

Kafka's SECRET

By **Ruinvs**

Oh? Are you certain that's **'Big'** enough?

We can always do without it...?

Ah!

That's it...
Good boy.

It's been quite some
time since my last
release, ever since
Caelus joined the
Express.

Ah!

So, I'll be
playing with you
a lot now...

Ah!

A Moment Later...

Hehehe...
Are you ready?

WAIT!

S-STAY BACK!

**EH?!
YOU'RE
A DUDE?!**

WAH!

1 Amber Era later...

Since we'll be together often from now on, how about I call you Stelle?

Stelle...?
Oh dear, did I go too far? Well, I do have a spare Homunculus lying around...

Hehehe, you're going to love it. We'll be able to share all my coats~
