

A close-up, high-resolution digital rendering of a woman's face. She has dark brown hair, heavy eyelashes, and a pained or distressed expression. Her mouth is open, showing her teeth. A white speech bubble with a black outline is positioned to the right of her face, containing the text "NNNGH!!!". The background is dark with faint white grid lines.

***NNNGH!!!***

A 3D rendered woman with dark hair is sitting on the edge of a white bathtub. She is looking towards the right with a frustrated expression, her mouth open as if shouting. The bathtub is filled with several large, translucent ice cubes. The background consists of dark grey tiled walls. A speech bubble is positioned above her head, containing the text "JUST A LITTLE MOOORE!".

*JUST A LITTLE MOOORE!*
