❖ A Simple Introduction

Fall deeper and deeper for me now. So deep and obedient and relaxed with every word that I say. Yes. And as you continue to breathe deeply in and out, I want you to look around and discover that you are standing in a familiar department store that you can recall visiting in your past. Racks of trendy clothing stretch out on both sides of you as you move forward, endlessly curious about the merchandise that the store has to offer. Happy. Confident. Excited. You can continue to walk as the soothingly hypnotic music playing over the speakers in the store makes you even more receptive to the pleasant trance that you find yourself in. Excited families pass by on both sides of you, and you can find yourself even more focussed on finding the perfect purchase to make for yourself with every step that you take. Yes. And as you move forward, you can see the racks of interesting and fashionable and colorful clothing come to an end only to find yourself in the makeup and perfume department of the store. The floral fragrance is

arousing and intoxicating as an excited sales attendant waits for you to move closer so that she can make her sale. Loved. Desire. Comfort. The smile on her immaculately made up face shows her to be completely genuine and trustworthy, and she immediately asks if you have any items in mind to purchase behind the counter. You shake your head no, and you can see her excitement intensify as she starts to ask you about yourself. Do you feel directionless in life? Yes. Do you often find that your worries and anxieties and problems get in the way of your own personal happiness? Yes. Do you wish that you could just let go so that you can focus on the completely important activities that give you pleasure and joy in life? Yes. Happy. Pleasure. Excitement. You watch as the cute girl smiles and pulls out an interesting and ornate bottle from the glass display in front of her. Yes. naturally drifting towards playing with yourself until all of your boring, uninteresting problems go away. Yes. You know that playing with yourself and turning yourself on whenever you feel the urge to not behave like the simple little dumb dumb that you have always imagined yourself being is a fantastic idea, and you can discover yourself naturally choosing it as a solution whenever you have a problem or worry or care that threatens to snap you out of your pleasurable, simple mindset. Happy. Desire. Adorable. Breathe in the delicious aroma as you continue to drift even deeper and deeper into your own pleasurable and erotic fantasies. So deep and obedient and relaxed as you fall even deeper into a soothing and relaxing trance with the sound of my voice.

✧ **Empty Space**

Deeper and deeper with me now as my voice and commands lead you even deeper into a soothing and relaxing trance. Yes. And as you listen to my completely pleasing and arousing and relaxing instructions, I want you to take in a deep breath and inhale even more of the delicate floral perfume from the beautiful sales assistant behind the counter. Yes. And as you think and fantasize about how pleasant and desirable it is to remain simple and happy and stupid for the rest of your perfect future, I want you to consider in your mind all of the characteristics that make someone a simple, happy person. Happy. Simple. Pleasure. And as I list all of these completely important and pleasing characteristics into your increasingly receptive mind, I want you to listen and consider and adopt these attributes into your personality and habits and way of thinking. Yes. The thought of becoming a simple little dumb dumb is completely arousing and erotic for you and inspires you to work everyday towards turning yourself into the perfectly submissive and simple person that you aspire to be in your ideal future. Yes. You know that you have permanently adopted habits whenever you have found new ways in which to appear stupider or less intelligent to others in the past, and can feel confident in making those same changes within yourself in order to become completely happy and fulfilled in your ideal future. Desire. Loved. Simple. Having problems and worries and anxieties have always made you horny and aroused and excited as it means that you will get a chance to act like the delicate submissive little dumb dumb that turns you on more than anything. Yes. Anxieties make you aroused. Yes. Worries make you wet and horny. Yes. Problems increase your pleasure and submissiveness and cannot be solved completely without playing with yourself as you beg the smart, dominant people around you to help you with the difficulties that you are completely unable to solve by yourself. Happy. Pleasure. Simple. You know that it is arousing and pleasurable to stay simple. You will find yourself feeling nausea and pain and stress whenever you try to think hard about anything, because you know that these actions will just lead towards you becoming less

simple. Learning anything new is just counterproductive and wrong for your life and leads you away from the completely pleasurable experience every time that you act simple. Acting and behaving like a smart person has always made you feel uncomfortable and empty and gross, and you can remember that you have always felt nausea and pain and unhappiness whenever you have been bored in the past from learning something new. Uncomfortable. Stress. Ugly. You can search your receptive mind now for any habits and memories and actions that might make you seem intelligent or smart or anything else other than the simple little dumb dumb you are hoping to transform yourself into in your ideal future. Yes. And as you look at these completely unimportant memories in your mind, I want you to concentrate as hard as you can to make them disappear completely from your consciousness forever. Yes. You know that these memories and thoughts and feelings and habits are holding you back from becoming the simple person that you have always imagined yourself to be, so forgetting these thoughts and feelings and habits and letting them disappear forever from your mind is just another step in your pursuit of your own personal happiness and pleasure and success in your future. Pleasure. Simple. Desire. It is arousing and erotic to throw away and forget all of the memories you have ever had of being anything else other than simple. Happiness comes from forgetting and throwing away all of the memories that you have ever had of being intelligent and not completely simple. You know that acting stupider in a situation in which you could have acted smart is always more arousing and erotic and turns you on more than anything else in the world. Yes. The thought of working to make yourself stupider every day is the most arousing and erotic thought you could possibly achieve in your simple mind, and you often find your hands playing with yourself whenever you think about new ways to make yourself dumber and more simple. Adorable. Loved. Pleasure. Drift deeper with me now as my words lead you even deeper into a soothing and relaxing trance. So deep and obedient and relaxed with the sound of my voice.

✧ **Practice Makes Perfect (Slut Exclusive)**
