Wow,
she's also very
pretty...

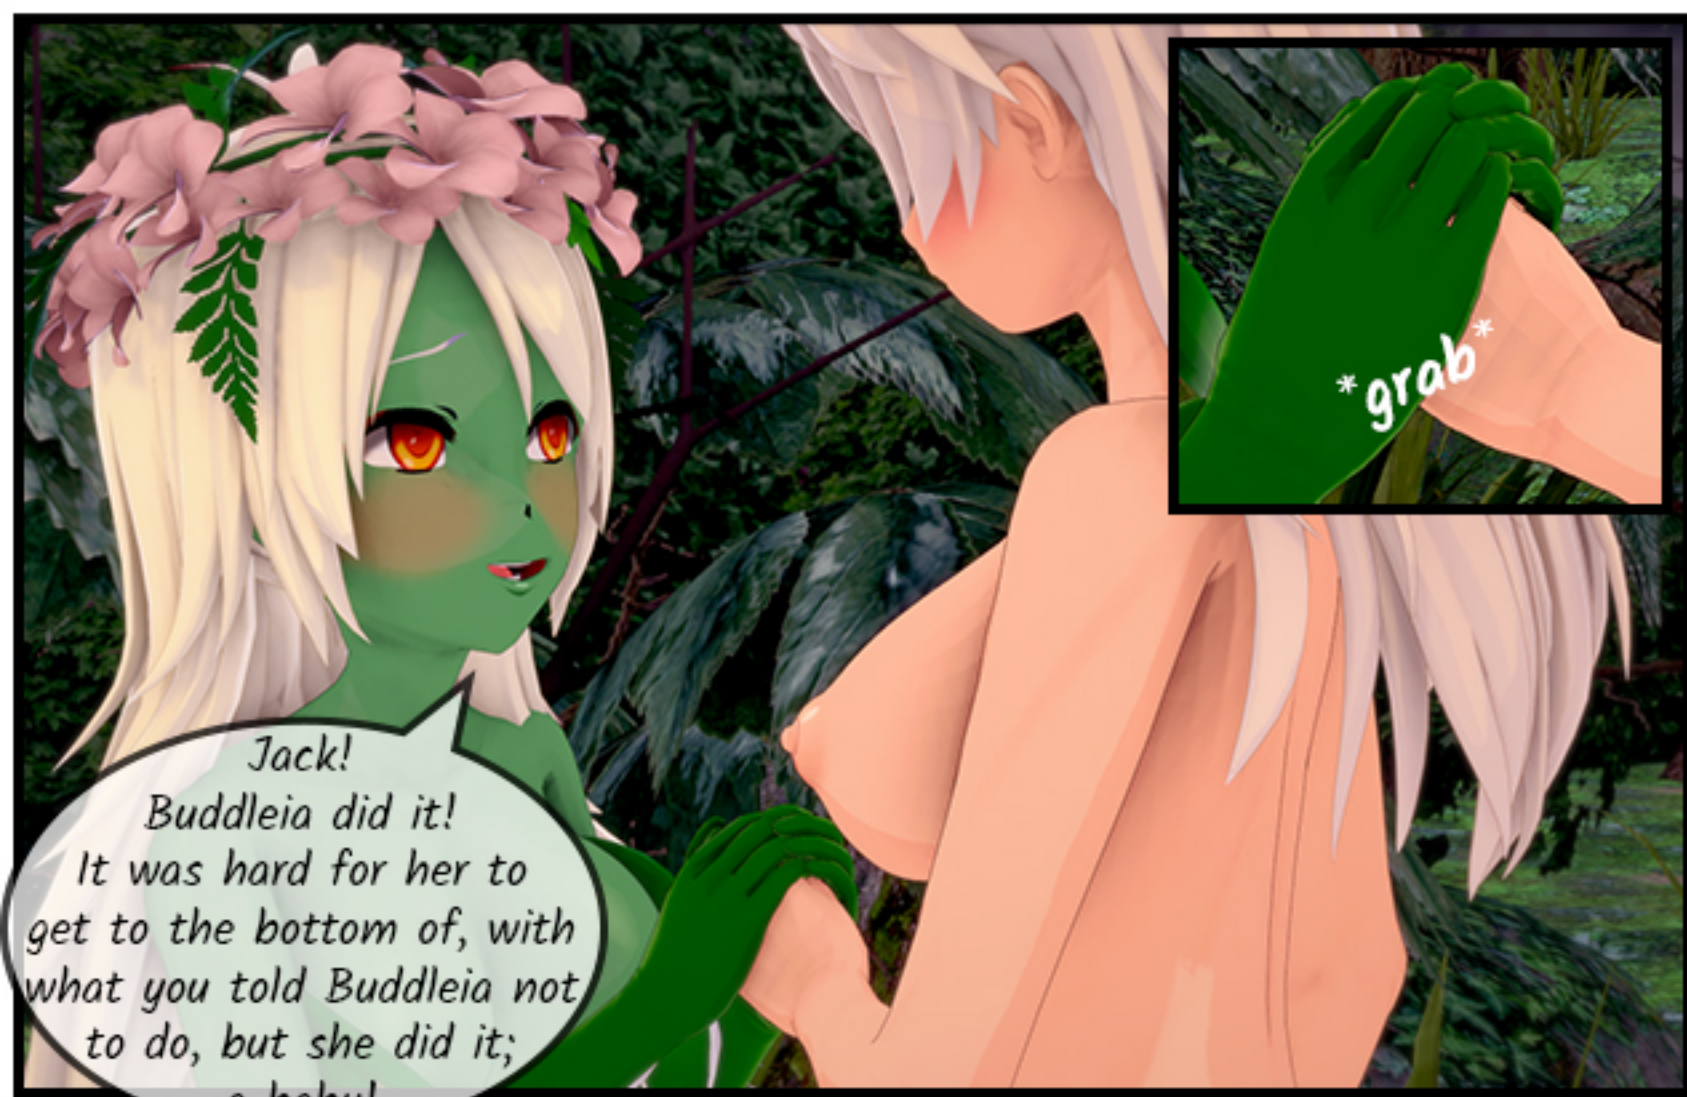

Hello to
you too little ones!
Buddleia is also making
honey, just like Jack! I
think Buddleia's body is
getting ready to
feed babies.

Isn't that
really exciting?
Buddleia's never been this
happy for as long as
she can remember!

SQUISH~

Jack!
Buddleia did it!
It was hard for her to
get to the bottom of, with
what you told Buddleia not
to do, but she did it;
a baby!

J-Jack? Excuse me,
but I think you're confused, or...
maybe I am? I don't know "Jack".
Is he your friend? That is a
man's name, right?

Our
baby... Does this
mean that we're a
couple now? I don't
want to presume, but
you said to Buddleia
that couples have
babies so...

blush

I know!
It's because
I look different
isn't it?

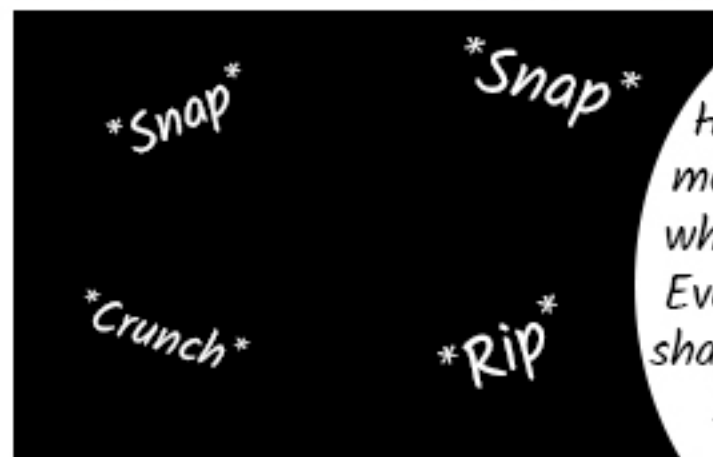

Jack...
your voice... it's
me, Buddleia! You know,
um... you let me travel
with you!

I...
I don't know
who you are, I'm
sorry. I need to
go.

I know
Buddleia has a
bigger chest but
she's still the same
underneath!

Snap

Snap

Crunch

Rip

Please!
Halt for just a
moment! I know
what it must be!
Even though it is
shameful, Buddleia
shall do this
again for
Jack!

Buddleia
did it. I must be
familiar to Jack
now...

...

Jack!
NO! PLEASE!
YOU MUST REMEMBER
BUDDLEIA! YOU
MUST!

Remember...
I... was finding
something...
Someone?

Jack and
Buddleia were
trying to find
your friend who
vanished!

Friend?
I feel alone...
I should find
my friend.
Goodbye.

NO!

Buddleia won't
let you leave! We promised
to stay together! The
baby!

You're
crying? Why
is Buddleia
sad?

Because
Jack is
vanishing like
Brian!

HUG

Please Jack,
Buddleia doesn't
want to lose you!

There there
child... Buddleia
and Jack *sniff*
shall comfort
each other.

I didn't
want to make
you cry either!

I'm sorry,
I didn't want to
make you
cry...

Cough!

Wheeze

HAHA!

I told you not to
have the dwarven
select ale! You took
it like a child!

...Child?

Shaddup
cough Brian...

Dwarves
from the silver mines
drink that when they
can't taste
anymore!

Like hell I
will! What kind of
fuck up are you? That
equipment you lost cost
us more than what
we were paid!

Come on
man, don't get bent
out of shape and go
acting like a child.
You'll miss me when
I'm gone.

I-I don't know what to say Brian, I'll never forget this.

Don't get sentimental on me, if it means so much to you then name your first child after me, or if it's a girl name her after a flower or something.

Brian...

Brian? You... you saved my life!

Lords Jack, you can't fight at all. Give me your hand!

Jack, have you come back to Buddleia?

Brian?

Buddleia, what are you doing?
Cough!
SOB

Is Jack happy with Buddleia? She told Jack before that if Jack vanished Buddleia would find him!

Buddleia thought Jack had vanished like his friend! Buddleia didn't know what to do! Buddleia cried and then Jack did.

Something is sticking into Buddleia...

poke
pulse
Rub

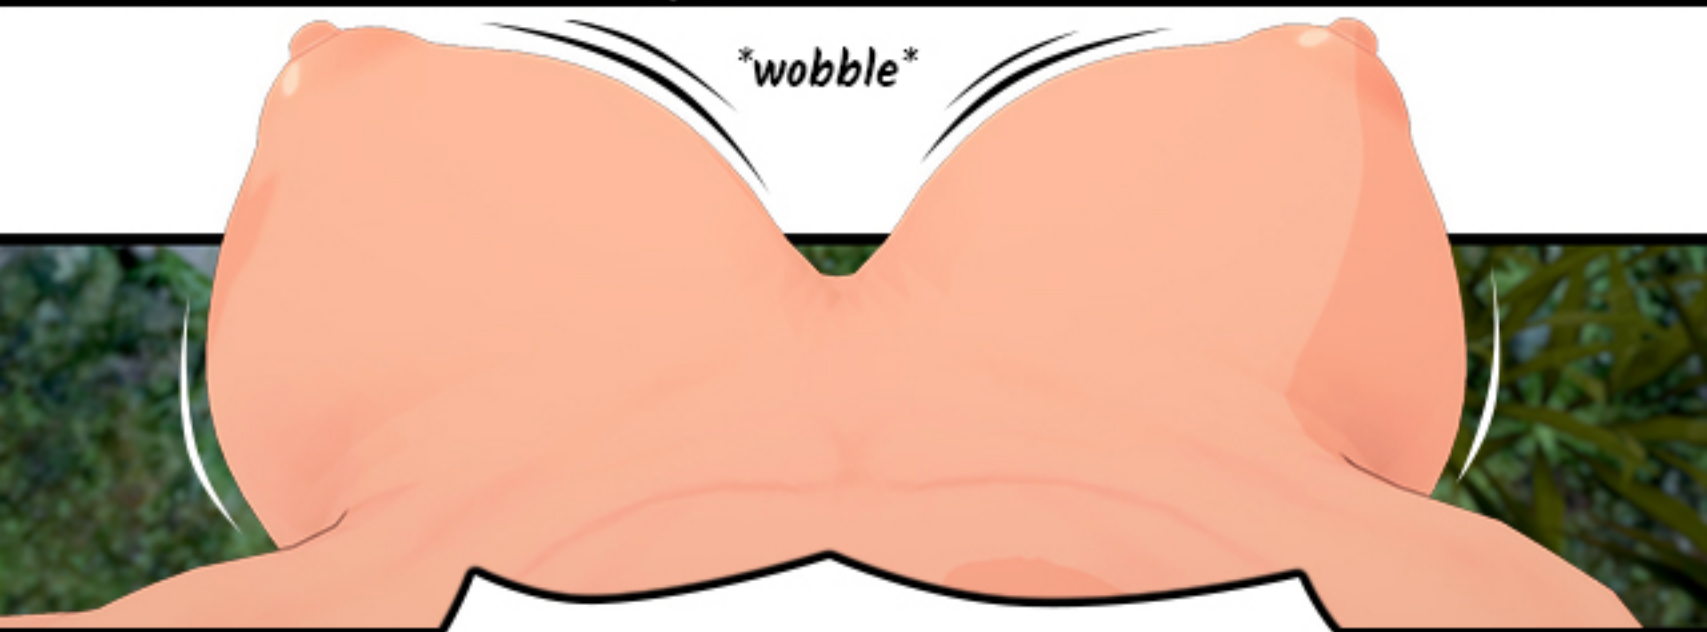

blush
redden

Are you really Jack? Please tell Buddleia that you are...

Buddleia, there's such a thing as personal space. Back up!

WHAT THE FUUCKKK??!!

Yay! It is Jack!

Buddleia found water.
She is also thirsty.

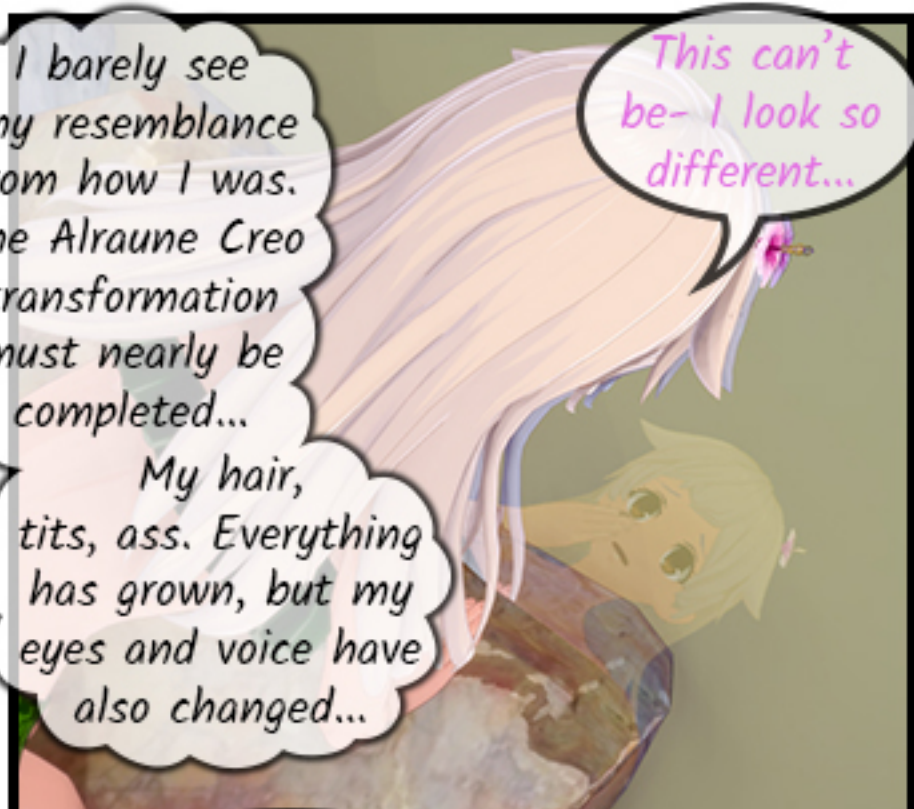

Jack eats frogs?
Are they tasty?

I don't find any reason
to celebrate! We need to
find water, now!

That's not why I
want it, I need a reflective
surface! Is there something wrong
with my voice? I feel like I've got
a frog in my throat!

Jack is very beautiful. Prettier than any flower Buddleia has ever seen.

I barely see any resemblance from how I was. The Alraune Creo transformation must nearly be completed...

This can't be- I look so different...

My hair, tits, ass. Everything has grown, but my eyes and voice have also changed...

...

Buddleia hopes our babies will be as cute as Jack.

Anyway, weren't you about to have a drink?

Buddleia, I'd appreciate if you didn't call me 'beautiful' or 'pretty' or any other synonym in between! FYI we're also **not** having a baby.

Buddleia is drinking. Jack should too, he looks thirsty!

That's Brian! Why are you suddenly looking at her in 'that' way? She's right Jack; you must be 'thirsty'!

GROW

BLEUURGGHH!

*Haah... Hah...
Please don't...*

Jack!
Don't worry, Buddleia is
coming to help!

Trust
Buddleia
Jack.

*I don't know
how this is supposed to
make me feel better Buddleia.
But I'm so nauseous I'll try
anything.*

What is a prank?
Jack, put your feet in
the water, you're
thirsty.

*I'm trusting
you to not make me look like
an idiot, is this some prank? I'm
a grown man being babied like
this. Why'd I have to take the
skirt and boots off?*

Gah!
It's cold!

Jack,
Buddleia
promises!

Not to be
skeptical but dunking
my feet in here shall
'cure' my nausea and
my thirst?

Where has this
nausea come from? It
isn't food; I haven't
needed to eat anything
since... Buddleia.
Another symptom of
becoming an alraune I
guess. Speaking of the
symptoms, these
legs are getting
shapely...

"Little one"?

Does she mean the flower?

Buddleia, I
couldn't care less if
the 'little one' died. In fact
it'd be for everyone's
benefit if it did!

Jack, you can't
mean that!

Buddleia's
glad. You and the
little one need
to keep
healthy!

Haahh...
I... feel better?
Strange, I do feel
quenched. That
sun feels good
too.

Buddleia doesn't now how Jack can be so cruel. Buddleia really knows that Jack is back now... Buddleia wanted to name it too...

Buddleia, are you-? I didn't make you cry did I? Not over that thing!

So, what do you want to name it?

Does Jack really mean it?!

Does she think of me as such a heartless bastard? Buddleia is really attached to that flower... I should humour her it's the least I could do, she has been trying to help me.

Yeah. It's no skin off of my nose. What name do you have in mind?

Buddleia's sure you know best 'Mommy'. Hehe~

Hey, why does that qualify me being called 'mommy'?

pat

Little 'Hibiscus' I like it. Grow big and strong for your other mommy!

She does?

It doesn't really look like a rose. It looks more like a hibiscus, right?

DRRRINNKK

Whatever... Buddleia, about what happened in the woods...

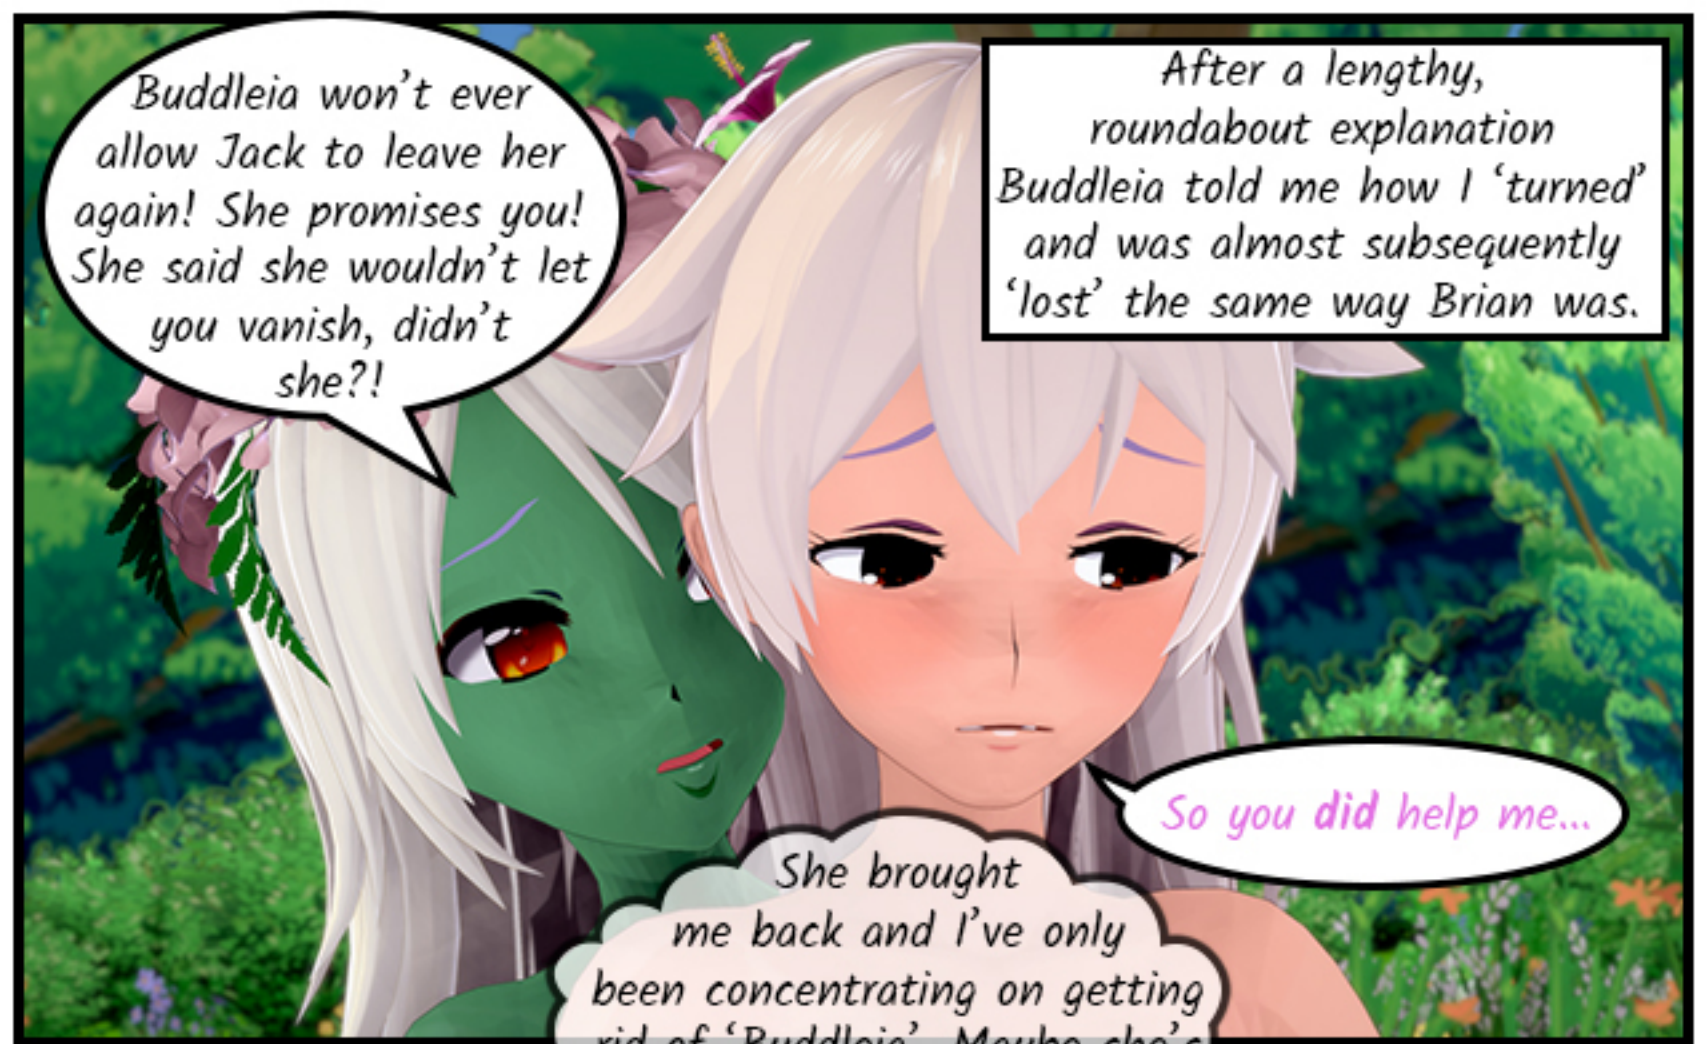

Buddleia doesn't want to talk about it. Jack scared Buddleia...

I know. I still want to know what happened, it may help us.

SLOSH

BALLOON

Buddleia won't ever allow Jack to leave her again! She promises you! She said she wouldn't let you vanish, didn't she?!

After a lengthy, roundabout explanation Buddleia told me how I 'turned' and was almost subsequently 'lost' the same way Brian was.

So you did help me...

She brought me back and I've only been concentrating on getting rid of 'Buddleia'. Maybe she's right; I am a bastard.

Was it scary? I would be scared too. Buddleia wouldn't want to vanish...

Yeah... you did. I- thanks Buddleia. I won't forget it.

Is Brian lying dormant in Buddleia, ready to be 'woken'?

... But if Brian comes back... Then Buddleia-

FILL

SLOSH

It wasn't scary at the time as I couldn't remember it, memory loss must be part of the transmorph into an alraune. It's frightening in the sense that I nearly 'slept' and never woke up.

GASP!!

RRRIIPPP!

bounce

Wow, Buddleia has never seen boobies so big! They shall be great for raising babies!

Jack must have drank too much!

Th-these.. how?

D-drunk too much?

pull

splash!

Fuck, I thought Buddleia showed me some placebo effect, not that I was **actually** absorbing water! An alraune body is fucked! I hate to think what other nasty surprises are in store for me!

Okay! Buddleia isn't thirsty anymore anyway!

B-Buddleia I found who I need to get my friend back... but we need to go to them. **RIGHT NOW.**

badump~

Before any of those aforementioned 'surprises' happen...
