G-Guys.. This is not..

Marry.. Is this the reason.. why you always look tired?

N-No.. Kyoko..
It's an accident..

Accident..?

You mean what I
saw in front of my
eyes aren't real!?

The image of you
playing with a woman
above your age!?

Answer me, Marry!
Were you like this
all the time!?

Don't you know that
you are being illigal!?

That's enough,
Kyoko.. Calm down!

Let go off me, Kano!
I'm talking to Marry!

I said no! You shouldn't
push this too far!

Kyoko.. Please..
Hear me out..

Hear what? Your excuse? I don't need it.

Kyoko just having stress with her upcoming student council election..

Yet, she still spent
her time for you..
If things weren't
this way..

I will be off with my club on a competition tomorrow, so..

..I hope our friendship
won't end like this..

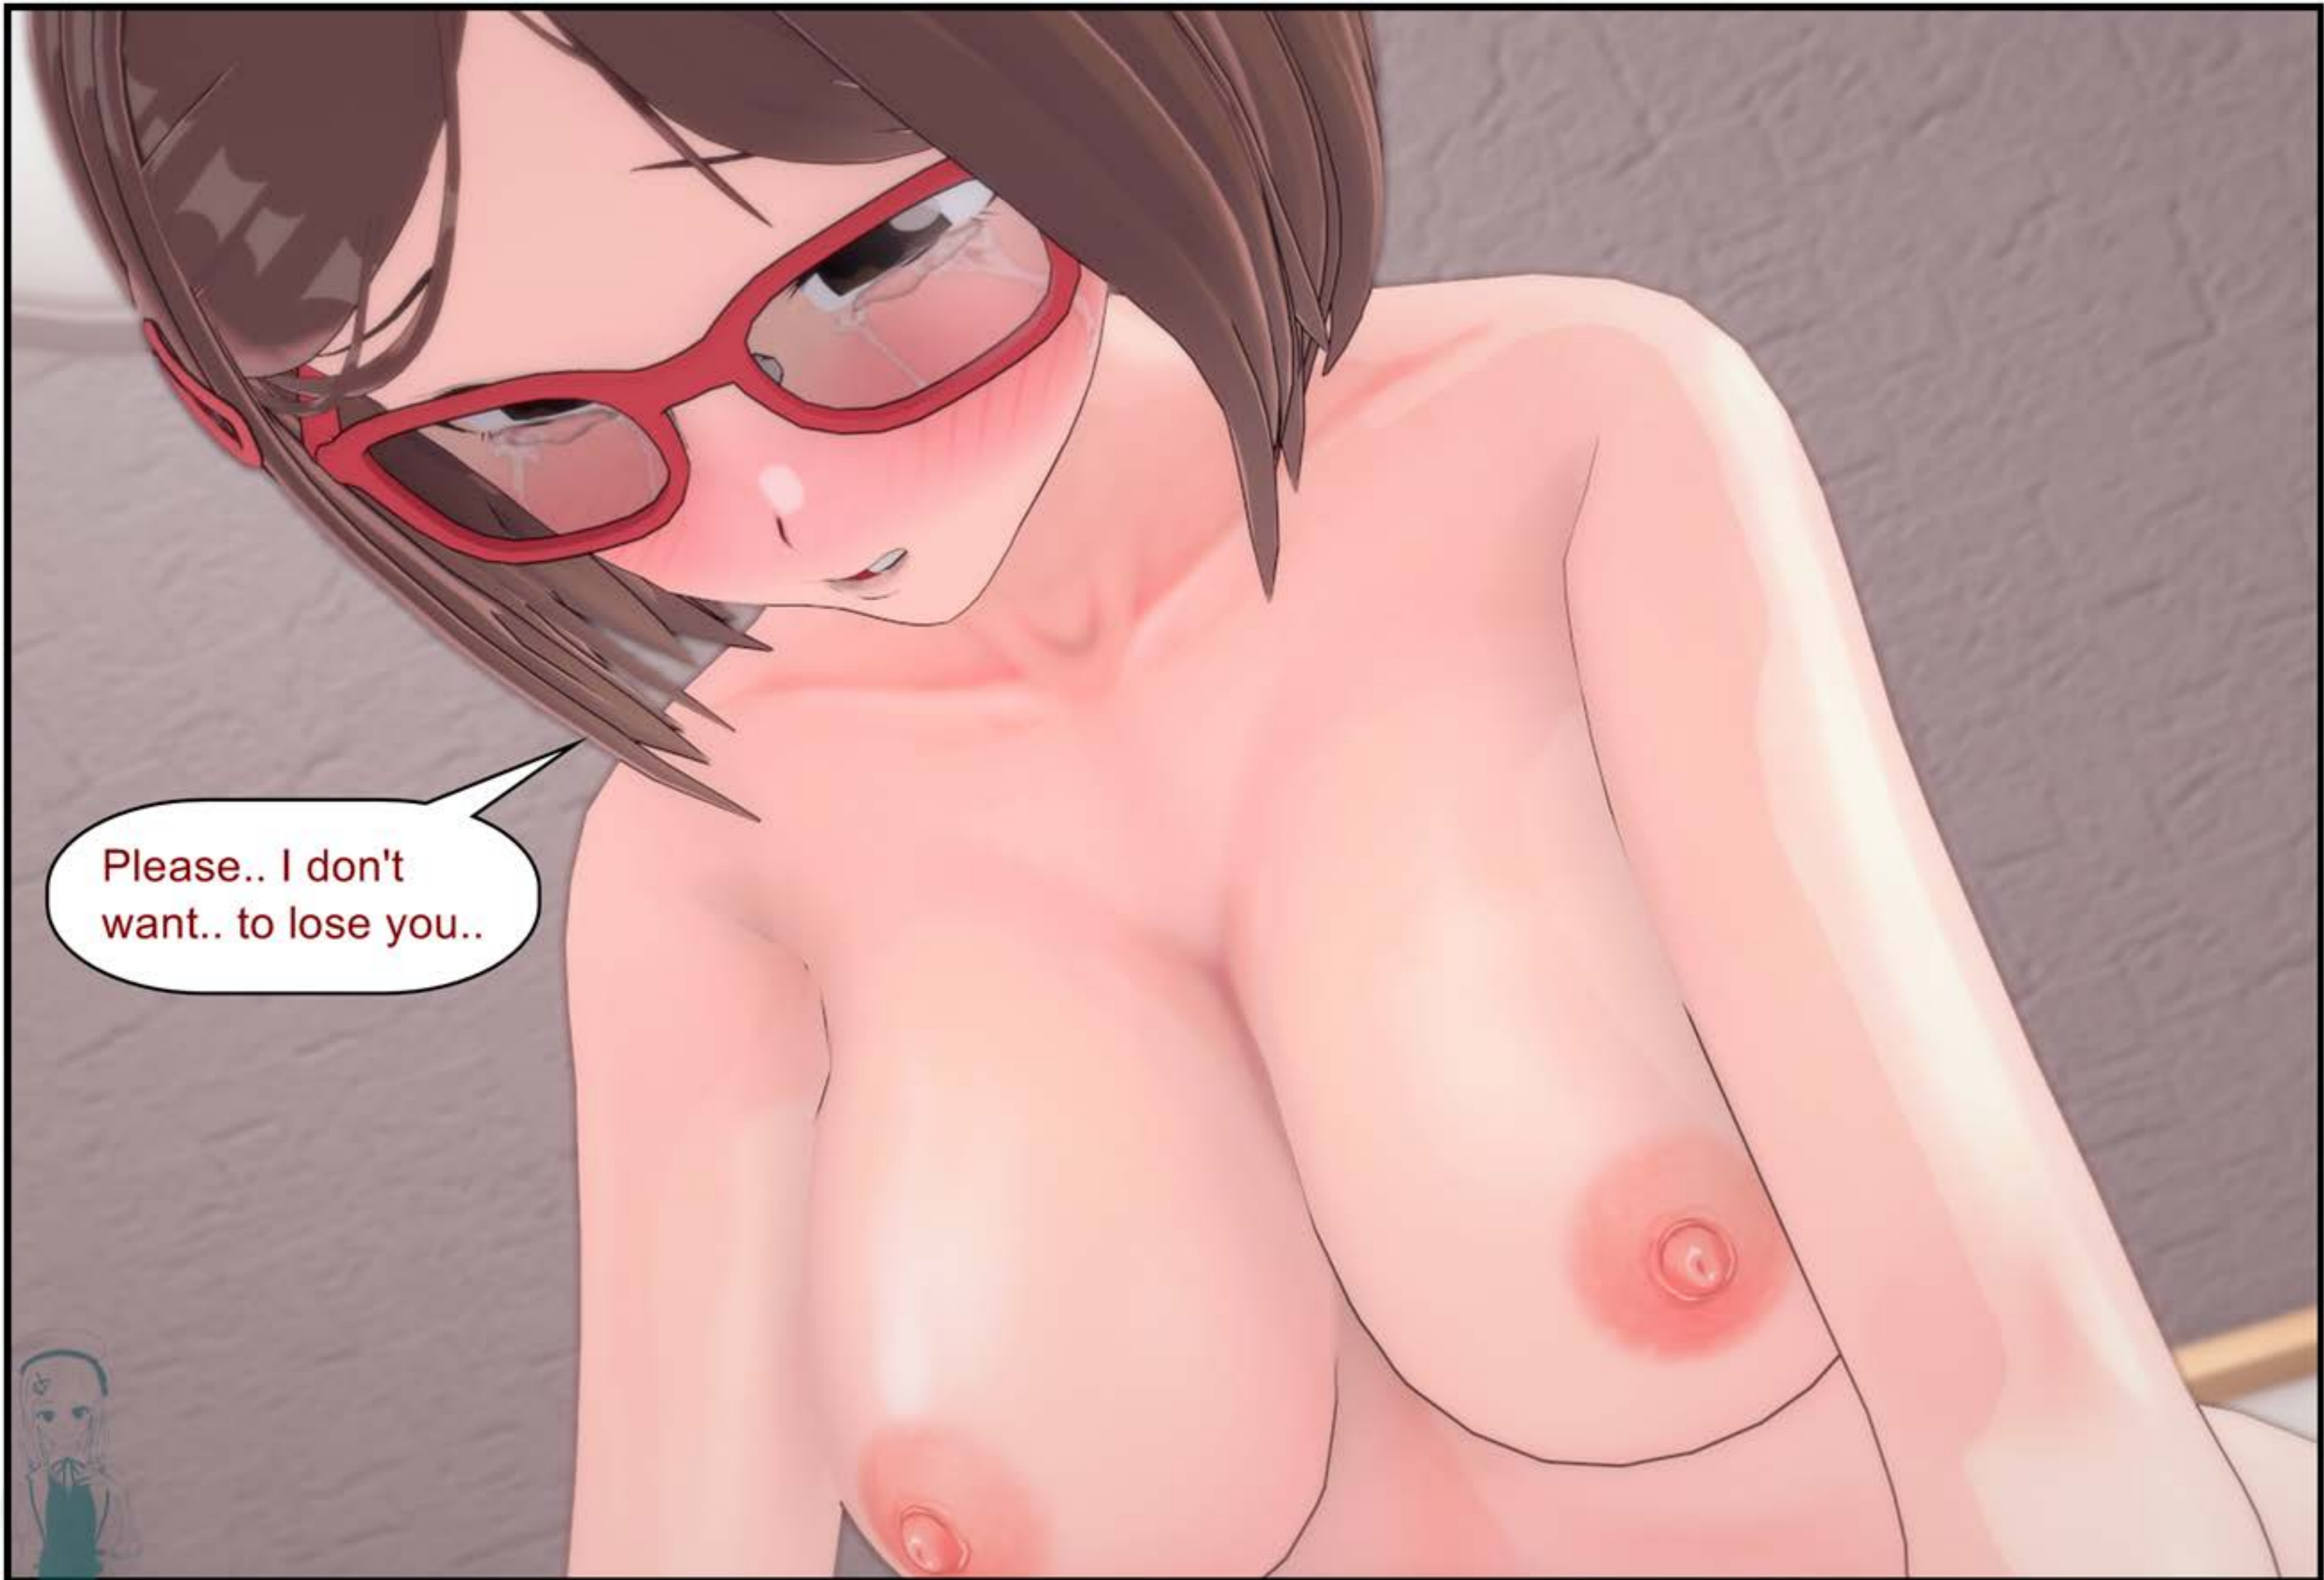

"Marry.."

Kyoko.. Kano..
I'm sorry..

Please.. I don't
want.. to lose you..

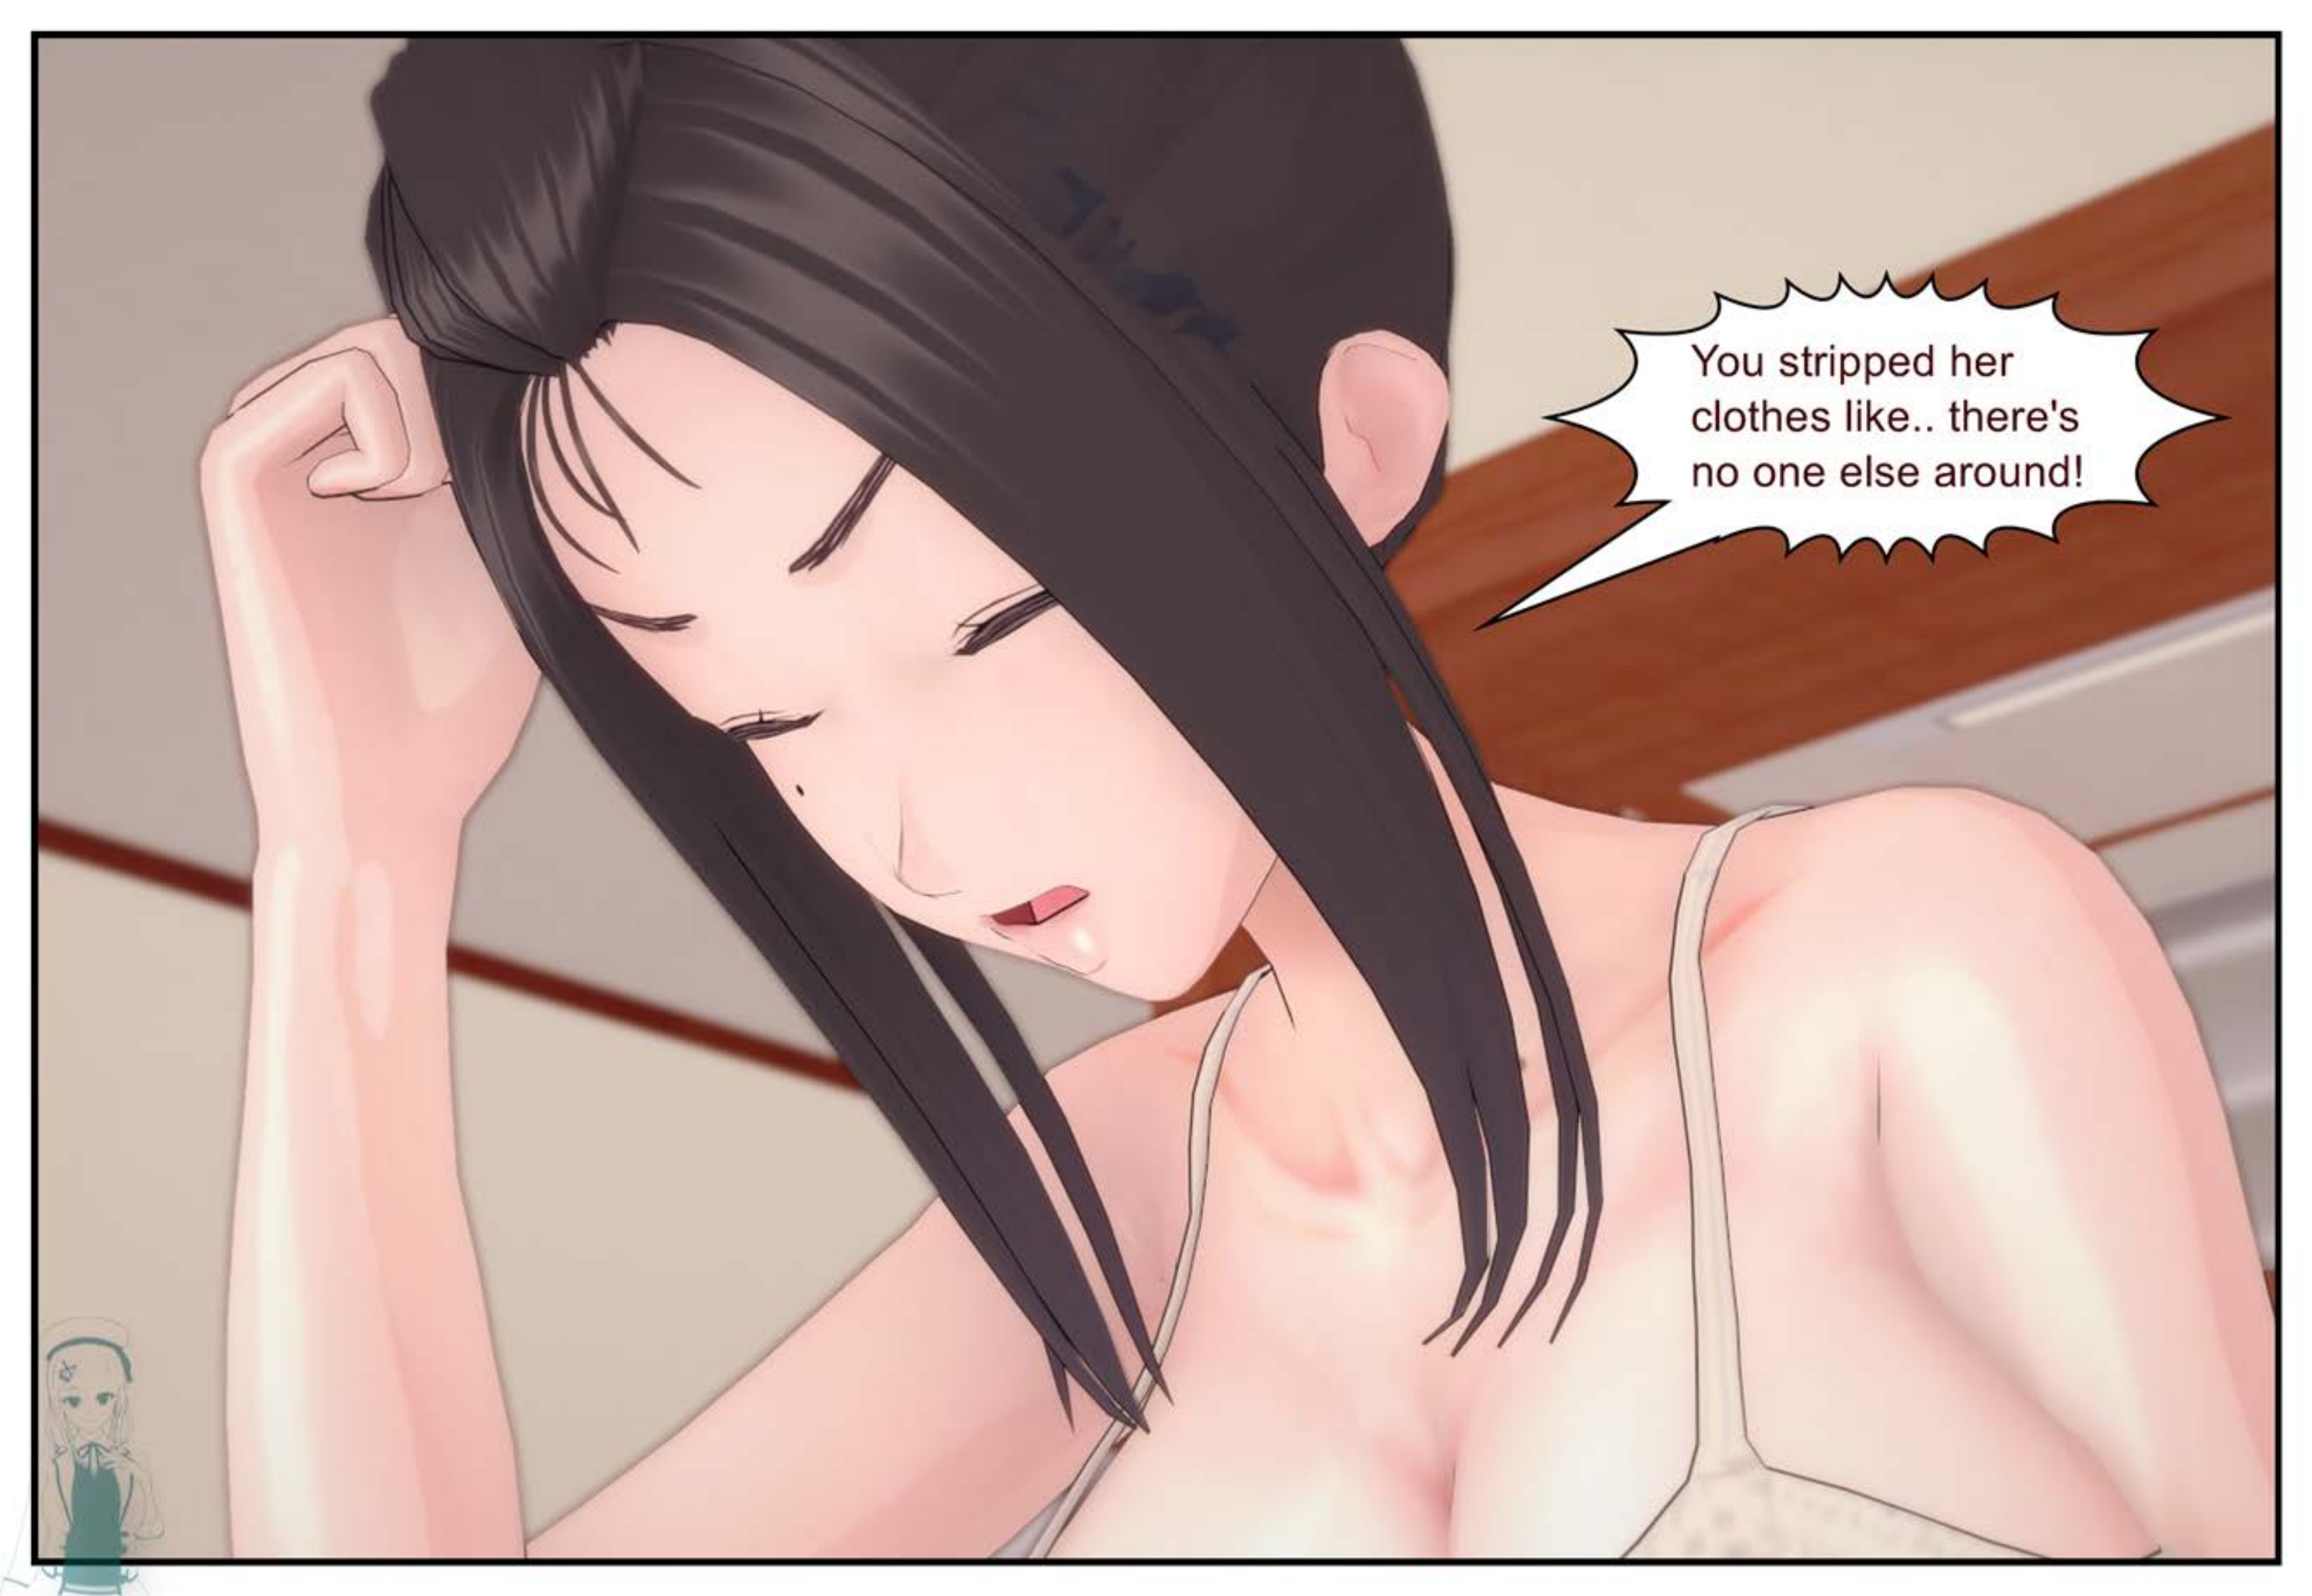

A dark purple door with a white handle is shown. A white speech bubble with a scalloped border is centered on the door. The background is a solid dark purple color.

What.. have you
done with her, Karie!?

You stripped her
clothes like.. there's
no one else around!

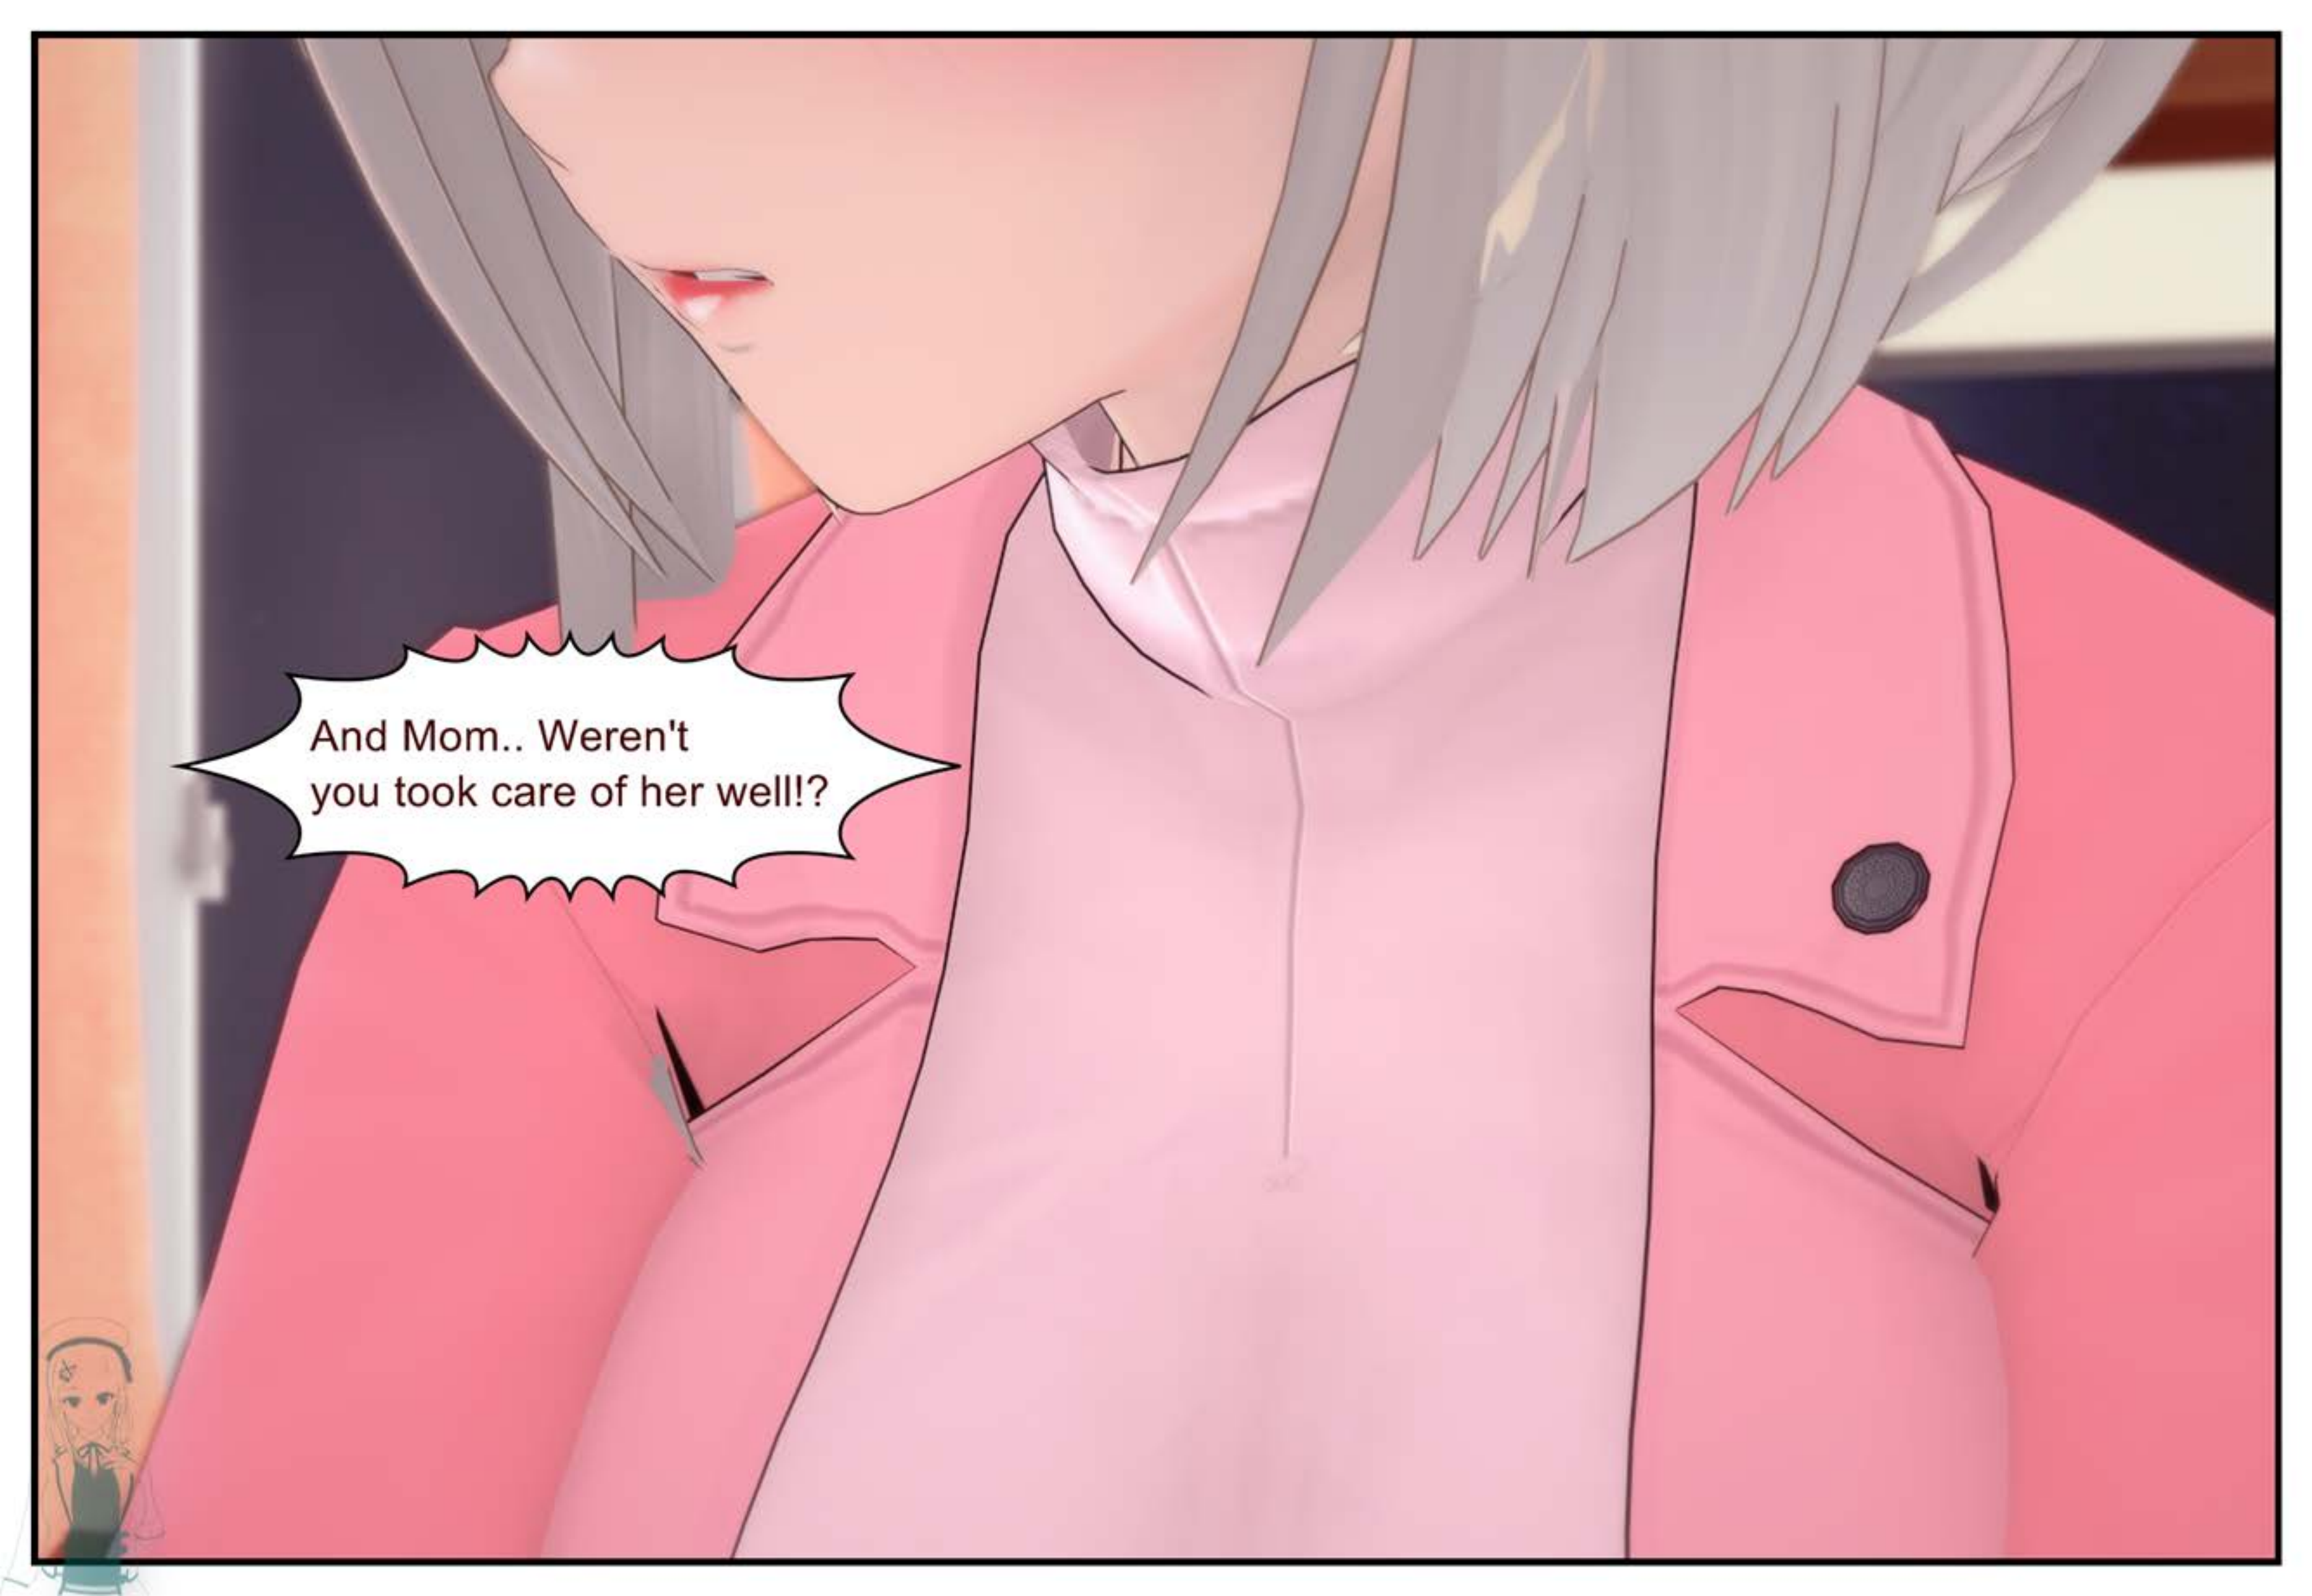

Have you always
like this? I.. couldn't
imagine you..

A woman with long black hair and blue eyes is sitting at a wooden table. She is wearing a yellow halter top. Her right hand is clenched into a fist, and her left hand is resting on the table with a ring on her finger. A speech bubble is positioned to her right, containing text. The background shows a kitchen counter with various items.

Say something,
Karie! Ever since I
left home, what changed
you this much!?

And Mom.. Weren't
you took care of her well!?

ARE YOU DONE
YET, SIS!!??

kmt

After all those years,
you still the same!
Always accuse others!

A young woman with long black hair and blue eyes is shown from the chest up. She is wearing a yellow tank top and has a determined, slightly angry expression. Her right hand is clenched into a fist. A speech bubble is positioned to her left, containing text. The background shows a wooden chair and a window with blinds.

And you just wandering
around! Hung out
with bad friends, left
Mom live alone!

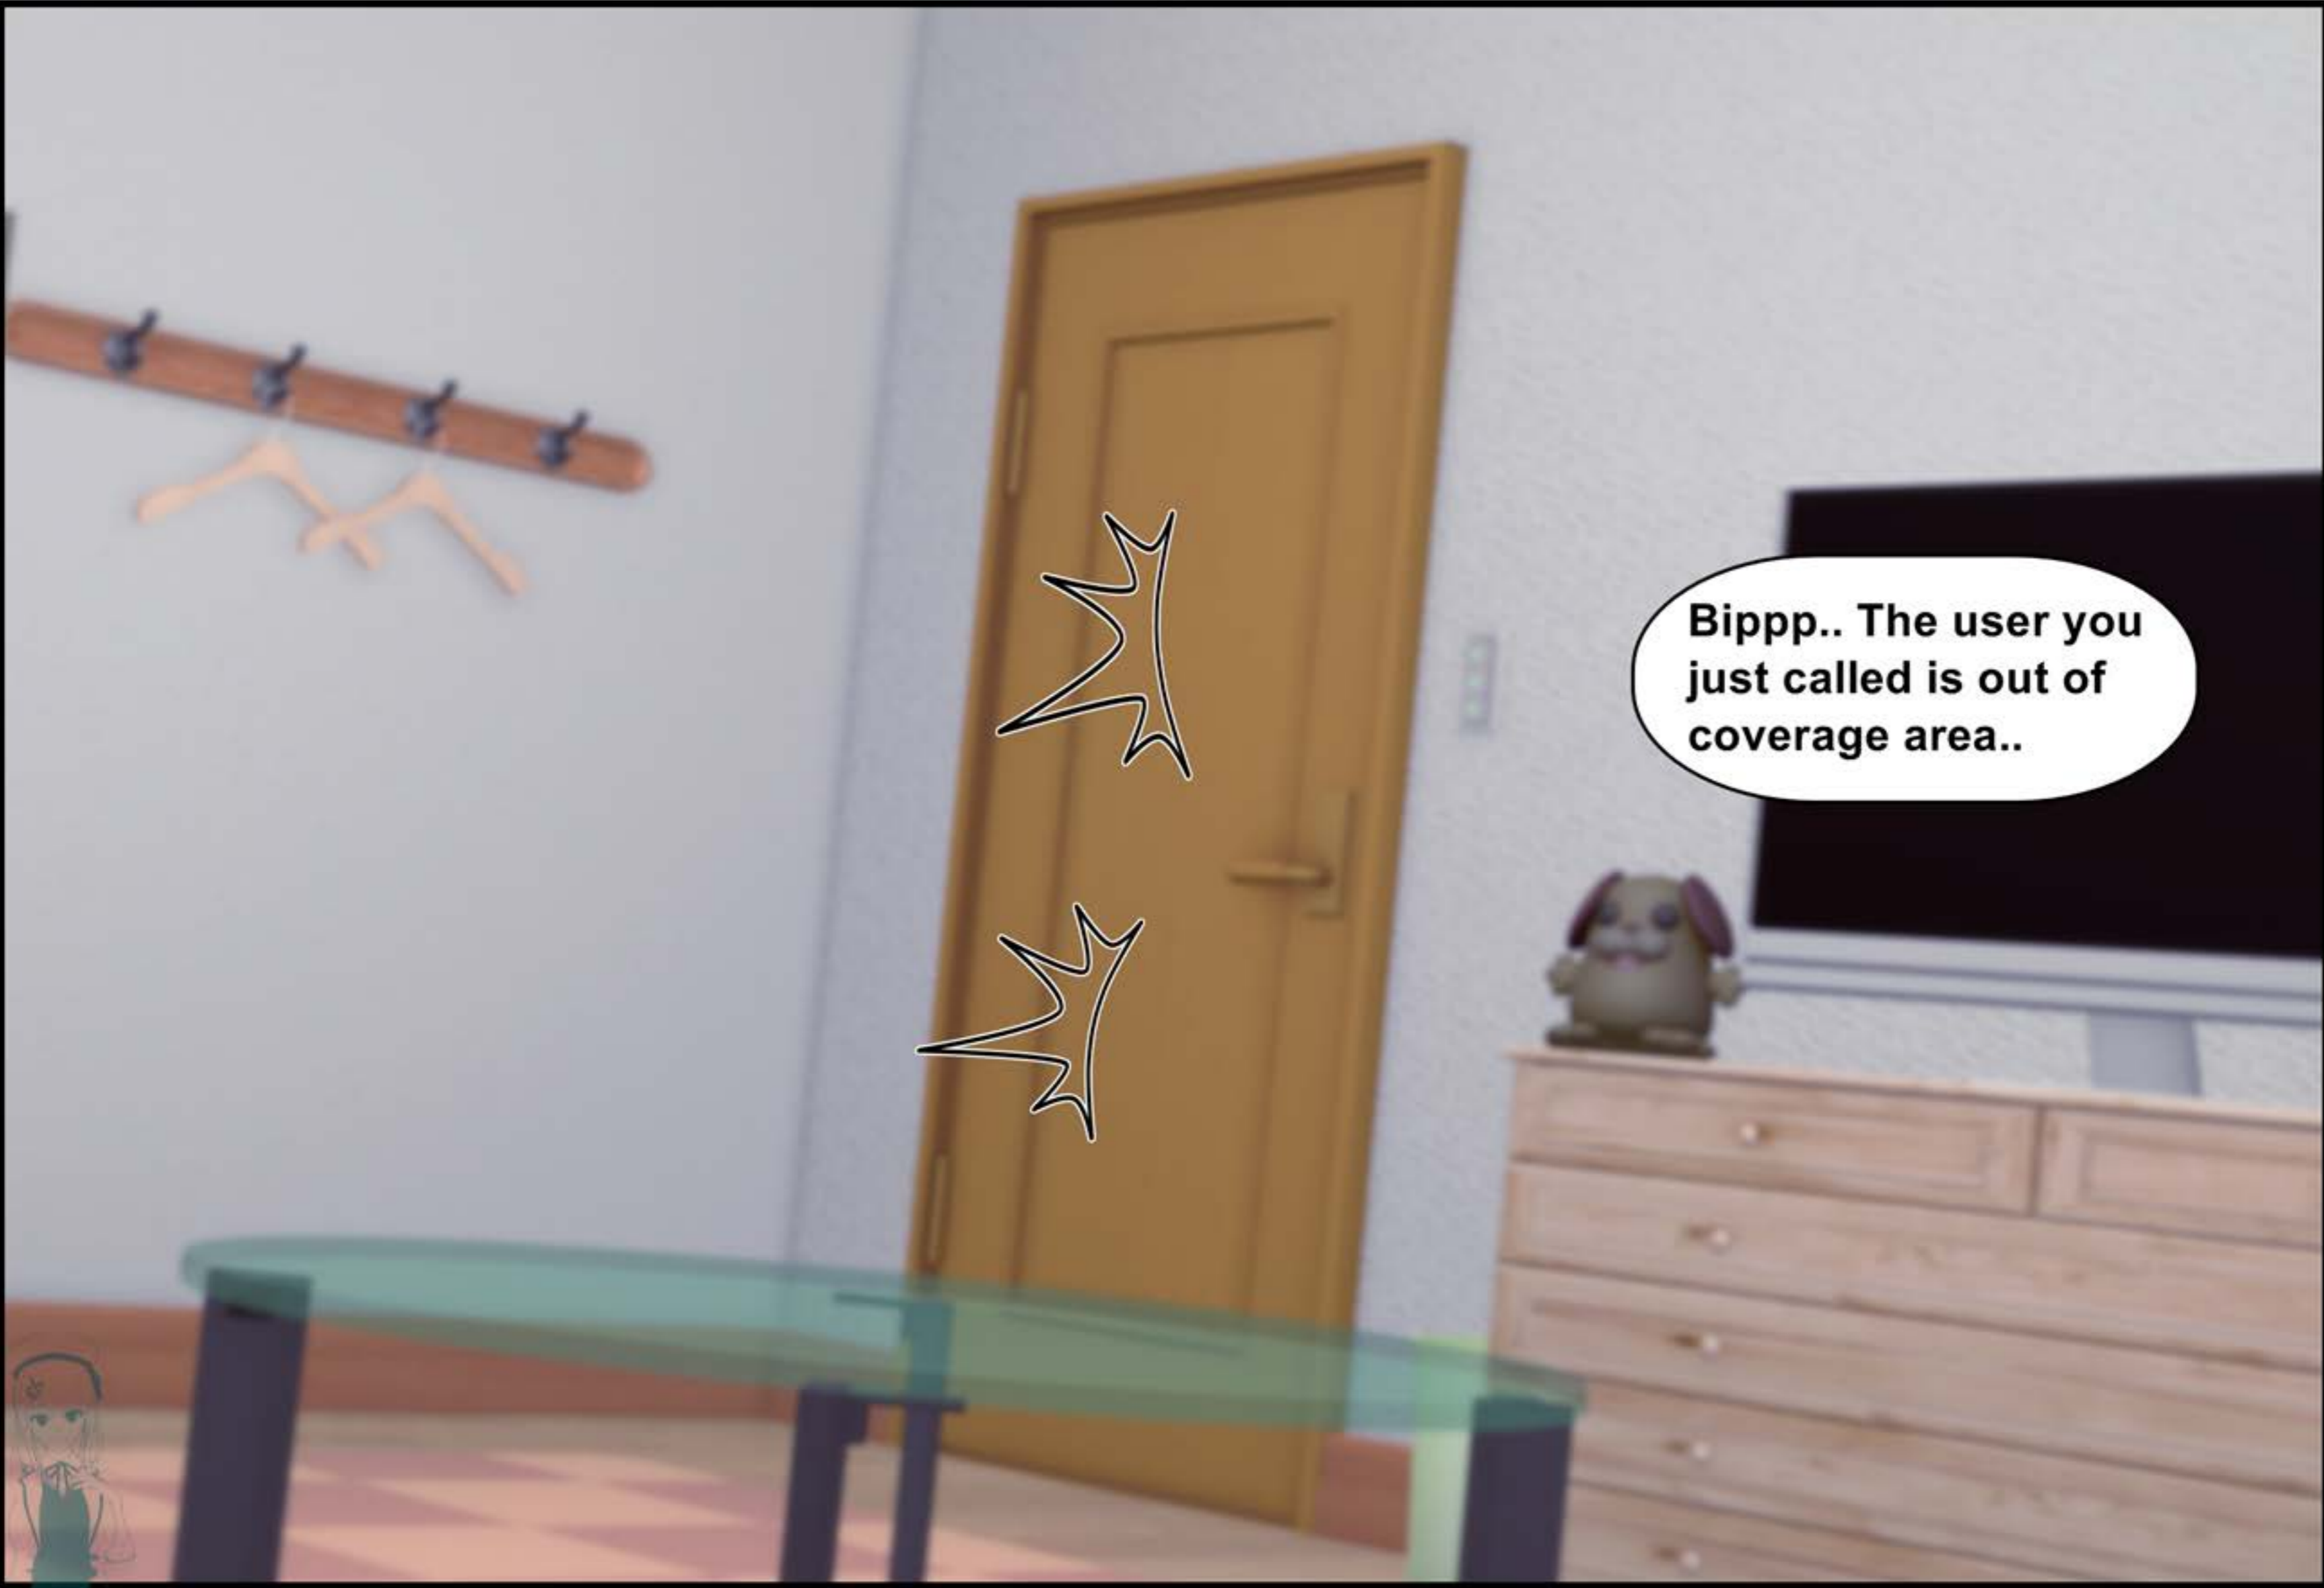

Say that again, Sis!
Don't you think the
money you that sent home
was doing any good!

Were you took
them for your fun, then!?

I was the one who took
care of Mom ever
since! You are the
original of everything!

"I couldn't.. stand
up to protect her.."

"It was my fault.. I have to make up for this!"

"I don't want Marry..
to become lonely like me."

G-Grandma..?

A pink laptop is open on a white desk. The screen is dark. A speech bubble is positioned to the right of the laptop. In the background, there is a framed picture on the wall and a yellow object on the left. A small cartoon character is in the bottom left corner.

And now, coming right up is the sweetest song for the lonely night!

***song played in
the background***

sigh..

"Was I.. too harsh
on Marry?"

"She was.. my first friend ever.. who always by my side."

"Why.. only because
of a small thing.. I
poured everything on
Marry's head.."

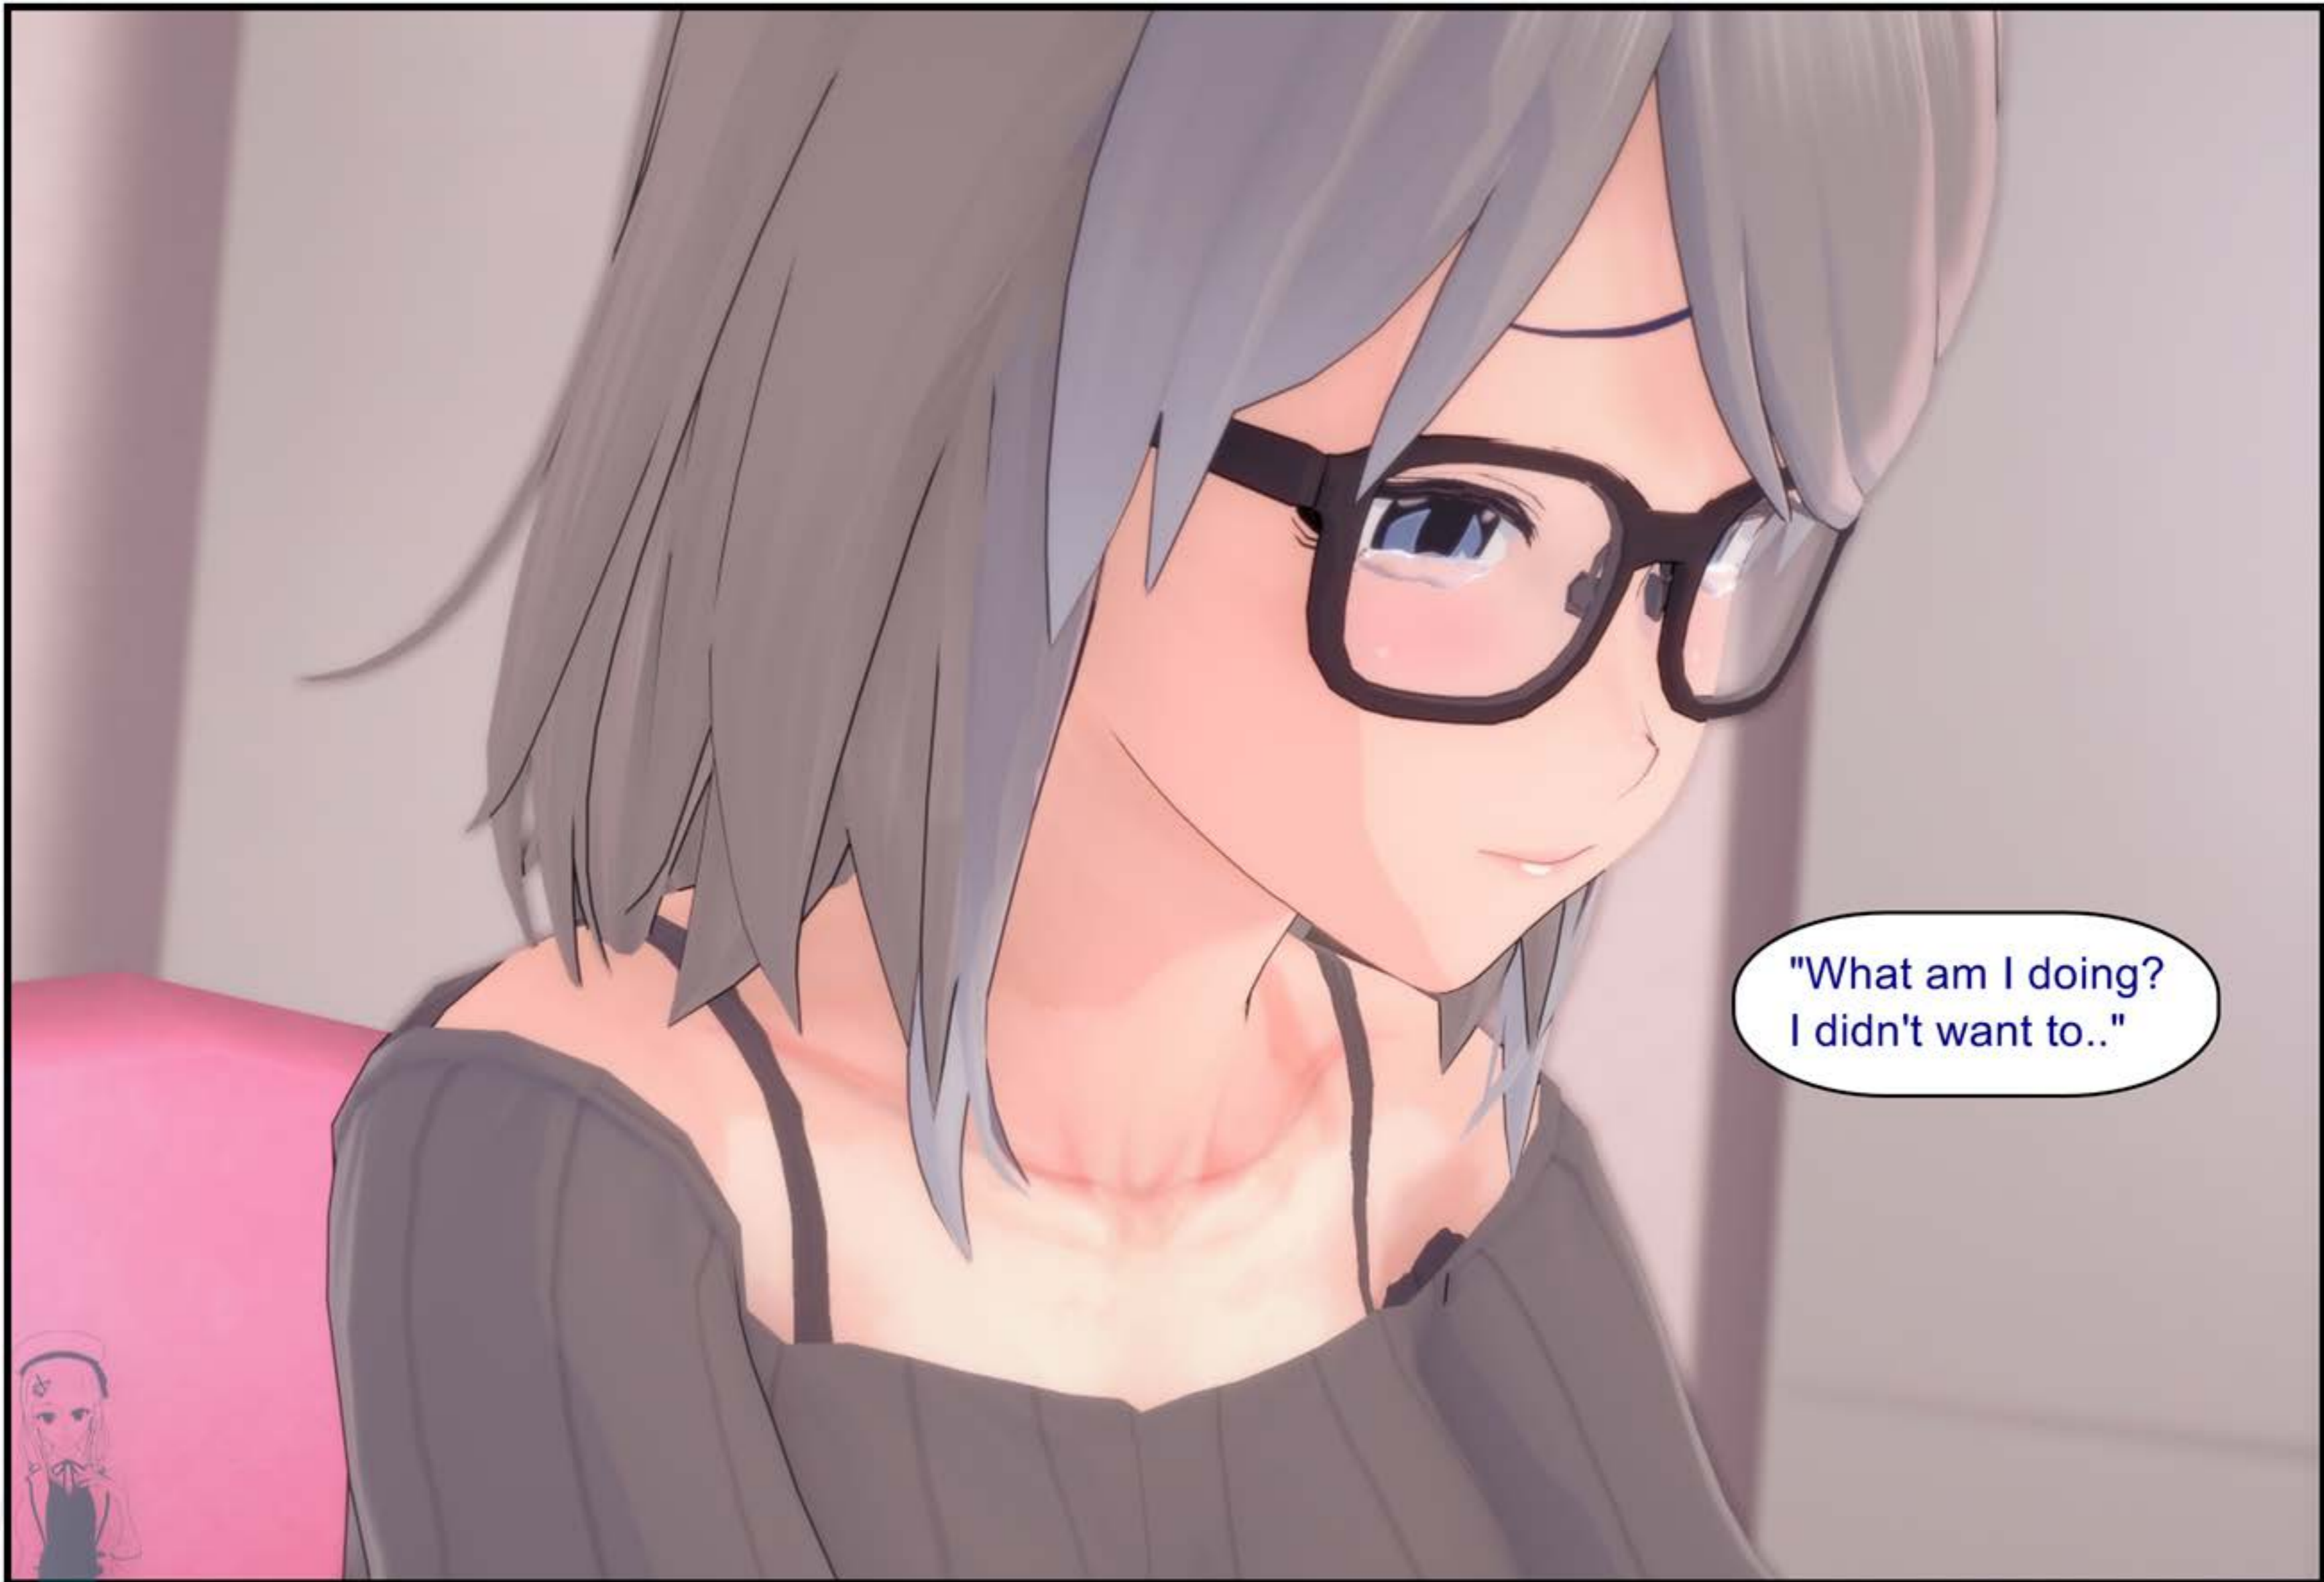

Go for it, Kyoko!
Become a student
council president!

I will vote for you,
Kyoko! Do your best!

"What am I doing?
I didn't want to.."

Marry..

Today is an important day, Senpai!

I have prepared everything that needed for speech.

One thing though..
Are you doing
okay, Senpai?

If you don't feel well, rest up is very crucial!

Please let me support
you two!

A young woman with short brown hair, wearing a white sailor-style school uniform with a blue collar and a red tie, stands with her hands on her hips. She has a slight blush on her cheeks. The background is a school hallway with green carpeting and a white door. A speech bubble is positioned to her left.

I wanted to help
my best friend..

You know, have an extra member is also great!

"Grandma's plan.. I couldn't understand.."

I don't know who you
are nor what are you
talking about..

..but Kyoko senpai
already had me to
do her speech!

Isn't that right,
senpai?

Kyoko..?

Kyoko.. I'm..
sorry.. for yesterday..

Senpai is being exhausted for her election.

Please don't stand
in our way.

I thought it would go well..

A small signature in the bottom left corner, depicting a character with a star on their forehead.

I only wanted.. to
fix everything up..
what I did for you..

It's alright, Grandma.
I will find a way to
talk with her.

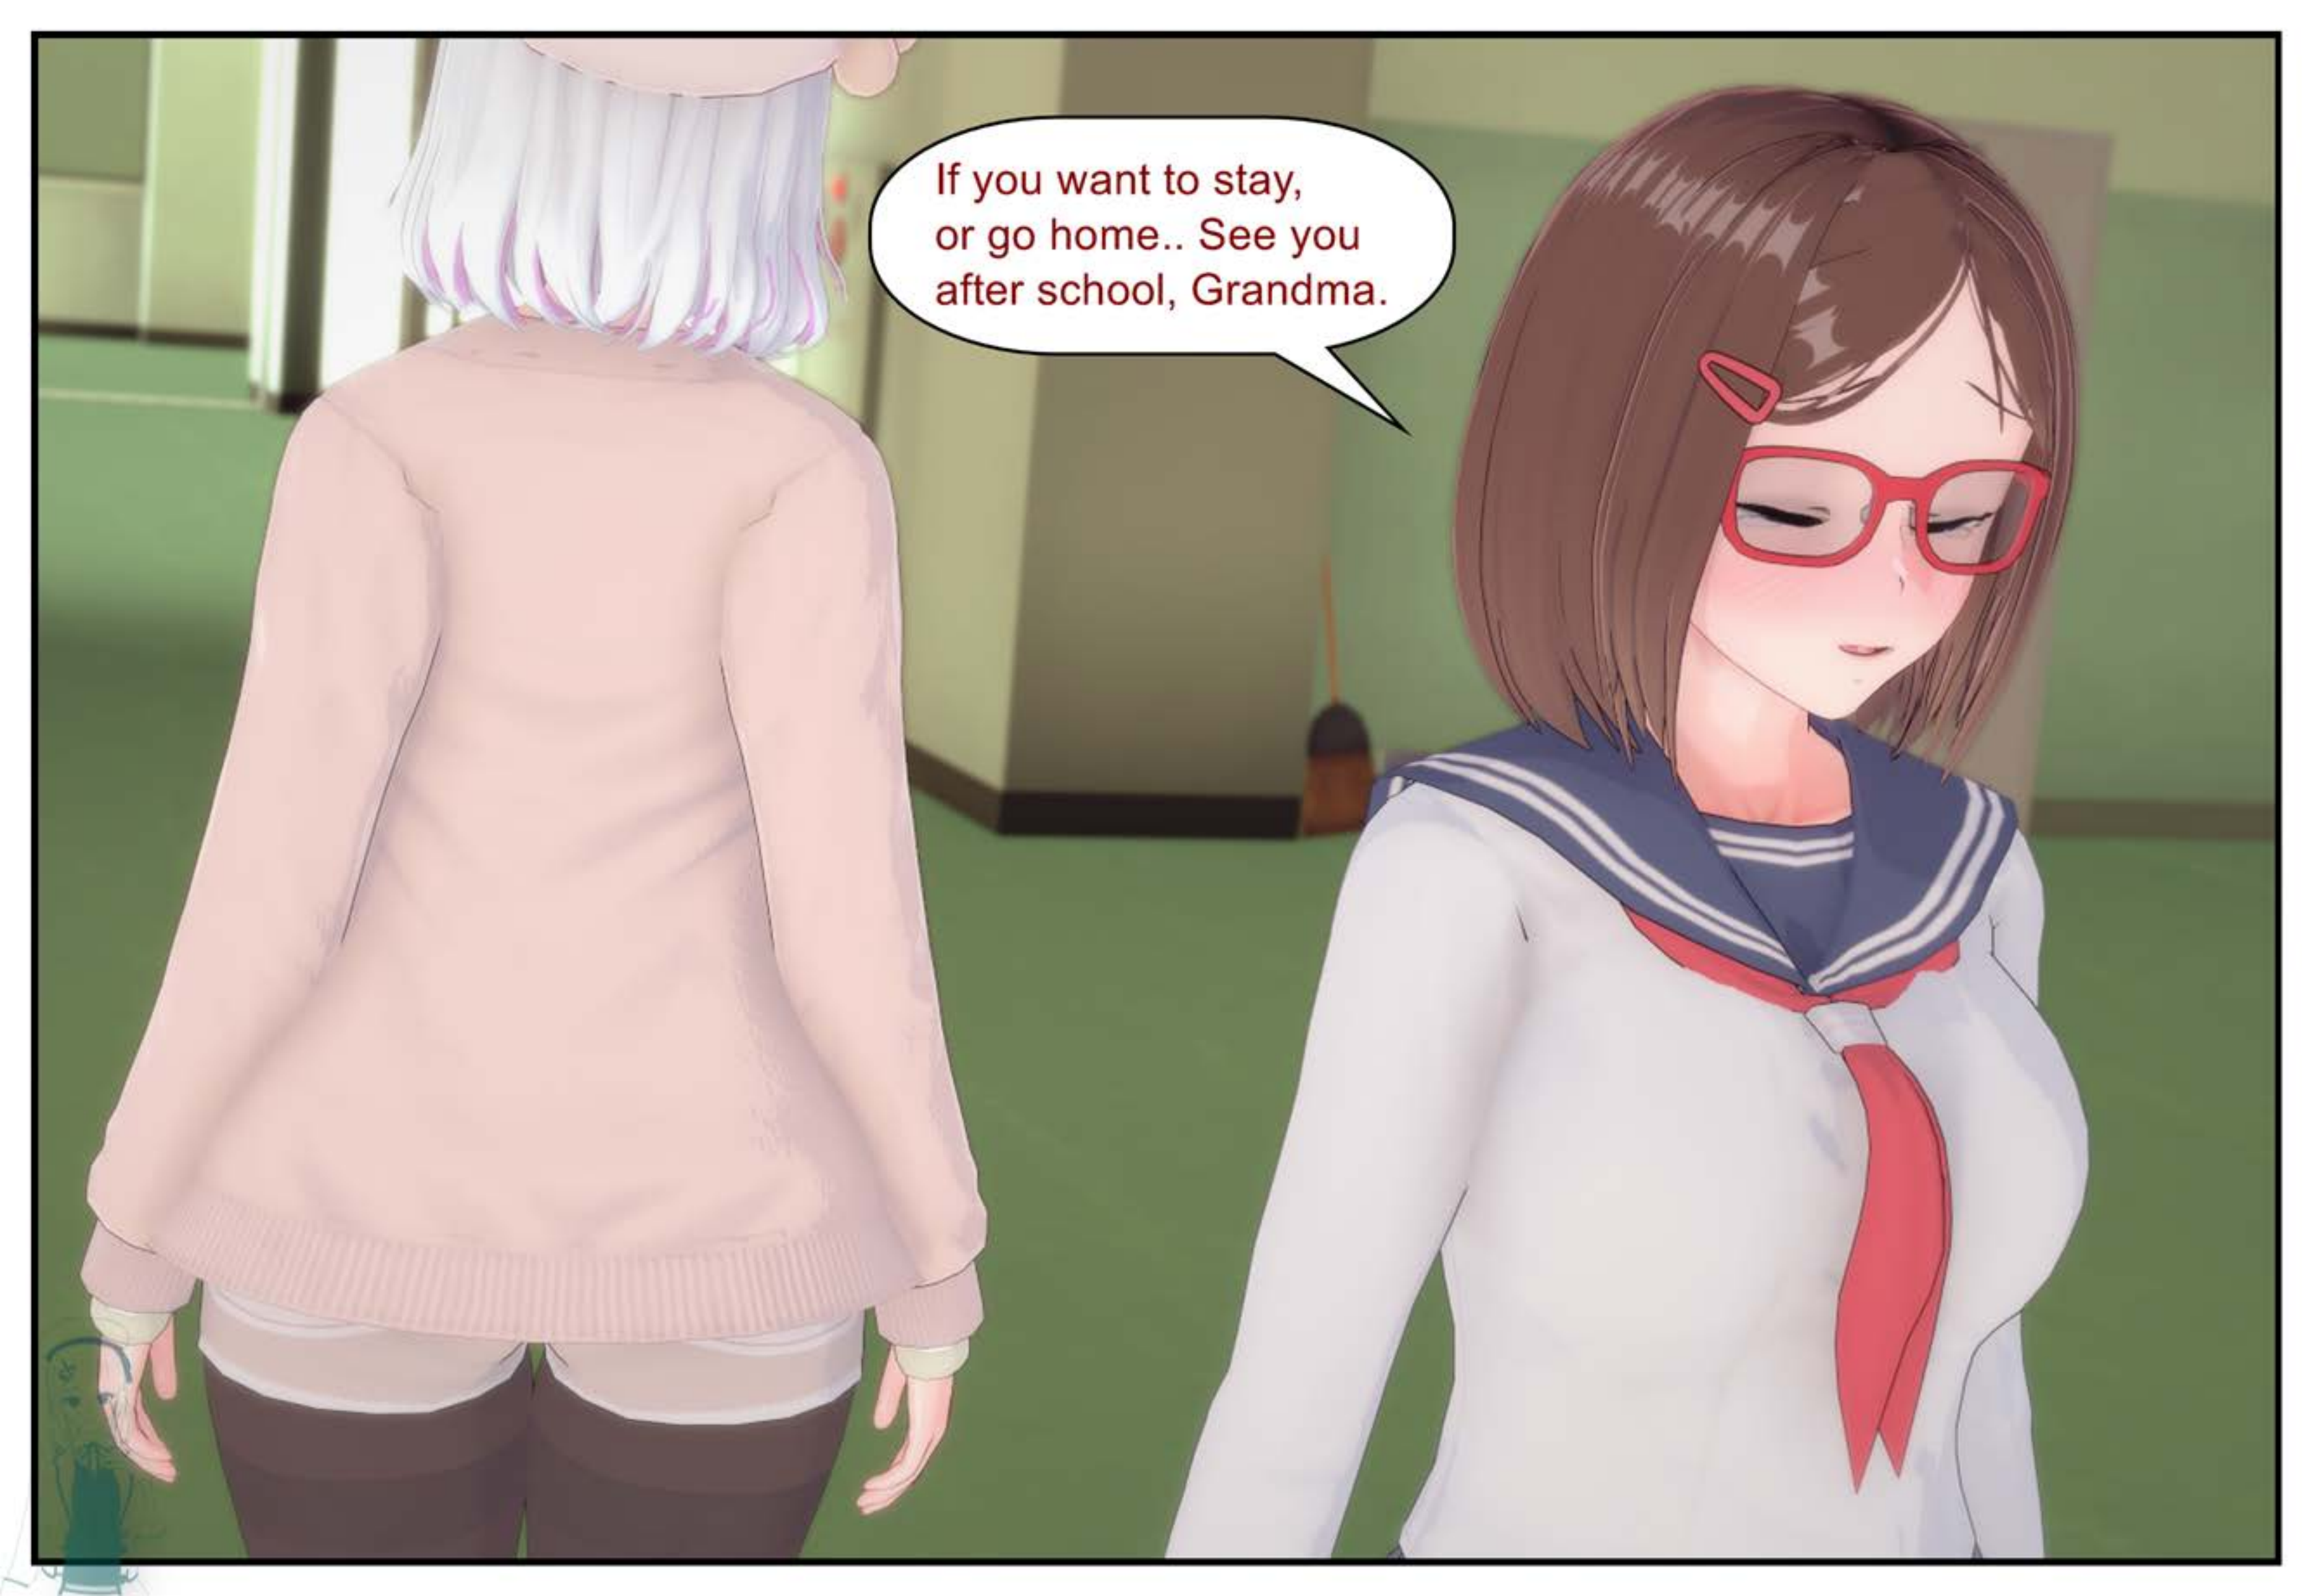

We are just.. having
some misunderstanding..

Kyoko.. must be..
a bit tired lately..

If you want to stay,
or go home.. See you
after school, Grandma.

"What's with her..?
Acting all that.."

"Also, with Senpai's
condition right now..
I'm worried.."

Ah.. Where was my hairpin..?

There you are..
