

Hey baby, you excited for your first pride as yourself? Oh, are you feeling nervous papito? Babe I'm gonna be right there with you. If anyone bothers you I'll handle them okay. And our friends are gonna be there with us too, how often do people want to take on a whole group?

I know, I know. I don't mean to be like, dismissive or anything. I know it can be scary. And I can understand why you're nervous. But I'm really proud of you, and I just want to let you know I'm gonna be right by your side. If you're having any second thoughts it's okay, but I want you to know I'm gonna do everything in my power to keep you safe, okay? Okay. [kiss] I'm just really excited to go out and be with my community with my hot boyfriend. Can you blame me? I wanna show you off.

Let me fix your hair, a bit. There we go. Oh you want help choosing an outfit? Okay. Hm.. I really like this shirt on you, yeah you look so daddy in it. And maybe these pants? Mmm.. mhm these ones. Oh is it that obvious? [giggles] I mean what's wrong with that? I think my man is sexy, that's all. [kiss] [passionate kiss] Talking all low in my ear with your voice getting deeper, ugh God.

What am I wearing? Hm, what do you want me to wear, papi? Yeah you know me too well, I do already have some options picked out. Why don't you help me decide. I was torn between going with the shorts and cowboy boots or my goth sundress. I mean, the shorts mean I get to have my legs out and the boots are always fun for pride. Obviously with a cowboy hat to match, you know I love a cowboy moment. But then the dress really hugs my figure and it's nice in the weather. [low voice] And it's kind of easy access. But, it's not as festive, you know? Maybe I'm overthinking. I don't know, what do you think? [chuckles] Then I guess that's what I'm wearing.

Oh what's this? Oh you got me a gift? Oh baby it's beautiful, it's gonna look great with my outfit today. Help me put it on. It looks great, thank you daddy [kiss]. You're so good to me.

You look really good today. I think I might have to get a lil territorial, no way the other girls aren't gonna try and get a piece of my man too. **Don't give me a reason to fight nobody today, mmkay? [giggles] If I see a girl lookin a lil too long I might have to talk to her. No no papi you don't get it, you think they're just being nice because you don't see how fine you are. [kissing] Hm, is that so? You wanna get all territorial of me too? Please you know no one else is a threat. No one makes me feel how you do.** It's a problem forreal. [chuckles] Babe you getting kinda handsy. [kisses] Come on, we're supposed to be putting our clothes on, not taking them off. [playful shove n giggle] [kissing] Can I give you some hickeys before we go out? I feel like I gotta mark my territory you know? [giggles] Embarrassing for what? Baby our friends know we fuck. A lot. They're not gonna be shocked to see hickeys on you and it wouldn't be the first time. Okay, just one. [kisses n sucking neck] I'm not leaving your side tonight, mm mm. Imma be a menace. I see a girl tryna talk to you, I'm pullin you close and licking you all up from your collarbone to your neck right in front of her. Lick you right where I left all these pretty hickeys, let her know that's *me*. That's *my* baby. [kissing] Fuck, okay we really need to leave now or we're never gonna leave. No no no our friends are gonna be waiting for us we have to GO. [squeal] [kisses] Come on you're getting me all worked

up you fucking asshole. Yeah you! This is all your fault lookin all sexy and shit. [squeal] Did you just smack my-? You motherfucker. [giggling]

— scene 2, gay bar

Hm? You gettin my drink for me? Well you know what I like. [giggles] Nah, not feeling like switching it up today. Jack and coke still works great for me.

Mm, Thank you Papi. What did you get? Oh yeah of course, I should've guessed. Yeah, Robbie and Devon were out late last night after their show if you get what I mean so I don't think they're showing up. But Terri's still coming, she confirmed.. I haven't heard back from Syd yet. But I heard a lil rumor that Syd's got a lil girlfriend she might be bringing. [laughter] Yeah, apparently she just showed up last night with some girl. Terri was surprised too. But, it's been a while since we've seen her with someone so I'm happy for her.

It's nice we got to sleep in but I'm sad we ended up having to rush out. Just for no one to be here when they said they would [laughter]. Yeah, and then you getting me all frustrated before we left. You dick. Wish we would've had time to uh.. Release some of the tension, I guess.

[low voice] You know.. If we're gonna be waiting anyway. We might as well fill some of the time up. I think we still have that one toy bag in the car from that one camping trip we took. Back home? Oh no hun if we go back home we won't leave back out. [laughter] I think our safest bet would be to just .. stay in the car. What do you think? — *cut for patreon*

Babe, we can just park somewhere a bit more discreet. Plus the potential of getting caught or someone hearing us is kind of part of the fun. Come on, we did it on our first date, it might be nice for the memories. Remember, we met up at the dive bar and got a drink and I couldn't wait to jump on you. Yeah you were just so sexy. With your fuckboy haircut and your leather jacket and shit. [laughter] Yeah you got so pissed when those college kids started getting curious you had to go tell em off, but there I was just blissed out, couldn't care less.

Listen - you know I get bitchy when I'm horny. You want me to be a headache or you wanna give me head till I ache? Mhm good boy come on. Yeah I called you good boy, what are you not one? Are you gonna do something about it? Ah [passionate kisses] Is that an answer? [giggles] come on let's go.

You drive us where you feel comfortable fucking me, I'mma sit my pretty ass back here and get started. Mhmm. Better hurry up and find a good spot before I finish myself without you. Oh I'm not allowed? Well I can try to hold back but if it happens it happens. Focus on the road baby, be quick so you can stop me in time.

[freestyle]

Mm, finally found a spot huh? Not as discreet as I thought you were gonna go for but, I guess you're prioritizing something else? [kissing]

You feel how wet I got myself for you? If you think about it, I was actually being so good. Mhm. I just wanted to get ready for you papi, that's all. [hitched breath] fuck

I didn't even finger fuck myself. I wanted you to be the first inside me today. See I was good, wasn't I? Mhm, I was so good. [kissing n moaning] I just wanna be your good girl papi.

Kissing my neck like that. It feels so good. Mm don't call me that. I'm not needy. Mm mm. [pouting] I'm not a needy slut. [hitched breath] Nooo, I'm not. What do you mean I'm not foolin you? I'm not papi I'm a good girl. Mhmm. [harder fucking] [higher pitch] mhmm.. fuck..

Mm what? Noo good girls get fucked in parking lots too. Mhmm. I don't have to be a needy slut to ask my man to fuck me in the car. Mm mm.

Good girls don't cum in front of other people? But there's no one else here. Yeah they could but they're not here now, if I don't know it's not my fault. I'm innocent papi.

Mm. I can't cum if I'm a good girl? That's so mean. If I cum I can't help it. Good girls can hold back? That's not fair. Fine, I won't cum then. Your loss, you know you love watching me cum underneath you. I guess you're just gonna have to use my pussy till you get bored. [hitched breath] mm mm. It's not hard. I'm just performing for you, I feel bad that you won't get fully satis - [hitched breath] fied. Mhm. That's all.

Uh uh. Sucking my tits won't make me cum. Mm mm I don't even like that. [hitched breath] [whimper] Fuck.

No no it's not hard. Not hard at all. Cuz I'm a good gi- rl.

[freestyle]

Yeah I can keep it up. Mhm. Even with your tongue on my pussy. You're probably too tired and nervous about people hearing me to be really good right now anyway. Mhm. It's okay papi this is all for you, not me. Have your fun, I'm not gonna cum. I won't even get close.

See, I'm fine. Mhm. Perfectly fine. [whimper] N-no. I just. Was adjusting. That's all. [whine]

[freestyle]

It feels really good. Mhmm. You feel so good. Fuck. Hm? No, it doesn't feel tired. You're doing a great job baby. Did you want some praise? You want me to tell you what a good boy you are?

No no no please. Please. Please don't stop rubbing my clit papi please. I mean it's - it's not that big of a deal. If you make me cum it's just because you're so good at this. You make me a bad girl but I'm really so good. Mhm. It's just you, you do it to me. Mhm. That's all so please please let me cum. Let your good girl cum please.

[pout] That's so mean baby. It's just not true. You know its not.

You won't make me cum unless I say it? Baby please..

[brattier tone] Fine. I'm a [under breath/covering mouth] needy slut.

[whine] Baby I said it come on. Stop being so mean to me.

Yeah there we go. A little faster and harder like before please.

What? Babyyyyy.

[whine whimper yadda]

Me wanting it harder and faster doesn't make me a slut. It just makes you mean. Fuck please I can't stand it. I'm gonna accidentally cum and it's not gonna be as good please.

Okay fine please please I'm a needy slut. I'm your needy slut papi I'm so needy please. Please fuck my needy cunt harder please. [harder] mhmm. Mmm. Thank you papi thank you. I'm just a needy slut for you, okay? Only for you. Fuck. Can I come on your face please? Please please - mm [orgasm]

[closed kiss] [pout] hmph. You're so mean sometimes. Mm mm you got me all wrong. I don't like it when you're mean. No, I'm too sweet. Why would I like that? I only said it because you made me. Ah- wait no - ah fuck

It's too sensitive please. Ah - [whimpers] I'm gonna be sore. I don't wanna walk funny. Please. No, that's different from the hickies. That's way more embarrassing.

Fine I like it when you're mean, you fucking dick - ah. Please. I promise I'm only a needy slut for you. Mm mm I don't want attention from anyone else. I only like when you're mean to me, you're the only one who gets me like this. [kisses]

Mm. [buzz] Oh, looks like Terri showed. And Syd's already there with the new girl. Finished just in time I guess. [kiss] Can you drive us back baby? [dramatic] I'm in no state to take the wheel. [laughter] Okay but I'm your favorite passenger princess.
