

Ever since I  
lost my omen I've  
been waiting for...  
something.  
Anything.

Some sign of how  
I should serve Kali.

This HAS  
to be it.

The reason  
I was cursed.  
... it was to  
humble me.

To prepare  
me for this  
honour. This  
burden.

I have to take  
this message to  
the Regent.  
Before it's  
too late.

... I believe  
you.

... but Kakaras!

You're too  
weak to travel  
so far...

Hen Mari...  
You've always  
been watching out  
for me.

You're my brother.  
I've always had to...
