At the main school gate

I do not understand you. First you yell at me and now you make me do it.

And remember, like I said in school, we're pretending to be sisters, so don't use my old name under any circumstances.

I understand, I was shocked too. Although the viewer also has its advantages.

Sorry about that. Understand I suddenly became a girl. It's really hard for me to accept that.

Really. What?

Do you think anyone will notice that we're hiding something?

I doubt it, but we better not talk about this topic in school because we will talk ourselves.

And you two, what were you going to do?

It's the voice of that third year girl.

Eeeee. I do not know. Go upstairs?

No! You were just going to show everyone your panties. Girls, when going up the stairs we hold our skirt. Remember that!

I'm sorry

I'm sorry

Wait, maybe it's silly
but you guys are sisters, right?

Twins,
you can see. Besides,
what does that have to
do with anything?

Nothing, absolutely nothing.

?

Yes of course. I just didn't want the whole school to see your panties. That's all.

Can we go now?

Poor thing, sister is a gift
of nature and she ...
well, life is unfair.

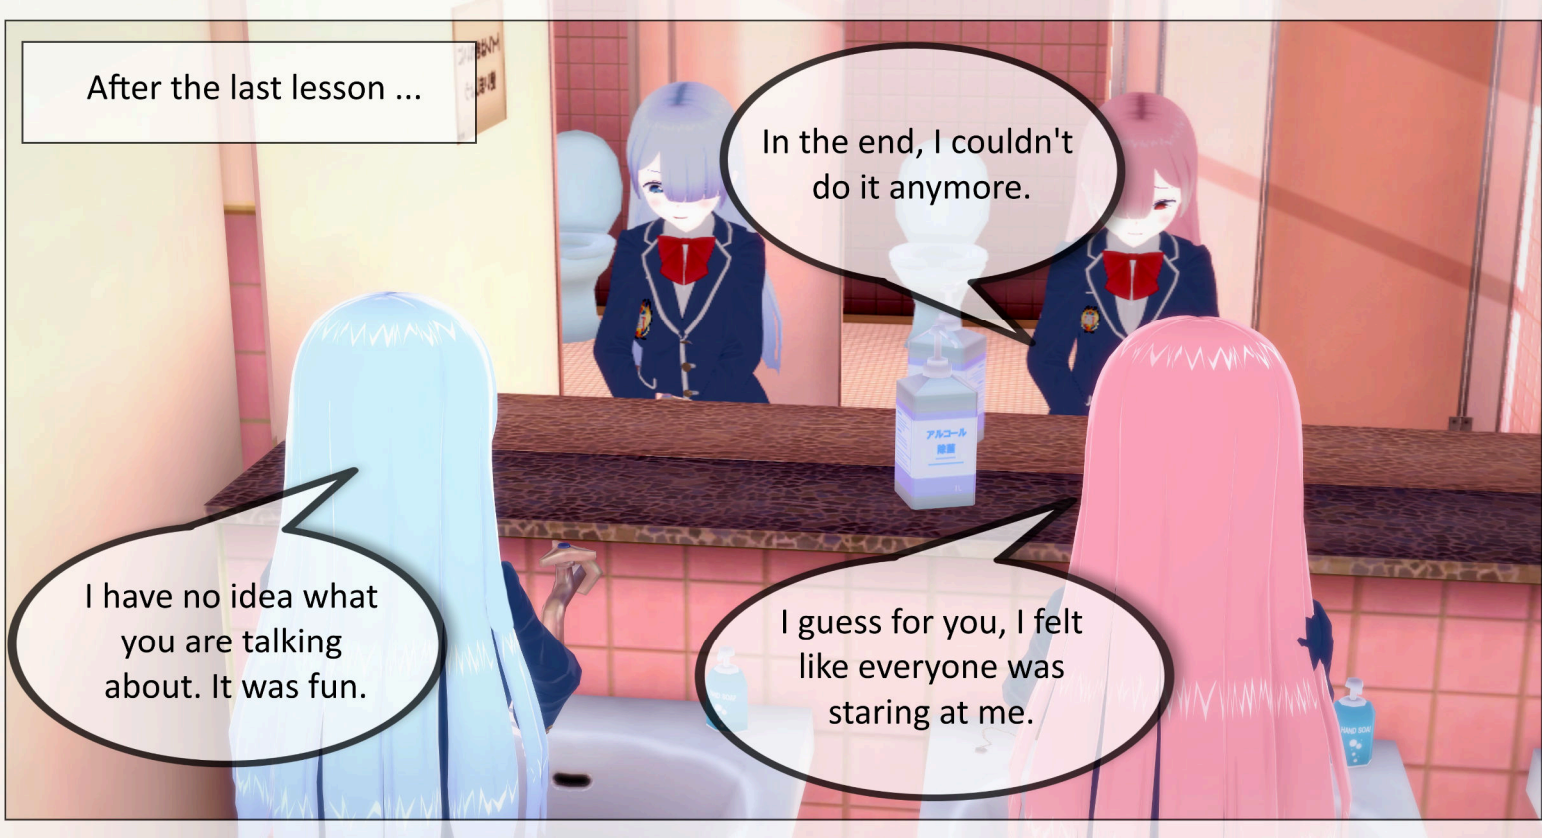

I think I know
what she meant.
Poor Ram.

After the last lesson ...

In the end, I couldn't do it anymore.

I have no idea what you are talking about. It was fun.

I guess for you, I felt like everyone was staring at me.

But tell me. The day as a girl was great.

We finally go home, I have enough for today.

Probably only for a pervert like you. I promise when I get her, there will be angel broth!

Really why it hurts so much. Does swapping bodies also affect our minds?

If I fell in love with a boy, would I be gay or not?

A scene from an anime-style illustration showing two girls in school uniforms standing in a hallway. The girl on the left has pink hair and a black eye patch, while the girl on the right has blue hair. They are both wearing blue jackets with red bows and red plaid skirts. The background is a green hallway with doors and windows.

What was that?

It was stronger than me.

You're starting to act like a real girl, congratulations.

Relax, you'll get used to it.

Eat.

Yes. If you eat it normally like a boy, you won.

Plain ... candy?

What a philosophy is to eat candy. But at least he would stop calling me a girl.

What was that?

This? Plain candy for 10 cents. By the way, my congratulations.

For what?

In a shopping center...

Why are we here anyway?

I'll prove to you that I'm still a man and even stupid spells won't change that.

How?

Impossible.

I thought it was
part of the uniform.

You didn't
notice him.

And I was
wondering if she was
wearing a bra. hehe.

In the beauty salon ...

Why don't you try to
enjoy your new life?

I told you I'm not gonna
be a girl for the rest of
my life, and I'll prove it.

bin bin
wanda
no!

It's a beauty salon,
of course they can.

I am surprised that the
barber closed early today.
I hope they can cut their
hair here.

I feel stupid going to the
beauty salon but I have
no other option.

Star cutting

Oh, you guys are on time like clockwork. But no wonder you finally bought 6 visits ahead.

It's probably a mistake?
I'm here for the first time in my life.

What are you talking about.
You always come with your sister and take this boy kit.

Cutting

It doesn't sound too bad. And it is already paid.

I think you're right, I got it wrong.

So what's usually

But that's not a play
on words with this set?

No, girls usually
take different sets.
this one is the least
feminine of all.

Perfect, then
I'll have this one.

What exactly
is this boy set?

This one is a kids first
date set, simple makeup
with no specials.

And this name?

Oh, she fell asleep again. How can she sleep sitting up, and that's always when I put her makeup on?

I think Ram will have a nice surprise when she wakes up, heh. Because I don't think he knew he ordered makeup, not a haircut.

Aaaaaaaaaa. I haven't
slept so well in a long time.

Come back, same as me? This means ...

Oh no. I look like a girl now, and my hair hasn't even touched.

I like it there. Maybe once in a while.

Next morning...

Wake up time
for school !!!

But strange dream,
I dreamed that I was a girl.

I didn't even get that
makeup off yesterday. That the
makeup remover had to run out yesterday.
For now, I will try to behave normally,
after all, I don't want to end up with
a psychiatrist.

It probably won't be as easy as I thought.

Do I need a bra at all?

Probably not, I don't even know how to put it on, and I'm not going to act like a girl any more than necessary.

But I would like to try it on. I've always admired how the girls look in it.

After all, I'm a girl for now, so why not take this opportunity?

Meanwhile,
in another room ...

I feel sorry for Ram,
instead of enjoying his new life,
he worries himself. I just hope
he doesn't do anything stupid.

At school...

Mmmmm ... Maybe I should have worn this bra. If I don't do something with it, I will probably go crazy.

Maybe I should go home early today?

I also wonder why Rem is still staring at this boy?

After lesson...

Sure, what is it?

Ram, I need to ask you something.

What does he mean that
he's prepared? Just don't
tell me he ...

But this is only
the fifth lesson.

Come with you?

I think I'll go
home, I feel bad.

It doesn't matter,
at most I'll go to
the nurse.

.....

What bit him?
Did I say something wrong?

It must
be the angel's
doing. I have
to do something
quickly before
it's too late.

hhhh...

hhh...

Say you're not wearing a bra?

Subaru on this side didn't know you,
you could have said, I would let you
touch mine, I'm kidding hehe.

But I didn't
do anything.

Yes, of course,
I can see right now. Tell me, how long are
you going to grope her again?

Your children will answer that question.

What? No!!! But calmly, it is flat as a board, so probably not a problem, right?

What?

As flat as a board, you say?

Sorry for what
Subaru did.

There is nothing to
apologize for, after all,
I ran into him.

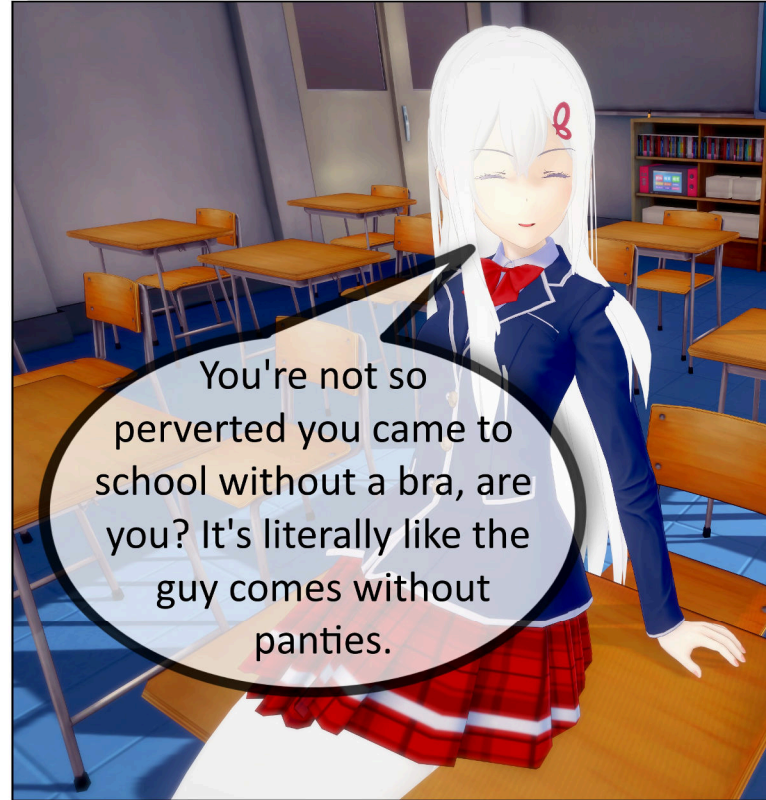

She is terribly sensitive about the size of her breasts.

I'm not at all !!!

Yes of course, and tell me it's true what Subaru said you weren't wearing a bra?

Unless you are and
even counted on what
happened and now you only
pretend to be innocent.

Onee-san
stop with your
kinky games !!!

Okay, okay,
I was just kidding.

But seriously.
Why don't you
have a bra?

We had a little
accident on the
way to school.

Accident?

Accident?

Yes, the bra strap broke for some reason. And we were too far from home to come back for another.

What broke?

It happens. But Ram can't walk around school like this without a bra. It is against the regulations to walk without underwear. She should go home.

I think it worked.

Good thanks.

So go home and I'll report to the tutor what happened.

You do not have to thank. After all, it is my duty as class president.

Tell me why you didn't just make her call her home for her mom to get her another bra. You just sent her home right away.

That she wouldn't tell anyone that Subaru was groping her.

But I didn't
do anything.

Yes, she ran
into him.

I've seen it too. But it
would still be the Subaru's
fault. So it was better to
just send her home.
