

## **C04-P03**

As before, "Aidan" below refers to Aidan-in-Heather.

### PANEL 1

Alberta is leaning forward and glaring at "Aidan." Legs still crossed (and shaking discreetly), he looks back at Alberta, cringing and blushing at getting caught daydreaming.

ALBERTA

You're not LISTENING to me!

"AIDAN"

Oh!

(adjacent)

I'm sorry! I was...distracted.

ALBERTA

I BET you were!

### PANEL 2

Zoom in on "Aidan's" lower body, where (in addition to the shaking legs) both his fists push against his crotch. Alberta's head peers in, looking at what's happening. She's figured it out and she's shocked by her sister's lewd display

ALBERTA

Wait a minute...

SFX

(near "Aidan's" shaking legs)

Shake shake

ALBERTA

I know that trick!

(adjacent; loud!)

You're HORNY, aren't you?

### PANEL 3

Alberta stands up, leaning forward as she yells at the woman she thinks is her sister. "Aidan" recoils, now both legs pressed side by side together. His eyes are wide as he realizes Alberta is misunderstanding the situation.

ALBERTA

(yelling)

I can't believe it!

(cont'd)

I pour my heart out, and it turns you  
on!

"AIDAN"

It's not what you think...

PANEL 4

Alberta is marching toward the door, elbows high and hands balled into fists. "Aidan" watches her leave with an expression of distress.

ALBERTA

Oh, I KNOW what's going on! I'm not  
stupid.

ALBERTA

You've always had the hots for Prince  
Aidan.

(cont'd)

Well, you can HAVE him!

PANEL 5

Alberta holds the door open as she yells her parting shots. "Aidan" (still sitting) twists around to look at her, reaching out with a hesitant hand. He's at a loss for words.

ALBERTA

(shouting balloon)

I'm done with him!

(cont'd; normal balloon)

And I'm done with you.

PANEL 6

Close-up on "Aidan," head bowed, one hand clutching the top of his nightgown as if to hide his cleavage.

SFX

(from slamming door)

BLAM!

"AIDAN"

(thinking)

What have I DONE?
