

How do you want to play with me?

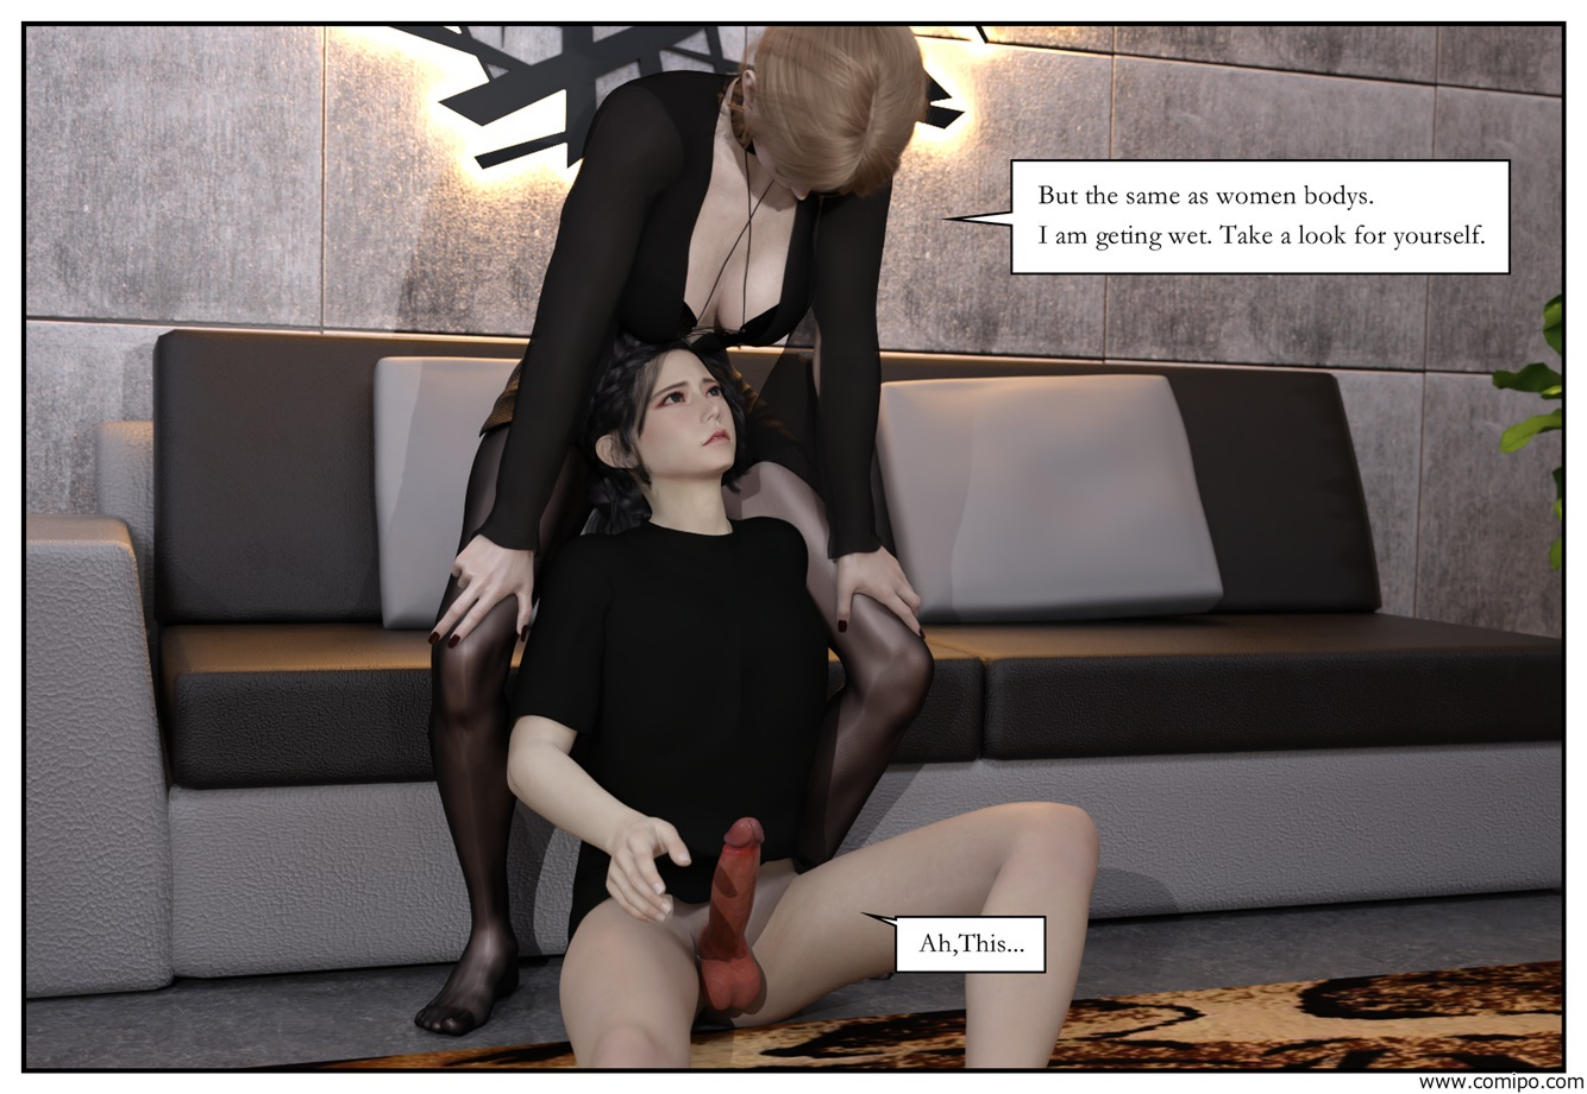

Hm? You seems having fun.

Your dick is hard.

A man's body is amazing, right?
You can see your feet every day.
But now you get hard on with just lightly touch.

But the same as women bodys.
I am geting wet. Take a look for yourself.

Ah, This...

Why are you so shy?
This is your own body.

Isn't it amazing to see your lower body in i this position?

No..not such...

WWW...

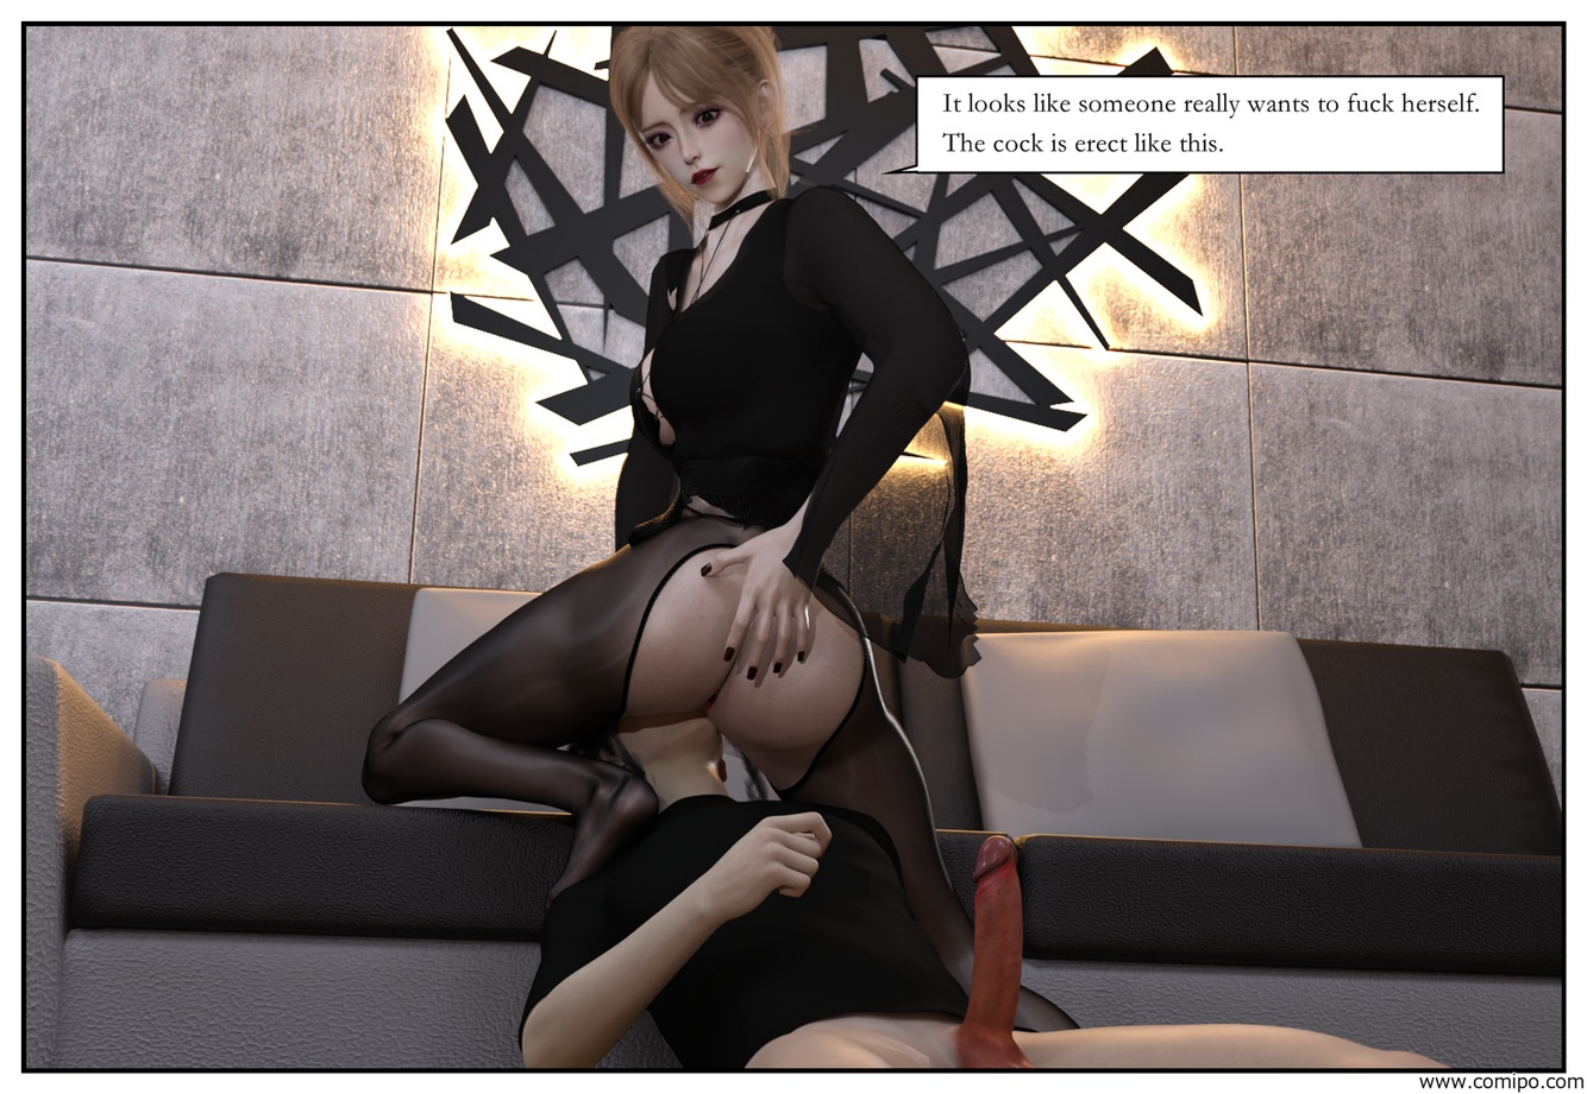

Before Chen Xin could finish her sentence, she was gagged by Lin Zixi with her pussy.

Chen Xin, who was gagged, subconsciously stuck out her tongue and licked the once familiar lower body in front of her.

Ha ah, so comfortable, and my tongue is too flexible.
It's much more comfortable to have a pussy.

It looks like someone really wants to fuck herself.
The cock is erect like this.

Isn't it? Mr.Chen?

Want to experience the feeling of being wrapped in your own warm, moist pussy?

I...

Although the desire coming from the dick is now almost making Chen Xin succumb. However, she was still a little hesitant to use her own student's body to make love.

I... I want to.
Just let me stick it in.

Seeing Chen Xin with a tangled expression in front of her, Lin Zixi's body sank down slightly, and now her own pussy lips touched Chen Xin's engorged glans, and the lustful water flowed down his penis. However, just such a small action. Chen Xin's last line of thought defense was also breached.

After getting the answer he wanted,
Lin Zixi did not rush to do so,
but kissed Chen Xin.

Good boy.

Although now I am also wet down there,
but today can satisfy you yet, Mr. Chen.

What kind of tricks are you playing again?

Which is not, just afraid you will
not agree to my request after jerking off.

What else do you want?
Didn't you say you'd change back after sex?

Yes, that's why I'm not doing it with you today.
Mr. Chen, let me be you for two more days, okay.
I will definitely change us back in a couple of days.

This is the home of Lin Zixi's, right?

As expected, as Lin Zixi thought,
the spermatozoa Chen Xin agreed to his request.
Let him to be a woman for two more days,
while Chen Xin will live as him for a few days instead.

Why are you back so late?
Where have you been?

A man with short dark hair, wearing a brown button-up jacket over a white shirt and black pants, stands in a modern kitchen. He has a surprised expression and his right hand is raised towards his chest. The kitchen features white upper cabinets, dark lower cabinets, and a brick-patterned wall with a large abstract black and white artwork.

Ah, you're Zixi's mother!

A woman with short brown hair, wearing a grey dress and a grey hoodie draped over her shoulder, is shown from the back. She is looking towards the man in the adjacent panel. The background is a simple, brightly lit indoor space.

What nonsense are you talking about?

So the hair also cut?

Um... Not much.
I'm not feeling well today.
I'm going to bed.

A woman with brown hair in a bun, wearing a light blue lace dress and a silver sequined capelet, is looking towards a shadow on a wall. The shadow is of a person in a dark suit. The background features white horizontal blinds and two framed pictures of a forest.

Take some medicine if you don't feel well!

What's wrong with this guy tonight? Strange.

Did he know the content of the dream that day?
How is it possible haha.
However, looking back on that dream is really interesting.
If it can really come true, it is not impossible ah.

A person is lying in bed at night, covered with a blanket featuring a repeating pattern of stylized leaves or feathers. The person's face is partially visible, and they appear to be resting or sleeping. The room is dimly lit, with a soft glow from a lamp or window in the background.

At night lying in bed Chen Xin recalled all the daytime, tossing and turning, unable to sleep. She thought about Lin Zixi's mother, that was the first time she saw another woman as a boy.

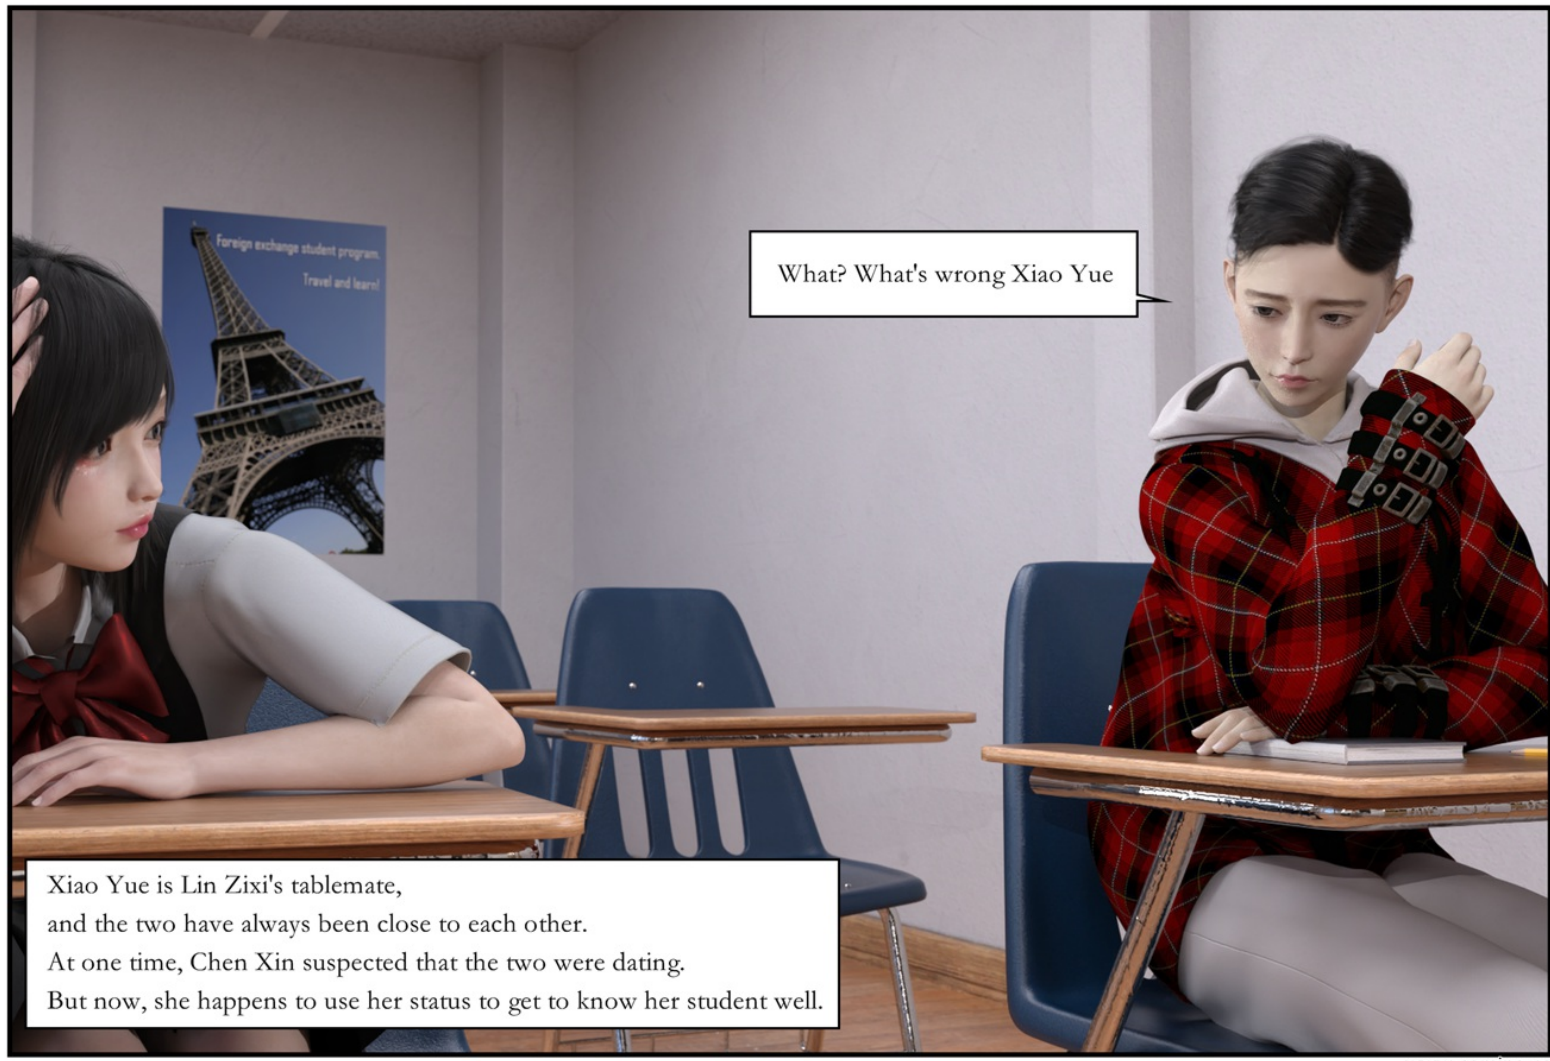

As she thought about it, her hand went back up to her erect lower body.

Because she had too much fun at night,
Chen Xin was so sleepy in class the next morning.
But the good thing is that she is a student now.
She could rest secretly.

Hey (Whispers

What? What's wrong Xiao Yue

Xiao Yue is Lin Zixi's tablemate, and the two have always been close to each other. At one time, Chen Xin suspected that the two were dating. But now, she happens to use her status to get to know her student well.

Don't you think Ms. Chen today
She's dressed up especially pretty?

Reminded by Xiao Yue,
Chen Xin just noticed that this guy is dressed too sexy today.
She would not wear such sexy even on a date

Ms. Chen, I...

As soon as class ended, Chen Xin had no time to speak, Lin Zixi ran out of the teachingroom.

Homework:

Let's go, Zixi, go home.

That's right! Didn't Auntie ask me
To help you with your homework every week today?
Didn't we agree?

Huh? Going home? Together?

Damn it, you're trying to run away again.
Are you?

Ah, no no, let's go.

On the way home,
it suddenly started to rain heavily.

Let's take shelter from the rain at the
convenience store first.

Common, the clothes are wet.

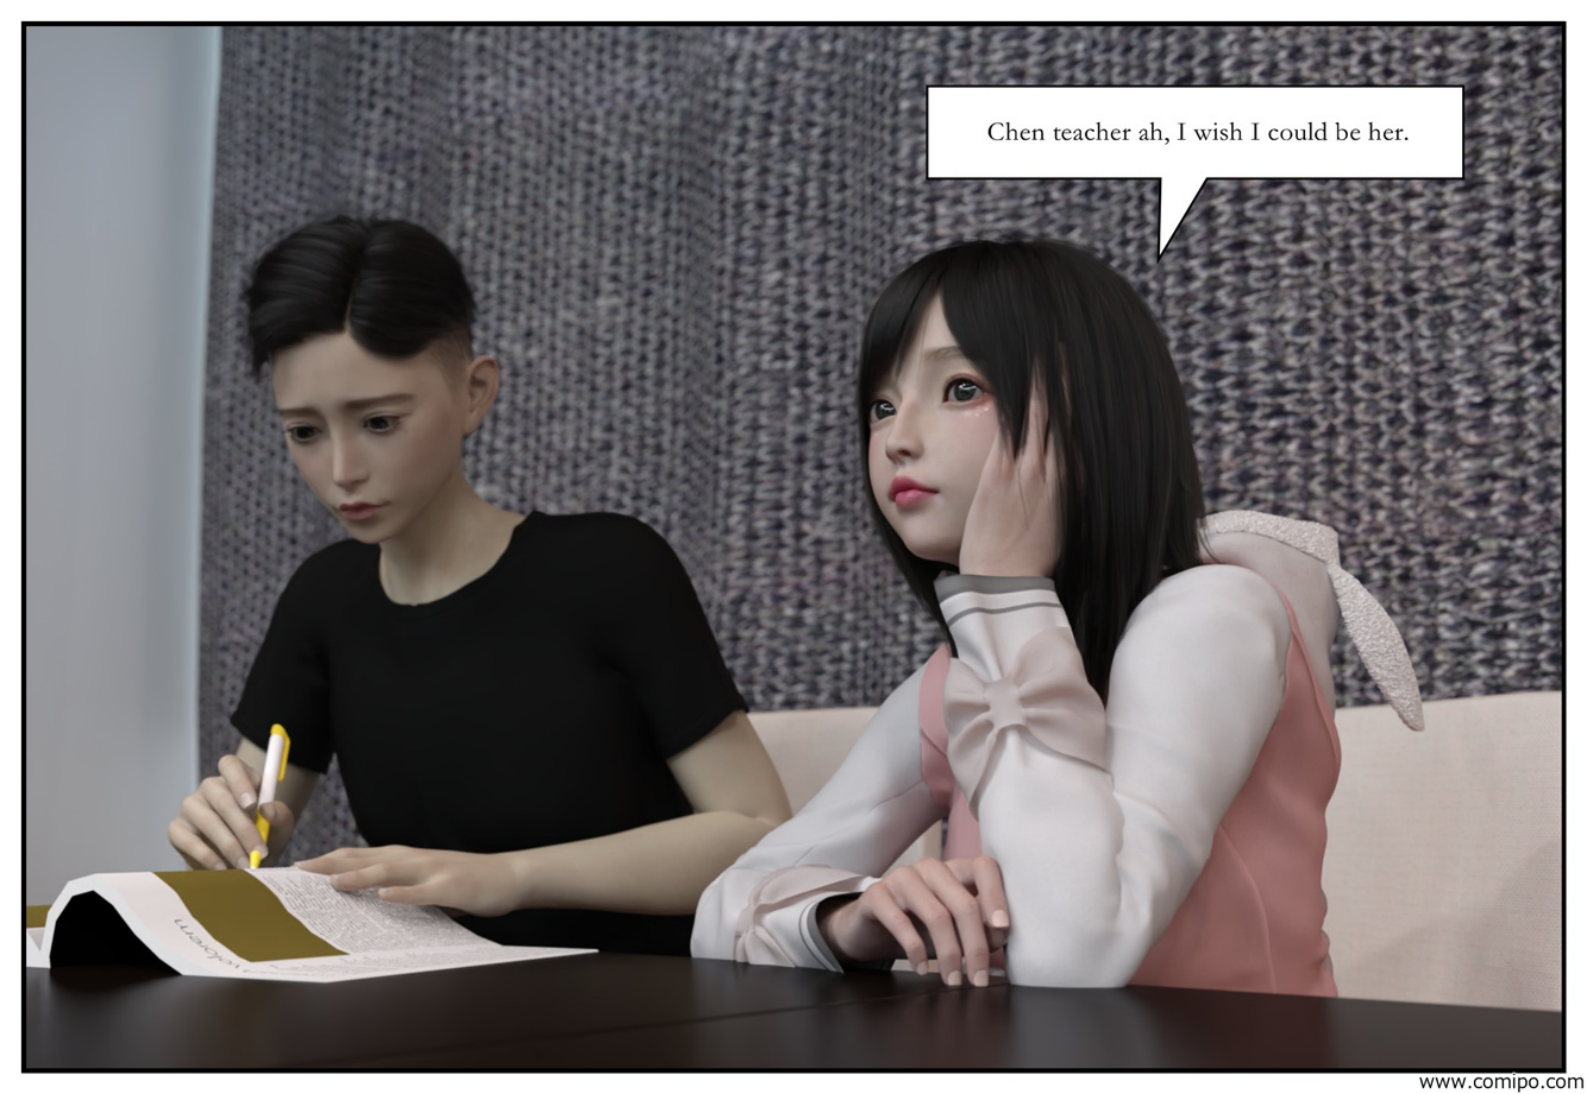

Why is it raining so hard all of a sudden?

Come to my house later and take a shower first.

Wow, how did you do it so fast today.

Really? It's okay.
By the way, what do you think of Ms. Chen?

Chen teacher ah, I wish I could be her.

Oh? Yeah, why?

Although it was a casual question, hearing such a response from the student still made Chen Xin feel a little surprised.

So, you see, Ms. Chen is young and pretty.
And so capable inside the school.
The point is, don't you think the teacher is very feminine?

So that's what you think, Xiao Yue.
Haha, the teacher is envious of young girls like you.

Under the light, Xiao Yue's lovely bra seemed to appear as if in shadow. The fragrance of the shower gel after the shower also kept rushing from her body straight to Chen Xin's nasal cavity. Chen Xin seems to feel that the lower body is slowly rising.

Ahem, huh?

猛然回头

By the way...

Why do you have such
cute girl's clothes?

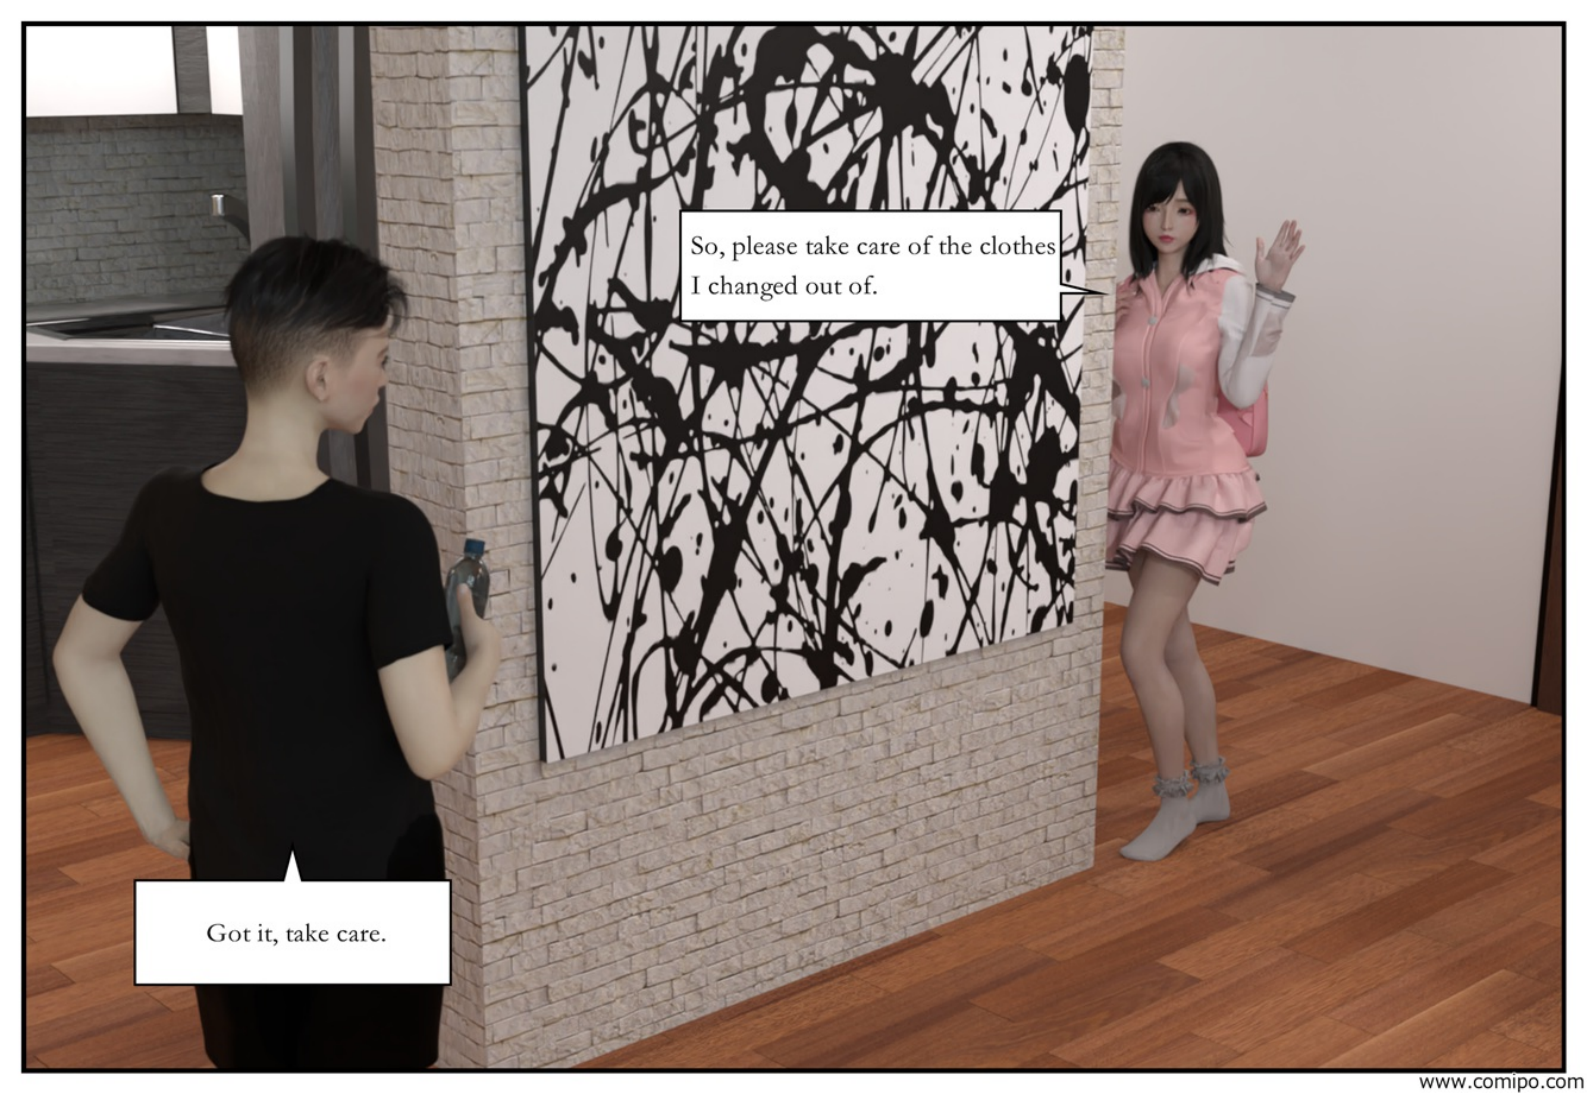

It's not ~ you have some special hobby, hehehe.

What are you talking about?
It's my mother's clothes.

... How did I...

Ah, it's after 8:00 pm!
Well, I have to go home.

So, please take care of the clothes
I changed out of.

Got it, take care.

Whew, scared me, almost exposed.

At the same time in a restaurant,
Lin Zixi, who had become Chen Xin,
hurried to the appointment.

Yes, my boyfriend should be here already.

A man, right? Yes, this way, please.

A woman with blonde hair, seen from behind, is walking away from the camera. She is wearing a light pink, short-sleeved, belted dress and high-heeled shoes. She has a white handbag with a gold chain strap. In the background, a man with blue hair is sitting on a dark brown bench, looking towards the camera. He is wearing a dark jacket and white shoes. The room has a checkered floor with orange, black, and white tiles. There are several tables and chairs, some with small white boxes on them. The walls are a deep red color and have three framed pictures: a clock, a street scene, and a seashell.

This way~

Why is it so late today?
The movie is about to start.

If you can't make it, forget it.
I don't really want to see a movie today either.

What? But I bought the tickets, and they are quite expensive...

A woman with blonde hair tied back, wearing a light pink dress, sheer tights, and high-heeled shoes with gold studs, sits at a dark wooden table. She has her hand to her chin in a thoughtful pose. A man in a dark suit is partially visible on the left. The background features a red wall with a framed picture of a seashell.

I'll go see the movie with you next week.
Today I want to do something more interesting ~

Unlike adults whose nights are just beginning.
Chen Xin, who had turned into a high school student,
was already at the time of showering and going to bed.

En? This is..

But before leaving the bathroom, Chen Xin saw something interesting, Xiao Yue's school uniform.

A woman with dark hair tied back, wearing a light blue short-sleeved shirt with a red bow, a dark vest, and a dark skirt, is sitting on a dark brown leather sofa. She is looking down at her right leg, where she is adjusting a black knee-high sock. The setting is a modern living room with a wooden floor, a dark grey shelving unit in the background containing decorative items, and a window with blinds. A speech bubble is positioned above her, and another is pointing to her sock.

She also did not know why, but very naturally, she has a impulse to try XIAO Yue's school uniform.

The socks are still a little damp.

In Lin's room, it seems there are wig..

A 3D rendered character with black hair and bangs, wearing a light blue short-sleeved shirt with a red neckerchief, a black vest, and a black pleated skirt. She is standing in a room with a wooden floor, a white pillar, and a dark grey shelving unit. The background features a white wall with a black splatter pattern and a window with the letters 'ABC'.

The face that appeared in the mirror was not her own.
But with makeup effect, it is completely a girl.

It was the first time I wore our
school uniform for girls.

I'm sure Lin has stood in front of the mirror many times admiring her own female appearance. Chen Xin now seems to understand Lin Zixi a bit, because as a woman she also like to admire her self in front of the mirror like this, the only difference is that she never had sexual urges before...

And now his own cock is as hard as iron bar.

What, hard again...

I'm not Chen Xin now, anyway.
Lin, he will certainly do so, right?

Holding her student's penis in this way,
no matter how many times it was,
also made Chen Xin feel amazing.
But now, it is something that grows
on her body.

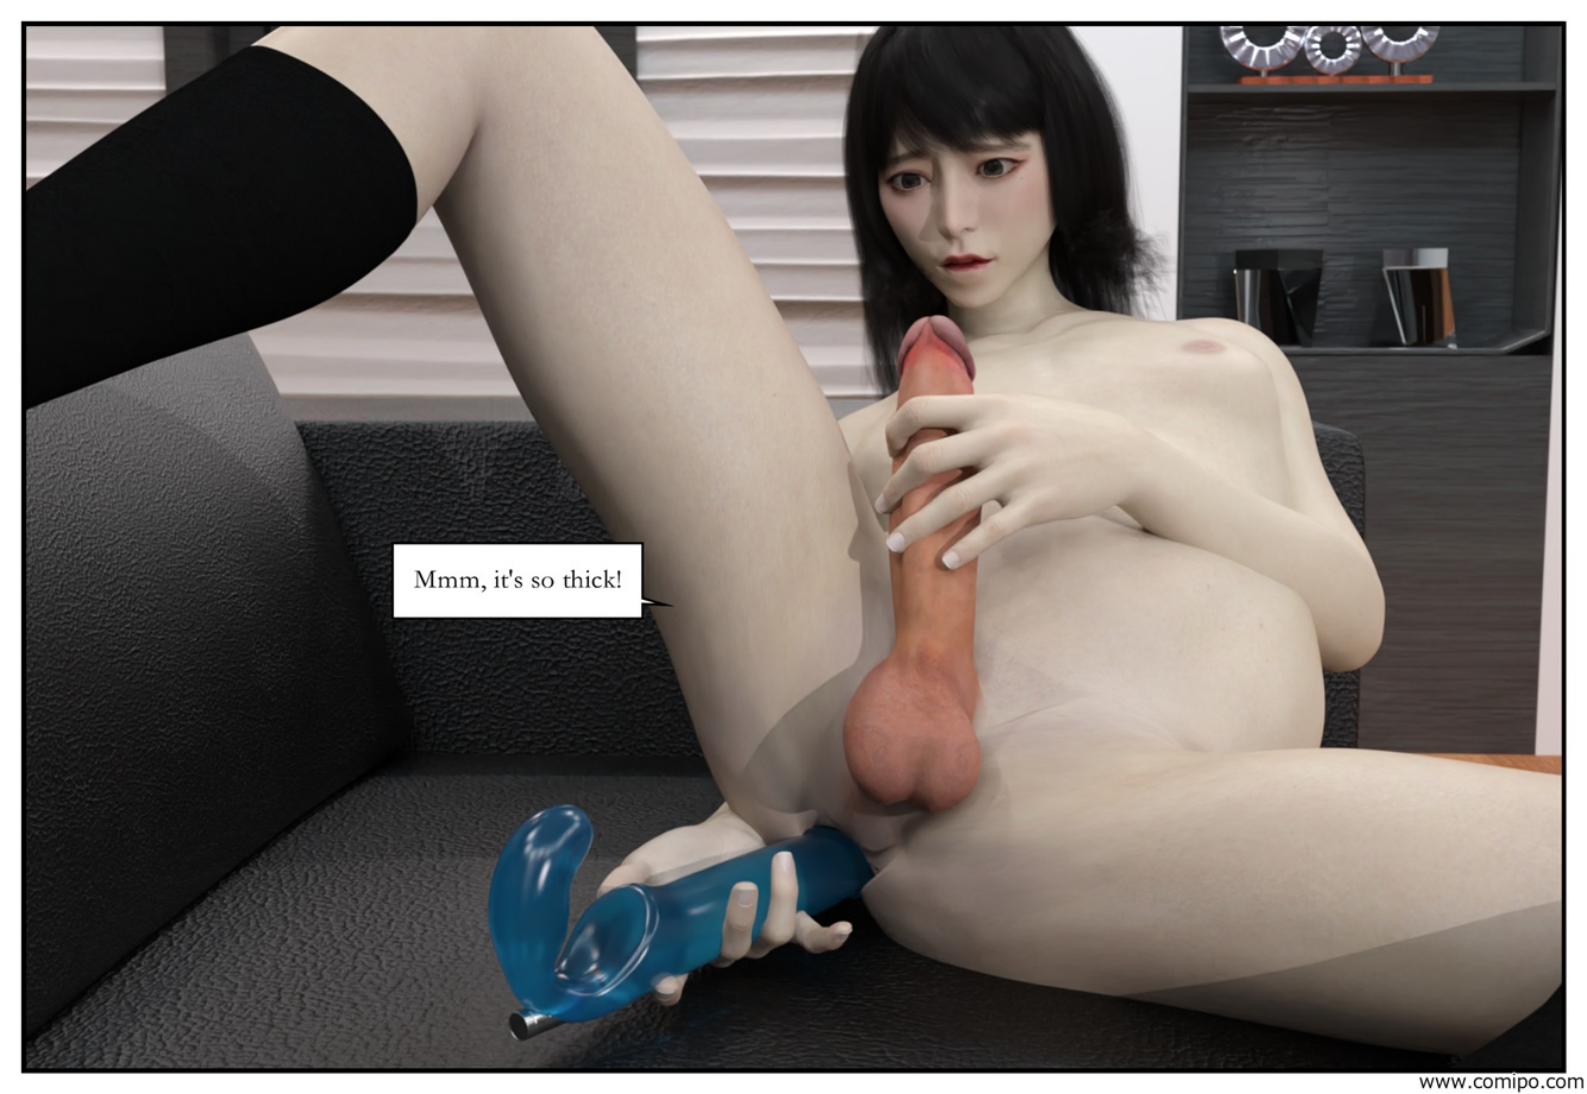

Ah, the feeling of cock is also too comfortable.
And... The feeling of the ass is also too strange.

She put down the burden of thought
to jerk off properly.

Sure enough,
he has such things hidden in his room.

Mmm, it's so thick!

Haah, going in

God, the ass and cock
The sensations are so intense....
I can't.

Ah!

I... Didn't hold back again.

A pregnant woman in a pink dress is shown from the back, with her belly being touched by a man in a black suit. The scene is set against a grey wall with a white geometric pattern. A colorful, abstract painting is visible on the wall behind her. The man's hand is resting on her belly, and he is looking at her with a question in his eyes.

Isn't this better than the movie?

Honey, didn't you always refuse before?
Why today all of a sudden?

Why so many questions?

wu

It's a big dick.
I like it.

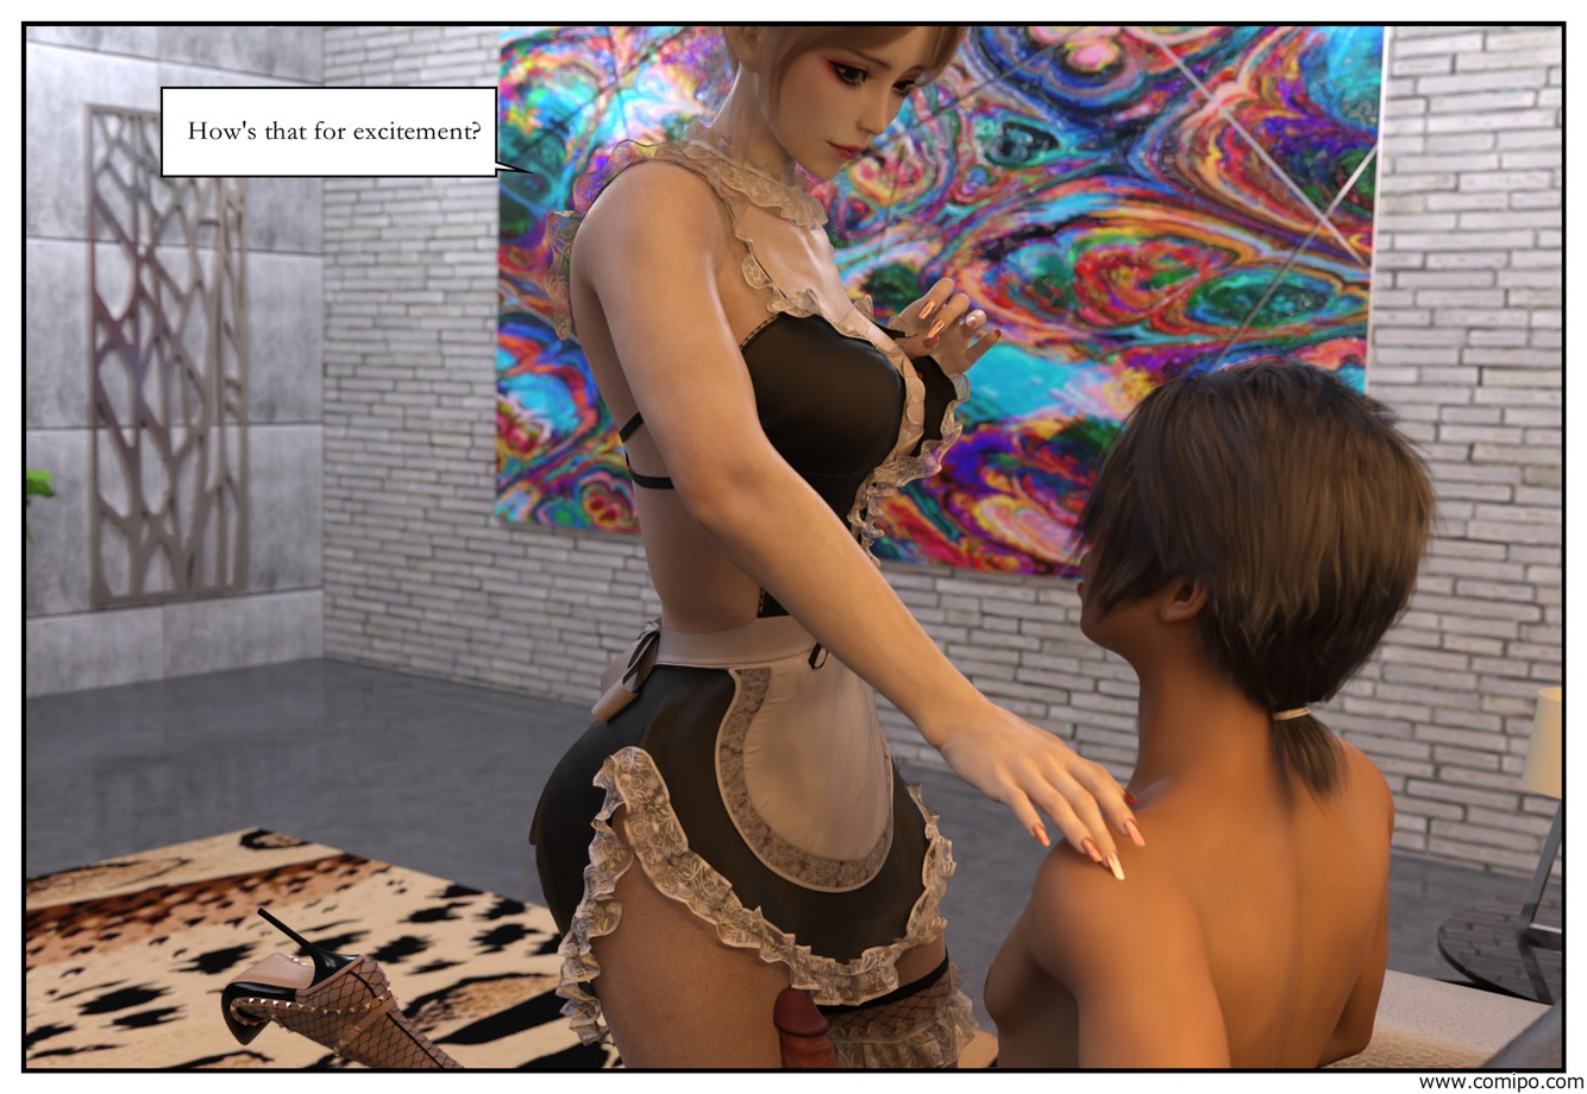

What's more exciting?

Wait ah, I go to change a more exciting clothes.

I bought a long time ago ~

It is easy to hate

the whole scheme

How's that for excitement?

Exciting! Good wife. I can't stand it.
You're too good at it tonight too.

Ouch, lighten up, really.
So Urgent...

Ahh~ So thick... Pussy... It was filled up.

Crap, wife.
You're so wet down there.

All because of the husband's cock
It's thick and big.
I'm so happy.
Honey, let me on top, okay?

A woman with blonde hair, wearing a black and white maid outfit with lace trim, fishnet stockings, and high-heeled shoes, stands on the hand of a man whose back is to the camera. She has one foot on a black sofa. The man is sitting on the floor, looking up at her. The scene is set in a modern room with a grey wall and a potted plant.

Honey, don't step on it, just sit down.

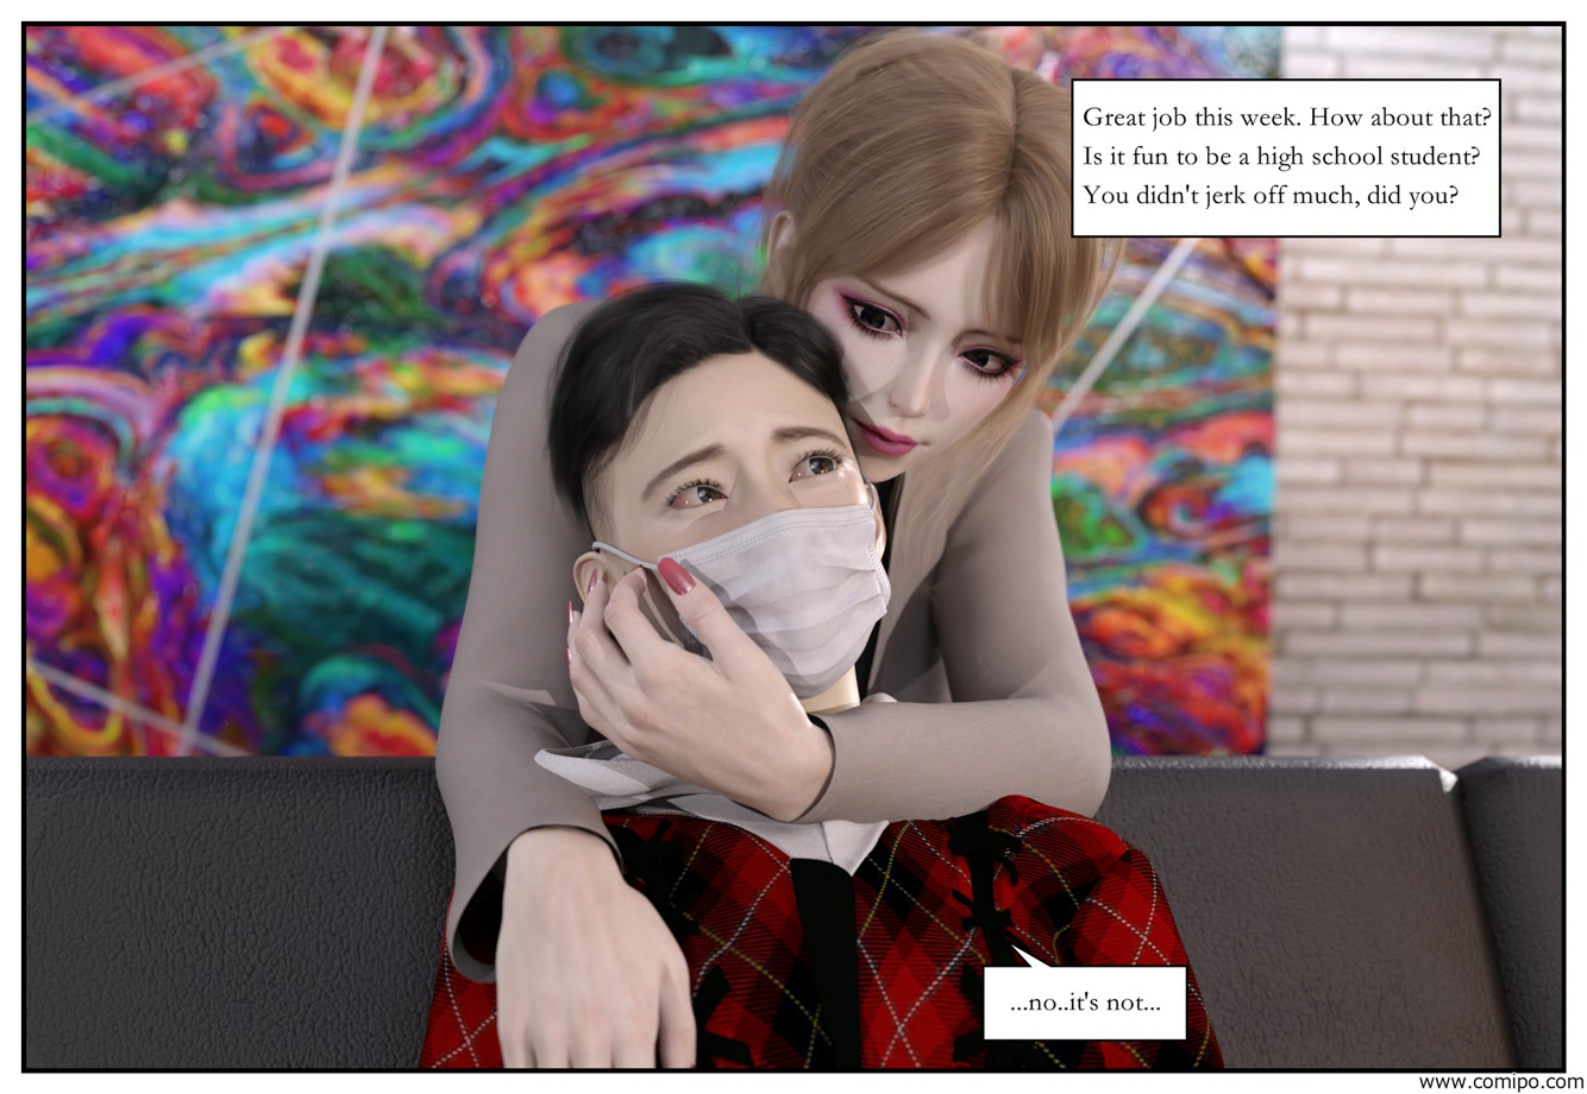

Move faster, sweetheart, ifeel so...

Ah, it's so cool to be a woman.

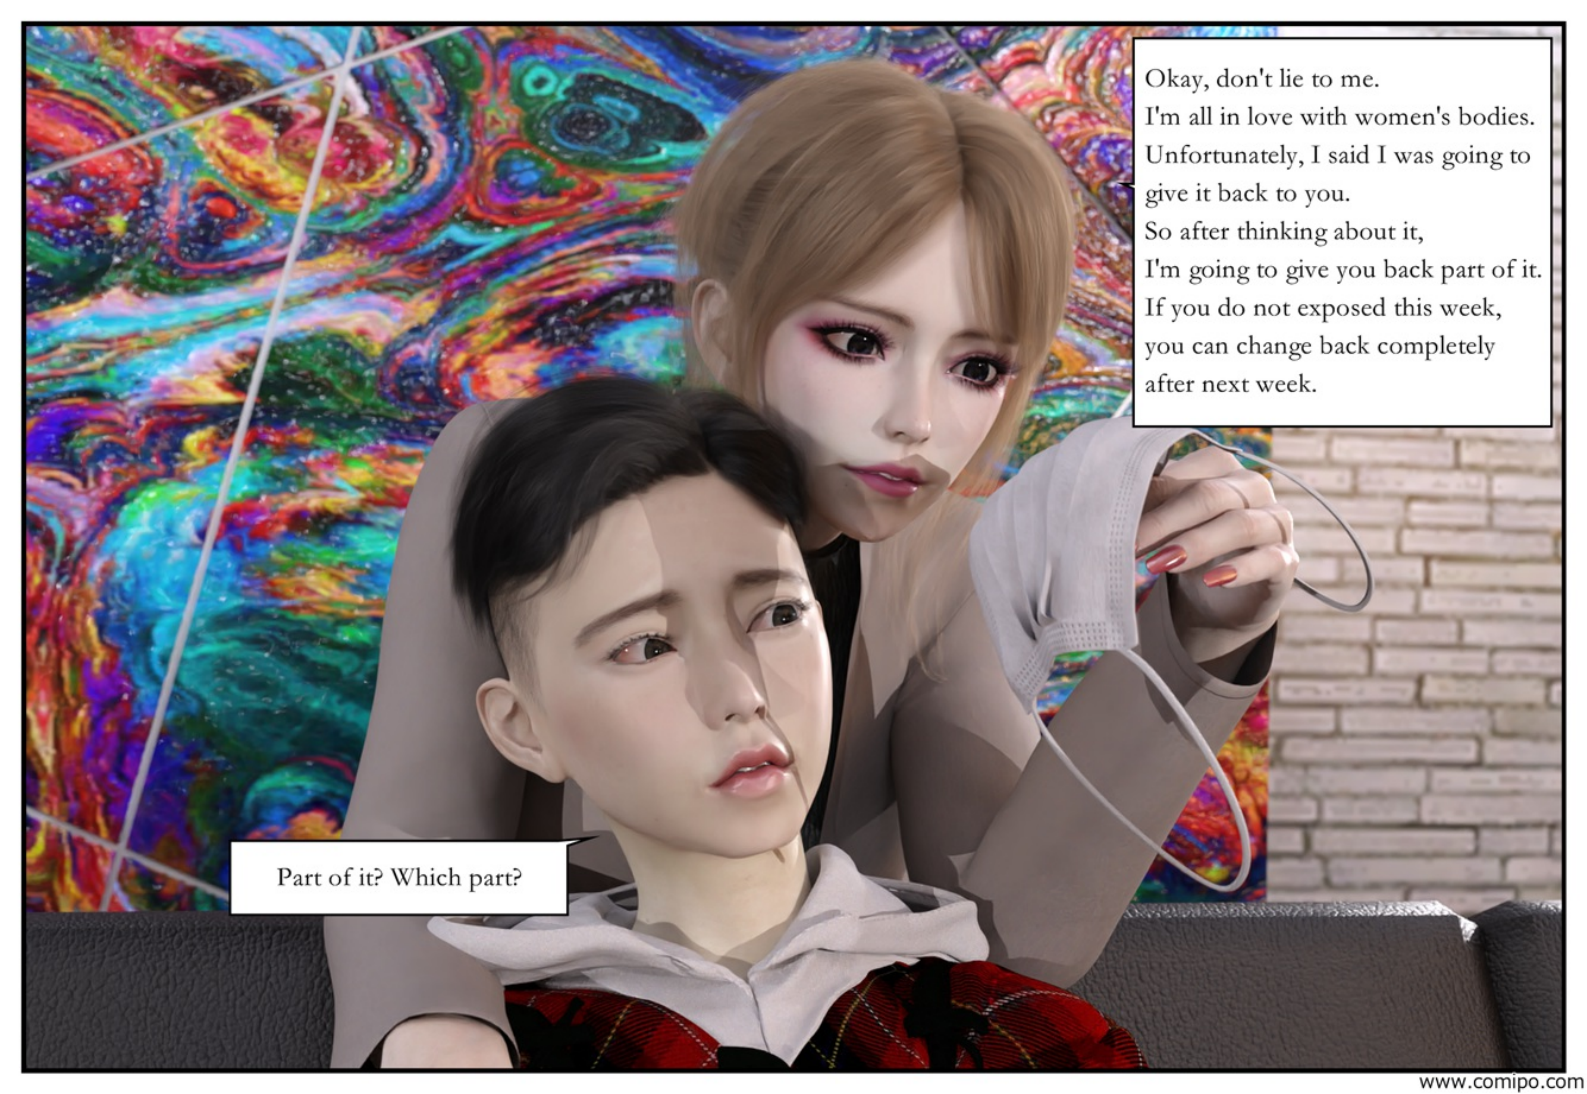

And so, for a whole week, Lin Zixi lived the life of being a woman.
Until the weekend, when he called Chen Xin to his home again.

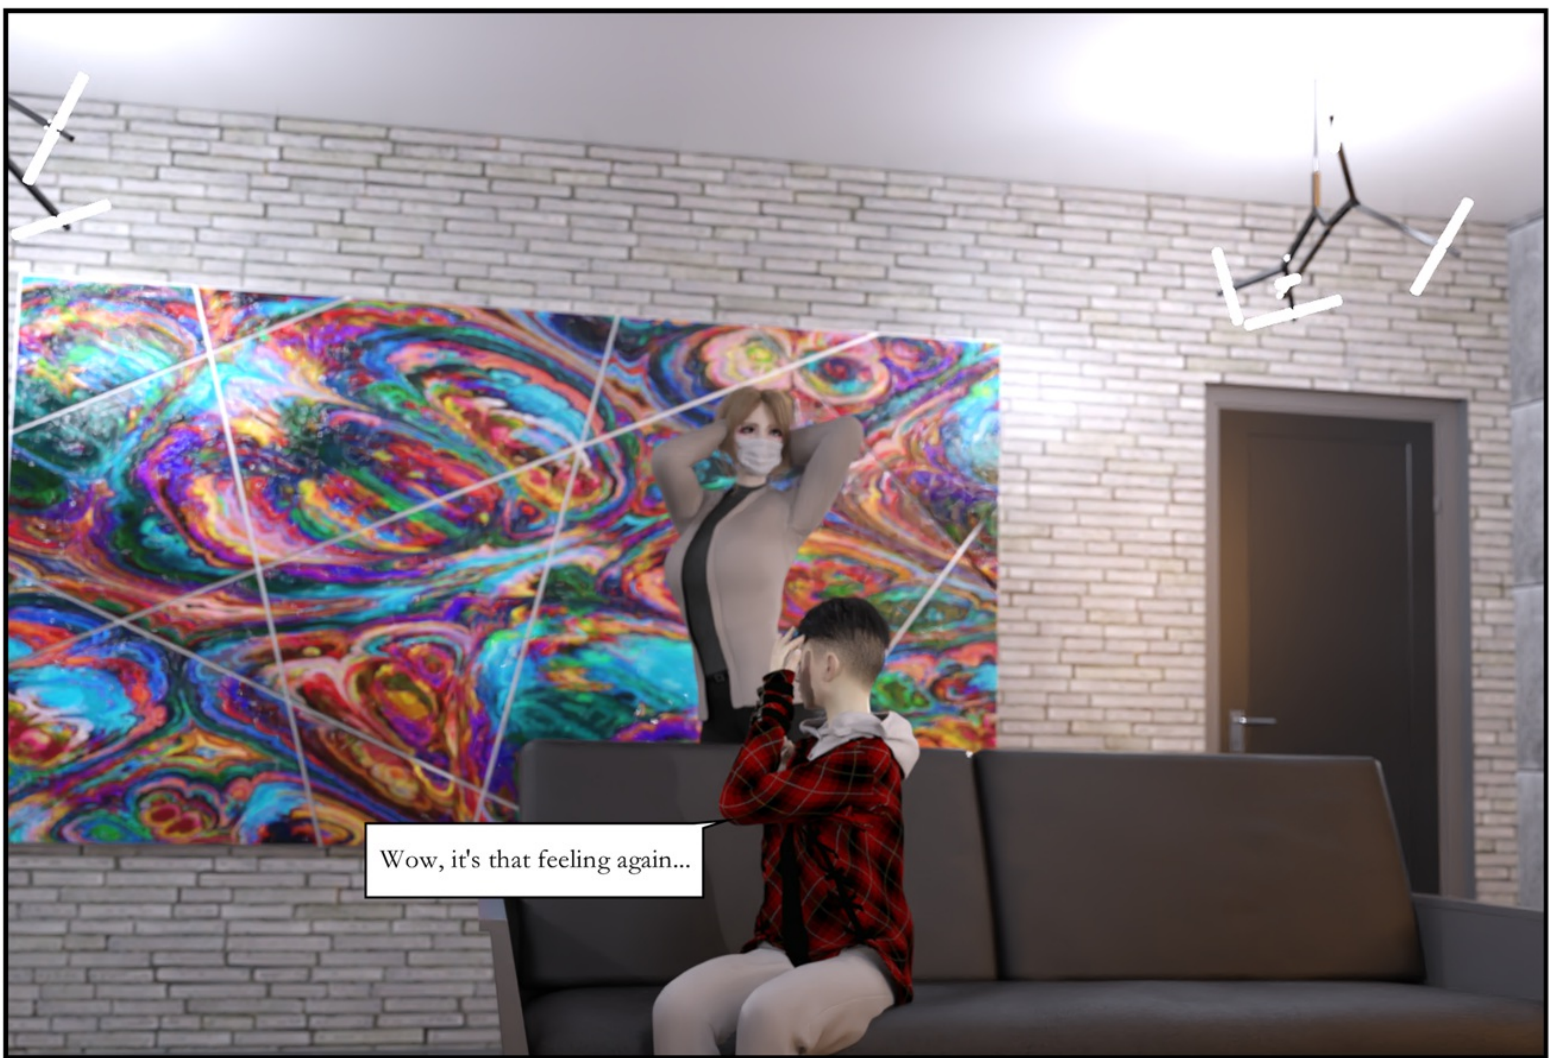

Great job this week. How about that?
Is it fun to be a high school student?
You didn't jerk off much, did you?

...no..it's not...

Okay, don't lie to me.
I'm all in love with women's bodies.
Unfortunately, I said I was going to
give it back to you.
So after thinking about it,
I'm going to give you back part of it.
If you do not exposed this week,
you can change back completely
after next week.

Part of it? Which part?

Wow, it's that feeling again...

(Pretending to be full)

Classes begin!

A young woman with dark hair and blue bows is sitting at a desk in a classroom. She is wearing a white short-sleeved shirt and a dark vest with a large red bow. She has a thoughtful expression, with her hand near her chin. A speech bubble above her head contains the text: "Why is the teacher today Wearing such short clothes." The background shows a classroom with blue chairs and wooden desks. There are posters on the wall, including one of the Eiffel Tower.

Why is the teacher today
Wearing such short clothes.

When Lin Zixi said to change a part means to change only the face. So the two now appear to be themselves although on the surface. But if someone looks closely they will find that today's Chen Xin not only has a flat chest, but also has broad shoulders and hips like a boy.

Exam in this class!

And because of this, the clothes she is wearing today are not her own (her own clothes can not wear) but yesterday Lin Zixi 'thoughtfully' prepared for her today. In addition, she also wore a small toy -

--a vibrating anal plug.
Now Chen Xin looks calm and correcting the paper,
witholding the pleasure from her lower body

And the remote control of the anal plug is still controlled by Lin Zixi who has a female body.

Hey, hey, let's get you high Mrs Chen.

Chen Xin, who noticed the movement of his hands cast a pleading look with her gaze.

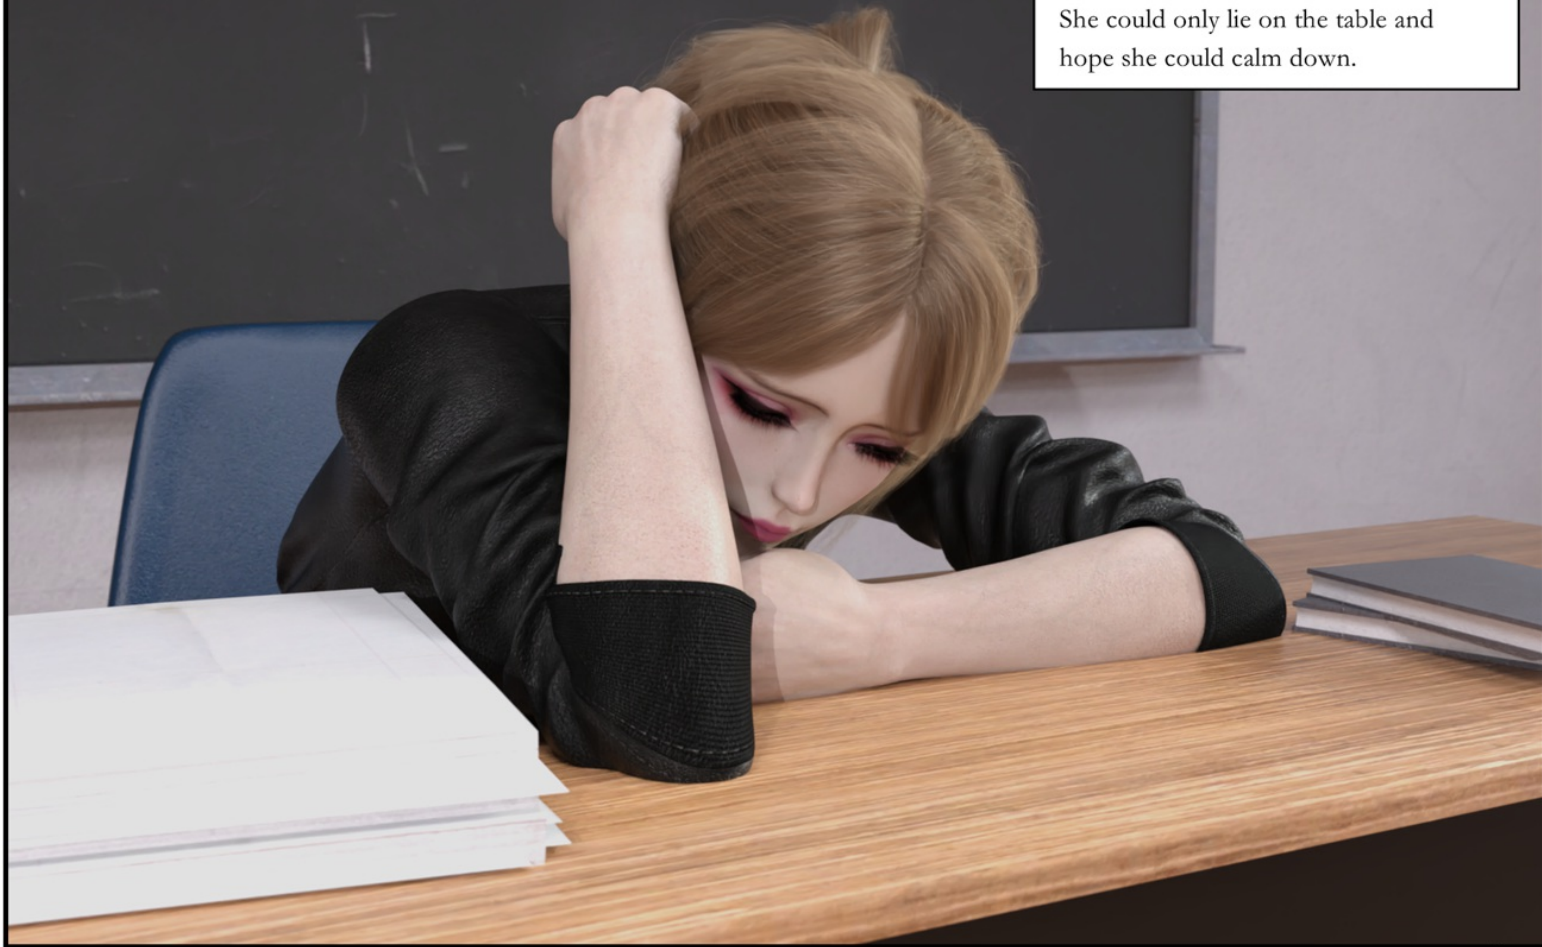

The next instant, a strong vibration came from her ass.

A high-angle photograph of a woman with short brown hair sitting at a wooden desk. She is wearing a black leather jacket over a black top and a grey skirt. Her right hand is resting on her chin, and she is looking down. A large, prominent erection is visible protruding from under her skirt. On the desk in front of her is a stack of white papers and some other documents. The background shows a wooden floor and a blue office chair.

Under the influence of the pleasure, her cock also erect and burst out from under her skirt.

Under the influence of pleasure,
she could no longer do the task at hand.
She could only lie on the table and
hope she could calm down.

After lying down for a while, she feel not so hard.
But how to get out of the classroom in this
state later.
She was ready to beg Lin Zixi with her eyes.

But when she looked up,
she just saw Xiao Yue who was
doing her paper in front of her.

What she was wearing happened to be the clothes she used to jerk off that day. Her eyes couldn't stop wandering to Xiao Yue's chest.

The socks were also worn by herself that day...

The thought of this,
slightly softened cock become hard again,
even the glans also oozed fluid.

By the time she realized, her hand had
couldn't help but reach for her lower body.

If I don't cum, I don't think I'll be able to leave the classroom in this situation.
With that in mind, she moved her hand up and down.

No way, jerking off in class.
I've never heard anything but rumors

A woman with blonde hair, wearing a black jacket and a grey skirt, is sitting on a blue plastic chair at a desk. She is looking down with a hand to her face, appearing to be in a state of distress or embarrassment. The setting is a classroom or office.

Jerking off in front of so many students was humiliating, but it made her lower body even harder than usual.

No more...

I'm so... It's so sick...

Why haven't you come yet?

Wow, dear you wear so sexy today?

Ah, also... It's okay.

Chen Xin was also suddenly told by Lin Zixi of this date tonight. She had no choice but to wear her waer prosthetic breast to the appointment.

En...

Sit down for a while, it will take a while for the movie to start.

Eh? Honey, what are you wearing in here?
Ah?

En?

But the tight short skirt and low-cut bustier gave Chen Xin big trouble.

This is... This is...
Where are you looking?

A man with short grey hair, wearing a black jacket over a white t-shirt, stands on the left. He is holding the right hand of a woman sitting on a green cinema seat. The woman has blonde hair in a ponytail, is wearing a beige strapless top with a large circular detail, and has a star-shaped earring. She is looking towards the man. The background shows a cinema lobby with a red wall and a yellow sign.

Hey, hey, all right, all right,
the movie begins.
Let's go.

(Pretending to be a full house)

The whole movie was still good, just different from before, Chen Xin was paying attention to the sexy heroine throughout. All forget to use the bag to cover her lower body.

En?

Ah!

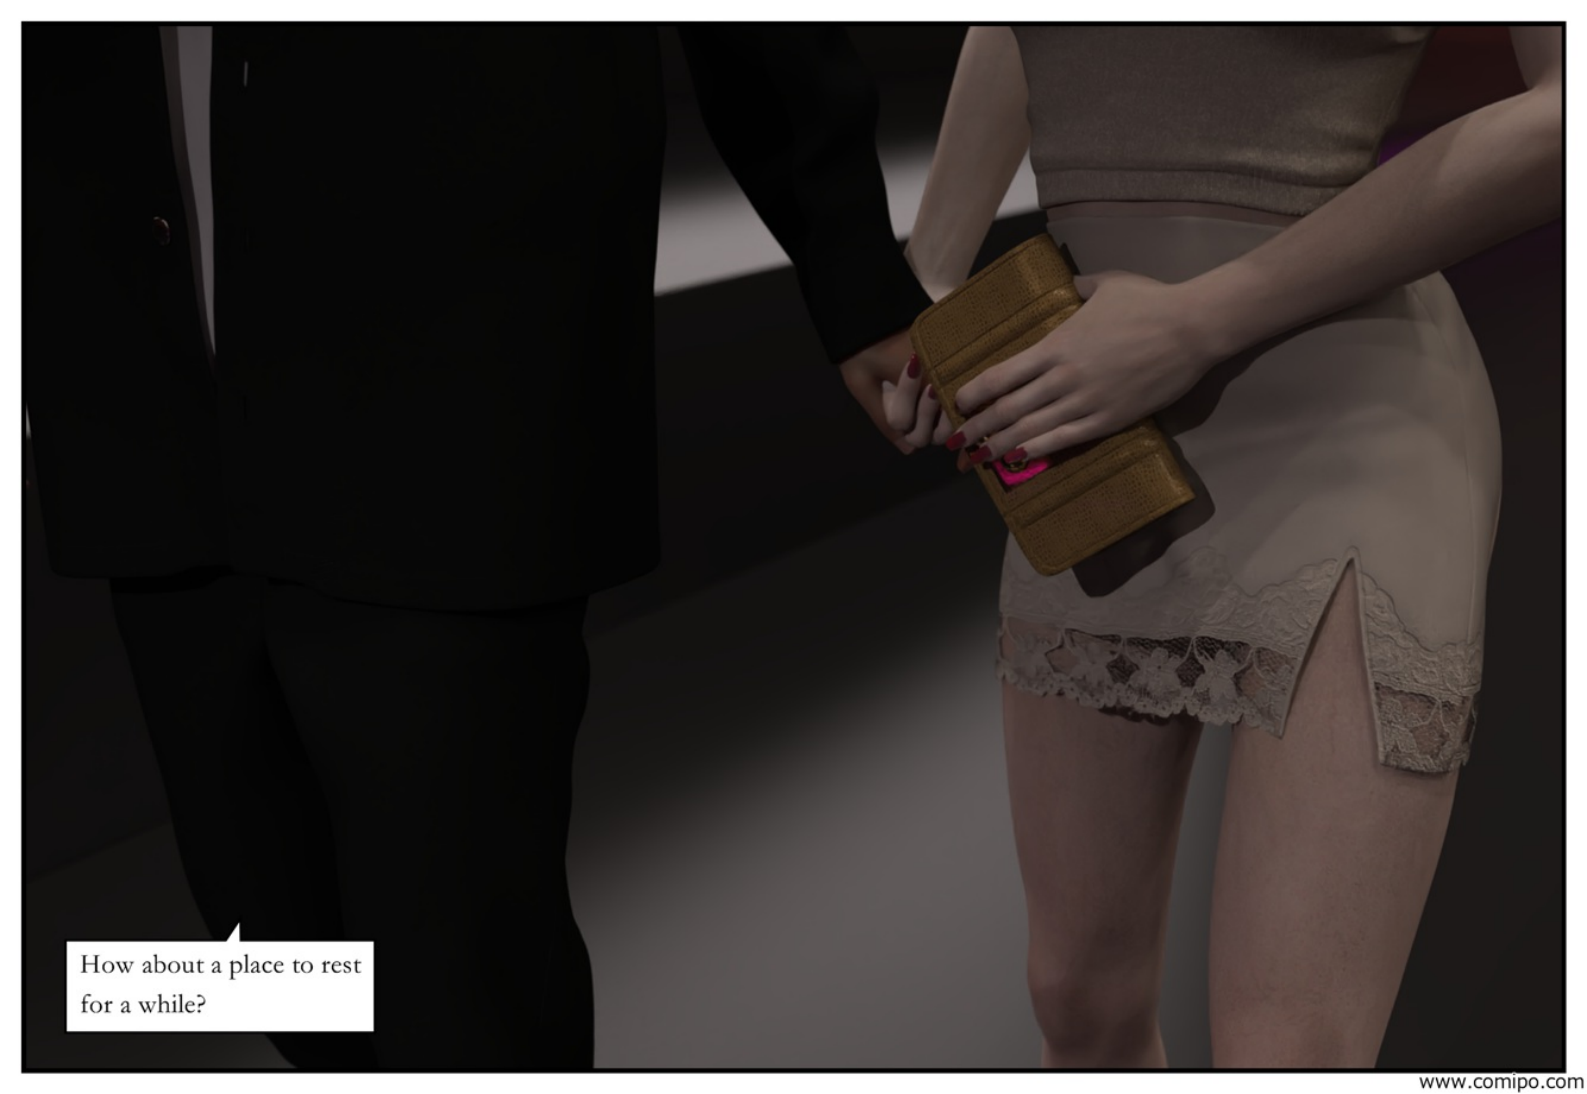

What's wrong wife?

Ahaha, it's okay, it's okay.
Keep watching keep watchin

Honey, where are you going later?
I see the time is still early...

How about a place to rest
for a while?

How about it?

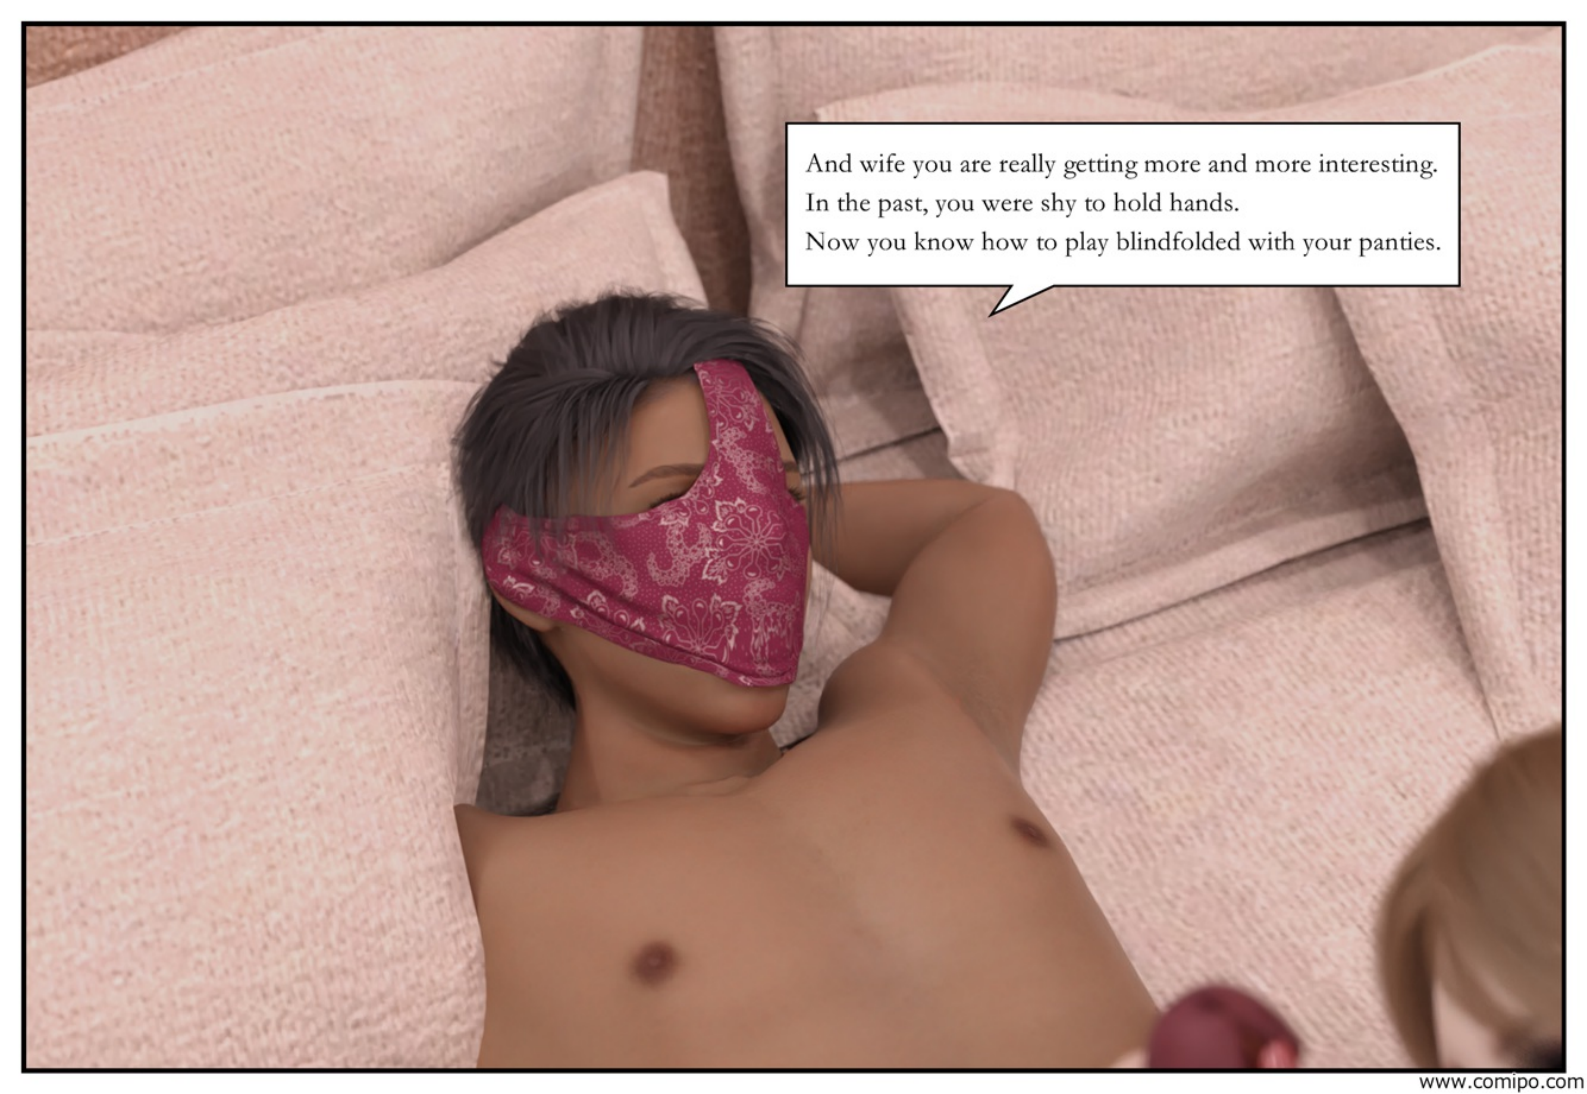

Hmm... Well... Okay.

Chen Xin certainly knew what he meant by taking a break. She was also worried that she would be exposed if she went, but it was really hard for her to refuse in this situation now, and under the influence of the movie just now, she seemed to be a bit spermicidal as well. But fortunately, before coming, Lin Zixi had already told her the way to confront the situation.

Honey, why are you willing to give me a oral today?
Didn't you always refuse to do it before?

Shut up!

A woman with dark hair is lying on a bed, blindfolded with a pink cloth featuring a white floral pattern. She is unclothed. The bed has white pillows and a white sheet. A speech bubble is positioned above her head.

And wife you are really getting more and more interesting.
In the past, you were shy to hold hands.
Now you know how to play blindfolded with your panties.

Well ~ wife panties smell so good ah.
It's just a little sticky.
Just watch the movie and get wet, right?

The pile of wet must be the glans out of the prostate fluid when watching the movie before. Thinking of this, Chen Xin could not help but be a little annoyed.

I'll leave if you talk too much.
Leave yourself tied to the bed.

However, although she said so, but simply can not leave.
Because at this point her cock is no softer
than the one she's holding in her hand.

Not only the cock, but the asshole
of this body seems to be oozing fluid as well.

After thinking again and again,
a bold idea formed in her head.
Her boyfriend in front of her was blindfolded
and could not see what was in front of her.

Hmm? Honey, why is it so tight?
It's... That's not a vagina, is it?
Wow, honey, you're playing anal sex with me?

What Chen Xin was surprised by was that her boyfriend could actually feel it with his eyes blindfolded.
So she had to continue lying

Hmm... I, suddenly, want to try anal sex so badly.
My asshole is so itchy...

Ah, the husband stuffed it all in.

Damn, wife, inside your ass
It's so good. Even better than your pussy.

As he thrust back and forth,
Chen Xin felt like his sanity was disappearing.
Lin Zixi's body is too lustful,
he does not know how many men
had sex before,
the ass inside has long been conditioned
to the shape of a dick.
This nody maks her also enthusiastic about anal sex.

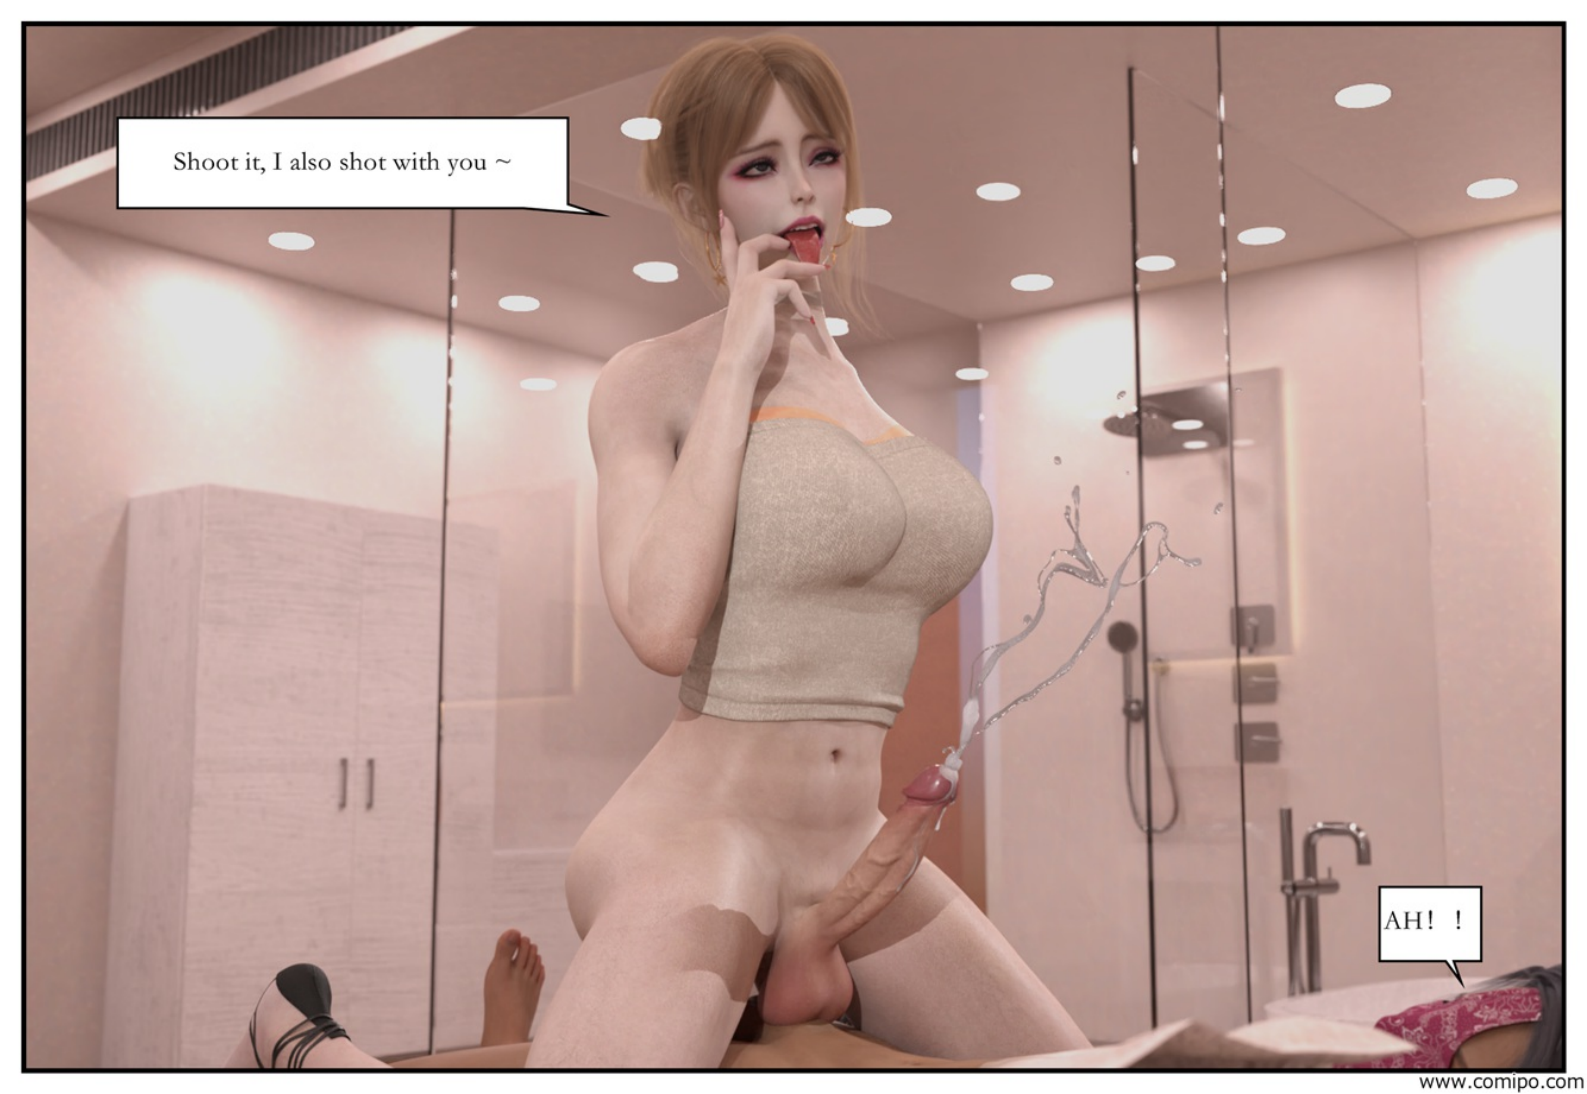

Ah~ so comfortable~

*
上
下

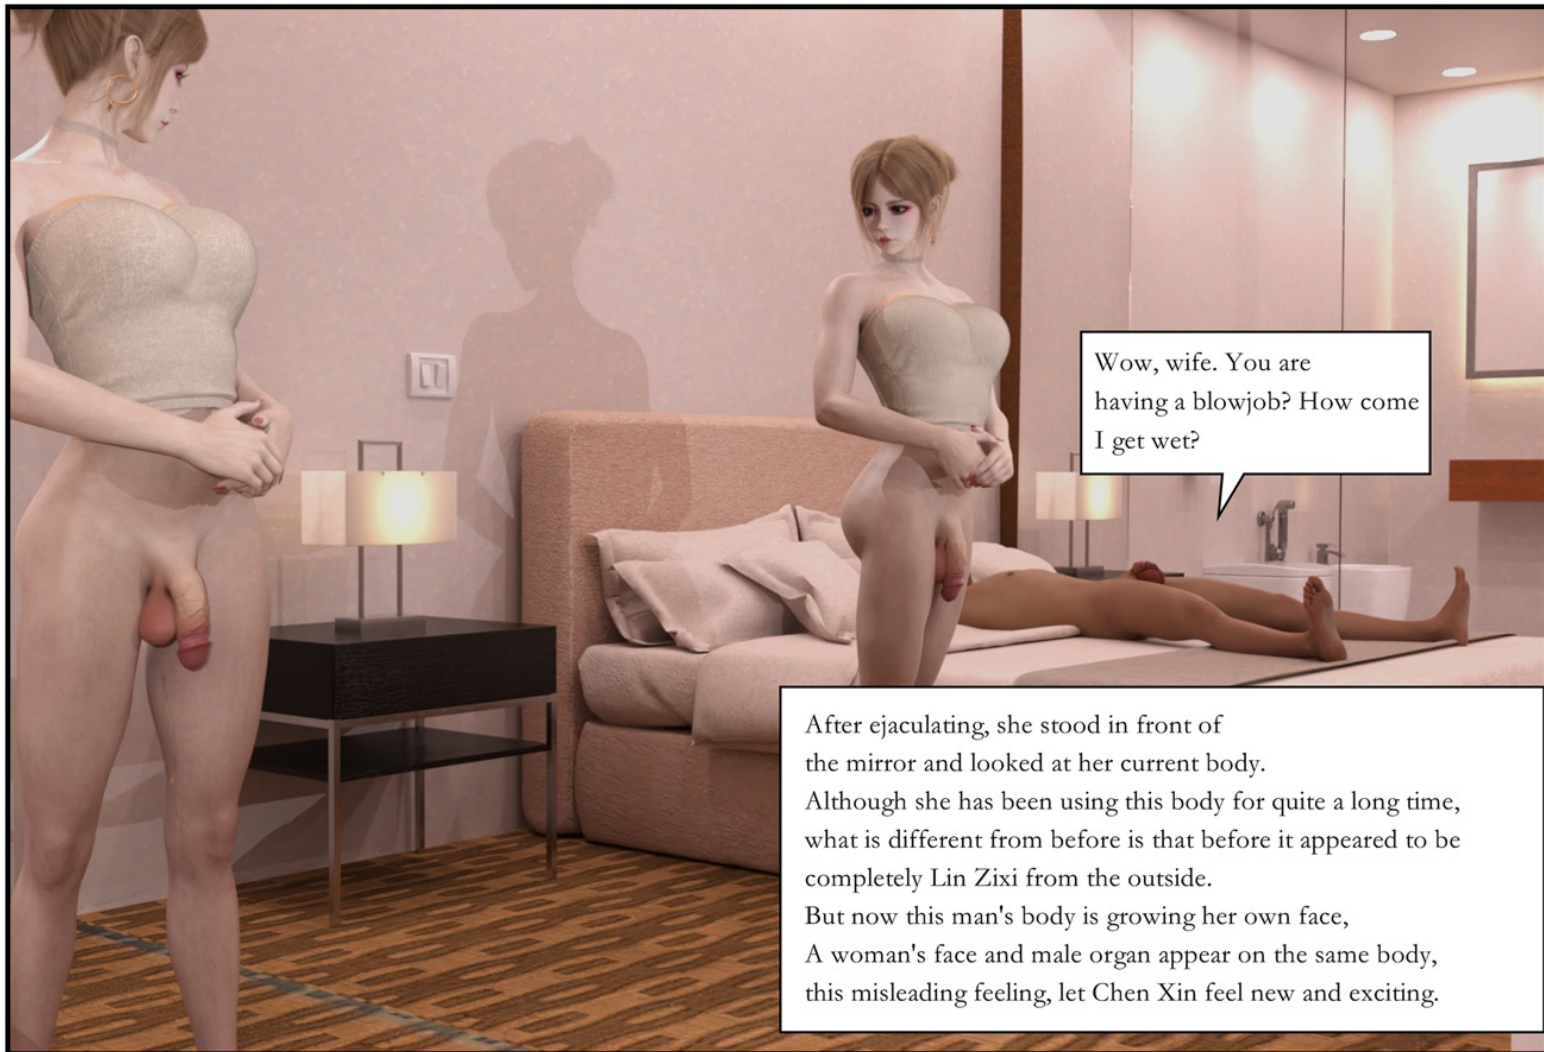

Ah, dear you are so strong ah,
every time can reach deep inside.
I can't, asshole and cock are so comfortable.

Shu... Comfortable, wife, the cock is so comfortable.
I can't help but cum.

Shoot it, I also shot with you ~

AH!!

Wow, wife. You are having a blowjob? How come I get wet?

After ejaculating, she stood in front of the mirror and looked at her current body. Although she has been using this body for quite a long time, what is different from before is that before it appeared to be completely Lin Zixi from the outside. But now this man's body is growing her own face, A woman's face and male organ appear on the same body, this misleading feeling, let Chen Xin feel new and exciting.

She obviously a real woman, but have to wear the fake prosthetic breast bought online when dating with har boyfriend, what an ironic.

Seeing the image in the mirror.
The lower part of her own body gradually erect again.

Why again... Did not just ejaculate?

Then... Jerk off again.

The feeling of cock is also too good.
It's not a bad idea to be a crossdresser all the time.

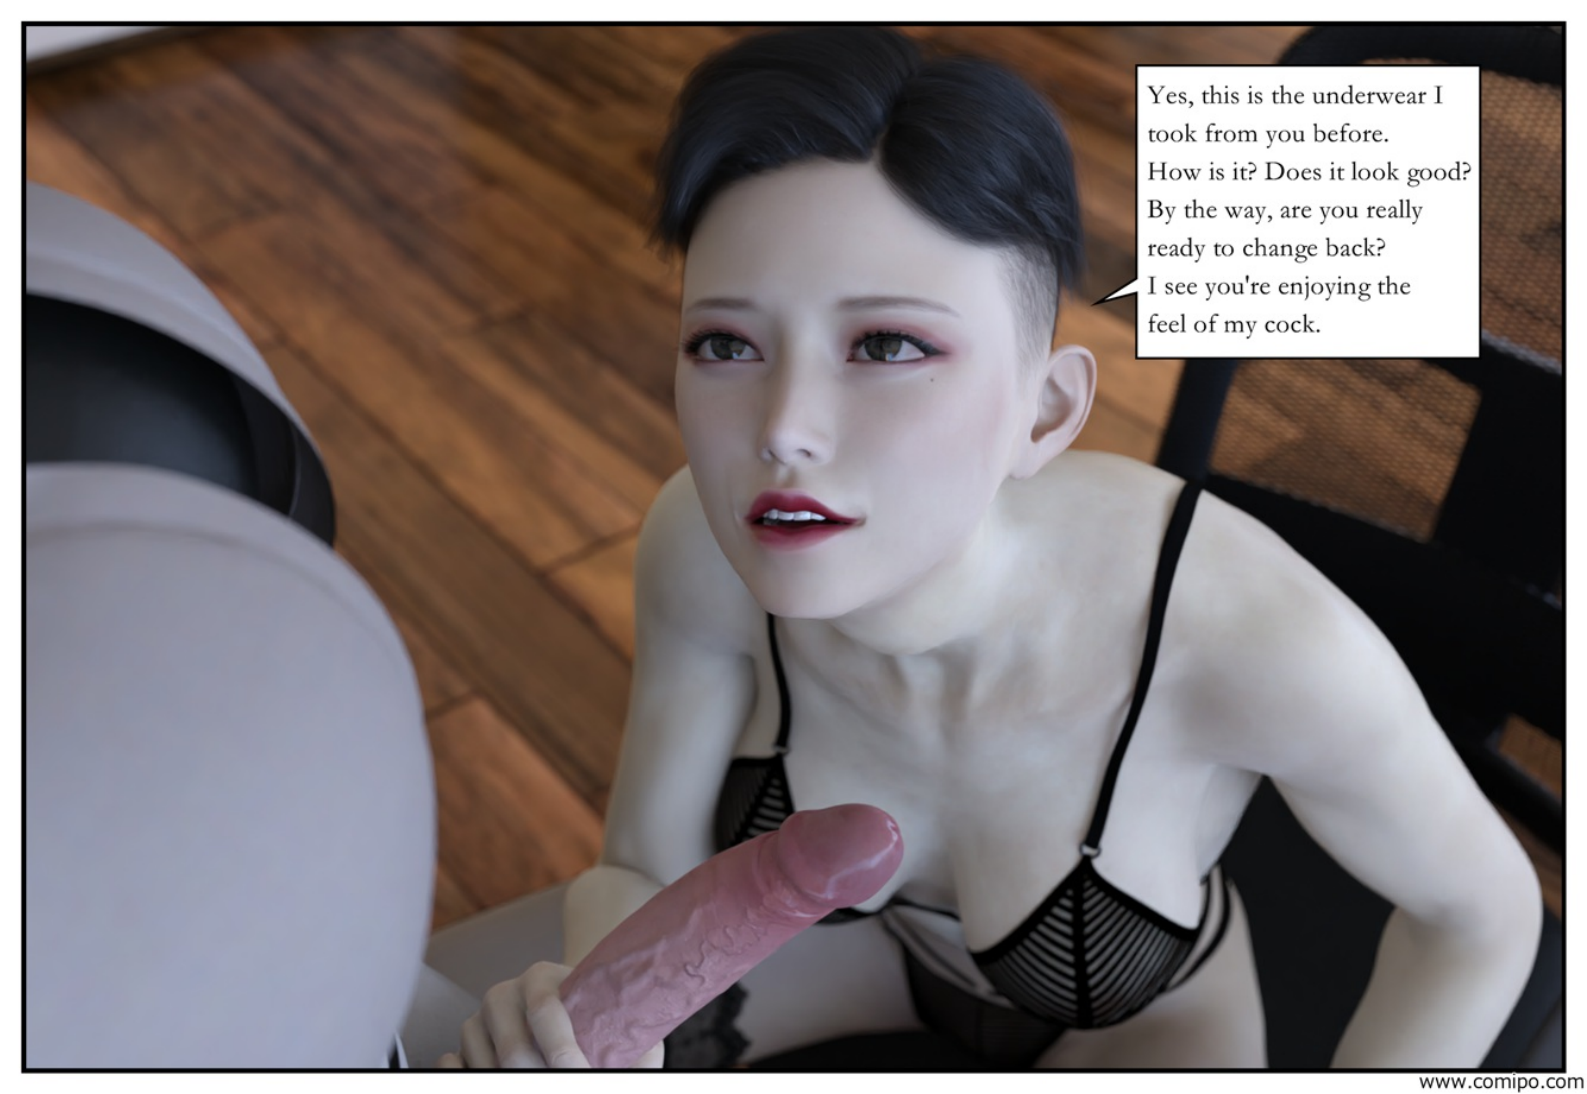

What a treat!

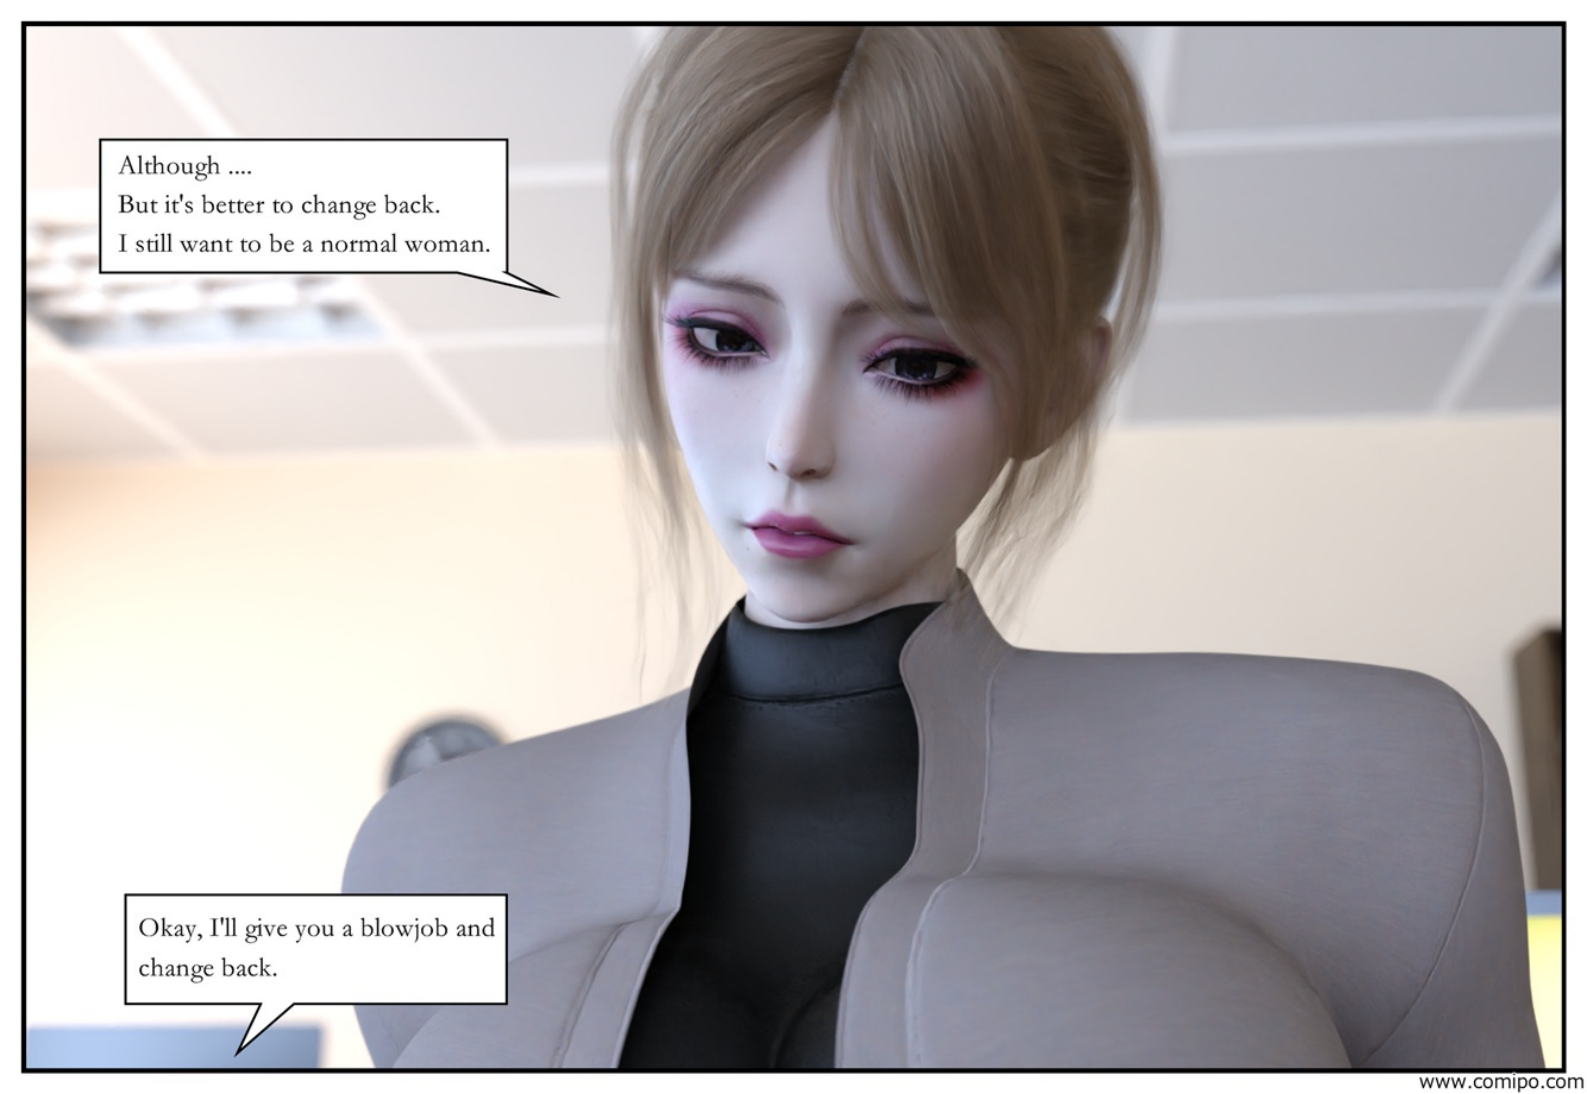

www.

Have you been wearing this
under your men's clothes today?

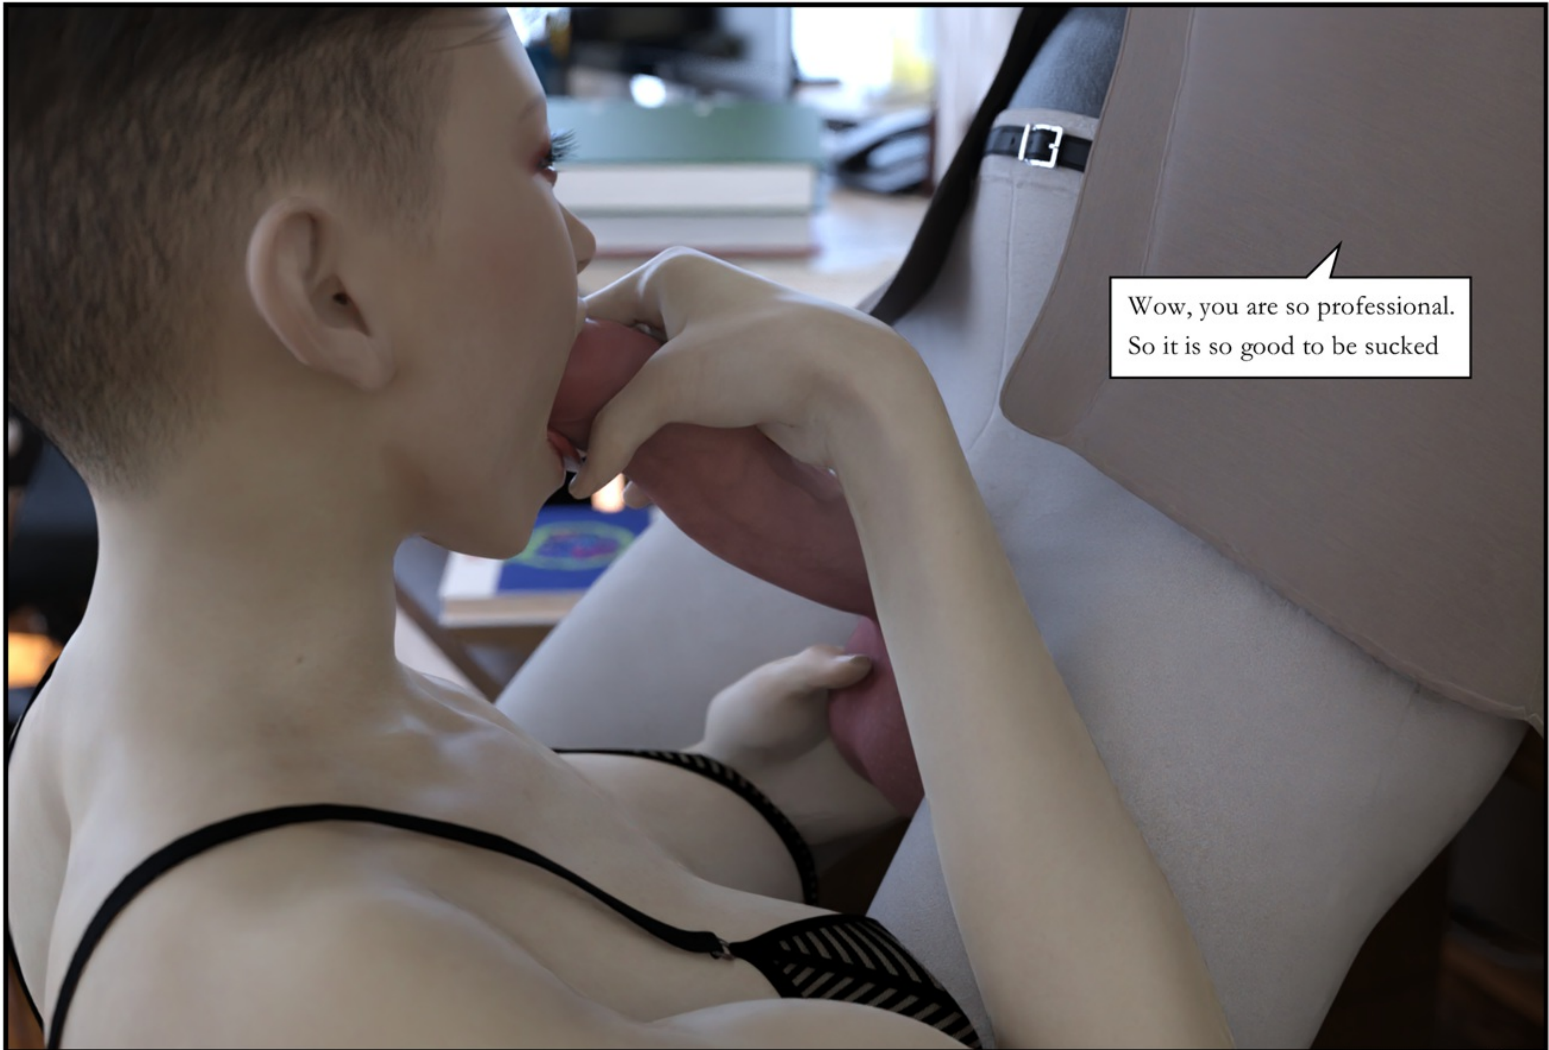

Yes, this is the underwear I took from you before. How is it? Does it look good? By the way, are you really ready to change back? I see you're enjoying the feel of my cock.

Although
But it's better to change back.
I still want to be a normal woman.

Okay, I'll give you a blowjob and
change back.

Wow, you are so professional.
So it is so good to be sucked

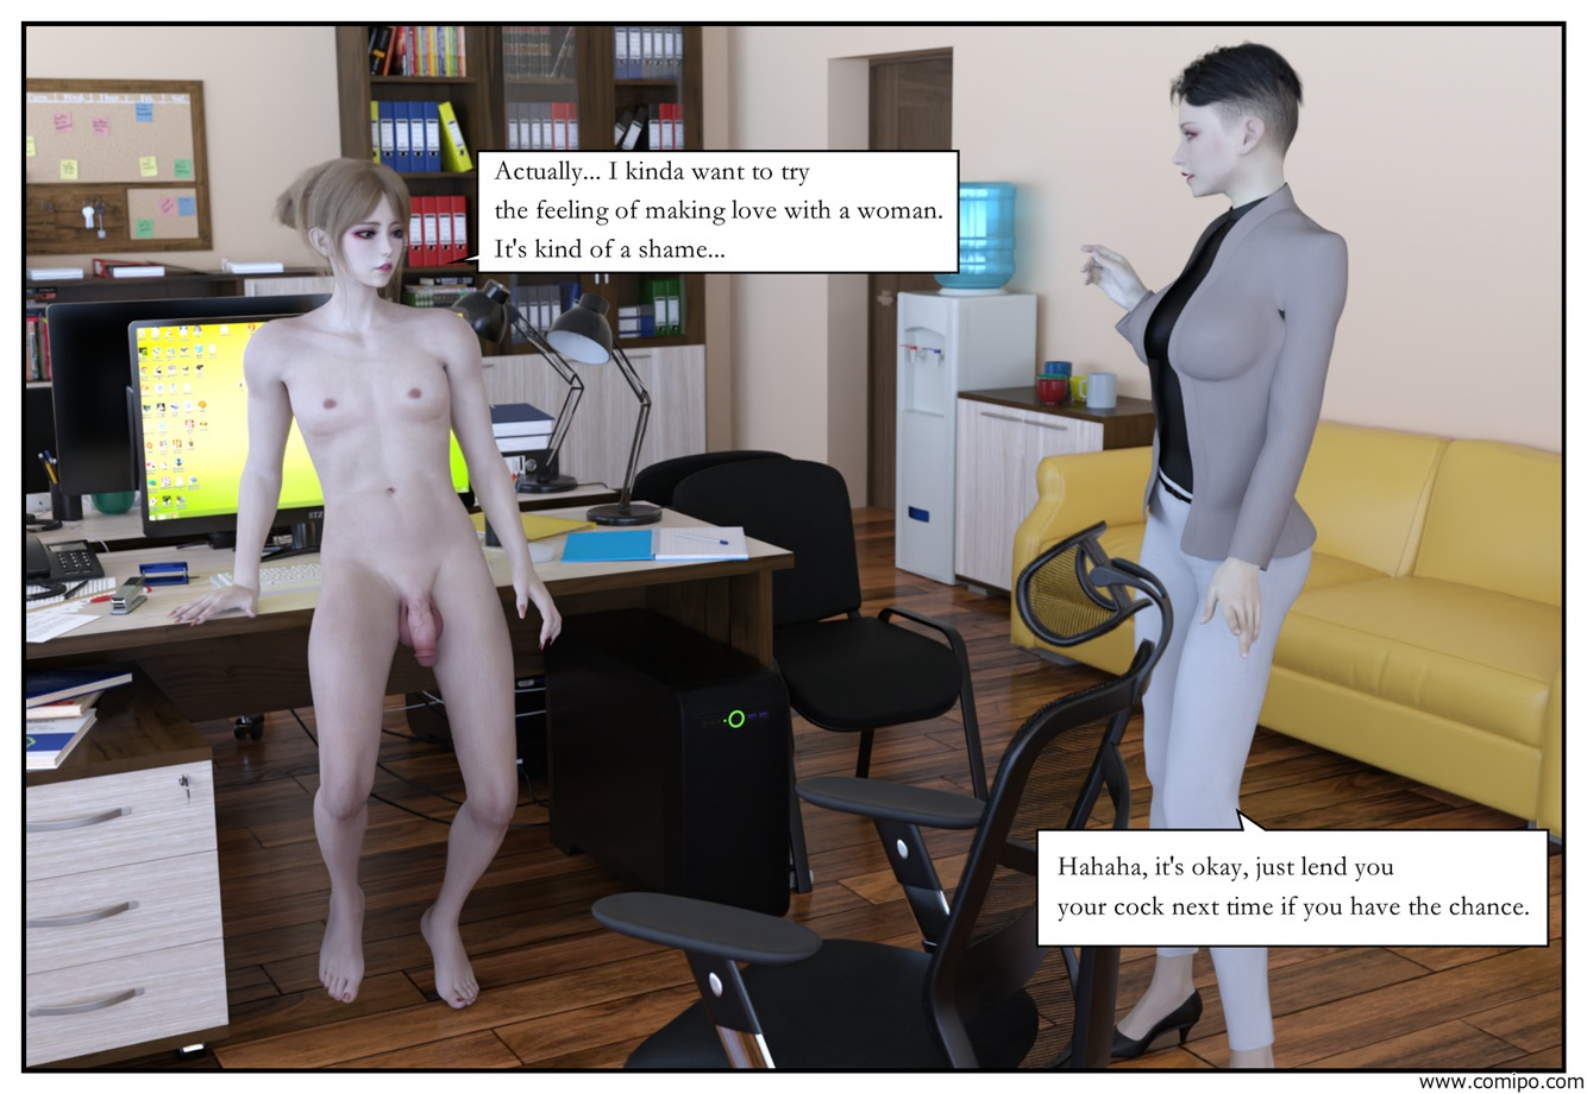

I can't... I'm going to cum!

It's not often that you get the
experience of giving yourself a blowjob.
Okay, give me the prosthetic breast
and put your clothes off.

Gee, it's kinda hard to part with
You're a sexy female body yet.

Actually... I kinda want to try
the feeling of making love with a woman.
It's kind of a shame...

Hahaha, it's okay, just lend you
your cock next time if you have the chance.

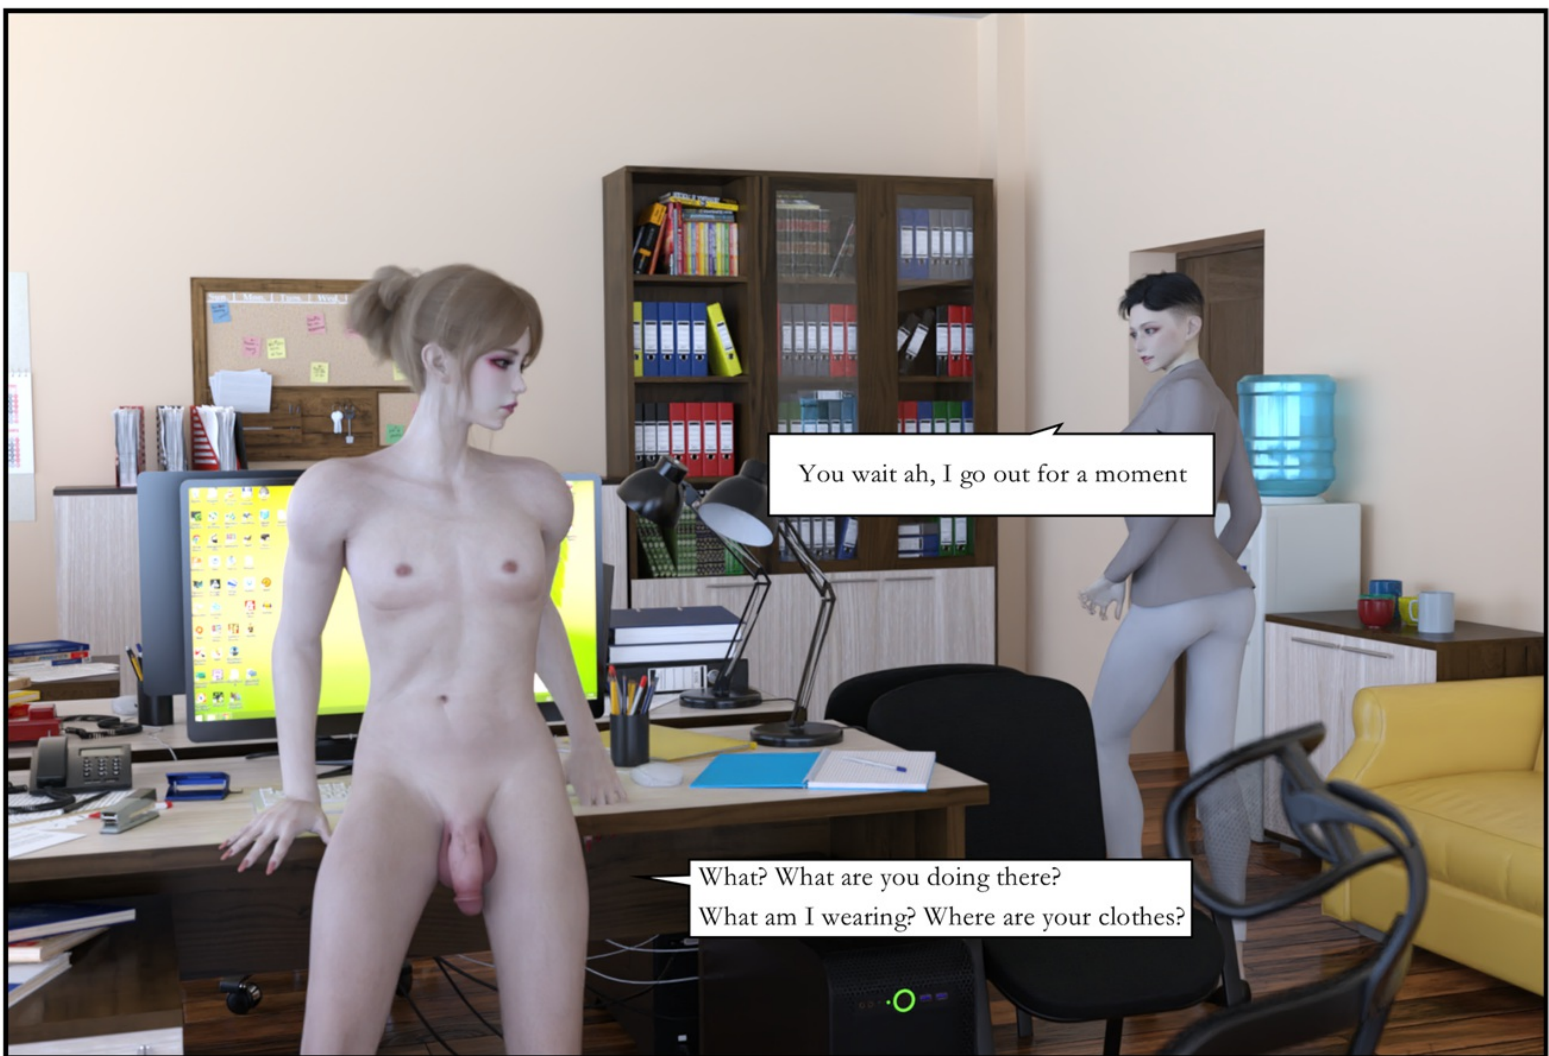

However things did not go as the two
thought it would go so well.

What's going on?
What's... It hasn't changed...

How could this happen...
That dream was actually real...
Why did it come so quickly...

You... What are you chanting?
What's going on?

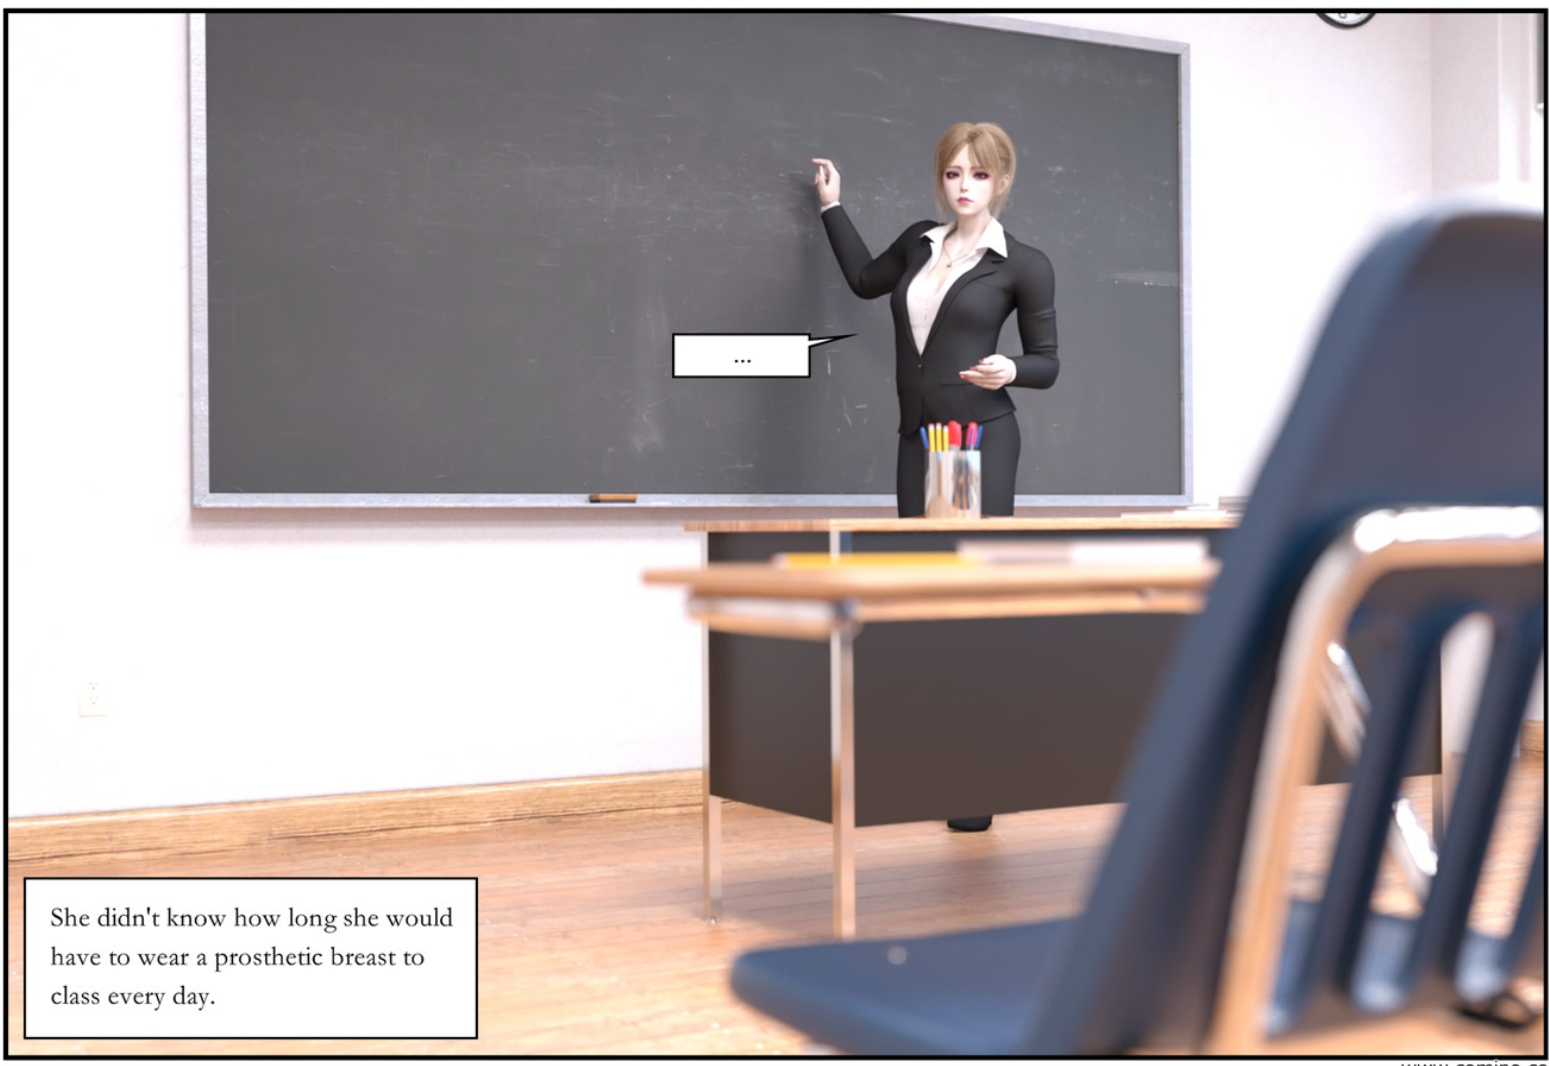

You wait ah, I go out for a moment

What? What are you doing there?
What am I wearing? Where are your clothes?

However, that day Lin Zixi went out and never not come back.
Chen Xin also had to keep living as a man.

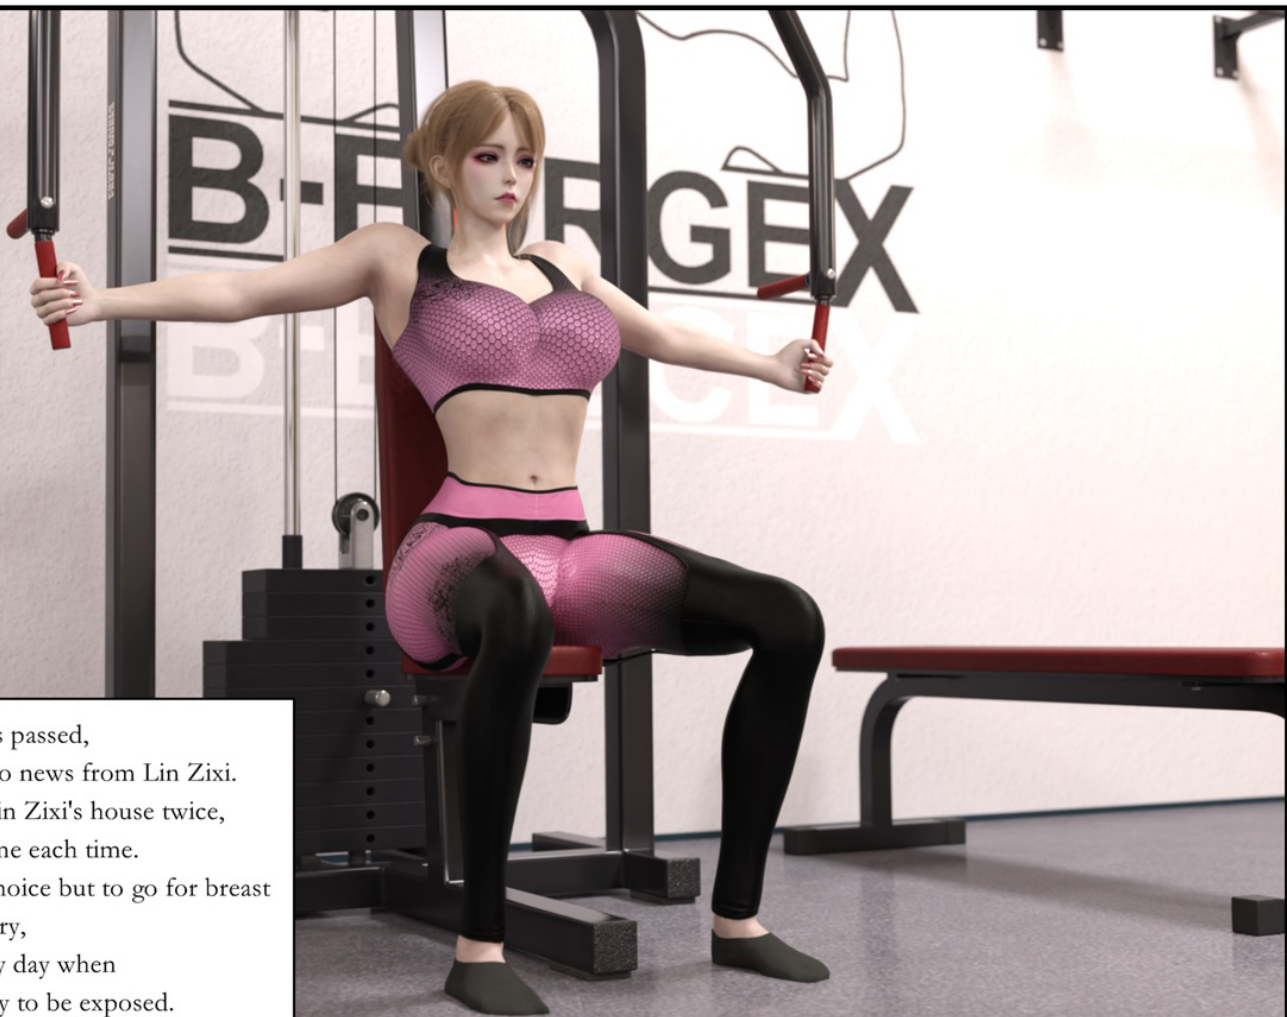

Then anyone to come up and solve this problem.

...

She didn't know how long she would have to wear a prosthetic breast to class every day.

Another six months passed, but there was still no news from Lin Zixi. She even went to Lin Zixi's house twice, but no one was home each time. Chen Xin had no choice but to go for breast augmentation surgery, so that at least every day when the class is less likely to be exposed.

The rest of her body was fine with her training in following the female form. It's just that the dick can put herself in an awkward situation when her female students or or female colleagues are near.

But it's all something she's gotten used to.

One night, on the way home from the gym.
Because it was a little late, so she took a path that she normally doesn't take.

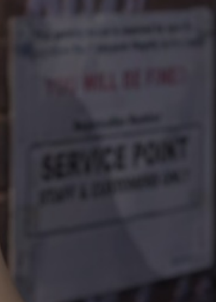

Wow sexy leg.

Inside the dimly lit alley,
there stood an alluringly dressed woman.

Although the woman was wearing heavy makeup, but by the faint light, she still vaguely felt that the woman in front of her seemed to be familiar.

Hmm? What's up pretty girl, wanna have some fun?
One thousand one hour oh.

Lin Zixi?

Why have you become like this?

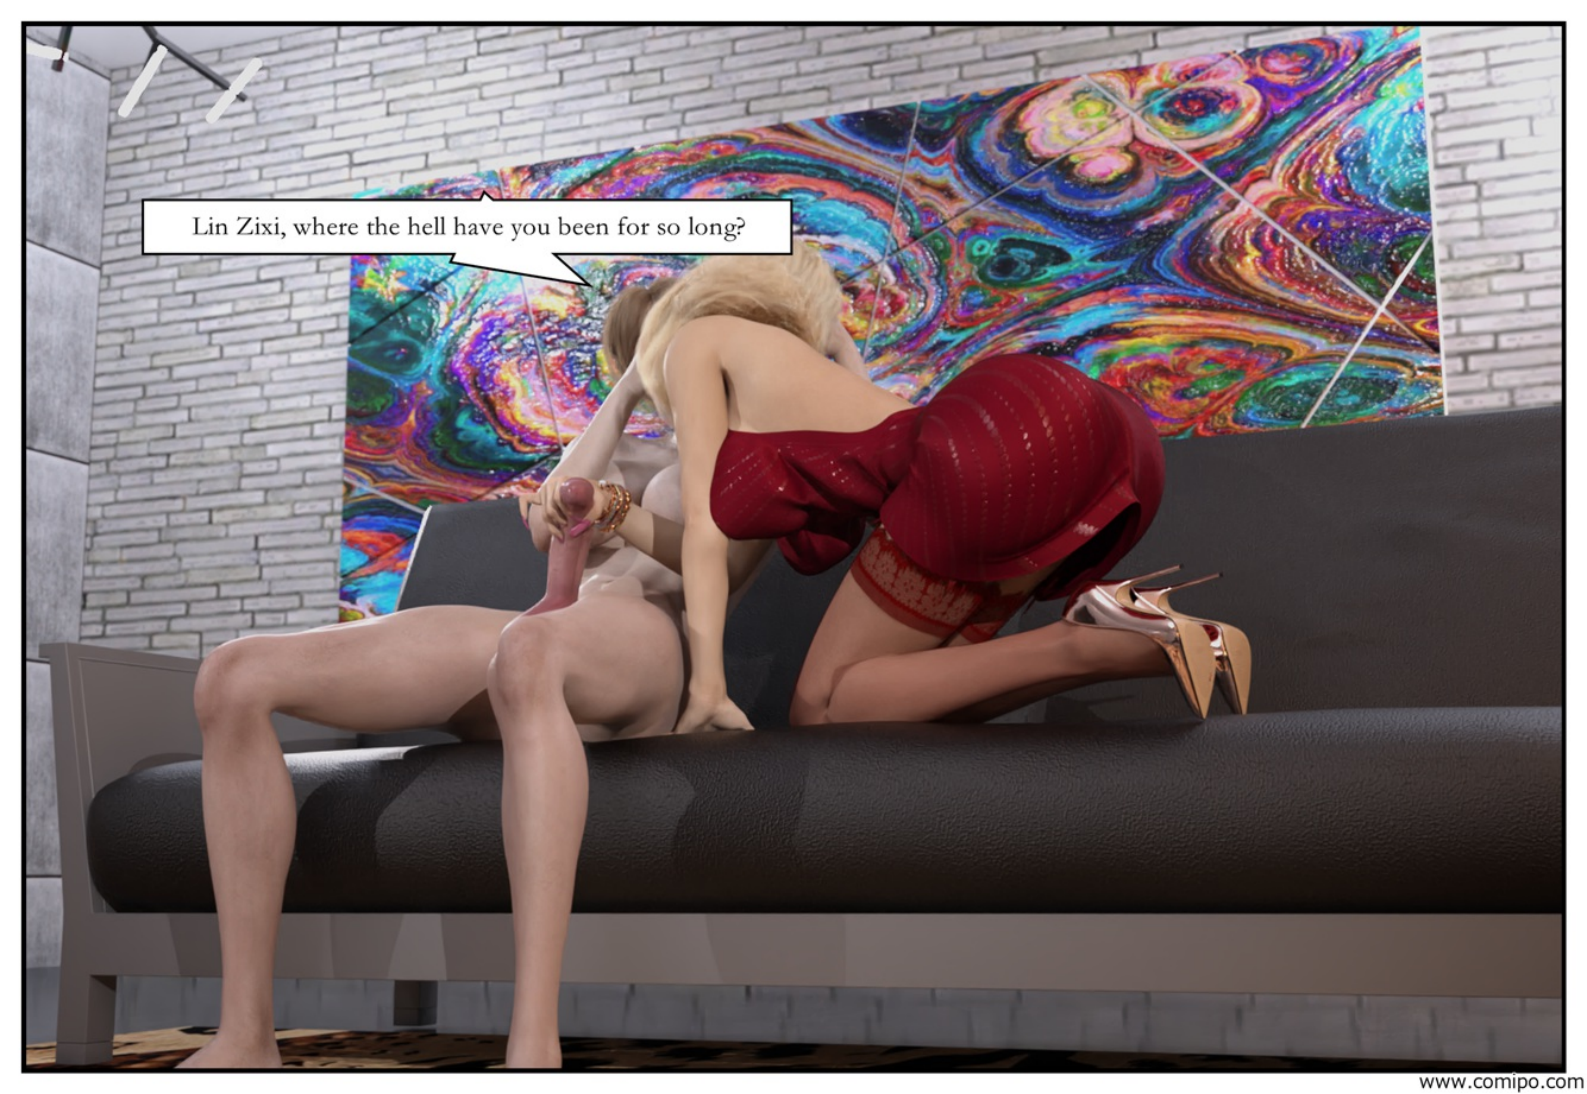

Until this woman struck up a conversation with herself, although her voice was a bit hoarse, but Chen Xin finally confirmed through her voice that the person in front of her was definitely Lin Zixi.

A woman with long blonde hair, wearing a red halter-neck dress and high heels, stands in front of a grey door. The door has large black Japanese characters '音楽' (Music) and a red square with the character '日' (Day). To the right of the door is a brick wall with a poster of a bicycle and a sign that says 'SERVICE POINT STAFF & CUSTOMERS'. The woman is looking to her left, and her hand is near the door handle.

Sorry I am not.

Wait!
I'll buy you two hours.

Like being demolished in general,
the person in front of him hurriedly
stomped out his cigarette and tried
to flee the scene.

Lin Zixi, where the hell have you been for so long?

Guest, I even said you had the wrong person. Well, look at your cock all hard like this. It must have been a long time since you had sex. Let me help you vent it out today.

Zixi, you...

You're pinning me like this...
I can't, just let me stick it in.

My Little boy look at your rod is
I've got a full erection.
My pussy is also wet.
Come on in.

Although the person in front of
her do not want to admit.
But feeling the body in front of her,
Chen Xin is 100%
of sure that this is her former body.
Looking at her former body dressed
so sexy in front of her,
her dick feeling the temperature of her pussy.
She was already completely turned on and just
wanted to finish what she had missed before.

Ah, it's so good, boy.
The cock is so big.

After the sex, Lin Zixi seemed to slowly open his heart.

They lay on the sofa and talked about what had happened in the past year.

So, the consequence is that the ability disappears?

I don't know, there's something else...
My mother, she...

It turns out that one night after discovering that he had this ability Lin Zixi had a dream. Inside the dream he vaguely remembered someone telling him that if he indulged this ability and desire, it would inevitably bring evil consequences to himself and those around him. Although half-heartedly, he finally decided to switch back with Chen Xin and never use it again. But what he didn't expect was that something bad would happen before he could stop.

She became a bit abnormal.

What about your Mm?

At first, she wasn't as surprised as she thought she would be.
Instead, she acted a little happy...

fom... Don't stare at me like that

Don't be shy.

But it's providential that you've become like this.

Huh? Mom what are you talking about.

After that she tried to get me to put on her clothes with her makeup and pretended to be her.
While she wore a dildo every day pretending to be me...

Huh? I'm the mother when I'm at home?

Yes, I'm Lin Zixi, in the family from now on.
Got it 'mom'.

Mom, my cock is so hard.
I want to fuck you so badly

Wu..got it...

How about it mom?
Is my cock big? Is it comfortable?

Ah, my son's cock is so thick.
Mom is so good~

I can't, good son, mommy's legs are getting weak.
Mommy's going to orgasm.

At first it was just after work like this,
gradually she even quit her job.
Staying at home to be me also asked me to go
out and earn money for her gender correction surgery.
My former friends saw my body become a woman
instead of interest, so slowly, I began to do this
thing completely as a woman.

After this year I have been outside to work, in order to be more like a girl, I also went to a few cosmetic surgery and made lot of money.

Hard work.

But as you can see, I now look like you can't even recognize me without looking closely. And this year crazy sex, nipples also become big and black, smoking too much voice is also a little mute. People who meet me for the first time will think I'm over thirty. I'm sure you can't guess that I'm an eighteen-year-old high school boy.

Maybe that's the so-called curse.
But it doesn't matter,
I've basically gotten used to the
life I'm living now. And you, Mr. Chen,
I see you are also very used to my
boy's body pretending to live as a woman.

I... I... Um... Get used to it.

Because I haven't mak love
with a woman for so long.

This is probably going to be the case from now on.
But your cock is still so energetic ha.

Then it's not easy for you to last so long.
But my pussy is also wet,
so I'll be sending you a shot today.

Ahhh, it's so cool to fuck women,
if you don't have anywhere to go in the future,
come to the teacher's house.

Ahhhhh, good, quick
Mr. Chen, fuck my slutty pussy to death.

End
