#### 2) TF Idea N° 02: Frankrock927

Parody from Brother Bear 2, Nita turning into a bear in her late mother's wedding dress.

#### 3) TF Idea N° 03: Wingslash795

Far Far Away Princesses turning into a group of ogress. Sleeping Beauty finished her TF in her sleep, Rapunzel started her TF when her wig fell out, and Cinderella and Snow White are in the middle of TF.

#### 4) TF Idea N° 04: Samuel Kim

A pinup of Lucy (Colleen Fitzpatrick) being shown in standing reverse cowgirl position to show off her getting a neck bite and vaginal creampie from Dracula simultaneously. Moreover, I was thinking she has her orange top and blue jeans are tattered, but still hanging on barely. Basically ripped up enough to show off her chest and bottom.

#### 5) TF Idea N° 05: Jack

A sequel of sorts to Naughty Jack, where Jessie awkwardly transforms back from donkey to her naked human self.

**6) TF Idea N° 06: Cannockiscool**

My OCs Namaga and Vovna turning into werewolves in body and mind (Namaga is the girl with the wings and the hat, and Vovna is the knight girl with pink hair) Namaga still having her hat on, thank you!

**7) TF Idea N° 07: mbcik**

The characters from Konosuba turning into different TFs: Aqua into mermaid, Darkness into centaur and Megumin into dragon.

**8) TF Idea N° 08: Re-Maker**

Zelda (BotW version) being turned into a double of Urbosa from the same game. Urbosa would be hugging her new "twin" from behind and touching and teasing her sexily. Zelda would be almost naked with only a few strands of her clothes still onto her and looking pretty happy and turned on by her new body. To further drive across the "double" is/was Zelda, she may still have a few strands of blonde hairs, instead of being full red-haired.

**9) TF Idea N° 09: J Monroe**

Pink power ranger tf to a female version of Goldar ( like a weird looking monkey creature).

**10) TF Idea N° 10: SHADOWKNIGHT201**

Android 18 turning into a hulk. It could be one of those pin ups where she notices the transformation occurring. With the green eyes, she's getting bigger and green, toes bursting through her shoes, etc.
