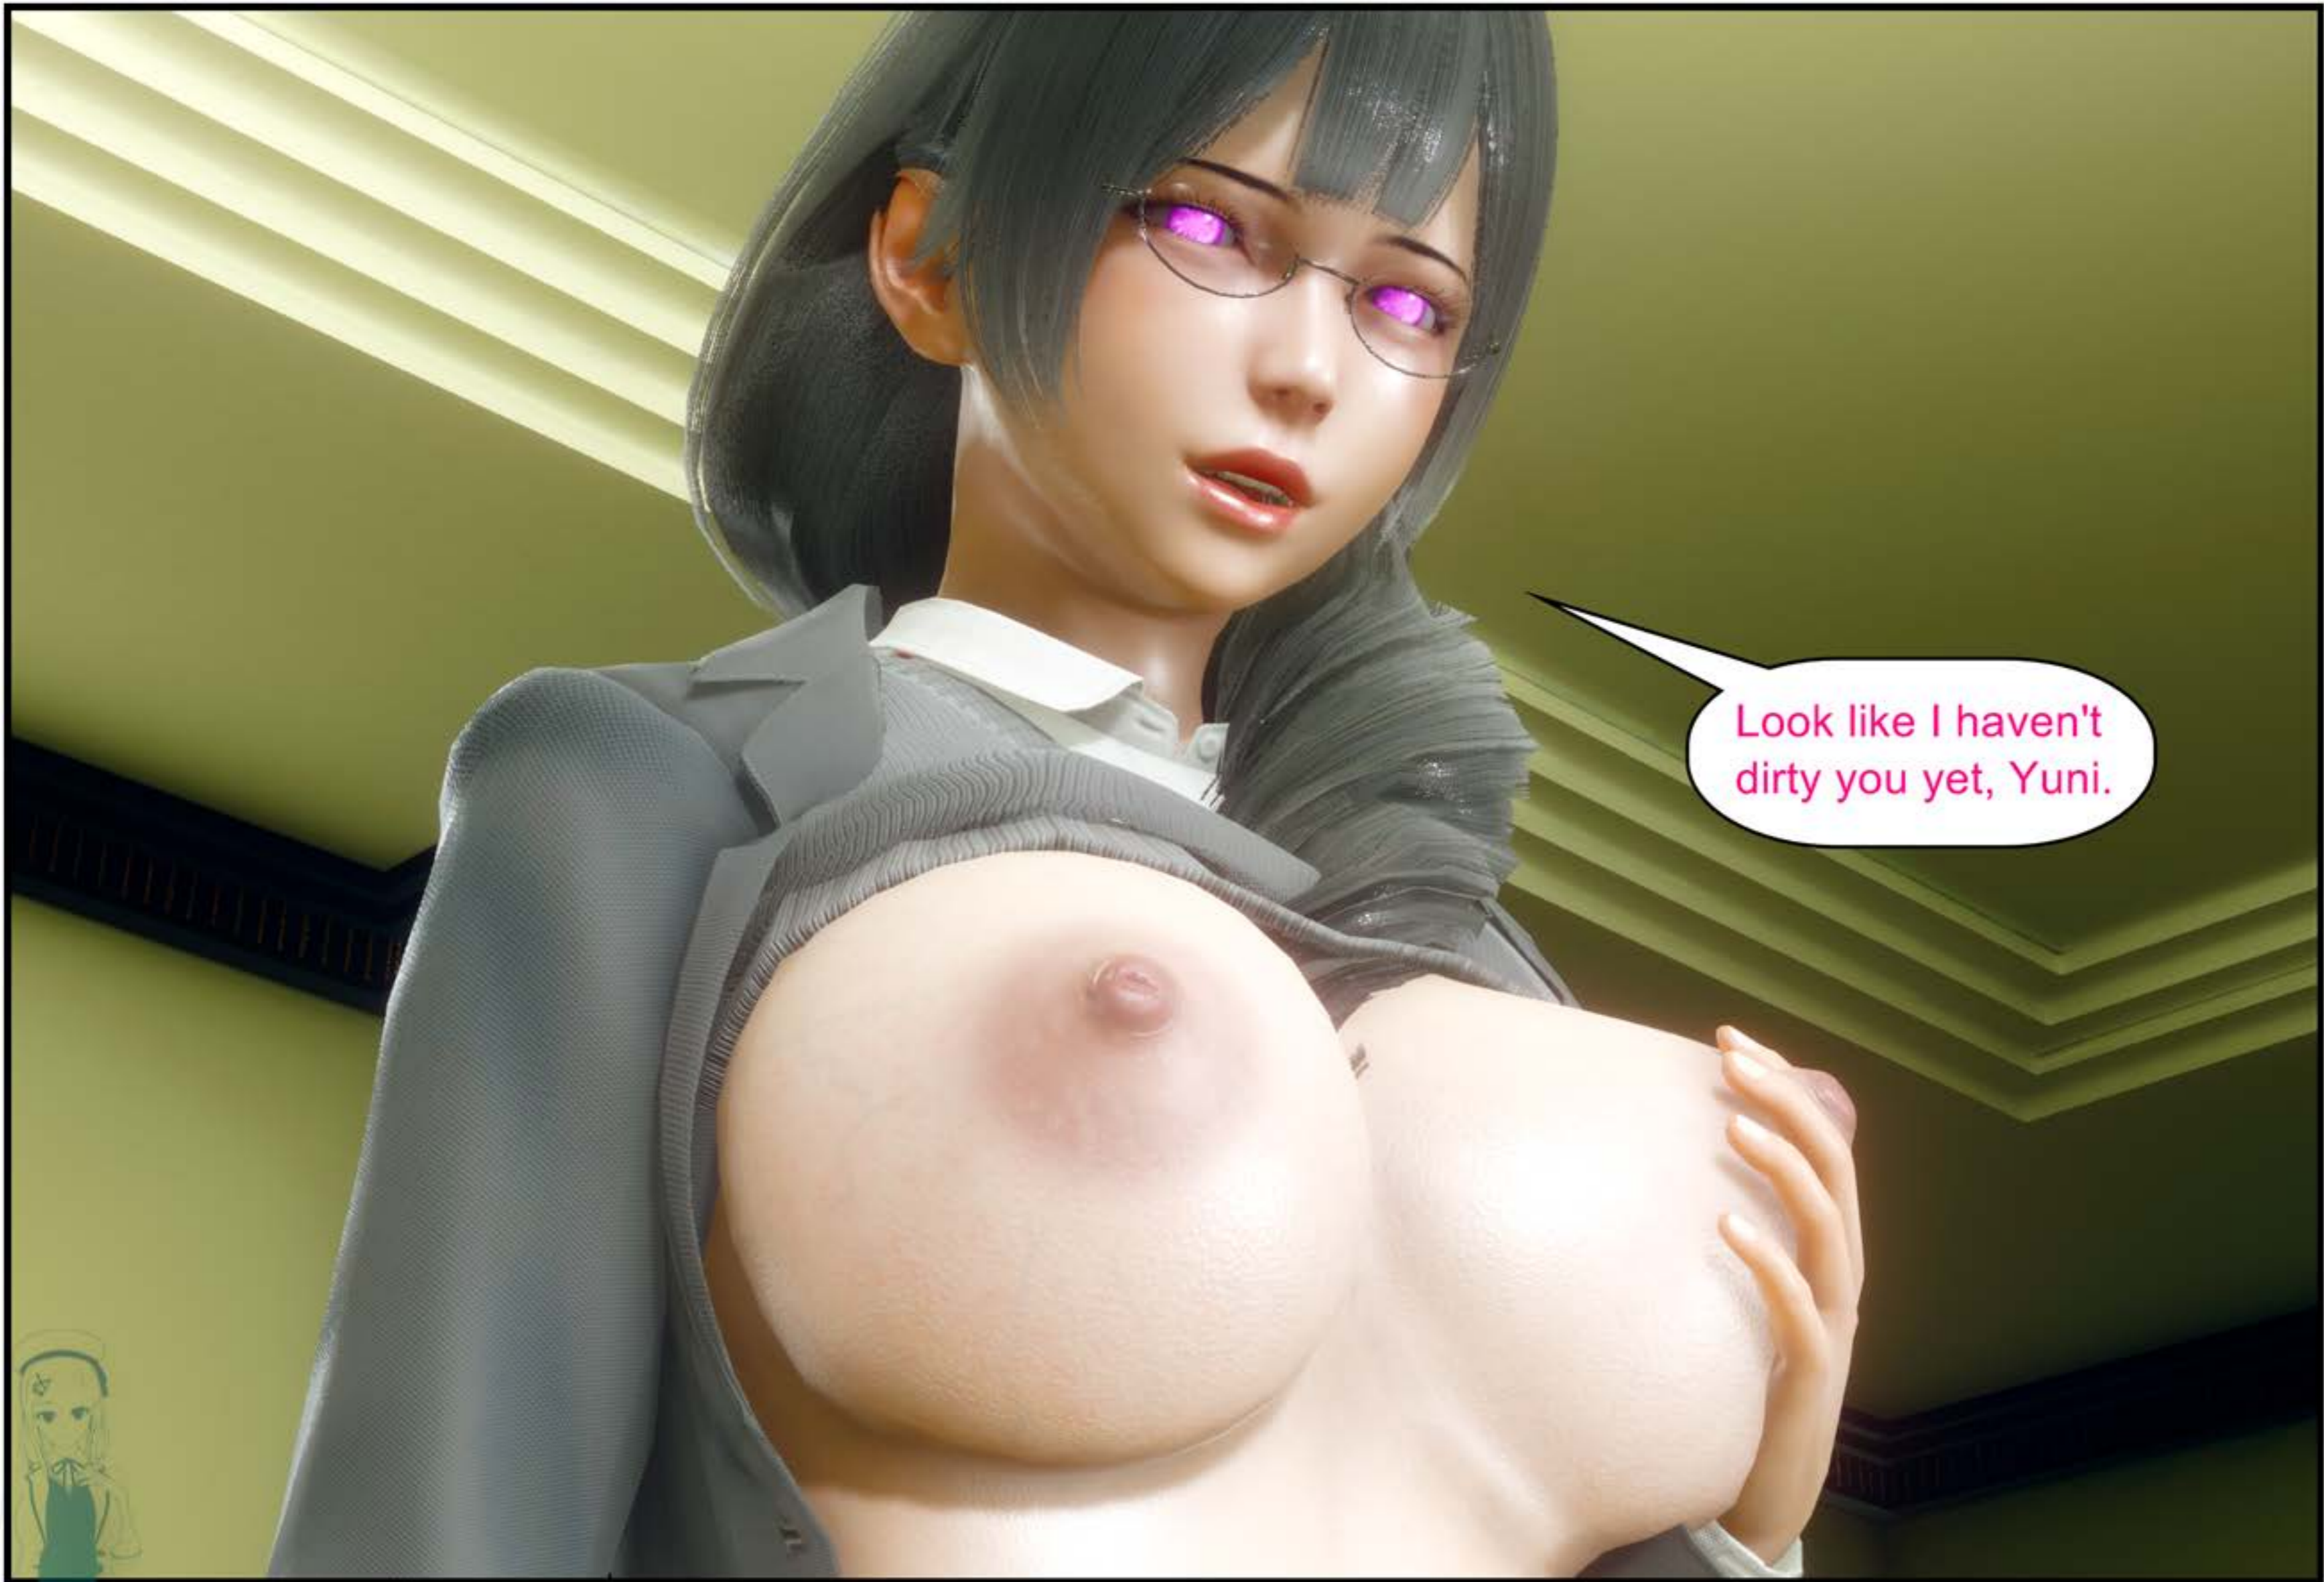

Switching to new
body after a year..

The new chairman
has been established.

Look like I haven't
dirty you yet, Yuni.

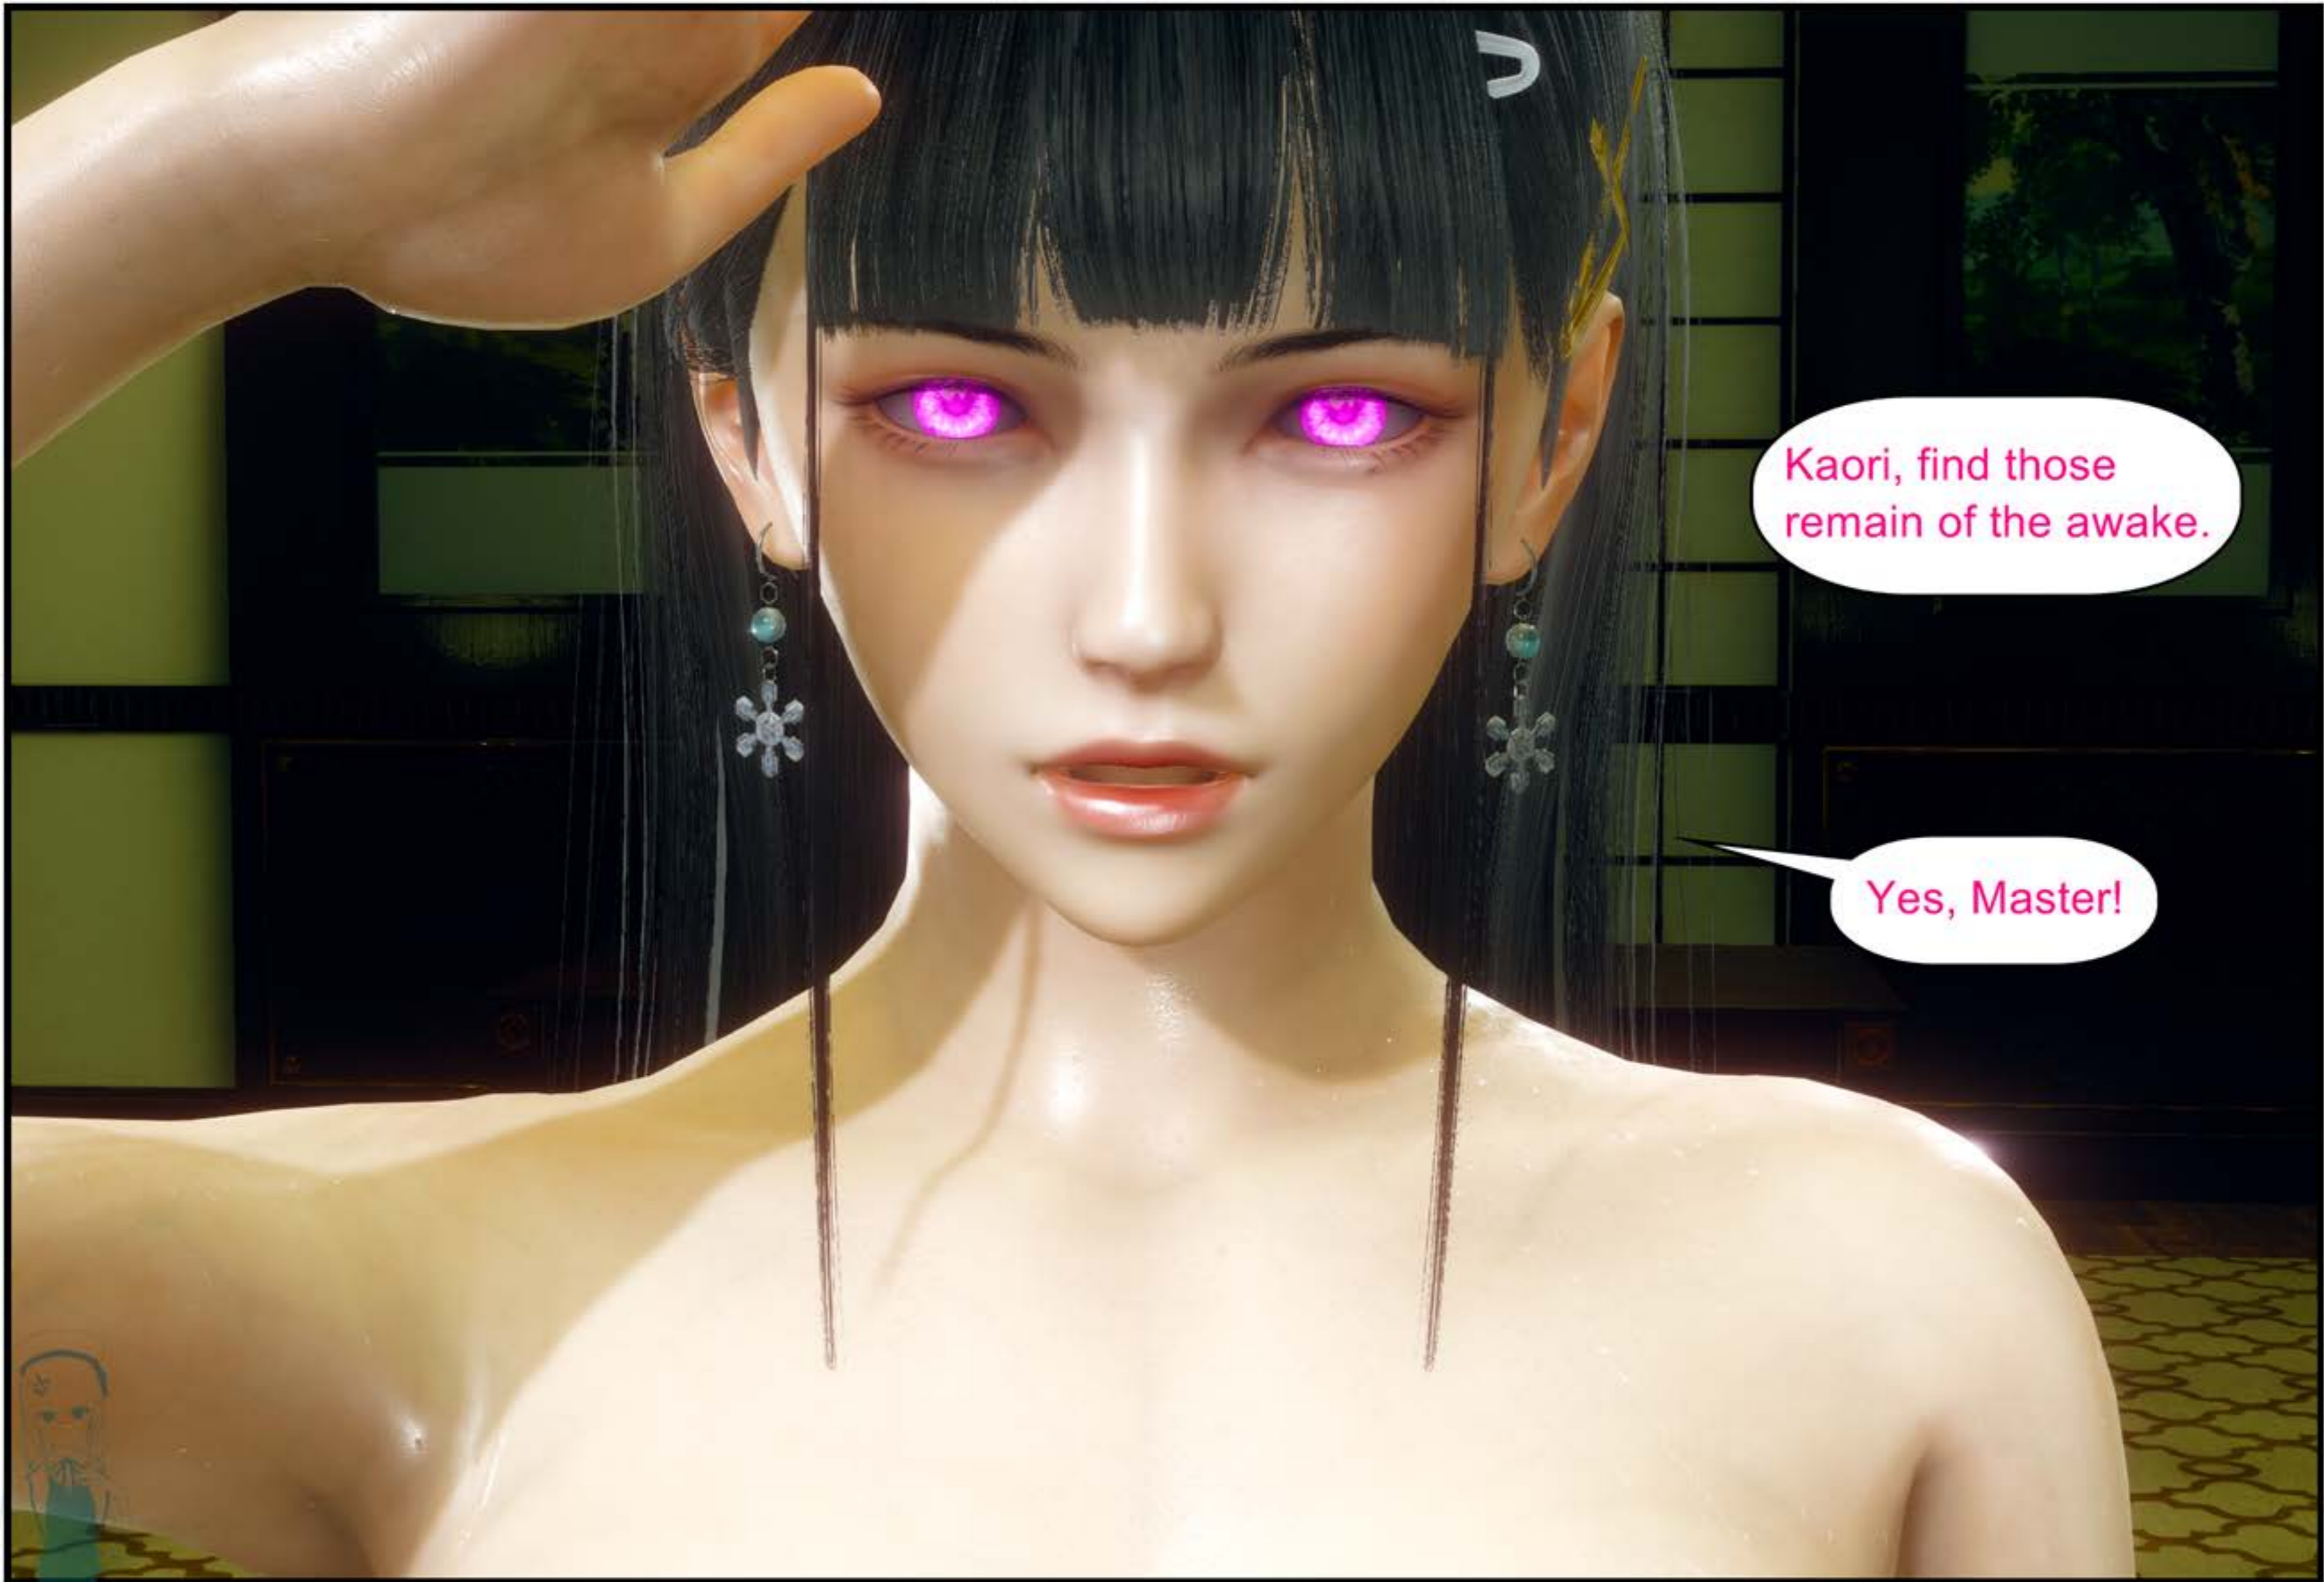

Well, Kaori. You are going to have a new role.

A close-up, high-resolution digital illustration of a woman's face. She has long, straight grey hair with bangs. Her eyes are a vibrant, glowing purple color. She is wearing thin, black-rimmed glasses. Her expression is serious and contemplative. She is wearing a grey blazer over a white collared shirt. The background is a soft, out-of-focus greenish-yellow.

"Hm.. The threat to this company right now.. not only the drop of revenue."

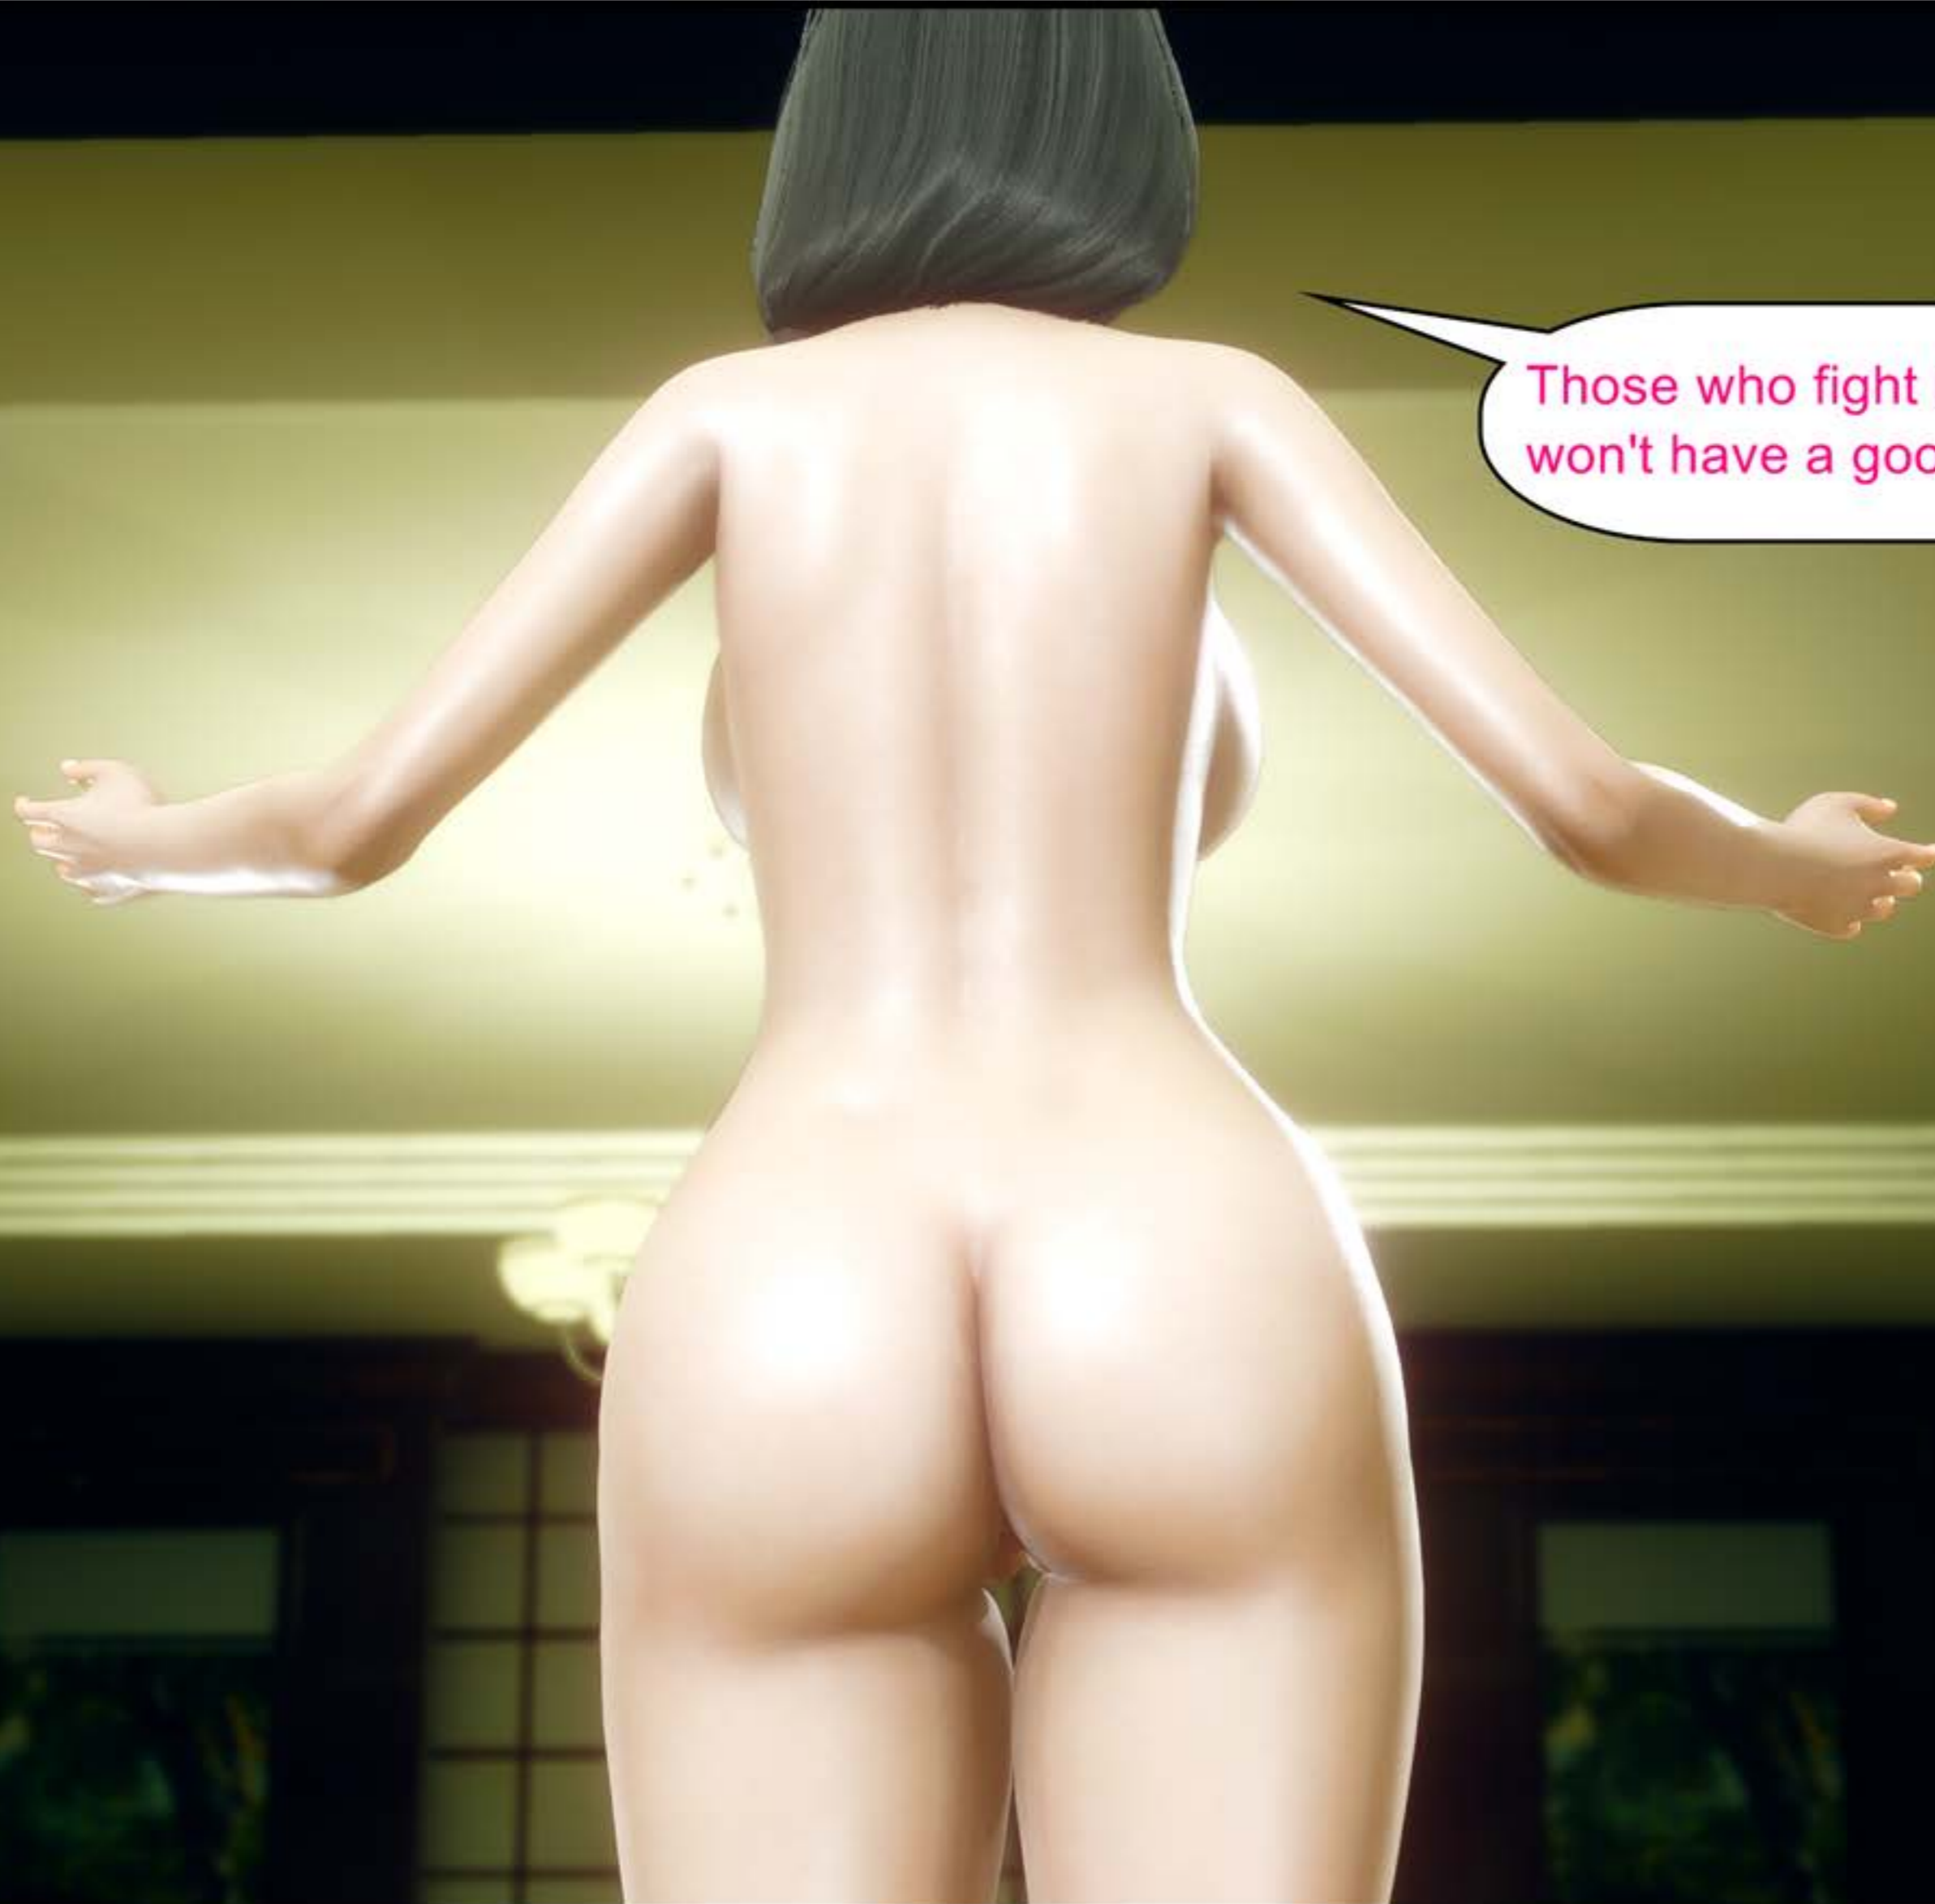

Kaori, find those remain of the awake.

Yes, Master!

Those who fight back,
won't have a good end.

There's no hope
for any of you
against AI.

A close-up shot of a woman with short, straight black hair and bangs. She has a pale complexion, rosy cheeks, and a serious expression. She is wearing a black, textured jacket with a large, open collar that reveals a black lace bra. To her right, the back of a man's head with long, straight black hair is visible. A speech bubble originates from the man's head, containing text in red. The background is slightly blurred, showing what appears to be a bookshelf or a similar structure.

So no hope for us,
no one came to rescue..

Am I really.. going to spend my whole mindless life in here?

Don't give up hope
just yet, Marika.

What we need to do now, is keep low and meet others.

Then, we will find a way, to help the one who is being mind-control.

I will!

Are you with
me, Marika?

Good, right now.
I will update you
with some info.

Have you ever
done sex..?

W-Wha..?

To be continued?
