

SKETCHBOOK #01

This pdf contains 50 pages of my Moleskine sketchbook from 2016.

The materials I used were ink, watercolors, pencils, glitter and Copic Markers mostly. Each page is carefully scanned and retouched digitally.

Hope you enjoy it ♥

I wish I could love the world the same way
that she loves the sea.

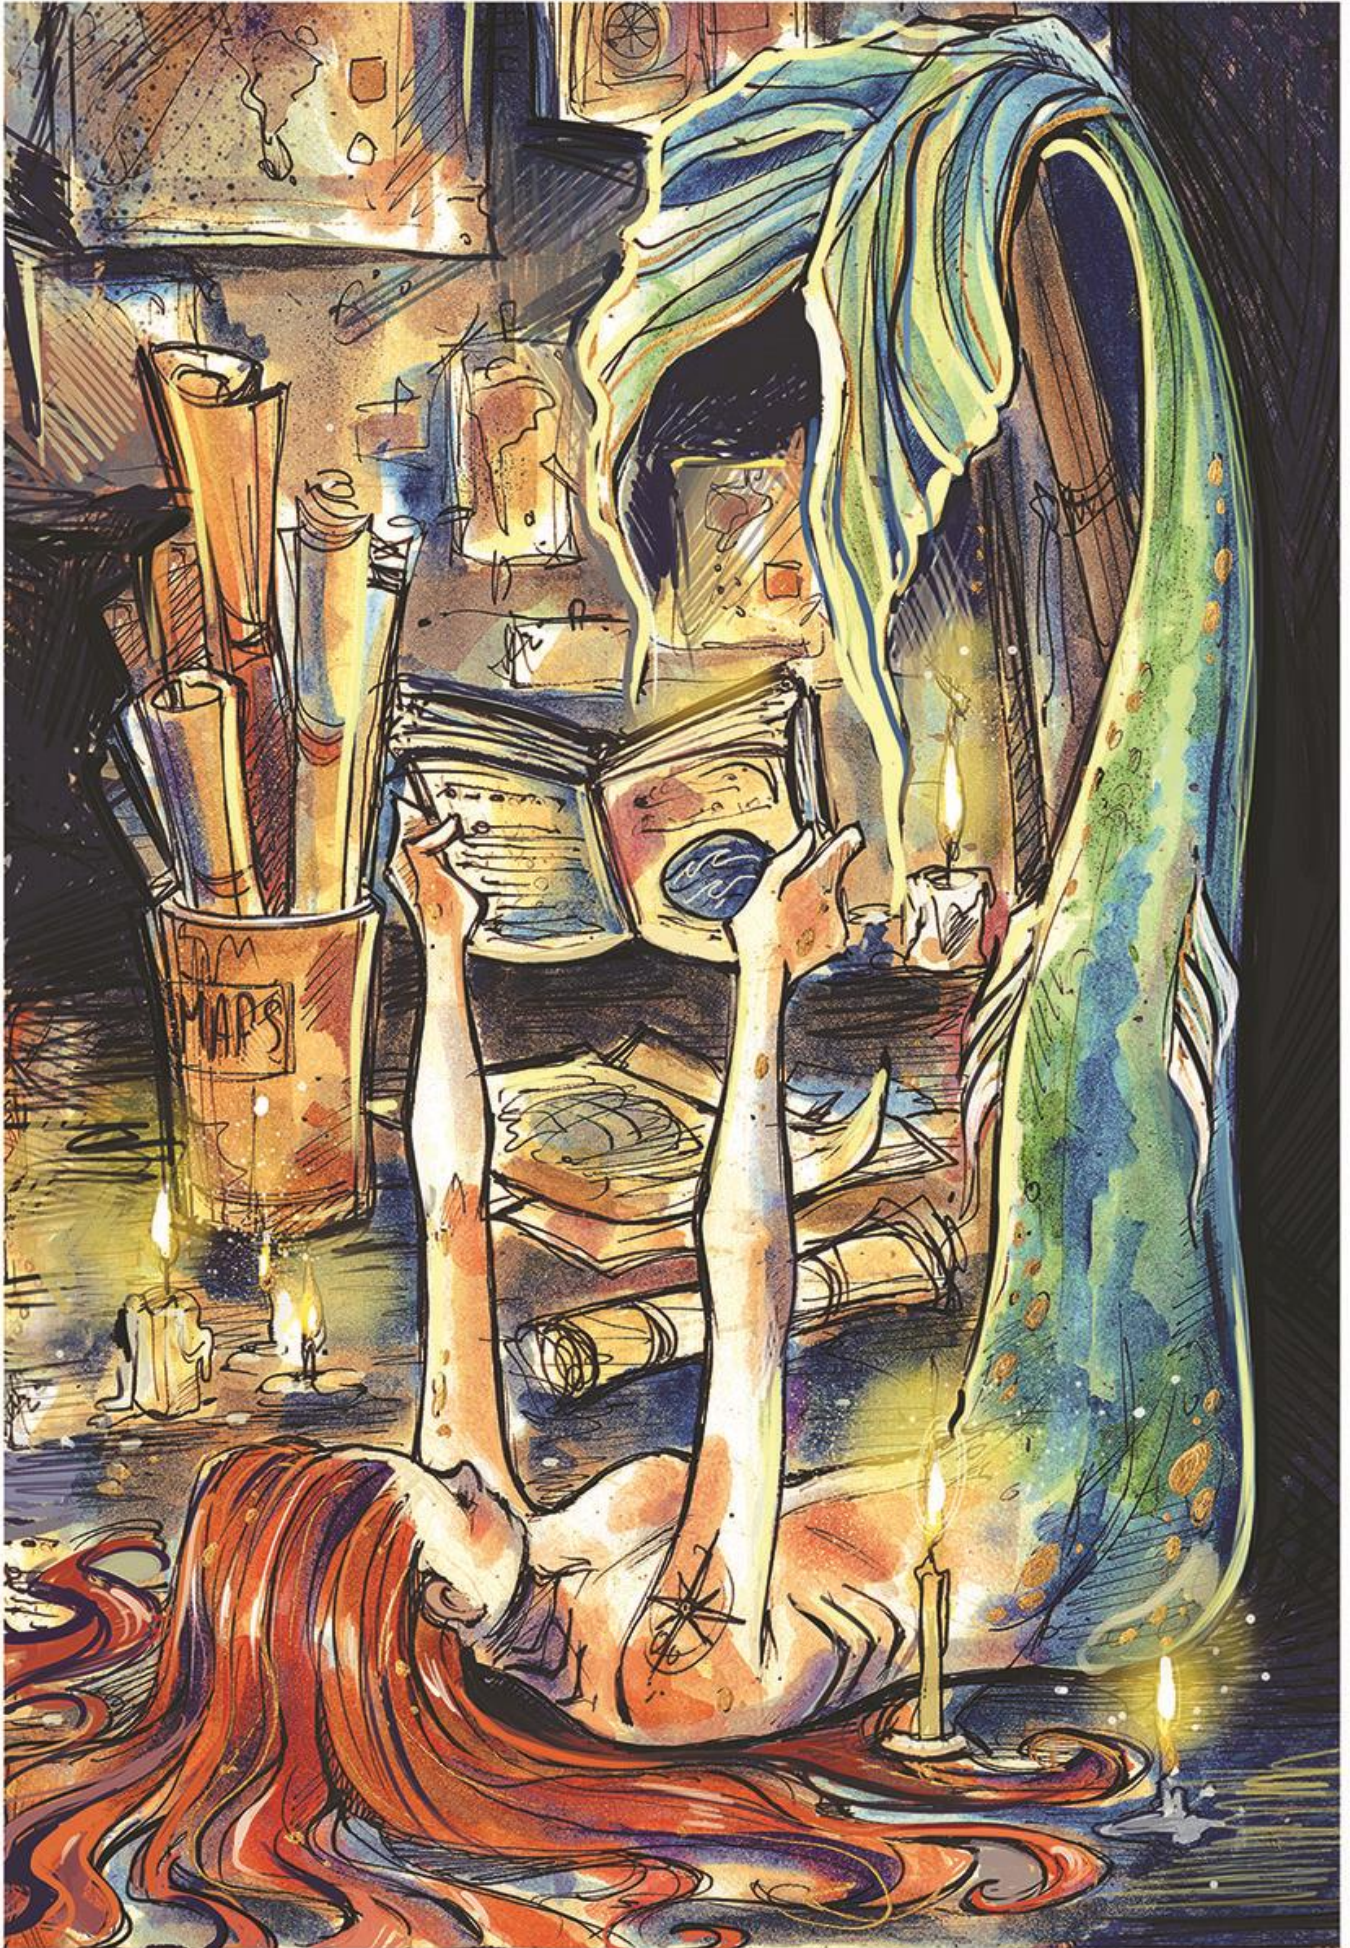

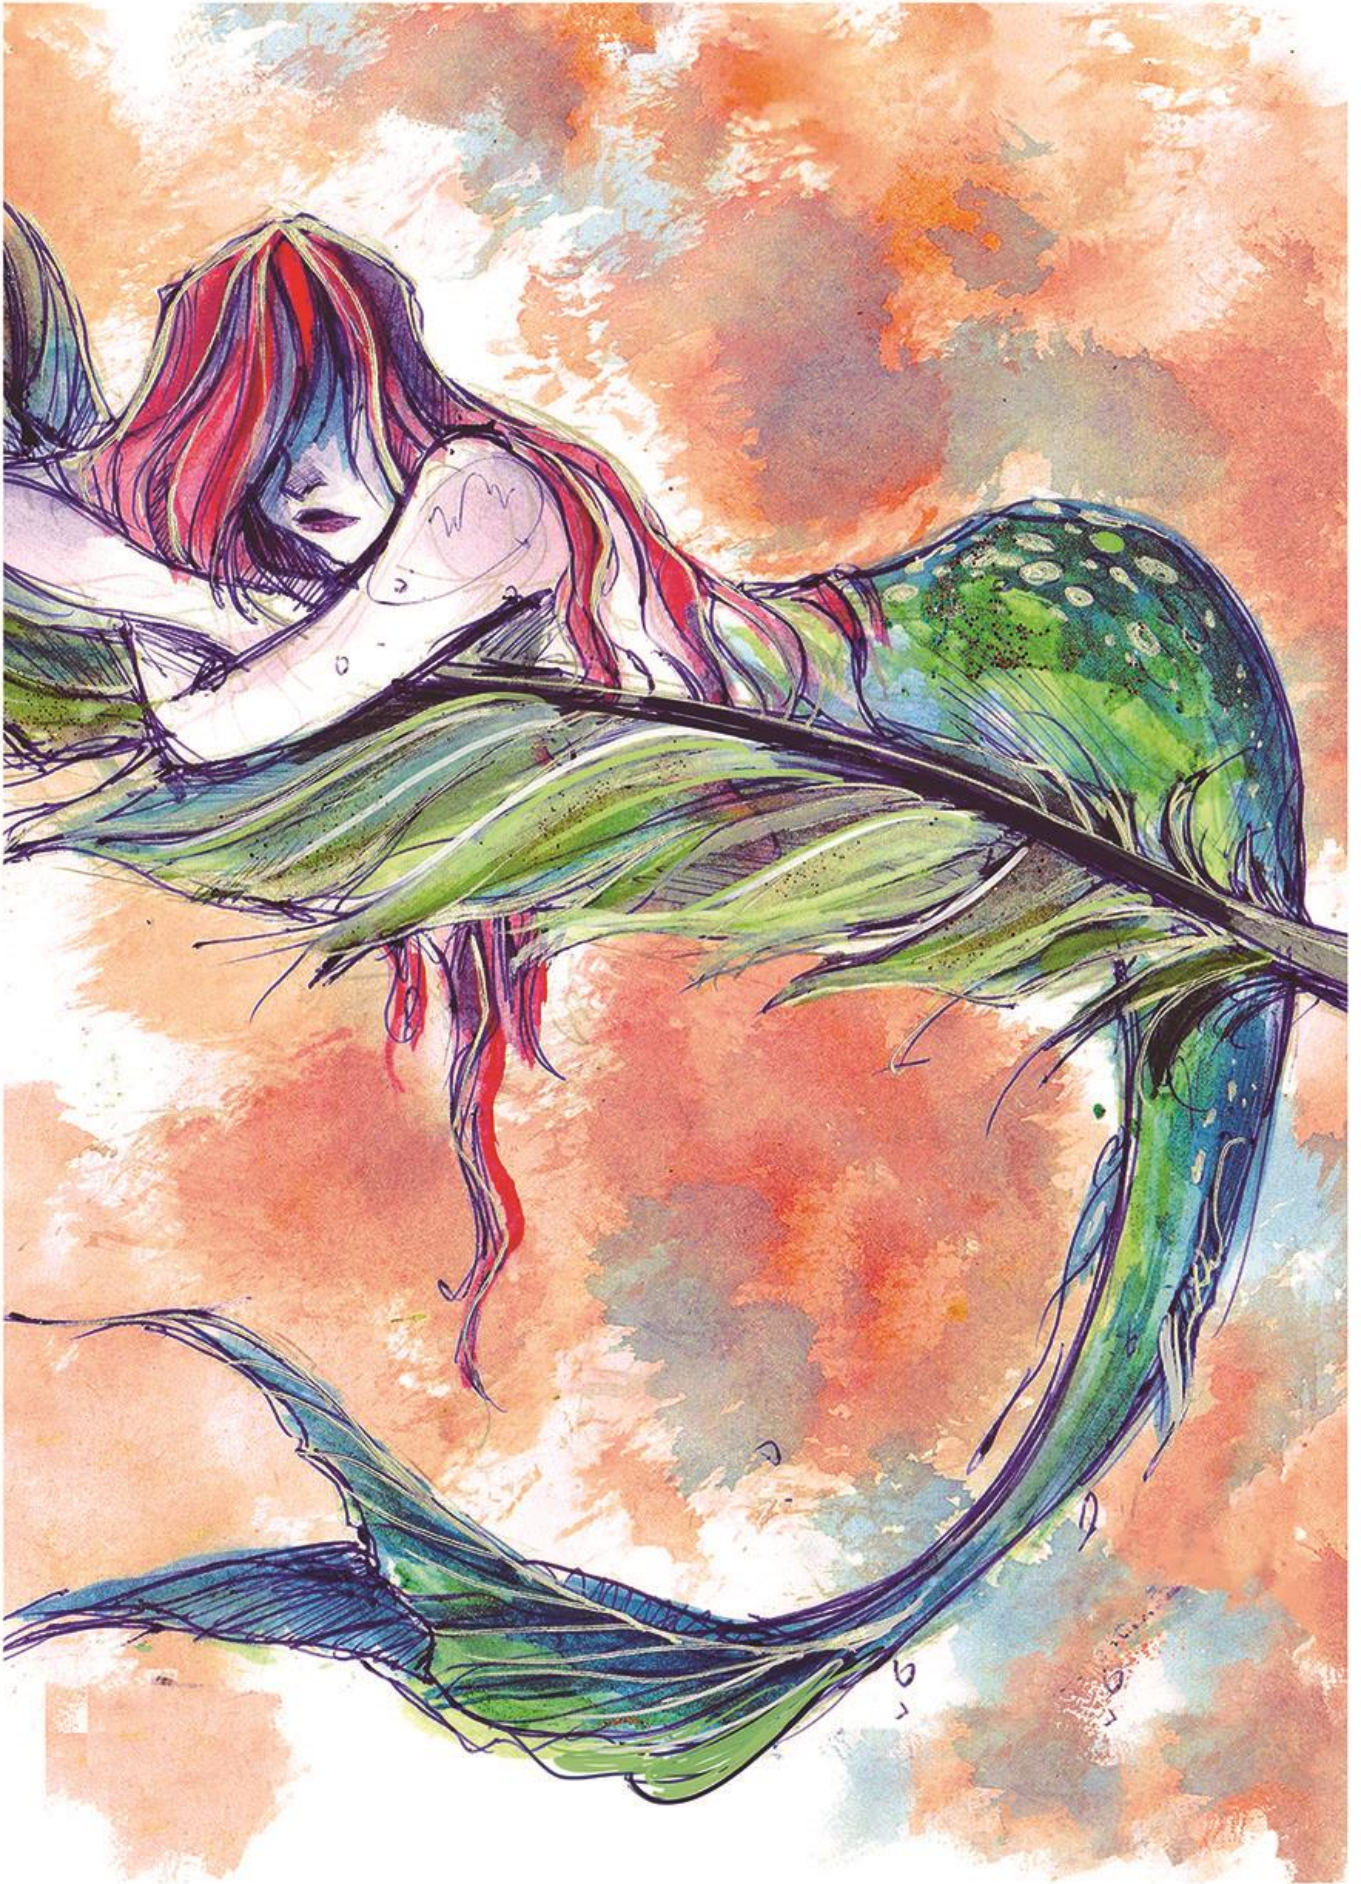

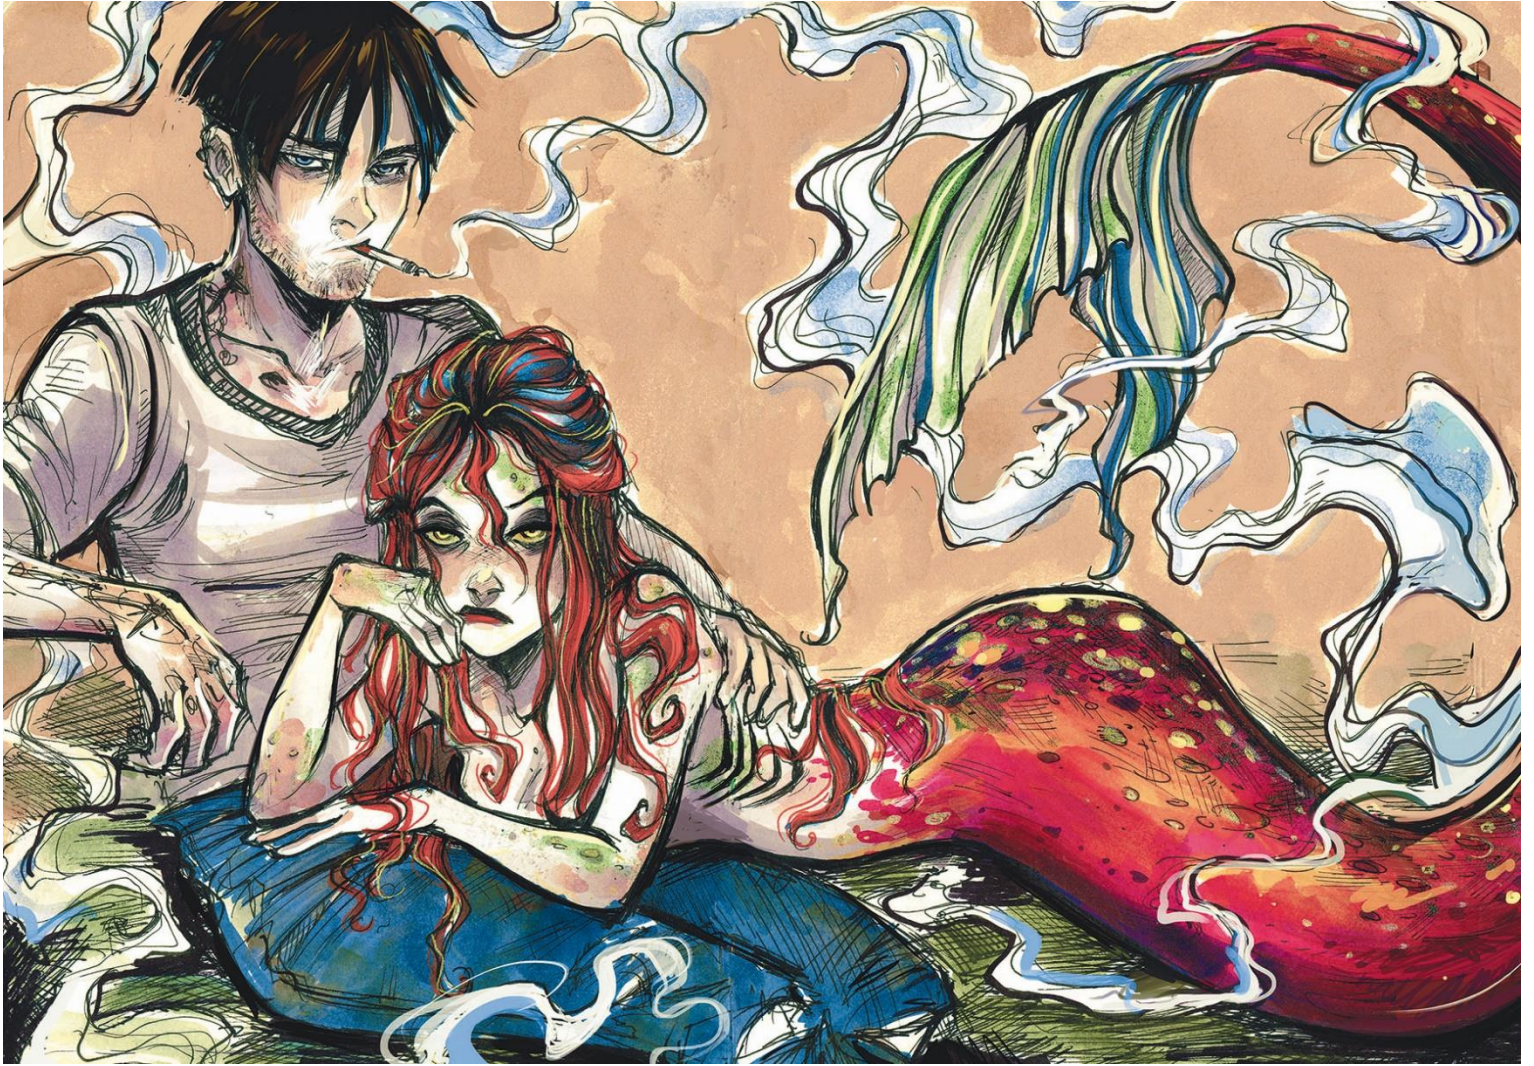

I'm OKAY.

Pack yourself a toothbrush dear,
pack yourself a favorite blouse.
Take a withdrawal slip
take all of your savings out
'cause if we don't leave this town
we might never make it out

I was not born to drown.

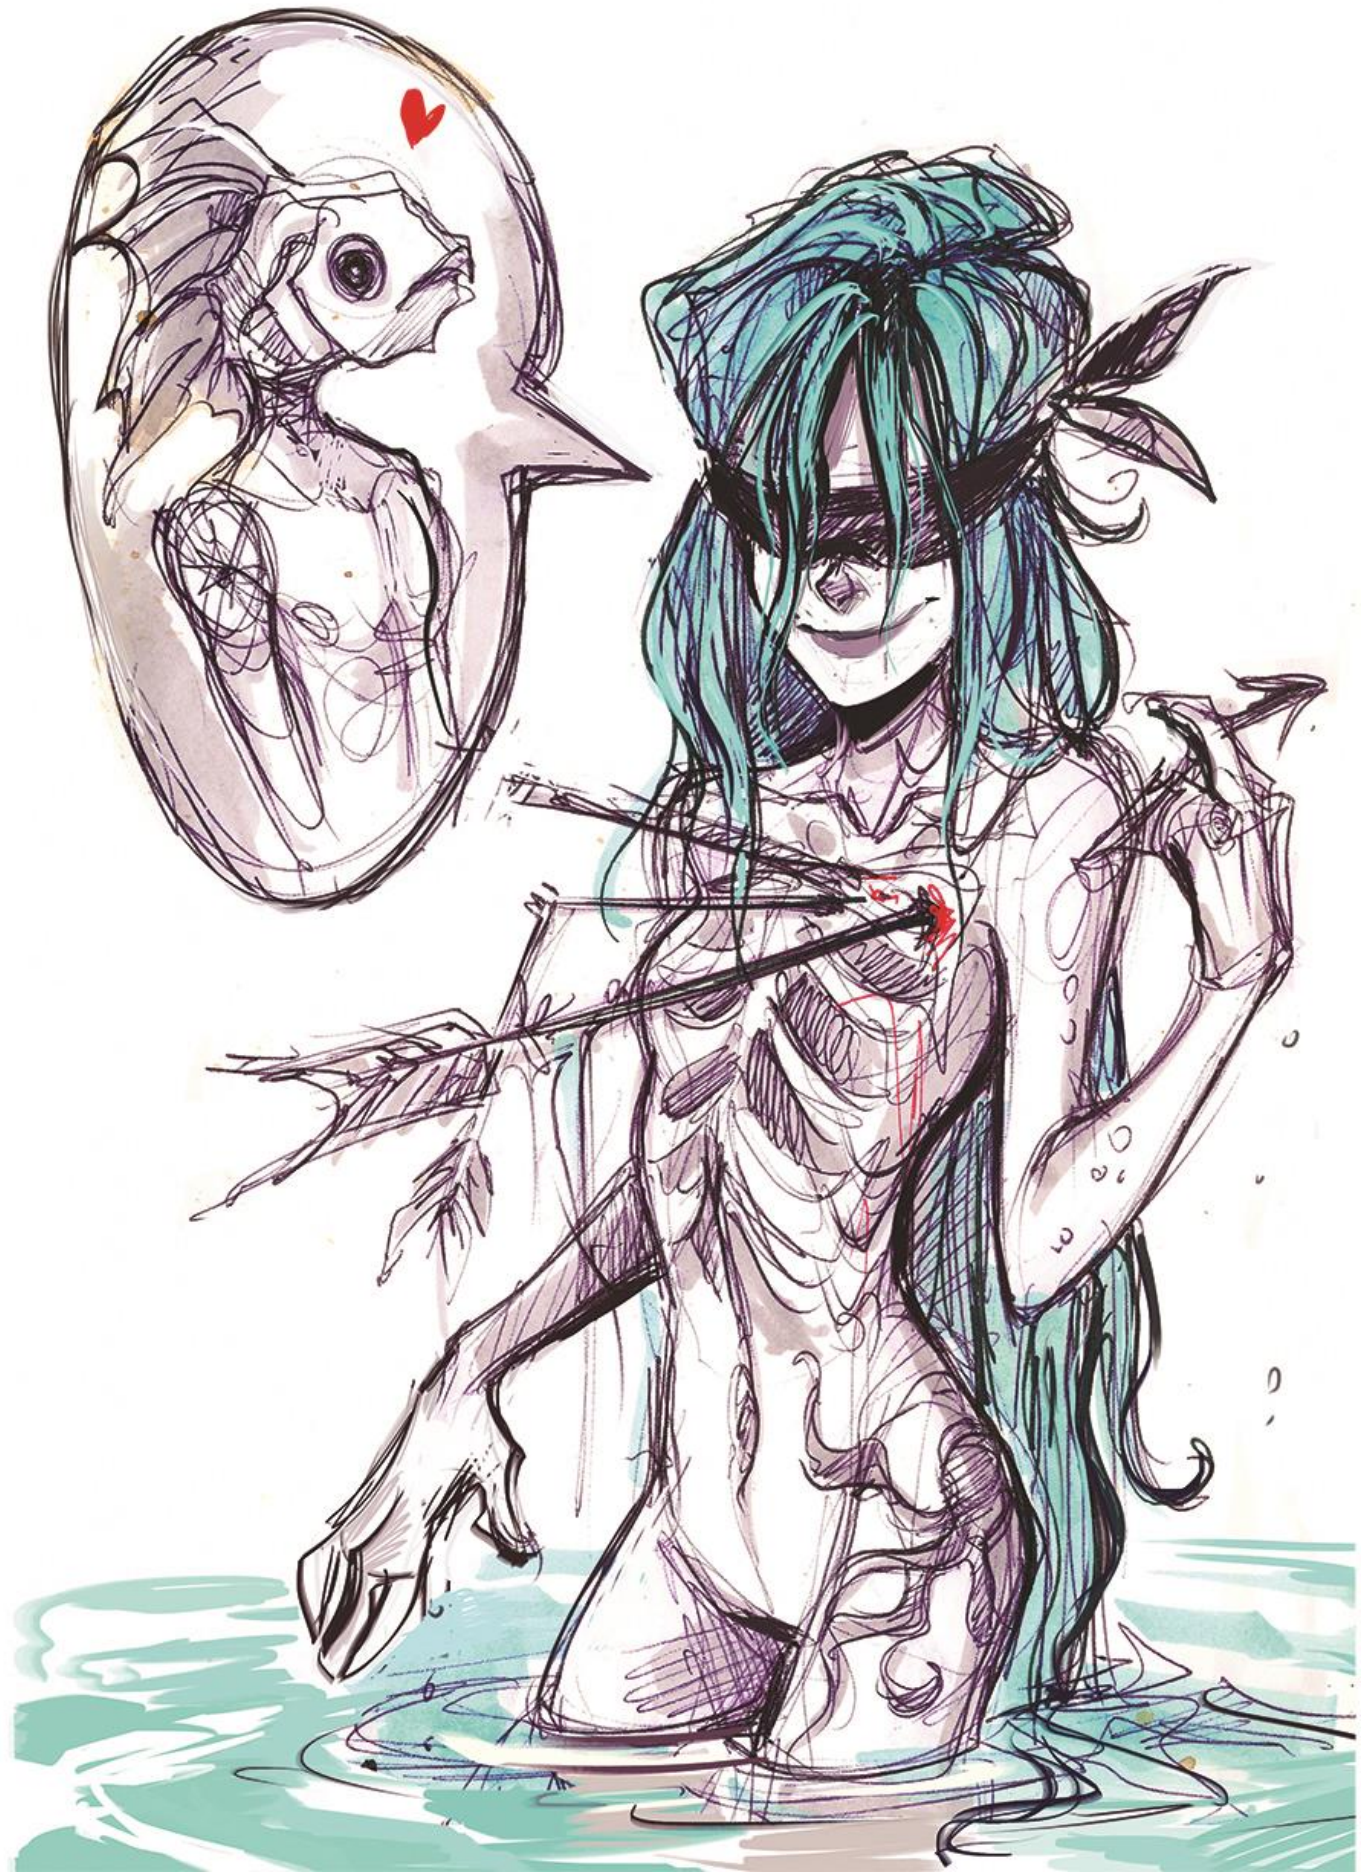

Que duela lo que tenga que doler.

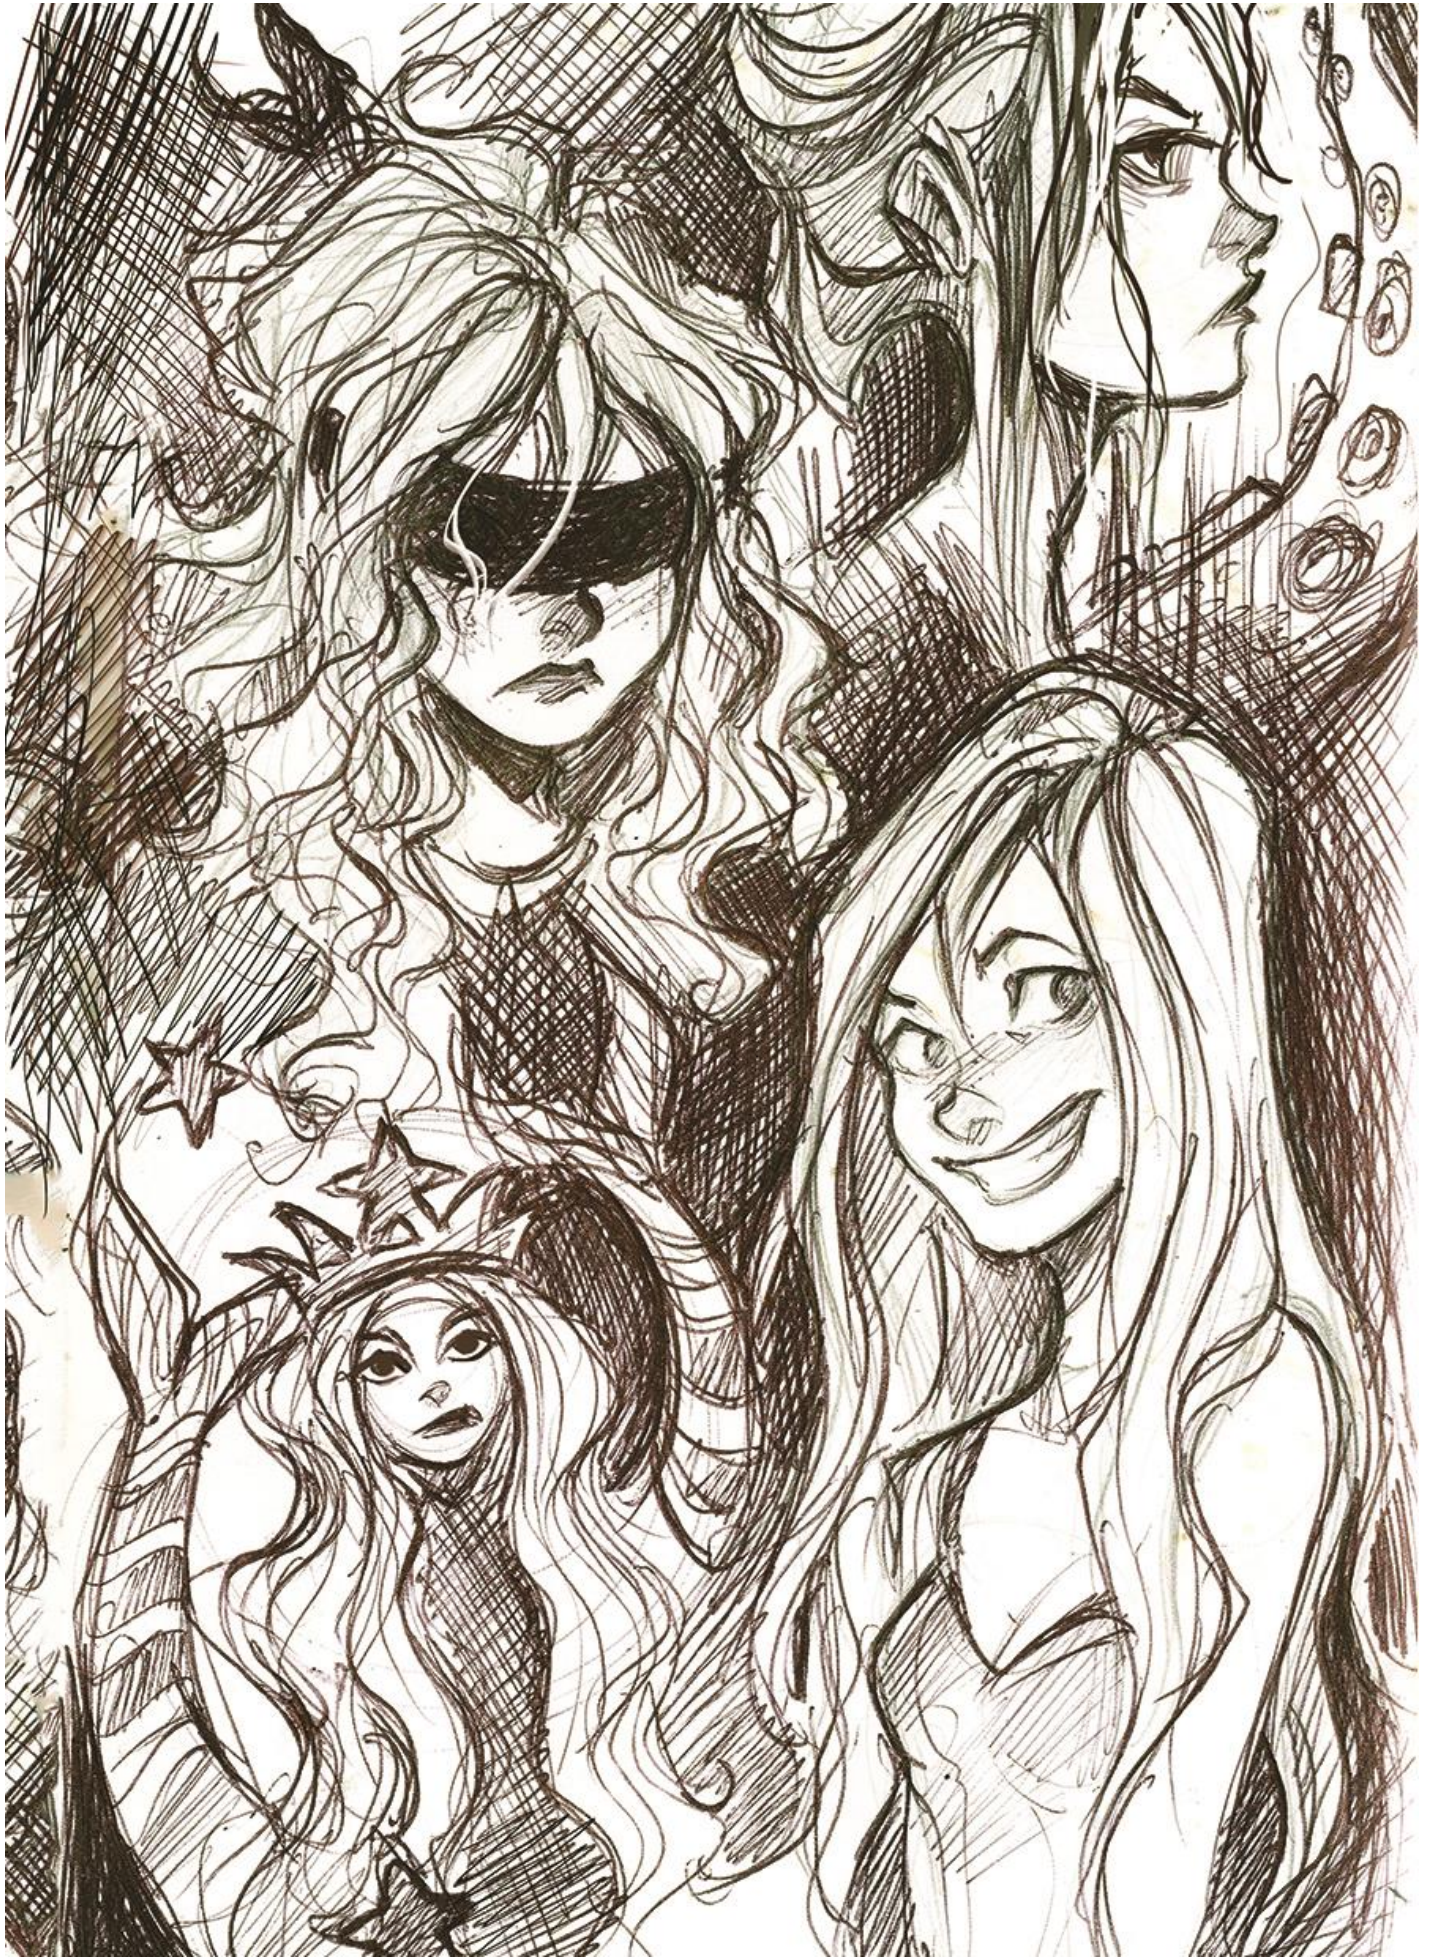

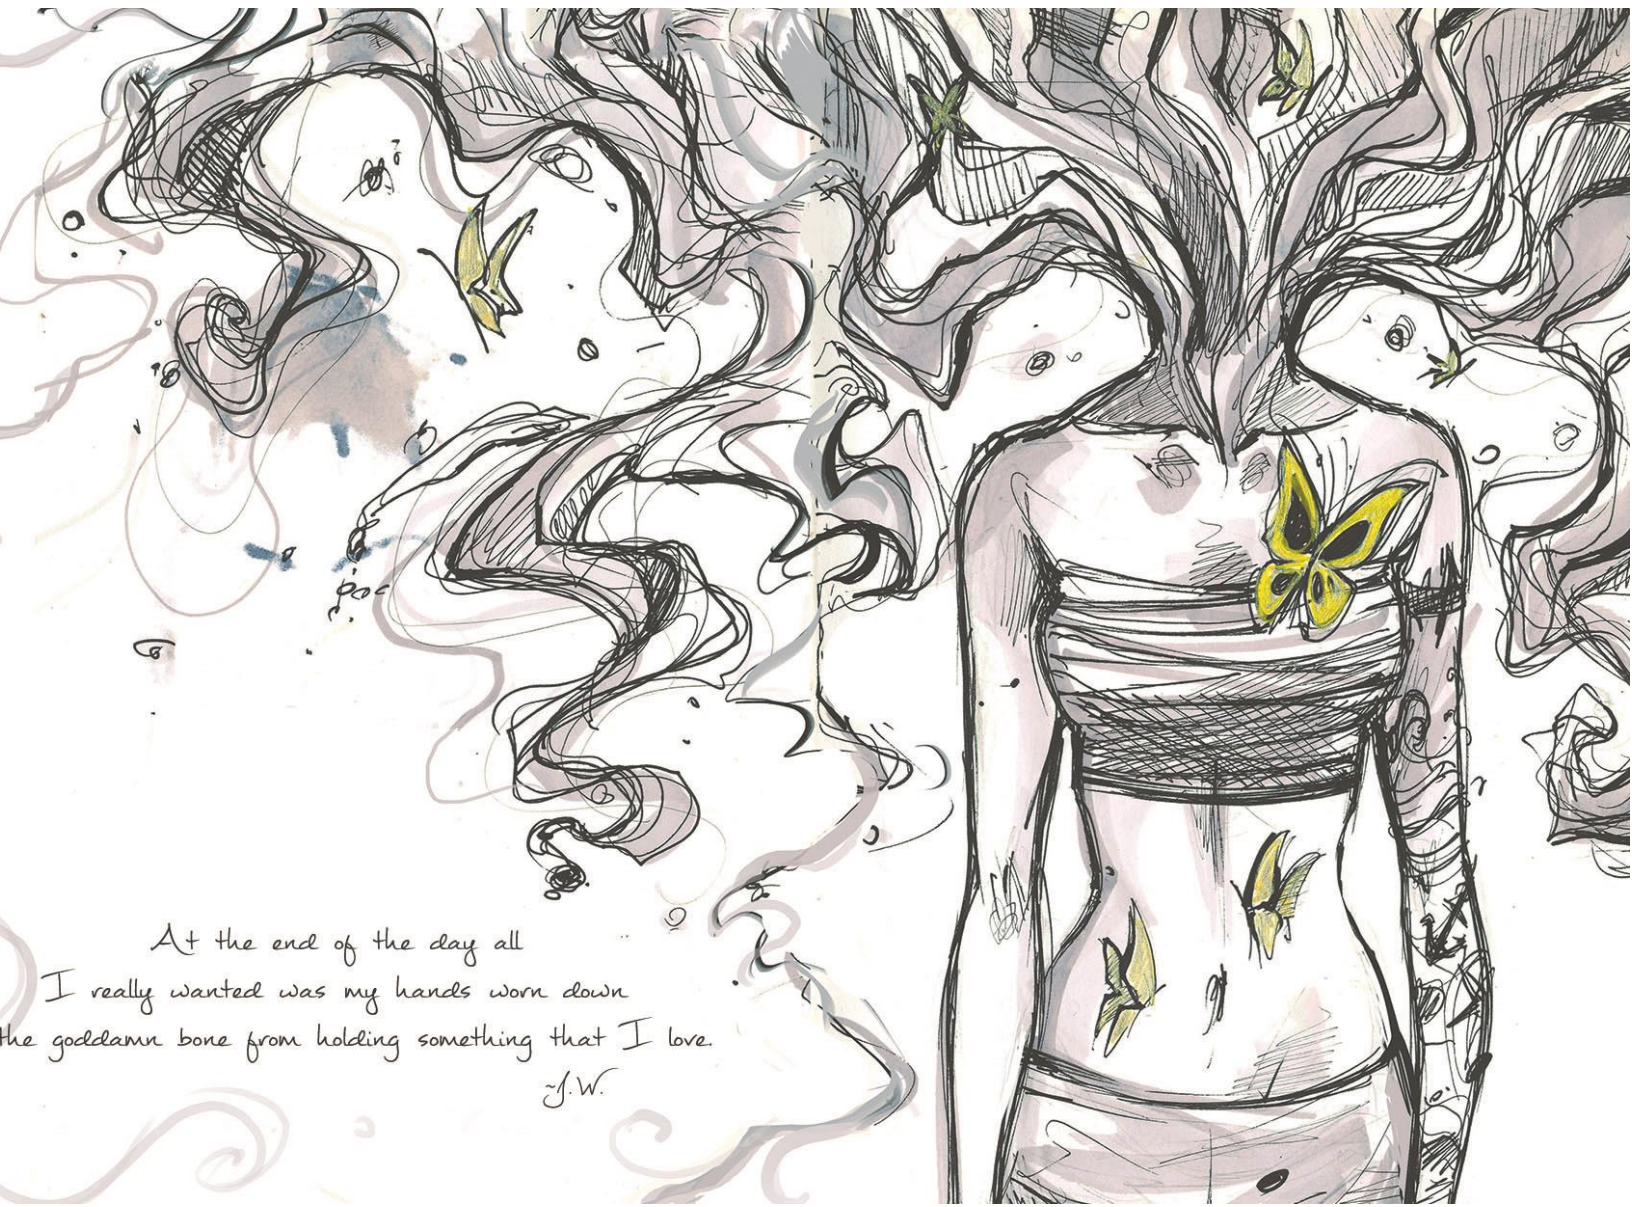

At the end of the day all
I really wanted was my hands worn down
the goddamn bone from holding something that I love.
-J.W.

We lie to lovers
and sell the
the truth

to strangers

We run
and

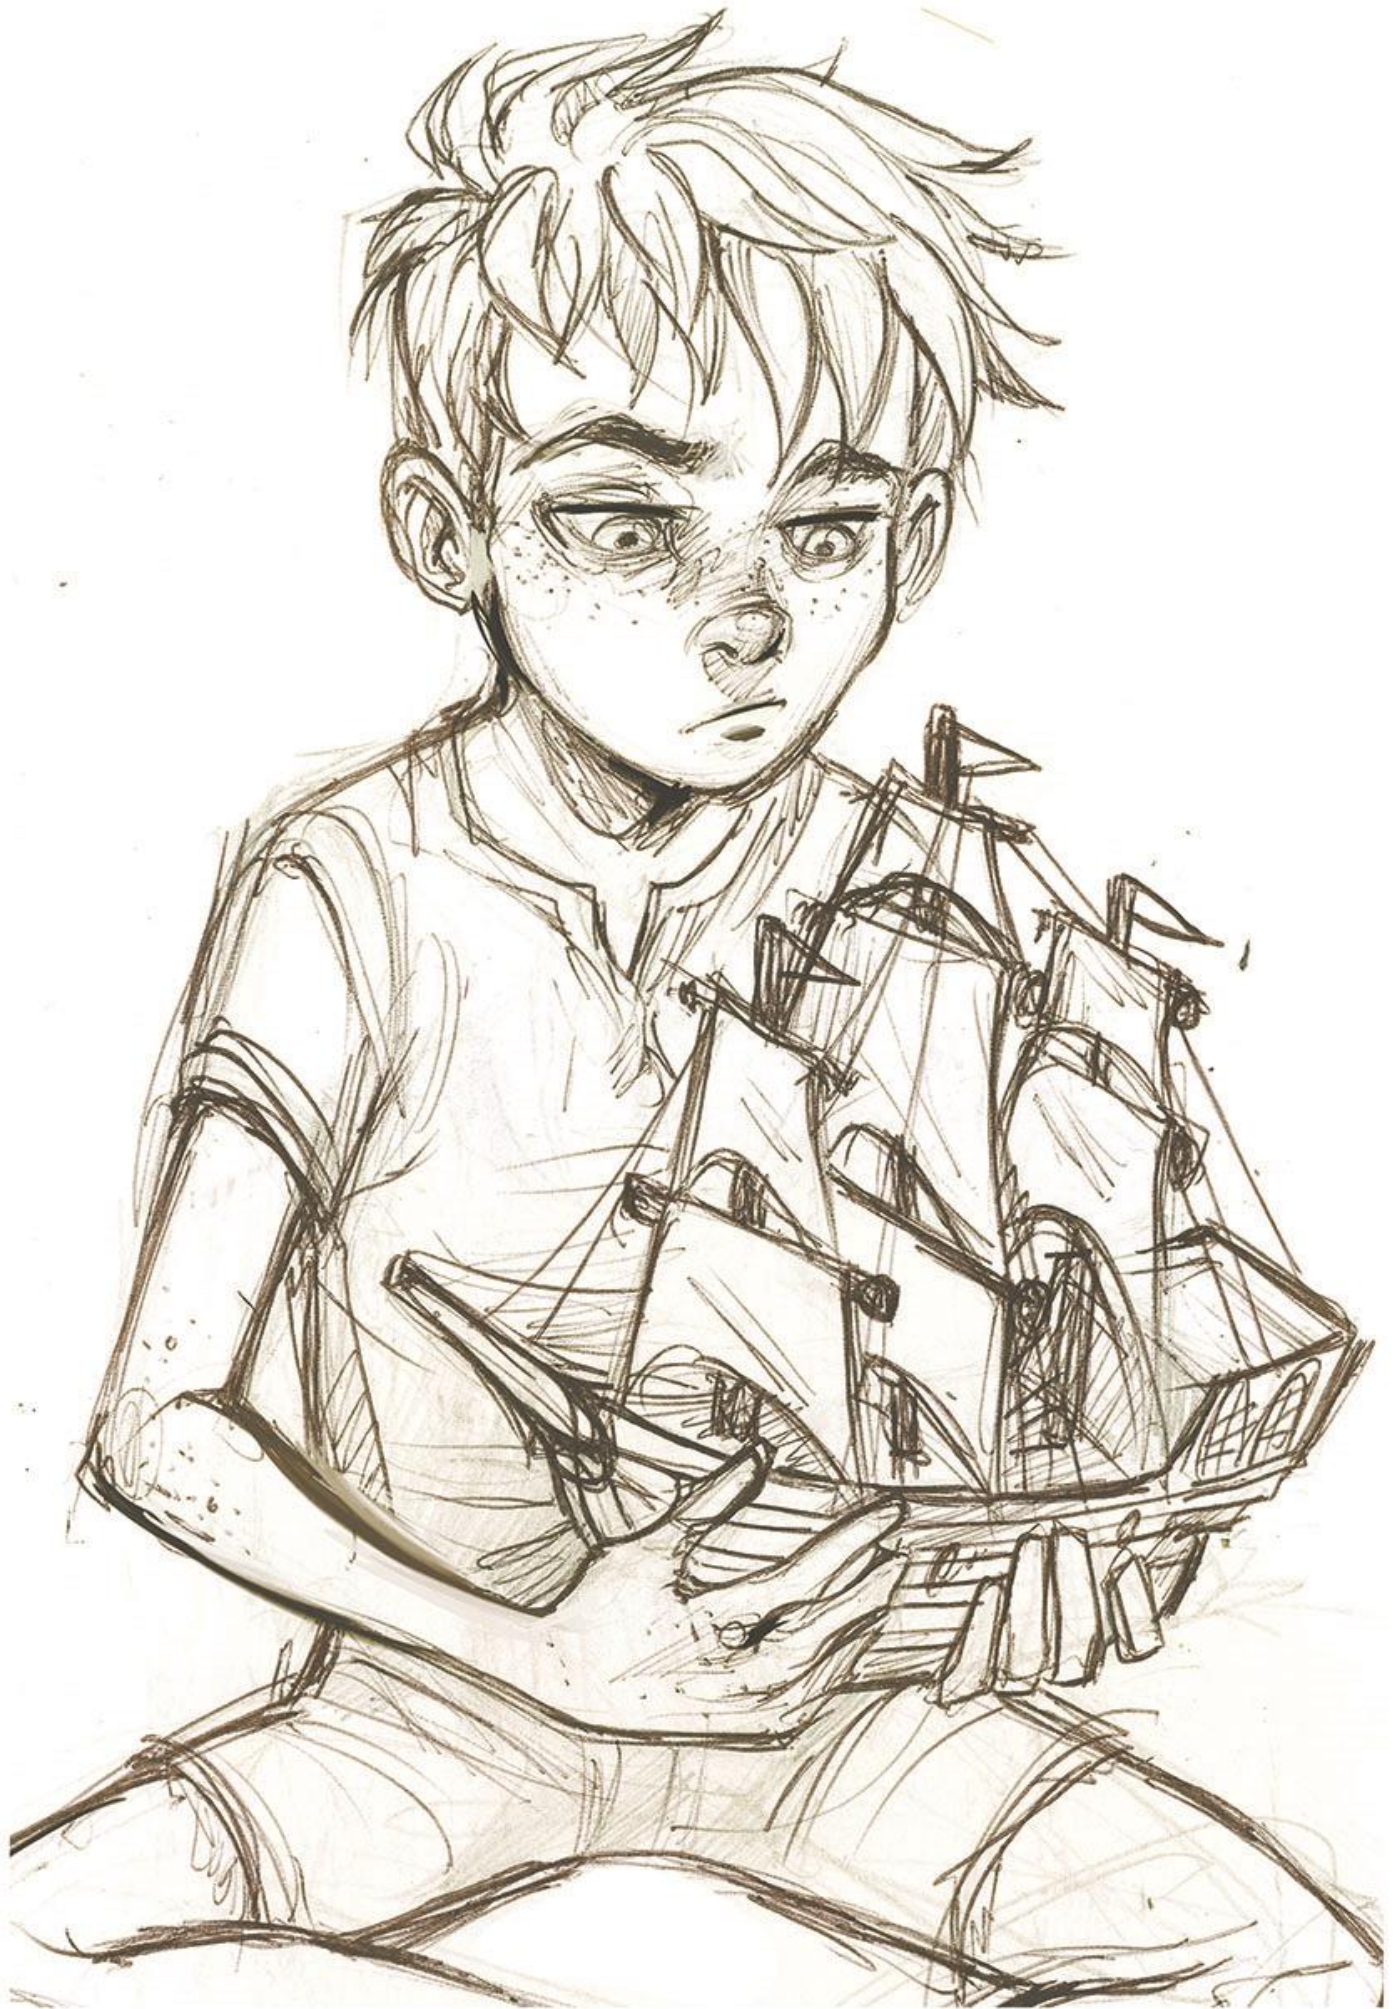

from peace
embrace
STORMS

run

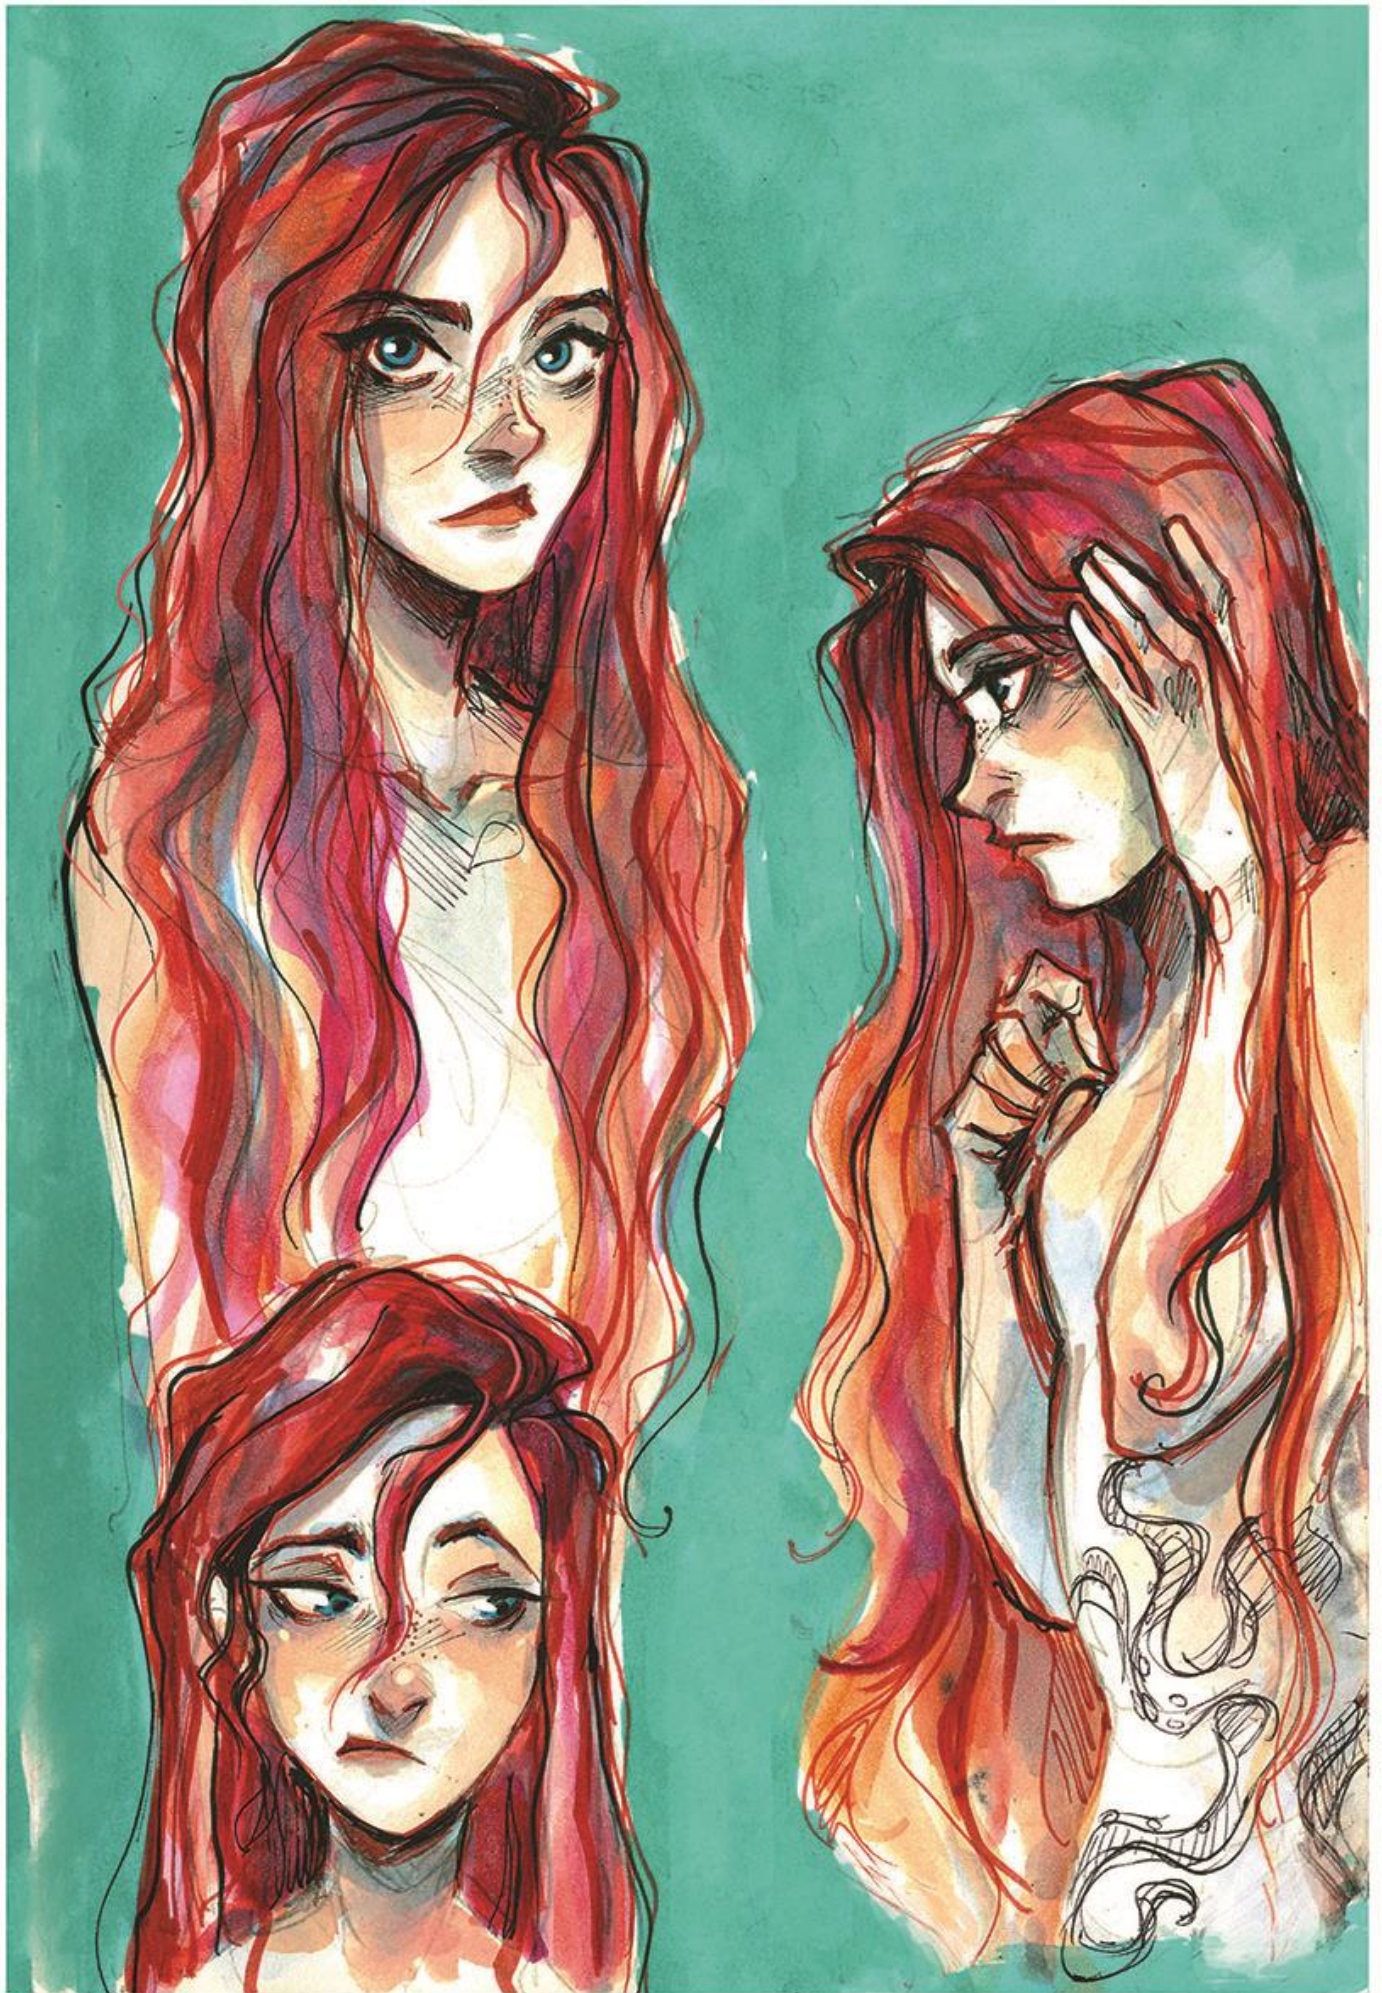

We bite the ones
just to

love,
Ruin them

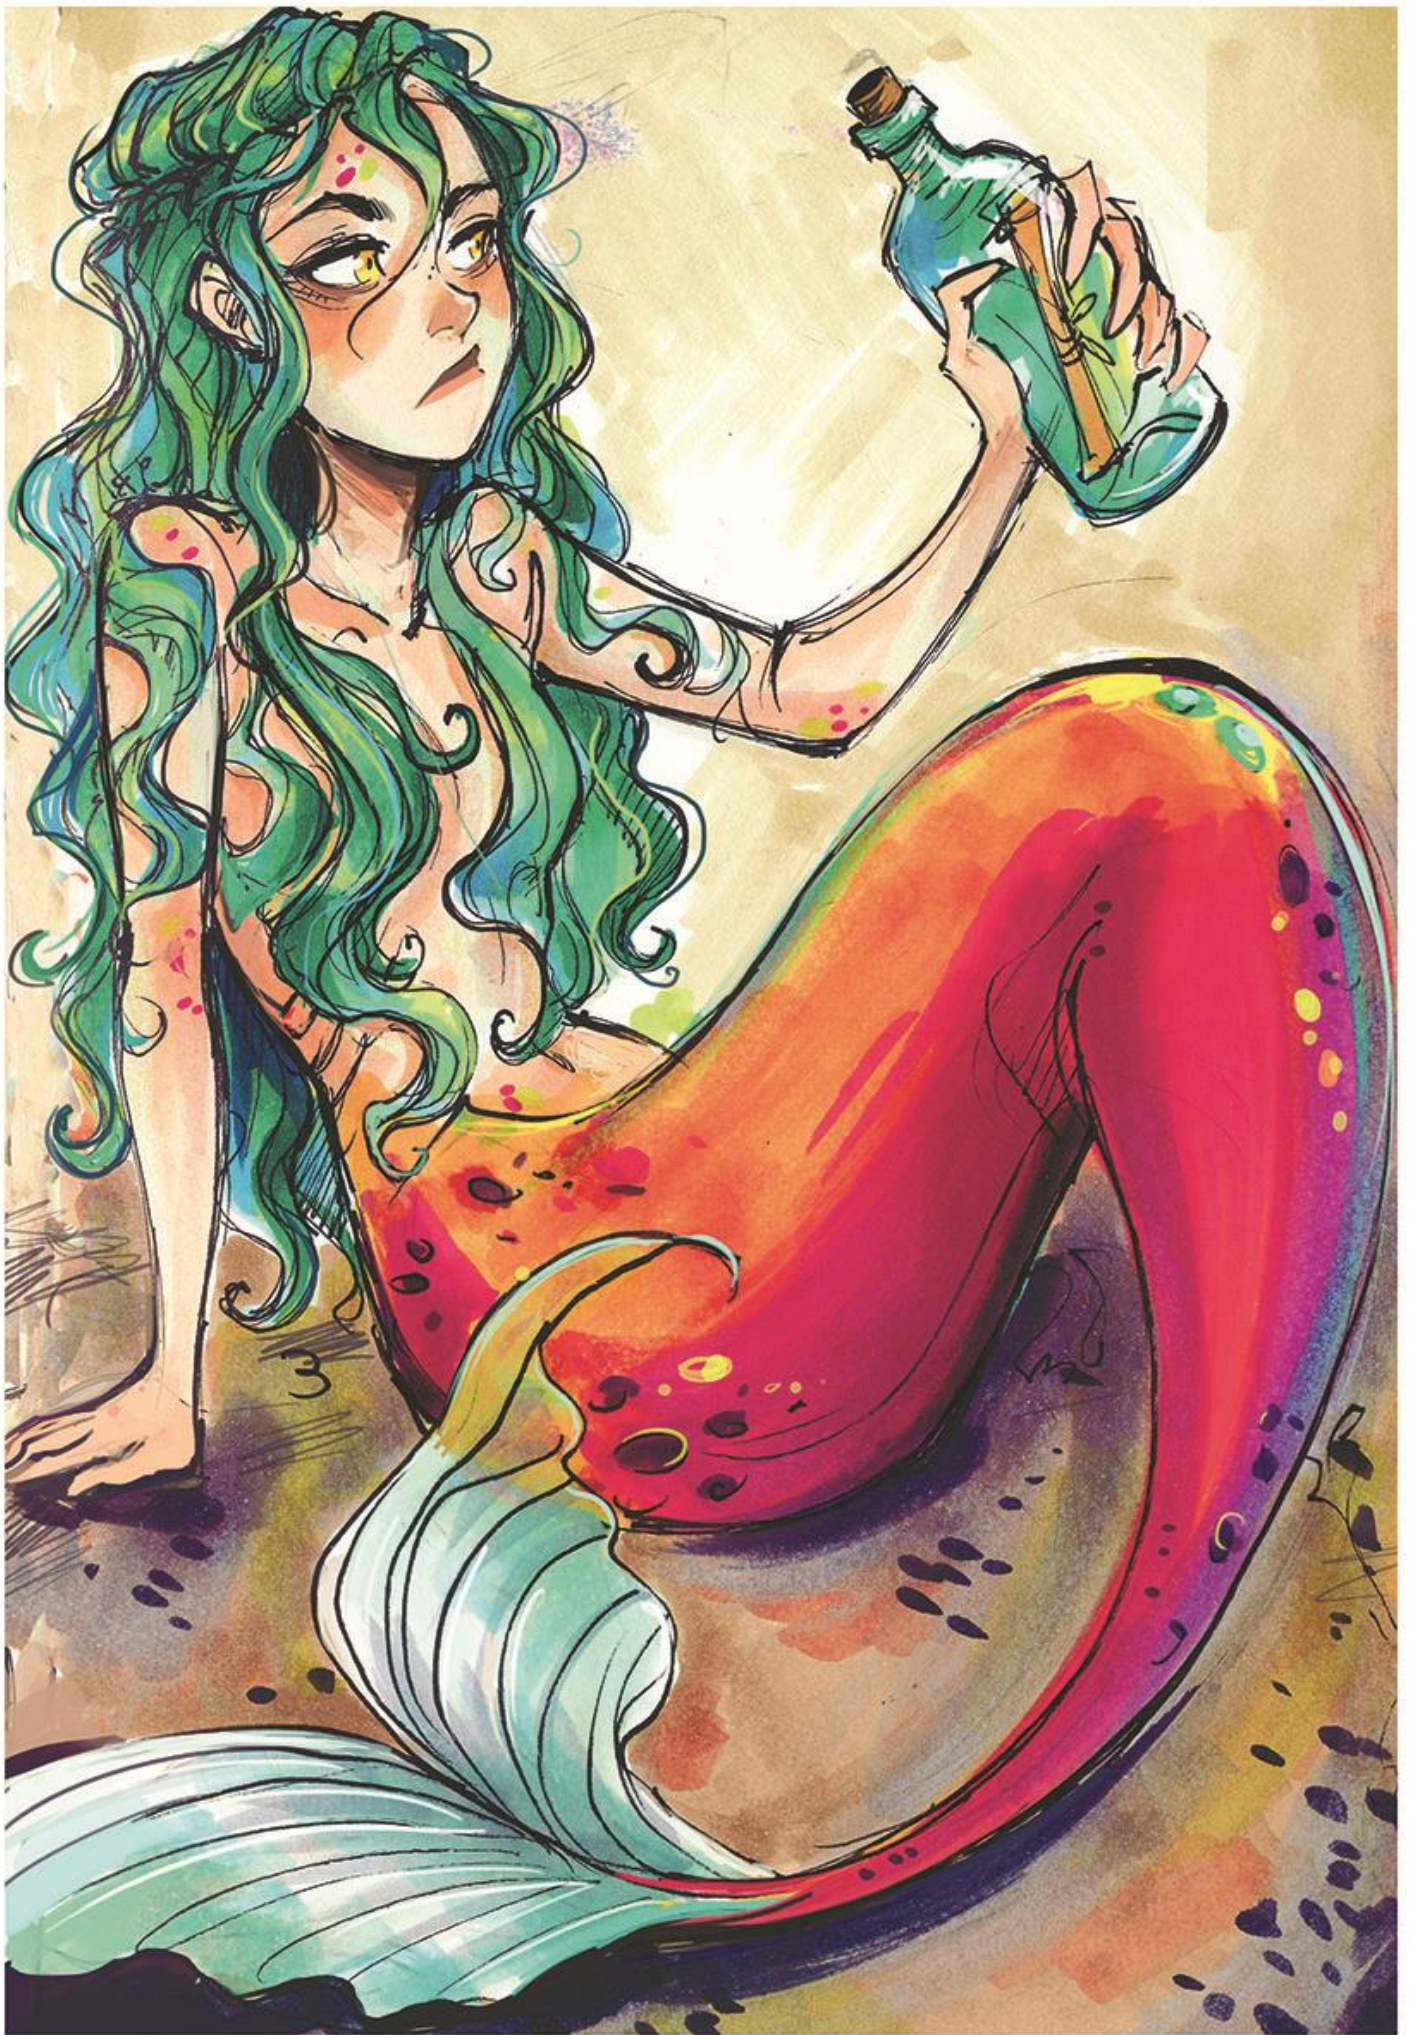

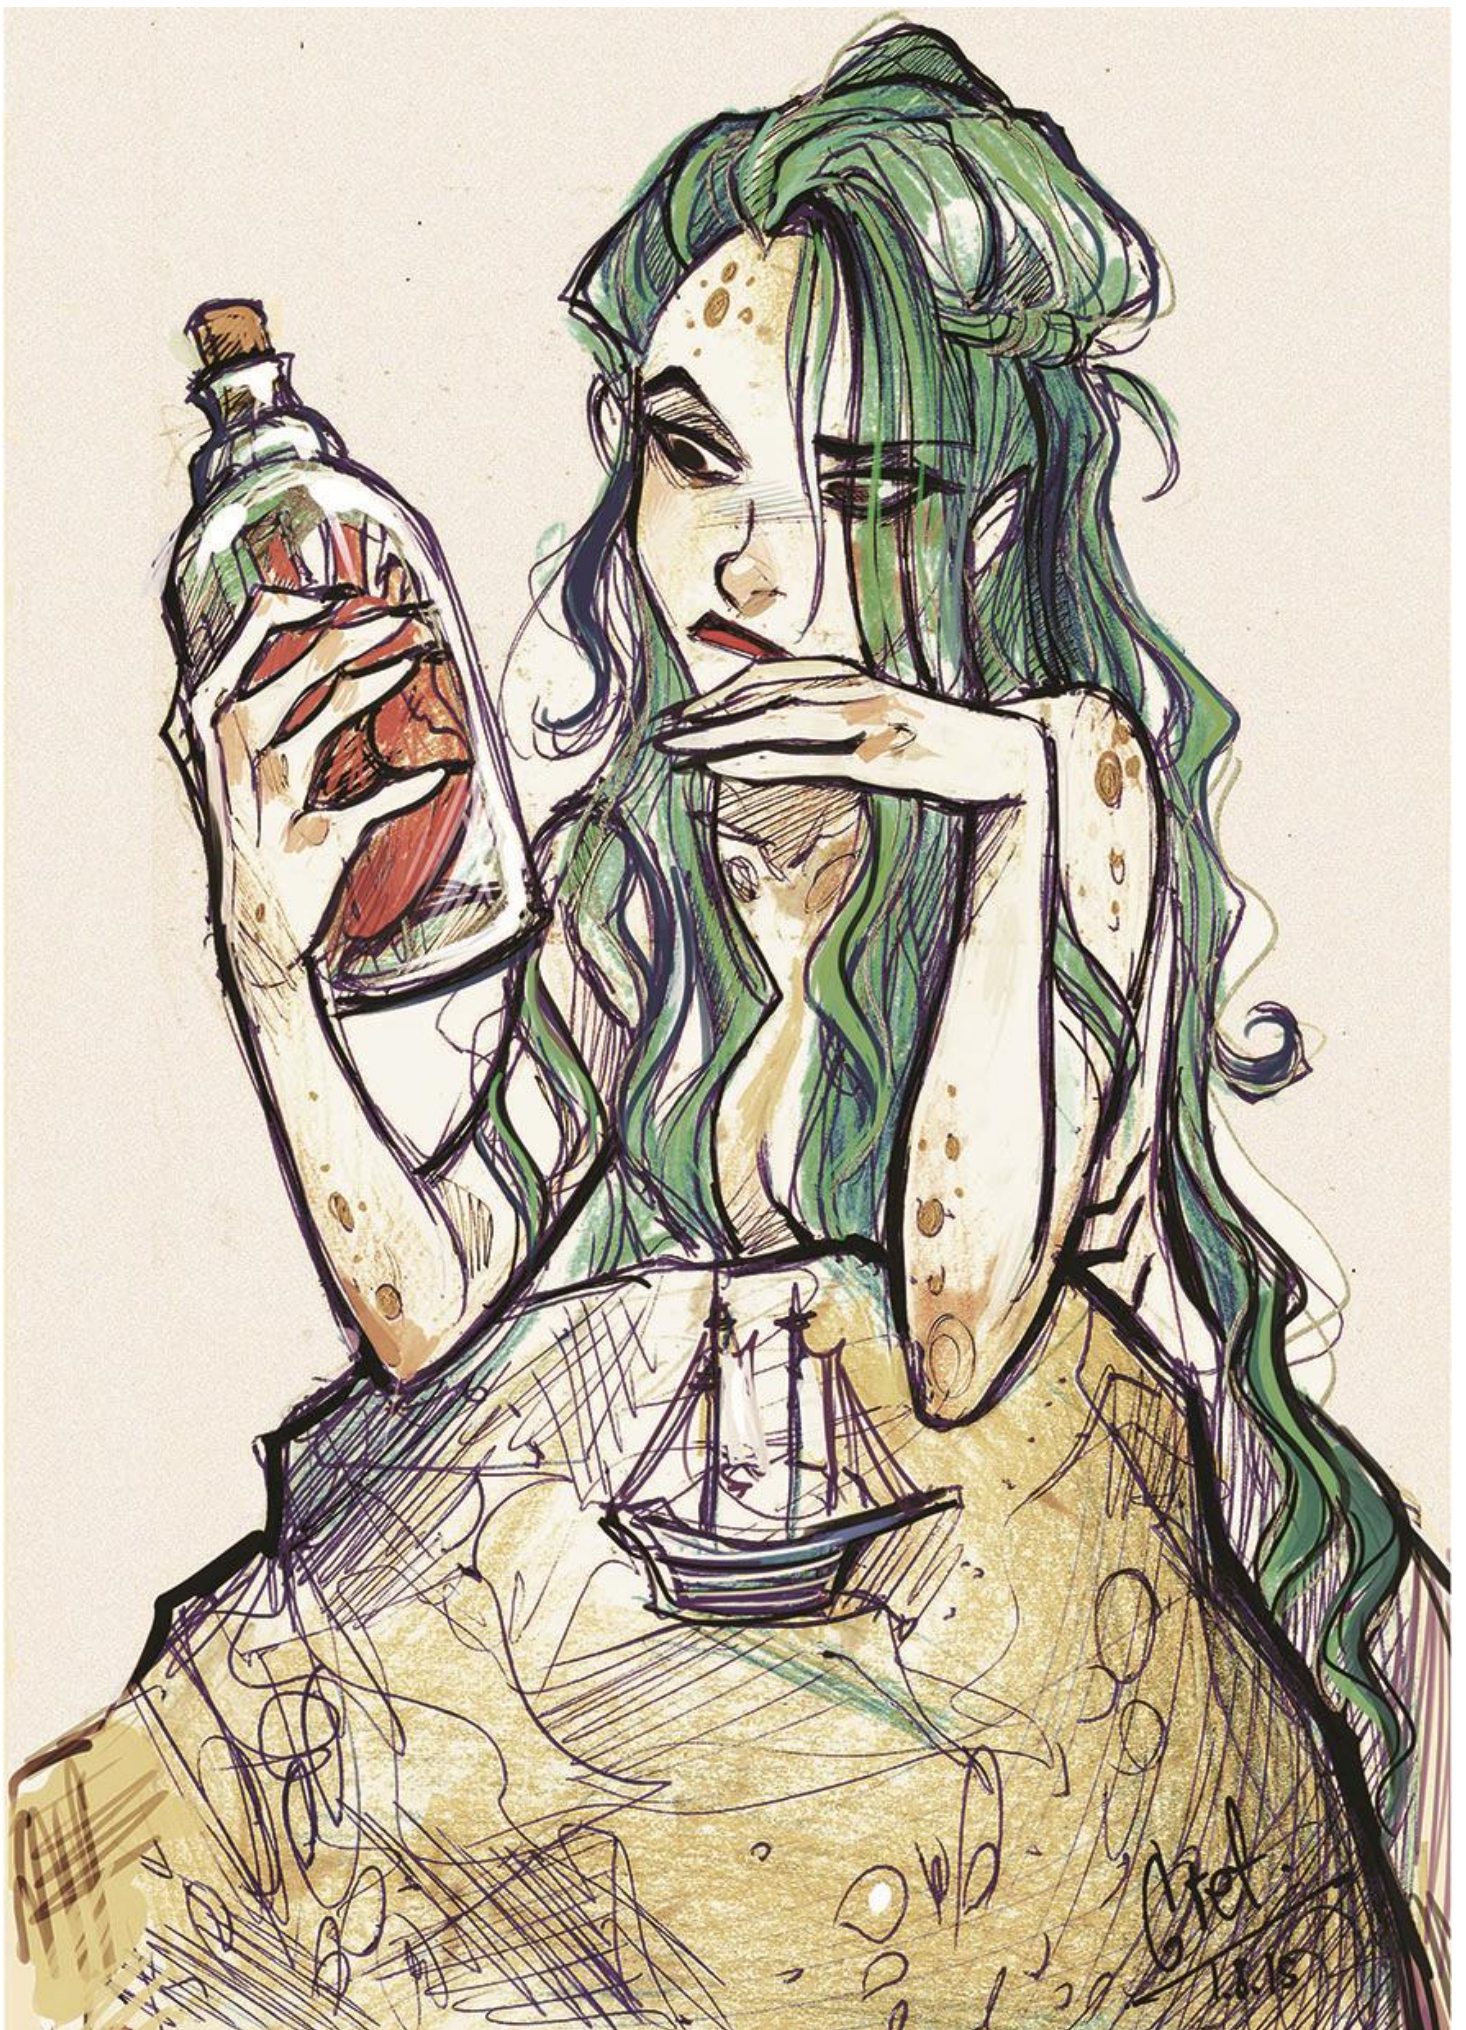

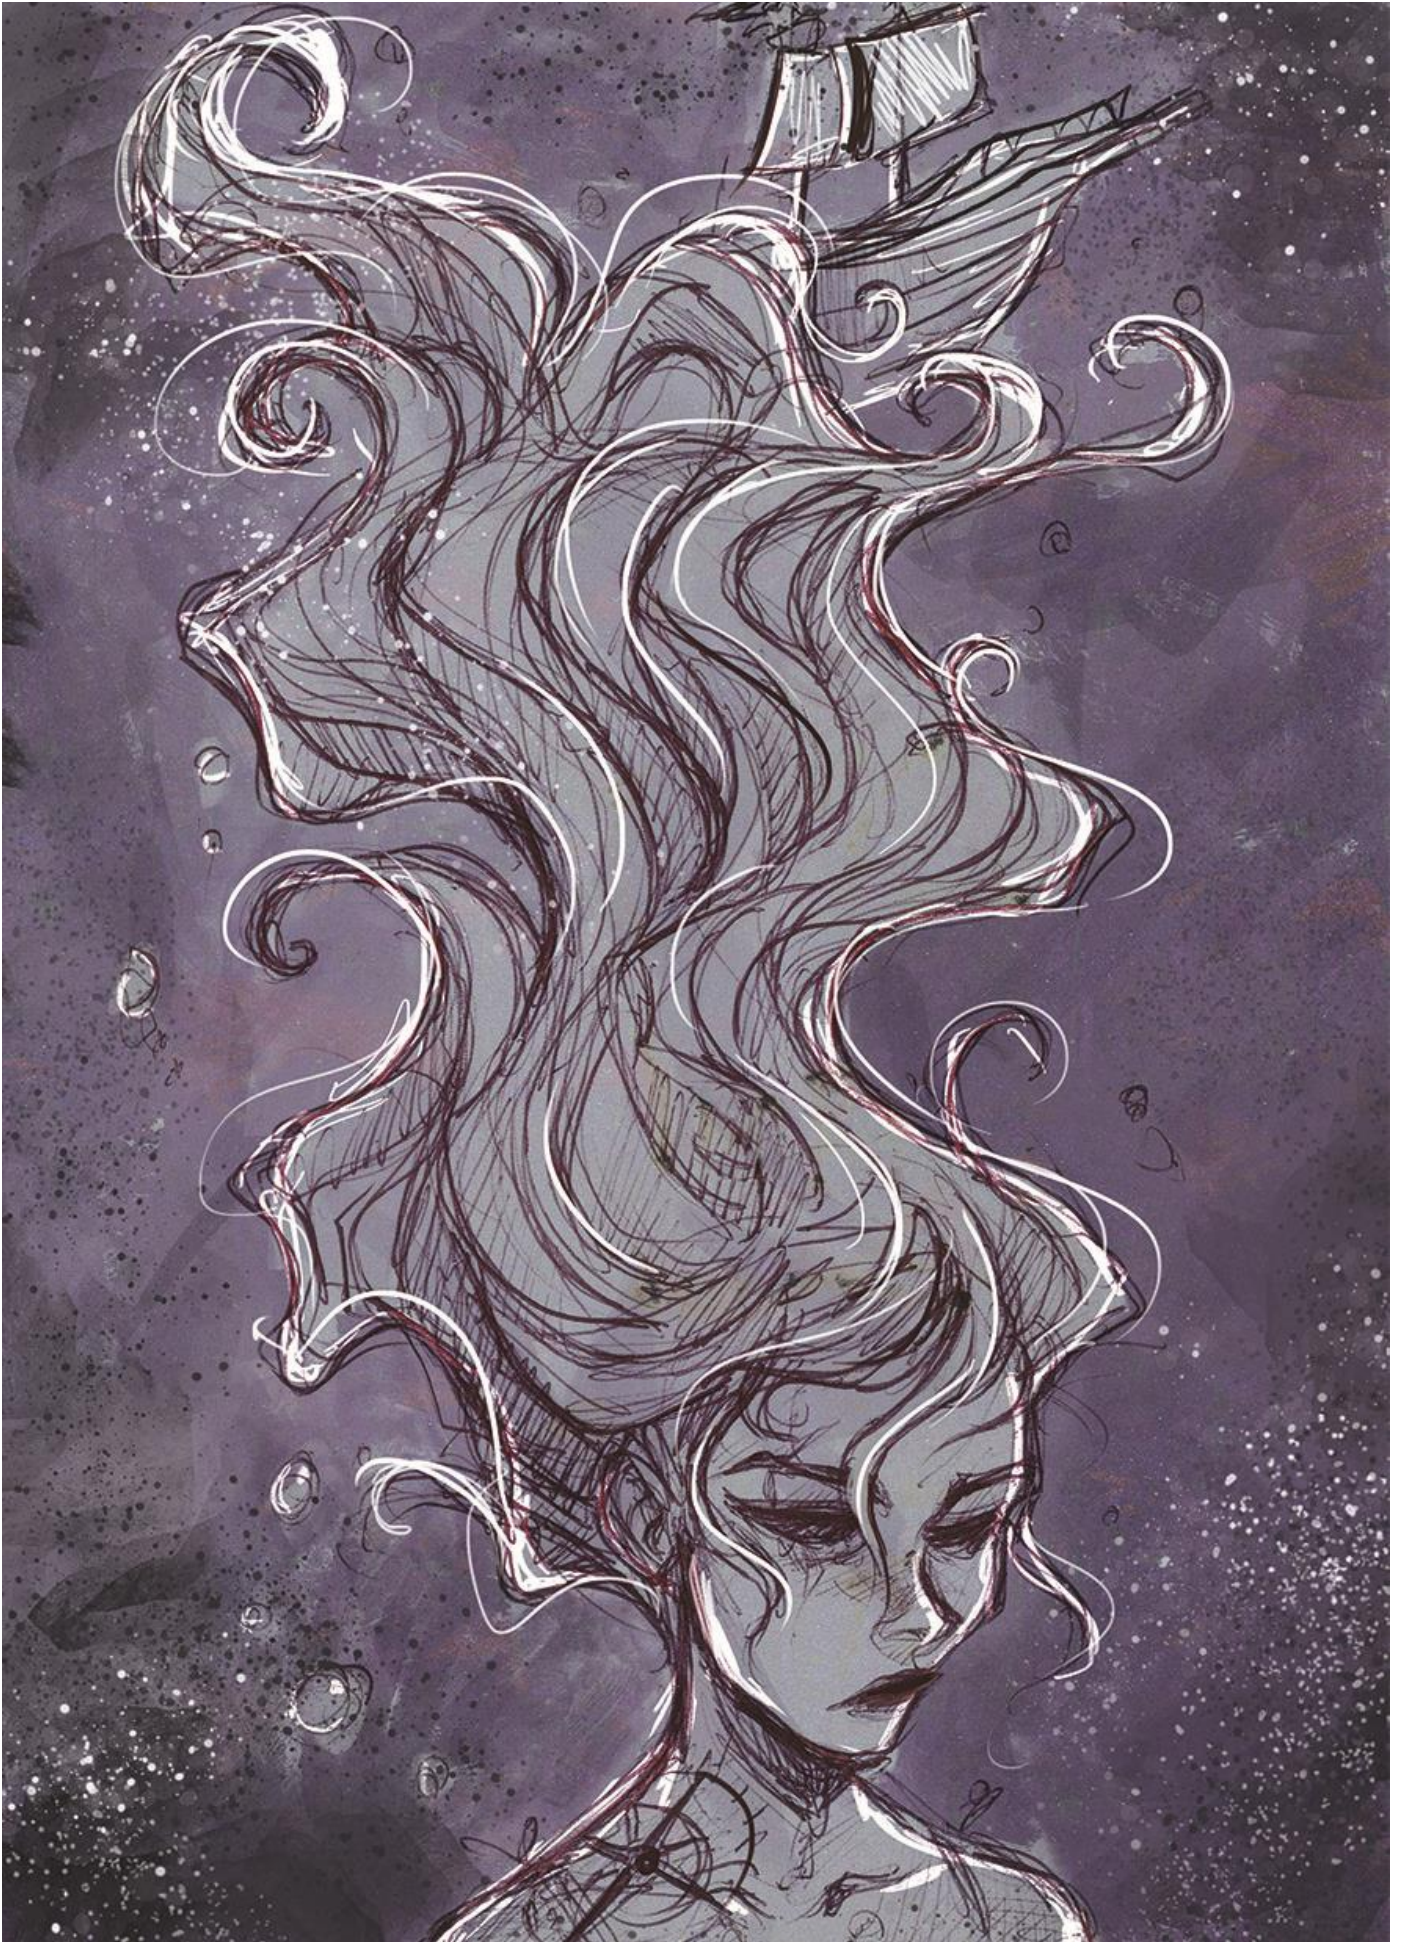

A tale
of sandy toes
and
mermaid kisses

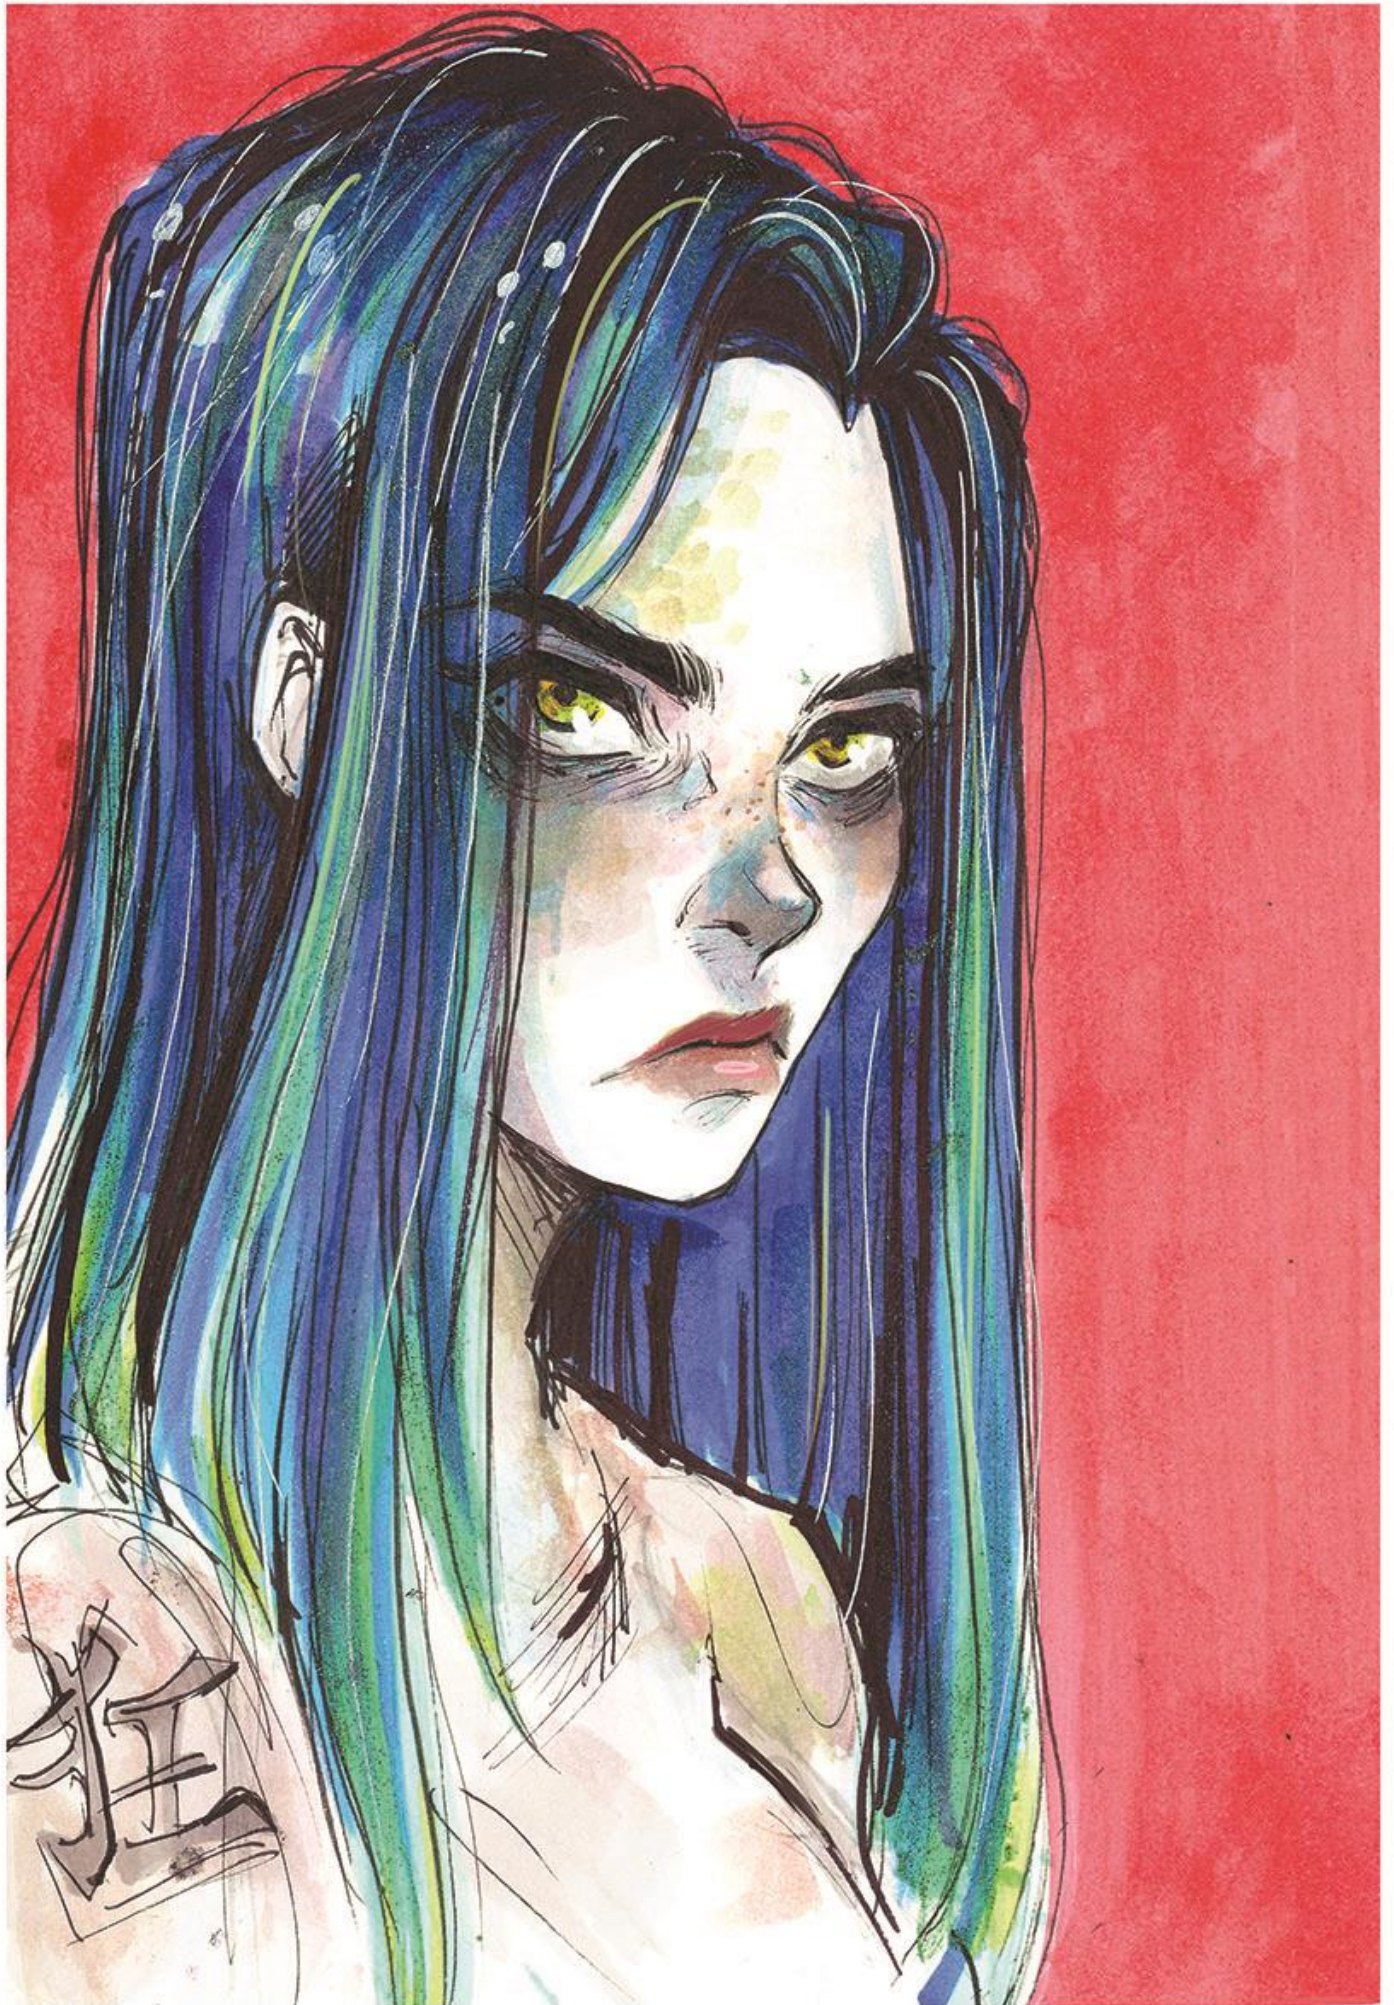

Once upon a different life...

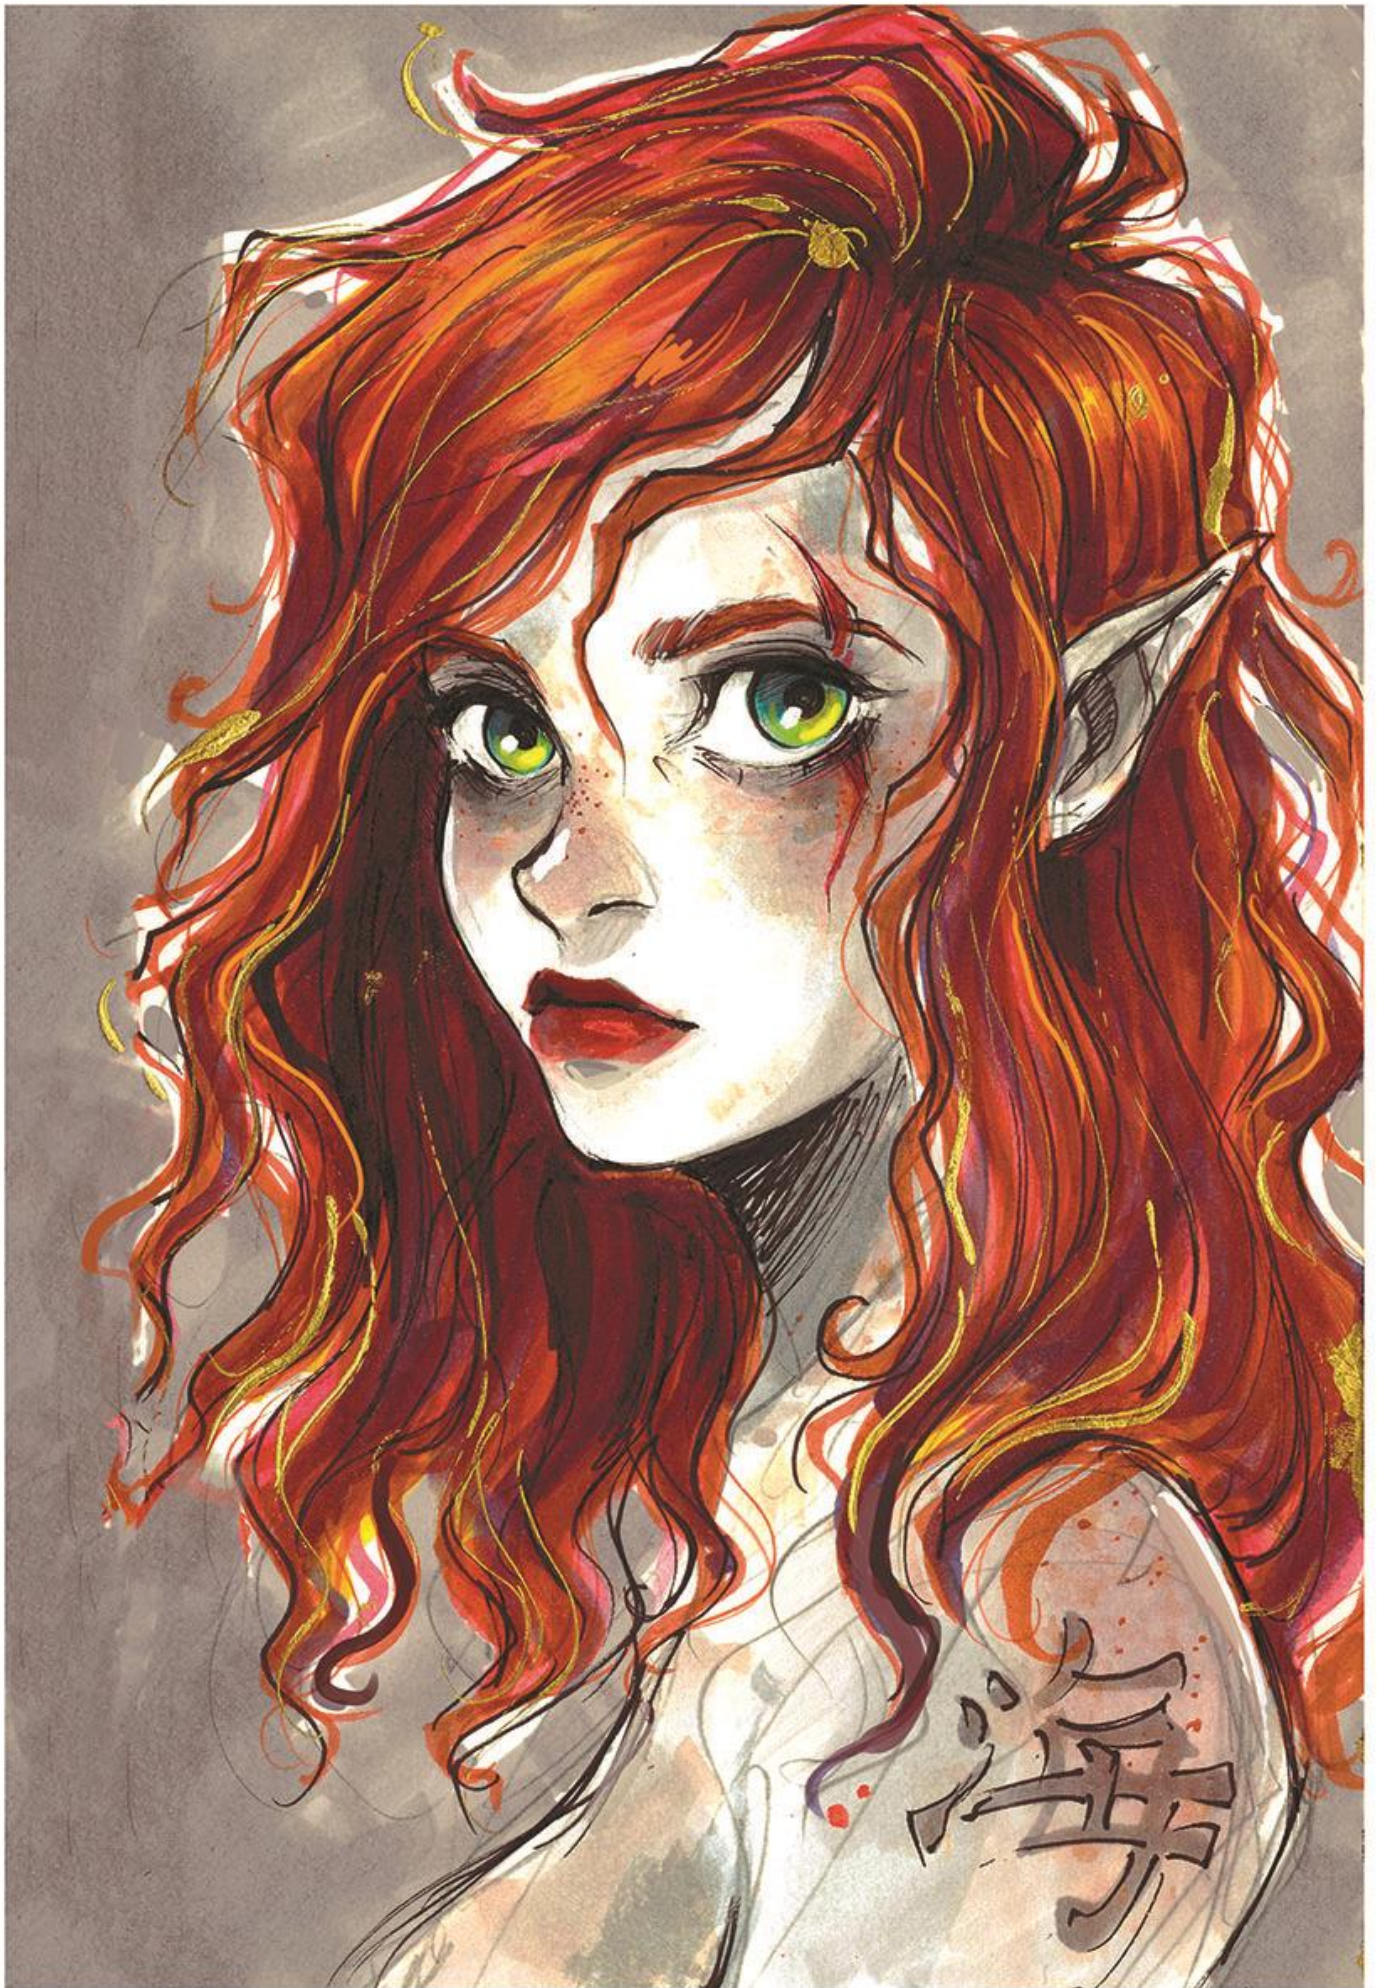

I don't care.

"When I die
give what's left of me away
to children
and old men that wait to die.

And if you need to cry,
cry for your brother
walking the street beside you
and when you need me,
put your arms
around anyone
and give to them
what you need to give to me.

I want to leave you something,
something better
than words
or sounds.

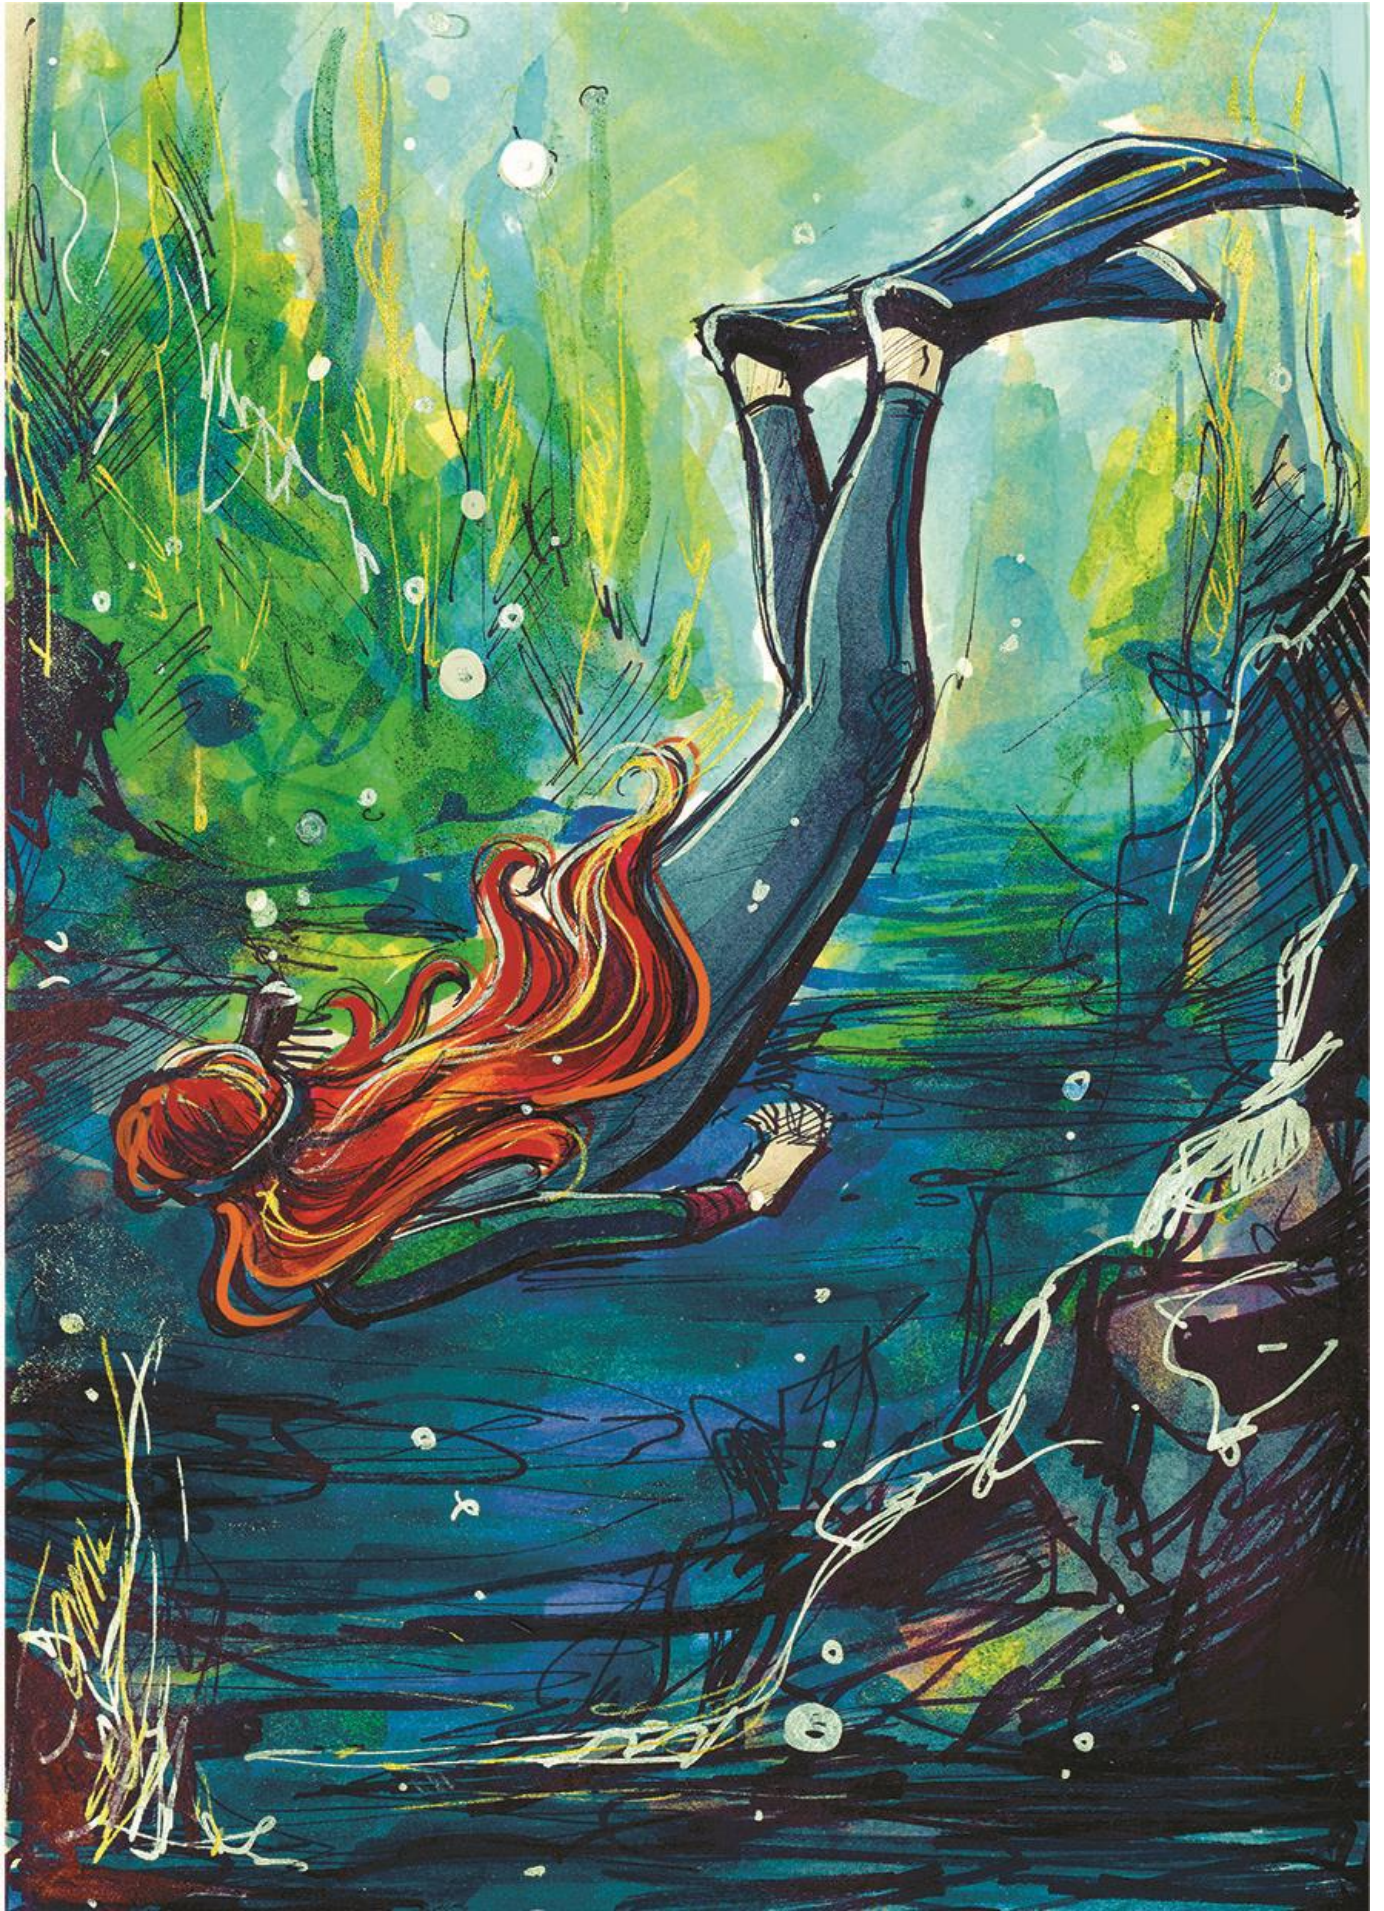

Look for me
in the people I've known
or loved,
and if you cannot give me away,
at least let me live in your eyes
and not on your mind.

You can love me most
by letting
hands touch hands
by letting
bodies touch bodies
and by letting go
of children
that need to be free.

Love doesn't die,
people do.
So, when all that's left of me is love,
Give me away.
